UNITED STATES TURNS OVER LOCAL INSTALLATIONS

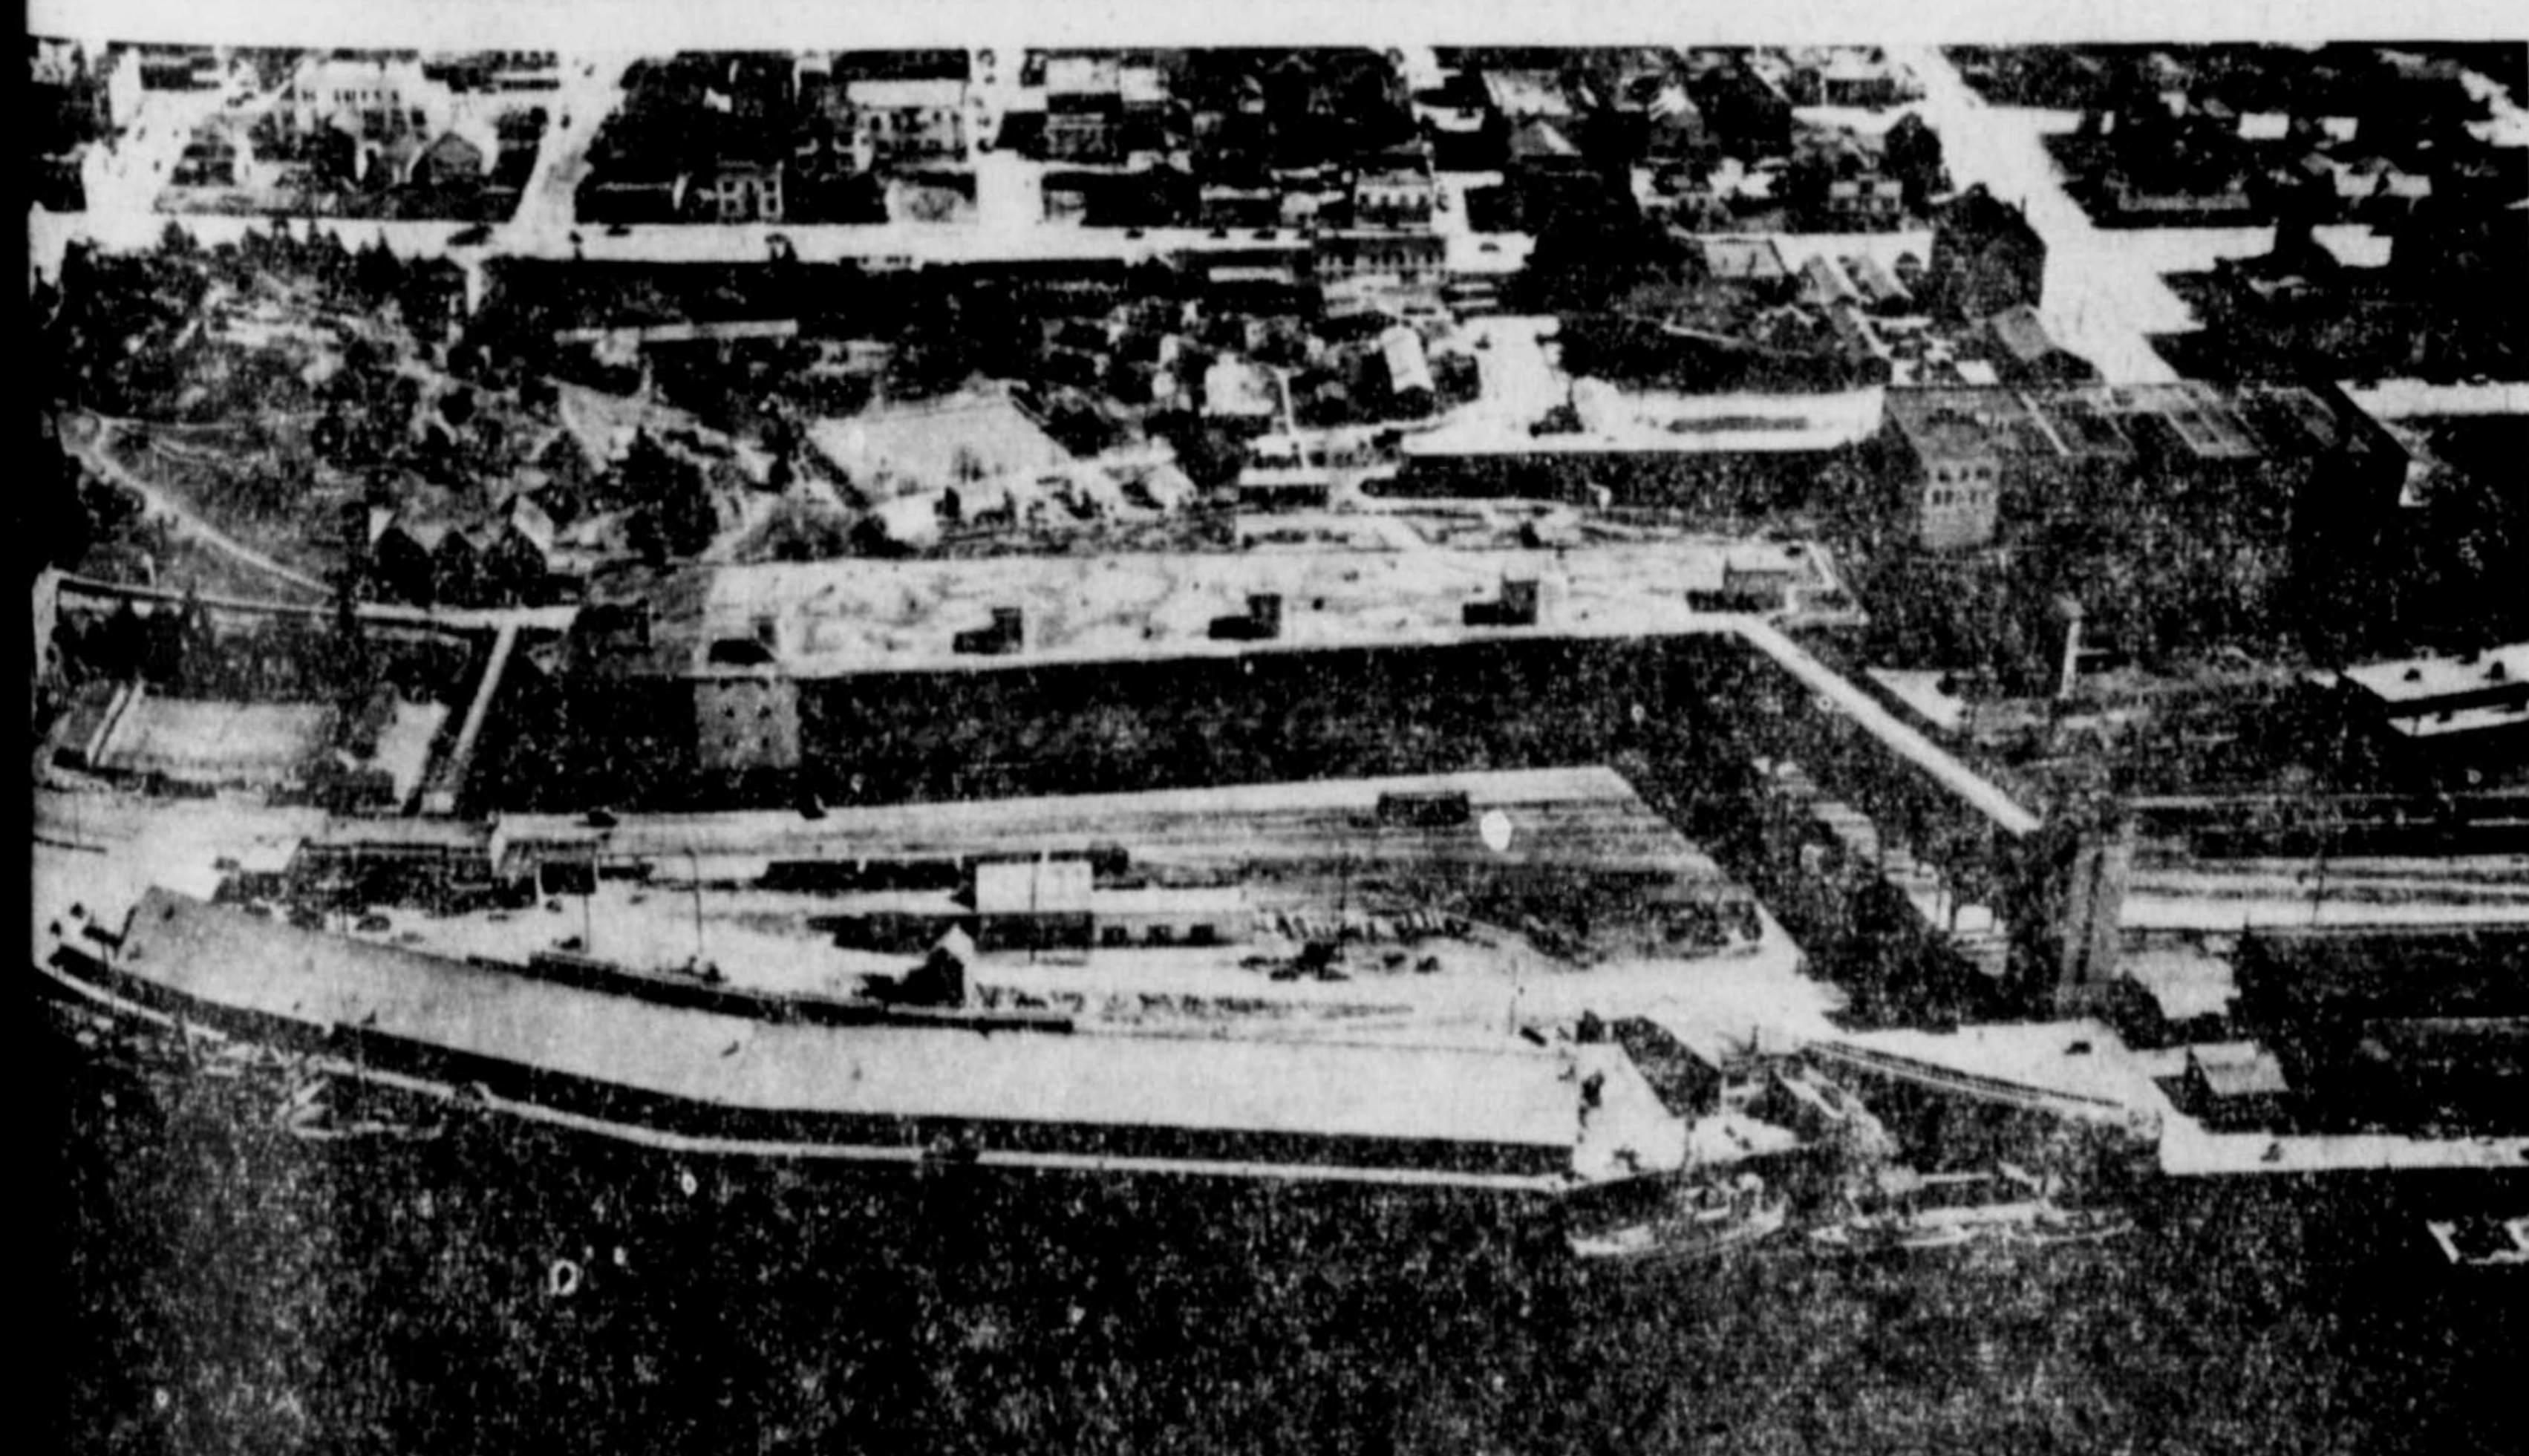

Fine Facilities of Canada's Most Strategic Pacific Port

War in the Pacific brought great development to the terminal facilities at the port of Prince Rupert which is now admirably equipped for the handling of peace-time rail and ocean shipping now that war is over. Today \$16,000,000 of installations put in by the United States here were turned over to Canada.

The first picture herewith shows the downtown section of Prince Rupert flanked by a panorama of the waterfront with the 1,250,000-bushel grain elevator in the distance. In the immediate foreground within the horseshoe street arrangement is the provincial government building, nerve centre of administration for northern and central British Columbia.

The second picture taken from the top of the grain elevator shows the extensive and well developed railway yards at Prince Rupert which have a capacity of 1200 freight cars in their total length of 10.5 miles.

The third picture shows the enormous four-storey warehouse with 400,000 square feet of storage space which was a major United States war installation at Prince Rupert and will now come into possession of the Canadian National Railways to be available for the storage and transshipment of all manner of commodities. It is directly connected by an overpass and elevators with the ocean dock.

The above picture is a view of the ocean dock. The wharf measures 660 feet in length and 173 feet wide and the warehouse is 820 feet long by 147 feet wide. The warehouse has a capacity for 350,000 cases of salmon. At the top can be seen the huge 75-ton crane, one of the largest lifting devices of its kind on the Pacific coast.

Sixteen Million Dollars Worth of Port Facilities Here Go to Dominion Gov't

Situation In China

New Attempt Being Made to Break Deadlock—Railways Are Bone of Contention

CIVIL WAR ON

CHUNGKING — An undeclared war is raging in parts of sorely-trying China. Dispatches received in Chungking say heavy fighting is taking place in Shantung, Shansi and Suiyuan provinces.

Chinese newspapers quote the governor of Shansi, General Yen Hsi-Shan, as stating that Generalissimo Chiang Kai-Shek's troops have suffered 15,000 casualties in bitter fighting around the strategic town of Changchih in south-eastern Shansi. Chinese Communist losses also are said to have been heavy.

Other dispatches tell of bitter fighting in eleven provinces, mostly in north China.

