## Bulletin

### MORE IRAN TROUBLE

**TABRIZ**—The police chief of Tabriz was assassinated today as outbreaks and violence spread in northern Iran as a result of the continued tension between Russia and the Soviet government over occupation. Assassination of other Iranian officials was reported.

### MARSHALL TESTIFIES

**WASHINGTON**—General George C. Marshall, United States Army chief of staff, testifying today at the Pearl Harbor inquiry, said he knew of no commitment President Roosevelt had to declare war against Japan before an attack. As early as 1940 it had been feared Japan might make a surprise attack.

### UNEMPLOYED INCREASE

**OTTAWA**—At the latest count on November 23 there were 174,000 job seekers and 163,000 jobs in Canada, it was announced today. The margin between jobs wanted and opportunities increased by 30,000 in two weeks.

### NORTH OKANAGAN

**VERNON**—The coalition nominating convention for the North Okanagan by-election is being held today. Candidates so far in the field are Bernard Webber, C.C.F., James Reid, Social Credit, and Minerva Cooper, L.P.P. W. R. Smith of Vancouver may run as a Democrat.

### PRINCE KONOYE TAKEN

**TOKYO**—Prince Konoze, three times Premier of Japan, was arrested today on orders of General MacArthur.

### ELIZABETH COMING

**NEW YORK**—Undelayed by Atlantic storms, the giant liner Queen Elizabeth is due in New York at 3:30 tomorrow morning with 12,000 Canadian veterans on board enroute home.

### Gales Continue

## Storm Along Whole Coast

Search for Missing Aircraft Hampered—Tempest Toll in Seattle Four—Vancouver Fishermen Lost

Gales along the Pacific Coast from northern California to Alaska, visiting death and destruction around Seattle and Vancouver but from which Prince Rupert continued comparatively free, hampered sea and air search for a United States Navy transport, with 26 men on board, which has been missing since November 29 after leaving Kodiak for Seattle. Seven airplanes, carrying 54 servicemen, have disappeared in the five-week period during storms or bad flying conditions in the Pacific Coast region.

A new windstorm moved in on the Pacific Northwest today on the heels of a gale which took four lives yesterday and left two fishermen missing.

Lloyd Merryman and his son, William, disappeared in a fishing boat out of Steveston. Later the swamped boat was found but there was no sign of the Merrymans.

In Washington and Oregon two men were killed by falling trees—one by a falling power pole and a fourth was electrocuted by blown-down wires.

## NEW MOVE TO END STRIKE

**WINDSOR, Dec. 6**—A new move is reported under way to break the 86-day-old Windsor Ford strike. The Union is said to be sponsoring the new plan and both the negotiation and policy committees of Local 200 of the United Automobile Workers have given unanimous approval to the new settlement proposal.

The plan which must also be membership for approval—is said submitted to the general union to have been sent to Federal Labor Minister Mitchell.

### TO CARRIERS

**MONTREAL**—Ships carrying Canadian cargoes to Canada will carry passengers back to the United Kingdom. More than 1000 British citizens will be repatriated to the United Kingdom and about 200 Canadian war veterans will sail there also this month. The first troopships to handle the movement will be the Queen Elizabeth, which docks today in New York.

### NUERNBERG TO RECESS

**NUERNBERG**—The trial of 20 leading Nazis at Nuernberg will be recessed on December 20 for two weeks and the court will reconvene on January 2. Yesterday, the British prosecutor presented evidence showing that as far back as May, 1938, the Nazis had already planned the conquest of Estonia, Lithuania, Latvia, Poland, Czechoslovakia, Hungary and Austria.

### T OCHOOSE U.N.O. SITE

**LONDON**—The United Nations preparatory commission, meeting in London, opened debate today on the choice for the permanent site of the organization. Latin American delegates have voted unanimously in favor of the United States as the most logical place for the headquarters.

### ANOTHER ATOMIC PARLEY

**WASHINGTON**—It is expected that another conference of Canadian, British and United States officials on the atomic bomb will be held shortly in Washington. However, it is understood that this conference will not be on the same level as the recent one attended by President Truman, Prime Minister Mackenzie King and Prime Minister Attlee.

### RELATIONS WORSE

**LONDON**—Writing from western Europe, Canadian Press Correspondent Ross Munro says relations between the Allied soldiers and Europeans are getting worse. In the words of the correspondent—"They have been rather quick to forget the debt they owe the armies to which these men belong." However, Munro says, the fault is not all on the side of the Europeans. He says Allied soldiers, impatient for repatriation, do not always maintain the high standard of conduct set during the war.

### BOMBERS MISSING

**MIAMI**—Five Navy torpedo bombers have been missing in the Atlantic off the Florida coast since yesterday. A search plane, with 12 aboard, crashed in flames in the ocean last night.

### PRESERVE BEAUTY SPOT

**AMBLESIDE, Eng.**—Two hundred and fifty acres of Lake District farmland have been presented to the nation under the will of the late William Heelis, husband of the late Beatrix Potter, author of many children's books and creator of the famous character, Peter Rabbit.

## ATTEMPTS TO KILL HITLER

Revelations Made Today at International War Crimes Tribunal

**NUERNBERG, Dec. 6**—At the war crimes trial today three separate time-bomb attempts which had been made on the life of Adolf Hitler were revealed. One failed because the bomb was defective, a second when Hitler postponed a scheduled inspection of troops and the third when he changed his meeting place from a stone to a wooden building. The German intelligence department was back of all three attempts.

Hermann Goering shattered Czechoslovakia's last will to resist Hitler's war machine with an ultimatum that "half of Prague would lie in ruins from aerial bombardment within two hours," the international tribunal was also told today.

