Working Toward Strike Settlement

Closed Conferences Over Timber Dispute Going On

Outlook Appears to Be Hopeful Although No Official Announcements Are Yet Made

VANCOUVER (CP)—There was no announcement today immediately following a second session today of Chief Justice Gordon Sloan, appointed mediator by the federal Department of Labor, and representatives of operators to consider the possibility of ending the International Woodworkers Association

COMMISSION TO REVIEW BUS FRANCHISE

Dr. W. A. Carrothers, chairman of the B.C. Public Utilities Commission, accompanied by J. C. MacDonald, commission member, and Major R. M. Taylor, superintendent of the Motor Carrier Branch, arrived in the city this morning on the Prince Rupert to conduct a commission hearing into the city's proposal to grant a franchise to the Black and White Transportation Co. to operate a city bus line. The hearing will begin at 10 o'clock Thursday morning. Major Taylor will be remembered by some local residents as public works engineer here more than 20 years ago. Accompanying the group is A. B. Jackson, secretary.

MAZERALL CONVICTED

MONTREAL (CP)—Trial of Fred Rose, Labor-Progressive Member of Parliament for Montreal-Cartier, on an espionage conspiracy charge, was adjourned from today until Friday. Prosecution asked for the adjournment, saying that crown exhibits were still being used in Ottawa at the trial of Edward Mazerall whose case went to the jury today, resulting in conviction.

Two Towns Merging As Seaside Resort

MABLETHORPE, Eng. (CP)—Two Lincolnshire towns—Mablethorpe and Sutton-on-Sea—are to be transformed into a first-class holiday resort. Plans for their development, already in operation, call for the planting of six miles of sand dunes along the foreshore in order to create natural gardens with lakes and shrubs. New buildings will be erected behind the tree-lined coast road, among them a theatre, dance hall, restaurant, open-air theatre to seat 2,000, shopping centre and 1,000 permanent beach huts.

THERE IS NO WASTE IN ITALY—Scenes like this are duplicated daily at garbage dumps near Allied military camps when trucks arrive with their camp garbage. The drivers get no time to dump their loads. Men, women and children swarm over the vehicles looking for scraps of food, cigarette butts, articles of discarded clothing—anything that will help sustain life. Even the old cardboard boxes have a market value and are salvaged.

SECOND APPEAL MADE TO STALIN

President of United States Would Still Obtain Russian Help in Food Crisis

WASHINGTON, (CP)—President Truman sent a second appeal today to Premier Joseph Stalin of Russia for Soviet help in combatting the world food famine. This appeal was dispatched after a message had been received by Truman from Stalin that a request that Russia assign grain to help UNRRA meet the world food crisis did not come three months ago when the Soviet Union "could have done something in this respect." The Russian leader said the request came at the middle of May after the Soviet Union had already assigned a certain quantity of foodstuffs to France and other countries and when the resources of the Soviet Union were already being exhausted.

KILLERS OF PARACHUTISTS ARE GUILTY

SUPERMATH, Germany, (CP)—Eight of fourteen SS men on trial for killing eight British parachutists in 1944 at La Grande Posse, France, were convicted today after a seven-day trial by a British military court. Sentences ranged from two to 10 years. The remaining six were acquitted.

Americans Shot Down

LONDON, (CP)—Moscow radio today quoted a Tass report from reliable sources as saying seven American-piloted planes were shot down over Manchuria while bombing Chinese Communist forces. Reports of the downing of the planes followed withdrawal of Soviet troops from Manchuria, completed May 3, the broadcast said. Moscow radio claimed fighting which developed between Communists and Chinese national government forces after that date revealed that "Kuomintang troops were equipped with American arms, some of which have fallen into the hands of the people's revolutionary army as trophies." The United States commander in the Far East questions the Russian Tass News Agency assertion that American-piloted planes shot down over Manchuria were bombing Chinese Communist forces.

NEW HEAD OF LEGION

QUEBEC (CP)—Three men were nominated today to run for the office of president in the elections tomorrow at the Canadian Legion national convention. They are Major General C. B. Price, of Montreal, William Walker, of Canora, Sask., and E. J. Struthers, of Rock Island, Quebec. Alex Walker of Calgary, president for the last six years, is retiring.

