New Allied Offensive In Normandy

Concerted Drive on Caen Now Under Way With Good Advances Gained

Bombers, Artillery, Tanks and Infantry Combine for Move Into Strategic Town — Heart of Place is Already Entered.

SHAEF, July 8 (CP) — British and Canadian forces, attacking on a seven-mile front north and west of Caen, had advanced an average depth of a mile by noon today. After a great air bombardment by 450 Royal Air Force planes yesterday, Allied artillery, tanks and infantry opened up a new offensive against Caen and six key defence points on the north of the strategic town were soon taken. One report was that British and Canadian forces had advanced half a mile into the heart of the town.

Later came an official announcement that British tanks and bayonets had spearheaded the powerful new offensive against Caen, smashing to within half a mile of that German anchor in Normandy today. Six towns fell to the British Canadian forces which broke through the crust of Caen's major outer defences.

Simultaneously American offensives captured St. Jean de Daye in the centre of the Normandy front and won nine square miles of hard fought ground near the western hinge of the Nazi defence line at La Haye du Puits.

General Bernard Montgomery sent his offensive forward before dawn under blasting artillery barrage and planes, cracking through lines termed by headquarters as being more heavily held than any attacked so far in this war.

A British staff officer said today that the offensive is going very satisfactorily.

Nazi Ships Being Sunk

LONDON, July 8 — Sinking of two large transports, one large tanker and a medium-sized supply ship and seven smaller vessels by British submarines announced by the Admiralty. All sinkings were in the Mediterranean.

Old Timers In Reunion

Luncheon, Coronation and Dance Feature Lakes District Celebration

BURNS LAKE, July 8—Some 200 old timers and their many friends gathered in reunion at the Community Hall at Burns Lake on Monday of this week. Representatives from every part of the district were present. There was a full program to mark the occasion.

A sumptuous luncheon was served at the huge tables which ran the full length of the commodious hall. The cooking was handled by a real old timer, Ed. Blackwell, assisted by Max Gebhart and a bevy of waitresses from the families of the earliest settlers, convened by Mrs. Emma Zeilke. Andy Ruddy was in the chair with his customary diplomacy and speeches were necessarily short. Barney Mulvany, as toast master, showed an intimate acquaintance with all the visitors and ran through a long list with considerable dispatch in order not to interfere with the program of the Young Rangers who had sponsored the event under the direction of Bill Saunders. Many were necessarily overlooked. The following members and their families were toasted amid the cheers of the diners and many spectators.

G. I. Culp, J. H. Henkel, Archie Neil, Mrs. McInnes and their daughter Vera, the first white child born in the North Bulkley Valley; Johnny Keefe and family with special mention of the absent ones, Frank and Emma, and of Marion and Virginia who are serving with the forces, the Morgan family, descendants of the famous "Buccaneer" with a special toast to Lulu (Mrs. Bob Beaver) who was the first white child born at Ootsa Lake, her mother riding in over the Bella Coola trail when it was at its worst.

Harold Bennett and his brothers, Cis and Frank, Jim Nevan, a real old timer who came in with Colley on his first survey and located one of the finest farms in the Grassy Plains region.

Bulletins

WALLACE AT EDMONTON — Vice-President Henry Wallace of the United States, enroute home after nearly six weeks in China, Siberia and Russia on a fact-finding mission for President Roosevelt, stopped off in Edmonton for two-and-a-half hours yesterday.

SERIOUS EPIDEMICS — TORONTO—Two serious epidemics are reported from far northern Ontario. Thirty-six have died of septic throat at Eskimo Point and 62 of whooping cough at Moose Lake, it is reported.

FIRE SITUATION GRAVE — VANCOUVER—A grave forest fire situation exists in British Columbia today and special warnings are issued by the Forest Branch. The hazard is greater than in years and may become worse.

Sheriff M. M. Stephens left on last evening's train for a brief trip to Smithers on official duties.

Many People Leave London

LONDON, July 8—Fifteen thousand school children were removed from London today, making a total of 90,000 to leave during the week. Arrangements have been made to remove people at the rate of 15,000 per day.