# Future Activity at Local Dry Dock

His Excellency the Governor-General, the Earl of Athlone, returned to Canada aboard the Queen Elizabeth on Monday, Nov. 19, accompanied by more than 11,000 veteran Canadian troops. Pictured above shortly after the great ship's arrival are His Excellency with Col. the Hon. Colin Gibson, Minister of National Defence for Air (right) and Hon. Paul Martin, Secretary of State (left). Col. Gibson greeted the Air Force and Army personnel on behalf of the Government and Mr. Martin was there to meet His Excellency. (RCAP Photo by F/O Roy).

## Escapes Gladly From Vancouver Unpleasantness

Vancouver, thinks Mrs. Robert McCarthy who just returned from a 10 day visit there, is a good place to stay away from at present. Prince Rupert, by comparison, is a pretty comfortable town to live in.

Mrs. McCarthy returned Wednesday on the Prince Rupert from the southern metropolis where she attended the Soviet-Canadian Friendship observances and, in addition, took the Fellowship Degree in the Women of the Moose organization. During her stay there, careful calculation revealed that the city enjoyed seven minutes of sunshine during the 10-day period.

"It rained and it rained," Mrs. McCarthy said. "The weather was far worse than what we have been having in Prince Rupert."

Crowded conditions and commodity shortages fill in the unpleasant gaps which the weather doesn't penetrate. Mrs. McCarthy noted. Customers stand in queues to purchase things which are relatively easy to get in Prince Rupert.

"People have to queue up to buy practically everything. I stood in three queues while I was there," Mrs. McCarthy declared. "In trying to get a box of chocolates I stood in a queue for three hours. The line became two and a half blocks long—and then I didn't get any chocolates," she said.

## Nationalists To Take Manchuria

**CHUNGKING, Dec. 6**—Negotiations will be completed within a few days whereby the Nationalist government will take over the administration of Manchuria.

## TRICKY JOB ON RAILWAY SPAN

**WINNIPEG, Dec. 6**—Chipping away at a five hundred ton block of concrete suspended some 60 feet high is no small job but it was done in the Assiniboine river high line bridge of the Canadian National Railways at Winnipeg. A crew of 10 men, with the use of air drills, broke down the high concrete counterweight on the lift span and the bridge has now become a fixed structure.

The men crawled over the big weight like ants, breaking off pieces of concrete which fell into a large wooden chute and slid to the river bank below. Inside the concrete was a steel truss which also had to be dismantled and taken down.

The bridge carries all the freight and passenger trains of the C.N.R. to and from the west and trains were not interrupted in the slightest during the operation.

## LONG BEACH HAS BLAZE

Million Dollars Damage Done As Result of Conflagration At California Port

**LONG BEACH, Dec. 6**—Flames continued burning today beneath the Consolidated Steel Co.'s outfitting dock after causing damage estimated at upwards of \$1,000,000. More than 1000 firemen fought the blaze which started after three explosions in the harbor area, possibly when an oil or gas line broke.

No serious injuries were reported but about 25 men were treated for burns and suffocation.

Two coastguard fire boats were lost in fighting the fire.

Temperature	
Maximum	40
Minimum	35
Rainfall	39

## EMERGENCY MEASURES DISCUSSED

**OTTAWA, Dec. 6**—The Emergency Powers bill received second reading in the House of Commons last night, despite opposition from the Progressive-Conservative benches.

Just before the vote, the Progressive-Conservative leader—John Bracken—asserted that his party would oppose the bill in amendment if it should pass second reading. He said the Progressive-Conservatives opposes the bill on the grounds that the powers it gives to the government are too sweeping.

The measure is designed to extend certain of the government's wartime powers beyond the official end of the war on January 1.

Speaking for the government, Justice Minister St. Laurent said the administration intends to retain wartime controls as long as they are necessary for the protection of the Canadian people. He said it is regrettable that such controls are required. But they are required, he declared, and the government is not afraid to go to the country to see that they are maintained as long as they are necessary.

## MORE LEADING JAPS ARRESTED

**TOKYO, Dec. 6**—Nine prominent Japanese have been ordered arrested by General MacArthur. They are wanted as war criminal suspects. Among those listed is Prince Konoze, three times premier of Japan. Arrest orders have also been issued for Marquis Kide, the closest advisor to Emperor Hirohito, the former Japanese ambassador to Germany, a member of the Japanese House of Peers, a leading journalist, and Japanese industrialist.

## Hockey Scores

Pacific Coast League  
San Francisco 9, Los Angeles 6

National League  
Boston 6, Chicago 3.

## REBUILD GUY'S HOSPITAL

**LONDON**—A rebuilding scheme to cost £2,000,000 (\$8,800,000) is planned for Guy's Hospital. Damage through enemy action reduced the hospital to 300 beds. It is proposed to add another 700 beds. One of the oldest parts of the building is to be demolished and a new building constructed on the site.

**EDINBURGH, Scotland**—Tramway workers protesting "spread over" shifts, agreed to a token strike every Saturday.

## Another Textile Plant Has Strike

**MONTREAL, Dec. 6**—A third plant of the Dominion Textile Co. became strikebound today as 600 workers failed to report for duty. This action brought the total of striking workers to 800. Picketers are on duty but no disturbances are anticipated. The workers are striking in protest against increased work which accompanies increased wages.

## Financial Aid—Britain To Have Loan

Sum of \$4,400,000 to be Advanced by United States

**OFFICIALLY ANNOUNCED WASHINGTON, Dec. 6 (CP)**—United States agreed today to give war-shaken Britain a credit of \$4,400,000,000 provided Congress was willing. The two countries agree to work together in an effort to achieve world-wide expansion of trade and job opportunities by reducing traffic, cartels and other trade barriers. The arrangements include an international trade conference next summer and the formation of an international trade organization.

In London it was announced Prime Minister Attlee would make an announcement to Parliament on the subject of the Anglo-American loan agreement after conclusion of the Conservative censure debate in the House of Commons Thursday night.