CHUNGKING, Oct. 29 — New attempts are being made by the Chinese central government to break the current deadlock in negotiations with the Chinese Communists. Chungking has appealed to the Communists to send representatives to the central capital for further talks with Chiang Kai-Shek's followers.

The Chinese minister of information, Doctor K. C. Wu, has announced the central government has proposed to maintain the status quo between the central government forces and the Communists outside the railway zones provided the Communists will refrain from interfering with the Chinese railway communications.

But the situation does not look too bright. The latest report from the China theatre comes in the form of an official communiqué issued by the Chinese Communists. This claims the Communists have captured a railroad town in southern Hopei province. If this report is correct, this would mean the Communist forces have interposed themselves directly in the path of the government troops moving towards Peiping.

Bulletins

SMITH LEADING ATLIN STEWART — W. D. Smith, Coalitionist, is leading Norman Cunningham, C.C.F., by three votes with two small polls and the soldier vote yet to be counted. The outcome is still in doubt.

ATTLEE AND TRUMAN LONDON — A report that Prime Minister Attlee may visit President Truman at Washington next month to discuss the atomic bomb and foreign policy is not confirmed.

JAPS OVER L.A. WASHINGTON — It has just been disclosed that on the night of February 25, 1942, unidentified aircraft, believed to have been Japanese, were over Los Angeles and that there was anti-aircraft fire. At the same time it was feared the Japanese might attempt to land at Seattle and elsewhere.

MAY RATION BREAD LONDON — It may be necessary to ration bread in Britain unless the stevedoring strike is ended so that flour may be moved.

POLIO IN VANCOUVER VANCOUVER — The fourteenth case of polio has broken out in Vancouver, the medical health officer announces.

Huge Amount of Prince Rupert Property Involved in Important Agreement Announced Today

OTTAWA, Oct. 29 — Port installations to the value of \$16,000,000 established by the United States at Prince Rupert during the war have been turned over to the Canadian government, it was announced here today. Both moveable and immovable installations are included under the agreement.

The port installations at Prince Rupert include a large terminal warehouse, administration building, dock extensions, giant crane and other smaller items.

The Alaska Highway, also just turned over to Canada, is covered under a separate agreement.

VICTORY LOAN MOVES AHEAD

Subscriptions For First Week Are Well Up

OTTAWA, Oct. 29 — The first week of the Ninth Victory Loan campaign saw subscriptions totalling \$500,000,000 as compared with \$432,000,000 in the first week of the Eighth Loan.

A large special names purchase on Saturday was \$30,000,000 by Sun Life Assurance Co.

B.C. - Yukon Division has reached more than \$35,000,000 — 49 percent of quota.

Reactions To Speech

Britain Generally Favorable To Truman's Utterances—Misgivings Over Atomic Bomb

The reaction to President Truman's foreign policy address was generally favorable in Britain and the rest of Europe. London newspapers hailed the speech editorially as assurance that the United States is not withdrawing from participation in world affairs.

However, some misgivings were expressed by the British press over Mr. Truman's statements regarding the atomic bomb. The Sunday Dispatch, for one, declared that Mr. Truman had made it clear that even Britain and Canada are regarded by the American government as minor participants in the creation of the new atomic bomb.

In Paris, French officials agreed with the president's general statements but they made it clear they would have liked specific statements on the American policy toward Germany or Indo-China.

There was no immediate comment forthcoming from official Ottawa circles, but high government quarters were reported to have unofficially expressed satisfaction with Truman's statements.

Mr. Truman declared that the development of the atomic bomb does not change the basic foreign policy of the United States. He said American possession of the bomb is similar to its possession of the powerful weapons, and he added that none of these constitutes a threat to any nation. He said the United States considers possession of the atomic weapon as a sacred trust.

New M.L.A.—

Bill Brett Is Really Fisherman

William Brett, Prince Rupert's member-elect for the provincial legislature, has been a resident of this city since 1919 and during the greater part of his 49 years he has been connected with the fishing industry. He has been a member of the Prince Rupert City Council since 1943.

Born in Newfoundland in 1896, Mr. Brett became engaged in fishing on leaving school. In 1915 he went overseas with the Newfoundland Royal Naval Reserve, serving across the Atlantic until 1919 when he was demobilized. He came to Prince Rupert the same year.

He entered the halibut fishery here in 1924, continuing in that occupation until 1940 when he became secretary of the Halibut Marketing Board. For several years prior to entering the employ of the Prince Rupert Fishermen's Co-operative, of which he is now general manager, Mr. Brett served on the board of directors of that organization.

He was for six years president of the Deep Sea Fishermen's Union here until his retirement from that post last year. He was also one of the organizers and the first president of the Prince Rupert Fishermen's Credit Union.

He is also a member of the board of directors of the B. C. Fishermen's Co-operative Federation and of the Pacific Coast Mutual Marine Insurance Company.

Mr. Brett has been a member of the city aldermanic board for four years and is now chairman of the finance committee. He usually serves as acting mayor when the chief magistrate is away.

STATEMENT ON PALESTINE

LONDON — Newspapers in London say Prime Minister Attlee probably will make his long-awaited statement on the Palestine question to the House of Commons on November 1. These reports also say Mr. Attlee might announce a British-American policy on future Jewish immigration to the Holy Land at the same time.

PROSPECTS FOR REPARATIONS GOOD

Mayor Encouraged After Visit of Government Committee Surveying War Damage

Mayor H. M. Daggett said this morning that prospects for a fair settlement of the city's claims for compensation for damage done to streets by the military here during the war appeared to be favorable following a quick inspection visit at the week-end by a three-man government committee.

The committee, consisting of Brigadier G. Walsh, R.C.E., of Ottawa, and Squadron Leader C. Nesbitt and Lt.-Col. M. Brown, of Vancouver, arrived here at 3:30 Saturday afternoon and left at 11:30 Sunday morning.

They saw the streets for which we are claiming damages, and their attitude appeared cooperative. Mayor Daggett said today, "I think we can expect a fair deal from Brigadier Walsh."

tion how much money would be involved in the compensation claim.

Brigadier Walsh and his party left Sunday morning to return to Vancouver by aircraft.

After a tour of the city in company with the mayor, City Engineer A. E. Phillips, City Clerk H. D. Thain and Lt.-Commander Eddy of the Navy and Major White of the Royal Canadian Engineers, the committee met the Mayor and members of the Board of Works, Alderman Rudderham, Sorenson and McKay Saturday evening, continuing their discussions.

"We have been advised to prepare a further brief on the damage and submit it to Squadron Leader Nesbitt, at Vancouver," the mayor said. "Squadron Leader Nesbitt will then come here to check on our brief before he signs its submission."

"We were very pleased with the interview."

Brigadier Walsh is scheduled to go to Edmonton soon to take over control of the Alaska highway which is going to be maintained.

