## RIVERS ARE RISING NOW

Water in the Bulkley and Skeena Rivers has been rising rapidly during the past week under the influence of sudden warm weather conditions which appear to be melting snows rapidly in the mountains. On the lower ground, the snow has now pretty well disappeared and, as there was little frost in the ground during the past winter, absorption has been greater than usual, thus relieving the run-off into the streams and possible excessive flood conditions.

## HALIBUT LANDINGS TODAY ALMOST MILLION POUNDS, RECORD FOR PORT

Prince Rupert fish exchange today experienced what is believed to be the greatest halibut landing in the port's history. Arrivals up to noon totalled 987,000 pounds which are taxing port handling facilities to the limit. In addition, a shortage of refrigerator cars is making it impossible to clear the overloaded fish sheds.

Up to 11 o'clock a total of 924,000 pounds had been landed from 29 vessels, and several boats arrived later. By noon the total had risen to 987,000. Six American vessels brought in 262,000 pounds, while 25 Canadian boats brought in 725,000.

Cold storage and fishing company operators felt confident that they could handle today's catch, believing that it would not be repeated with equal intensity tomorrow. All expressed the hope that the current refrigerator car shortage would be relieved.

A burned out railway bridge east of Prince George is responsible for the shortage of "refrigerators." About 20 cars are said to be held up at the other side of the gap and will arrive in Prince Rupert tomorrow night.

Fifty per cent of the catch is being frozen, as is required by law. Ceiling prices of 18½ and 16½ cents a pound for Canadian fish and 15½ and 13½ cents for American halibut are being maintained.

Veteran waterfront men believe today's sales to be the greatest in the history of the port, although it is also said that a million pounds were landed in one day during the 1927 season.

Fishermen report fair weather on the halibut grounds which is

one of the main reasons for the huge catches.

## LABOR IS SHORT IN THIS CITY

Employment Office Able to Supply Only Fraction of Requirements

A definite labor shortage has hit Prince Rupert. Employment Service officer E. V. Whiting says that he has urgent calls for 125 men, and is unable to supply a fraction of the men required.

He has sent to Vancouver to try and fill an order for 100 workers.

Mr. Whiting says that unemployment insurance claims have dropped off greatly, and that practically everyone in the city is working. His prediction, made several months ago, that Prince Rupert would experience a labor shortage by June has come true even earlier than he had expected, Mr. Whiting says.

The shortage will become more critical next month, he anticipates, with the opening of work projects in the interior. Notable among these is the Pine Pass Highway, which is expected to place demands on this city for road workers.

One of the major reasons for the labor shortage at present is the large number of men being employed in the fishing industry. Demolition of buildings sold by War Assets, too, is employing scores of men who earlier in the season were without employment.

It is for one of these demolition projects that Mr. Whiting is seeking 100 men—the Mix Construction Co. project at Port Edward. There more than 100 buildings are being torn down for salvage by the Department of Veterans' Affairs. It is anticipated that there will be about three months' work in that operation.

Canadian Fish and Cold Storage Co. is reported to be in need of about 25 men for its summer operations.

## Tokyo War Crimes Trial Has Taken on Odd Turn

Defence Claims That Allied Orders Do Not Have to Be Acceded to—"Height of Absurdity," Declares Prosecution

TOKYO (CP)—Argument that Japan did not surrender unconditionally and does not have to obey every Allied command was presented today to the Far East military tribunal by Chief Defence counsel for major Japanese war criminals, Ichiro Kiyose's challenge that the court lacks authority to try the twenty-eight defendants on fifty-five counts was taken under advisement as the tribunal adjourned Tuesday. Kiyose declared that the surrender such as it was had been made on the understanding that there would be no war crimes prosecutions. In any case, the surrender had been only by the Army and did not apply to either the government or the people.

## FIRE DESTROYS RAILWAY BRIDGE

A 150-foot trestle bridge on the C.N. Railway line near Hansard, 55 miles east of Prince George, was destroyed by fire at 5 o'clock Saturday afternoon, causing a slight delay in east-bound traffic Sunday. Railway officials here were unable to state the cause of the fire, but it is known that bush fires are prevalent in that area.