**LONDON, Dec. 6**—British newspapers have announced that the American government has agreed to lend the United Kingdom a total of \$4,400,000,000. The agreement, of course, would rest on approval or rejection of the plan by the United States Congress and the British Parliament.

It is expected that an official announcement of the agreement will be made later today in London and Washington.

The press announcements say the pact calls for repayment of the loan over a fifty-year period, starting in 1946.

## DUPLICITY OF HITLER

**NUERNBERG, Dec. 6**—Adolf Hitler secretly agreed on September 1, 1939, as the date of the invasion of Poland, five months in advance, while falsely proclaiming to the world that he had no thought of further aggression. German records introduced at the international war crimes trial disclosed today.

## NATIVE BURNED WHEN GILL NET BOAT EXPLODES

A native fisherman is in hospital here suffering from burns and shock resulting from an explosion aboard his gas boat near Port Edward yesterday. He is Joseph Tait of Port Simpson, owner of the gillnetter Grace II, which blew up with Tait and another native aboard.

The other man, whose name was not available here this morning, was only slightly burned. Both he and Tait were in the water almost an hour following the explosion which badly damaged the interior and upper work of the small vessel. They were rescued by a B. C. Packers' vessel which put out from Port Edward.

Tait received extensive burns and is suffering from shock. He was brought to Prince Rupert General Hospital Wednesday afternoon.

The damaged gillnetter was taken to Port Edward.

## SEND PARCELS EARLY URGED

**Christmas Shipping Will Be Heavy As Ever This Year MONTREAL, Dec. 6**—"It is most important that Christmas parcels be expressed early if they are to be delivered for Christmas" is the answer for George H. Griffin, manager of the Express Traffic Association of Canada to enquiries in connection with the forwarding of Yuletide gifts. He emphasizes that, notwithstanding the cessation of hostilities, there is every reason to believe that shipping during the Christmas season will be as heavy as in the past years and appeals to the people to assure delivery and avoid disappointment by shipping early.

The latest shipping dates for Christmas delivery to points in Canada are being published in the daily press by the Express Traffic Association for the information of everyone concerned and December 17 is the latest date specified for consignments within and to adjacent provinces while cross country parcels should be dispatched by December 12.

## PENICILLIN FOR CATTLE

**MANCHESTER, Eng.**—Research scientists in Britain are using penicillin to cure dairy cattle of nasitis, one of their most serious diseases, reports the Manchester Guardian. The results are "almost too good to be true," says Prof. Scott Watson, chief education and advisory officer of the ministry of agriculture.

## Canadian National Is Exploring Possibility of Building Steamers

Meantime Crew Will Be Reduced to 450 By End of January and 250 By End of February

**OTTAWA, Dec. 6 (CP)**—Transport Minister Chevrier said yesterday in the House of Commons that employment at the Canadian National Railways dry dock in Prince Rupert will be reduced to between 400 and 450 men by the end of January and to about 250 by the end of February. He said that the Canadian National was exploring the possibility of having one or more vessels built at Prince Rupert but plans were not advanced sufficiently as yet to permit of making a definite statement.

Mr. Chevrier was replying to inquiries made by H. G. Archibald, C.C.F. member for Skeena.

## Edward Johnson Conservatory Head

**TORONTO, Dec. 6**—Edward Johnson, noted tenor singer in his younger days and now manager of the Metropolitan Opera in New York, has been appointed chairman of the board of directors of the Toronto Conservatory of Music, thereby achieving a life-long ambition. Johnson is a native of Guelph, Ontario, and is the father-in-law of Premier George Drew of Ontario.

## Move For Hospital

**TERRACE**, Dec. 6—The unsatisfactory state of affairs in Terrace and district with regard to medical facilities was discussed at the regular monthly meeting of the Terrace and District Board of Trade Tuesday night. This was supported by the probability that Terrace might sometimes be isolated by wash-outs on the railway and on the highway, as happened quite recently. A recent editorial in the Daily News of Prince Rupert was quoted. This it was felt very well stated the position that Terrace as an up and coming community should have better facilities. The subject was taken up by the meeting in a lively talk and it was decided that there should be at an early date a meeting of the whole community, when a hospital board or a board suitably named might be formed. Its business would be to press for a decision regarding the fine military hospital that was built here during the war and which is not now being used.

There were the usual discussions regarding railway and highway matters.

In regard to the proposed party of welcome to returning soldiers, it soon became apparent that this affair was not so simple as at first thought. One speaker reminded the meeting that a large proportion of the men who served were not yet back in civilian life and it would seem to be cold comfort for them to learn when they eventually come home that a welcome was given to those who returned earlier. Another speaker pointed out that a proportion of them do not plan to remain in Terrace and that some have already moved on. The matter ended in good humor when someone suggested another party could be put on at a later date.

## THOMAS BLACK IS NOMINATED

**Nomination papers for Thomas Bennett Black, aldermanic candidate for re-election were filed yesterday afternoon with Returning Officer H. D. Thain. Proposer is Alexander MacKenzie and Cyril H. Orme is seconder.**

## WILL REPLY TO GENERAL HURLEY

**TOKYO, Dec. 6**—The diplomatic advisor to General MacArthur—George Acheson, junior—has announced from Tokyo that he will reply tomorrow to charges that he once advocated that the United States give lend-lease arms to the Chinese communists to destroy the Chungking government.

The accusation was made by the former United States ambassador to China—Patrick Hurley—in testimony in Washington before the Senate Foreign Relations Committee. Acheson was a counselor at the American Embassy in Chungking when Hurley was ambassador.

## JAVA HAVING UNEASY QUIET

**BATAVIA, Dec. 6**—Thirty-eight Indonesians have been killed in recent skirmishes in the Soerabaja sector, the British Command announced today. Thirty-one were killed in brushes south of the city and seven by Indian troops clearing a railway station near the naval base. Food shortages plagued European as an uneasy quiet settled over Java.

