WAGE CONTROLS NOT RELEASED

OTTAWA — Wage controls in Canada are not released under order-in-council issued yesterday to facilitate labor boards granting "just and reasonable" increases, a government spokesman said. To lift wage controls at this time would release forces which would wreck the economic life of the country.

Master Committee on Atomic Control

NEW YORK — Australia today put forward a proposal to set up a master committee to draft plans for atomic energy control and reconcile, if possible, bitterly contested points of divergence between the United States and Russia.

FAVOR LONG RANGE PLAN

NEW DELHI — The All-India Congress party has accepted the long-range British plan for an independent federal union of India, although it has rejected proposals for the establishment of an interim government.

Local Native's Appeal Dismissed

A local man's appeal against conviction on a charge of larceny was dismissed in Appeal Court in Vancouver recently. When counsel for Rufus White, Prince Rupert native, said that he had a abandoned White's funds for disputing the findings of Judge W. E. Fisher in Appeal Court here which resulted in White being sentenced to 18 months in prison. White was found guilty by Judge Fisher of larceny and entering the premises of Ward Electric last April. Counsel for White at the Appeal Court hearing was T. F. Hurley, Vancouver lawyer.

THE WEATHER

Synopsis
The outbreak of cool moist Pacific air which entered British Columbia from the west has resulted in general cloudiness and precipitation. Temperatures during the night were about the same as or slightly higher than they had been the previous night. Rainfall of more than an inch in 24 hours was reported on the west coast of Vancouver Island, locally in the Cowichan as well as at Vancouver. Precipitation is expected this afternoon along the southern coast and locally over the interior tonight with overcast to cloudy conditions generally over the province on Wednesday.

ROBBED BY GHOULISH DESERTERS

MONTREAL — The Montreal Herald said today that bodies of 24 Canadian airmen who were killed in the crash of a Royal Canadian Air Force Liberator bomber near St. Donat, Quebec, in 1943, the wreckage of which has only now been identified, were looted of large sums of leave money and savings by Army deserters who lived in a mountain hide-out.

GENERAL STRIKE IN EGYPT IS OFF

CAIRO — A general strike of all workers in Egypt, set for today, was called off by the executive committee of the Egyptian labor unions. The ministry of social affairs agreed to appoint a committee to study workers' demands and grievances.

ALDERMEN TO VIEW AIR BASE

In an endeavor to get first hand knowledge of the portion of the Seal Cove air base which might be required for use as a civic air port, members of city council will visit the base this week on an inspection tour. During discussion of a letter from Transport Minister Hon. Lionel Chevrier, in which he informed Mayor Daggett that the city would be allowed to take over a portion of the base, the aldermen decided that it would be wise to inspect the base. They hope to be accompanied by War Assets Manager I. M. Mackinnon, who has intimate knowledge of the base through his air force experience. The meeting appointed Mayor Daggett and City Clerk Thain to investigate the air port matter, with power to add as many aldermen and air experts as are required.

Point Grey—Coalition Is Winner

Leigh Stevenson and A. R. MacDougal Get Sweeping Majorities Over C.C.F. Opponents

VANCOUVER — Two coalition candidates—Leigh F. Stevenson and A. R. MacDougal—were elected to the Legislature yesterday by a large majority over two C.C.F. candidates, one Democrat and one Liberal-Industrialist in the Point Grey by-election.

With returns for 244 polls complete, the vote is:
Stevenson, Coalition, 14,067.
MacDougal, Coalition, 13,929.
Mrs. D. G. Siceves, C.C.F., 5,693.
George Isherwood, C.C.F., 5,422.
William Smith, Democrat, 414.
Peter McAllister Liberal-Industrialist, 309.

The by-election in the three-member constituency was called after the deaths of Attorney-General R. L. Maitland and J. A. Paton, both Conservative supporters of the Coalition.

The by-election filled the only two vacant seats in the 48-member Legislature, the standing in which is now:
Coalition, 27.
C.C.F., 10.
Labor, one.

Difference Over Atomic Control

NEW YORK — Dr. Herbert V. Evatt of Australia, chairman of the atomic energy commission, has taken issue with a Russian proposal on procedure for the drafting of an atomic control plan. Dr. Evatt believes the work should be done by one master committee instead of dividing it among two of 12 members as the Russians suggest.

