NEGOTIATING FOR JAP SURRENDER

'Miss Prince George' Wins Beauty Girl For Ca

Dainty Brunette Georgina Patterson Winner of District Final in 'Miss America' Contest

When dainty, smiling brunette Georgina Patterson, 19-year-old Prince George-born daughter of ex-Mayor A. M. Patterson of the interior city, won the call of the judges and the hearts of thousands of spectators at the Civic Centre Carnival last night, 'Miss Prince George' became 'Miss Northern British Columbia' and captured the honor of representing all of Canada at the 'Miss America' beauty contest which will take place in Atlantic City early in September. She will travel by air to the famous east-holiday centre to compete in the important contest and, on the way, will be feted under junior Chamber of Commerce auspices at such cities as Vancouver and Toronto.

'Miss Tweedsmuir Park,' Leading Airwoman Virginia Keefe of Francois Lake, presently serving with the Women's Division of the Royal Canadian Air Force, a semi-blonde, as beautiful and as shapely as they come, received the second choice of the judges in the district eliminations last night and is the alternative for the trip to Atlantic City should perchance Miss Patterson find it impossible to go.

It was a tense and enthusiastic crowd which gathered to witness five finalists here present themselves for the final adjudication on the stage of the Civic Centre Carnival. They appeared first in evening dress and then in bathing suits and were also required to display their talents as entertainers. It was all very colorful and charming but the judges had a perplexing time in their task of making selections on the basis of beauty of face and figure, apparent health and care of body, symmetry of figure, charm, poise and personality, talent, stage presence and voice and manner of speaking.

Miss Patterson ('Miss Prince George') appeared in a stunning black formal, Miss Keefe ('Miss Tweedsmuir Park'), Miss Iris Edlund ('Miss Omineca') and Miss Alice Fowler ('Miss Bulkeley Valley'), in varying types of white sheer and net, while Miss Lois MacLeod ('Miss Prince Rupert') wore a pretty black and white low neckline frock.

The applause of the enthusiastic crowd crescendoed proportions when, after the talent show, which in itself was a highly popular entertainment, the girls appeared in bathing suits to more fully display their pulchritude of face and figure.

In the talent contest, 'Miss Prince George,' with a team singing and dancing number, won deafening rounds of applause from the big crowd. Singing 'The Sheik of Araby' with winning effect, she went into a tap on the same theme and then waltzed gracefully with a naval partner, Leading Steward 'Dusty' Miller, and a soldier accompanist, Lance Cpl. Donny Douglas, concluding the turn with a lively jitterbug.

'Miss Tweedsmuir Park,' as her talent offering, played a piano solo.

Another presentation was that of the local Prince George beauty contest cup, donated by C. McPhee, to 'Miss Prince George.'

'Miss Prince Rupert' (Lois MacLeod) and the runners-up in the local contest—Miss Doris Morgan and Miss Gwen Pestcott—were also called to the stage to be presented with checks.

'Miss Omineca' gave a pleasing tap and acrobatic dance.

'Miss Prince Rupert' offered a well-executed reading while 'Miss Bulkeley Valley,' sang a vocal solo.

Mrs. J. S. Black assisted with accompaniments. D. C. Stevenson acted as master of ceremonies and T. N. Youngs was announcer. Flowers were presented to each of the candidates and there

JAPS MOVE BACK INTO MANCHURIA

CHUNGKING, Aug. 11 (CP) — A Chinese army spokesman said yesterday that the Japanese were preparing to move back to Manchuria, five divisions of the Kwantung army previously sent south to strengthen north China's coastal invasion defenses.

The spokesman estimated the present Japanese strength in Manchuria at 600,000 men plus 20,000 puppet troops but declared that the puppet troops were "poorly equipped, with poor morale and likely to defect immediately."

Can Plant Resuming

VANCOUVER, Aug. 11 (CP) — Employees of the American Can Company in Vancouver voted to return to work this morning and the plant resumed operations under government control. Negotiations between union officials and the company, meanwhile, will go on towards a settlement. The workers are asking for a union shop.