## LONDON SILENT ON HURLEY AFFAIR

**LONDON, Dec. 6 (AP)**—A Foreign Office spokesman said today that Great Britain considered the Chungking-Communist dispute in China "purely an internal situation and we hope it doesn't break out into civil war." He declined to comment on the remarks of Maj. Gen. Patrick J. Hurley in resigning as U. S. Ambassador to Chungking and the appointment of Gen. George C. Marshall to succeed him. The Communist Daily Worker, however, asserted that the change "presages still graver steps in American intervention in China."

The British ambassador to Chungking, Sir Horace Seymour, has just flown to London for consultations and is expected to give a first hand report on General Hurley's activities.

The combined minds of all the world make up modern intelligence. This intelligence MUST be made available, must have a vehicle by which it is conveyed to man; for man progresses only when he learns the universal language of facts. Your newspaper is that vehicle. It brings you those facts which you must have.

**A Northern Senator . . .**

If ever this part of the country—central and northern British Columbia—could well do with some friendly and earnest representation at Ottawa now is the time. There is a senatorial vacancy from British Columbia and these parts have a good claim to having the appointment made from this area. We have men of talent and experience eminently fitted for the post and men, too, if long and faithful, although not necessarily hide-bound, partly allegiance is to be taken into account, who are amply qualified. In fact, we have men with all the attributes required to grace the Upper Chamber and to add to its talents.

It is to be recalled that the nearest this part of the country ever attained to senatorial representation was many years ago when the late A. E. Planta of Nanaimo, who had once sat as Member of Parliament for Comox-Atlin, was later made a senator. As far as actual residence is concerned, we have never had a senator.

To have British Columbia's new senator a man identified with the north would be both timely and appropriate and would be a matter for particular appreciation just now when we appear to be somewhat detached from inner councils of the powers that be.

Since the north country is at last coming into its own, a senator from this area might well prove beneficial from a national standpoint.

**The Balkans . . .**

What moral right Soviet Russia has to dominate 70 million Balkan people is questioned. The Moscow commissars claim that the present puppet governments of the Balkans, sponsored by them, are truly "democratic." However, London, Washington and Paris, after investigation, do not agree with this claim. The truth is that the majority of the Balkan peoples is against Soviet rule. Greeks and Yugoslavs say, "We fought against Hitler's and Mussolini's new order to be free, not to be enslaved by another 'new order' of Communists."

The victory was accomplished by the combined efforts of great nations and small, who fought for the same cause: to stop the spreading of Nazism Fascism and the Japanese menace, and to uproot from the world such mediaval tyrannies in order to restore peace to the nations and assure them freedom in choosing their own way of life. News from Greece, Yugoslavia, Rumania and Bulgaria is today, however, that the tyranny is only being replaced by a new totalitarian regime.

The Balkans is still the most troublesome area of the continent as it has been intermittently throughout the last century. One of the ostensible causes of the failure of the conference of Foreign Ministers in London was the question of the Balkans. This question is of prime importance to the future peace of Europe, the Mediterranean and the Near East. It seems clear that Soviet Russia's intention is to take control over all the Balkans thus giving her a position which will provide the basis for fulfilling her dream of establishing control over the Mediterranean as well as the Middle East through which runs the road to India.

The present tragic crisis which is threatening the Balkan nations is not just a local problem. It is also the problem of the British Commonwealth of Nations. Already Canada has had to join in two wars which started in the Balkans and Central Europe.

Complete independence and unity of the Balkan Nations is essential to the realization of a permanent peace and future security of the Mediterranean and Europe and the world.

**SPEAKS ABOUT SCHOOL HEALTH**

Responsibility of Parents Emphasized by Dr. Hershey

The part which local Health Units play in relation to the school system was outlined to the school board last night by Dr. James M. Hershey, assistant provincial health director, in speaking at the board's monthly meeting. Dr. Hershey saw the work of the public health doctor and nurses in the schools as "only a part of the community health service."

"It is obvious," he said, "that the old idea of the nurses spending a great amount of time in the schools is no longer necessary. Children spend only a part of their day in school and the rest of the time they are subject to the general conditions of the community."

"There are specific programs in the schools—immunization,

nutrition and others—but the idea that the nurses should spend all their time at the schools just to be present when an accident occurs is a wasteful procedure. The school health program is only a part of the community health service and the teachers in most cases can assume responsibility for the minor accidents and ought to be able to render first aid in case of more serious accidents."

The provincial public health service, Dr. Hershey said, recognizes the importance of parental responsibility for children's health and is aware of the important place of the private medical practitioner in the public health set-up.

"The public health authorities have their part to play but they are in favor of seeing the parents take more responsibility in seeing that the family doctor should look after the health of the school child."

Dr. Hershey said that he favored the idea of the Health Unit authorities submitting interim

**Fined \$1,000 For Price Infraction**

A. W. Lipsin of Acme Importers, was fined \$1,000 and \$3.75 costs in city police court when he pleaded guilty before Magistrate W. D. Vance to a charge of selling men's clothing articles at a price higher than that authorized by the Wartime Prices and Trade Board. The charge was laid by C. W. Rimmer, Prices Board investigator.

Dr. J. M. Hershey, assistant provincial health officer, who has been in the city for the past few days on official duties, will sail tonight by the Prince Rupert on his return to Nanaimo.

reports to the Union Board of Health, the controlling local body, so that representatives on the board can keep posted on the trends.

Annual reports are necessary but they are long and tiresome to read. Interim reports are short and more timely," he said.

**ROYAL BANK APPOINTMENTS**

Sydney G. Dobson, Vice-President and General Manager of The Royal Bank of Canada, whose appointment as Executive Vice-President is announced.

