PARIS, Aug. 4—Testifying at Marshal Petain's treason trial, Former Premier Pierre Laval admitted having said that "I desire a German victory" but asserted that he had said this in order to fool the Germans.

Pomaret recalled that on July 10, 1940, a meeting was held at which three constitutional acts were passed, giving the marshal full powers.

10,000,000 Pounds of Halibut Landed Here — Black Cod Falling Off — Salmon Fishing Keeps Good

Total halibut landings at this port since the start of the season on May 1 have risen to 10,000,000 pounds as vessels fishing in Area Three continue to pour in substantial catches to buyers here. Landings at the port during five days this week have been 313,000 pounds, of which 109,000 were from American vessels.

Total for the last two weeks has been an even 600,000 pounds of which 436,000 were Canadian and 164,000 were American. Canadian landings since May now total 7,325,500 pounds, while American boats have brought in 2,871,500 pounds.

Black cod landings this week have been negligible but last week Canadian boats brought in 176,000 pounds from the waters in Hecate Strait.

The sockeye run appears to be falling off on the Skeena River but, if compared with the standards of normal years, is still very good. The average per boat yesterday was 73 fish. Pinks are coming up with yesterday's average 150. The date for the closing of the season for sockeye nets has not been set, it was stated at the Dominion Fisheries office today.

After an almost fabulously heavy run during which there were some remarkably big takes, coho runs started to drop off for

the trollers around North Island. However, fishing is still steady and even \$30 per day is not bad going. Latest reports are that catches are quite good closer in around Seven-Mile Point. Meantime, a migration of trolling boats from Queen Charlotte Island waters to Dundas Island and closer to the mainland has commenced.

Whale Channel, south of Wright Sound, is yielding a good harvest of pinks to the seiners which were averaging 1000 pinks per set on Wednesday, according to reports reaching here.

Salmon pack on the coast up to July 28 was 306,926 cases, the highest during any of the last six years, being greater by some 200 cases than in 1941, the weekly bulletin by the chief supervisor of Fisheries reveals. The sockeye pack of 211,888 cases is the highest since 1940. By far the greatest part of the sockeye pack came from the Naas and Skeena rivers where 89,062 cases have been packed since

## MEATLESS DAYS BAN HOT DOGS

How many slices in a chicken. If anybody knows the answer Mrs. F. Barber, who is one of the ladies in charge of the busiest booth at the Carnival, the refreshments, would like to know.

It all comes about this way. Tuesday and Friday are meatless days and that includes hot dogs. So the hot dog stand at the Civic Centre Carnival which opens August 6 through 11 will feature chickenburgers two of the days.

Every year these ladies give up their time unstintingly, put in long hours in fine and foul weather to keep the hungry folk at the fair well fed. They are back on the job again this year with four thousand hot dogs, a huge pile of chickens and enough red hot coffee to float a freighter.

### KITCHEN NOTE

If you can't purchase sour cream, use a teaspoon of lemon juice or good vinegar to a cup of evaporated milk.

the start of the season at the end of June. In addition to the sockeye pack on the Naas and Skeena, there have been 29,837 cases of pinks, 16,662 cases of coho, 5,896 cases chums, 2,077 cases springs and 225 cases of steelheads.

## THE CIVIC CENTRE CARNIVAL

A community which sets itself an objective, then tirelessly labors toward that aim acquires the respect of its neighbors and its own members during the process. That has been the history of the Civic Centre idea in Prince Rupert. In the 21 years since the movement was started in this city many people have shared in the work, and when its objective of a Civic Centre is finally reached it will be truly a monument to community effort.

This undertaking is one in which every citizen, man, woman and child can take an active part, and the Association likes to feel that the Citizens of Prince Rupert are 100 percent behind a project for the betterment of the recreational life of our city. Your support of the Civic Centre Carnival and the Northern B.C. Agricultural Association Fair is your opportunity to show your interest in this undertaking.

**BO-ME-HI IN FIRST PLACE**

By virtue of a win over the C.W.A.C. team the High School girls took over undisputed first place in the ladies' league as their rivals the American girls had an idle night.

Bo-Me-Hi, after losing their first game of the season last Tuesday night, came back last night at Algonk Park in a free walk and hit game to defeat the Canadian Women's Army Corps 27 to 6.

The Bo-Me-Hi had complete confidence for their win at the completion of the third inning as by that time 22 runs had been scored. In the fourth inning the C.W.A.C. came back with a new pitcher, Billie Hendrickson, but she too found the going tough as the Bo-Me-Hi proven batting abilities were shown.

Some fine fielding plays were turned in by Diane Kennedy, Lil Hitchings and Arletta Hamilton while superb batting was shown by Betty Hamilton, Marie Caldwell and Rusty Thain.

"Picture of Dorian Gray" is Coming to Capitol Theatre

An unusual story replete with suspense and excitement, "The Picture of Dorian Gray," comes to the Capitol Theatre here next Monday and Tuesday. It is the grippingly imaginative tale of a young man, who wished that he could remain forever young and who gets his wish by trading his very soul.

In a music hall in the deepest slums of London, Dorian hears a lovely young girl sing and falls in love with her. He decides to marry the girl. However, he is induced to test her character and becomes disillusioned, then starting a career of sin and crime. Women love him and go to their death. Men despise and fear him. Meantime a portrait is revealing the sin and corruption of Dorian Gray's soul. Exciting dramatic sequences follow one another in quick succession.

A potential new star, Hurd Hatfield, plays the part of Dorian Gray. George Sanders is a world-weary nobleman, Angela Lansbury is the music hall singer. Donna Reed has a demure romantic part.

"The Picture of Dorian Gray" is an Oscar Wilde story.

Miss Helen Kasper is leaving tonight for a trip to Vancouver.
