### Clue In Murphy Mystery— MISSING CONTRACTOR BELIEVED TO HAVE BEEN SEEN IN THE INTERIOR

#### Fort Fraser Garage Man Believes Frank Murphy May Have Stopped At His Garage 24 Hours After His Disappearance Here

A possible clue to the unexplained disappearance of Frank Murphy, 63-year-old Prince Rupert contractor, missing since last October 13, is contained in the admission of B. W. Irwin, Fort Fraser garage operator, that Murphy may have been the man who stopped his car at Irwin's Fort Fraser garage for gasoline 24 hours after he was last seen in Prince Rupert.

Confronted by police with a photograph of the missing Murphy, Irwin recalled that the man looked similar to a man who, he said, drove an ancient Packard car from the west and stopped at his garage for gasoline at 5:30 p.m. on October 14. Murphy was last seen positively in Prince Rupert about 8:30 p.m. on October 13, when he left his lumberyard office apparently to get supper. It is believed that he did not return to his sleeping room above his lumberyard office on Market Circle, but that he may have left the city.

In the week following his disappearance, police and citizens scoured the city in the fear that he may have met with a mishap or foul play. However, no trace of him was found.

When shown a photograph of Murphy B.C. Police this week Irwin would not positively identify the picture as that of the man whom he had seen but said that the picture resembled him. The man, he said, had stopped for gas and oil at his garage for his old Packard car. He appeared very tired, Irwin said.

in the manner of a man who had driven a long distance.

Irwin said that in conversation the man had remarked that he had left the coast on October 13 and that he was moving from Prince Rupert for reasons of climate.

If the man was Murphy, it is believed that he may have bought the Packard car in Terrace several days before he left Prince Rupert. It was recalled by his associates that Murphy visited Terrace for a few days just prior to his disappearance and that he may have bought the car there. He may have left it there and picked it up on the night of October 13 after traveling to Terrace from Prince Rupert by train.

He was never positively identified as having been seen in the city after he left his lumberyard more than two hours before the train left that night. He was believed to have had about \$200 on his person the night he disappeared.

Since that time his affairs have been placed in estate with Government Agent Norman A. Watt as curator.

VICAR TURNS HIS SWORD INTO PLOUGHSHARE—In preparing his service, the Rev. J. H. Parsons came to the passage in the Bible, "And their swords shall be turned into ploughshares." He looked up and saw before him on the wall of his study four cavalry swords, souvenirs of the first world war. He decided he would make them into a ploughshare as a symbol to youth to look forward to the pursuit of peace. Here, Rev. Parsons and John Moon, a farmer, examine the cavalry sword-plowshare in England.

### Coalition Candidate Easy Win

Charles Morrow Polls Almost Double Vote of All Competitors

VERNON — The veteran Vernon lawyer, C. W. Morrow, was elected Coalition member of the legislature for North Okanagan in the provincial by-election yesterday, easily defeating four other candidates. He replaces Hon. Dr. K. C. MacDonaid, minister of agriculture, who died recently in Victoria.

Mr. Morrow's election was conceded by the Canadian Press an hour and a half after the polls closed and brought to 37 the number of coalition members in the House. There are ten Co-operative Commonwealth Federation members and one Labor.

About 60 per cent of 7600 eligible voters cast ballots. Morrow polled more than double the vote of his nearest competitor, Bernard Webber, C.C.F.

With 20 out of 26 polls heard from, the final count for last night was:

Morrow, 2300.  
Webber, 1135.  
Minerva Cooper, Labor-Progressive, 225.  
J. A. Reid, Social Credit, 190.  
R. A. Davidson, Independent, 179.

### USE VETERANS AS STRIKEBREAKERS?

VICTORIA — The president of the Victoria chapter of the International Typographical Union, V. J. Baines, says returned servicemen are being recruited in eastern Canada for work on strike-bound newspapers in Winnipeg. Mr. Baines says Victor Sifton, publisher of the Winnipeg Free Press, has made application to Selective Service for 75 ex-servicemen and 40 women to train as printers and machine operators.

