VANCOUVER, Jan. 4 (CP) -Three British Columbia cities will be without street car and bus service beginning next Tuesday unless a complete revision of the National War Labor Board's findings is handed down. Spokesmen for the street railwaymen's union say about 4,200 workers in Vancouver, New Westminster and Victoria will strike in protest against the board's decision refusing wage increases and improved working conditions. Try this at bedtime tonight

• Do you sleep soundly and wake up refreshed, clear-eyed and buoyant, ready for the day's work? Or are your nights restless and disturbed, your mornings spoiled by fatigue and exhaustion?

. If you've been waking tired and listless, why not do as thousands today are doing-simply drink a cup of Ovaltine warm at bedtime. For Ovaltine does three things to bring vigorous morning freshness.

(1) Taken warm at bedtime, it relieves that feeling of nervous tension-helps the body relax for sleep without drugs. (2) Processed for easy digestion, it supplies light nourishment to prevent restless tossing and turning due to digestive unrest. (3) It supplies a variety and wealth of important food elements to rebuild body and nerve cells, replenish vitality to meet the morning.

Ovaltine furnishes not only essential vitamins, but also a combination of minerals, high-quality proteins and quick energy food elements which