SEAMEN ARE CALLED OUT

TORONTO — Canadian Seamen's Union has called a work stoppage for June 3 of all its members—some 8,000—on coastwise and lake vessels. The strike is announced by President Matt Sullivan. An eight-hour instead of twelve-hour day is sought. Department of Transport vessels are involved.

W. R. Devenish, vice-president of Canadian National Railways in charge of western lines, and F. S. Rose, regional auditor, Winnipeg, arrived in the city on last night's train from Winnipeg on official business and will be here until tomorrow night when they will proceed to Vancouver.

Bulletins

VANCOUVER DELUGED
VANCOUVER — Vancouver's "measurable" amount of rain ended late yesterday when drenching thunder showers broke over the Fraser Valley, Lower Mainland and southern Vancouver Island. It lasted for several hours just before midnight. Electric light and power in New Westminster failed for a time. Alarm over flood danger in the Fraser Valley has lessened.

DEMobilizing POLES
LONDON—Polish troops are being demobilized from the British armed forces but will be allowed to remain in Britain to work. There are 100,000 of them in Italy and 60,000 in Britain.

KILLED ON ISLAND
CHEMAMINUS—William Harold Langley, a New Westminster man, died in Chemainus Hospital from injuries sustained when a tree fell over his car on the Island Highway between here and Duncan.

POWERFUL INSTRUMENT
OTTAWA—The Royal Society was told that Canada has the most powerful atomic research instrument—a high-powered pile—at the Chalk River plant in Ontario.

PRINCE GEORGE OUT
PRINCE GEORGE — Timber workers in this area were due to stop work today in the I.W.A. strike.

NAMED CHEF AT JASPER

Famous Chief Cook Prepared Meals for King and Queen

MONTREAL — The appointment of Henry Freitag, one of Canada's best known cooks to be chef at Jasper Park Lodge for the coming season, is announced by Robert Sommerville, general manager, hotel department, Canadian National Railways. In making the announcement, Mr. Sommerville stated that patrons of the lodge, which is located in Jasper National Park, Alberta, will be assured of the same quality meals that have earned for the hotel such a high reputation in the past.

Born in Switzerland, Henry Freitag learned the preparation of foods at an early age there and before coming to Canada was chef in some of the finest hotels in his native land, including the Beau Rivage and the Richmond Hotels in Geneva. Now night chef at the Chateau Laurier in Ottawa he has been in the kitchen of that famous hotel since 1935 and has supervised all types of cooking during that time.

When Their Majesties, the King and Queen, were in Halifax on their way back to the United Kingdom, he was called to the Nova Scotia Hotel there from Ottawa to prepare meals for them.

Minister of Lands Arrives in City

Hon. E. T. Kenney, minister of lands and forests and M.L.A. for Skeena, who has been on a tour through the central interior, spending the last few days at his home town of Terrace, arrived in the city this afternoon by car. He is accompanied by G. P. Melrose, superintendent of lands. They will proceed to Victoria on the Prince Rupert tomorrow night.

UNITED STATES CHARGES SPAIN

WASHINGTON, D.C. (CP)—The American Department of State has officially charged Franco Spain with attempting to create Nazi Fascist influence in the Americas.

ESCORT VESSELS RETURN TO FRESHWATER BIRTHPLACE—Ships of the Algerine class will be used on the Great Lakes and St. Lawrence River this summer for the training of naval reserves. Newest and most powerful of Canadian minesweepers, equally adaptable as escort vessels, the Algerines will be returning to the waters they first knew. It was from Port Arthur, where they were launched, that they originally sailed to play their vigorous part in the Battle of the Atlantic. They are the largest naval vessels capable of being handled in the Great Lakes locks. This is H.M.C.S. New Liskeard.

Keep Iran On Agenda

Great Britain and United States Not Satisfied With Tehran Assurance

NEW YORK (CP)—Great Britain and the United States joined today in demanding that the United Nations security council keep the Iranian case on its agenda until a complete report has been made on the situation in that troubled little country. American and British delegates termed the Iran report to the council that Russian troops were out of Iran by May 6 as "incomplete" and not conclusive evidence "that we felt was to be submitted to the council."

The security council met with the Soviet delegate. Premier Qavam of Iran was criticized in connection with central Iranian government attacks on Azerbaijan a few days ago.