Dutch-Indonesian Meet in Singapore

SINGAPORE, Oct. 29 — Well-informed sources in Singapore say they believe mediation discussions between Dutch authorities and Indonesian leaders will be held in Singapore soon, with Admiral Lord Louis Mountbatten presiding. Official sources at the Great Naval base say, however, that they have no information on such plans.

B. C. ELECTION

VANCOUVER — Outcome in Atlin and Comox seats is still in doubt and there is no change since C.C.F. strength in the British Columbia legislature was boosted to ten with the election of E. F. Rowland in Omineca. The coalition government, which was re-elected to office in Thursday's provincial election, has 35 seats in the house and Labor one. Doubtful Atlin and Comox are the two remaining seats in the 48-seat house.

way which is going to be maintained.

FRANCE OUT AFTER RHUR

Would Use Profits for Payments of German Reparations

LONDON, Oct. 29 — A French spokesman said in London that the French plan for internationalization of the Ruhr calls for the possible use of profits from the Ruhr's mines and steel mills to pay German reparations.

This is the first disclosure of details on this situation. It came after preliminary talks between French and British officials on the plan which would place the arsenal of Europe under a permanent international administration.

The French spokesman said the French mission hopes to confer with an American mission in Paris next week.

FIGHTING ON JAVA

SINGAPORE — Twenty-five hard-pressed British soldiers have been killed in fighting with the Indonesians on Java.

Canadian Cruiser Homeward Bound

HONG KONG, Oct. 29 — The Canadian cruiser Ontario has left Hong Kong, where she has been stationed for six weeks, headed for Vancouver, by way of Manila. The Ontario was the first Allied warship to pass through the Malacca Strait.

McMASTER IS ASSETS HEAD

Former Prince Rupert Man Received Important Appointment

OTTAWA, Oct. 29 — Appointment of A. E. McMaster as president of War Assets Corporation is announced. (Mr. McMaster was with the Grand Trunk Pacific Railway at Prince Rupert in the early days and later became general manager of the Powell River Co.)

Atomic Possibilities . . .

It is one thing for President Truman to say that the secret of the atomic bomb will be kept in sacred trust by the United States. It may be quite another thing, however, for United States to be actually able to retain exclusively the secret of atomic energy. There is every reason to believe that there are scientists in other parts of the world equally as learned and ingenious as those of the United States and quite as capable of discovering the secret themselves. And too, no matter how good the intentions might be, it may be just impossible to keep the original secret.

How the world is going to agree to outlaw the use of atomic energy in future warfare appears a little difficult to see but it is an ideal towards which, of course, it is essential to work.

Grim possibilities of atomic energy were suggested at the week-end by one of the world's most eminent

scientists and one of the leading churchmen—both deep philosophers.

Prof. Albert Einstein saw in an interview published in Atlantic Monthly that the atomic bomb could kill, perhaps, two-thirds of the people on earth but there would always be enough thinking men and books left to start again. Prof. Einstein favors that a world government be set up soon and jointly by the United States, Great Britain and Russia to reduce the peril of atomic warfare.

Most Rev. Cyril Forester Garrett, Archbishop of York, said Saturday that, unless the atomic bomb is controlled by international organization, it is "the handwriting on the wall," foreshadowing the fulfilment of Biblical prophecies of the end of the world.

Truman Dismisses Isolation

In his Navy Day address given in New York City Saturday President Truman appears to have brushed aside all fears which the Nations of the world may have held concerning a possible American isolationist attitude in the post-war period. Mr. Truman stated flatly that the United States will base her foreign policy on military strength and a friendly partnership with all peace-loving nations. The President explained that by this he means that the United States will use its military strength solely to preserve the peace.

KENNEY GETS SAFE MARGIN

Majority of 247 Accorded Minister of Lands in Skeena Riding

SMITHERS, Oct. 29 (Special to Daily News) — With two small polls still to be heard from and the soldier vote yet to be accounted for, the provincial election result in Skeena was as follows:

E. T. Kenney, Coalition . . . 844
Floyd Frank, C.C.F. . . . 597
Majority for Kenney . . . 247

With Atlin still in doubt, the Minister of Lands appears to be the only Coalition to have survived the C.C.F. landslide in Northern British Columbia.

The detailed vote in Skeena was as follows:

	Kenney	Frank
Kwinita	12	8

Taste of Winter— SNOW CHANGES TO SUNSHINE AT WEEK-END

The weatherman, who was in a morose mood all last week, made a final unpleasant gesture Saturday afternoon by sending down the season's first snowfall, then temperamentally changed his attitude to make Sunday and today two of the finest days imaginable.

Saturday's snowfall was intermittent and wet and it did not linger on the city's pavements, but on the higher slopes of the mountains it left a legacy of white which probably will remain until spring.

Sunday morning and again today the local world was bathed in bright sunshine and the streets were covered with hoar frost which was melted by the warm sunlight by early afternoon.

Hundreds of people took advantage of the bright weather yesterday to go walking in the city or driving out the highway. The weatherman promised this morning that the fine weather would continue throughout today but forecast rain for tomorrow afternoon.

Temperatures last night reached the lowest since last April, the minimum being 35 degrees and the maximum being 43, the Digby Island meteorological station reported. However, by the extent of the frost, it appears that temperatures in the city went even lower.

the hymns "O For a Love" and "Nearer, My God, to Thee." Mrs. Swanna Carrell was organist.

Interment took place in the Oddfellows' plot at Fairview cemetery. B. C. Undertakers were in charge of the funeral arrangements.

Pallbearers were T. McMeekin, George Scott, Hugh Killin, John Currie, George Abbott and William Reid.

Important Notice to BOYS AND GIRLS

Yesterday we left loads of wood at three places in town for the big Halloween bonfires. Will you youngsters keep your eyes on these loads of wood to see that no one takes away any of it so that your fires on Wednesday night can be big ones?

The wood is beside Conrad Street School, at Algoma Park, and at Alder Park, Fraser Street, where the fires will be.

Keep your eyes on it, will you? And watch tomorrow's Daily News for an announcement. Thanks.

The Kinsmen.

We have expanded our business which enables us to take care of all your crating and storage requirements.

**USK MINER
DIES HERE**

The death occurred in Prince Rupert General Hospital this morning of James Joseph Darby, 87-year-old pensioner of Usk, after an illness in hospital of 10 days. Deceased had been a miner and prospector in the Usk district for the last 33 years. Born in the United States in 1867, he never married. He is survived by a niece, Mrs. Cy Richardson, in Portland, Oregon.

**Liverpool Probes
Strange Allergies**

LIVERPOOL, Oct. 29 (P) — A clinic for some of the world's quaintest ailments — the kind that amuse everyone but those who have them — has been opened in the Liverpool Eye, Ear, Nose and Throat Infirmary.

They range from the best known of all — hay fever — to such rare types as the ailments people get, if they are allergic to it, by simply handling certain types of bulbs.

Some of the allergic diseases now being investigated by the clinic include: Rashes caused by eating shellfish, bakers' eczema and fur dermatitis.