### Deadlock On Which of Japanese Home Islands Soviet Should Occupy — May Not Enter Any

SAN FRANCISCO (CP)—Larry Tighe, American Broadcasting Co. correspondent in Japan, reported today from Tokyo that General MacArthur and the Russian government had disagreed over which of the Japanese home islands the Soviet forces should occupy and that, as a result, the Russians will not participate in the occupation at all.

### NINTH VICTORY LOAN EXCEEDED TWO BILLIONS

OTTAWA — Final total of sales in Canada's Ninth Victory Loan stand at \$2,122,473,800. Finance Minister Isley announced yesterday. The loan was the largest in the country's history, its total far exceeding the \$1,568,927,358 worth of bonds sold in the eighth loan.

Isley said that the figures "reflect the extent of Canada's gratitude for victory and of Canadians' faith in the future." A spectacular increase took place in sales of monthly savings and deferred payment plans, exclusive of payroll and assigned pay applications. These purchases out of income in the general canvass totalled \$140,133,750, an increase of approximately \$78,000,000.

### LIBERTY SHIP MINE VICTIM

ROME — A United States Liberty ship, the Nathaniel Bacon, is disclosed to have struck two mines Tuesday night while enroute to the Italian port of Civitavecchia and had to be abandoned by her crew. The ship was carrying UNRRA supplies to the Italian port when it hit the mines and broke into flames.

### MOSCOW PARLEY MAY CONTINUE PAST CHRISTMAS

MOSCOW — The foreign ministers of Russia, Britain and the United States were reported making steady progress as they went into the fifth day of their conference today but there were indications that they did not expect to finish by Christmas.

The first intimation that the meeting might go over into next week and possibly continue after Christmas was the disclosure by informed quarters that State Secretary Byrnes planned to attend the annual Christmas Eve dinner of the United States colony in Moscow.

### Chamber Protests—Cut For Railway Service

Prince Rupert Body Feels It Would Further Curtail Traffic On Local Line

Holding that the proposed reduction of passenger train service on the Prince Rupert Jasper line of the Canadian National Railway would hamper the development of this area by tending to reduce traffic, the Prince Rupert Chamber of Commerce yesterday dispatched to W. R. Devenish, vice-president in charge of western lines, Canadian National Railways, a protest at the drastic cutting down of schedule which has been suggested.

The wire is as follows: "We understand a curtailment or rail service from Prince Rupert to Prince George from mixed passenger to twice a week daily is contemplated. This Chamber emphatically protests against such curtailment and suggests as an alternative a daily mixed train out of Prince Rupert. We understand the time loss in such a service would be only one-half hour. We realize that reduced traffic might seem to justify your contemplated reduction in service but feel that reduced service will retard development in this area and reduce traffic still further."

### ATLANTIC HAS HEAVY STORM

HALIFAX — Another heavy storm is heading for the North Atlantic seaboard. Still battling the wake of last week's raging gale, Atlantic seamen have been warned that a blizzard will envelop all the wintimes within 24 hours. The gale already is driving snow over western Nova Scotia and eastern New Brunswick.

### Lotteries Are Banned

VICTORIA — Lotteries for cars, farms and houses will be banned in British Columbia after January 1, Attorney General R. L. Maitland announced last night.

The only lotteries permitted will be those staged by agricultural fairs, exhibitions and church bazaars where the amount involved is under \$50. Mr. Maitland said that lotteries now in operation with closing date during next year would have to close.

### Work To Be Resumed Early In New Year

VOTE WAS STRONGLY IN FAVOR OF GIVING UP LONG STRUGGLE

WINDSOR, Ontario — The longest automotive strike in Canada's history has come to an end with acceptance by Ford workers in Windsor of a government-sponsored settlement plan. Approximately three-quarters of the Union members voting signified approval of the government plan. The vote was about 72 percent to 28 percent.

### City Council Must Warble

Bulkley Valley Colliery Bids \$25 to Hear Them

The city council will have to sing in the Junior Chamber of Commerce radio auction program. The bids for the council received a substantial filip this afternoon with the receipt of a telegram from Bulkley Valley Collieries offering \$25. Failure of the council to sing would mean the city would have to put up the aggregate of the bids requesting them or let the radio auction down that much. It looks like it would be good business for the council to sing—and, of course, good sportsmanship as well.

OTTAWA today announced Mr. Justice J. G. Bird as arbitrator.