Quebec Town Is Wiped Out

VAL D'OR, Quebec, July 8 — The Northern Quebec forest fire situation is somewhat less tense with hopes expressed at the Cadillac mining centre that fires there which caused mass evacuation might be under control by tomorrow. The town of Pascalis, with a population of six hundred, was evacuated as flames ate their way into wooden dwellings, wiping the village out.

CIRCUS DEATH TOLL UP

HARTFORD—The death toll as a result of the circus fire here Thursday has risen to 146. Five officials of the circus company have been released on bail.

NEW PARTY IS FAVORED

KELOWNA, July 8 — At the annual meeting of South Okanagan Progressive Conservative Association held in Kelowna it was unanimously resolved that the association go on record as expressing its approval of the formation of a new provincial party or organization to support the present provincial government, that the executive be authorized to take such steps as from time to time they may deem advisable to accomplish this purpose and that the activities of the member for South Okanagan, W. A. C. Bennett, in this respect, be approved.

CANADIAN ACE'S CHALLENGE

LONDON — Wing Commander Johnny Johnson, Canadian ace, has challenged a German ace to a personal duel. The enemy ace is said to have 100 planes to his credit.

RAID WAS SUCCESS

Not Single United States Plane Lost in Latest Attack on Japanese Homeland

WASHINGTON, D.C., July 7 — Aerial task forces of super-fortresses, which smashed at the great Japanese naval base of Sasebo, industrial targets of To-bata and the steel centre of Yawata, all returned safely to their base in China without the loss of a single plane.

The successful attack on the Japanese homeland, announced in air force communiques at Washington, was apparently still in progress when announced and a second communique was issued after all planes had returned safely.

The same force also attacked two objectives in Japanese-occupied China including Hankow.

CRITICAL MILITARY SITUATION MAKING NAZI CHIEFS CONFER

AT THE GERMAN FRONTIER, July 8 (CP)—Germany's military leaders have been holding most serious discussions with Adolf Hitler on the Reich's critical military situation and a complete revision of defence plans may be made before the end of the month.

The conferences began early this week and are comparable with the Kaiser's famous Grand Council in August of 1918 when it was decided the war could not be won but that all was not yet lost and bitter fighting might yet bring acceptable peace.

POLICE FINES HIT \$2700 PEAK IN JUNE

Total Was Highest to be Recorded in Many Years

From the standpoint of the offender, it is not only crime that does not pay, but misdemeanors as well, in these stern times. This bromide is amply testified to by the record of police court fines for June when 94 misled citizens paid a retributive \$2,722 by order of the magistrate.

That \$2,722 item, incidentally, represents the highest fine collection shown on the Daily News records which go as far back as 1931. In May the magistrate garnered in \$2,535, setting a record which held its high

place for only a month before being dwarfed by the soaring June edifice.

Plainly the magistrate "threw the book" harder in June than he did in May. With four fewer paying customers he reaped \$187 more in fines. He also collected \$8.75 in costs.

The magistrate heard 100 cases last month, six of which he dismissed.

So far this year the court has collected \$11,397 in fines. This is almost \$4,000 ahead of last year's six-month total of \$7,610. Indeed, it is only \$209 short of the 1943 total to September.

Russians Are Entering Baltic States

Red Army Tide Goes Unchecked by Nazis

Wilno in State of Siege and Uprisings Break Out in Many Parts of Lithuania—Battlefront 350 Miles Long.

LONDON, July 8 (CP)—A state of siege exists in Wilno and there are uprisings in many parts of Lithuania as the Russians fight their way closer to the gateway of the Baltic States and sweep steadily west along the 350-mile central battlefront. The Germans are said to be throwing fresh reserves into the

fighting for Wilno but even reinforcements failed to stem the Russian tide. More than 250 more places have been taken by Soviet forces. East Prussia is the immediate objective.

The German High Command today announced abandonment of Baranowicz in old Poland, nearly midway between Berlin and Moscow and said that the Soviet forces, farther north, were fighting on the outskirts of Wil-

no, 100 miles from the east Prussian border. East Prussia is in Germany proper and it was reported that Joseph Stalin said he would be there in five days.

Baranowicz is a stronghold on the main rail and highway route and its fall would open the way for drives on Moscow. Its fall would also breach the secondary Nazi defence line.