Doctors are finding that the condition of allergy is frequently hereditary, but it does not always follow that descendants of one family are each allergic to the same thing.

**Sweet Caps Salute
Those Who Wear
This Badge —**

Today the only thing that distinguishes them is a crowned silver shield bearing a trefoil of red maple leaves. An unobtrusive button symbolic of so much in the life of the wearer. Canadians at home welcome them back with pride.

Ask those who wear it, they'll tell you that during years in uniform the demand was for the unfailing solace of Sweet Caps — and now, back in "civvies" it still rates first in smoking pleasures.

BIG DAY ON GRIDIRONS

Toronto Argos and Ottawa Rough Riders Are Winners Saturday

TORONTO, Oct. 29 (P)—It was another big day on the Canadian gridirons Saturday. In Big Four play, the Toronto Argos trounced the Montreal Maroons 31-6. Team play by Joe and Royal Copeland was the high point of this match. Copeland accounted for twenty points on converts and singles. Tommy got five on a touch-down and Steve Karrys and Art Addmore added one apiece. Jimmy Frapp scored the Horsham's only touchdown and this was converted by Pat Santucci. In another Big Four match, the Ottawa Rough Riders scored a 16-0 victory over the Hamilton Tigers. The Rough Riders, keeping pace with the Argos in top position in the Big Four standings, scored two touchdowns against the Tigers. One of these was scored by Ken Charlton in the first quarter and the other in the last quarter when a bunch of the Ottawa men fell on a fumble by Tiger backfield Smith. In Ontario Rugby Football Union circuit play, the Toronto Alany Beaches robbed the Ottawa Trojans of their last chance of making the playoffs. In a game which all the points were racked up with singles, the Beaches came out on top with a 24 score.

In an exhibition game played at Sarnia, the Hamilton Wildcats walked over the Windsor Hornets with a 13-5 score. Highlight of the game was provided by Cousins of the Cats, who roped up a Windsor fumble at midfield and raced all the way down for a touchdown.

In the College Union bracket, the Western Mustangs chalked up their second straight victory over the redmen from McGill. Final score was 15-5.

VANCOUVER BEATS NEW WESTMINSTER

VANCOUVER, Oct. 29 (P)—The Vancouver Canucks nosed out the Westminister Royals by a score of 4 to 3 in a hard-fought Pacific Coast Hockey League fixture played in New Westminster Saturday night.

VARSITY BLUES DEFEAT QUEENS

TORONTO, Oct. 27 (P)—The Varsity Blues came back from last week's defeat to overwhelm Queen's with a 25-6 victory in college football Saturday.

THUNDERBIRDS LOSE FOOTBALL

SASKATOON, Oct. 29 (P)—The University of Saskatchewan Huskies defeated the University of British Columbia Thunderbirds, 7-5 in a Western Inter-collegiate rugby football game.

CANADIENS-LEAFS WIN

Including Six Victoria Cross Winners and Fibber McGee And Molly

TORONTO, Oct. 29 (P)—Some 14,000 enthusiastic fans turned out in Toronto Saturday night to see the Toronto Maple Leafs battle to a one-all tie with the Boston Bruins in a hard-fought National Hockey League tussle.

The scoring was opened by Shill for the Bruins in five minutes and 45 seconds of the second frame. For a time it looked as if the visitors might blank the home team but veteran Bob Davidson came through with a tally in the third in 10 minutes, 40 second, to even things up. And there the scoring closed for the night. Boston had 25 shots on goal and Toronto 39.

Meantime, in another battle in Montreal, opposing the home team Canadiens were the Chicago Black Hawks, who just did not have a chance against the superior ice playing of the Habitués. When the curtain was rung down, the scoreboard read: Montreal, 8; Chicago, 4.

Rookie Billy Reay, playing his first game for the Canadiens, and Toe Blake led the Canucks to victory, both with a brace of goals, while Wingey Johnston scored two for Chicago.

Last night in Detroit, the National Hockey League had its first shutout when the Red Wings trimmed Boston Bruins 7-0. The crowd that saw the game was the largest opening day turnout in history. The Detroit turnstiles numbered almost 14,000 fans.

Had Good Hunting In Lakes District

Having bagged three moose as well as many geese and ducks and, withal, having a highly enjoyable two-weeks outing, Dr. L. W. Kergin, Peter Gamula, Capt. William Bussey and Alf Dahlberg returned to the city at the week-end from a trip into the district south of Burns Lake. They made the trip in two cars and they report the highway in fairly good condition considering the time of year and the extremely rainy weather there has been of late in the lower Skeena valley.

Montreal Royals Win Over Hull

OTTAWA, Oct. 29 (P)—The Montreal Royals blanked the Hull Volants, 2-0, in the opening game of the Quebec Senior Hockey League season. Leo Gravelle and Alec Smart did the scoring—Gravelle in the first period and Smart in the last period.

SHORT SPORT

Ching Johnson, battle-scarred New York Ranger defenceman, of the 1930's said he was quitting hockey 11 years ago because of a salary slash. Difficulties were ironed out and the Winnipeg star went on to help the Rangers into the Stanley Cup finals in 1937.

Bluenose of Lunenburg, pride of the Nova Scotian fishing fleet, successfully defended the International Fishermen's Trophy by defeating the Gertrude L. Thebaud, queen of the Gloucester fleet, seven years ago yesterday. It was the fifth and deciding contest after the

schooners had registered two victories each.

Panama Al Brown defeated Eugene Hout of France in a 15-round bout at Montreal 14 years ago yesterday for the world bantamweight boxing title. They clashed in Paris a year later, with Brown the winner again.

William David Conn—better known as Billy Conn—and his manager have won their short-lived hold-out fight with promoters. Conn and his manager, Johnny Ray, won virtually every point they had argued for about two days. Billy now has permission to appear in as many pre-fight exhibition bouts as he wants. However, all tune-up tussles are barred. Conn will receive a twenty percent cut of the gate which is two and one-

half percent more than a challenger usually gets. The Pittsburgh Irishman also will receive a twenty percent slice of the pie and has arranged it so that the expected fancy-priced television rights will be sold separately from the promotion.

Right Winger Fernand Gauthier is expected today to join the Detroit Red Wings as the replacement for Ray Getliffe. Getliffe was traded last winter with Rosie Vossignol. Some weeks after the deal was completed, Getliffe announced he was retiring from hockey. The ex-Montrealer scored eighteen goals and had thirteen assists last year with the Canadiens.

The Winnipeg Blue Bombers did it again Wednesday in a home game with Concordia College of Minnesota. The Bombers

Cleveland and Hershey Winners

CLEVELAND, O., Oct. 29 (P)—Saturday night in the American Hockey League Cleveland eked out a victory over Providence. The final score: Cleveland 4, Providence 3. In the Hershey-Pittsburgh tilt Hershey came out on top with a 2-1 win.

trampled down the visitors 28-7 in an international football contest. The Winnipeggers permitted the Americans to score seven points in the first three-quarters and then blasted loose in the final stanza to net all their points.