VETERANS ARE T.C.A. PILOTS

Repatriates Being Absorbed In Large Numbers By TransCanada Air Lines

WINNIPEG, Aug. 11—In line with TransCanada Air Lines policy of placing veterans of the armed services in jobs wherever possible, the twelfth and largest class of 16 repatriated Royal Canadian Air Force pilots completed training at Stevenson Field, Winnipeg, becoming First Officers, it was announced today by W. F. English, T.C.A.'s vice-president.

Eleven of these men will be assigned to the domestic service and five for the Dominion government's transatlantic service which is operated by TransCanada Air Lines.

"These seasoned flying veterans know that their new jobs will not be the same as wartime flying," Mr. English said. "And they are now being given an opportunity to put knowledge gained in the R.C.A.F., together with the commercial training we have given them, to constructive development of peacetime flying."

Over 500 veterans of the armed services are now employed in the various branches of the Air Line, which represents a quarter of the entire personnel.

Among those graduated were: F/O G. E. Brown, Winnipeg, Man.; F/L E. E. Allen, D.F.C., Hamilton, Ont.; J. S. Shaw, Hespeler, Ont.; F/L R. H. Richardson, Portage la Prairie, Man.; F/L D. McCabe, D.F.C., D.F.M., Victoria, B.C.; F/L J. T. Harrison, Vancouver, B.C.; F/L D. E. Malloy, Watrous, Sask.; F/L J. A. Shane, Montreal, Que.; F/L H. E. Jones, A.F.C., Salmon Arm, B.C.; F/L A. L. Quickfall, Kindersley, Sask.; S/L H. Tilson, D.S.O., D.F.C., Regina, Sask.; F/L A. B. Freeman, D.F.C., Calgary, Alta.; F/O W. Henry, Vancouver, B.C.

VICTORIA—A provincial holiday in British Columbia will mark the day following the official receipt of Japanese surrender, it was announced today. Should the surrender be finally agreed upon before 8 a.m., the holiday would be that day. At Ottawa Prime Minister King announced last night that a federal holiday would not be declared.

POSTAL SURVEY IS BEGUN HERE

A complete survey of requirements and facilities of the city in regard to the establishment of a postal delivery service is being made by Inspector of Post Offices, F. H. Middlemiss whose findings and recommendations will be passed on to the Postmaster-General's office.

The survey probably will take a week to complete, after which Mr. Middlemiss will discuss the matter with city council before submitting his findings to Ottawa.

"Mr. Middlemiss tells me that he intends to go into the matter thoroughly," City Clerk H. D. Thain said following a conference between Mr. Middlemiss and Mayor Daggett yesterday.

Involved in putting postal delivery into effect here are such requirements as the clarification of house numbers, letter slots in houses, and the posting of signs at intersections.

ELECTION DEFERRED

VANCOUVER—Reports from Ottawa today quoted Premier Hart as saying that the British Columbia election "might be held in the spring." The Premier said that sudden end of war in the Pacific had changed the decision.

UGANDA BACK

ESQUIMALT, B. C.—The cruiser Uganda is back in Canadian water after five months in the Pacific. The Uganda, under the command of Capt. E. R. Mainguy of Duncan, B.C., sailed into Esquimalt yesterday for semi-annual repairs and crew replacements. Five hundred men of the crew of the 8,800-ton warship declined to volunteer for Pacific service. They were already in the Pacific when the government announced its plans to send only volunteers to the Far East. The Uganda will return to the British Pacific fleet for more action if the war is not over by the time she is re-fitted and re-crewed.

END DUE SOON

OTTAWA — Prime Minister Mackenzie King told the Dominion-Provincial conference yesterday that the end of the war with Japan might come "suddenly at any moment."

NEW YORK UNEXCITED

NEW YORK—New York manifested little excitement over the Japanese offer of surrender. Small groups gathered across from the White House in Washington. London was more enthusiastic and there were great traffic jams.

