OCEAN FALLS, April 8 (CP)—Booth Memorial High School boys' and girls' basketball teams from Prince Rupert both won their games in the opening yesterday of the interschool series with Ocean Falls.

The boys from the north won 63 to 46 in one of the best games seen here this year. Petteuzo and Postuk starred for Prince Rupert and Hastings and Charleston for Ocean Falls. Play was fast and clean.

The girls' game was a toughly contested affair and resulted in a 29 to 27 score for Prince Rupert. The high scoring contest was beautifully played and vied with the men's game for quality.

## MANY STUDY FRENCH NOW

Business Colleges and Schools Busy As Montreal Goes Bilingual in Big Way.

MONTREAL, April 8 (CP)—Montrealers who stored their French verbs in the attic with their high school diplomas today are going back to school.

That's the report of night school and business college officials interviewed here who say the usual demand for French lessons has increased with four years of war.

War workers, men and women, in the armed forces, secretaries, businessmen and housewives are among the students. The teachers range from McGill University professors to the correspondence school text book.

Instructors say their pupils base the bilingual urge on wartime living which brought many into new jobs and environments. Students, averaging from 18 to 25 years old, claim the ability to speak French and English will make for better jobs now and after the war.

"It's purely a commercial proposition with most of them," says one Montreal business college, which reports "a noticeable increase in the continual demand for night classes in French conversation."

Most students in the night classes are war workers, the majority women who say they can "get along better" with a knowledge of both languages.

The Sir George Williams College, sponsored by the Y.M.C.A., has stepped up its French classes to 15 courses, ranging from elementary and business French to advanced work in French culture and letters. The student list for day and night courses include 1,820 men and 1,482 women. Most popular course is French conversation.

"Our pupils are young men and women in the armed forces and in business," says one instructor. "A lot were brought to Quebec by the war and they feel they should learn the language here to reach a better understanding of French Canada."

McGill University's French-English translation course has 243 students, compared with 12 four years ago when the course was started by the Montreal Translators' Society.

Now the course is carried on at night in co-operation with the Society. Students include teachers, bank clerks, translators, secretaries, 80 per cent of whom are women in their mid-twenties. Most say they continue their studies to aid them in their present jobs and to enable them to find better ones after the war.

English-speaking servicemen in Montreal take advantage of four courses in French offered by the Canadian Legion. They are among more than 18,549 members of the armed forces in Canada who registered with the Legion for French tuition since 1939.

CAPE TOWN (CP)—Dr. E. P. Phillips, noted South African botanist who has built the Union herbium into one of the leading institutions of its kind in the world, has retired from the government service.

RECENT CRAZE—Mah jong has been played in China for about eight centuries.

## NAMED KILLING

Verdict Returned by Vancouver Jury in Melee Which Resulted in Death of Wellington Wallace.

VANCOUVER, April 8 (CP)—A coroner's jury investigating the death of Wellington Wallace, aged 37, during a gun and knife battle in the Graycourt Hotel on April 2 returned a verdict saying that Wallace died of gunshot wounds in the abdomen caused by bullets "said to have been fired from a gun in the hands of one Albert Barilla."

Barilla is in custody awaiting preliminary hearing on a charge of murdering Wallace. He declined to give evidence.

NEW PASTOR HERE—Rev. W. W. Silverthorne arrived in the city last night to commence his new pastorate in First Baptist Church here tomorrow which is, appropriately enough, Easter Sunday. Mr. Silverthorne comes to Prince Rupert after a successful ministry of eight years at Portage la Prairie's First Baptist Church. Prior to going to the Manitoba city he was engaged in evangelistic work in Ontario. Mrs. Silverthorne and infant daughter will arrive in Prince Rupert next week.

## MARCH WAS COOL, WET

March had the lowest average temperature and the highest rainfall of any month so far this year, according to the monthly weather summary issued by the Digby Island meteorological station this morning. Average temperature for the month was 39.5 degrees, and the rainfall total was 9.09 inches.

Comparisons with the two previous months show that February had an average temperature of 3.3 degrees, and January 42.3 degrees. Rainfall in February amounted to 4.44 inches, and in January to 8.45 inches.

The highest temperature in March was 51 degrees, reached on March 8, and the lowest was 27 degrees on the fourth and fifth. March's minimum was within one degree of the three-month record low of 26 degrees reached on February 3.

The sun smiled on the district for 55.2 hours on 19 days during March. In February the hours of bright sunshine totalled 75.1 hours, a step in the right direction over January's 23.6 sun-light hours.

In March 1943 the city had a slight illusion of summer when the sun shone through during 122 hours.

There have been 153.9 hours of bright sunshine so far this year and 21.98 inches of rain. In the first three months of 1943 there were 256.7 hours of sunshine, and rainfall totalled 29.44 inches.

Barometer readings showed a high of 30.38 millimeters on March 8.

Highest wind was from the south east at 42 miles an hour on March 29.

