COUNCIL OPENS DOOR FOR PULP MILL BY FAVORING LONG TERM FRANCHISE FOR POWER COMPANY

Clearing the way for a major industry to establish in Prince Rupert, city council last night endorsed a resolution committing itself to give "favorable consideration to any request by the Northern B.C. Power Co. to extend its existing franchise providing such a request is accompanied by a guarantee to establish a pulp mill in Prince Rupert."

The resolution, presented to council by the Industrial Relations Committee, received the unanimous backing of the aldermen when a motion of its acceptance was put by Alderman McKay.

Originated 10 days ago at a meeting of the Industrial Relations Committee, which was attended by J. Little, vice-president of the Northern B.C. Power Co., and according to Alderman Ham "it is clear that unless the franchise is granted there will be no pulp mill."

The present franchise under which the power company is operating expires at the end of the year and Mr. Little made it clear that the interests he represents would not consider making a major investment such as a pulp mill unless a long term franchise for electric power was granted.

However, although there has not yet been a request for an extension of the present franchise, the aldermen were unanimous in leaving the door open for such a request by resolving that it would be considered favorably if accompanied by a guarantee to construct a pulp mill.

MINE WORKERS' STRIKE VOTE

City Council last night passed a resolution to back up wage increase demands for the miners.

City Council last night was faced with two petitions by irate citizens asking redress from alleged shortcomings of others and the aldermen immediately referred them to the police department.

PROTESTS ARE REFERRED TO POLICE DEPT

"Why do people send these petitions to us when the police department is the proper place for them?" Alderman McKay snorted.

The first petition, signed by a group of Westview citizens, complained of "untidiness, rowdiness and handling of bottles at night" by a family on Allin Ave.

APOLGY IS REQUESTED

VANCOUVER — Canadian Legion officials announced yesterday that the Legion's lower mainland council had passed a resolution asking Hon. Ian Mackenzie, minister of veterans' affairs, to apologize to Robert Macneil of Vancouver, executive secretary of the Legion's British Columbia Command, for remarks made at a recent meeting here in connection with converting the old Hotel Vancouver into a hostel for veterans.

Weather Forecast

Prince Rupert — Cloudy and cool with snow flurries. Fresh southwesterly winds, becoming strong southeast in the afternoon and evening. Wednesday — Cloudy and cool with snow flurries. Fresh southwesterly winds decreasing to moderate in the afternoon.

Vancouver Safe Crackers Foiled

VANCOUVER — An alert telephone operator may have foiled three safe crackers in the Oak Theatre here during the night. A telephone receiver was knocked off the hook and the operator notified the police. When the police arrived, the safe crackers were gone but they had not reached \$500 in the safe. Three American sailors are being held at Blaine.

GERMANS TO LEAVE SOON

First Batch of Prisoners of War to be Sent from Canada February 11

OTTAWA — It is learned that the first batch of German prisoners of war in Canada who are returning overseas will sail from Halifax aboard the liner Mauritanian on February 14. Following the February 14 sailing, shipments of prisoners are expected to flow overseas at fairly regular intervals. About 3000 will leave on each sailing.

WOULD TAX GOVT BUILDINGS USED FOR BUSINESS

Should provincial government property used for business purposes remain free of municipal taxes? This is one of the matters that a special committee of city council, charged with preparing a brief for the Union of B.C. Municipalities, will look into.

Alderman Robert McKay raised the question at last night's Council meeting during discussion of a letter from U.B.C.M. which asked that its members prepare briefs on municipal matters which the U.B.C.M. executive can consider for presentation to the government later this month.

The letter also asked council to give serious attention to the Cameron educational report and return comment on the document to the U.B.C.M. for the same purpose.

Appointed to the special committee were Alderman Ham, Johnston and Hills, who, in regard to the Cameron report, will seek the co-operation of School Board secretary Mrs. M. Roper.