LONDON — The Moscow radio says seven of the ten German Elite guardsmen tried on war crimes charges by the Russians at Smolensk have been sentenced to be hanged. The other three have been given prison sentences ranging from 12 to 20 years.

### BRITISH TORIES TAKE OFFENSIVE AGAINST LABOR IN GREAT BRITAIN

Foresees Political Excitement At New High During 1946 as Conservatives Try Comeback

By JAMES MCCOOK  
Canadian Press Staff Writer

LONDON (CP)—The Conservative party, thoroughly trounced by Labor in the July general election, is on the offensive again. Around Whitehall they say the political excitement of 1946 will be at a pitch unequalled for many years. On the morrow of a crowning victory in war, the electorate turned out of office the Conservative "caretaker" administration and replaced it with a Labor government secure in a majority such as the party never enjoyed before.

Winston Churchill, left with 196 members in a Commons of 640 members, had been the symbol of British unity and will-to-win during the war. Even some Labor supporters after the election admitted their regret that he had to take a secondary role in the world of reconstruction.

The 393 Labor members of the new house were under the leadership of Clement R. Attlee, a bald, studious, careful man—in almost every way a contrast to the colorful Churchill for whom he was deputy prime minister in a coalition government which served in the darkest days of the war. Their parting came May 23 when, after five years in power, the Conservative-dominated coalition ended and the formed to carry on without Labor or Liberal support.

On May 18 Mr. Churchill suggested to leaders of the other

### \$100 Is Sent to Windsor Children

The local AFL-CCL joint committee on the Windsor strike has sent \$100 in reply to an appeal for Christmas cheer for the Windsor children. The donation, it is pointed out, does not concern the relative merits of the whole case, the feeling being, however, that the children should not suffer as a result.

**No Need to Apologize . . .**

Prince Rupert has no need to apologize for keeping her claims for recognition and service always to the fore. It costs nothing to protest when protests seem due. Possibly there has been too much of a tendency here to take things lying down, to make feeble representations and then drop them when some one disagrees or expresses disfavor. Instead of that attitude of inferiority complex, we should be in there all the time fighting for our rights and insisting that they be accorded. Certainly if we are not going to be courageous and insistent ourselves, no one else is going to look after us. We will just be by-passed because off our own temerity and lack of confidence.

**Local Elevator Situation . . .**

Grain shipping from Prince Rupert seems to be at a standstill following the recent emptying of the elevator. There is no word of any grain coming this way and, apparently, there is no present intention of bringing any.

If it is that the elevator is not modernly equipped and in need of repairs and renovation before it can be operated efficiently, we can fairly expect that the federal government, which owns and controls the plant, should see that the necessary work and improvements are carried out with a minimum of delay. Fail-

ure to do so is certainly at variance with any fair policy of development of port and district to which at least the head of the present government is personally pledged.

**This Strike Did Not Pay . . .**

The long strike at the Ford Motor Co.'s plant at Windsor, Ontario, is over and there must be general satisfaction throughout the country. We cannot help but reflect, however, what use it was after all and what was gained.

We do know that ten thousand workers lost three months' wages and 8,500 sympathy workers lost one month's pay, the commercial life of Windsor was disrupted and impoverished, the peacetime industrial re-conversion program was thrown a long way behind schedule, a general attitude of unrest was created among employers and workers alike.

After all this loss, things, as far as can be seen, are just where they started. Nothing was settled and all the matters in dispute have still to be negotiated.

A heavy toll has been paid because obstinate interests could not get together.

Those who were responsible for precipitating the strike have a lot to answer for.

**North Okanagan . . .**

Of course, nothing else had been expected in the North Okanagan by-election than a sweeping victory for the government candidate.

The coalition had a strong standard bearer. North Okanagan has been a solid Liberal seat for years. The people there had no reason to do anything else but vote as they did.

In fact, there seems to have been no justification for contesting the seat at all under the circumstances. The opposition candidates, of course, were able to deliver a little more political propaganda at the public expense, even if the people of North Okanagan were not very much interested in it.