Bunham L. Mitchell, Toronto, newly appointed Director and Vice-President of the Royal Bank, has been Assistant General Manager since 1935. He will continue to make his headquarters in Toronto.

James Muir, Assistant General Manager for the past ten years, who succeeds Mr. Dobson as General Manager of the bank.

**"¿Me anda usted buscando?"**

"ARE YOU LOOKING FOR ME, SIR?"

This South American may owe you money . . . or control supplies you would like to buy . . . or be looking for goods you have to sell. You want his name and address, the nature and extent of his business . . . and his credit.

We can put you in touch with him . . . and in the right way. We know South America. We have had our own branches there for over 31 years. During that time we have formed business associations which can be of inestimable value to you—if you are planning to share in the tremendous two-way trade now opening up with the South American republics.

We are the only Canadian bank with its own branches in South America. Our officers have been in direct contact with the rapid and drastic changes in business conditions made down there by the war. Their services are at your disposal. Correspondence is invited.

Mrs. A. E. Falconer of Hazelton arrived in the city on last night's train from the interior and will sail tonight for Vancouver enroute to Duncan, Vancouver Island, where she will take up residence for the time being at least.

NOTICE

A meeting of the Committee for continuance of work at the Prince Rupert Drydock will be held in the Council Chambers, Friday, December 7th, at 8 p.m. All organizations interested please send one or two representatives.

H. M. DAGGETT,  
Chairman,  
Industrial Development  
Committee. (282)

▲ Meeting of Job's Daughters, Friday, Dec. 7, 8:00 p.m. sharp. Installation of officers, silver march and social. (283)

Mr. and Mrs. James M. Smith of Terrace arrived in the city on last night's train for a brief visit, returning to the interior this evening.

Mr. and Mrs. Percy Grainger of Terrace arrived in the city on last night's train from Terrace and are leaving tonight on the Prince Rupert for a month or six weeks vacation in Vancouver and elsewhere in the south.

▲ Public Meeting, Friday, December 7, 8 p.m., Oddfellows' Hall. Films—"Valley of the Tennessee"; "Great Lakes." Speaker, Breen Melvin, Extension Department, U.B.C. Sponsored by Prince Rupert Fishermen's Co-operative Association.

Gordon Kerr, who has been operating the light plant at Terrace, and two sons arrived in the city from the interior on last night's train and will sail this evening on the Prince Rupert for Victoria where Mr. Kerr is to locate in future.

Plying Officer Tom Hawthorne D.F.C., who has been overseas for two and a half years with the famous "Ghost" squadron, arrived in the city yesterday to take up residence with his brother-in-law and sister, Mr. and Mrs. Ray Allen, 665 East Eighth Ave. He has been in Vancouver for the past month since arriving on the New Amsterdam.

VICTORIA GIRL MARRIED HERE

Miss Barbara Dawson  
Becomes Bride of Warrant  
Officer Brown

The altar of First Presbyterian Church was bright with pink, white and gold chrysanthemums last night during a marriage ceremony in which Miss Barbara Dawson, daughter of Mr. and Mrs. C. F. Dawson, of Victoria, was united to Warrant Officer Gilbert L. Brown, R.C.N.V.R., also of Victoria. The rite was performed by Rev. A. F. MacSween.

Given in marriage by her father, the bride wore a floor-length gown of white chiffon with fingertip veil and Queen Ann headdress. She carried a bouquet of red and white roses with streamers.

Matron of honor was Mrs. Es-  
telle Restall, of Victoria, who wore a gold stain floor-length

gown with matching Juliet cap and carried a bouquet of bronze chrysanthemums.

Groomsman was Lieut. Frank Pidgeon, R.C.N.V.R. Art Ogilvie and Bill Jarmon were ushers.

During signing of the register Mrs. Yvonne Schaefer, soloist, sang Greig's "I Love Thee." Mrs. E. J. Smith was accompanist.

A navy cutlass was used by the bride to cut the two-tier wedding cake at the reception at Reid's Cafe following the ceremony. More than 100 guests attended the function. The room was decorated with pink and white streamers and wedding bells for the occasion. Toast to the bride was proposed by Rev. A. F. MacSween and was acknowledged by the bridegroom.

A bright feature of the reception was a vocal solo by the bride, who sang "Because."

Following the reception Warrant Officer and Mrs. Brown left on the Prince Rupert on a honeymoon trip to Ketchikan. For travelling the bride wore a dress of pale blue wool with matching hat and veil. They will live in Prince Rupert where W/O Brown is posted with the navy.

PASSED AWAY  
ABOARD TRAIN

William S. Anderson, Es-  
teemed Resident of Terrace,  
Succumbs Following Heart  
Attack

While being brought to the city with a view of being placed in the Prince Rupert General Hospital after having been stricken with a heart attack at his home at Terrace Tuesday night, William S. Anderson, well known and highly esteemed citizen of a quarter of a century's standing in the interior town, expired aboard train at 8:30 last evening. His wife and Mrs. Nigel Sherwood, acting as a nurse, were with him at the time. The end came while he was sleeping comfortably in a compartment.

Born in Scotland, sixty-one years ago, the late Mr. Anderson, before leaving the Old Country, worked on the estate at Glamis of the Earl of Strathmore, father of Queen Elizabeth, where a daughter was born who was named after the Queen.

Mr. Anderson had been a resident of Terrace since 1920. For years he was in charge of the provincial department of public works shop. He also had a fine farm on the Bench where he specialized in raising of bees, the honey he produced being popular on the market. He recently sold the farm and took up residence in Terrace town. Two years ago his health began to fail and he had lived in retirement since that time.

Deceased was a past master of the Masonic Lodge at Terrace.

Besides his widow, Mr. Anderson is survived by a son, George, in Prince Rupert, and a daughter, Mrs. George (Elizabeth) McAdams of Terrace.