WAR NEWS

AIR WAR UNDIMINISHED

LONDON—About 500 American bombers pounded flying bomb launching sites and other targets in France today after thunderous night operations in which Royal Air Force heavies ripped railway and a huge robot bomb target in the Paris area. The robot bombers were over southern England in intensified attack last night but many were shot down before reaching their objectives. The Law Courts have moved underground.

GREEKS ARE SLAUGHTERED

ISEMIR, Turkey—Copies of a Greek puppet government communique said that the Nazis on June 10 slaughtered more than 1,000 residents of the Greek village of Distomo in cold-blooded reprisal comparable to that carried out in the Czechoslovak town of Lidice.

GREAT CHINESE COMEBACK

CHUNGKING—In their dramatic come-back, the Chinese have smashed through the encirclement ring around Hengyang in Hunan Province and have surrounded the Japanese east, west and south of the city. The counter-thrusts have removed for some time at least the threat of complete Japanese occupation of the Peiping-Hankow-Canton railway. Chinese in the Salween River offensive in the Burma area has driven to within one mile of the eastern wall of Tengchong, main objective of the campaign and principal Japanese Yunnan Province base. Other Chinese, 50 miles southeast of that area, attacked the secondary Japanese base of Lungling.

RESISTANCE IN ITALY

ROME—Nazi resistance against the Allied advance northward in Italy has not stopped progress from being made although it is slower. Two important towns have been taken south of Leghorn by the Fifth Army and the Eighth Army is now within 23 miles of Florence.

Being Held In Street Shooting

VANCOUVER, July 7 — Alex Rusan is still being held, for questioning in connection with the street gunfight here yesterday when two sisters, Mrs. Jack Preston and Mrs. Laura Rusan, were fatally shot. No charge has been laid.

Centre Carnival...

The annual Civic Centre Carnival, which has now become an institution in Prince Rupert, commences Monday and continues throughout the week. The grounds on Seventh Street between Second and Third Avenues will be a popular mecca for makers of entertainment and pleasure which will be found in large measure.

Part of the pleasure which may be derived from a visit to the Carnival, there is also the more important consideration of the very worthy project of support of which it is staged — that is to say, funds for the local civic centre which is now being frantically raised.

Due to the success of past carnivals, the Civic Centre Association now has on hand some \$60,000, fully invested in Victory Bonds where it will be until it can be put to use towards actually building the civic centre. The association is now making every effort to complete plans for the erection of a swimming pool to adjoin the Y.M.C.A. war building now in the course of construction which is expected to be turned over for use as a centre after the war.

All means, therefore, the Daily News commends the big carnival next week to the support of all people not so much from the standpoint of a good show but in view of the cause which it supports.

We have remarked before, it should be a maturation that, in connection with this carnival, the annual Fall Fair idea is again being resurrected to be hoped that this is just the start of a series of exhibitions which will eventually culminate in the holding in Prince Rupert of exhibitions like which many years ago were of great interest and value to the community.

Get Word of Ambulance

The long awaited city ambulance will come off the makers' assembly line on July 10, according to word received by City Clerk H. D. Thain. However, that does not mean that it is complete or will come directly to Prince Rupert.

The eastern Canadian makers are fabricating only the chassis, the body will be made in Vancouver. How long the latter operation will require is not known.

Security consciousness is the grandest feeling... just to know you really do know something really important but only you know it and only you will ever know it.

The location at which a recruit finds herself on completion of training depends on the need at that particular time for replacements of active service soldiers.

C.W.A.C. personnel actually relieve active service soldiers for combat duty overseas. They are posted to a unit and are carried on strength of that unit, filling a job that makes it possible to release an active service soldier.

The C.W.A.C. in a particular area are administered as a company, have their own quarters and mess hall, and are responsible for their own officers for discipline. Rates of pay vary with the rank a girl may attain but those employed at trades

receive exactly the same trades pay as the men—25, 50 or 75 cents per day extra, depending on the trade at which she is employed.

Any girl in the smart uniform of the C.W.A.C. is of particularly high character. This is an essential qualification for enlistment and one that is rigidly adhered to.