ROAD BETTER THAN STREETS

Dudley Little, prominent Terrace sawmill operator, has little complaint to make about the condition of the road between here and Terrace over which he drove into town and back this week for a brief business visit. "In fact," he commented, "I found it much better than I had expected after hearing so much adverse comment about it. It is certainly a whole lot better than the Prince Rupert streets, anyway." Mr. Little was accompanied home by his wife and child.

'MISS TWEEDSMUIR PARK'—Leading Airwoman Virginia Keefe of Burns Lake received second choice of the judges in the 'Miss America' beauty contest eliminations here last night. She was also one of the strong favorites with the big crowd. Daughter of Mr. and Mrs. J. H. Keefe, pioneers of Francois Lake, Virginia was born at Hazelton 20 years ago. She received much of her education at Prince George where she matriculated, later taking a business course. Now she is an accountant with the Women's Division of the Royal Canadian Air Force. Stationed at Vancouver, she is at present home on leave. She is alternate to Miss Georgina Patterson should the latter be unable to make the trip to Atlantic City as 'Miss Northern British Columbia.'

Plans For 'V-J' Day

Arrangements Completed For Observance of War's Final End Here

Plans for the celebration of V-J Day by the civilian population of Prince Rupert were laid at a meeting this morning presided over by Mayor Daggett and representatives of 27 organizations, in the City Hall.

The services all have their own plans for celebrations made so the city will hold their programs on the officially declared day.

A thanksgiving service will take place in the morning at 10 o'clock at the cenotaph or the YMCA, and a ball game will be played on Acropolis Hill in the afternoon.

A parade will form up at the Court House at 6:30 p.m. where flags will be distributed to school children. All citizens are invited to take part in the procession and it is hoped that decorated bicycles will be included. Floats will be entered in the parade by various firms and a prize will be awarded for the best one.

Later in the evening a street dance will be held near the post office and a bon fire will be built at a point still to be designated.

Five committees were appointed at the meeting and these are as follows:

Finance—L. N. Felsenthal, Oscar Haveroy and W. H. Brett.

Bon fire—Fire Chief Lock, O. A. Morse and Alex Mitchell.

Parade—T. B. Black, N. M. Carter, Maurice Brydges and J. A. Teng.

Dance—W. A. Jarman, Mrs. Rothwell, Mrs. Hanley, Mrs. Love, Mrs. H. Smith, jr., and P. A. Bond.

Workmen today are stringing colored lights across Third Avenue in preparation for the parade.

"We hope to have a real victory parade in which every organization in the city, including lodges, clubs, unions, schools and business firms will take an enthusiastic part," Mayor Daggett said yesterday.

Mayor Daggett instituted a committee Thursday afternoon as nucleus for a victory day celebration which will include Thanksgiving services.

TRAVEL JAM LOOKED FOR

Increasingly heavy demands on the western lines of the Canadian National Railways now that the Pacific war is near an end were forecast by Osborne Scott, C.N.R. passenger traffic manager, Winnipeg, in an interview with The News yesterday.

"The situation regarding sleeping car accommodations is bad now," remarked Mr. Scott. "But it's bound to get worse before it gets better as far as civilians are concerned."

Whereas the number of sleepers on each eastbound train formerly was three, only one is operated now, he went on. Very heavy troop movements on United States lines have caused the Americans to use Canadian railways where possible and this will be greatly felt when troops from the Alaskan Command start returning home in large numbers.

Mr. Scott was accompanied by a party including R. K. Mellon, Ligonier, Penn., a director of Pennsylvania Railways, and Mrs. Mellon; Robert S. Waters, of Johnstown, Penn., president of the National Radiator Company, and Dr. R. Rockwell, Jamesville, Va., who is connected with the New York Museum of Natural History.

Mr. Mellon and Mr. Waters left yesterday on the Princess Louise for game hunting at Wrangell, while Dr. Rockwell, who fashions models of wild life, is going farther north. Last night Mr. Scott left Prince Rupert on the train and will inspect various points on his way back to Winnipeg.

