# Tokyo Marked Next For Atom Bomb Attack

CANADIANS SERVED UNDER NEW GOVERNOR-GENERAL—Field Marshal Sir Harold Alexander, newly appointed Governor-General of Canada had the First and Fifth Divisions of the Canadian Army, and the First Armoured Brigade, under his general command during the campaigns which conquered Sicily and Italy. The Canadians were part of the British Eighth Army, among the forces directed by Field Marshal Alexander as Supreme Commander in the Mediterranean theatre. Field Marshal Alexander praised the fighting ability of the Canadians on different occasions and visited their headquarters several times. He is pictured here with Maj.-Gen. Chris. Vokes of Ottawa during one of these visits. Gen. Vokes was then commanding the Canadian First Division. (Canadian Army Overseas Photo).

## Large Crowd Applauded Beauty Candidates at Carnival Opening

### Premier Elected

Land-slide Majority Given Mackenzie King in Gleggery Yesterday  
OTTAWA, Aug. 7.—Historic Gleggery riding, in the federal by-election yesterday, gave Prime Minister W. L. Mackenzie King the largest majority ever recorded in the history of the riding. The prime minister received 4,623 votes and Dr. Richard Monahan, his Independent Liberal opponent, 327 votes. In seven of the 43 polls, Dr. Monahan failed to receive a single vote.

### BROWNS OFF SMITHERS

Acropolis Baseballers Seek New Field of Conquest  
With twelve wins and one loss this season, the Acropolis Hill baseball team of the Prince Rupert Port of Embarkation will be out for their thirteenth and fourteenth victories when they meet Smithers town team in a scheduled double-header tomorrow in Smithers. The Browns will leave Prince Rupert tonight via the Canadian National Railways.

The glamor and beauty of "Miss Northern B.C." contestants from Prince Rupert and the interior was lavishly applauded by one of the largest crowds ever to assemble in the carnival grounds at last night's opening of the annual Civic Centre Carnival when the four interior candidates were presented from the stage and the six contestants for the title of "Miss Prince Rupert" underwent the first scrutiny of the judges.

Presented to the audience and judges by D. C. Stevenson, all ten girls wore evening dress. The four interior queens were introduced first, then retired to the rear of the stage while the Prince Rupert girls appeared singly to undergo the judgment of a battery of judges sitting on the right side of the stage.

An estimated crowd of 2,000 or more thronged the area in front of the pavilion to see the stage show and beauty pageant. Perfect summer weather made it one of the best attended carnival nights in several seasons.

T. Norton Youngs, president of the Civic Centre Carnival committee and master of ceremonies, introduced Mayor H. M. Daggett who officially welcomed the citizens to the grounds when the stage presentations began at 11 o'clock. Earlier in the evening the crowd swirled happily about the merry-go-round and games and refreshment booths. Waves of applause greeted the introduction of the four interior candidates, Georgina Patterson, "Miss Prince George;" Mary Fowler, "Miss Smithers;" Virginia Keefe, "Miss Tweedsmuir Park;" and Iris Edlund, "Miss Burns Lake." The enthusiasm continued during the presentation of the six contestants for "Miss Prince Rupert."

First of the local girls to be introduced was Miss Lois MacLeod wearing a black and white evening gown, whose talent is amateur theatricals. She was followed by Miss Doris Morgan, in white, whose talent is singing. Miss Pat Love, a dancer, in pale green evening dress, was the third to be introduced.

Eileen Feasby, wearing a pale blue evening gown was introduced as a dancer. Vicky Michalak, wearing white, is a dancer, as is Gwen Peskett, who, wearing a gown of pale pink, was the final contestant to appear.

The judges were E. T. Applewhite, Alderman Nora E. Arnold, Arthur Brooksbank, Mrs. W. J. Nelson, G. A. Hunter, Mrs. Drummond Hay and Mrs. Joel Hutchinson.

The brief stage show which preceded the Queen presenta-

## Nine Killed By Elevator Blast

DEATH LIST MAY BE EVEN GREATER AS RESULT OF CATASTROPHE IN SASKATCHEWAN PLANT

PORT ARTHUR, Ont., Aug. 7 (CP)—A terrific explosion shook the big storage elevator of the Saskatchewan Wheat Pool Ltd. on the waterfront here today and the early death list totalled nine. Many other workmen are missing. There were a number injured. Company officials said the toll might reach 20 or 25.

