Free Chest X-ray Here Next Month

The Unit to Spend Six Months Here—Available Every Person

Everybody in Prince Rupert has the highest rate of tuberculosis in British Columbia. You will have the chance to receive a free chest X-ray when a mobile unit, recently put into operation by the British Columbia Tuberculosis Society and equipped with three X-ray technicians by the Provincial Board of Health, makes a twelve-day tour in this city.

On various occasions the unit will be stationed in convenient positions in the city. In all it will be about six weeks here from the middle of June to the middle of August.

Photographs will be taken of each person appearing for examination. This will determine whether or not a person is suffering from tuberculosis.

Prince Rupert Kinsmen's unit is co-operating with the Ruppert Health Unit in conducting the mass survey unit. From Prince Rupert it will travel to Port Edward and return to interior points.

Career of New Bishop

Started Life as Draper's Assistant—Heard Call to Missions in Canada

The elevation yesterday of the Very Rev. J. B. Gibson, Dean of St. Andrew's Cathedral, to the position of Bishop of Caledonia is a step forward in the career of a churchman which began in Canada in 1906 and which has included a wide field of work in Saskatchewan and British Columbia in the years since that time.

Born in 1891 in the city of Armagh, Northern Ireland, Bishop-elect Gibson received his education in the National School at Moy County, Tyrone, Ireland. Leaving school, he was apprenticed to the drapery business in Portadown in the centre of Ireland's linen trade, where he remained for eight years. During that time he took an active interest in church work, especially in the slums of that industrial city.

While engaged in that work he felt the call to become a missionary and entered the Church Missionary Society preparatory college at Blackheath, London, England, where he was studying when the Colonial and Continental Church Society sent out a call for men to carry on the work of the church among the pioneer settlers in northern Saskatchewan. In response to that call the young man came to Canada, arriving in Saskatoon in September, 1906. The following year he entered Emmanuel College, then at Prince Albert, from which he was graduated in theology in 1910, being ordained a minister the same year. Emmanuel College was later moved to Saskatoon to become part of the University of Saskatchewan.

Bishop Gibson's first parish was St. Cuthbert's, at Perdue, Sask., where he remained until May, 1912, when he was elected to the rectorship of St. John's Minister, Lloydminster, Sask.

Rector at Lloydminster for eight years, he was appointed to Anyox by the late Archbishop Du Vernet of Caledonia. He took residence at Anyox in November, 1920, where he remained for four years until transferred to Smithers. At the consecration of the late Bishop G. A. Rix, Bishop Gibson was chosen to become rector of St. Andrew's Cathedral in Prince Rupert in September, 1928.

His home is at 674 4th Ave. E., where he and Mrs. Gibson reside. The new bishop has two daughters and one son, Eileen, on the staff of the city schools, Noreen, with the R.C.A.F. Women's Division at Clifton, Ont., and Capt. Henry Gibson, Royal Army Medical Corps, who was recently released from a German prisoner of war camp.

The Bishop-elect has been a member of the Prince Rupert Rotary Club since 1928.

His consecration is expected to take place in late July or August.

NAVY WAS NOT RESPONSIBLE

Their Dissatisfaction Had No Bearing on Riots in Halifax

HALIFAX, June 14.—The naval commander-in-chief of the Canadian Northwest Atlantic at the time of V-E Day riots in Halifax, Rear Admiral L. W. Murray, said yesterday that dissatisfaction among navy personnel had no bearing on the disturbances. He said that there was some dissatisfaction among personnel, specially married men, because of overcrowded accommodations in the wartime port. However, he said he did not think there was any unrest and pointed out that there was no conflict between the service and civilian population on V-E Day.

Statement of Policy Made Today—Viceroy to Be British

LONDON, June 14 (CP)—The British government, in a sweeping new deal for India, proposed today a new executive council which would be almost entirely Indian and, in the words of the viceroy, Viscount Wavell, would "represent a definite advance on the road to self-government." Secretary of State for India Amery unfolded the statement of policy to Parliament.

Lord Wavell announced in New Delhi that orders had been given for release of members of the working committee of the All Indian Congress party still in detention. Mohandas K. Gandhi, spiritual leader of the party, had been released May 5, 1944, after 21 months' detention. A government white paper emphasized that its main position remained as it was—"working out of India's constitutional system is a task which can only be carried through by the Indian people themselves."