Full particulars concerning the C.W.A.C. may be obtained at the C.W.A.C. recruiting booth at the Civic Centre, to be held here next week. There will be shown the various styles of uniforms worn by personnel of the C.W.A.C. in a parade and "fashion show," details of which will appear in this newspaper.

Sergeant Gallagher

New Westminster from

WESTMINSTER, July 8 — Staff Sergeant Frank Gallagher, aged 58, chief of a detachment of provincial police at Prince Rupert for thirty-one years, died Friday night from a traffic accident at a taxi in which Gallagher was struck by a car.

Sergeant Gallagher who was at Prince Rupert for a couple of years, had been with the provincial police in many parts of British Columbia. He went to Prince Rupert from New Westminster after having been at Kam Lake. He served with the military police in the 1st Military Police in the 1st and a brother at Langford was born in Ireland.

Chinese Situation Improves . . .

For some little time the situation in China has been one of the most disturbing factors in the general war picture. It was, therefore, most gratifying to get the good news yesterday from that theatre that the siege of Hengyan, which had been made a virtual Chinese Stalingrad, had been broken and that the Japanese forces which had by-passed that important Chinese transportation centre had been successfully thrown back, thereby preventing the enemy from gaining control of the Canton-Hankow railway line and cutting China in two.

The situation in China had been looking really serious of late but there has now been a real and definite turn in the tide there and, in this war of surprises, it is not beyond the realm of possibility that the Chinese, with what aid the Allies may be able to give, may now go on to further success in the campaign to liberate the long and brave fighting nation from the Nipponese aggressor.

Details of troop movements and war industry can be cleverly pieced together by the enemy and provide a mass of useful information to him. Deny him this advantage. Remember Security!

CIVIC CENTRE ASS'N SET-UP

The Civic Centre Association of Prince Rupert was incorporated under the Societies Act on March 24, 1942. Its first objective is to furnish facilities for the amusement, entertainment and instruction of the citizens of Prince Rupert. Any person may become a member upon payment of the \$1 annual membership fee which entitles one to vote and to hold office in the Association. A membership fee of 25c per year applies to students without the privilege of voting.

The annual general meeting is held on the third Thursday in January of each year.

The constitution requires there be ten directors—two each from the four local service clubs who formed the original Civic Centre Committee and two appointed by the citizens. The citizens' representatives must not be members of any of the other organizations represented. All directors must be of the full age of 21.

The present directors are as follows: Citizens' representatives—Robert Gordon, Mrs. N. E. Arnold, Gyro Club—Dr. R. G. Large, William Stone. Rotary Club—A. S. Nickerson, D. C. Stevenson (treasurer), Junior Chamber of Commerce—T. N. Youngs (president), C. G. Ham (secretary). Sons of Norway—Oscar Haveroy, Gunnar Selvig.

Prince George Man Honored

VANCOUVER, July 8 — T. P. (Percy) Swift, special agent, investigation department, Canadian National Railways, Prince George, was highly honored at a ceremony held at the C.N.R. station here Tuesday afternoon. Mr. Swift, police sergeant for 15 years until his promotion to Prince George, last January, made hundreds of friends during his service in this city.

In the presence of a large company of fellow workers, many of whom had received first aid instruction from him, Mr. Swift was presented with a commendatory vote of thanks by the St. John Ambulance Association. The parchment, a beautiful piece of work and signed "Athlone, Knight Commander," was from the Venerable Order of St. John of Jerusalem, commandery in Canada, and recorded the special thanks of His Excellency, the Knight Commander of the Commandery in Canada, for valuable assistance in furthering the work of the order. Few persons are singled out for such recognition.

J. B. Scott, assistant director of investigation, C.N.R., Western Region, Winnipeg, presented the framed parchment to Mr. Swift and paid tribute to the good work he had performed for 16 years in the interests of first aid. Others who spoke briefly were Jack Cook, regional supervisor of first aid, C.N.R., Winnipeg, now conducting classes in this district; O. J. Wheatley, inspector of investigation; J. Knight, special agent, and Sgt. D. Geddes, Vancouver.

