ed, when disillusioned and disappointed, to Chiropractic (Nature) as a LAST resort.

Some 410 qualified Chiropractors raised no question as to the merits of faith, belief or, the competency of any remedy, to cure again. Nature had preordained that everything was incorporated within. Nature's OWN Remedy substituted incur-ABILITY for cure or marked improvement in 79,000 cases; or, 85% of tiresome, intangible disease names.

"Paris Maid"

A critical reader may question this astonishing record. For the needy there are two basic considerations: The belief that a condition is obstinately incurable as, against the Chiropractic record with thousands of varied, incurable cases. Both cannot be right.

When faith and belief fails to move mountains, Mahomet must go to the mountain. Possibly, the earnest Health Seeker discerns, by the mountainous record, that everything has not been tried; that, high odds yet remain in his favor.

As Mahomet would resolve: If Chiropractic eventually, why not . . . NOW!

It Pays to Advertise in The Daily News

are both on active service but will be back on your grocer's shelf soon as conditions permit.

WHEN CLOTHES BECOME Uniforms

As the "survival wat" develops, uniforms take the place of clothes. Not only armed services but civilian services require identification by uniforms, so the great garment industry is converted to war purposes.

Care and

In the great war drama an army of workers, chiefly women, are engaged in this important task of transforming perce-time "individualists" into uniformed members of war-time organizations.

Thousands of Canadian women, toiling to turn out uniforms for others to wear, are contributing beneficially to the total war effort. They are a valuable part of the great, united team of the United Nations.

To women in all lines of industry and in the home, the Bank of Montreal offers co-operation through savings and chequing accounts and other bank services available through hundreds of branches conveniently located.