Seventy men were employed at the elevator, one of a group of giant storage elevators located on the waterfront some three miles from the centre of Port Arthur.

All four walls of the elevator were blown out. Eye-witnesses said that workmen were hurled through the air. Four bodies were found two hundred feet from the elevator.

Cause of the explosion was not immediately known. Accumulation of grain dust, source of explosions in grain elevators, may have caused the blast.

A ship was loading at the elevator docks but whether it suffered damage was not known immediately.

Fire was reported to be sweeping the wreckage but first reports said nearby elevators were not in danger.

The explosion occurred at 9:31 a.m. and ripped off the four top floors of the elevator, the structure bursting into flame and smoke.

Downtown Fort William and Port Arthur were rocked.

## Can Strike Continuing

More Plants Down Close May Be Forced to Close

VANCOUVER, Aug. 7.—Canning company officials in British Columbia are expressing concern over the failure of the disputant parties to settle the ten-day-old strike at the American Can Company plant in Vancouver. The officials say that many canning plants will be forced to close if they do not get fresh supplies of cans soon.

Two canning companies already have been forced to close as the situation has reached a stage which is described officially as "critical."

The federal government yesterday announced the appointment of Mr. Justice S. E. Richards of Winnipeg as conciliator in the strike dispute and asked striking workers of the American Can Co. at Vancouver to return to their jobs immediately.

Striking workers at the plant last night at a meeting said they welcomed the appointment of Mr. Justice Richards as mediator in the dispute "without this being contingent on a resumption of work." They decided they would not return to work unless granted a union shop.

Stating that they will not return to work unless they are granted a union shop, the workers, who are members of the United Steelworkers of America, in a telegram to Labor Minister Humphrey Mitchell, said that the only issue at stake is the union shop and they added that the company is refusing to budge from its original position on the question.

The strike, which is in its 12th day, has now forced the closing of nine British Columbia canning plants.

## CITY TO AID IN MOVE FOR HOUSES HERE

At the instigation of Ald. Thomas B. Black, the city council decided last night to offer its co-operation to the Prince Rupert Housing Association in efforts to get the National Housing Act sponsorship in operation in Prince Rupert for the building of new homes by prospective builders. The mayor, city engineer and city clerk were named a committee to collaborate with the Association which recently was advised that two life insurance companies—Mutual and Canada—were interested in financing homes here.

This committee has also been active in connection with the getting out of information in regard to possible building sites. It had been stated some time ago that a representative of the National Housing Act was coming to Prince Rupert in connection with extending the benefits of the Act to this city but he had never come.

## LITTLE IS VICE-PRESIDENT OF N.B.C. POWER

J. J. Little is now vice-president as well as general manager of the Northern British Columbia Power Co., according to advice received at the company local offices. J. B. Woodruff of Montreal is president of the Northern British Columbia Power Co.

## Weather Forecast

Light variable winds, extensive fog and low clouds over open water and exposed land areas. Elsewhere partly cloudy, clearing by evening. Little change in temperature.

LONDON.—An article in Soviet News said that 40 percent of blinded soldiers treated by Russian doctors during the war left hospital with their sight restored to a considerable extent.

## MORE LIQUOR IS EXPECTED

As Result of Decision of Federal Government to Drop Restrictions

VANCOUVER, Aug. 7.—That there would be an increase in the liquor ration in British Columbia in September was the hope expressed yesterday by W. F. Kennedy, chairman of the Liquor Control Board of British Columbia, following news of the dropping of federal restrictions. A survey of liquor stocks will be made immediately, said Mr. Kennedy.

In Ottawa it was felt that more liquor would soon be available and that it might not be long before rationing could be discontinued.

## AMERICAN ACE DIES IN CRASH

Major Richard Bong Loses Life in Explosion of Jet Plane

BURBANK, Calif., Aug. 7.—The flaming explosion of a jet-propelled plane has brought death to a top American fighter ace, Major Richard Ira Bong. The 24-year-old fighter pilot died Monday afternoon when his jet-propelled P-80 plane exploded four minutes after it left the Lockheed air terminal in Burbank.