Lord Wavell promised that India would have an all Indian council except for the viceroy and commander-in-chief. A conference with Indian leaders is called for July 5 to form the new council.

Convention For Rupert

District Kinsmen to Assemble Here in 1947—Support New Recreational Council

With the delegates, travelling north on a chartered steamer which will be their living quarters while here, plans are being already made for the holding of the 1947 district convention of the Kinsmen's Club in Prince Rupert. The proposal was initiated at the recent district convention in Victoria and was conveyed to the local club last night by President Gordon Bryant.

Nelson will be the 1946 district convention city. The president reported that Terry Rosling of Nelson was the new district governor and Harold Spencer, deputy district governor.

The club endorsed the action of the president in supporting the Vancouver Kinsmen's Club in the post-war project of aiding in the prevention and treatment of infantile paralysis.

Mr. Bryant told the local members that Prince Rupert club had compared favorably with other clubs in its Hallow'e'en "shell out" campaign for the Milk for Britain Fund and in the sale of Christmas tuberculosis seals.

Stan Saville reported on the forthcoming six weeks' visit here of a tuberculosis x-ray mobile unit.

Support for Local Recreational Council

The Kinsmen decided to make a minimum monthly grant of \$30 to the newly organized Prince Rupert Recreational Council to which William Jarman and William Noble were elected permanent delegates.

It was the regular fortnightly dinner meeting of the Kinsmen's Club. A new member was initiated in the person of Edward Gardner. The initiating officer was James Bremner and the Kin pin was presented by Gordon Bryant. Guests were George Ferguson and George Dibb.

The New Bishop

The Synod of the Diocese of Caledonia made a happy choice yesterday in its selection of Very Rev. James B. Gibson, Dean of St. Andrew's Cathedral, as Bishop succeeding the late Rt. Rev. George A. Rix. It is understandable that, in the face of other strong and able nominees, he should have been the overwhelming choice of the delegates assembled.

Dean Gibson, Christian gentleman, able apostle and highly esteemed citizen, is possessed of the qualities necessary to administer the diocese which was directed since its pioneer days by such illustrious clerics as DuVernet and Rix. He takes over at a difficult time due to conditions which have resulted from war, but his diocesan constituents may be confident that the ecclesiastical confidence which has been imposed in him shall be worthily justified.

John R. Mitchell

John Reid Mitchell, whose passing many will mourn, was a kindly, unassuming man whose acquaintance enriched many friendships. He was a resident of Prince Rupert for no less than 35 years and, while he was not a joiner or a seeker of position or honor, there was probably no man in Prince Rupert who had a

greater number of sincere friends. A good workman, successful in business and possessed of every upright virtue, he was one who had often been sought for positions of leadership and influence in the community but he resolutely and modestly refrained from accepting all such solicitations. Nevertheless in his quiet and kindly way he exercised much influence for good in the community through his cheerful geniality and unostentatious generosity and we can agree with all the others who enjoyed the privilege of his friendship that the community is the loser in his passing.

The Senatorial Appointment

There may be some justification for disappointment that Prime Minister Mackenzie King did not see fit to fill the British Columbia senatorial appointment from the northern or central part of the province which had candidates possessed of the capabilities and qualifications needed to enhance the upper chamber. Possibly, the cases on their behalf were not pursued consistently enough from this end. We might, therefore, consider the importance of being more active in matters like this on future occasions.

As for the appointment of G. G. McGeer, we can expect that he will lend color, vigor and ability to the office backed up by long experience in public affairs. He has served as municipal, provincial and federal legislator and has a wide and intimate knowledge of the affairs and problems of this province. He is also a comparatively young man and may be counted upon to stir things up and keep them moving in the august chamber of politicians who have obtained their final reward.

GYRO WOULD TURN OVER PLAYGROUNDS

The Prince Rupert Gyro Club, which since its inception more than 20 years ago has taken the lead in children's playground activities, having established and regularly operated several such grounds in various parts of the city, yesterday agreed to the idea of the newly established Prince Rupert recreational council taking over and operating the grounds in future, the club to make a monthly grant of \$50 to the council toward financing the operation of recreational activities in the city on a co-ordinated basis. Already this year the Gyro Club has expended a considerable sum of money on improvements of its playgrounds and had been making plans for again operating supervised activities during the summer thereon. The Gyro Club named Maurice Brydges and W. D. Lambie, chairman of the playground committee, as permanent Gyro representatives on the recreational council.