FORT FRANCES HAS BIG BLOW

Western Ontario Pulp Mill Swept by Wind of Cyclonic Proportions

FORT FRANCES, Ont. — A terrific tornado, supposedly caused by suddenly variable temperatures, ripped into this town in mid-afternoon yesterday and in three to four minutes caused widespread damage and left eleven persons injured. Ten of the injured were children of a family on an Indian reservation whose house was blown down. Other houses were lifted from their foundations.

Power lines were blown down to disrupt service and Fort Frances, 180 miles east of Winnipeg, was left in partial darkness.

The wind blew sixty and more miles per hour. Damage estimated at \$500,000, and possibly more, was counted today after the "twister" had ripped its way through this northwestern Ontario pulp and paper town of 6,000 persons yesterday.

Search is on for the body of a man reported to have been crushed by flying debris in a lumber yard.

LOCAL OFFICER RETIRING SOON

Constable C. F. Oland, who has been attached to the district office of the provincial police here since 1939 as district clerk, is retiring from the police force at the end of June after 30 years of service. Following his retirement he and Mrs. Oland will take up residence on Vancouver Island. During his service with the police, Constable Oland has been posted in many centres throughout the province. He has been in the north central area since 1929. He came here from Smithers seven years ago. Replacing Constable Oland in the district office will be Constable Edward Anderson who has been clerk in the city police office for the last several months.

BY-ELECTION IN SOUTH

NO SURPRISE is involved in the result of the Vancouver-Point Grey by-elections to fill the vacancies in the Legislature caused by the recent deaths of Attorney-General R. L. Maitland and J. A. Paton. In this traditionally Conservative section of Vancouver the Coalition government, as was expected, won a decisive victory, its candidates far more than doubling the count of the C.C.F. whose ticket was headed by the doughty campaigner Dorothy Steeves. Doubtless, the C.C.F. themselves did not expect to win the seat. Their only disappointment at the outcome may be at the mediocre showing they made.

The result of the election brings the Legislature up to full strength again with no change in the party representation. The new members—Mr. Stevenson and Mr. MacDougal—will be acquisition to the House.

MORE RAIN NEEDED

PRINCE RUPERT'S worst knockers, we have some time since concluded, are her own residents and some of the old timers, who have lost sight of the charms and attractions about them, may be listed among the most flagrant offenders. These people cry at Vancouver talking disparagingly about Prince Rupert's weather and in the next breath are complaining themselves about the rain.

Our readers might be surprised to hear that, since we wrote about the need of rain a week ago, some Prince Rupert people have castigated us, even blaming us, for the few little ineffective showers (we never had any idea that we were so influential) we have enjoyed so much these last few days and which have been so helpful in various ways.

We don't like to be disagreeable with our friends but, in spite of what

we have had during the past week, we think we could do with some more rain and again beseech Jupiter Pluvius to continue for us the favor of his watering can.

Just for curiosity we 'phoned over to the Weather Man yesterday to learn that Prince Rupert all this month of June, now nearly expired, had had only 1.62 inches of rain (Vancouver had 1.3 inches in one day recently). And, further, the Weather Man, who lives on Digby Island, commented: "We need more rain and plenty of it. We're running short on water supply over here."

We are just talking this way to suggest that Prince Rupert's resident knockers had better change their tune and, if they must be miserable, talk about the drought and dust rather than the muskeg and rain.

Meantime it is only to be hoped that the optimistic and delighted visitors who are so entranced when they come to Prince Rupert do not come into contact too much with the local grouchers and pessimists who insist upon conjuring up disadvantages and discomforts we suppose they would be kicking anywhere they were anyway.

WORRY AND ILLNESS

A FREQUENT CAUSE of worry is ill-health. Sickness, or fear of sickness, causes depression. Depression aggravates the original ailment and indicates still more worry. It becomes a vicious circle with some doubts as to which came first, the sickness or the worry.

Worrying about sickness, or any other misfortune, is profitable only up to the point where it induces you to do something about it. If the worrying goes beyond that point, or does not induce any corrective action, it is absolutely fruitless. Then it is likely to end up in something about which you will have real cause for worry.