The remains will be taken on this evening's train to Terrace where the funeral will be held.

TO THE ELECTORS

OF PRINCE RUPERT  
I am offering myself again as a candidate for election as Alderman. In 1943 and 1944 elections you consistently elected me and during that time I have been a member of the Health, Police, Relief and Licensing Committees, for two years member of the Finance Committee and have been the City Council representative on the Union Board of Health, the Recreational Council, the Public Relations Council and many other special committees. I have been a member of the Library Board for twelve years and chairman in 1945, and citizen's representative on the Civic Centre Association executive, for three years.

In asking for your vote again, I wish to be judged solely on past performance and if you think my services have been a useful contribution I trust that you will again favor me with your vote.

I represent all classes of voters and am guided only by my desire to serve the best interests of the city and its citizens.

ALDERMAN NORA E. ARNOLD.

MODERNIZING  
OF ELEVATOR

Improvements which it was felt should be made to the local grain elevator to bring it up to date and permit of more efficient grain handling were discussed at the meeting of the Prince Rupert Chamber of Commerce Monday night. An inconvenience which the war had brought to the elevator dock was the installation thereon of fuel oil pipes by the Navy. The question of improved sacking facilities was also mentioned. The outcome was the sending of a request to the government that steps be

taken to modernize the plant. The whole idea was that the house should be put in shape so that fuller use of it might be made in the shipment of grain through the port.

GALLANT INDIAN ARMY

LONDON — The Indian Army's part in the victories which led to the Japanese surrender is acknowledged in news-reels being shown in the United Kingdom. The commentator pays a fine tribute to men of the veteran 5th Indian Division, which was the first to land in Malaya.

### DISEASES OF SANITATION

Cause Far More Deaths Than Communicable Ailments—Public Health Service Benefits

"More children die in Canada from the diseases of faulty sanitation—dysentery and the so-called stomach flu—than from all the communicable diseases multiplied by 10," Dr. J. M. Hershey, director of the Nanaimo public health unit, assistant provincial health director and himself a Gyro, told the Prince Rupert Gyro Club at luncheon yesterday. The diseases due to faulty sanitation were of national importance, he said.

Discussing the matter of communicable diseases, Dr. Hershey dismissed chickenpox, measles and mumps as something that did not need to be worried about and which would come and go no matter what might be done about them. There need be little harm from them but there were more serious communicable diseases which should receive serious attention and about which something could and was being

done in the way of immunization. Public health is an accepted service now, declared Dr. Hershey, and is supported by the governments of all up-to-date nations. The service and its beneficial results more than justified the outlay it had been admitted.

"Our business in the field of public health service is primarily preventative but it complements the curative side of medicine," the doctor continued. "The field of our service is constantly expanding and has by no means reached its peak as yet. Our problem is not one of work to do but of obtaining personnel."

Dr. Hershey described health service work among children, the importance of which he emphasized. This work commenced in the pre-natal stage and was continued through the life of the child both before and during school.

Nutrition came in for discussion by the speaker who observed that, during the first year of a child's life, the tendency was to pay particular attention to the feeding, only to shove the child into the world after the first year as far as nutrition was concerned and permit it to sit at the table and eat like everyone else which was not right.

The importance of mental hygiene came in for emphasis from Dr. Hershey. Here was a public health problem if there ever was one, behaviour problems war-

"Symphony No. 101 in D Major" (The Clock) (Haydn) Philharmonic Orchestra of New York under the direction of Arturo Toscanini.

anted the most serious attention both in the home and school and, indeed, after school.

#### What Public Health Has Done in Rupert

Dr. Hershey recalled a visit he had made here on public health business two and a half years ago. It was interesting to come back now and see what public health service had accomplished in Prince Rupert. The sanitary inspector had done an excellent job and the public health nurses had been carrying out work the extent and importance of which was not generally recognized. He concluded by emphasizing the necessity of the public health being maintained constantly in the interests of the health of the community and the consolidation of the benefits already achieved.

President (Dr.) J. J. Gibson was in the chair. C. P. Bussinger of Telkwa was a guest and Don Forward, a former member, was welcomed back on his return from Vancouver.

Dr. R. G. Large made a brief report to the club on new developments in regard to the consummation of the civic centre project here now that the war is over.

### Whifflets From The Waterfront

Two Big Holes in Tanker Illinois—Dr. Large's New Boat in Port

Survey of the Texas Oil Co.'s tanker Illinois, which was towed into port last Saturday from Alaska waters where she had been stranded, has disclosed two large holes in her hull as a result of the ripping of her bottom on Morris Reef. Decision as to what is to be done in the repairing of the vessel, now on the pontoons at the local dry dock, has not yet been made but it will at least be necessary to effect some patching up here in order that she may be able to travel to a southern port unless it is decided to carry out the entire job at Prince Rupert.

Dr. R. G. Large is well satisfied with the performance of his new power yacht Fusilier with which he returned at the first of the week from Vancouver where the trim vessel was purchased from P. J. Dawson, owner of the Plaza Theatre of that city. Just out of war service with the Royal

Canadian Air Force to which she had been loaned, the 45-foot bridge deck cruiser behaved well under the testing of the 500-mile voyage up the coast from Vancouver in typically boisterous fall weather conditions. Departure was made from Vancouver on Tuesday afternoon of last week at 1 o'clock and Prince Rupert was reached at 5 o'clock Sunday evening. The trip was made in fifty-six hours running time with overnight stops at Pender Harbor, Alert Bay, Namu, Bella Bella and Butedale. Accompanying Dr. Large on the trip were Dr. J. P. Cade, Tom Wilford and Elmer Eburne, the last-mentioned newly discharged from the navy. The Fusilier is now in the berth at the Prince Rupert Rowing & Yacht Club which was occupied before by Dr. Large's former boat, Soogwills, which was destroyed by fire in Alaska waters during the past summer.