Allies Agreed on Terms of Reply to Appeal for Peace

Allies Agreeable to Accepting Proposal to Preserve Hirohito Providing He Is Kept Under Full Subjection

WASHINGTON, D.C., Aug. 11 (CP) — Great Britain, the United States, Russia and China have reached agreement today on a reply to Japan's surrender offer. Replying to Japan through the Swiss government, Secretary of State Byrnes said the United States would accept the enemy's proposal if the Emperor is made subject to the supreme Allied commander's orders and added that his statement also represented the viewpoints of the United Kingdom, Russia and China. Another condition of the acceptance is that a government in Japan is to be ultimately established in accordance with the "freely expressed will of the Japanese people."

This language, apparently, did not offer any assurance of a permanent continuation of the "Sun God" throne, something on which the Japanese people themselves will have the last say.

The note said: "The Emperor will be required to authorize and secure the signature of the government of Japan and Japanese Imperial general headquarters of surrender terms necessary to carry out the Potsdam declarations."

"The Japanese shall immediately upon surrender transport war prisoners and civilian interests to places of safety as directed."

"The armed forces of the Allied powers will remain in Japan until the purpose set forth in the Potsdam declaration is achieved."

Widespread expectation is that the war with Japan will be over in a relatively few days and that the Japanese, fully realizing their defeat, will surrender unconditionally in line with the terms of the Potsdam ultimatum.

An American will be named supreme Allied commander-in-chief to receive the Japanese surrender. It may be General Douglas MacArthur and Admiral Chester Nimitz or, possibly, someone else since they hold equality of command in the Pacific.

Battling in Manchuria continued in full tilt today and the Moscow radio said: "Just as Russia cleared the world of Hitler Fascism, she intends to clear Asia of Asiatic Fascism and Japanese aggression."

Russian forces are smashing through Japanese Manchuria in a steam-roller drive that is reminiscent of the magnificent Soviet push to Berlin. The Red armies are pouring across the Manchurian frontier along a 2,000-mile front. The Russians have smashed a full 106 miles into Manchuria — and this reported advance took place only up until the Soviet had been in the war for forty-eight hours.

Tokyo admits that the Red armies have driven into Korea and the Japanese half of the Island of Sakhalin.

Homeand Is Given Respite The Anglo-American fleet is giving Japan a respite today after heavy strikes over Thursday and Friday. Carrier planes destroyed or damaged at least 500 enemy planes on northern Honshu during the two-day series of strikes. The Twentieth

Standard Set LONDON (CP)—A report by the education committee of London County Council says that there is not a school in London which will not be out of date under proposed regulations by the former minister of education prescribing standards for school premises.

But Controller Cottrelle Has No Announcement to Make At Present Time

TORONTO, Aug. 11 (CP)—Oil Controller Cottrelle says it is impossible to say at the moment how long it will be after Japan's surrender before the unrestricted sale of gasoline and oil will be permitted. Mr. Cottrelle says that a definite statement can't be made until the official end of the war.

Earlier, an Ottawa official declared that it is reasonable to assume that the end of the war with Japan will bring an immediate release in the gasoline ration.

Air Forces Superfortress bombers are also grounded today. There will be no more Superfort attacks until word comes about the Allied reaction to the Japanese peace offer. This is the first announcement of relaxation of any Allied force.

World Waits Tensely . . .

The world is still waiting. It is nearly thirty-six hours since the Allies were electrified by news that the Japanese had offered to surrender. Since then the peace offer has been under consideration by the leaders

of the Allies. Secret messages have flashed back and forth across the oceans. One conference has followed another. Acceptance cannot be long in coming—but so far there is no official word as to when the offer will be formally accepted and an armistice declared.

The difficulty seemed to be the Japanese proviso that Emperor Hirohito be left on his throne if the country surrenders. It is understood that the British feel that Hirohito should be left where he is to prevent post-war chaos while opinion is divided in the United States. China wants the Jap Emperor tried as a war criminal while Russia remains silent on her position.