### Josephine Murray Weds at Seattle

A wedding of local interest was solemnized on March 25 in the Chapel in the Pines, Fort Lawton, Seattle, Washington, when Josephine Bernadette Murray, daughter of Mr. and Mrs. Arthur Murray of this city, became the bride of Sergeant James Clayton Sikes, of Fort Lawton. Rev. Father Conroy officiated.

Attending the bride was her sister, Miss Kathleen Murray, of Yakima, Washington.

Following the ceremony a reception was held for the couple at the Benjamin Franklin Hotel, in Seattle.

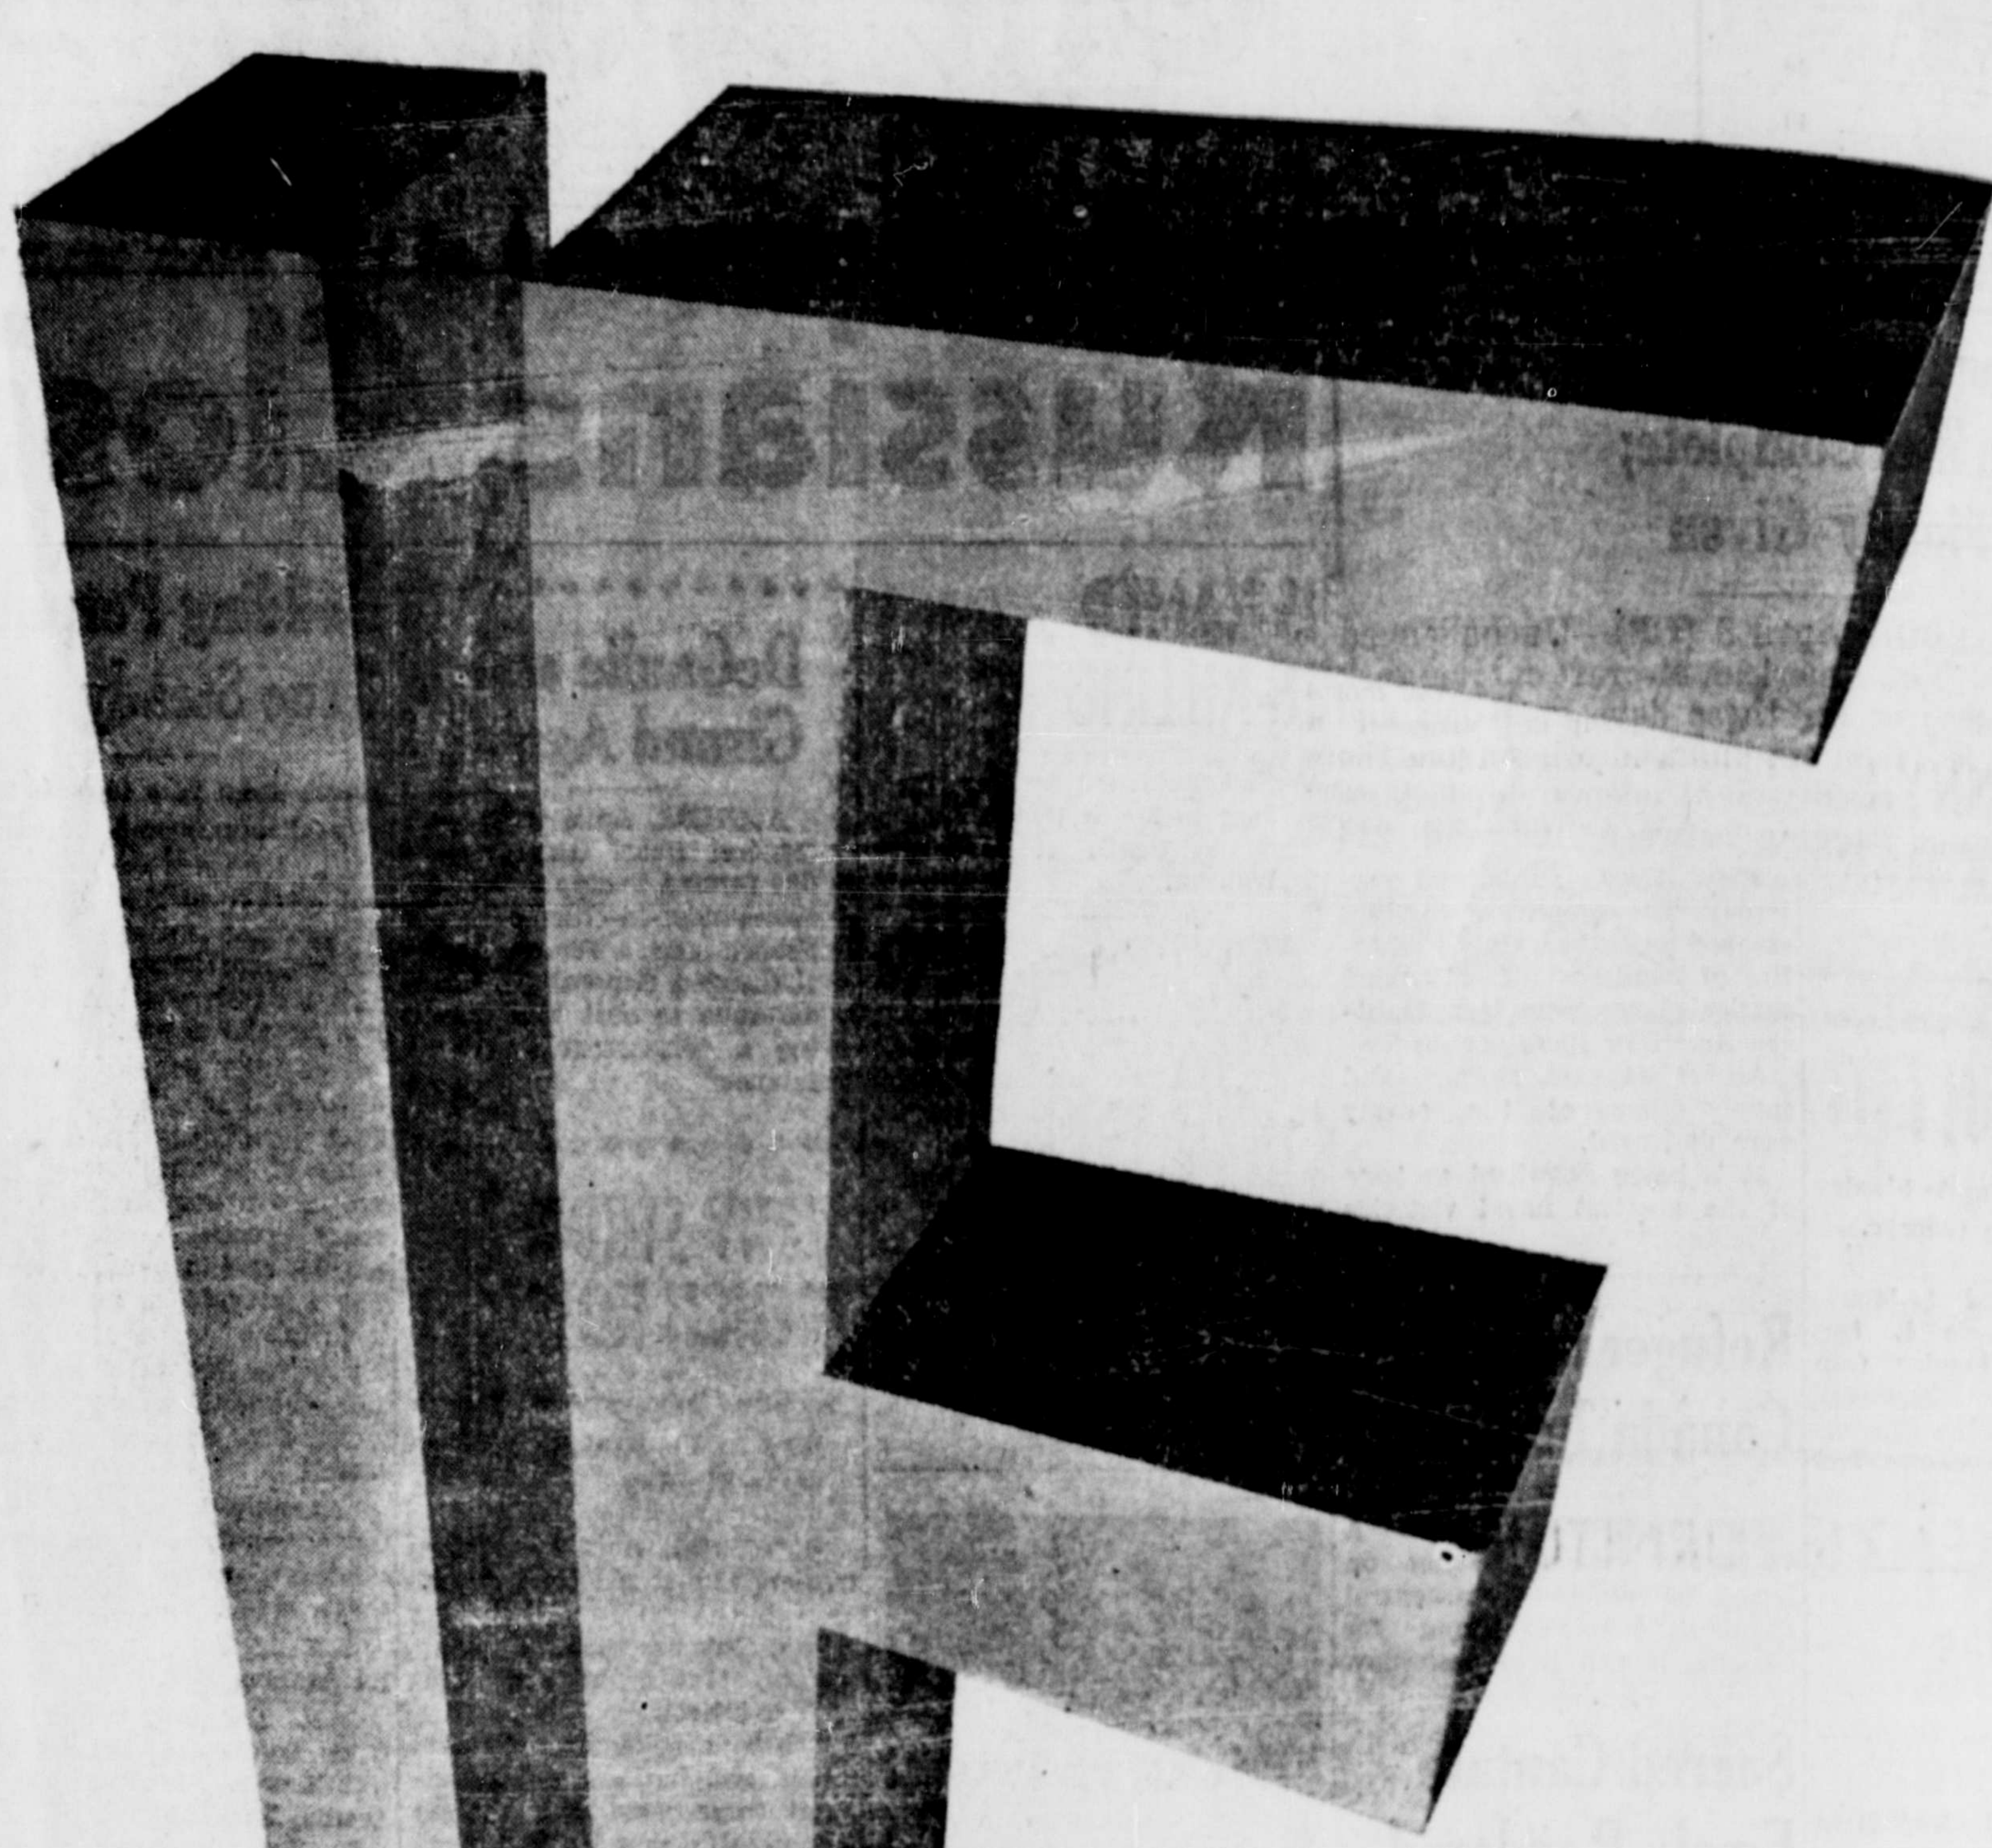

The bride who was formerly employed in the port statistical office in Prince Rupert, left for the south about three weeks ago.

### Service for Bert Carlson

The funeral of Bert Carlson, who passed away on Monday, was held on Wednesday afternoon at 2 o'clock from the Grenville Court chapel of the B.C. Undertakers, the Rev. Magnus Anderson officiating.

Friends of the deceased, who was well known as a longshoreman here for the past six years, attended the service Mrs. J. C. Gilker presided at the organ. Pallbearers were W. Pifford, E. Thompson, S. V. Cox, L. Ryan, R. R. Moore, and F. Sullivan.