Bong, who had 40 Japanese planes to his credit, was taking the plane out on a test flight. Apparently he made an attempt to escape through the pilot's escape hatch. His parachute was partly opened. One witness says he saw the curly-headed ace leap from the cockpit with his hands over his head. But one instant later, he saw the plane explode, catching the pilot in the air.

Major Bong joined the U. S. Army Air Corps in 1941 and served for nearly two years in the Pacific theatre. In addition to the Congressional Medal of Honor, which is the most coveted of American decorations, he also held the Distinguished Flying Medal which was presented to him by the King. On his return from overseas, he was assigned to testing the new 550-mile-an-hour jet-propelled Lockheed "Shooting Stars."

## Bulletins

FRANCE NOT FORGETFUL WINNIPEG—The French ambassador to Canada—Count Jean de Hauteloque—says France will never forget the services rendered by Canadian troops in both World Wars. Speaking in Winnipeg, the French-speaking ambassador urged French-speaking Canadians to continue their contributions to the unity of their nation so that a strong Canada may work for the good of mankind.

DELEGATES AT MONTREAL MONTREAL.—Some American and British delegates to the International Civil Aviation Organization conference in Montreal already have arrived in the city. At the same time, Norway has announced her representative to the conference. He is Major A. Huem who left Norway on Sunday by air for Canada.

GLENGARRY BY-ELECTION ALEXANDRIA, Ont. — All forty-three polls in the Gleggery federal riding of Ontario are in. Prime Minister Mackenzie King was elected by the biggest majority ever recorded in the riding. The Prime Minister received 4,623 votes. His lone opponent—Independent-Liberal Candidate Dr. Richard Monahan—received only 327 supporting ballots.

Prosperity A, 31,000 lbs., sold to Royal.  
Domino II, 18,000 lbs., sold to Whiz.

## Terrific New Instrument Of Aerial Warfare To Be Unleashed on Jap Capital

### Canada and Atom Bomb

Plant in Northern Ontario Has Played Part in Its Making

OTTAWA, Aug. 7 (CP)—Munitions Minister Howe has disclosed Canada's part in the development of the deadly atom bomb. In a statement, Mr. Howe discloses that a pilot plant for investigating one of the methods of making materials from uranium for the bombs operates near Chalk River, Ontario, which is northwest of Ottawa.

Also to be used is a 10,000-acre tract of land west of the Petawawa Military Camp. A town, laboratories and a factory are being built there and are nearing completion.

The taking over of the Eldorado mine is believed associated with the project.

## Crerar Is Welcomed

Great Reception Accorded to Commander-in-Chief and Ten Thousand Men

WELCOMED AT OTTAWA OTTAWA, Aug. 7 (CP)—Lieut.-Gen. H. D. G. Crerar, First Canadian Army commander, arrived here today to complete his long journey home and touch off national welcoming ceremonies led by Prime Minister Mackenzie King and scheduled throughout the day. Crerar arrived on a special six-car train. On the platform with him were Mrs. Crerar and Defence Minister McNaughton. A state luncheon and public reception at Chateau Laurier was among the events of the day.

HALIFAX, Aug. 7.—Ten thousand more Canadian Army, Air Force and Navy men are speeding across the Dominion today aboard special trains bound for home after disembarking Sunday in Halifax from the Ile de France.

Most of the men brought home aboard the former French liner wore khaki uniforms but one man in particular was spotlighted among the thousands. He was General H. D. G. Crerar, former commander of the First Canadian Army who is retirement-bound. General Crerar arrived in Ottawa today where he received an official welcome.

Some two thousand Air Force veterans were among the returned men.

As the retiring commander of the Canadian First Army, General Crerar bade farewell to his servicemen fellow passengers aboard the Ile de France before leaving the dock. Speaking over the ship's public address system, the General declared: "I hope that each one of you will find the welcome you look for and happiness you deserve at your journey's end." He went on to say "these years of war have left their mark on people at home as well as ourselves but,

Hiroshima, City of 300,000, First Target, May Have Been Completely Wiped Out

SAN FRANCISCO, Aug. 7.—The first enemy radio report on the destruction caused by the atomic bomb admits that the bomb dropped on Hiroshima did considerable damage. This is the first Japanese acknowledgment of the existence of the new weapon. Tokyo describes the bomb as apparently of a new type—adding that details now are under investigation.