**BOSTON MAN HAS OLD CHRISTMAS GREETING CARD**

Believes Card Published at Albany, N.Y., in 1839, Three Years Older Than Design in British Museum

BOSTON — Ernest Dudley Chase, greeting card designer, publisher and collector for 40 years, has found the world's earliest Christmas card—maybe. Published in Albany, N.Y., it will take the honor away from England, if he can verify the date, believed to be 1839.

"An 1842 design by W. M. Erley, Jr., of London, now holds the record," said the 67-year-old dean of American card designers.

"It was discovered in the British Museum just before the Second Great War. Up to then J. C. Horseley's card, published in 1846, was supposed to be the first."

An executive of Rust Craft Publishers, where his office walls bulge with enlarged replicas of old Christmas cards, Chase displayed the treasured find for which he paid \$150.

Sketched by Forbes and lithographed by R. H. Pease, Albany, the little rosy-tinted card has five panels of festive scenes. Beneath Christmas and New Year's greetings are lines for the names of sender and recipient. Across the top is a head of Santa Claus and the words: "Pease's great variety store in the Temple of Fancy."

A good detective like all collectors, Chase tracked down Pease to 1839, at which time the Albany directory listed him as an engraver, but is still not sure when the "Temple of Fancy" was founded.

"If only he'd put the date on," the card connoisseur sighed, adding: "But I'm quite sure it's the earliest American Christmas card."

In 24 Colors  
Chase considers the late Louis Prang, also a Bostonian, "the world's greatest greeting card publisher. Prang, in business in nearby Roxbury from 1874 until 1890, was, Chase said, "a genius in his own way. He printed Christmas cards in 24 colors. We do well nowadays to use five or six."

England, oddy enough, was Prang's first market and he was as successful there as in this country. His custom of offering annual prizes of \$2,000 and \$1,000 for designs attracted famous artists.

The Prang cards of 60 and 70 years ago were fringed and frosted and sometimes scented, so that lucky recipients could use them as sachets.

Christmas cards suffered an artistic decline when he died, Chase recalled and were brought back in the early 1900's by two other Bostonians, Alfred Bartlett and A. M. Davis.

Among Bartlett's designers were such great artists in type design as Fred Goudy, Bruce Rogers and W. A. Dwiggins. Poets Edwin Markham and Henry Van Dyke wrote Christmas greetings for Davis.

A publisher who lived to see the tremendous growth of the Boston-born greeting card industry is Chase's colleague, Fred Rust of Rust Craft, who came to Boston from Kansas in 1908. In the intervals of tracking

The keen in-eres, which daily newspapers take in municipal government keeps local politics honest, says Mayor Robert H. Saunders of Toronto. Mayor Saunders denied that newspapers try to dictate to local officials.

down old Christmas card designs, Chase found time to write an authoritative book on the subject, "The Romance of Greeting Cards."

He is frankly critical of many of his own innovations. The large poster Christmas greetings which he published 30 years ago, he dubbed "a flat failure."

CHOIR HAS BROKEN UP

Conductor C. A. Davis Is Honored Before Leaving For Winnipeg

"Farewell and Godspeed to you all," were the concluding words of a farewell speech made by C. A. Davis to the members of the Prince Rupert Male Choir and their ladies. The occasion was a dinner given in his honor by the members of the choir which took place in the "Old Landmark."

The proceedings started off with the guests singing "O Canada," followed by a toast to "The King," before settling down to a chicken dinner. Wits and wags in the company quickly brought the diners to a friendly and natural state of comradeship. The sweet was ushered into the dining room to the strains of the parody, "Neath the Crust of the Old Raisin Pie."

S. L. Peachey, president of the organization, was in the chair and spoke on behalf of the members. He extended to Mr. Davis the choir's sincere appreciation of his untiring efforts as conductor and spoke of the feeling of personal loss each of the members felt occasioned by the departure of Mr. Davis to take up new duties in Winnipeg. The necessity of discontinuing the choir and its pleasant associations was keenly regretted, said the president. He expressed the hope that a similar organization might be developed in the future when rehabilitation arrived at a more settled state. In conclusion he extended to Mr. and Mrs. Davis the good wishes of the members.