INTERIOR GIRLS HONORED GUESTS

With Queen of Carnival at American Corporals' Club Dance Thursday

The colorful Circus Room was given an added touch of glamor Thursday night when the American Corporals' Club played host to "Miss Bulkley Valley" and "Miss Tweedsmuir Park," two of the bathing beauty con-

testants representing the interior, and Miss Beatrice Didrickson, attractive telephone operator of the sub-port, who was crowned Queen of the Civic Centre Carnival last evening.

The three girls were seated at a special table with their guests. Adorning the table was a floral decoration of sweet-peas arranged by Cpl. Walter Roberts, club steward. Included among their guests were S/Sgt. Bob Elston, Cpl. Bob Martin, E. A. Garner, T. Crawley and others.

During the course of the evening the guests of honor were introduced to club members and their guests by Cpl. Douglas Sweeney, president of the club, and were enthusiastically received.

Landings of 525,000 pounds of halibut this week raised 10,722,000 pounds the total of halibut brought to this port this season. Canadian landings have been 7,657,500 pounds, while the fish brought by American boats was 3,064,500. Last week's totals were 332,000 pounds Canadian and 193,000 pounds American. Twelve boats brought in this week's catch, the largest being landed by the American vessel Linde, with 70,000 pounds. The Dollina II brought in 64,900.

The ss Princess Louise arrived in port Friday northbound for Alaska with 170 passengers aboard, all but four bound for Alaska ports. Those for Prince Rupert were F. R. Clents, L. Knox, Mrs. E. A. Mitchell and B. Shannon.

In connection with removal of Ripple Rock, Seymour Narrows, it is announced that the drill barge will move into position over the rock on August 15. Operations will commence 10 a.m. and it is expected to have all lines attached by 2 p.m. During this time it will be necessary to close the Narrows to shipping. When the barge is at anchor in the Narrows it will

show two red balls, one above the other in a vertical line and at night time two red lights in a vertical line six feet apart. An electrically operated fog bell will give five strokes with two seconds interval every minute.

Carnival Jottings...

One of the disappointments of the Carnival was the lack of interest shown by boys of the town in the bicycle races. Excellent cash prizes were offered but, in spite of the fact that there are hundreds of boys in the city with bicycles, there were no entries. Those who had planned and made arrangements for the race felt it was not much use listen-

Crowning of Princess Beatrice Didrickson as Queen of the 1945 Civic Centre Carnival at 8 o'clock last night was one of the climactic moments of the annual week of celebration and a high point in the life of the pretty, 19-year-old "sovereign."

At the coronation ceremony held before a crowd of 1,500 in the Carnival pavilion, Mayor Daggett placed the jeweled crown on the head of the lovely Junior Chamber of Commerce candidate whose sale of ticket votes made her eligible for the signal honor. Then His Worship handed Queen Beatrice the carved mace. "I present to you this symbol of your authority. May you wield it with justice and with full knowledge of your authority," the Mayor said.

NEW HAZELTON Hon. E. T. Kenney, minister of lands and forests, visited New Hazelton Wednesday during the course of a tour through the province. After calling on numerous friends he proceeded to Terrace, where he rested before returning to Victoria.

The Queen was preceded by her maids of honor, Miss Evelyn Bussey, wearing white slipper satin with crinoline waist and net skirt with satin band. Miss Ruth Giske, in turquoise blue taffeta with blue net skirt, and Miss Lillian Knutson, wearing tea rose slipper satin, embroidered with sequins and with net skirt.

Leading the procession were two small crown and sceptre bearers, Joe Scott, jr., carrying the crown on a purple velvet cushion, while John Lambie carried by Carol Elkins and Shirra Halliday, tiny flower girls in Holliday, tiny flower girls in white-taffeta dresses and carrying nosegays of complementary colored blooms. Train-bearers were Shirley Williams and Marilyn Armstrong. The coronation party began its procession in automobiles at the Court House and, paced by the naval band of H.M.C.S. Chatham and a 22-man guard of honor from the Soo Suds regiment, it entered the grounds by the Third Avenue gate, passing

between the throng in the Carnival grounds. At the conclusion of the ceremony, the party left by the Second Avenue gate. Princess Beatrice returned to the grounds later in the evening to officially open the coronation ball. Following the coronation, the regalia party visited the Capitol Theatre to be presented on the stage by Manager Harry Black. During the evening they were also pleasantly entertained at the U.S.O. FORTRESS WINS OVER BATTERY

A nine-run burst in the fifth inning gave Fortress a 14 to 2 victory over Eleventh Battery in a softball game last night at Gyro Park. The win gave Fortress undisputed possession of second place in the Area Senior Softball League.