Worry thrives on concealment of its cause. It usually happens that when the cause is discussed frankly with some trusted person, the load of worry grows much lighter if it does not disappear altogether. The worrier is no longer brooding alone. He has 'got it off his chest' and is receptive to advice and assistance. And this is the first step in 'doing something about it.'

What City Council Did

Sale of city owned lots to five purchasers, as reported by the committee-of-the-whole, was approved by council last night. They were:

Lot 11, Cow Bay Subdivision, to C. K. Ytreberg for \$1,750; lot 13, Cow Bay Subdivision, to J. L. Parent for \$1,200; lot 5, Cow Bay Subdivision, to E. Skogmo for \$1,000; lot 19, block 9, section 1, to H. A. Nelson for \$435; two and a half lots in block 7, section 6, to P. L. LeRoss Jr. for their assessed value, two of the lots being subject to 50 per cent discount allowed ex-servicemen.

Council approved the purchase of a jack-hammer and accessories from War Assets for \$100.

Council approved a licensing committee report granting McLeod, Pitt-Cross and Gibb a license to operate as building contractors.

A social assistance committee recommendation that the city undertake to pay the Prince Rupert Medical Association 50 cents per month for each individual receiving social assistance allowance to provide for medical care, was approved by council. It is subject to acceptance by the medical association.

Council accepted a committee-

of-the-whole recommendation that the city build a garage to house its equipment. Material will come largely from the old Exhibition Building. The garage will be built behind the Fire Hall.

Payment of accounts for May totalling \$41,187, was approved by city council last night on recommendation of committee of the whole. Payments from the general account totalled \$35,712.

Blast furnace slag from the old smelter at Anyox is to be used experimentally as a finishing surface on newly paved city streets. Council last night authorized the purchase of 100 cubic yards of the material on recommendation of the committee of the whole.

In the absence of Mayor Daggett, Acting Mayor Nora Arnold was chairman of last night's council meeting. Aldermen absent were Alderman Ham, who is in Edmonton and Alderman McKay who is in Vancouver.

BARE STYLES SHOCK INDIA

Archbishops Demanding More Modest Garb

TRIVANDRUM, India—Alarmed by "a growing tendency on the part of Christian women to forget decency and modesty," the Archbishops of Cochin and Travancore have demanded that the ladies wear upper garments long enough to cover at least half the hands and lower garments long enough to cover the knees.

The regulation, prescribed in a pastoral letter to all churches, convents and monasteries, was termed "a minimum standard satisfying certain requirements of decency and modesty based on the conception of Oriental womanhood . . ."

"Soft and transparent garments and sleeveless ultra-modern blouses should be eschewed from the dressing code of Catholic women," said the Archbishops, adding: "We view with alarm and dismay this contagion of fashion which is a new phase of paganism and which is working havoc throughout the world. This deplorable neglect of the demands of decency by women has created a new problem for the Church which requires immediate remedy."

"This vulgar liking of the taints of modern sets is one of

NAVAL VESSEL INVITED HERE ON PORT DAY

Fighting units of the Royal Canadian Navy are to be invited to be present at Prince Rupert's Port Day on August 22. Considering a request by the Junior Chamber of Commerce Port Day Committee that the city endorse the committee's action in inviting a naval ship here, council went further and decided to put forward an official invitation for the gala occasion. The aldermen also granted the Port Day committee's request that the day be declared a civic holiday to allow all citizens to take part in or watch the marine celebration.

The invitations to have a naval ship present will be sent to naval headquarters at Esquimalt. It is hoped that either H.M.C.S. Charlottetown or Crescent will be present on Port Day.

Canadian Nickel

brings you English china

THOUSANDS OF PEOPLE earn their living in the manufacture of fine china which is concentrated in a small industrial area in north Staffordshire in England. From more than fifty factories in this area, English china is exported to all parts of the world.

Thousands of Canadians in the Sudbury and Port Colborne areas earn their living producing Canadian Nickel. Other thousands all over Canada find employment in the production of lumber, power, steel, machinery and supplies purchased by the Canadian Nickel industry.

Less than three per cent of the Nickel produced in Canada is consumed in Canada. The rest is exported, and the money received helps to pay for English china and other products necessary to good living in Canada.