Docking here for two hours on her way north at noon Wednesday, the Princess Norah, Capt. P. L. Leslie, took on 10 passengers for Ketchikan and Juneau. Except for being held up for four hours Tuesday night by a snowstorm, the vessel had an uneventful trip from Vancouver. She disembarked no passengers at Prince Rupert.

REPLACE SINGAPORE DOCK NEW DELHI — The New Delhi radio announced that a new floating dock (1,000 ft.) to replace the King George V dock is to be towed from England to Singapore as soon as possible. The King George V dock was sunk by the British in 1942, refloated by the Japanese and then sunk by Allied air raids.

**1,234 STUDENTS ATTEND SCHOOLS**

Student enrolment at the city's schools totalled 1,234 during November the monthly report of principals considered by the school board last night revealed. The total was about the same as in the previous month. At Booth Memorial High School enrolment was 514 pupils—316 in the junior high school and 198 in the senior. Student attendance was 93 per cent. Mr. O'Neill reported that the grounds beautification program had begun with the laying out of grass plots and preparation to plant shrubs. Poor condition of the grounds was a great handicap to outdoor sports and physical training, however, Mr. O'Neill's report continued. Recent rains had left pools of water on the grounds, making it difficult to find space for playground activities.

**YOURS AGAIN AS SOON AS POSSIBLE.**

The board found itself faced with the need to hire four new teachers for the coming term due to the resignations of Miss Margaret MacDonald, Conrad Street primary teacher; Miss Virginia Smith, Conrad Street Grade Two teacher; S. L. Richardson, Booth social studies and English teacher, and Mrs. J. M. Summerside, King Edward primary teacher.

SHERIFF'S SALE IN THE COUNTY COURT OF PRINCE RUPERT HOLDEN AT PRINCE RUPERT THE WORKMEN'S COMPENSATION BOARD

GEORGE THOMPSON Pursuant to a Warrant of Execution, to me directed, against the goods of the defendant, George Thompson, I have seized and shall offer the following goods for sale on Thursday, December 20th, 1945, at the office of the Sheriff, Court House, Prince Rupert, B.C., at 2:00 o'clock in the afternoon:

1 Sawmill, located on a spur of the C.N. Ry., about 1 1/2 miles east of Shames, B.C., together with all machinery, tools, camp and camp equipment, logs, trucks, sawn timber, logging equipment and incidentals, belonging to the said defendant, and also one 2-ton truck located at No. 1363 Sixth Avenue East, Prince Rupert, B.C.  
An inventory of the goods may be seen at the office of the Sheriff. Arrangement for inspection of the property may be made with the Sheriff.

At King Edward elementary school 317 pupils were enrolled. Attendance was 92 per cent. Principal Miss E. A. Mercer reported. War savings during the month were \$174.75, bringing the total school's war savings for the term so far to \$519.

At Borden Street School, enrolment was 291, according to the report of Principal John S. Wilson. Attendance percentage was 92. During the month \$182.72 was invested by the pupils in war savings, bringing the total for the term so far to \$653.25.

Enrolment at Conrad Street School was 292, with a percentage attendance of 90. War savings for the month totalled \$10.75 and an additional \$10 was raised.

**Resignations Of Teachers**  
The board found itself faced with the need to hire four new teachers for the coming term due to the resignations of Miss Margaret MacDonald, Conrad Street primary teacher; Miss Virginia Smith, Conrad Street Grade Two teacher; S. L. Richardson, Booth social studies and English teacher, and Mrs. J. M. Summerside, King Edward primary teacher.

The board accepted an application from Miss Rena Cunliffe for a teaching position at Conrad Street School.

**NO END OF STRIKE YET**

**Dispute at Ford Plant Seems No Nearer Settlement—Sympathizers Return to Work**

WINDSOR, Dec. 6 @—Eighty-five hundred Windsor area automobile workers, members of Local 195 of the C.I.O. United Automobile Workers of America, are gradually returning to work after their sympathy strike. But the strike situation in the city is not exactly bright. Many of the 8,500 are employed in plants which supply parts to the Ford Motor Company of Canada and, unless these companies want to accumulate stock piles of parts, they will be forced to switch to the production of some other product or discharge the men.

The Ford strike, meantime, does not seem any closer to a settlement than it did when it started on September 12.

**TED EATS WELL AND THRIVES NOW!**

Authorities say the difference between husky children and those who are poor eaters, underweight and nervous is often simply a matter of proper nourishment, especially an adequate supply of vitamins.

But vitamins alone are not enough. For authorities now agree that vitamins do not work alone. They work as a team with certain other food elements.

For this reason, thousands are switching to Ovaltine. Unlike mere "vitamin carriers," Ovaltine food beverage contains not only extra vitamins but nearly all the precious food elements needed for health and top vitality. These include Vitamins A, B1 and D, the important minerals calcium, phosphorus and iron, high quality proteins and quick energy fuel-food—a combination of food elements authorities agree are needed for best results.

So, if your child is thin, nervous and not developing properly, why not turn to Ovaltine as thousands are doing. Three normal meals plus two glasses of Ovaltine a day give your child all the extra amounts of vitamins and minerals needed for health and top vitality.

### BRUIN LEAD IS INCREASED

BOSTON, Dec. 6—The Boston Bruins extended their National Hockey League winning streak last night by defeating the Chicago Black Hawks 6-3 on Boston ice. With the victory, the Bruins stepped into sole possession of the league's second-place berth.

The Bruins jumped into the lead early in the game, chalking up three goals in the first 20 minutes of play. Bep Guidetti, Bill Shill and Long Jack McGill did the honors. Chicago remained scoreless.