At the last business meeting in mid-November, Mr. Davis was the recipient of a handsome humidor as a token of appreciation. Other recipients on that evening were the able secretary and treasurer, L. S. Arroll and Gust Wallin, the latter being presented with a wedding gift. A Crawford, the choir pianist, was absent on that occasion, so the postponed presentation was made by the president with a suitable expression of appreciation for his able and willing services. Mr. Crawford accepted the gift with a brief word of thanks to the members.

Davis told of the enjoyment his association with the choir had given him and adjured the members to make an effort to reorganize the choir or organize one of mixed voices. He thanked the members for their wholehearted support during his term as conductor, and called for a vote of appreciation for A. Arnott, who had interested himself and had taken an active part in the work of the choir since its infancy. Mr. Arnott was about to leave town to resume his pre-war post.

A program of music was enjoyed by everyone. J. S. Anderson rendered two solos, "Tommy Lad" and "Red Devon by the Sea," which were well received. A Crawford's accordion selections were enjoyed, as also were W. H. Lewis's vocal solos, "Just Awearying for You" and "When Irish Eyes Are Smiling." The choir gave their hearts in rendering as a choir for the last time. The selections were "The Jolly Roger," "Comrades in Arms" and, later in the evening, "Ole Uncle Moon" and "In the Gloaming."

An enjoyable evening was spent by all and was brought to a close with "God Save the King."

### BIDS HEAVY FOR RADIO AUCTION

Bids for hometown talent—some of it of a very proficient calibre—crowded the Junior Chamber of Commerce radio auction program last night for an hour and a half and response of the audience, both in the studio and on the air, was good. About 40 performers shared brief spots on the program, which was allowed an additional half hour above its original hour time limit.  
Bids ranged from \$1 to \$12 although some of the best performers did not receive the highest bids. Among the outstanding performances were songs by Mrs. Terry Fortune, soprano, who sang "Always," Joe Popol bass, who sang "Dark Eyes" in Russian and English, Harley Lewis, tenor, singing "Irish Eyes," "Pop" and Mrs. Reel, who gave a vaudeville rendition of "Some of These Days," and Mat Waksdale, guitar and harmonica virtuoso, who played two marches.

The Prince Rupert Regiment band under the baton of Peter Lien played a lively march on a \$12 bid. Tiny Donna Boyd, aged two and a half, got a rousing ovation when she stood on a box by the microphone and sang "I Got Sixpense." Another juvenile performer was Dickie Sorenson, who played a drum solo while perched on the piano. His sister, Sonja, accompanied Dickie at the piano.

A turkey auctioned off at \$1 a bid was won by L. M. Felsen-thal, and a box of chocolate bars was won by M. Buchart.  
In addition to the first hour's program, which ran from 9 o'clock to 10 o'clock, an additional half hour on the air was allowed from 10:30 to 11 o'clock.

**TO POPULARIZE GLIDING**  
LONDON (AP)—Britain's air ministry has prepared extensive plans to make gliding a popular pastime. The few two-seaters which have up to now been available have, for the most part, been used for purposes not applicable to beginners.

**Gained 209 Seats**  
On June 25, 1,683 candidates were nominated, the government having 626 and Labor 603, the greatest number it ever placed before the electorate. The Liberal party, which had 18 members in the House, named 307 candidates.

The three major parties were agreed on vigorous prosecution of the war against Japan, collaboration with the United States and Russia, maintenance of the unity of the British Commonwealth and Empire, and early implementation of social security measures.

Labor, however, advocated nationalization of coal, gas and electrical industries, iron and steel, inland transport and the Bank of England. Conservative candidates spoke for freedom of enterprise and Mr. Churchill said Britain's greatness was built "on character and daring, not a docility to a state machine."

When the 25,037,107 votes were counted Labor had made a net gain of 209 Commons seats and the Conservatives had lost 172. Four cabinet ministers—L. S. Amery, secretary of state for India; Sir James Grigg, secret-

### LIBERAL AND CONSERVATIVE ARE ELECTED

SMMSIDE, P.E.I. (AP)—A Liberal and a Progressive Conservative were elected Wednesday in Prince Edward Island provincial by-elections in Prince county. The results left the standing of the provincial legislature unchanged from the last election with the Liberal government having 20 seats and the Progressive Conservative party ten.