The next city on the list for atomic bomb destruction is believed to be Tokyo itself or one of Japan's other great war industry centres.

President Truman has disclosed that new and even more powerful atomic bombs are in the making.

Pending full reconnaissance operations, what happened on Sunday night to the Japanese city of Hiroshima can only be guessed at. The city received a destructive force comparable to 20,000 tons of TNT. It is remembered the 1,000-plane raids on Essen and Cologne unleashed about 1,500 tons of bombs—not 20,000 tons of explosives—and those German cities were several times larger than the 300,000 population Japanese city. The belief is that the city was largely, if not completely, destroyed.

There is a report by the London Daily Mail quoting what it calls reliable sources as saying that Japan will be served a new surrender ultimatum within 48 hours. There has been no confirmation of this from official sources.

## Considering Proposals

Provincial Premiers Agree on Co-operation in General Way

OTTAWA, Aug. 7.—The nine Canadian premiers, gathered in Ottawa from across the dominion in the latest dominion-provincial conference, today are considering the federal government proposals outlined to them yesterday. All ten premiers stated yesterday that they realize that they must co-operate with each other in the reconstruction period. No specific comment on the conference proposals as submitted by Prime Minister Mackenzie King yesterday as yet has come from the premiers.

though Canadians in Canada and those serving overseas have been widely separated by time and space, all can feel they have unitedly shared this long bitter struggle and mutually contributed to final victory." Then the retiring Army commander declared: "for my part, I wish you all the best this life can afford and which you so richly deserve. If as citizens of Canada in peace you continue to set the high example you did as Canadians in war, there can be no doubt as to the grand future which awaits our country."

### Queen Charlotte Service . . .

A local businessman who received an order from the Queen Charlotte Islands at the first of this week found that he would be unable to make delivery of goods until the next boat leaves nearly two weeks later.

The present schedule is particularly unsatisfactory as far as Massett is concerned and the suggestion is being made that it would be much better if a change could be made whereby all Island calls were made on the one run north from Vancouver with a stopover of the steamer in this port long enough for the filling of orders before she starts back south again via all Island points.

Of course, the ideal set-up would be a vessel plying direct out of Prince Rupert with which it would be easy to give at least a weekly service to all Queen Charlotte Island points from Prince Rupert, the nearest mainland port and natural trading centre.

Meanwhile the present service is a matter of just complaint both for the people of the Islands and Prince Rupert in spite of the fact that the

operating company appears desirous of doing the best it can under existing difficulties including lack of tonnage due to it having had to tie up one of the vessels which had previously been in regular service on the Island run.

### Improving City Streets . . .

The announcement of the city that necessary equipment is being purchased and that a program of street improvement work in some parts of the city is to be embarked upon is welcome news. It is to be hoped that work will be carried out on even more streets than these now named. Certainly, there has been clamor enough these last few years for something to be done as street conditions became rapidly worse and worse.

The city cannot be expected, however, to make all the repairs that are necessary—repairs to damage much of which has not been the city's fault and would not have been occasioned except for the fact that this had been made a base of defence and supply for a world war.

It is fair enough too for the city and all its public organizations to press for the governments concerned to assume their portion of the responsibility, which should be a major one, in the rehabilitation of the city and its utilities which would never have been in the condition they are today if they had been subjected only to the legitimate use of the community itself.

## What City Council Did

Answering an inquiry by Ald. Thomas Black, Ald. George Hills, chairman of the police committee, told the city council last night that the committee had been informed of the recent incident involving the police patrol wagon and was awaiting a report from Sub-Inspector C. K. McKenzie, who had come here to investigate. Meantime it was not fitting to reveal further information which the committee might have.

A number of property sales were put through at last night's meeting of the city council including the following:

- Lots 13, 14 and 15, block 12, section 1, to the crown, \$4,138.57 (covering accrued taxes and local improvements).
- East half of lot 17, block 4, section 5, Rena K. Ham, \$163.33.
- Lot 24, block 7, section 8, James E. Stewart, \$40.
- Lot 58, block 27, section 1, David H. Leith, \$180.
- Lot 21, block 12, section 1, Bruce Stevens, \$695.
- Lot 54, block 27, section 1, John Moritz, \$95.
- Lot 1 and western half of lot 2, block 26, section 5, O. L. Martinson, \$350.

