I Married an Angel!

I ESSIR, the sweetest, cleverest, most reasonable little gal in the world. Knows what's what about good food, too!

So when she said "Postum's a grand-tasting drink - you'll like it, honey!" ... I was willing to give it a try. Just for her sake, mind you!

I had to be convinced . . . and am I! Boy! What a flavor! Rich and hearty and satisfying-not like tea, not like coffee, just a grand drink.

Angel says that even children can safely drink it. Because Postum hasn't a trace of caffein or any other drug to affect heart or nerves or digestion.

Even I can make Postum. You just add boiling water or hot milk right in the cup. And for all that, it costs less than le a serving.