In pointing out the "injustice" of provincial government buildings being operated as businesses while enjoying tax-free status, Alderman McKay cited the "government liquor store."

"I have no objection to buildings in which government affairs are carried on being tax-free but, when they are operated as business, I think they should be taxed," he asserted.

The matter was referred to the special committee. Commenting on the portion of the Cameron report which recommended equalization of property throughout the province, Alderman Youngs said he saw danger of it raising local assessment rates.

"If we were to give preferred assessments as an inducement for industry to establish itself here we might find our agreement upset by the equalization agency," he said.

Alderman Hills, commenting on the portion of the report which recommended the reduction of municipal school taxes said that he estimated that it probably reduces the present school tax by seven mills.

"And that's no small amount," he declared.

BIG BLAST GOES OFF

Minimum of Disturbances in Turner Valley Oil Field

TURNER VALLEY — The largest charge of nitroglycerine ever exploded at one time turned out to be un spectacular. The blast took place at 1:35 p.m. yesterday in a 6900-foot oil well at Turner Valley and only a slight tremor was felt by people standing 110 yards from the well.

Those on Board ss. Yukon Are in Perilous Position

Twenty Persons Already Reported Unaccounted For But Not Confirmed — Survivors Huddled On Fore Part

KETCHIKAN, Alaska (CP)—Three men, washed off the wrecked steamship Yukon on a reef south of Seward, were landed at Seward by an Army tug today and the coastguard cutter Onondaga was enroute to Seward with forty-seven women and children survivors. Other rescue ships were standing by to take off more of the approximately 500 persons on board. Seas were subsiding but there was still a heavy snowstorm.

WESTCHESTER U.N.O. HOME

LONDON — The thirteen-member United Nations interim committee today approved a recommendation to put the organization's permanent home in Stamford-Greenwich-Westchester area of Connecticut and New York. Australia protested, still urging San Francisco for the site.

STRIKE WOULD BE CITY-WIDE

Big Sympathy Walk-out Planned for Next Monday in New York

NEW YORK — A city-wide two-hour work stoppage will be called next Monday at 4 a.m. by the Greater New York C.I.O. council in support of striking members of the C.I.O. American Communications Association. This is the group on strike against Western Union in the New York area. The council says it represents 600,000 workers.

Diplomatic Collision

Russia Would Invoke Veto so That Britain Could Not Be Cleared

LONDON — A diplomatic collision between Russia and Britain rocked the United Nations Security Council last night in London. It developed around Russian charges that British troops in Greece endangered the peace of the world.

The Soviet accusation brought numerous sharp exchanges between British Foreign Secretary Ernest Bevin and Soviet Vice-Foreign Commissar Andrei Vishinsky.

Russia sought to use its veto power in the council to prevent action clearing Britain of the Russian accusation. Bevin demanded security council investigation and a clear-cut finding but the council adjourned without deciding whether the Russians, as a disputing party, could invoke the provision of the U.N. O. charter under which the Big Five—France, Britain, Russia, China and the United States—would have had to vote unanimously.

The security council, shaken by the disagreement, is scheduled to meet tonight to decide formally whether Russia can invoke her veto power. The Russians threatened to invoke this veto power by voting against a resolution declaring British troops in Greece are not endangering world peace.

FOUR PERISH IN FARM FIRE

Tragedy Early This Morning Near Napanee, Ontario

NAPANEE, Ont., — Four persons, two of them young children, were burned to death today when fire levelled a farm home near here.

The dead are: Reginald Brown, aged 57, owner of the farm; Marguerite Brown, 17, daughter; Ivan Wager, 4, grandson; and Allen Brown, 1, granddaugher.

The frame structure became a pyre in a matter of moments. There was no fire fighting equipment.

Set Hearing Date for February 18

In County Court Monday Judge W. E. Fisher set over until February 18 the hearing of a complaint by John De Kergomaneux of Terrace against the National Health Association of Vancouver regarding a claim of \$278.50 for hospitalization costs. Judge Fisher approved the naturalization of Henry John Inge-man Hansen of Prince Rupert.