Mrs. R. M. Burnett left Thursday night on a trip to Vancouver.

### On Parade...

1st (Reserve) Bn. Prince Rupert Regt. (M.G.)

Information has been received that the annual training camp of the Battalion will be held at Gordon Head, Victoria from July 30 to August 13, both dates inclusive. As other Reserve Army Units will be in camp at the same time, a great deal of interesting combined training should result. The annual camp of a Reserve Army Unit is looked upon as the highlight of its training year. A Battalion, by sharing the joys and sorrows of Army life together for 15 days, becomes instead of a number of individuals a compact body with a pride of Regiment. For those members of the Reserve Army who have not before attended a camp, the experience will be one of many happy memories and there is no doubt that it will form a topic of conversation in the canteen for many weeks afterwards. The Prince Rupert Regiment is at present an untried regiment, but there is no doubt that the men from the North will give a good account of themselves in any company.

The Unit gained one more member during the week in the person of Charles Klein.

There have been five promotions this week, all of A Coy. A/Cpl. J. G. Smith to A/Sgt., Cpl. E. A. Janze to Cpl. (A/Sgt.), Pte. G. C. Soames to A/Cpl., Pte. F. O. Bird to A/Cpl. and Pte. W. Holland to A/Cpl.

Response for the First Aid Classes held by Dr. Large has been poor. Ten recruits are needed. Classes will be held every Tuesday night and the instruction received will qualify the members to write for Industrial First Aid Certificates. Enrolment takes place any week night at the barracks except Saturday.

### Two Choices-- Way of Sin, Way of God

At Confirmation Service in St. Paul's Church, Pastor M. B. Anderson used as his text, Gal. 5:16-25 choosing "Which way will you now take?" as his theme. He reminded his class that a choice will always be before them. "This will be a momentous choice, for it will determine your ultimate destiny. You can take one of two ways—the way of the Flesh or the way of the Spirit. Along the road of the Flesh, we find the cities of sin. They are inviting, especially to the youth. It's a crowded road, Sin is so camouflaged today as to appear harmless. It is not easy to turn back once you are on the way.