Vancouver Girl Seaman's Bride

A quiet but pretty wedding took place last evening in the presence of a few friends of the contracting parties at First Presbyterian Church, when Miss Sharon Ruth Thomas, daughter of Mr. and Mrs. W. L. Thomas, 974 West 21st Avenue, Vancouver, became the bride of Able Seaman Stewart Nisbet, Prince Rupert.

The bride was given in marriage by D. W. Haywood and attended by Miss Hilary Graves. The groomsmen were PO. Bernard Forsyth, and the ceremony was conducted by Rev. A. F. MacSween. The groom's home is at New Westminster but the young couple plan to make their home here for the present and will have the good wishes of the community.

Two Cedarvale Men Go Active

Two young Cedarvale men have "gone active" this week, and are leaving on Monday night for the Vancouver Army reception centre. They are Raymond Harvey McBride, 18, who has been a truck driver for the Northern Construction Company, and Herbert Frederick Burke, 19, who has been working at Telkwa. The parents of both men live in Cedarvale.

ACTIVITIES OF Y.M.C.A. and Y.W.C.A. (By Dorothy Garbutt)

It's far more fun to see a show after you've been in on the rehearsal beforehand—you have a fellow feeling with the cast, sympathize with their troubles and so on. There are lights to be adjusted, ropes to go up and down endlessly and curtains to be hooked on little rows of hooks. And chairs to be set in place and rows of them—all in a line and as precise as a group of rockettes. Over in one corner two girls are pirouetting in practice routine, in another several are reading letters, their first mail from home in days. Officers are in a huddle over some matter of importance—we hope—the drummer, in this case Nicky Korn, and the clarinet are having a jam session all by themselves—and all seems confusion, words confounded. But it is only a "seeping" for, when the curtain goes up on the evening's performance, everything is in order and the jigsaw puzzle of the afternoon has resolved itself into a neat and ordered pattern of entertainment.

There are twenty-seven members in the Army Show now playing here, fourteen of them appearing on the stage. Eight C.W.A.C.s lend rhythm and grace to the singing and dancing numbers—a comedienne of no mean talents, two comedians a comic team well-matched to feed each other their lines, a singer in the Sinatra manner and two men who are effective in the prologue to the Egyptian number.

The whole idea of the show which is not built along the usual concert party lines with a master of ceremonies and individual acts, is that of two soldiers who are on embarkation leave. Wanting to pass the time as pleasantly and as profitably as possible they consult a gypsy fortune teller who by means of her magic crystal wafers them to far off lands.

The first stop on the magic carpet circuit is back home when Private Red looks in on his wife who is trying to hire a private detective to find out just how he has been behaving. This proves to be somewhat of a boomerang as, incidentally, he discovers that his worried (?) wife has been stepping out with a Petty Officer, Latour by name. Recovering from this shock they find themselves in an Italian garden, complete with the modest statuary peculiar to Italian gardens and yards of marble fencing. Here lovely girls in delicate formal frocks dance and sing for them. Next station on this Ottawa to Omdurum route is by way of a detour to Hollywood where a statuesque model in abbreviated Mae West costume sings songs of the Mauve Decade. Then just for contrast

the troupe's Sinatra comes on and even the gypsy fortune teller goes into a dead faint while the boys out front in the audience had masses of fun swooning, sighing and reacting in the established manner. Going directly north by northwest they are surprisingly enough in Russia—a Russian of soul seared peasants and not a balalaika in sight. The two wandering sad-sacks are overcome by the intense Russian winter and to get some warmth into their bones the gypsy turns on the heat and out come all sorts of dancing girls until the atmosphere is suffocating but satisfying. North Africa is their final destination, at El Alamein the night of the big push. Here desert dancing girls, whose costumes were vaguely reminiscent of "The Merry Wives of Windsor," danced with a full complement of exotic wriggles. Altogether an embarkation leave to be envied!

The three stars of the show are the comic team of Red Reid and Jack Kelly and Private Margaret Cross of the C.W.A.C.'s. They have continued dialogue and keep it up at a good pace throughout the show. From 1940 to 1942 Red was in a troupe concert party called "Ritzin' the Blitz." This was volunteer evening work while he filled in his spare moments working for the army, driving trucks and little things like that during the day while Jack has done a lot of radio work over the CBC.