Mr. Attlee, who at once supplanted Mr. Churchill as Britain's spokesman at the Berlin "Big Three" conference with President Truman and Generalissimo Stalin, chose his cabinet from men with long parliamentary experience. Among the most prominent were Ernest Bevin, made foreign secretary; Herbert Morrison, Lord President of A. V. Alexander, First Lord of the Admiralty; and Hugh Dalton, Chancellor of the Exchequer.

Mr. Churchill's deputy on the opposition benches is Anthony Eden, his former foreign secretary.

# Seasonable Ideas for Housekeepers

## Some Ideas For Meeting Last Minute Difficulties

"I hadn't a minute!" How often do you hear someone bemoaning the fact that the things which should have been done long before the holiday season just aren't ready. So often the holiday festivities are spoiled for the homemaker by a last-minute rush to make up for unpreparedness.

Home economists have some good ideas for meeting such difficulties.

If the stock pot hasn't provided a clear consommé for the first course, try dissolving a bouillon cube in boiling tomato juice and serving it piping hot.

Cold plum pudding requires no long steaming or "mellowing" as it will set and be ready to serve in two hours.

Cranberry mincemeat is a last minute idea too. It is used as soon as it is prepared. As a special holiday touch, bake a one crust pie with a generous filling and decorate the top with pastry stars. The cranberries in the mixture have color enough to give a festive appearance.

If there is time the day before to make a jellied salad that will solve one problem. Tomatoes, cranberries of beets all have the red color and serve equally well in spicy jellied salads.

### Cold Plum Pudding

- 2 tablespoons gelatine
- 1/4 cup cold water
- 1 1/2 cups boiling water
- 1/4 cup brown sugar
- 1/4 teaspoon salt
- 1 tablespoon butter
- 1 cup dry bread crumbs
- 1 tablespoon granulated sugar
- 1/2 teaspoon cinnamon
- 1/4 teaspoon ground cloves
- 1 orange, juice and grated rind
- 1 lemon, juice and grated rind
- 1/4 cup chopped nuts
- 1/2 cup raisins
- 1/4 cup citron or mixed peel

Dissolve gelatine in cold water. Add boiling water, brown sugar and salt. Let it stand until partially set. Melt butter, add crumbs and granulated sugar. Stir over low heat until well browned. Beat jelly until light.

Add other ingredients, pour into a greased mould. Chill until set. Six servings. Serve with foamy or custard sauce.

### Cranberry Mincemeat

- 1/2 cup cranberries
- 1/2 cup raisins
- 3/4 cup boiling water
- 1 orange, juice and grated rind
- 1 lemon, juice and grated rind
- 1 tablespoon chopped mixed peel
- 1/2 teaspoon salt
- 1/4 teaspoon ground cloves
- 1/4 teaspoon cinnamon
- 2 tablespoons sugar
- 1 apple, chopped
- 1 tablespoon melted fat
- Cook cranberries and raisins with boiling water for 5 minutes. Add other ingredients. Mix well. Use immediately. Makes generous filling for one 9-inch pie.

### Jellied Beet Ring

- 1 tablespoon gelatine
  - 1/4 cup cold water
  - 1 cup liquid from canned beets, or water
  - 2 tablespoons sugar
  - 1 teaspoon salt
  - 3 tablespoons prepared horseradish
  - 1/2 cup vinegar
  - 1 cup diced celery
  - 1 cup diced cooked beets
- Soak gelatine in cold water for 5 minutes. Bring beet liquid or water to boiling point. Add soaked gelatine and stir until dissolved. Add sugar, salt, horseradish and vinegar. When mixture begins to thicken, stir in celery and beets. Pour into a moistened ring mould and chill until firm. Unmold on salad greens and fill centre with cabbage salad. Six servings.

## HOW CAN I ???

By ANNE ASHLEY

Q. How can I renew a rusty grate?

A. Paint it with black lead, and leave it undisturbed for 24 hours, or if possible for about two days. The black lead will absorb the rust and the iron can then be polished in the usual way.

Q. How can I avoid breaking buttons when ironing a shirt?

A. Iron the button strip of the shirt on the wrong side with a folded towel placed beneath the buttons. This prevents the buttons from breaking.