Demolition of the old Valentin Dairy building on Eleventh St. has been ordered. The city council last night received a report from City Engineer E. A. Phillips declaring it "unsafe and a menace." King Tai Co. is being notified to demolish it within 72 hours, failing which the city fire department will burn it down as the safest means of demolition. The recommendation was concurred in by the council. A small dwelling on the same property will be preserved.

The city council last night agreed to co-operate with the United Canadian Allied Relief organization by taking the leadership in a national collection of used clothing for dispatch by UNRRA to the suffering people of devastated areas in Europe. The mayor and city clerk will call together representatives of local organizations to organize a committee for local collection.

At the opening of last night's council meeting the mayor was absent for a time attending the opening of the Civic Centre Carnival in his official capacity. Ald. W. H. Brett assumed duties as acting mayor until His Worship arrived to take over the chief magistristerial chair.

Tenders will be called by the council, on recommendation of the city engineer and board of works, for the construction of a new sewer line on Fourth Ave. E. It is a local improvement project to be financed by the floating of debentures authorizing of the issue of which is being sought from the Department of Municipal Affairs at Victoria.

A new procedure bylaw for the city council was given its introductory readings at last night's meeting. One of the purposes is to simplify the handling of bylaw passage formalities. Regular meetings of the city council remain as at present on first and third Mondays.

Erection of an arch of welcome to returning war veterans at the foot of the ramp at the Canadian National Railways dock and station was authorized at last night's council meeting. A free telephone is to be instal-

led at the hut to be erected by the Canadian Legion on the C.N.R. dock for the purpose of welcoming returning veterans.

There was no report to be made yet on ambulance operation, Ald. Hills, chairman of the ambulance, told the chairman last night. This will probably be forthcoming at the next meeting.

Formal appointment of the new city engineer, E. A. Phillips, as building and plumbing inspector was made at last night's meeting of the city council.

Replastering and redecorating of the city-owned Steele Block apartment building on Third Avenue was authorized by the city council last night on recommendation of the finance committee.

The police committee reported to council last night that the police report for the month of June had been received and considered. Information contained in the report has already been published.

Provision of the Water Bylaw requiring a deposit equal to two months' charges in all cases where arrears cannot be recovered by charging against the property is to be enforced henceforth, the utilities committee advised council in a report last night.

Purchase by the utilities committee of 15,000 feet of drop wire for the telephone department and 25 nightsoil pails was authorized by the city council last night.

**SHIRTS FROM WEED**  
Shirts and dresses are now being made from a Florida weed, known as ramie, originally imported from China.

### Phone Operators Take T.B. Tests

All operators at the city telephone exchange are expected by the city council to be tested for tuberculosis. On motion of Ald. Black and Ald. Sorensen, it was decided at last night's council meeting to request all the operators to present themselves at the mobile testing unit which is now in the city for x-ray examination. Conditions at a telephone exchange, it was pointed out, lend themselves to the spread of tuberculosis and it is important that all operators be free of it.

COLCHESTER, Eng. (P)—George H. Jaggard, 95, has a family of nine drawing the old-age pension.

### After Six Years In Navy, Is Back Here

Another war veteran who has just returned home to resume civil life following his discharge is George Brown, who has been in the Royal Canadian Navy in active service since 1939, having been a member of the Royal Canadian Naval Volunteer Force here. Early in the war George spent some time in hospital in South Africa suffering from injuries. More recently he had been on Atlantic convoy duty is back with the Overland store where he was before the war.

EDINBURGH (P)—Sir John Prosser, 88, crown agent in Scotland between 1919 and 1920 has died.

### Thumbs Down On Totem Painting

There will be no painting of totem poles in Prince Rupert this year. Last night Mayor Daggett reported to the city council that a painter had asked permission to paint the large pole near the City Hall, asking to be paid only for time and material so an idea might be obtained of the possible cost of such work. It was moved by Ald. Hills, seconded by Ald. Black, and carried, that totem pole painting be not entertained this year. Ald. Black thought that totem pole painting might well be left alone until tourist traffic resumed.