TIPS TO SAVE SUGAR

Don't experiment with your sugar ration . . . use tested recipes.

Add sugar to stewed fruit after cooking and while it is still warm . . . you will find less will be needed.

Make pudding sauces with leftover canned fruit syrups. Serve more hot desserts . . . they seem sweeter than cold ones.

Try reducing the sugar by 2 tablespoons when making your pre-war baked desserts . . . they will taste as good.

Watch where the sugar goes in your home . . . how much is used in cooking? on cereals? in tea? in coffee? . . . cut down where it is needed least.

HE CAN'T PUT CHEERS IN THE BANK!

The flag waving and the welcome home is swell . . . But when the party's over, he's got a peacetime problem to solve . . . he has a living to earn! Winning the war is no use—to him or to you—unless he has the means of winning the peace, too!

Here's what he needs: He needs a home. He needs to complete his training for the job the war interrupted. He needs a job. He needs a future. Sure, he has discharge grants. Perhaps a pension. And other basic benefits. But who's going to pay for them? And who's going to pay for the opportunity to put these benefits to work?

Victory Bonds will do it! Your purchase of Victory Bonds this time is to put Canada's veterans back on their feet, give them a chance to keep themselves on

their feet. Buying all the Victory Bonds you can possibly afford is the peacetime equivalent of "pass the ammunition." Peace can have its victories, too, but only if you help him win them . . . for himself—for you—and to keep Canada itself a "going concern".

Remember when you sign up for the 9th Victory Loan that it is your only opportunity for twelve months to invest in Canada. Buy more Victory Bonds this time, for our veterans today—for yourself tomorrow!

Sign your name for Victory!

DRILL HALL AVAILABLE

Navy League Expects to Carry On Sea Cadet Activity There

Correspondence at the regular monthly meeting of the executive of the Prince Rupert branch of the Navy League of Canada held in the Canadian Legion rooms last week indicated that there was every possibility that the Sea Cadets would be able to continue using the Navy drill

hall despite closing down of H.M.C.S. Chatham. Arrangements were made to obtain necessary tables and chairs for the various clerical activities. It was also agreed to enrol a limited number of girls who would carry on clerical work and so enable the cadets to attend the regular classes. It is hoped that the girls will be able to take up rifle range practice. Plans are being considered to provide more opportunities for carrying on recreational and sports activities. President S. P. Woodside was

in the chair at the meeting and others present were Douglas Wood, J. S. Wilson, A. T. Lashmar, R. M. Winslow, T. J. Fortune and T. Applewhite, secretary. Lieutenant-Commander A. Mitchell was also in attendance. He reported that, with the resumption of fall and winter activities, there had been an increase in the number of cadets. New recruits were being welcomed at the regular parade nights, Tuesday of each week. A letter from R. C. Stevenson, co-ordinator of Sea Cadet activities for the Naval Services, expressed his appreciation of the part the Navy League had played in the sponsorship of Cadet Corps. It was no less important that the training received by the boys helped to make them better Canadian citizens.

GRIM NEWS FROM HOME

Bert Wouden Loses Both Father and Mother in Rotterdam

Renewed communications from liberated Holland following the war brought bad news for Bert Wouden, local taxi operator. The first letter to be received from his brother told of their father and mother, the former 78 years old and the latter 76, being killed when their home was demolished in the almost utter destruction of Rotterdam by the great German bombing attacks in 1940. The bodies were never recovered in the huge mass of rubble and ruins.

Canadian Press news stories flow daily to Canadian daily newspapers over 12,000 miles of leased telegraph wire.

The Experts Say...

By HELEN BANNERMAN
Canadian Press Staff Writer

HONEY FOR SUGAR—Many inquiries have been made by women who want to know how to use honey to replace sugar in cooking. Here is the answer:

"Honey can be used successfully to replace part or all of the sugar called for in a recipe. 'If the amount of sugar called for is small, as in muffins, an equal amount of honey may be used instead. Where larger amounts of sugar are called for, as in cake, it is better to replace only half of the sugar with honey.

"Use one cup of honey to replace one cup of sugar and in baking reduce the liquid in the recipe by 1/4 cup for each cup of honey used. Don't use soda unless called for in the original recipe.

"Liquid honey is easier to measure and blend than granulated honey. Granulated honey may be liquified by setting the container in a pan of hot water.

"A greased measuring cup makes measuring honey or other syrups easier."

The cup-of-water method of measuring small amounts of shortening does not work with granulated honey since some of it will melt and be discarded with the water.

LEAFY VEGETABLES—The importance of green leafy vegetables in the diet receives a good deal of attention from nutritionists, including those at the Health and Welfare Department who tell us the dark green vegetables now being harvested are particularly good eating.

They are a source of vitamin A and iron and also contain some calcium and smaller quantities of other minerals. All in all, they are a good bet, even though the yellow vegetables like carrots and sweet potatoes contain more vitamin A.

The darker the green the higher the nutrition rating. Dark green, crinkly-leaved cabbage found in the stores now is a good bargain in nutrition.

GRAPES OVER SOON—Those delicious blue grapes will soon be disappearing from the market for another year. Have you had your fill of them, and what about grape pie, grape jelly and cottage pudding with grape sauce?

The season can be lengthened several days by farsighted homemakers who use the last grapes to make up what the Agriculture Department home economists call a basic grape mixture which can be used for any of the grape dishes mentioned above.

BASIC GRAPE MIXTURE—

Seasonable Ideas for Housekeepers Some Dainty Refreshments For Hallowe'en Festivities

Hallowe'en is the night on which the witches set sail on their brooms, ghosts prowling, black cats howl and children demand that every one "shell out." Hallowe'en makes a perfect excuse for a party for either children or grown-ups.

The occasion offers ideas for decorating simple food to obtain unusual effects. Sandwiches cut round with holes in the top slice to show the filling and look like faces please the children. Spicy cookies with faces painted on with orange icing always make a hit and a little icing goes a long way. Devil's cake and taffy apples definitely belong in the Hallowe'en picture.

The witches' brew may be milk, fruit punch or coffee according to the age and tastes of the guests.

Here are some suggestions for Hallowe'en frolics:

Cheese Crunch
1 cup grated cheese
1 cup finely shredded cabbage
1/4 teaspoon onion juice
1/2 teaspoon Worcestershire sauce

OR—
1 to 2 tablespoons salad dressing
Few grains cayenne pepper
Salt and pepper to taste
Combine ingredients thoroughly and use as a sandwich spread with whole wheat bread. Yield: 3/4 cup.

GINGERSNAPS
2/3 cup molasses
1/2 cup mild-flavored fat
2 cups sifted pastry flour
OR—
1/2 teaspoon baking soda
2 teaspoons ginger
3/4 teaspoon salt
Heat molasses to boiling point and pour over fat. Add sifted

Stem, wash and measure five cups of grapes, preferably the blue ones. Press pulp from the skins. Heat pulp to boiling point and boil gently for five minutes, then rub through a sieve to remove seeds, add skins to pulp and cook together for five minutes. Store in a covered jar in the refrigerator where it will keep for several days. To use, blend 1/2 cup sugar, two tablespoons of cornstarch and a dash of salt with a little of the grape mixture, add to the remaining mixture and cook, stirring frequently until thick.