NEXT MEETING IN NEW YORK

LONDON — A broadcast declares that the general assembly of the United Nations Organization will hold its next session in New York City on September 3. The broadcast said the announcement came from the temporary London headquarters of U.N.O.

INTERESTED IN RUPERT

Vancouver Shipping Concern Seeks Information From Chamber of Commerce

Dingwell Cotts & Co. Ltd., prominent Vancouver shipping agency, is manifesting interest in the port of Prince Rupert. It is indicated in a letter of inquiry which has been received by the Prince Rupert Chamber of Commerce and, in reply to which, the desired information is being compiled.

The company is interested particularly in the following information:

- Pilotage in and out.
- Number of wharves available for deepsea tonnage. (Four wharves, 4200 feet).
- Type of construction of wharves (concrete and piling).
- Cubic capacity of sheds and warehouses.
- Number of cranes and lifts available.
- Railway trackage (17.42 miles).
- Fresh water facilities.
- Harbor dues (none).

GERMAN WOMEN MAKE PROTEST

Demand Faster Discharge of Their Men Who Are Prisoners of War

BERLIN — About 5,000 German women have made their first public protest against policies of the occupation powers. The women demanded faster discharge of German prisoners of war.

American military authorities says the protest was not warranted. It is pointed out that 5,000,000 German soldiers already have been discharged or handed over to other Allied powers.

FLAT RATE IS REFUSED

City Council Turns Down Request of Canadian Fish & Cold Storage Co.

Planning to switch from sea water to fresh water from the city mains for certain industrial uses, Canadian Fish & Cold Storage Co. last night ran into a snag in its request to city council that it be allowed a flat rate of \$75 a month for city water.

The snag was a report compiled by City Clerk Thain and City Engineer Phillips and accepted by council that (1) no consideration be given to a flat rate (2) that there be no reduction in present water rates (3) that consideration be given to a reduction of rates on quantities in excess of 300,000 cubic feet of water monthly.

Present minimum water rate to metered users is 5.6 cents per 100 cubic feet, and, according to the suggestion in the report, quantities in excess of 300,000 cubic feet per month would receive an even lower rate.

Revenue to the city would be considerably greater than the \$75 a month flat rate suggested by the company.

Introduction of the reduced rate for quantities in excess of 300,000 cubic feet would affect only the Canadian Fish & Cold Storage Co. and one other major water user.

DOG GETS HELP TO SICK TRAPPER

GISCOME — Confined to his cabin by illness for a month, O. Anderson may credit his dog for attracting attention to his need for help. The animal padded through the snow from the trapline north of the Fraser River, and a party of two men left for the cabin to see why the dog should be travelling alone. Mr. Anderson was found to be ill, and was given assistance in coming to Giscome for treatment.

New York Tie-Up—Shipping Standstill

NEW YORK — Shipping has been just about at a standstill since last night in New York City's great harbor, normally the busiest in the world.

The strike of 3,500 tugboat workers has produced the worst waterfront tie-up since 1919 when tugboat men stayed off their jobs seven weeks.

Tugboat employees have rejected several settlement proposals and they have been told the government may be ready to take over the industry tonight or early tomorrow.

MINISTER OF FISHERIES MAY BE ASKED HERE

Fishermen in Prince Rupert are anxious that Hon. H. F. G. Bridges, federal minister of fisheries, include this port in the course of his forthcoming west coast visit and have asked city council to support their invitation to the recently appointed minister.

Considering it fitting that the initial move should come from the fishermen, the aldermen last night adopted a motion by Alderman Arnold that council wire an invitation to Mr. Bridges if requested to do so. Alderman Hills, who introduced the matter, told council that it was likely that requests would be forthcoming from the Deep Sea Fishermen's Union and the vessel owners.