"The road of the Spirit is where Christ is Lord. Here the crowds are small, but the reward for faithfulness is eternal peace with God."

In closing his message the pastor called upon the capacity audience to respond silently, if not audibly, as the questions of allegiance to Christ were asked each of the confirmands.

Following the individual vows of each member of the class and Holy Communion, the class sang the hymn, "Have Thine Own Way Lord." The order of confirmation was completed with the presentation of a beautiful booklet and a leather bound New Testament to each member of the class bearing the individual's name on its cover.

Jack Unwin, son of Mr. and Mrs. J. E. Unwin, who is in Britain with the Canadian forces, has sent home some interesting snapshots including one which was personally posed for him by the famous General Bernard Montgomery.

We are sorry to announce that the Regiment has lost the services of Second Lieut. Dave Borland. Dave, as an old soldier of the last war, joined up when the Unit was first formed and has since then given much of his time and energy towards furthering the interests of the Reserve Army in Prince Rupert. Thanks Dave and don't forget to look us up some evening in the Drill Hall.

Last Sunday a number of tight-lipped, grim-faced officers in attitudes of uneasy expectancy, wearing the style of dress which a benign government have decreed a soldier must wear when facing the enemies of his country, could be seen in the Armoury. An examining Board of Officers in the practical examinations for captains (R.C.A.M.C.) and lieutenants (Machine Gun) was sitting. Although the official results have not yet been received, we have hopes that congratulations will be due Capt. R. G. Large, Lieut. Charlie Toombs, Second Lieuts. Jim Norrington, Weldon McAfee, Dooly Delidal, Harold Ponder, Tommy Brown, Bill Manson, and Herman Engelcke. One old soldier remarked: "They didn't do this sort of thing to us in the last war."

By the way, who was the officer that gave the command "At the left, on the form, halt squad."

A radio has kindly been donated by Harold Ponder for use in the canteen.