Buy War Savings Stamps

### NECESSITY OF TWO DELEGATES

**Ald. Black Wonders If It Is Necessary to Send That Number to Convention**

Ald. T. B. Black, at last night's meeting of the city council questioned the necessity of two delegates being sent from Prince Rupert to the annual convention of the Union of British Columbia Municipalities. In previous times one delegate had sufficed and sometimes merely resolutions were sent.

Mayor Daggett and Ald. George Hills, who have already been named delegates, felt from their experience of last year that it was advisable to have two

delegates. It was important Ald. Hills felt, that the north should be adequately represented to counteract the strength of the "cliques" in the south. However, Ald. Hills saw no reason why the council should not receive a motion from Ald. Black rescinding the decision to send two delegates.

Ald. Black said that he had merely been making an inquiry and had no intention of rescinding the previous decision.

It was possible the convention might be called off this year, the mayor said.

## BUILDING CONSTRUCTION WORKERS MUST REGISTER

if not now Employed in the Construction Industry.

By Order of the Minister of Labour, made under National Selective Service Civilian Regulations, certain workers experienced in the construction industry must register on one of the days from the 6th to the 11th of August, 1945.

Those required to register include all male persons who:

- (a) are either skilled or unskilled building construction tradesmen or labourers, and who are not now engaged in building construction work; and
- (b) have had a total of at least two years experience, continuous or otherwise, in the construction industry since December 31st, 1936; and
- (c) have passed their 16th birthday but have not yet reached their 65th birthday.

Workers at present employed on building construction are not required to register under this special registration.

Registration shall be made—

1. At the nearest Local Employment Office of the National Employment Service; or
2. At the nearest Post Office if a person does not live in a city or town in which a Local Office of the National Employment Service is located, nor within 5 miles of such a city or town.

Home construction is vital to the welfare of Canada.

Returning veterans must have living accommodation.

Experienced building construction workers—whether tradesmen or labourers—are urgently required.

If you are a construction worker not now working in the construction industry, you must register as here stated—but you should do more. You should offer your services immediately for transfer to the construction industry, so that you may help in providing the homes so urgently needed.

Local Employment Offices will be open Evenings till 9:00 p.m. to take registrations, from Monday, Aug. 6th to Friday, Aug. 10th.

## SPEED UP HOME FOR AGED HERE

The National Union of Machinists, Fitters and Helpers, which complained at the delay in going ahead with the Pioneers' Home project here and suggested that the undertaking be proceeded with along less ambitious lines to suit the finances available, is being told by the city council that the council is fully aware of the situation and is at present in negotiation for a suitable building. "We are just as anxious as they are that the men be moved from the present quarters," said Ald Arnold.

Ald. Thomas Black inquired about quarters from the War-time Housing and was told that these negotiations were still in progress.

This should only be a temporary measure, it was felt by Ald. Black, who thought it would be good policy to consult with the provincial authorities and explore the possibility of having a home for the aged established for the north, possibly at Terrace, where buildings were already available.

Ald. Brett explained that the desire had been for the city to run its own home and then there would be no obligation to handle government cases.

City Clerk H. D. Thain pointed out that the provincial government had advised that it did not intend to build such a home in the north but would be prepared to pay the full cost of any inmates of such a home it might send.

Ald. Sorensen intimated that he was inclined to favor any provincial or federal government scheme should it be possible to have it effected in reasonable time.

## Men Past 40! "Old"? Want Old-time Pep, Vim? Want Normal, Younger Feeling?

Do you say you're "old" when weak, listless, exhausted at 40, 50, 60? Thousands of men and women delighted at results of a little "peppin' up" with Oxtrel. ## Carnival Jottings...

One of the big difficulties both before and during the carnival has again been the marshalling of sufficient volunteer help. Considering the difficulties, a mighty good job was done in the preparation of booths and stands. An appeal was made for volunteer workers on Sunday but the response was pitifully small, even if it was a mighty fine day. But it is not too late for anyone who would give a hand. There are lots of jobs still awaiting for willing workers who will not need to volunteer more than once.

T. E. Moran returned to the city on Sunday night's train after spending six weeks on his farm in the Braeside district north of the Nechako River and west of Vanderhoof. He reports the weather was dry and warm but hay and oat crops are excellent. Mrs. Moran and family are remaining on the farm for the rest of the summer.