641 Memberships In Civic Centre

A total of 641 memberships have been taken out in the Civic Centre since the building opened for public use on April 1. Executive director Don Forward informed the regular monthly business meeting of the Civic Recreation Board last night. Mr. Forward expressed gratification at the response which has been shown, but said that it would probably increase greatly when the annual drive gets under way next October. A breakdown of the membership reveals that 234 were taken out by juniors, 204 by intermediates and 203 by adults.

DR. LARGE PRESIDENT

Conservative Delegates Named for Provincial Convention

Prince Rupert Progressive Conservative Association re-elected Dr. R. G. Large president at its annual meeting held in the Civic Centre last night. Also returned to office were Vice-President W. R. McAfee and Secretary Treasurer G. L. Rorie. The meeting named the association's board of directors and appointed 10 delegates to attend the provincial conference to be held in Vancouver June 14 and 15.

Directors elected were Alex McKenzie, George J. Dawes, J. T. Harvey, Mrs. J. T. Harvey, Mr. and Mrs. D. C. Stuart and Mrs. Syd Elkins.

Named as delegates to the provincial convention, at which will be elected a provincial leader to replace the late Hon. R. L. Maitland, were W. F. Stone, G. L. Rorie, Percy Cameron, W. R. Love, C. H. Orme, Alex MacKenzie, G. J. Dawes, and Mr. and Mrs. D. C. Stuart.

TWO AIRLINES CONTACT HERE

When the Queen Charlotte Airlines Stranraer Haida Queen landed at Seal Cove late today an Ellis Airlines plane, which had previously flown from Ketchikan took four of her passengers and headed for Juneau, where it will stop overnight en route to Anchorage. The passengers were N. E. Bloom, W. Howden, F. Rogers and R. Hewett.

MINE STRIKE OUTLOOK DIM

Little Signs of Settlement As Yet As End of Truce Nears

WASHINGTON, D.C. (CP)—Two wartime naval officers took over the United States soft coal mines today and waited eagerly for a sign from John L. Lewis that his 400,000 union members will stay on the job.

The government seizure was announced yesterday in an urgent bid to keep alive the two-week truce now set to expire Saturday night.

Meanwhile prospects slumped for any settlement in the railroad labor dispute before the truce ends.

KARL FRANK IS EXECUTED

Speedy Justice is Meted Out to Former Protector of Bohemia

LONDON, (CP)—Prague radio announced today that Karl Frank, former Reich protector for Bohemia and Moravia, was publicly hanged today as a war criminal.

Frank was convicted by a Czech people's court yesterday on charges of responsibility for the massacre of Lidice. The village was obliterated by the Nazis in 1942 in revenge for the slaying of Reinhard (The Hangman) Heydrich.

NATIONALISTS IN ADVANCE

Chinese Central Government Forces Endeavouring to Recover Changchun

HANKING, (CP)—Chinese government forces today claimed capture of Kungchulung, 14-way between Szeipingkal and the Manchurian capital of Changchun. The Communists entered by closing in on Szeiping in southeastern Jehol Province and Tsinan, capital of Shantung. The Nationalists are driving to recapture Changchun.

UNION MEN NOT HAPPY

Do Not Like Reception Which Was Given Them by Humphrey Mitchell

OTTAWA (CP)—Representatives of major Canadian Congress of labor unions met Hon. Humphrey Mitchell, minister of labor, and top Labor Department men yesterday. The union men expressed dissatisfaction with the reception, saying they were disappointed that the Minister of Labor had failed entirely to deal with the proposals put before him. A spokesman said that strikes are inevitable if the proposals do not receive immediate consideration.

The union asked that it be dealt with industry-wide rather than plant bargaining, also wage controls be amended to allow approval of wage and hour agreements resulting in "take home" pay of not more than 20 per cent more for a 40-hour week than that being paid for a 38-hour week.

COMMITTED FOR TRIAL

Shear Snidal, charged with criminal negligence in connection with the disappearance of a gillnet boat in the Skeena delta a month ago of William Snidal, net foreman at Cassiar, was committed for trial in a higher court on the conclusion of his preliminary hearing before Magistrate W. D. Macdonald in police court Tuesday afternoon. Bail was set at \$1,500, two sureties of \$750. It is anticipated that the case will be heard at the Assizes which will open at the court house here on Monday.