**Job's Daughters Meeting is Held**

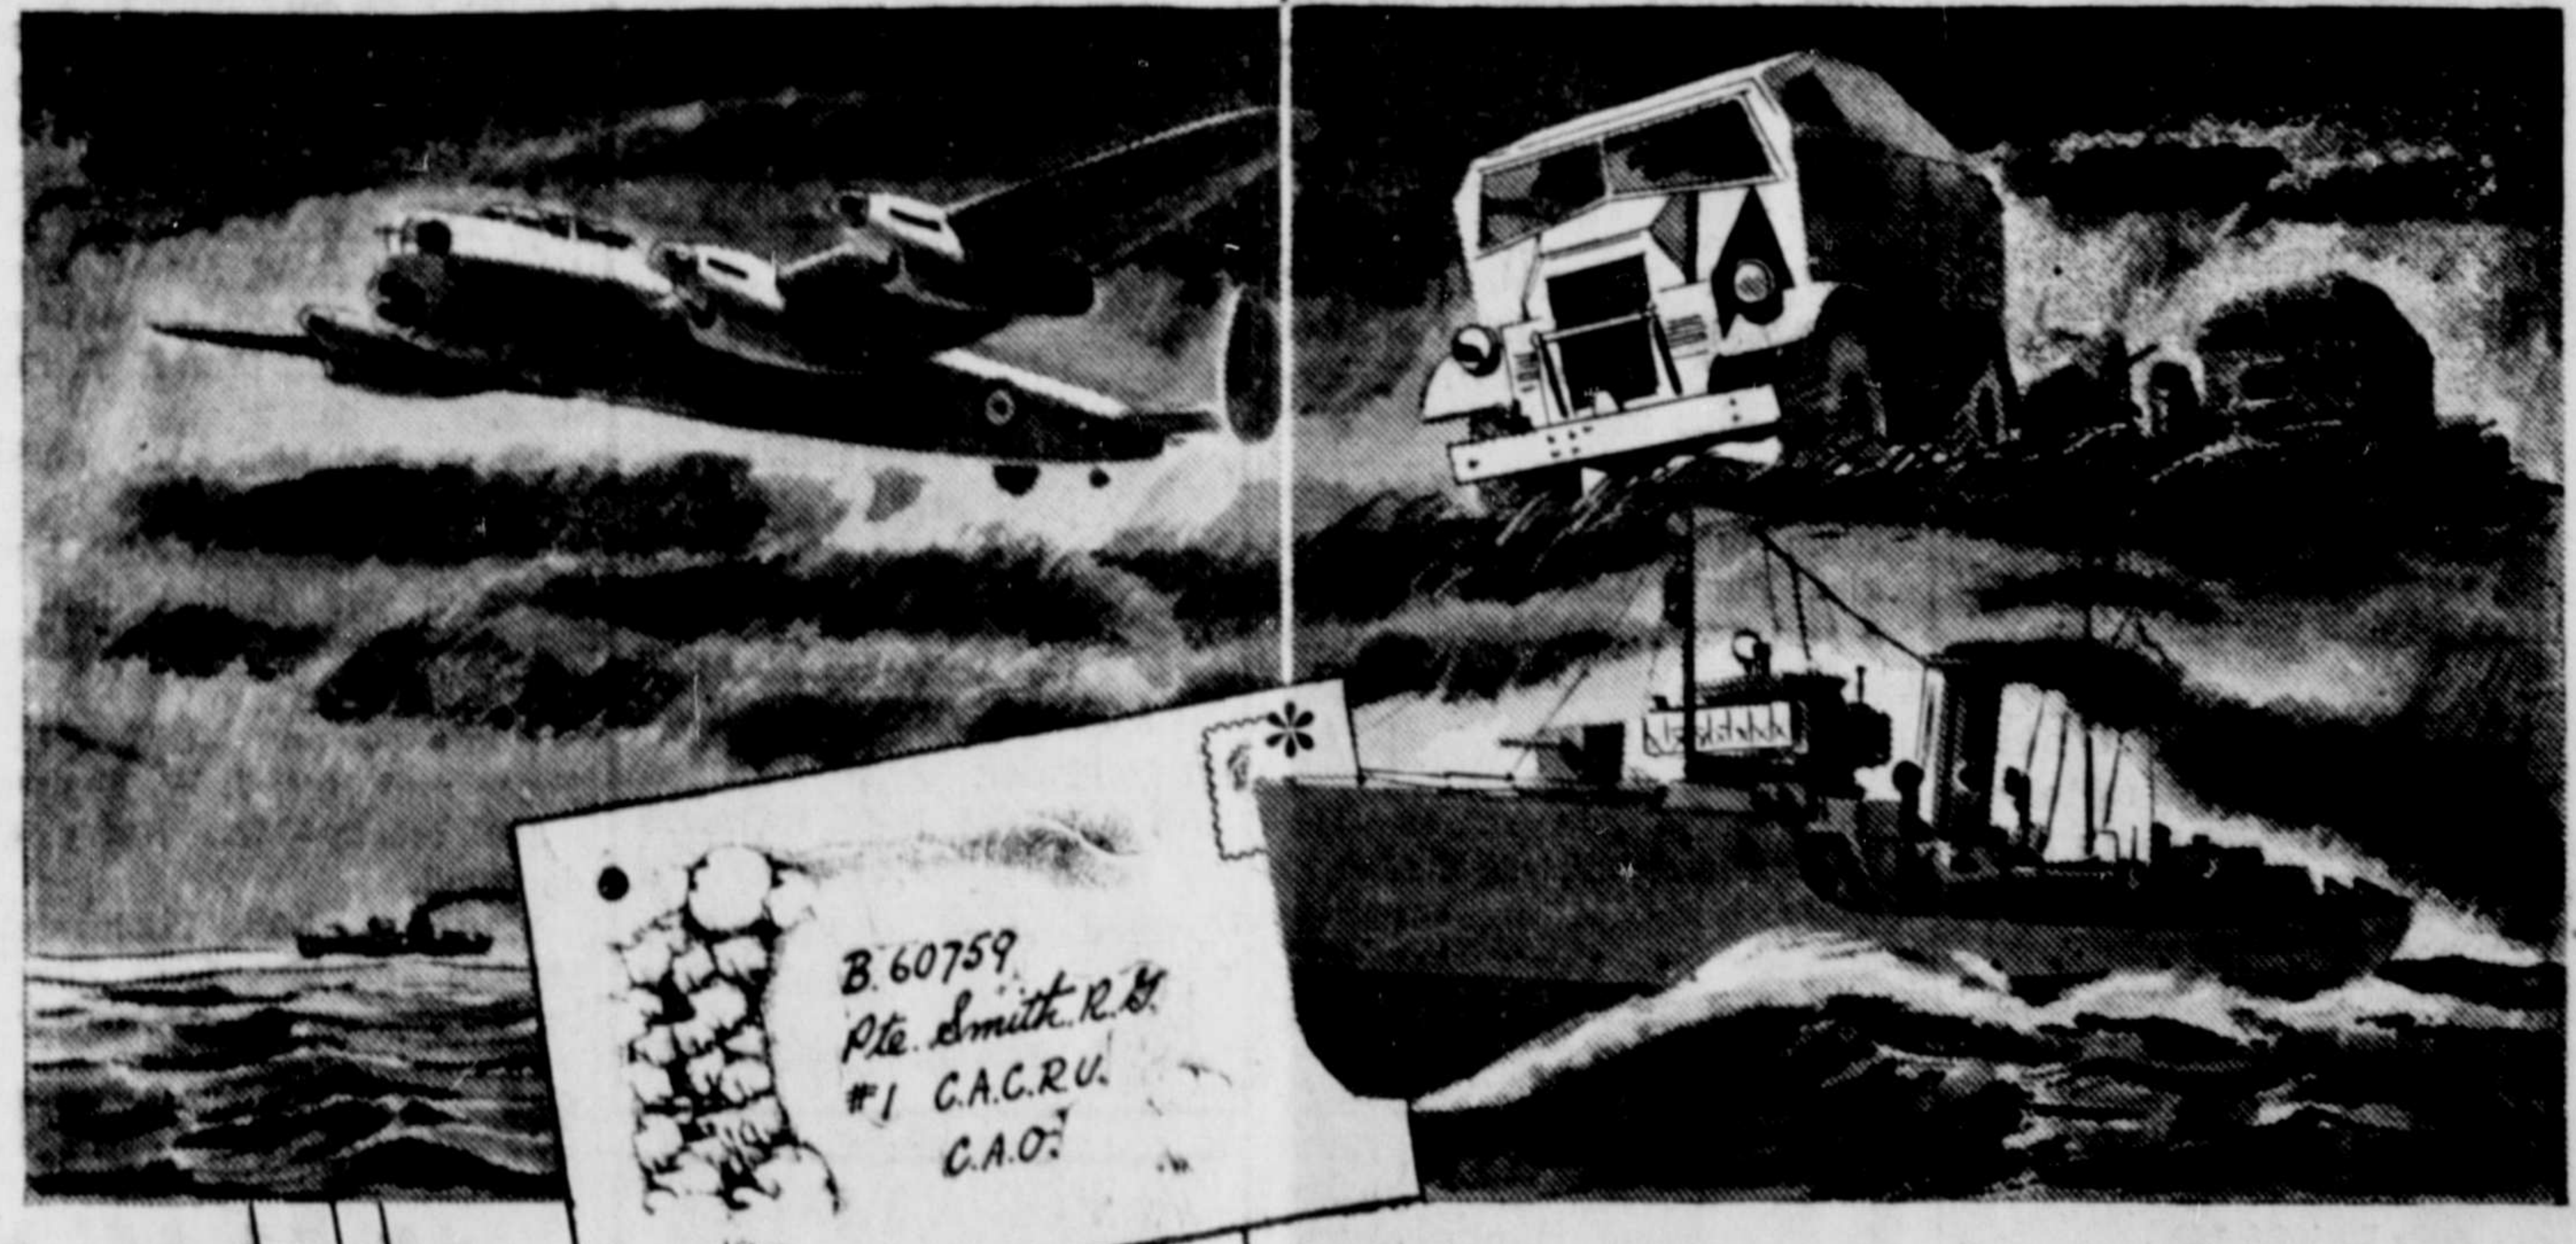

Parents and friends were in  
attendance in good numbers  
again last night when the local  
bethel of Job's Daughters had  
another of its happy meetings.  
The feature of the evening's  
ritualistic proceedings was the  
impressive initiation of two new  
candidates. During the refresh-  
ment period which followed  
there were vocal solos by Miss  
Bonnie Perkins and Miss Joan  
Langridge and piano solos by  
Miss Monica Holtby.

**ADDRESSES ON THE MOVE... IN SPIITE OF ALL WAR HAZARDS**  
**31,500,000 LETTERS REACHED YOUR MEN OVERSEAS LAST YEAR**

DO you remember the "Change of Address" form which  
you filled out when you moved your civilian home? After  
that was filed at your local Post Office, every letter sent to your  
old address had to be redirected to the new one, and that went  
on until your correspondents were familiar with your new  
location.  
Probably you didn't move very often, but each time you  
did, the Post Office gave redirectory service. And if you will  
think about that for a moment, you will begin to see what a  
stupendous task confronts the Canadian Postal Corps in han-  
dling the military mails, when thousands of men are being  
moved almost daily!  
Yet, in spite of the need of tracing men from reinforcement  
units to their locations on fighting fronts... in spite of the  
need of tracing them through hospitalization... or while  
on leave... when their unit is moved... in spite of delays  
in air mail service caused by adverse flying conditions... of  
delays in surface transportation caused by enemy action...

in spite of every war hazard you can think of... your Post  
Office and the Canadian Postal Corps delivered 31,500,000  
letters to men overseas in 1943!  
It is inevitable that, in tracing men who have been moved,  
or wounded, some delays occur. It is inevitable that enemy  
action holds up delivery in some cases. But everything that  
human ingenuity and effort can do to give you a service that  
means speedier delivery of the letters your men are waiting  
for, is being well and thoroughly done, and will be done. New  
methods of speeding mail deliveries are being put into effect,  
new possibilities are being studied. Think of your own friends  
who have been posted to new locations overseas, and realize  
the task of tracing them when their mail arrives at their former  
address!  
You can help your Post Office and the Canadian Postal  
Corps to give even better service if you will take a moment to  
make sure that your mail is correctly prepared. Do these simple  
things...