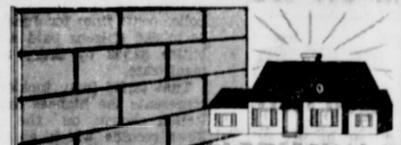

The idea of the show was created by Captain Romney Brent—he of the London stage

and cinema and BBC—the continuity and dialogue by the Reid-Kelly duo. Dances were created by Sorel of Toronto and Bob Farnon (Captain of the famous CBC "Happy" comedy music. The Unit Number Six of the Shows, the other five units in England and the Maccan area the same show saw here in Prince Rupert little over a year ago. It was by the applause the show more than enthusiastically received. Commander Cree led the troupe for their efforts and gave them some of the Navy's appreciation.

The show "About Face 1944" continues at the Navy Hall until the middle of the week, giving all service personnel in the area an opportunity of seeing it.

Members of the cast and extra are as follows: Girls—Bergeat Beatty, assistant stage manager, Private E. Beatty, T. H. Bishop, E. C. Bell, J. E. Gordon, B. C. Z. Hawley, M. M. Leonard, Tebbis, M. Leger, M. Cross, Men—Sgt. W. Reid, P. Kelly, Sgt. L. A. Clark (manager), Col. F. R. Davey, Lea, Pte. Hardesser, G. E. (technical men), Orchestra leader, Pte. Townley, Pte. N. Korn, Pte. Barber, Ptes. T. F. And J. Cringan, G. DeGagne, Hughes, A. L. Villeneuve, B. Johnston, Officer Commanding Unit, 6. Lieut. Tommy Mason.

LOCAL GIRL IS MARRIED

Miss Lucille Brooksbank is Bride of Harry Lipsett II.
The chapel of Christ Church Cathedral in Vancouver at 1 o'clock this Wednesday afternoon was the scene of the marriage of Lucille Florence Brooksbank, a graduate of the University of Washington and daughter of Mr. and Mrs. Arthur Brooksbank of Prince Rupert, to Edward Lipsett II, son of Mrs. Lipsett and the late Harry P. Lipsett of Vancouver. The bride was born in Prince Rupert and for some years identified with the Daily News staff. The groom lived here as a young boy.
Wearing a turquoise blue sheer wool bolero suit with navy accessories, the bride carried a white prayer book in white-gloved hands. Gardenias and rosebuds were in her shoulder bouquet.
Miss Evelyne Hansen of Tacoma, was maid of honor, and wore a yellow wool suit with white accents and corsage of gardenias and sweet peas. The bride's brother, William Brooksbank, was best man.
The ceremony was followed by a wedding luncheon in Hotel Vancouver.
On returning from a Vancouver Island wedding trip Mr. and Mrs. Lipsett will make their home at 1335 West Fifteenth Avenue. Later they expect to visit Prince Rupert.

Whifflets From The Waterfront

For the second time this season more than a million pounds of halibut were unloaded at this port during a week when totals were computed between June 30 and July 6. Between those dates 1,081,000 pounds were brought in by 46 boats. Of this, 599,000 was landed by 36 Canadian boats, and 482,000 by 10 Canadian boats. Heaviest load brought to port last week was 55,000 by the American boat McKinley. Largest single Canadian catch was 40,000 brought in by the Bessie Mac. Since the season's start 5,160,800 pounds of halibut have been unloaded here. A breakdown shows that 3,792,300 pounds has been from Canadian boats and 1,368,500 from Canadian boats.

WE TAKE PLEASURE in joining the other merchants of this city in endorsing the Civic Centre Carnival

THE EVENING EMPIRE

History of the Civic Centre...

The Civic Centre Idea is not a new one for Prince Rupert. As far back as 1924 a movement was started to erect a Y.M.C.A. building. Prominent in this endeavour were two local service clubs—Gyro and Rotary—and a number of other organizations interested themselves in the idea. However, conditions were not favorable at that time to the project and it petered out.