Canada cannot keep on importing from other lands unless Canadian goods are exported.

By constantly seeking to expand the use of Nickel at home and abroad, the Canadian Nickel industry brings additional benefits to Canada and Canadians.

"AT HOME" OF SEA CADETS

Presentation of Trophies Features Smart Parade of Local Unit

More than 100 parents and friends of the Sea Cadets turned out at the annual "At Home" and presentation of trophies to the local Captain Cook Corps last evening.

First of all there was a demonstration of the usual classes of instruction under Sea Cadet personnel. It was a fine thing to see Lieut. Walter Smith, with his practical active service experience, giving instruction to the lads. Other instructors in charge were Midshipman Bob Cruckshank, Midshipman L. Youngman, Midshipman Mel Thompson, C.P.O. Kennedy, A/C.P.O. C. Currie, P.O. A. Mendels, C.P.O. Bob McChesney, P.O. W. Davidson and L/S Hemmons.

Then came a display by the band whose playing and counter-marching, under Midshipman Mel Thompson, were one of the features of the evening. Midshipman F. D. James was officer of the day.

Lieutenant Commander A. S. Mitchell welcomed the guests on behalf of the corps. While there had been some losses in numbers during the year it was gratifying to have some ex-members return. New equipment was being made available and wider courses of instruction would be given from now on. He was glad to be able to say that there were capable instructors in the corps able to give advanced training. He urged all parents to become members of the Navy League. He then announced the winners of the various trophies and presentations were made.

Presentation Of Trophies

Commander C. M. Cree trophy for the best cadet of the year was presented to L/S Overgaard. In making the presentation Lieutenant Commander F. N. Eddy commented on the fine record of this cadet who had one hundred per cent attendance in addition to his all round efficiency.

The Canadian Legion Trophy for the best cadet in his recruit year was awarded to Cadet Allan Forman. Dr. R. C. Bamford, president of the Legion, expressed his pleasure at being able to make this presentation. It had been won in other years by other members of the same family.

He felt that the youths of the city were fortunate in having such an organization to carry on their fine work year after year and he complimented the corps as a whole on their splendid appearance.

The Lionel A. Holtby Trophy for the best cadet in the corps was presented by Mrs. Holtby in the unavoidable absence of the donor. The winner was C.P.O. L. R. Reddy who, as master-at-arms, had filled a very responsible position with great efficiency.

A new trophy was that presented by the Women's Auxiliary of the Navy League. It was for the best wrenette. This unit had already made a creditable name for itself in its short period of existence and, in making the presentation to Wrenette Ethel Hemmons, Mrs. J. R. Eifert added a special word of praise for her outstanding record.

The Will 60 Trophy awarded for the best division was presented by Mrs. S. R. Donaldson. To win this award for being the neatest, most efficient and best attendance division requires a very high standard of achievement. Midshipman F. D. James received the cup on behalf of the Hood Division.

The president of the Navy League, S. P. Woodside, presented the T. H. Johnson Trophy for the division with the best shooting record. He pointed out that

Local News Items...

James Bremner returned to the city Monday afternoon on the Princess Adelaide from a business trip to Vancouver.

Mrs. Jack McRae left on last night's train for a two months' visit to her former home at Halifax.

Mrs. Frank Skinner and daughter sailed this afternoon for Vancouver to spend the summer vacation.

Magistrate W. D. Vance returned to the city on the Princess Adelaide yesterday afternoon from a trip to Vancouver and Victoria. Mr. Vance attended the Masonic Grand lodge convention in Vancouver last week.

Mr. and Mrs. H. G. Lawes of Vernon arrived in the city yesterday afternoon on the Princess Adelaide to pay an extended visit with their son-in-law and daughter, Mr. and Mrs. Harry Sheardown, 229 Sixth Avenue East. Mr. Lawes for years was manager of the Kelly-Douglas Co. wholesale grocery branch at Vernon, having retired about three years ago.

It was only by a narrow margin that this division won from the newly formed Wrenette division. Midshipman L. Youngman accepted the trophy on behalf of the Nelson Division.