1. Always be sure each letter or parcel (properly packed) is fully and correctly addressed.
2. Use light-weight paper for regular Air Mail, or use the Armed Forces Air Letter Forms. Airgraph letters take a little longer because they must be processed in Canada and overseas.
3. To men in hospital, mark your letter "In Hospital", if you are advised to this effect.
4. Never put into parcels perishable food, or any substance that can be damaged by extremes of temperature.

## ENTERTAINMENT IS COLORFUL

"Broadway Rhythm" is Week-  
end Feature Coming to Cap-  
itol Theatre.

"Broadway Rhythm," techni-  
color film at the Capitol The-  
atre this week-end, is a gay and  
tuneful musical, chock-full of  
entertainment to please every-  
one. Ginny Simms, long a sing-  
ing favorite of the airwaves,  
makes her debut as an actress  
revealing a pretty face and fig-  
ure and a sparkling personality  
for the screen and she is team-  
ed with the popular dancing  
star, George Murphy.

Murphy is cast as a member  
of a famous theatrical family  
and is a successful Broadway  
producer. He retires his father  
Charles Winninger, and does his  
best to keep his kid sister  
Gloria De Haven, in school de-  
spite her yearning for the stage.  
Ginny Simms, playing a Holly-  
wood movie star, comes to New  
York searching for a play to  
give her a new shot of the pre-  
stige she needs so badly. At first  
she is interested in Murphy's  
play but later turns it down be-  
cause she does not believe it  
will be a hit. This is the oppor-  
tunity Winninger has been wait-  
ing for. He dusts off one of  
Murphy's old scripts and joins  
forces with Miss Simms to pro-  
duce it in a summer theatre  
venture.

When Murphy finds out what  
is going on he becomes estran-  
ged from his father and his  
romance with Miss Simms is nip-  
ped in the bud. Things go badly  
for both productions until Ginny  
takes matters into her own  
hands and patches up the  
breach between Murphy and his  
father and a Broadway hit is  
introduced to a cheering first  
night audience.

Tommy Dorsey and his or-  
chestra are spotted prominen-  
ly in the film by doing several  
numbers.

ACTIVITIES OF  
Y.M.C.A. and Y.W.C.A.  
(By DOROTHY GARBUTT)

The Service Wives' Club met  
Thursday at the home of Mrs.  
Valen. Nine members and six  
children were present. The raf-  
fle, donated by Mrs. Fosolan, was  
won by Mrs. Billinger. Mrs.  
Strand and Mrs. Sargent served  
tea. It was decided that the  
members should sell tickets for  
the Army Show "Cinderella" at  
Orme's Drug Store during the  
week and the following days  
were taken:  
Monday, April 10, 2 to 5 p.m.,  
Mrs. Gomez; Monday, April 10,  
7 to 9 p.m., Mrs. Valen; Tues-  
day, April 11, 7 to 9 p.m., Mrs.  
Cooper; Wednesday, April 12, 7  
to 9 p.m., Mrs. Duke; Thursday,  
April 13, 2 to 5 p.m., Mrs. Living-  
stone; Thursday, April 13, 7 to  
9 p.m., Mrs. Billinger.

The Army boys and girls have  
done a lot of strenuous rehers-  
ing on this show and I know  
that anyone who buys a ticket is  
assured of a grand evening's en-  
tertainment.

And now for the final para-  
graph in Professor Parkinson's  
article on post war conditions as  
given in the YMCA Study Group  
booklet "Canada, the War and  
After."

6. It is almost universally  
admitted that our Dominion,  
provincial and municipal gov-  
ernments should embark upon a  
broad program of social wel-  
fare. This means that they will  
be required to do those things  
that the whole community needs  
if everyone is to have an assur-  
ed minimum of decent living.  
It means more public health ser-  
vices, unemployment insurance,

vocational training, more  
educational services, more  
health insurance, perhaps  
family allowances to ease the  
burden of raising families,  
school lunches, better ex-  
panded provision for  
assistance and other such  
fare activities.

7. Public works of all  
kinds will have been neglected  
during the war and will need  
to be repaired and new projects  
to be undertaken. The  
countries will need to repair  
and rebuild their ruined  
We may be lucky enough  
to escape their plight but we  
do with more and better  
the modernizing of railways,  
railway equipment, more  
schools and hospitals. We  
to provide all farmers with  
tricity and to give them  
roads. In Canada there  
urgent need for means  
conserve our natural re-  
specially the forest, to  
new economic areas by  
transportation, to irri-  
dry areas and to control  
in others. Most of these  
prises are necessarily com-  
or public works. All  
are recognized as the  
bility of the government  
were needed today to  
the war they would be  
taken. Canadians of all  
of opinion seem agreed  
such necessary enterpris-  
wide scopes for employ-  
after the war. Indeed, the  
mittee on reconstruction  
pointed by the govern-  
Canada, has recently  
mended bodies of Canada  
begin now to prepare a  
serve" of Public Works  
which can be put into  
whenever any threat of  
employment appears.