It was the regular monthly business luncheon of the Gyro Club yesterday. There was a letter from the Kinsmen's Club expressing appreciation of Gyro assistance in connection with the recent Victoria Day celebration for children and offering Kin assistance to Gyro under circumstances of similar nature.

The club authorized the making of improvements to the Gyro ward in Prince Rupert General Hospital.

The club ordered that appropriate greetings be sent to one of its early presidents, R. F. McNaughton, who is seriously ill at San Mateo, California, where for several years he has resided.

Whifflets From The Waterfront

No boats being in with catches, there was no sale of halibut here yesterday.

ANNUAL PARTY OF SERGEANTS

Jolly Affair by Senior N.C.O.'s of Regiment with About 70 Persons Present

Sergeants of Prince Rupert Regiment and their ladies had a happy evening last Saturday when a party of some 70 in number gathered for the annual sergeants' dinner and dance—the dinner in Reid's Cafe and the dance following later in the Armory.

Sergeant Major Pat Carr presided at the dinner which was preceded by the piping in of all present by Sergeant Major James Robertson. The toast to the King was observed in the usual manner and other toasts included that to the ladies, fittingly proposed by Regimental Sergeant Major E. R. Macdonald, and that to the Regiment which was spoken to by Sergeant Baker. Major C. J. Toombs, officer commanding, and Capt. J. R. Hall, training officer of the unit, were also heard from briefly.

Dancing featured the proceedings at the Armory which occupied the latter part of the evening. C. A. Davis provided piano music while Sergeant Major Robinson played the pipes for the square dancing.

Among the guests were Corp. Sumter of the United States Army Air Force and Mrs. Sumter

REC COUNCIL CONSTITUTION IS DRAWN UP

A tentative constitution has been drawn up by the pro tem constitution and budget committee of the Prince Rupert Recreational Council and the 14-clause document will be submitted to a general meeting of the newly formed council on June 28. It outlines the structure of a proposed permanent organization to bring a program of recreation to Prince Rupert citizens.

Framework of the proposed constitution contains the required elasticity to make the council a truly community body by allowing provision for the entry of any organizations or individuals interested. will also be submitted for approval of the general meeting, and has asked that organizations proposing to send permanent delegates consider \$30 a month as a minimum contribution to the organization.

Nineteen organizations were represented at an organizational meeting on June 8 and at least that many are expected at the next meeting. This would give the council a monthly working budget greater than that proposed, allowing it a healthy start in life.

The proposed constitution states that the objects of the council "shall be to promote, supervise and direct recreational activity in the city of Prince Rupert without regard to race, color or creed and to become an operational body in co-operation with the Civic Centre Association."

Administration of the council will consist of an executive of seven elected members, and the finance committee will be composed of four members, three

Neville Gerrard, manager here for the B. C. Packers, and C. A. Berner, divisional superintendent, Canadian National Railways, gave autobiographical talks at today's weekly luncheon of the Prince Rupert Rotary Club in which they are recent new members. President A. S. Nickerson was in the chair and there was a good attendance of members with a few guests.

Queen Mary Chapter In Session

An interesting and largely attended meeting of the Queen Mary Chapter, I.O.D.E., was held at the home of Mrs. Haudenschild on Wednesday evening. One of the highlights of the meeting was a paper given by Mrs. Ernest Gammon—the first in a series of articles on the North West Mounted Police.

The chapter continues its good work in the community. New furnishings, drapes and bedthrows have been provided the Queen Mary ward at the Prince Rupert General Hospital and further donations were made to Cambral to help with the work at the local military hospital.

The members contributed \$100 to the frigate H.M.C.S. Prince Rupert.

A further donation of \$20 was made to the Borden Street School for necessary equipment. Representatives were appointed to act on the Pro-Ree Association recently formed in Rupert and support is to be given the association.

A large number of the ladies agreed to assist with the Civic Centre Carnival in August.

Interest was shown in the British war brides coming to Canada and Mrs. McPherson was appointed war bride convener for the chapter.