"We might point out to Mr. Bridges that this is the largest fishing centre on the coast," Alderman McKay commented.

Among matters which would be likely to come up for discussion with the minister would be the matter of a road to the fishermen's floats near Casey Point in Westview. A delegation from the Deep Sea Fishermen's Union and the Fishing Vessel Owners' Association recently met the Board of Works requesting completion of such a road.

Council last night adopted a recommendation by the Board of Works that a survey be made to select the best location for the road.

Alderman Rudderham, Board of Works chairman, said that there were two or three possible routes which justified a survey by the city engineer with an estimate of costs.

Aldermen hope that they can interest the federal Fisheries Department, which is building the new fishermen's floats, in financing the cost of the road to them.

Lumber Workers Reach Agreement With Operators

FRINGE GEORGE — An agreement in principle has been reached between bargaining agents of Local 1-424, International Woodworkers of America, and the Northern Interior Lumbermen's Association. The agreement, certified under the Wartime Labor Relations regulations, covers policy of working conditions for 900 men who are at present engaged in major logging and milling operations in the Fort George forestry district.

BRUCE LOVE PHONE HEAD

The resignation of Sam Massey as superintendent of the telephone department was accepted by council as committee of the whole last night and A.B. Love was appointed to replace him. Mr. Massey reached superannuation age last year and, since that time, has been employed on a month-to-month basis.

E. Phillips Oppenheim

The late Edward Phillips Oppenheim was one of the world's most prolific and popular fiction writers for more than half a century. Though his output slackened during World War II, when the Germans seized his homes on the Riviera and the Channel Islands, he had been turning out spy thrillers, mysteries and society adventure books at the rate of three or four a year from the beginning of the century.

The total number of his books exceeded 150, in addition to many short stories and plays. In 1941 he published his autobiography, "The Pool of Memory."

Of his methods, he explained: "I create one more or less interesting

attempted to work from a synopsis.

By his process he created such best-sellers as "The Lighted Way" (1912), "The Great Prince Shan" (1922), "Murder at Monte Carlo" (1932), and "The Last Train Out" (1941).

Mr. Oppenheim attributed his career as a writer to a custom his father inaugurated at home. Each year the elder Oppenheim required his children to write a story to be read on Christmas Eve, a prize going to the author of the one voted the best by the family. Mr. Oppenheim at the age of 13 broke his father's winning streak.

"One writes stories," Mr. Oppenheim once explained, "because if one left them in the brain one would be subject to a sort of mental indigestion." As to plots, he declared there were not more than a score in the world, "and when you have used them all from A to Zed you can turn around and use them from Zed to A." personality, try to think of some dramatic situation in which he or she might be placed, and use that as an opening of a nebulous chain of events. I let my characters work out their own destiny." He never

WHAT'S DOING AT PRINCE RUPERT RECREATION COUNCIL GYMS
BY JIM NAST

"Thinking is hard work; Prejudice is a pleasure."

The adult education program of the Prince Rupert Civic Centre will have as one of its aims the stimulation of constructive thinking among the members who enrol in the study groups. To attain the highest degree of community welfare, we must have an informed, alert, thinking community. A "Community Clinic" study group would benefit in this way. Adult education will not only help in educating on a community-wide scale but will be of value to the individuals who realize that education means growth and growth must be a life-long process. Many adults who in their youth may have gone "creeping like snail unwillingly to school," find now a pleasure in seeking and sharing information upon cultural and vital topics. They would derive personal benefit from a

study group on such subjects as "Modern Literature" or "Social Problems."

All work and no play is as undesirable in adult education as in education of youth, and such diversions as a special lecturer to address the group, or enjoying together a radio broadcast relative to the topic, will add interest. Worthwhile films will be available from the Visual Instruction Services of the Dept. of University Extension. Added to these attractions will be the pleasant and comfortable surroundings of the Civic Centre building itself where adult education may be carried on in an attractive, well-furnished, modern rooms with good ventilation and lighting arrangements. Members who attend adult education groups will be reminded of their "little red schoolhouse days" only in retrospect.