Passengers on the train which left Prince Rupert Friday night were transported three miles by highway to transfer to another train on the east side of the trestle bridge. No other trains were affected.

It is understood that the bridge will be temporarily rebuilt by tonight, allowing traffic to pass.

The train which arrived here Saturday night was two hours late due to a late departure from Jasper. It was on the western side of the bridge when the fire broke out and therefore was not affected.

**Passing of the Pioneers**

Yesterday marked the paying of tribute by the congregations of two Prince Rupert cathedrals to two great local churchmen whose deaths had occurred during the past year—one eminent in ecclesiastical rank, the other relatively high in the laity. Out at Fairview Cemetery many of the faithful Roman Catholic flock of the late Bishop E. M. Bunoz, pion-

eer local priest, gathered together to attend the dedication of a fine monument in his honor. At St. Andrew's Anglican Cathedral old friends assembled for the dedication of the fine chimes installed by the widow in loving memory of the late Robert L. McIntosh. These are the material memorials and it is fitting they should have been provided. With most of us memories of fine character and spirit of these two pioneers from the earliest days of Prince Rupert will long remain as real though possibly less tangible monuments. And as we who knew them and their works so well think back on Bishop Bunoz and Mr. McIntosh our thoughts also turn to others of the fine pioneer band of Prince Rupert's founders who came here in the prime of life but, in the fullness of accrued years, have been slipping away so noticeably this last while.

**PASSING OF WM. MILLAR**

Was in Customs Service at Stewart in Early Days and For Years Liquor Vendor Here

William Millar, resident of Stewart and Atlin in the early days in 1910 and for many years government liquor vendor at Prince Rupert, passed away yesterday morning at Victoria where he had resided since leaving here in 1940, according to word received by local friends. He was one of the city's best known and most highly esteemed pioneer residents and news of his passing will be received with regret. Mr. Millar was 76 years of age and a native of Scotland. He first arrived in Prince Rupert after the collapse of the first Portland Canal mining boom and for a while was in railway construction work and in Customs service. After a time at Atlin, he was in the Forest branch service as forest ranger here. In 1921 he became liquor vendor and occupied that position for nearly 20 years until he retired and left for Victoria. Before coming to Canada, Mr. Millar had been a landscape gardener in Scotland and he continued keen interest in horticulture here, his residence on Sixth Avenue East being one of the show places here for flowers of many delicate varieties. Surviving deceased is his widow. There is also a sister in Vancouver. Mr. Millar was a member of Tsimpsen Lodge, A.F. & A.M. here until he left the city.

**TERRACE HAS ANGLICAN TEA**

TERRACE—A very successful tea and sale was held on Saturday afternoon by the Women's Auxilliary of St. Matthew's Anglican Church. The affair was in the Orange Hall and a large crowd patronized it. Rev. R. Hills was in attendance and opened the tea with a prayer. Mrs. Bert West, president of the Women's Auxilliary, welcomed the guests. Tea tables were centred with lovely bouquets of flowers. Mrs. C. L. M. Giggey and Mrs. H. King were in charge of the home-cooking stall and Mrs. R. de Kergommeaux in charge of the work stall Mrs. George Dover was cashier. Mrs. R. Collett and Mrs. R. Thompson poured tea and coffee, and serviteurs were Mrs. Hamblin, Mrs. Maxsted, Mrs. M. Olsen and Mrs. Head. Mrs. D. McMillan and Mrs. Sparkes had charge of the kitchen.

**SMITHERS HITS ROAD CONDITION**

SMITHERS: "Fantastic" and "abominable" were used to describe the main highway out of Smithers at a recent meeting of the Chamber of Commerce. It was decided to write Public Works Minister Hon. E. C. Carson and seek immediate action. During discussion it was pointed out that the Smithers public works office had only two trucks working, the rest of the machinery awaiting repairs and replacement parts which have been hard to get. Efforts are being put forward to have the Smithers-Babine road repaired as well.

Of course, it's my Mother.  
Is there anyone as gracious,  
As sweet as dear Mother?  
No, not on this earth  
Will you find another.