POPE PIUS IS PRAISED

German Ambassador to Vatican Pays Tribute to Pontiff For Conduct During War

MUNICH (CP)—Baron Ernst Weizaecker, former German ambassador to the Vatican, deeded today that history would praise Pope Pius as the top of those deserving praise for conduct during the war in Italy. He told the Pope in this regard, "The international military tribunal, history would bestow praise 'on the German armistice under Field Marshal Weizaecker, summoned by the Council for Rudolf Hess, was questioned by lawyers for the German High Command."

THE WEATHER

The weather yesterday was generally clear over British Columbia but clouds increased in the evening as a surge of cold air from the northeast moved over the southern part of the province. Thundershowers occurred in the Fraser Valley and northern Vancouver Island and the first measurable amount of precipitation this month fell in Vancouver.

THE HALIBUT PROBLEM

WITH LESS than three weeks of operation, the 1946 halibut quota for Area No. 2 has been well over one-third exhausted so the fishing season for this area, to which the large majority of the legitimate halibut vessels of the Prince Rupert fleet are confined, may not be expected to last much beyond the end of June which is short enough indeed. Two factors contribute to the sudden exhaustion of Area No. 2. First, many of the large American vessels help to clean it out by getting in their digs instead of going on to more remote Area No. 3 in which they will be able to operate later and then have things pretty well to themselves. Second, there have been a large number of vessels, which are not normal halibutters, which fish halibut before the salmon season opens.

It is said that there have been more units fishing halibut so far this season than ever before. These are the reasons and it is very difficult to know what to do about it.

It might be physically possible in some way or other to reduce the intensity of fishing. Certainly, there is no way of making more fish which rules out any idea that conservation measures might be ameliorated.

ANGLING SEASON OPENS

LATE MAY and the angling season! We may have been a little reluctant about it during the busy war years when we weren't supposed to be devoting too much time to leisure and relaxation but that's over now. So the anglers can go forth with free consciences and full-brimming enthusiasm.

An angler will tell you that it does you good to get out fishin'. You get close to Nature and you feel

mighty fine as you get up at dawn, which comes very early these days, the tempting waters and, then, to sense the strike and feel the tug and commence the battle.

You may be fly-bitten, you may be weary but you'll be satisfied. You'll have the peace of mind that comes with good fishing (or bad). You'll have commuted with your angling friends. You'll have developed a patience and have enjoyed a relaxation that fits you better for the daily work.

Yes, angling's a great thing and it's one of the things that we have par excellence around Prince Rupert. To hear the soft breezes rustle the fresh new greenery, to watch the glint of sunlight on the sparkling ripples of the azure blue lake mirroring the shades of the perfect skies, to flick your fly or cast your bait in

REVIVE THE EXHIBITION

SO MANY THINGS are being planned this year—May Queen Day, Port Day, Civic Centre Carnival—that we almost reluctantly suggest considering any more but we really do believe that something should be done, in a preliminary way at least, about reviving Prince Rupert's Exhibition which at one time was a real event here and which many of us still recall with pleasant memories.

May Queen, Port Day, Civic Centre Carnival—all are worthy undertakings—but there is something distinctly appealing about the old Fall Fair. For one thing, and we think this very important, there is nothing like it to develop and foster the community interest between the city and the agricultural hinterland. Equally important, it encourages local horticulture and city beautification.

The Fair, itself, may not be a money-maker—it may have to have attractions in adjunct to finance it—but it has its very definite advantages and benefits and satisfactions. It keenly interests a certain section of the community—both local and district—to whom such events as sports day and carnivals do not appeal but in conjunction with which it could very well be held.

It is timely, we think, to consider reviving the Prince Rupert Exhibition.

CITY INVITED TO CONVENTION

Asked to Be Represented at Convention of Canadian Mayors and Municipalities in Vancouver

A letter has been received at the mayor's office asking if Prince Rupert, in view of the convenience of the venue on this coast, intend to be represented at the forthcoming convention of the Federation of Mayors and Municipalities in Vancouver on June 24. Owing to the outstanding importance of the gathering, the matter will be brought before the city council next week.

"I do not care personally whether I go or not," commented the mayor who was inclined to feel that the importance of the gathering warranted the city being represented.

Invitation has already been extended from Eastern Canada to visit Prince Rupert either going or coming to the convention but there has been no intimation as yet that any will be coming.

770 VACCINATED BY HEALTH UNIT

A total of 770 persons in Prince Rupert have been vaccinated against smallpox during the last two months, according to figures provided by Miss Joyce Leslie, superintendent of the Prince Rupert Health Unit. The unit is now obtaining permission from parents of elementary school children to immunize the youngsters against the scourge which has caused several deaths in Seattle recently.