Buy War Savings Stamps

dry ingredients and mix well. Chill, roll and cut into desired shapes. Bake in a moderate oven, 350 degrees F., for 8 to 10 minutes. Makes 3 dozen cookies.

Molasses Raisin Bars
1/4 cup mild-flavored fat
1/2 cup sugar
1 egg
1/4 cup molasses
2 cups whole wheat flour
1/4 teaspoon salt
1/4 teaspoon baking soda
1 1/2 teaspoons baking powder
1/4 teaspoon cinnamon
1/2 teaspoon nutmeg
1/2 cup sweet milk

Cream fat, add sugar and cream well together. Add beaten egg, blending well, then add molasses. Mix dry ingredients and add alternately with milk to first mixture. Add chopped raisins. Spread thinly in a greased shallow pan, 15x10 inches. Bake while still warm. Makes 3 dozen bars.

BE GAY ON HALLOWE'EN

It's always fun to have a party and it's so much more fun to have one on an occasion when the special decorations suitable to the event can lend an added festive air. And probably Hallowe'en, with its many superstitions and traditions, is one of

the best of these occasions for a party, especially for the folks.

Many are the games played and the tricks to be on this night when witches with ducking for apples lead. Favors and decorations range and black are gay and are right for Hallowe'en. There is such a variety of unique decorative schemes to be had that the work is never done. Even in the you serve you can carry on Hallowe'en spirit. Roundies with grinning pumpkins painted on them with icing are a cute idea. Or shaped like cats or witches attractive, too.

And your beverages, of course, are important. Games are exciting and strenuous and guests will appreciate delicious drinks. Drinks from fruit juices and sparkling water will hit the spot. Sling water makes a fine quenching drink that mixes with fresh or canned fruit. It is good, too, and adds to drinks made with powdered liquid extracts. Grape mixes well with sparkling and here is a recipe especially nice for Hallowe'en.

Grape Apple Sparkle
One cup apple juice; grape juice; 1/4 cup lemon 2/3 cup sugar syrup; sparkling water.

Combine juices and sugar. Pour over ice cubes in glasses and fill the glasses sparkling water. Serves 12.

Ration Fashion FOR A FAMILY OF FOUR

SUN.	MON.	TUES.	WED.	THUR.	FRI.	SAT.
Roast of Beef	Cold Roast Beef	Braised Veal Cutlets	Beef Roly Poly	Grilled Lamb Chops	Baked Fish	Savoury Spaghetti with Sau-sages
Group B	left-over beef	Group B	left-over beef	Group C	unrationed	Group D
4 lbs. 2 Coupons 5 Tokens		1 lb. 5 Tokens		1 lb. 4 Tokens		10 Ounces 2 Tokens

Are you hankering for a roast of beef? The far-sighted housewife will realize that under meat rationing her family of four can enjoy a Sunday roast, and the other meals of the week too, if she budgets her coupons with care. By parting with two coupons and five tokens you can procure a four pound rolled rib roast of beef from Group B. A Yorkshire pudding and good brown gravy should ensure enough of it being spared to slice cold for Monday. And for Wednesday, a roly poly is a tasty way of utilizing the remnants. Just season the ground meat, moisten it with gravy or vegetable juices, roll it up in your best biscuit dough, bake in a hot oven, and serve with a zesty tomato sauce. For Tuesday veal cutlets are appetizing exchange for five tokens. One pound of lamb chops for Thursday will require four tokens, and with unrationed fish for Friday you will have two tokens left from your week's allotment. A savoury spaghetti dish highlighted with the season's green peppers, tomatoes and mushrooms and topped with well-browned sausages would make a substantial main course for Saturday. And of course off-the-ration items such as cold sliced tongue offer solution to luncheon problems.

Permanent Club For Women Overseas

LONDON Oct. 29 (P) — The Canadian Girl's Club in London has registered under Great Britain's Companies Act in the new name of "The Canadian Girls' and Business Women's Club."

An overseas membership arrangement entitles Canadians in Canada to join and when in England they will have all club privileges for six months.

Club officers said it is the first and only all-Canadian women's organization in Britain. It was inaugurated in December 1942 for service and civilian Canadians doing war work in Britain.

HOW OUR "Fish Dollar" IS DIVIDED
SEASON 1944-45

62.8c Paid to Fishermen & Employees
29.9c Paid for Supplies and Services
Depreciation 2.9c
Taxes 1.9c
Net Profit 2.5c

British Columbia is easily the greatest fish-producing province in Canada. The value of its annual sea harvest reaches \$35,000,000 and accounts for approximately 48% of Canada's total fish production.

The Coast fishing industry supports 18,000 men and women and their families, and through the purchase of equipment and supplies, pours further huge sums into the community.

How the 'fish dollar' circulates is illustrated above. Out of every dollar received by our organization from the sale of its fish products, for the past financial year:

62.8c was paid to fishermen and employees.
29.9c was paid for supplies and services.
2.9c went into depreciation—a source of funds for replacement of fleets and plants.
1.9c went into taxes.
2.5c was net profit—available as a business maintenance reserve and for distribution to about 1400 shareholders in Canada, Great Britain and the United States.

Pioneers of Prince Rupert Are Honored
 Mr. and Mrs. Solom Mussallem, who were early residents of Prince Rupert and who for many years have been esteemed citizens of Maple Ridge in the Fraser Valley, were recently honored with a presentation by the community on their 40th wedding anniversary. They were married at Pembroke, Ont., and resided in Winnipeg and Prince Rupert before coming to Maple Ridge. Mr. Mussallem served as municipal councillor and later as reeve of the municipality.

CARD OF THANKS
 I wish to thank my nominators, those who worked so hard and devotedly in an effort to secure my election, and all those who voted for me October 25. Their support is deeply appreciated and we can rest assured that none of our votes were wasted.
 (Sgd.) Bruce Mickleburgh.

NOTICE

FINISH THE JOB
 So long as the fighting was on
 The need for all-out maximum war effort
 Was plain to everyone.
 But now that the danger and the tension has relaxed
 We must resist the temptation to "let down".
 We must keep faith. Our war job is not yet done.
 We must finish the job.

P.T. REALIZES \$217.83 IN TAG

The Parent Teacher Association of Prince Rupert held its third annual tag day on Saturday and collected \$217.83. This sum is a nucleus toward the purchase of a moving picture machine (projector) to be used in the elementary schools—King Edward, Borden Street and Conrad, altogether representing over 700 pupils—for the purpose of showing pictures in connection with the teaching of geography, history and science. Such a machine costs about \$600 and its screen, \$100. It is hoped that the sum needed will be secured in a year's time through the next tag day and by efforts of the schools. There are also some slight prospects of obtaining a good second-hand machine.