LOCAL MEN AT HALIFAX

Major Jack Cade and LAC. Eastwood Among Those on Badly Battered Aquitania

At least two Prince Rupert servicemen from overseas are enroute home now that the war is over were aboard the troopship Aquitania which landed at Halifax last night.

Dispatches report the vessel as having been covered with ice from stern to stern after the worst trip the captain had experienced in 45 years of Atlantic sailing.

Fifteen troop trains were at Halifax to pick up the servicemen who included Major John Cade, son of Dr. and Mrs. J. P. Cade of this city, and Leading Aircraftman Jack Eastwood, son of Mr. and Mrs. J. W. Eastwood, Fulton St.

What City Council Did

Council last night adopted the annual report of Fire Chief H. T. Lock which reported 105 fires in the city last year. Chief Lock attributed to the co-operation even the city fire department by the departments of the United States Army, Canadian Army and Navy.

Two more northern centres, the village of Stewart and the city of Prince George, expressed their accord with the plan to create a union of Northern B.C. municipalities and are now waiting official information as to the final meeting.

Council last night turned down a request by K. Nesbitt, taxi operator, for permission to build a temporary taxi stand on a vacant lot on the corner of Fifth St. and Fraser St., on grounds that it would be acceptable un-

der neither the zoning or fire regulations. In a letter, Mr. Nesbitt told of his inability to find quarters to house his taxi office. Aldermen expressed sympathy for Mr. Nesbitt but found themselves unable to side-step the by-laws.

An appeal by the Canadian National Institute for the Blind was referred to the forthcoming estimates meeting for decision as to a contribution by the city.

TEACHING IN PRINCE RUPERT

One of the points raised at the Discussion Group last week at the residence of Mrs. J. H. Black was the large turn-over of teachers in the city teaching staff. It was pointed out that this was not merely the experience during the war years but even before then, and many of those teachers are now occupying positions of great responsibility elsewhere.

It was also stated that the school board had had quite a lot of difficulty in getting satisfactory teachers and possibly even more in keeping them. In some cases the classes were too large, in one case much too large for the classroom. Compared with centres near Vancouver it was pointed out that many of the teachers there were able to take extra educational classes at the university at the week-ends and in the evenings and so improve their standard and, therefore, their salaries. The opportunities to hear great speakers, singers and other cultural treats were not duplicated here. The comparative isolation of Prince Rupert was another factor while there was no doubt that the cost of living was higher here.

The chief solution would be to offer a salary scale at least equal to any other in the province, and, to offset the higher cost of liv-

PRINCE RUPERT HARBOR BOARD

The advisability of Prince Rupert being brought under the National Harbor Commission with a locally established harbor board was advanced at the regular monthly meeting of the Prince Rupert Chamber of Commerce last night. Supporters of the idea felt that, until the port was so organized, its facilities could not be fully co-ordinated for the fullest and most effective use in trade and shipping. On the other hand, there were those who felt that certain handicaps might be entailed by having a Harbor Board, such as additional charges.

Finally, it was decided to have a special committee go into the whole matter and bring in a report at the next meeting after which such steps as are deemed advisable will be taken. This committee was appointed in the persons of A. D. Ritchie, E. T. Applewhite and Frank Skinner

Hotel . . . arrivals

Prince Rupert
L. S. Muir, Vancouver; T. L. Dick, Winnipeg; R. E. Walker, Vancouver.

ing, an additional amount should be provided. It was stated that this had been the practice at one time. It was felt that, with the Cameron Report providing extra assistance for the cost of education, this would be the opportunity to plan a salary scale that would attract and retain first class teachers.

LIBRARY BUDGET SET AT \$3,600

Estimates of \$3,685 for the Prince Rupert Public Library were submitted to city council last night and were recommended for adoption at the forthcoming estimates meeting by Alderman Arnold. Alderman Arnold said that the figure was similar to that allowed in the civic budget last year.