George Stallings, "Miracle Man" of baseball, died at Haddock, Ga., 17 years ago today. Stallings managed the 1914 Boston Braves who came from last place in the National League in July to take the pennant and beat the highly-regarded Philadelphia Athletics in four straight games in the World Series. He revived International League ball in Montreal in 1928 after a 16-year lapse.

132,000 Borrowers Preferred the **B of M** in 1945

There are a lot of reasons why 132,000 Canadians chose to borrow for personal purposes at the Bank of Montreal last year, just as there are a lot of reasons why well over a million people choose this bank as their depository.

Perhaps the most important reason is that, here at the Bank of Montreal, they can obtain personal loans at the lowest cost.

Nowhere can you borrow more cheaply or on more favourable terms than at the B of M. And nowhere will you find formality and red tape so cut away.

Because of the low cost, convenient terms, and the friendly, helpful approach of our people, you, too, will enjoy dealing with the B of M when you have need to borrow money.

A point to remember is: when you ask for a loan at the B of M, you do not ask a favour.

Comprise Today's Double Bill At Capitol Theatre Here

Typical high-speed Hope hilarity is presented in the farce comedy, "Nothing But the Truth," starring Bob Hope, which is showing today at the Capitol Theatre here. Co-starred with Hope is Paulette Goddard heading a cast which also includes such favorites as Edward Arnold, Helen Vinson, Glen Anders, Grant Mitchell, Rose Hobart and Willie Best.

Hope is seen as a stock broker who bets \$10,000 that he can tell the truth for 24 hours. It is the adaptation to the screen of a noted old stage play which was popular for half a century.

"The Spider," a mystery with Richard Conte and Fay Marlowe rounds out a double bill.

**ORGAN CHIMES ARE DEDICATED**

Sabbath Atmosphere of Prince Rupert Enriched By McIntosh Memorial

The Sabbath atmosphere of Prince Rupert was enriched yesterday with the clear tones of the R. L. McIntosh memorial chimes which played for a half hour following their dedication in the chancel of St. Andrew's Cathedral by Bishop J. E. Gibson just prior to the morning service.

The electrically amplified chimes rang out a succession of beloved hymns beginning with the Old Hundredth Psalm, "All People That on Earth Do Dwell." Organist and Choirmaster Peter Lien operated the organ chimes from a special keyboard mounted in the chancel beside the organ keyboard.

Present at the dedication ceremony was Mrs. R. L. McIntosh, who presented the chimes to the cathedral in memory of her husband who was a leading member of St. Andrew's congregation for almost 40 years.

In the presence of 100 friends of the late Mr. McIntosh, Bishop Gibson opened the dedication service with the reading of the 84th Psalm, "O Holy Are Thy Dwellings, Lord," which was followed by the brief dedicatory passage and prayers.

In the church service which followed, Bishop Gibson chose as his text the subject of remembrance, suggesting that it is good to be reminded of the good achieved by others in the past. He paid tribute to Mr. McIntosh whom he had known for

25 years prior to his death as a man deeply imbued with the Christian spirit and one who had labored in the interest of the church.

Present at the service were the officers and men of H.M.C.S. Charlottetown. The scripture reading, the fourth chapter of Phillipians, verses four to ten, was delivered by Lieut. John Wolfenden, captain of the Charlottetown.

Bishop Gibson welcomed the ship's complement, recalling that at the first Anglican service, held in the newly built church hall in 1907, the officers and men of a Royal Navy vessel, H.M.S. Egeria, were present.

The R. L. McIntosh memorial chimes, which undoubtedly will find a warm response throughout the city, were manufactured by J. O. Morel of Toronto. Actually a set of organ chimes, their tones are amplified by a loud-speaker system housed on the roof of the cathedral. The amplification system was installed by E. G. Daniels and A. F. Martin of the Northern Communications and Maintenance Co. The keyboard cabinet was the handwork of Levi Fitzgerald. Volunteer assistance in the installation was given by Lieut. Robbins and S/Sgt. Latham of the Royal Canadian Corps of Signals. The cupola housing the amplifiers was constructed by Frank Partridge.