The P.T.A. used the proceeds of Saturday's tag day were Mrs. J. C. Gilker, Mrs. George Hill, Miss Eileen Gibson, Miss Eleanor Moxley, Mrs. H. C. Flood, R. G. Moore, Miss E. A. Mercer, Mrs. George Howe, Mrs. E. W. Becker, Mrs. C. H. Insulander and S. A. Cheeseman.

A total of 60 school children tagged in morning and afternoon relays. The following were the taggers:

Violet Findley, William Blackaby, Glen Doane, Ronnie Rothwell, Mary Doane, Eleanor Mattson, Dennis Mattson, Dorothy Hibbard, Melvin Moore, Roy Mostad, Gordon Reid, Dick Gilker, Margaret Horne, Joan Gillanders, Shirley Lawrence, Norma Montgomery, June Henry, Betty Birch, Audrey Birch, Janet Wong, Jean Sharp, Yvonne Kildal, Mary Strachan, Jacqueline Ratchford, Madeline Youngman, Penio Penoff, Elvin Phillips, Dennis Elkins, Patsy Charlston, Inger Petersen, Ethel Moorehouse, Violet Boychurch, Isabelle Taylor, Doris Divernichuk, Marjorie Way, Donald Way, Bob Garlick, Claire Ritchie, Alfie Blackaby, Perry Mork, Myrtle Miller, Muriel Shier, Nancy Hill, Teddy McCarthy, Dorothy Edgar, Margaret Youngman, Barbara Hyndman, Alice Nickerson, Anita Brue, Betty McCarthy, Olive Surand, Allwin Jefferys, Everett Jefferys, Marilyn Davies, Roy Pedersen, Sheila Bennett, Don Gillanders, Ross Gillanders, Margaret Giske, George Jefferys.

The five highest taggers were William Blackaby, Dick Gilker, Mary Doane, Dorothy Edgar and Glen Doane.

HAZELTON

Rev. Robert Morris was installed as pastor of Hazelton United Church last week by Rev. Dr. George Dorey of Toronto, acting secretary of the Board of Home Missions.

W. Hagen of Copper River has gone to his gold property, the Black Bull, on Copper Mountain, and has taken a compressor and drill. He has taken four men with him and will work the property, indications of which are favorable.

Paddy Creigh, one of the old-time prospectors of this district who once worked the Brian Baru claim on Rocher de Boule mountain, has four claims on a mountain near Pacific where some good specimens of high grade gold ore has been taken out.

SMITHERS

The village commissioners here have laid the groundwork for a plebiscite for a water system in Smithers which may be held in conjunction with the annual civic elections in December. Dr. L. M. Greene presented an estimate that the cost of the water system would be \$130,000 to be paid off in 20 years. The money would be raised by a bond issued backed by the provincial government.

Mr. and Mrs. A. Leach arrived here recently from Vancouver to take up residence. Mr. Leach is a business partner with his brother in the Bulkley Hotel.

Mr. and Mrs. D. C. Stinson returned to their home in Vancouver recently after spending a brief visit with Mrs. Stinson's sister and brother-in-law, Mr. and Mrs. N. H. Kilpatrick.

RAILWAY HAS BIGGEST JOB

MONTREAL, Oct. 29—Seventy per cent of all the dining cars and 50 per cent of all the sleeping cars in service on the entire Canadian National Railways system were taken out of regular train service and sent to Halifax for the arrival of the Queen Elizabeth on Friday. Needed to make up the 17 C.N.R. troop specials, the cars are carrying nearly 7,000 of the 12,000 service men who returned on the world's largest liner. Many of the cars will be out of service for at least five days. Some of the trains will go across the Dominion to the Pacific coast, 3,770 miles.

More than 25 tons of foodstuffs, 176,610 pieces of cutlery, dishes and pots and pans, and a staff of 286 stewards, chefs, cooks and waiters are needed to serve 30,621 meals. Manning the trains, including dining, sleeping and train crews, are 569 employees. Including those who service the specials, more than 1,000 railway workers are involved.

The first train left the dockside at 3 o'clock Friday afternoon and for 28 hours until 6 o'clock Saturday night a special left every hour from Halifax over the C.N.R.'s line. This is the biggest return movement of troops to arrive back in Canada on a single ship to date.

Among the hundreds of civilians who came to Canada on the queen of the seas were the Duke and Duchess of Sutherland, going to Ottawa, and Prince and Princess Hatila Chyka of Rumania (the prince holds a visiting professorship in esthetics and will lecture at the University of Southern California). Sir G. Usher and Lady Usher, Right Rev. D. R. Rawlinson, Bishop of Derby, England, and a party of British laymen, all going to the United States, and a group of Canadian nursing sisters from South Africa.

MARRIED AT U.S. CHAPEL

Miss Charlotte Lund Becomes
Bride of Sgt. J. H. Thomas

A wedding of international interest took place in the American post chapel on Acropolis Hill Thursday evening at 7 o'clock when Helkky Charlotte Lund, daughter of Mr. and Mrs. K. Lund, 313 Archer Street, New Westminster, became the bride of Sgt. J. H. Thomas, U.S. M.D., son of Mr. and Mrs. James L. Thomas, 1405 Golden Gate Avenue, San Francisco. The rite was performed by Chaplain Lyle H. Robinson, of the U.S. Army. Given in marriage by George J. Dawes of Prince Rupert, the bride wore a gown of white satin with lace insertion and carried a shower bouquet of white carnations and chrysanthemums. Bridesmaid was Miss Nancye Beatrice Dawes, who wore a gown of blue moire, carried an arm bouquet of yellow and brownish-orange 'mums.

Flower girl was Miss Kathryn Lund, who wore a dress of blue net, carrying a colonial bouquet. Groomsman was Pte. John W. Delderfield. Sgt. Joseph H. Wachtel and Cpl. George H. Kirby, R.C.A.S.C. were ushers. During the signing of the

registry soloist Pte. James R. West sang "Always" and "Because." Sgt. Harvey Berneking was organist.

Following the ceremony a reception was held at the American Red Cross Service Club on Acropolis Hill, where the many guests were received by George Dawes and Capt. Robert E. Brown.

Toast to the bride was proposed by Pte. John W. Delderfield, and response to the toast was made by the bridegroom. Miss Marvel Parriott, American Red Cross supervisor, was hostess while pourers were Mrs. K. Lund and Mrs. F. Grosvenor. Music was supplied by Miss N. Smith and Sgt. Harvey Berneking at the piano.

Sgt. and Mrs. Thomas will reside at San Antonio, Texas, following his discharge from the American Army in the near future.

PRIORY SECRET BASE

EDGWARE, Middlesex, England—Bentley Priory, a beautiful 18th century country house near here, which was once a holiday residence of Nelson and Lady Hamilton, became during the war the "brain" of Britain's air defence. The struggle of the Battle of Britain was followed and mainly directed from the priory.