Of those who were recently vaccinated, 415 were adults, 102 were high school students, and 253 were pre-school children and infants.

Miss Leslie says that parents with children in the elementary schools are responding cordially to the Health Unit's plan to vaccinate the children, and that the program will begin after the May 24 holiday.

Diplomats Dined By London Mayor

LONDON, (C)—For the first time in six years the Lord Mayor of London, Sir Charles Davis, entertained members of the diplomatic corps to a banquet at the Mansion House. Gold loving-cups were passed around the tables, but no bread or rolls were served in response to the food minister's appeal to save bread. The Lord Mayor welcoming his guests said: "They lived with us all through nights and years of danger and horror."

HOW CAN I ???

By ANNE ASHLEY

Q. How can I prevent the thread from coming out of the needle of the sewing machine when removing the material?
A. The needle will not unthread if it is raised to the highest point before taking out the cloth.

Q. How can I prevent tired feet when ironing?
A. Place a thick rug under the feet while ironing, or while standing very long at any other task, and the work will not be nearly so tiresome.

Q. How can I mend a rubber hot water bottle?
A. By using several layers of mending tissue, setting in place with a warm iron.

IN THE SUPREME COURT OF BRITISH COLUMBIA

IN THE MATTER OF THE "ADMINISTRATION ACT" and

IN THE MATTER OF THE ESTATE OF JOHN ROBERTS, OTHERWISE KNOWN AS BOB ROBERTS, DECEASED — INTERSTATE.

TAKE NOTICE that by Order of His Honour Judge W. E. Fisher, Local Judge of the Supreme Court of British Columbia, I was on the 10th day of May, 1946, appointed Administrator of the Estate of John Roberts, otherwise known as Bob Roberts, who died on or about the 8th day of September, 1945. All persons indebted to the said estate are required to pay the amount of their indebtedness to me forthwith and all persons having claims against the said estate are required to file them with me properly verified on or before the 15th day of June, 1946, failing which distribution will be made having regard only to such claims of which I shall have been notified.

DATED at Prince Rupert, B.C., this 10th day of May, A.D. 1946.
GORDON F. FORBES,
Acting Official Administrator,
Prince Rupert, B.C. —122

Women Seek Jobs As Air Hostesses

CAPETOWN, S. Africa — While the scarcity of nurses in South Africa grows daily more acute, hundreds of young women are flocking to become South Africa's air hostesses. More than 250 applications have been made by unmarried girls to fill 12 posts on the South African Airways. Personality, poise, intelligence and appearance, complete bilingualism and a knowledge of first-aid work are among the main qualifications required. Although their work will be primarily on passenger aircraft in South Africa, service may be required on special trains on ceremonial occasions, and those chosen will be known officially as "travel hostesses."

TERRACE BALL TEAM TRAVELS

Visited Hazelton and Won By 13 to 10 Score

TERRACE—The Terrace Tigers were in Hazelton on Saturday to play a team there. Score was 13 to 10 in favor of Terrace. Mrs. G. L. Brookes, one of the sponsors of the team, and Curly Casey, coach and manager, accompanied the players.

The Terrace Tigers are a junior team made up of High School and elementary school boys and are being sponsored by the business as well as other people of the town.

On Friday evening, a hard time dance was held to raise funds for the team. Winners for best costumes were Lawrence Kirkaldy who received \$5 and Mrs. C. C. Pratt who won a carton of cigarettes donated by the Pioneer Pool Hall. Winners in the spot dance were Bernice Matthews and Harold Whalen who received a pair of nylon hose and a box of chocolates. Pat Dykon donated the hose and G. L. Brookes the chocolates. During the evening, Dr. S. Mills gave \$20 to help defray the expenses of the team and D. Van Male offered \$10 to the player who would bring in the first home run at Hazelton. The winner was Ronny Paulson.

Fishin' Opens— ANGLERS UNDETERRED BY SCARCE GEAR, Hying FORTH THIS WEEK-END

Reflecting on the eve of the opening of the 1946 angling season, signalized as usual by the Victoria Day (May 24) holiday, the local sage on matters piscatorial (guess who?), remarked that the country around Prince Rupert "has more sporting fish per square inch than any other part of the world. Joe Scott, who lives and breathes angling and knows where the fish—and also the fisherman—are, has been sizing up things from his observation post and informs the Daily News that the forthcoming holiday week-end will, doubtless, be drawing out as many disciples of Izaak Walton as ever. "It doesn't make any difference if they cannot buy a new rod for any price and that fishing supplies of all kinds are pretty hard to get, they'll be out there with the old gear fishing like nobody's business. They'll go by boat and they'll go by car and the wily trout are in for a tough week-end."

