### Organizing Recreation . . .

As a result of the visit here this week of Gerry Mathison, provincial Pro-Rec director, there are prospects of effective co-ordination of organized physicial education and recreational activities along lines similar to those which were in operation a few years ago and which were interfered with by the war. Organizations which have been active here in this work have been doing a good and worthwhile job. The move to bring all their activities together into one broad program should be productive of a much more efficient effort and program. It will also have the direct recognition and support of the provincial government department which has just such undertakings under its wing.

We remember the fine start that was made by Pro-Rec in the old days around the time when the war was starting. Conditions are changed now and this sort of activity is needed more in Prince Rupert than it ever was.

### No Stab in the Back . . .

The first clause of the final act of Germany's military surrender signed by Keitel, Grand Admiral Friedeburg and Marshal of the Luftwaftte Stumpff reads as follows: "We, the undersigned, acting on behalf of the German High Command agree to unconditional surrender of all armed forces on land, sea and in the air, as well as of all forces at present under German command, to

the Supreme Command of the Red Army and simultaneously to the Supreme Command of the Allied Expeditionary Forche."

With this act of solemn surrender, the recognized heads of the German army, navy, and airforces have acknowledged themselves as finally beaten, a fact which is well put in the following comment by the neutral press:

"The total capitulation, following on total war, makes it impossible for a new 'stab in the back' myth to develop, which, in 1920 was so ably exploited by the Stahlehelm and the Nazi organizations. The German army has been well beaten-it is crushed and annihilated, without having received a single 'stab in the back.' In times to come no one will ever be able to say it was invincible." -Switzerland-Gazette de Lausanne.

"It will be extremely difficult to launch a new version of the 'stab in the back' legend. This time the generals have been forced to admit their responsibility. Doenitz has now expressly admitted defeat, and has announced the final general capitulation in such a way that every German connot fail to understand that the Third Reich is thoroughly defeated." —Sweden-Sylsvenska Dagbladet.

This does not mean, however, that Germany will not at some later date try to revive the 'stab in the back' legend.

It was a German army that had been out-fought and out-generalled over a period of several years in every theatre of war in which it had operated, that finally surrendered, and the above comment is well worth remembering in relation to press "interviews" with leading captured Germans, who may well express views calculated to revive and support the 'stab in the back' legend that Germany was not defeated through any fault of the army, but through the politicial machination and faulty decisions and direction of the leaders of the Nazi party.

canned, and at the present time July 20. rhubarb holds the spotlight for color and flavor. But fruit pies tend to be juicy and make the lower crust a soggy, doughy mass. When using canned fruit, drain off the juice, sweeten if necessary and thicken. Then add fruit and turn into an unbaked pie shell, adjust slashed top crust and bake in a hot oven, 400 degrees F., for 30 to 35 minutes. When using raw fruits, brush surface of under crust with fat or slightly beaten egg white, add cornstarch in the proportion of one teaspoon to one cup of sugar, and after the first 10 minutes of baking at 425 degrees F., reduce oven temperature to 375 degrees F. for the remainder of the cooking time.

For cream pie fillings, such as banana creams, buttersectch and that prime favorite, lemon, it is most important that the consistency of the filling is just right. Use a good recipe and measure all ingredients carefully-standard level measurments. For best results spread meringue over hot filling, and leaving top heat off, bake in a moderately slow oven, 325 degrees F., for 15 minutes. Rhubarb Good

## Ask Your C.C.F. Candidates This One Question:

"Are You or Are You ??
Not Committed to State? Socialism for Canada"

> And don't let them evade that question! Insist on a direct "Yes" or "No" answer. If the answer is "No", then they are either misinformed or they are deliberately misrepresenting the facts—because

Every C.C.F. candidate must support the party program or be expelled (as has already been done) and the basic plank of the C.C.F. platform is State Socialism.

In case you doubt that statement, here are the exact words taken from the C.C.F. official "Manifesto":

"No C.C.F. Government Will Rest Content Until It Has Eradicated Capitalism and Put Into Operation the Full Program of Socialistic Planning . . . .

> There you have it. So, whether they admit it or not, every C.C.F. candidate is committed to complete State Socialism, and State Socialism spells slavery,—social and economic slavery-under an Absolute dictatorship!

> Hence, even though a C.C.F. candidate be your minister, or your son's teacher, or a member of the Armed Forces, or a personal friend, you simply cannot vote for him (or her) unless you want to foreit the freedom which our boys have fought so desperately to preserve.

## WARNING!

Strong efforts will be made to keep you from heeding these messages. You will be told that these advertisements are the voice of the "vested interests"; that the Public Informational Association is sponsored and controlled by "Big Business"—that B. A. Trestrail is the "mouthpiece of Capitalism". Such statements are not merely false but are designed solely to divert you from the ISSUE of State Socialism.

We have received dozens of letters from boys overseas, from farmers, women, workers and others, urging that the people be told the truth about State Socialism-before it is too late. That is the sole purpose of this association. Having told our story we will abide by the verdict of the Voters.

## \$5,000.00 In Cash Prizes

To encourage Canadians to post themselves on the subject of State Socialism, we are conducting a "quiz" contest open to all Canadian voters. 235 separate cash prizes totalling \$5,000.00, ranging from \$1,000.00 to \$5.00, will be awarded to readers of the booklet "Social Suicide": To get a free copy of this booklet, with full details of the \$5,000 Quiz Contest, simply send your name and address to Public Informational Association, P.O. Box 178, Toronto. Also send the name and addresses of boys or girls in the Armed Forces to whom you would like us to send free copies of the booklet, thereby enabling them to get the story of State Socialism, and also to enter the contest. These booklets will be sent without cost or obligation.

Devenish, Allen and Boulter Speak at Dry Dock Presentation

In introducing W. R. Devenish, | C.N.R. vice-chairman, at the Devenish Cup presentation at the local dry dock, Bernard Allen, shipyard manager, stressed the great pleasure it gave to all to have Mr. Devenish come to make the presentation. He regretted that Mr. Devenish's itinerary brought him here on a holiday, but, in view of other commitments, that had been unavoidable. He was glad to see so many in attendance. For himself, the reports that he had received while in Montreal of the progress of the Eighth Victory Loan campaign in the yard had given him very great pleasure. "Woman in Window" is Coming on Monday and Tuesday

The efforts of two innocent persons, a phychology professor and a beautiful artist's model, to avoid the consequences of an unmediated crime, motivate "The Woman in the Window" which stars Edward G. Robinson and Joan Bennett. It comes to the Capitol Theatre Monday and Tuesday.

The professor, visiting the woman to inspect some paintings, is gavagely attacked by her jealous suitor and to save his own life is forced to kill the man.

Aware that under the circumstances both his career, and the woman's, will be wrecked if they vall the police, the professor makes plans to keep the murder a secret. However, the victim was a prominent financier and the ensuing investigation of his death leads closer and closer to the two culprits, who are additionally imperiled by the activities of a blackmailer.

The picture features a strong Rev. James A. Donnell, for sev- supporting cast headed by Ray-