Individual rifle shooting badges were presented to the following: O.D. Pierce 90%, P.O. Mendels 89%, O.D. Saunders 88%, O.D. Moore 86%, Bandsman T. Forman 83% and O.D. Simonsen 77%. In making the presentation, J. S. Wilson, vice-president of the Navy League, said that apparently there were "pistol packing" wrenettes who had done extremely well, and badges were presented to O.W. Joan Croxford with 84% and L/W R. Walton with 77%.

Prizes were awarded to the cadets who had collected most on the recent cadet tag day. In making these presentations S. P. Woodside pointed out that all receipts of the tag day were specifically marked for cadet activities and that the prizes were paid from other sources. The winners were E. Moore, W. Sunberg and S. Hemmons. The prize for the division with the greatest aggregate went to Nelson Division on whose behalf Midshipman L. Youngman accepted the award.

Special tribute was paid to T. M. J. Fortune whose expert instruction in rifle shooting year after year had been the chief factor in the high standard of marksmanship attained by the many cadets, and others, who had learned from him.

Three hearty cheers were given by the parents and friends of the cadets in recognition of the fine work done by Commander A. S. Mitchell, his officers, petty officers and ratings in making Captain Cook Corps one of which all citizens are genuinely proud.

Lieutenant E. John Wilson, executive officer of the unit, was in charge for the final and impressive ceremony of sunset.

Light refreshments were served to visitors and then to the members of the corps before the audience dispersed.

GOOD HOSPITAL CARE

WELLINGTON, N.Z., (P)—A claim that New Zealand has the best hospital provision per head of population was made by Dr. L. C. McNickle of the health department. On the basis of recent figures, he said, there were 10 hospital beds available for each 1,000 of the population, which was the highest figure known.

HOW CAN I ???

By ANNE ASHLEY

Q. How can I bake rusks?
A. Mix until thin 1 pint milk and 1 teaspoon of yeast. When light, add 12 ounces sugar, 10 ounces butter, 4 eggs, and sufficient flour to make the same stiffness as when baking bread. When risen, mold and sponge it upon tin.

5. Fastidious.

MOTORS AND SCHOOL WIN

General Motors won over the Reserve 11 to 5 in the first of last evening's softball doubleheader and Bo-Me-Hi won from Co-op in the second game, 9 to 6.

While on paper the General Motors have the best team they had to go the limit before they finally won from the hard-playing army lads. Pallister, the army pitcher, did a grand job and Watmough, as catcher, gave him good support. Occasional errors in the field contributed to their defeat while they had had luck when Ed Lasota dislocated his thumb and went off for attention. He had been doing a good job in the "hot corner."

Fitch began in the box for the Motors but was relieved by Ted Arney. Pete Postuk was his

Whifflets
From The Waterfront

Exceptionally good fishing was enjoyed by a big angling party which visited Levenson Lake in Wark Canal over the past weekend, making the trip between Saturday afternoon and early Monday morning aboard Capt Cecil Morrison's service boat F. H. Phippen. Many fine cutthroats and rainbows, averaging two pounds and better, were brought home in heavily laden creels. The anglers spread themselves all over the popular lake and found the fishing consistently good. The trail into the lake is not in the best of shape. The party, besides the skipper, included Roy Van der sluis, Frank Ellison, Leon Blain, Bob Armstrong, Bill Hutson, Vic Menzie, Bill MacCallum and Dusty Elliott.
A substantial number of tourists as well as a considerable group of local passengers were included in the passenger list of the steamer Princess Adelaide which arrived in port at 3 o'clock Monday afternoon on her weekly Monday voyage and sailed at 10 o'clock last night on her return to Vancouver and waypoints.

"Picobac is super"

Yes, in the language of the boys it's 'super' because Picobac is a cool, slow-burning smoke, with few light-ups, and no 'dottle.' Like most pipe smokers, I've made the rounds — smoked almost every brand; but for me Picobac is the best 'fill' of them all.

Have you tried Picobac? Get some to-day!

REOPENING OF HOSPITAL

Board of Trade at Stewart Discusses Possibility

STEWART—When the Stewart Board of Trade held their semi-monthly meeting Tuesday last the main item of discussion was the possibility of getting the Stewart General Hospital reopened and to obtain a resident physician. At present the hospital is closed and the company doctor, Dr. Playfair of the Silbak Premier mine, pays a weekly visit to Stewart using the hospital as his headquarters. Application will be made by the Stewart Hospital Board to the government with a view to ascertaining whether a physician can be secured and also as to the possibility of obtaining a government grant.