Much interest was taken in the announcement yesterday of the Prince Rupert Rod and Gun Club's plan for a 1946 Fish Derby. This will, undoubtedly, tend to spur even greater angling enthusiasm and the fishermen are already awaiting the announcement of further details of the competition.

Getting back to the season's opening on Friday and the week-end, parties have been in process of organization for the initial trips and such points to be reached by boat as Leverson Lake, Bill's Lake, Salmon River, Kiew Nugget, Lowe Inlet, Red Bluff and Captain's Cove will be visited while such haunts as Prudhomme and Rainbow Lakes and points beyond along the Prince Rupert Highway will attract the automobile fishermen. Expeditions to be led by Dr. R. G. Large, Tommy Wilford and Con Michaloff are already on the cards.

Now It's Air Dives For Hooping Cough

LEICESTER, Eng., C.—Flying a child with whooping cough up to a height of 12,000 feet and then diving steeply towards the ground has proved successful in two cases. George Derbyshire, Leicestershire pilot, did it first for the 18-months old child of a friend. Now he has tried it successfully for his 11-year old son. The child coughed as the plane gained height, but at 12,000 feet the coughing ceased.

ada, Sioris, owned by Dr. F. G. Salwisbury of Saskatoon, is entered this year and Quebec province is represented by Gallant VI, owned and bred by C. H. Conyers. Favorite for the race is still Kingarvie, king of last year's two-year olds, owned by R. S. McLaughlin of Oshawa, with Bluesweep, Harry Giddings' Karakas and the Medway Stable's Khabula currently receiving considerable attention from the railbirds.

SHORT SPORT

Attention of racing enthusiasts all over Canada will be focussed on Toronto's Woodbine Park May 25 for the 87th renewal of the King's Plate, Canada's top-ranking horse race and the oldest continuously-run turf event on the North American continent. With Canada's new vice-regal couple, Viscount and Lady Alexander, in attendance, a field of Canadian-bred three-year olds will go to the post in quest of the purse of 50 guineas, gift of the King, and \$10,000 added money.

The royal donation was originally made in 1859 by Queen Victoria in response to a petition from the Toronto Turf Club through Governor-General Sir Edmund Head for a Queen's Plate of 50 pounds "to be run for at Toronto or such other place in Upper Canada as Her Majesty might appoint." Under political pressure, the race was staged at a number of Ontario tracks until Woodbine became its permanent site in 1883. James White's Don Juan was the first winner of the Plate at Carleton, now West Toronto, in 1860.

The Seagram Stable of Waterloo, Ont., has been the most consistent winner of the guineas establishing an eight-year monopoly from 1891 to 1898, and carrying off top honors no less than 20 times. A Seagram entry, Kanshore, is a candidate for this year's running. Most successful campaigner in recent years has been the late H. C. Hatch of Toronto who has won the Plate five times in the last 10 years. The Hatch estate has two entries in this year's race, Palermo and the highly-rated Bluesweep. The latter will probably be ridden by Bobby Watson who booted home two straight Hatch horses, Acara and Uttermost, in 1944 and 1945. Track record over the 1 1/2 mile distance was set last year by Uttermost who covered the course in 1:53 4/5. The Hatch stable established another mark in 1944 when its three-horse entry of Acara, Ompalo and Sayonara finished first, second and fourth respectively, leaving only the \$1,000 third money to an outside competitor.

Originally limited to Ontario-breds, the race is now open to horses bred anywhere in Can-

STEWART NEWS
Latest from Portland Canal Mining Centre

NEWS OF MINES—WARM WEATHER—BIG UNION DANCE—SOFTBALL GAME

STEWART—J. O. LeFrancois, general manager of the Gold Drop Mines Limited, arrived in Stewart last week and is busy getting things in trim for intensive development this year. The contractors advanced the tunnel 522 feet during the past winter. It is in 800 feet but air conditions have been badly retarding the work. Arrangements are being made to take care of this.