However, in the second period, the visitors scored twice, Johnny Mariucci and Don Grosse flashing on the red light before and after Woody Dumart collected the fourth Boston goal.

Eddie Wares, who was off the ice when Grosse scored his goal unassisted, came back on the ice to move the Hawks to within one goal of the Bruins in the sixth minute of the third period. Inspired by this goal, the Hawks turned on all their power. They blitzed the Boston area repeatedly, but left openings for Boston centre Milt Schmidt to bat in his first goal of the season late in the final stanza. Herb Cain completed the Boston scoring.

### BOWLING PLAY IN TEN PINS

McMeekin's Leads in Standing — Joe Scott High Scorer

McMeekin's are still holding the lead in the Men's Ten Pin Bowling League with Savoy keeping pace a scant game behind. Joe Scott of Gyro Club is setting the pace for individual scoring, having rolled the high single of 220 to date and also the high three-game aggregate of 527.

The latest fixtures resulted as follows:

Team	Won	Lost
McMeekins	13	5
Savoy	12	6
Gyro	10	8
Pioneer Laundry	9	9
Post Engineers	9	9
Plumbers	9	9
P. Engineers	8	10
Imperial Oil	5	10
Printers	3	12

### RANGERS WIN IN EXHIBITION

MONTREAL, Dec. 6—In an exhibition game in Shawinigan Falls, Quebec, last night, the National Hockey League New York Rangers defeated the Shawinigan Falls Cataracts of the Quebec Senior Hockey League 7-3. The Rangers were paced by a four-goal spree by Grant Warwick. There were two games played in the Quebec Senior Hockey League during the evening.

In Quebec City, the Aces defeated the Valleyfield Braves 4-3 and in Ottawa the Senators maintained their second place berth by defeating the luckless Hull Volants 5-2.

There was one Provincial Senior Hockey League game, and that ended in a draw, Dummondville 7, Lachine 7.

Over in the Ontario Hockey Association Senior A loop, the Toronto Staffords trounced the Hamilton Pats 8-3. And Owen Sound nosed out Stratford 3-2. In O. H. A. Junior A play, Hamilton Lloyds defeated the Toronto Young Rangers, 4-3.

of baseball. Everything in baseball should be under the Commissioner's office."

### KINSMEN MAY FIGHT FIRES

Voluntary Auxiliary Brigade Being Considered by Service Body

Prince Rupert Kinsmen Club may organize a voluntary auxiliary fire fighting unit to work in co-operation with the city Fire Department in fighting major fires. An appeal for such an organization was made at a meeting of Kinsmen in Reid's Cafe last night by Fire Chief H. T. Lock and the club is considering the proposal.

Chief Lock proposed to the Kinsmen that they organize an auxiliary fire fighting unit to operate the small, 500-gallon per minute trailer pump which the city recently acquired from the defunct A.R.P. unit here.

"It would be a service which might be of real value, and one which I believe a group of young business men such as yourselves would be capable of rendering effectively," Fire Chief Lock told the Kinsmen.

He suggested that a force of

eight or 10 men would be sufficient to man the pump in case they were needed.

The department set-up, where in the United States Army and Canadian military fire departments co-operate with the city in major fires will soon be discontinued, the Fire Chief said, and some other auxiliary force such as the one he suggested, would be a source of real assistance.

President N. M. Carter thanked Fire Chief Lock for his suggestion and assured him that the proposal would be given serious consideration by the club.

### FRED ALLEN IN COMEDY

"Fifth Chair" Showing at Capitol Theatre Here This Week-end

An interesting roster of screen and radio stars is mustered in a comedy extravaganza "Fifth Chair" featuring Fred Allen, which comes to the Capitol Theatre here at the end of the week. Included in the cast are Don Ameche, Binnie Barnes, Robert Benchley, William Bendix, Jack Benny, John Carradine, Jerry Colonna, Victor Moore, William Terry, Sidney Toler and Rudy Vallee.

Most of the story centres on Allen and Benchley who portray respectively the impresario of a flea circus and a professional insect exterminator. Benchley's son, enacted by Terry, and Allen's daughter, portrayed by Gloria Pope, provide the romantic interest, further complicating a rivalry between the fathers. Miss Barnes is Allen's wife, Bendix heads a band of gangsters, Carradine is a colorful shyster, Colonna is a psychiatrist, and Toler a police inspector. In one sequence of the picture Allen and Jack Benny renew their feud. In another Don Ameche, Victor Moore, Rudy Vallee and Fred Allen are spotlighted as a quartette of singing waiters in a night club.

### SCHEDULE OF MEN'S BOWLING

Schedule for the second quarter of the Men's Ten Pin League is announced as follows:

December 13—McMeekin's vs. Post Engineers Plumbers, Imperial Oil vs. Gyro, Pioneer Laundry vs. Printers.

December 20—Savoy vs. Imperial Oil, P. E. Plumbers vs. Pioneer Laundry, McMeekin's vs. Printers, Post Engineers vs. Gyros.

Jan. 3—Gyros vs. Imperial Oil, Printers vs. P. E. Plumbers, Post Engineers vs. Savoy's, Pioneer Laundry vs. McMeekin's.

Jan. 10—Post Engineers vs. Pioneer Laundry, P. E. Plumbers vs. Savoy, Gyros vs. McMeekin's, Imperial Oil vs. Printers.

Jan. 17—Post Engineers vs. Printers, Savoy vs. McMeekin's, Pioneer Laundry vs. Imperial Oil, P. E. Plumbers vs. Gyro.

Jan. 24—Pioneer Laundry vs. Gyro, Plumbers vs. Imperial Oil, Post Engineers vs. McMeekin's, Printers vs. Savoy.

Jan. 31—McMeekin's vs. Imperial Oil, Gyro vs. Printers, Pioneer Laundry vs. Savoy, P. E. Plumbers vs. Post Engineers.