The winners sewed up the game in the fifth when Red Gefucia tripled with two on and Tom Urquhart homered with the bases loaded to put Fortress ahead, 9-0.

Urquhart started the game on the mound and gave way to Hertzman in the sixth inning, while Rosentreter went the distance for the Battery nine.

The score by innings:
11th Battery ... 000 000 020—2
Fortress ... 020 093 00x—14

LOOKING OVER BALL LEAGUES

The major leagues featured a heavy program yesterday including a pair of twin bills. In the National League, the St. Louis Cardinals out-hit the New York Giants for a 5-2 victory while the Brooklyn Dodgers licked the Cincinnati Reds 9-4. The Boston Braves edged the Chicago Cubs 2-1 while the Philadelphia Phillies and the Pittsburgh Pirates split a doubleheader. The first game went to the Pirates 10-2 while the Phils captured the second contest 6-1.

The American League show saw a surprising 9-0 victory by the Boston Red Sox over the powerful Detroit Tigers while the New York Yankees toppled the Cleveland Indians 10-4. The Chicago White Sox lashed the Washington Senators 6-3 as the hapless Philadelphia Athletics took a double whipping from the St. Louis Browns by slim margins. The scores were 2-1 and 14-13.

The International League single game between the Syracuse Chiefs and the league-leading Montreal Royals was postponed

GYRO NINE BEATS K.C.'S

Play-off Is Necessary in Junior Softball League

Thursday night at Gyro Park the Gyro nine beat the Knights of Columbus in a thrilling Junior Softball League game in which some very excellent fielding and hitting by both teams brought applause from the spectators.

Don Scherk, pitching for the Gyros, allowed only three hits and was given very good support by his team which collected nine hits to win for Gyro. Jim McDougall, for K.C.'s, pitched good ball but the Gyros got their hits when most needed.

The line-ups:
Gyro—Sunberg, D. Scherk, A. Mostad, E. Pierce, G. Oleson, S. Scherk, J. Sharp, K. Laurie and D. Ormiston.

K.C.'s—A. Ethier, G. Meyers, G. Guysler, K. Bourgeault, B. De Jong, P. McDonald, J. McDonald, G. Sharon and M. Lesieur.

The second game scheduled between Wartime Housing and Kinsmen was not played because the Kinsmen did not field a team and Wartime Housing won by default.

Umpires for the game were C. R. Colten, balls and strikes, and R. Overguard bases.

It will be necessary to have a play-off between Gyro and Wartime Housing to determine the winner of the league. Arrangements for this will be completed shortly. Also it is expected to have a play-off for the city junior championship in the near future.

Dates of the play-off will be announced shortly.

because of rain. In the other games, the Toronto winning streak was snapped as was the Jersey City losing streak as the Little Giants pounded out an 8-5 triumph over the Leafs in Toronto. Newark and Buffalo split their doubleheader with the first victory going to the Bears 6-5 while the Bisons captured the second 8-3. Baltimore Orioles trimmed the Rochester Red Wings both ways in Rochester by scores of 4-2 and 14-3.

Here is today's schedule:
American League—Washington at Chicago, New York at Cleveland, Boston at Detroit, Philadelphia at St. Louis played previous date.

National League—Chicago at Boston, Cincinnati at Brooklyn, St. Louis at New York, Pittsburgh at Philadelphia played former date.

International League—Syracuse at Montreal (doubleheader), Newark at Buffalo, Jersey City at Toronto (doubleheader), Baltimore at Rochester played former date.