Evans Harris, superintendent for the Morris Summit Gold Mines, was in town this week having made two round trips to the property during the past week. His crew is busy moving supplies across the Salmon Glacier and is confident that, by the time of the break-up on Summit Lake, they will have accommodations for 40 men at the mine. Some of the machinery will have to await the break-up and be rafted across the lake to the property. Mr. Harris says he expects to have 400 tons of material in to the mine this year. It has been a tough struggle, he says, but things are getting easier now.

Owen McFadden arrived from the south and now has a pack train of 23 head of horses here in readiness for the opening up of the trail to the property on Willoughby Creek.

The Stewart Tennis Club is away to a flying start and the members are looking forward to a successful season. If the weather man keeps on as he has been going for the past week or two there is no doubt of it. The thermometer soars to 80 degrees in the daytime and drops to 32 degrees at night. Blankets, sweaters and coats are still required. The gardens are doing well notwithstanding the frost at night.

The local Union held a dance in the pioneer Hall, Hyder, Alaska. It was a very successful affair both socially and financially. There was a big turnout

from the three communities of Premier, Hyder and Stewart. The Premier Orchestra was assisted by Stewart musicians. Miss Hutt of Premier won the ladies' door prize and ticket No. 104 won for the men. The owner of the ticket was not there to claim it. A blind raffle in which there was three boxes containing a Silax coffee percolator, an electric iron, and a bottle of lubricant. The winners were Johnny Prazza, coffee percolator; John Castle, electric iron, and Alfie Teed, the bottle of lubricant. All are of Premier. The iron and the percolator could not be shared but Alfie did all right with the bottle. A foxitrot contest was won by Mr. and Mrs. B. C. A. Lees of Stewart and the waltz contest by Mrs. Lees and Mr. Smithson. Mrs. Dot Thomas and Johnny Prazza, comprised the Premier Orchestra. Mrs. Edith Behnson, Sam Kirkpatrick, Tom Kirkpatrick and Billy Orr represented Stewart. It was a big evening and everyone enjoyed themselves to the utmost.

A softball game between Premier and Stewart again resulted in the Hillbillys losing to the tune of 21 to 16. This was held on Sunday but most of the boys were off their game. It was 3 p.m. before they got underway and the ball was hard to see against the dark green of the mountains.

CANDIDATES HOLDING BACK

May Queen Contest is Closing Tonight

Slight change in scores of the May Queen contest indicated this morning that sponsoring organizations were waiting until later today before turning in votes for their respective candidates. The name of the queen-elect for the gala May 24 celebration is to be announced tonight.

A Kinsman will remain on duty at the Canadian National ticket office on Third Avenue until deadline time to receive tickets and money as well as to sell tickets to those desirous of casting extra votes for their favorite candidate.

The Kinsmen Club is desirous of obtaining cut flowers from home gardens of Prince Rupert citizens for the purpose of decorating the May Queen float, President Bill Jarmson announced this morning.

"Any person willing to donate flowers," said Mr. Jarmson, "is requested to phone and a member of the club will arrange to pick up the flowers before Friday."

It is evident from reports received from Kin headquarters that many local businesses are solidly behind the summer camp project for Prince Rupert children. Donations, to date, have been received from the following concerns:

- Nelson Bros. \$25
- Edmunds & Walker 25
- Whiz Fisheries 10
- Prince Rupert Hotel 10
- City Transfer 10
- Long Motors 10
- Geo. Hill & Sons Ltd 10
- H. C. YHelgerson Ltd. 10

Boost Birth Rate Australians Told

CANBERRA. (P)—Unless Australia boosts its birth rate, its population will fall from 7,000,000 to 2,000,000 in the next 100 years, according to B. T. Mayes, professor of obstetrics at Sydney University. He said in an address here that unless changes were made the decline of population would be barely detectable in the next two decades but after 1960 it would plunge.

"The parental instinct is satisfied now when the average family is insufficient for the purpose of replacement," he said. "For replacement, a family of three is necessary."

Activities of Rup-Rec

SWIMMING—It is definite now that Rup-Rec instructress Marjorie Jackson will leave for Vancouver to attend a swimming course for instructors, sponsored by the Canadian Red Cross. On her return, she will teach swimming at the McClymont Pool. Mel Harper, who gives a good deal of his spare time to showing National Film Board movies at the Centre, is, we discovered today, a top-notch swimmer. Mel swam for the Y.M.C.A. and the Pacific Club in Victoria before he turned pro and he has promised to assist in whatever way possible in the summer swimming program.