With the advent of new mining operations in the district it is felt that, with a grant from the government and subscriptions from the mining companies, the hospital can and should be reopened.

STEWART SCHOOL PRINCIPAL QUILTS

STEWART—A meeting of the temporary school board for the Stewart zone was held in the home of Mrs. C. McLeod last Friday. Among those present were Mrs. C. McLeod, Jack Pearcy, F. Ahlalter, both of Premier, Mrs. W. Lees secretary, and E. E. Hyndman, school inspector.

The Cameron report was discussed, the main points of interest being the readjustment of teachers' salaries and the raising of the standard of education.

The resignation of the school principal, Miss Zebalotnev, was received and accepted with extreme regret.

The board as at present established is only temporary, the annual meeting an election will be held in November.

Vice-President B. C. Lees presided over the meeting in the absence of President W. R. Tooth.

TO CELEBRATE DOMINION DAY; PREMIER WINS IN SOFTBALL GAME

At a meeting of the Dominion Day celebration committee, B. C. Lees outlined the program which calls for a two-day celebration commencing Sunday afternoon and continuing until the evening of July 1. This includes a parade, crowning of the queen, sports for both children and adults and a dance which will commence at midnight.

June 30. The communities of Premier and Hyder, Alaska, will participate.

SS. Chilliwack arrived in town during the week to take on a shipment of concentrates from the Silbak Premier mine.

Warm weather has again been experienced during the past week, the thermometer registering 80 degrees.

The Premier boys again upset the Stewartites at softball with a score of 18 to 17. Several of the regular players of the Stewart team were absent and they had to get assistance from Premier to make up a team. The play was very ragged with a good deal of chewing the rag with the umpire.

The radio-telephone which was recently installed in the Government Telegraph office by J. Spilsbury and his assistant, Shorty Williamson, is now in operation and contact is being made each day with the Morris Summit Company in the Salmon River district and the Canadian Exploration Company on the Unuk River. The Big Four Mining Company is also considering operating one, it is reported. This marks the beginning of a new era in communications in this district.

LONDON — Alexander Knight, 80-year-old artist and woodcarver, sold a house worth £1,500 (\$6,750) to a young married couple for £500 because he thought they had "a greater right to it."

P.-T. DOING GOOD WORK

STEWART—The annual meeting of the Stewart Parent-Teacher Association was held in the Court House on Wednesday last, John Thompson, president, in the chair. The following officers were elected:

President—John Thompson (re-elected).

Vice-President—Mrs. Catherine McLeod.

Treasurer—Miss Vanna Jacobsen.

Secretary—Miss Elin Jacobsen (re-elected).

This association has done excellent work during the past year among the young people, sponsoring cooking classes for the girls of the higher grades, wood working under the tuition of Constable Meredith Jones, basketball and other activities. They have also taken up the matter of a new school. The present one, having been built in 1910, is inadequate for modern requirements. After representations were made to the school board a new lighting system was installed which is a decided advance on the old system.

Regret was expressed by the members at the loss of the school principal, Miss Zebalotnev, who is retiring from teaching this year.

OFFICERS OF MOOSE WOMEN

STEWART—The annual installation of officers of the Portland Canal Chapter, No. 16, Women of the Moose, took place on Thursday, June 20. The officers for the ensuing year are:

Graduate Regent—Mrs. Veronica Fisher.

Senior Regent—Mrs. Ella Storie.

Junior Regent—Mrs. F. Harrison.

Recorder—Mrs. Hazel Tooth.

Treasurer—Mrs. W. Wakefield.

Chaplain—Mrs. Ann Geddes.

Pianist—Mrs. Jean Stewart.
Guide—Mrs. Elsie Kustas.
Assistant Guide—Mrs. Susie Thompson.

Argus—Mrs. J. Campbell.
Sentinel—Mrs. D. MacAulay.
The installing officer was Past Graduate Regent Mrs. Catherine McLeod assisted by Mrs. Sybil Rosier, Mrs. C. Gibson, Mrs. F. Risch.