The need has greatly increased since then and at various times organizations have taken an active interest in sponsoring the Civic Centre project in one form or another. The actual movement for its construction has been under way for some years, originated by the Gyro Club and joined by the Rotary Club, Junior Chamber of Commerce and the Sons of Norway. A great deal of preliminary work has been done and plans drawn up to meet the particular local requirements from time to time. Funds have been consistently increased as a result of carnivals, public canvasses, voluntary contributions and subscriptions and these have been carefully conserved (at present in the form of Victory Bonds) for the day when the Civic Centre becomes an actuality.

For many years the governing body was simply a joint committee composed of appointed members from each of the Associations or Clubs interested. Actual incorporation of the Civic Centre Association of Prince Rupert did not take place until March of 1942. Anyone may become a member and is entitled to take part in the Association.

Consideration has been given to various angles of the civic centre project, relative costs, construction and operating, revenue sources and other details being covered

by committees appointed for this purpose. As a result of these investigations and also taking into account the opinions expressed by the public in the various money raising efforts of past years the executive of the Association is committed to first obtain a Community Centre building, to be used for gymnasium, basketball, dancing and other recreational pursuits and, secondly, to the construction of a swimming pool.

Had the war not interfered it is more than likely that the first of these objectives would have been attained two or three years ago but construction for civilian needs became impossible. Now the outlook is indeed much brighter with the Dominion Government constructing a Y.M.C.A. war services building with an agreement to turn this over to the Civic Centre Association at the end of hostilities. Not only does this building promise to meet the needs of the Association but it is on a far bigger and better scale than we had dreamed of heretofore.

We can now turn our attention to the second consideration, namely the swimming pool and the executive is busy at present on this project, waiting meanwhile for the approval of the Department of Munitions and Supply to obtain the necessary material.

This undertaking is one in which every citizen, man and woman and child can take an active part and the Association likes to feel that the citizens of Prince Rupert are 100 per cent behind the project for the betterment of recreational life of our city. Your support of the Civic Centre Carnival and Northern B.C. Agricultural Association fair is your opportunity to show your interest in this undertaking.

Acropolis and Second Coast Win Softball

Two unearned runs gave Acropolis Hill a 2 to 0 victory over Port Edward in a close softball game last night on the formers' grounds. The winners made only three hits to the losers' seven. Acropolis countered their markers on three walks and an error. There was just one other miscue in the encounter to mar an airtight pitchers' battle between Moore of the winners and Kuntz of the losers.

Score by innings:
Port Edward 000 00 0-2
Acropolis 020 000 x-2
Batteries: Kuntz and Wagner; Moore and Gilbert.

COAST REGIMENT BEATS GARRISON

Second Coast Regiment defeated the Garrison officers in another tight game last night, 3 to 2, at Gyro Park.

Score by innings:
Officers 110 000 0-2
2nd Coast 300 000 x-3
Batteries: Hannah and Shaw; Fraser, Humphries and Jamieson, Duke.

On Thursday night Port Edward barely managed to defeat First Coast Regiment, 5 to 4, in a Service Softball League tilt. On the same evening First Ack-Acks defeated Ordnance, 11 to 3.

OLD TIMERS (Continued from page 1)

gion which show the effect of forty years of hard work, Mrs. Wm. Clark whose husband, the late Billy Clark, came in to the Bulkeley Valley in 1899, Bob Nelson and family of Wistaria, Jimmy Brewer, Silver Kelly, the well known construction freighter, Charley D. Haven, at the mention of whose name an ovation was given by the "whole crowd," Tom Allen of Colleymount, the Cassidys of the same place, Bill Harrison and his sons, their wives and children, Shorty Matson the bull-puncher, the Jeffrey family of Francois Lake, The Petersons of Francois and the Uncha Valley.

The toast to Sam Cocker, the irrepressible politician from the Nechako brought all the diners to their feet and caused Mike Tuohy, the Walt Whitman of the interior, to break into impromptu verse "He spoke about construction days with easy, fluent grace, and history and politics each had a separate place." Mike responded to the toast in his honor with a brief speech and a recitation dedicated to Catalan and the trail packers who blazed the trail from the Cariboo Road to various points in Central and Northern B. C. which was well received.

The announcement that the Young Rangers parade was about to start prevented anything but brief mention being made of many of the old pioneers who were unable to be present but they were not forgotten.