WORLD SERIES AT CENTRE TONIGHT—Raymond Springs, who saw a preview of the 1945 World Series film yesterday afternoon, says: "It's really good—the way Hank Greenberg knocks those home runs is worth seeing." The show starts at 8:00 o'clock tonight in the Centre auditorium. This will be a real thrill for ball fans, young and old.

Better English
By D. C. WILLIAMS

1. What is wrong with this sentence? "I am going to beat up three eggs."
2. What is the correct pronunciation of "coma"?
3. Which one of these words is misspelled? Accede, excede, secede.
4. What does the word "in-

culpable" mean?
5. What is a word beginning with ani that means "a remark by way of criticism?"
Answers
1. Say, "I am going to whip three eggs." 2. Pronounce koma, o as in no, a as in ah, accent first syllable. 3. Exceed. 4. Faultless; blameless. "An innocent and inculpable piece of ignorance." — Kinningback. 5. Animadversion.

TWENTY-FIVE YEARS AGO

May 22, 1946

The Kitsumkalum Basin Petroleum Co. was incorporated at Victoria with capital of \$300,000 and headquarters at Terrace. Head of the company was C. F. Schaub, former Kitwanga-telegraph operator. The company planned to explore "promising" formations in the vicinity of the Beaver and Cedar rivers.

C. W. Applegren, who was riding in a boxcar filled with settlers effects, was killed when a train was derailed near Houston due to a washout. Applegren came from Saskatchewan and planned to settle at Moricetown.

There was a rumor current that the New York Central Railway was seeking to take over the Canadian National and Grand Trunk Pacific railways and make Prince Rupert a major port for trade with the Orient.

PR. RUPERT IS HEALTHY CITY

Generally conceded to have one of the most interesting climates of any city in Canada, Prince Rupert may also be considered one of the healthiest centres in the province. The provincial Department of Health Bulletin for April indicates as much in its report on notifiable diseases.

Listing 21 diseases whose occurrence medical practitioners must list with the health department, the bulletin gives the location of occurrence of all but cancer, gonorrhoea and syphilis. Excluding those three diseases, there were 1,811 cases of notifiable disease in the province in April.

Of this 1,811, Prince Rupert had four—all being cases of chicken pox, which was the second most prevalent disease in British Columbia last month with 432 cases.

Most prevalent disease was mumps, of which there were 601 cases, none being reported here. Including cancer, gonorrhoea and syphilis, there were 2,539 cases of notifiable disease. Of these, cancer accounted for 180, gonorrhoea 412 and syphilis 136.

PRAM FOR WINNER

Modern Etiquette
By ROBERTA LEE

Q. If a man has asked a woman for permission to call and she has declined, should he ask her again at some other time?

A. That depends entirely upon the manner in which she refused his first request. He must use his best judgment as to whether the girl really cares to extend the friendship.

Q. Is it correct for parents to introduce their children to adults?

A. Yes, and it is excellent training. Well-bred parents should do so at every opportunity.

great help to customers in buying a new watch, as all watches are to be tested before going out.

NEW WATCH TESTING DEVICE IN RUPERT

John Bulger Ltd. have just purchased one of the new electronic watch testing machines developed by the Bell Telephone Co. of New York and made by the Western Electric Co. This is the second instrument of this kind to come to B.C., the other being in Victoria.

Designed to take the guesswork out of the watch business, it operates by amplifying the beats or ticks of a watch until they are strong enough to print a record. Each variation in performance makes a different picture on a chart, making it a simple matter to know when a watch is perfect.

It is expected this will be a

COAL!

Have you inquired about

The Philpott, Evitt COAL BUDGET PLAN

Be WISE now! Be WARM next winter.
PHONE 651 or 652

A PLAIN STATEMENT ABOUT YOUR NEXT WINTER'S FUEL

THE ONLY WAY that you can be sure of an adequate supply of coal for next winter is to — PLACE YOUR ORDER WITH YOUR COAL DEALER AT ONCE.

Domestic fuel is more readily available in Canada during the early summer months. Coal must be kept moving from the Dealers' Yards to household bins.

DO NOT DELAY, it is your responsibility to order your coal NOW. The longer you put off ordering the less chance you will have of getting a full winter's supply.