Mrs. Whiting was appointed

Soo Suds Win Again

Port Edward Keeps Pace—Acropolis and Co-ops Share Intermediate Lead

After yielding only one run in 13 innings, "Squizz" Squizzato, Soo Suds pitcher, tripled in his team's half of the thirteenth inning to tie the score and came home on Larkin's single as the Suds defeated Air Force 3 to 2 last night in a Senior Softball League game at Gyro Park.

Winner of nine fixtures last season, Squizzato hurried shut-out ball until the ninth, when Air Force tied the score at one-all and allowed only one other run in the four extra innings. The winning moundsman gave up just six hits in the whole game as he chalked up his second victory of the year.

The Air Force used two pitchers and both were effective. McLeod limited the opposition to a single counter in the first seven innings and, when Court took over on the hillcock, he shut out the Soo Suds for the next five but was charged with the loss since he allowed the two runs in the last of the thirteenth which

gave Suds the victory. The score by innings:
Air Force—

Soo Suds—
0 0 0 0 0 1 0 0 0 0 2 3
Batteries:
Air Force—McLeod, Court and Shatz.
Soo Suds—Squizzato and Marinoff.

In another senior engagement Port Edward gained a crushing 27 to 12 triumph over the Coast Battery at the Port Edward diamond.

The Senior Softball League standings are as follows:

Port Edward	2 0	.500

Acropolis Leads In Intermediate

In one of two intermediate league games at Algoma Park, the Acropolis M. P.'s defeated the Dry Dock 6 to 3 to join the Co-ops in first place. Fryman was the winning pitcher while the losing moundsman, Clokie, was hurling his second game in as many nights.

Score by innings:
Acropolis 0 3 0 1 0 2-6
Dry Dock 0 0 0 0 1 2-3

Instructor Honored By Signals Class

Members of the signal class of First Prince Rupert Regiment gathered at a happy dinner in Reid's Cafe a few nights ago to show their appreciation of the work of Sergeant Hankin. A presentation was made to Sergeant Hankin by Signalman Allen. Among those in attendance were Major C. J. Toombs, officer commanding, Capt. James James, Pacific Command signals officer, and Regimental Sergeant Major E. R. Macdonald. The signal class consist largely of boy members of the unit who have made good progress after a year of instruction by Sergeant Hankin, their proficiency being highly remarked upon by the commanding signals officer.

TUNESOME AND FUNNY FILM

A merry mixup of comedy, song and romance comes this Thursday, Friday and Saturday to the Capitol Theatre in "Here Come the Waves." The name cast brings Bing Crosby, Sonny Tufts and Betty Hutton together.

Susie and Rosemary Miller, twin sisters played by Betty Hutton in each case, decide to give up their dancing career in favor of joining the Waves. Johnny Cabot, played by Crosby, joins the Navy about the same time, meeting up with Windy (Sonny Tufts), an old chum. They go after Rosemary with love-light in their eyes. The boys pull every trick in the bag to outwit each other with poor Susie pushed aside like a wallflower. But, in the end, she wins her man, too.

The picture is full of musical numbers giving Bing and Betty ample opportunities to display their versatility.

LOOKING OVER MAJOR LEAGUES

We don't have to look very hard to pick out the highlights of yesterday's Major League baseball play. It was this—the Philadelphia Phillies finally won a game. But even then, they had to go 15 innings to do it. The Phils edged out Boston 5-4 to break their losing streak that saw them drop 16 straight games. Their win came in the second game of a double-header with the Braves, the Boston club having taken the first game 8-3. In the other two National League games played, Cincinnati squeezed out a 2-1 win over St. Louis, and Brooklyn edged out New York, 3-2.

Only two games were played in the American League. Detroit stretched its hold on first place to one full game, beating St. Louis 6-4. In the other American League contest, Chicago took a 5-3 win from Cleveland.

In the International circuit, both Canadian clubs won their games. Montreal beat Newark, 10-3 and Toronto took an 11-3 victory from Syracuse. Jersey City trimmed Rochester 5-4 and Buffalo beat Baltimore 6-4.

Here are today's games:
In the National League—Chicago at Pittsburgh, Philadelphia at Boston, New York at Brooklyn.

In the American League—St. Louis at Detroit, Boston at Philadelphia, Cleveland at Chicago.

In the International League—Montreal at Jersey City, Rochester at Newark, Buffalo at Syracuse.