## MONUMENT TO BISHOP

Impressive Dedication Service For Memorial of Late Most Rev. E. M. Bunoz

In the presence of a goodly-sized congregation consisting largely of deceased's old parishioners desirous of renewing expression of the affection and respect, Most Rev. Anthony Jordan, Bishop of the Roman Catholic vicariate of Prince Rupert, as a solemn and impressive service in Fairview Cemetery yesterday afternoon, officiated at the dedication of a handsome memorial to the late Most Rev. Emil Marie Bunoz, O.M.I., who passed away on June 3 of last year, after having served for nearly 40 years as head of the diocese. The memorial takes the form of a handsome six-foot marble monument raised as a result of subscriptions from the friends of the vicariate. It bears the inscription: "In Loving Memory of Most Rev. Emil Marie Bunoz, O.M.I., first vicar-apostolic of Prince Rupert, B.C., 1864-1945, R.I.P."

Bishop Jordan was assisted in the dedication by Fathers W. F. Lantagne and Joseph Carroll with George Gillis, Edward Cloutier, Lawrence Moore and Bernard DeLong as attending choir boys. The choir of the Cathedral of the Annunciation was also present and sang the "Liberia" at the opening of the rites and the hymn, "O What Could My Jesus Do More?"

The tribute of the Bishop to his lamented and illustrious predecessor was as follows: "Eleven months ago every home in the parish was plunged into mourning when the beloved head of our diocese breathed his last. At the solemn funeral service on June 7, His Excellency the Archbishop of Vancouver said that many monuments would remain as the fruit of Bishop Bunoz's labors. Among these monuments he cited, as the greatest, your undying affection for him. Your presence here today in such large numbers bears eloquent testimony to the stability, sincerity and warmth of that affection."

"We are gathered to honor the memory of our late great Bishop by dedicating this stone erected over the place where he is buried. This hallowed spot, where he lies in the midst of our honored dead, will be ever a place of pilgrimage, where we may come privately or in groups to pray for our loved ones whom God has called out of this life."

"This gathering affords us a cherished opportunity for voicing our esteem and veneration for Bishop Bunoz. Throughout nearly two score years he ruled over this vast region. His life was characterized by burning zeal, which impelled him to un-

## Whifflets From The Waterfront

Two coastal liners of the Union Steamship Co. were in port last night—the Cassiar and the Catala. The Cassiar, Capt. Lorne Godfrey, arrived at noon from Massett Inlet points and sailed at midnight for Vancouver via the south end of the Queen Charlotte Islands. The Catala, Capt. Ernest Sheppard, arrived at 11:30 last night from Vancouver and waypoints and continued this morning on her voyage to Stewart and other northern points whence she will return here tomorrow afternoon southbound.

C.P.R. steamer Princess Louise, Capt. P. L. Leslie, docked here at 8:30 this morning sailing at 10 o'clock for Ketchikan, Juneau and Skagway with 260 passengers.

Jertake the dangers and fatigues of difficult journeys, which impelled him to build so many churches and chapels for whites and natives in Northern British Columbia and the Yukon. Intimate knowledge of the problems that confronted him only serves to emphasize the wisdom with which he acted. The passage of time, I venture to say, will enhance and embellish his reputation as a founder of the church. You who knew him so well need not be reminded that strong faith and love of God were the wellsprings of his life. His motto as a bishop was 'Jesus Christ must reign.' Every day, by word and example, he sought to realize this glorious ideal of his episcopacy.

"May the noble life of this man of God ever inspire us to like deeds of grandeur. His integrity and fortitude, his unwavering loyalty to God are a daily incentive to all. The holiness of his life was such that, while we pray for him, we may also be allowed to ask his intercession for us."

"Eternal rest grant unto him, O Lord, and let perpetual light shine upon him. May his soul and the souls of all the faithful departed, through the mercy of God, rest in peace. Amen."

## Christian Homes Provide Leaders

Christian homes, with the influence of the devoted mothers as the willing force, are still giving the world its most worthwhile leadership, declared Rev. A. F. Moulding of character from childhood was still the primary responsibility of the home from the physical, moral, mental and spiritual standings, asserted the pastor who decried the tendency to turn over responsibility of child care to institutions. Barbara Teng read a Scripture lesson, Viola May Prendergast and Kathleen Smith sang "Mother" as a vocal duet and Miss Barbara Flaten acted as organist as the