An executive meeting of the Prince Rupert Gyro Club was held yesterday in preparation for the monthly business luncheon to be held tomorrow.

NOTICE
Having disposed of the majority of goods from the American officer's club and having to vacate the premises for War Assets Corporation, I have now opened for regular business in the Clapp Block, corner of McBride and Second Ave. where I will be able to handle your goods for sale. Nothing too large and nothing too small—Send them along and I will sell them.—George Dawes, The Auctioneer. Phone Red 127. (31)

CHRONIC BRONCHITIS
Does a stubborn bronchial cough, (either phlegmy or dry and hacking) make you choke, gasp, wheeze, keep you awake nights? Relieve it—now! Do as thousands have done—get Templeton's RAZ-MAH—and stop that cough! RAZ-MAH has helped others—let it help you. 50c. \$1—at druggists everywhere. R-14

C. A. Brind, local manager of the Imperial Oil Co., returned to the city on the Catala Sunday evening from a brief business trip to Vancouver.

ARE MARRIED AT RECTORY
At a quiet ceremony in the rectory of the Annunciation Church at 7 o'clock Saturday evening, Suzanne Ward, only daughter of Hubert Ward, 1845 Graham Ave., became the bride of Charles Dixon Foster, son of Mr. and Mrs. C. Foster of Vancouver. The ceremony was performed by Rev. Father W. F. Lantagne.

The bride was given in marriage by her father and was attended by Miss Alice Barbe as bridesmaid. Groomsman was Sydney Alexander. For the ceremony the bride wore a street length white wool dress, princess lines, with a corsage of pink and white carnations. Headwear was a feathered cap of cerise and blue and she also wore three-quarter length cerise gloves.

The bridesmaid wore a beige silk jersey dress with a corsage of red and white carnations.

Following the marriage rite a reception was held at the home of the bride's brother and sister-in-law, Mr. and Mrs. Harry Ward, Waldron Apartments, at which more than 40 friends paid their respects to the bride and groom. Receiving the guests was Mrs. Foster, who came from Vancouver to be present at the marriage of her son.

Gaily decorated with pink and white streamers, the room was centred with the bride's table which created a striking effect. Covered with a snowy linen cloth it was dominated by the three-tier wedding cake, flanked by tall candles and colorful carnations.

Toast to the bride was proposed by S. E. Parker and response was made by the bridegroom. The groomsmen proposed the toast to the bridesmaid.

Mr. and Mrs. Foster have taken residence at 1133 Seventh Ave. E.

ELEVATOR SITUATION

Chamber of Commerce Will Look Into Possibility of Getting House in More Active Hands
Dissatisfied with the continued inactivity of the local grain elevator which it has been frankly indicated in official quarters that there is no intention of using unless there should be an overflow of grain which Vancouver cannot handle, the Prince Rupert Chamber of Commerce last night approved a suggestion brought forward by Mark Hill that the plant be placed in the hands of interests which would put it to better use. The first step will be to inquire from the Dominion government as to the possibility of a lease being granted should interest be shown in the plant by active grain shippers.

**Men Past 40! "Old"?
Want Old-time Pep, Vim?**

Want Normal, Younger Feeling?
Do you ever feel that you are getting old, that you are losing your pep and vim, that you are getting tired and worn out? If so, you need a little of the old-time pep and vim that is found in the famous "Old-time Pep, Vim" capsules. These capsules are made from the finest natural ingredients and are guaranteed to give you the pep and vim you need to feel like a young man again. They are available at all good drug stores everywhere.

Today in Sports

CASTILLOUX IS WINNER

QUEBEC—The welterweight boxing champion of Canada—Dave Castiloux, last night won an unanimous 10-round decision over Roger Whynott of Quebec in a bout at Quebec. Castiloux weighed 164 pounds and Whynott 144. Whynott took a lot of punishment and ended up with his left eye almost closed.