Q. How can I make an economical sachet for dressers drawers?

A. By mixing 1/2 ounce of lavender flowers with 1/2 teaspoon of powdered cloves.

### Xmas Greetings Via Daily News: Reserve at Once!

A large number of Prince Rupert business and professional people have already made arrangements to convey their Christmas and New Year greetings to their customers and friends through the columns of the Daily News. We have a good many interesting ideas for seasonal greetings at the office and would suggest that those who wish to be represented should immediately call at the office or telephone 98 or 86. In order to avoid last-minute confusion and rush we are arranging these greetings and messages well in advance. A member of the staff will be glad to assist you.

## MUSIC BOOST—COUNCIL SINGS

Predictions for a new deal for culture generally, and for music in particular, are rife throughout the city as word spread that Mayor Daggett and the city's eight aldermen are grooming their voices to sing en masse on the radio auction program Saturday night.

Modestly discounting such rosy comment, Mayor Daggett said this morning that now that the bids had accumulated to the fairly substantial sum of \$46, City Council would certainly sing the "Last Roundup" as requested.

"Even though I don't know the words, I feel safe in saying that the song will be sung," His Worship asserted. He almost said "rendered."

With an unusually satisfied look on his face, City Clerk H. D. Thain set about finding a record of "The Last Roundup" from which he could copy the words of the western lyric. Also, he assigned the Council members their positions in the choir.

In its final public gesture, the 1945 City Council will be lined up as follows, according to the city clerk:

Mayor Daggett, tenor; Alderman Nora Arnold, Coloratura

### Crucial Game— Canadiens-Hawks Tie

#### Four-to-Four Score in National Hockey League

CHICAGO —The Chicago Black Hawks failed last night in their attempt to force a two-way first-place tie in the National Hockey League race. A victory in their clash with the Montreal Canadiens would have deadlocked them in front spot with the Habitants, but the best of the Windy City squad could do was to batter out a 4-4 tie.  
The Hawks tried hard. They came from behind twice and held a lead twice. But the Canadiens again displayed that certain something that has kept them at the top of the ladder thus far and squeaked Chicago's spirited attempt at victory. It was one of the fastest games every played on Chicago ice.

Despite a game try, the veteran Newport, Rhode Island, fighter, Oscar Suggs, went down before the hard-punching offensive of Montreal's Johnny Greco in a Portland, Me., bout Tuesday night. It was Greco's third triumph over Suggs. Greco landed a hook on the Negro's jaw as the fifth round opened and Suggs hit the canvas for the count of nine. The blow set up the kayo that followed. Greco stepped in and flattened his opponent for good.

Hurler Joe Krakaskus has arrived home in Hamilton, Ontario with a small draft of Air Force personnel after three years in the service. Krakaskus pitched for the Cleveland Indians prior to his enlistment but he has no immediate comment to make on his future plans.

The president of the Empire City Racing Association, Colonel Matt Winn, announces his retirement. He will be succeeded by James Butler, grandson of the founder of the association. Winn will serve as chairman of the Empire City board, as well as head of the Churchill Downs track at Louisville, Kentucky.

Bill McCallum, the Winnipeg sportsman, says he is prepared to underwrite expenses of a \$10,000 golf championship in Winnipeg next July if a go-ahead signal can be obtained from the Canadian Professional Golfers' Association. McCallum said in Winnipeg last night that he has been negotiating for the championship since last August but that no definite word has been received from the C.P.G.A. He said that he had been misquoted in a Winnipeg dispatch Monday night which said the Manitoba capital would be the scene of a \$10,000 dollar open championship next summer.

The 1946 New Brunswick bonspiel will be held in St. John February 5, 6 and 7. Entries will close January 31.

LONDON —Trade statistics for July and August, 1945, show goods to the value of about £3,000,000 (\$37,440,000) were exported from Britain for the relief of Europe.

### Modern Etiquette

By ROBERTA LEE  
Q. Would it be correct to serve children first at the dinner table, in order that they may finish and go out to play?  
A. No; this always makes the children selfish and rude. The grown people should always be served first, the children should be taught to be patient and to observe the laws of good manners.  
Q. Where should the attendants of the bride meet before proceeding to the church?  
A. At the home of the bride.  
Q. Is a man supposed to wear mourning for his mother?  
A. Some men do, but very few go further than to wear a black band on the left sleeve.