LONDON — Prof. P. M. S. Blackett of Manchester University, discoverer of the positive electron, urged at a meeting here the establishment of a world body of scientific workers to cooperate with international trade union organizations.

**HAZELTON, TERRACE PLAY BALL—MEN RETURN HOME FROM OVERSEAS**

Terrace ball park was the scene of a lively game of baseball between Hazelton and Terrace ball teams on Sunday afternoon, Terrace winning 8 to 4. A good sized crowd saw the game. Among spectators were quite a number of tourists and visitors from Prince Rupert.

The weather the past week has been all that could be desired. Visitors from Prince Rupert are delighted with the serenity and change of scene which Terrace has to offer and not a few are talking about establishing in town for their convenience.

Miss Johanne Kofold left for Prince Rupert last week to holiday with friends.

Mrs. Houghton left Saturday morning for Vancouver where she will visit relatives.

Mrs. J. Garon returned to Prince Rupert Sunday evening after visiting her son in Terrace. She took little Sandy Le-Ross who will visit his grandparents in Rupert.

Miss Sheila McKenney from Prince George, arrived last week to visit with the Hipp family.

Mrs. O'Flynn and daughter, Norah, of Vancouver, and Mrs. Sarazen of Tacoma, arrived in Terrace Friday evening to visit with friends.

Miss Estelle Johnston returned to Terrace from Smithers last week.

The servicemen are gradually returning home. Among the late arrivals are Flying Officer J. Seaton who saw two years of active service, and now has his discharge, and Harold Whalen, who was with the Tank Corps and will leave for the Pacific when his thirty-day leave is over. Alfred Timms, Jack Kirkaldy and Les. Crumb are also home.

Mr. and Mrs. Carlston from Kitwanga motored to Terrace this week to visit friends.

Mrs. Conture and Mrs. Wagner from Prince Rupert are holidaying in Terrace. They have rented one of B. Colbachini's little houses.

W. McLean with his family were up for the week-end at their summer home, the Land-fear place.

Mr. and Mrs. T. Olsen came up to Terrace from Kwintisa for the week-end.

Miss Clara Little drove up from Prince Rupert with a party, taking them to Lakelse Lake, returning Sunday evening with her sister, Mrs. Mangnall.

A tea was held at the home of Mrs. Ted Johnston on Thursday evening. Guests numbered

**MARRIAGE OF TERRACE COUPLE**

TERRACE, Aug. 7—The wedding took place at the home of Mr. and Mrs. J. Lofendo last Friday of their daughter, Edith, to William Trellenberg. Rev. T. C. Colwell officiated at the ceremony which took place at 3:30 p.m.

The bride was charming in a long dress of white satin with veil and coronet of orange blossoms. She carried a bouquet of pink roses clustered and baby's breath. The bride's sister, Mrs. E. Turner, was matron of honor, being attired in a long dress of yellow crepe with net insertion at bodice. Little Shirley Cole acted as flower girl, looking very sweet in pink with a big bow atop her head.

H. Smith was groomsmen. A reception was held after the ceremony, the members of the family all being present; also Mr. Colwell.

The young couple will be going to Vancouver for their honeymoon and will make their home in the Sundal apartments on their return. The bride has lived in Terrace for a number of years and is well known. The groom is employed by Little, Haugland and Kerr.

**Local Dry Dock Committee Will Meet Next Week**

It is the intention to call a meeting next week of the local joint committee for the promoting of continued activity at the local dry dock. This was announced at the meeting of the city council last night by Mayor Daggett after Ald. T. B. Black stated that he had reason to think that the committee should be particularly active from now on.

**LOOKING OVER BALL LEAGUES**

**RUNNING IS IMPRESSIVE**

But Neither Andersson or Haeg Make New Records

LONDON, Aug. 7—A holiday crowd of 52,000 yesterday in London saw impressive one and two-mile running by Sweden's Arne Andersson and Gunder Haeg but their stylish running was fairly well behind their previous record-breaking performances.

Haeg won the two-mile distance in two minutes and six-tenths seconds to establish a new British record. Haeg's world record two-mile time is eight minutes, forty-two and eight-tenths seconds. Andersson galloped out his mile trick in four minutes, eight and eight-tenths seconds. Andersson's best time for the mile in four minutes, one and six-tenths second while Haeg holds the world mark at two-tenths of a second faster than that.