The hall was very tastefully decorated and the ceremony was well carried out and was very impressive. Supper was served to members and guests.

Modern Etiquette

By ROBERTA LEE

Q. When attending church services and a person offers one a song book, should one always accept it?

A. Yes; one should graciously accept the book even if unable to sing.

Q. Does it indicate good breeding for one who is seeking a divorce to discuss it with others.

A. No; the only discussions should be with the attorney and the immediate family.

Q. What is the correct way to address a woman chairman of a meeting?

A. Madam Chairman.

Q. Why is it the usual custom to send out formal invitations so far in advance?

A. It is done to enable the hostess to invite other guests to take the places of those who cannot accept.

Islanders Will Get New Deal

Joint New Guinea-Papua Administration Set Up by Australia

By JACK HOLDSWORTH
Canadian Press Correspondent

CANBERRA, Australia (C)—After more than three years as a theatre of war, New Guinea and Papua are returning to normal. Both territories are administered by the Australian government, New Guinea as a mandate and Papua under a proclamation.

During the war, they were in use both as Japanese and Allied bases, and were the graves of thousands of Americans, Australians and Japanese killed in the long island campaigns.

Allied and Japanese aerial bombing and shell-fire destroyed many valuable copra and rubber plantations, and some of the other big industries, such as gold-mining, suffered from the effects of war.

Most of the white population was evacuated, but many of their homes, mission stations, business offices were wrecked. Many natives were killed and some of their villages destroyed.

When the war ended, the islands continued under military control until a joint New Guinea-Papua civil administration was set up by the government last October. Its job was to start a rehabilitation program, a big task because of the immense area covered, the scattered population, and the military garrisons left in some areas.

Papua covers an area of about 90,500 square miles and New Guinea has a land area of about 93,000 square miles.

Pre-War Population Before the war, New Guinea

FRANK DIBB NEW DISTRICT DEPUTY

Frank Dibb of Prince Rupert was appointed district deputy grand master of this district at the Masonic Grand Lodge of British Columbia convention in Victoria last week. His jurisdiction, besides this city, includes Smothers, Terrace and Stewart.

DURABLE DRUNKARDS

STOCKHOLM, (C)—To test the stamina of chronic drunkards, a football match between them and other convicts was held at a Stockholm jail. The drunkards won 4-3.

There are no reliable figures for the effect of the war upon these estimates but, allowing for natural increases and decreases, they are not believed to have been greatly changed.

Six months after beginning its rehabilitation program, the administration reports that 1,000 whites are back in the area and that the number of Japanese resident in prisoner of war compounds is down to 69,900.

The natives, who went back to their villages after the war to rest and live on the equivalent of war gratuities, now are getting ready to work.

Plentiful native labor is available, but transport to move them from their villages to the job is short.

For the natives, the government proposes a "near deal." The proposals include a 44-hour week, improved rations, an interim minimum pay rate of three dollars monthly, with rations, issues, housing and medical care.

Directors of public health, agriculture, public works and education have been, or will be, appointed, and a school has been set up in Australia to train administrators.

COLORFUL AND ENTERTAINING

Imaginative and colorful romance feature the entertaining Technicolor picture "Yolanda and the Thief," coming to the Capitol Theatre here on Wednesday with Fred Astaire and Lucille Bremer, the headlined dancing team of the piece.

Astaire has the jany role of a light-hearted and well-lunged crook who finds himself the guardian angel of a beautiful young heiress into whose heart as well as her safe he charms his way until the real guardian steps in with unexpected results. Miss Bremer, as the naive maiden, is said to be a perfect singer and dancing partner for Astaire.

Abounding comedy is provided by Frank Morgan, as Astaire's affable partner in crime, and Maudie Natwick, Broadway comedienne, as the heroine's aunt.

The setting for the picture is a colorful mythical state and outstanding scenes are a gorgeous carnival and dream ballet.

Timely TERRACE Topics
 Gardens and crops in the Terrace district benefitted as a result of a good rain, measuring half an inch, which fell Thursday night. Crops are generally early this year. Strawberries are beginning to ripen. Cherries are patchy due to one frosty night at the wrong time. Prospects are for a heavy crop of apples. Corn is well up.