CONNIE SMYTHE'S OFFER REJECTED

NEW YORK—A \$50,000 offer for the four players whom New York Rangers have brought up from their farm club, the New York Rovers, has been rejected. The offer was made by Manager Conny Smythe of the Toronto Maple Leafs. The four players are Cal Gardner, Rene Trudell, Church Russell and Hal Laycoe.

BROOKLYN MAY ENTER HOCKEY

TORONTO—The sports editor of a Toronto paper (The Globe and Mail) says in a story published today that the board of governors of the National Hockey League may consider a bid to revive the old Brooklyn entry in the league. The bid will come from the league's president, Mervyn "Red" Dutton who holds the Brooklyn franchise.

Featherweight Battle Signed

NEW YORK—Willie Pep of Hartford, Conn., and Sal Bartolo of Boston have signed for a 15-round featherweight championship bout in Madison Square Garden on March 1. Pep is recognized in New York as the featherweight title-holder while Bartolo is recognized as champion by the National Boxing Association.

JOHNNY GRAECO, BEAU JACK FIT

NEW YORK—Johnny Graeco, hard-hitting Montreal welterweight fighter, and Beau Jack who once held the New York version of the lightweight title, have been pronounced medically fit for their 10-round bout in Madison Square Garden on Friday night. They were examined yesterday by doctors of the New York Athletic Commission.

PHILLIES TAKE TWO CARDINALS

PHILADELPHIA—The Philadelphia Phillies have purchased two players from the St. Louis Cardinals for an undisclosed sum. The men are Pitcher Alvin Jurisich, who won three and lost three for the Cards last year, and Johnny Wryostek, who played centrefield for Columbus last year.

SHORT SPORT

The New York Rangers, deep in the cellar of the National Hockey League, have called up an entire forward line and a defenceman from their farm club in the United States Eastern League. To make room for them Defenceman Bill Juzda and Left Winger Alex Shibicky have been sent to Providence Reds on loan. The Rangers' new line has Cal Gardner at centre, Rene Trudell at right wing and Church Russell at left wing. Before joining the Rovers they played together in Winnipeg.

Jimmy Demaret of Houston, Texas, has won the \$75,000 Tucson golf open. He blazed in with a final round one under par 69 to take the title with a 72-hole total of 268. Herman Barron took second place with 272 and third place was shared by Dick Metz and Harold "Jug" McSpaden. They were one stroke behind the second-place winner.

A date has been set for the first match of the best of three series for the world's professional badminton crown. The first match will be held February 12 in Montreal. The players who will be matching strokes for the title vacated by Jack Purcell of Toronto are Doug Grant of Montreal and Stanley Cutts of Toronto. Grant is a former Canadian amateur champion.

Apes 3, Panthers 0.
Hippos 3, Weasels 0.
Zebras 2, Donkeys 1.
Bears 2, Rabbits 1.
Tigers 2, Rabbits 1.
Mrs. Tom Duffey led the ladies with a three game total of 583 while Alex Slater led the men with 737.

Tonight's Train Five Hours Late

Tonight's train from the east, scheduled to arrive in Prince Rupert at 10:45, is reported to be running five hours and 40 minutes late and will arrive at 4:25 Wednesday morning. Cause of the delay is the late arrival in Jasper of trains from eastern Canada with which the Prince Rupert train connects. The line between Prince Rupert and Jasper is reported clear.

Surveyor's Illness Delays Construction Of East Sidewalk

Replying to a question by Alderman Arnold, City Engineer E. A. Phillips said in council last night that construction of the proposed sidewalk on Sixth Ave. E. has been held up due to inability to obtain a surveyor. Illness of surveyor J. A. Rutherford,

who was to have begun the work in December had caused an avoidable delay, since he was unable to obtain the service of another surveyor, Mr. Phillips said. He added that he hoped to have the work started in near future.
