CITY POISED FOR V-J DAY WITH LIVELY PROGRAM OF CELEBRATION

With the punch-drunk Japanese finally throwing in the towel and admitting defeat, Prince Rupert is poised for a first class V-J Day celebration on the day officially proclaimed as the holiday.

The citizens' committee organized by Mayor Daggett at the week-end has outlined a celebration program which will begin with a thanksgiving service at 10 a.m. on V-J Day and terminate late that night as crowds watch a victory bonfire consume effigies of Hitler, Mussolini and Hirohito in Fraser Park.

The parade will begin at the Court House at 6:30 p.m., proceed west on Third Avenue to the Second Avenue intersection, then back along Second Avenue to the Court House. At conclusion of the parade there will be a period of community singing on the Court House green.

Leading the parade will be Mayor Daggett riding in a jeep. "I want it decorated," chuckled His Worship. Mr. Brydges sought bands to take part in the parade and issued invitations for all bands in the city and native villages to take up position when the marching starts.

Toronto Plans to Make Day of It

TORONTO, Aug. 14 (CP)—The acting mayor in Toronto—Controller Balfour—says that the Queen City probably will not celebrate V-J Day until tomorrow—at least not officially. The acting mayor says that the official announcement probably will not come in time to have the celebration today so that the official ceremonies will take place tomorrow.

At the conclusion of the parade and community singing an open air dance will begin on Third Avenue in front of the post office. The dance will be interrupted by a satisfactory interlude when effigies of Hitler, Mussolini and Hirohito will be tried, convicted and hanged.

The morning Thanksgiving service will be held at the Court House green with Bishop J. B. Gibson and members of the Prince Rupert Ministerial Association officiating. Mayor Daggett said that he hoped to have T. D. Pattullo, M.L.A. for Prince Rupert, take part in the Thanksgiving service.

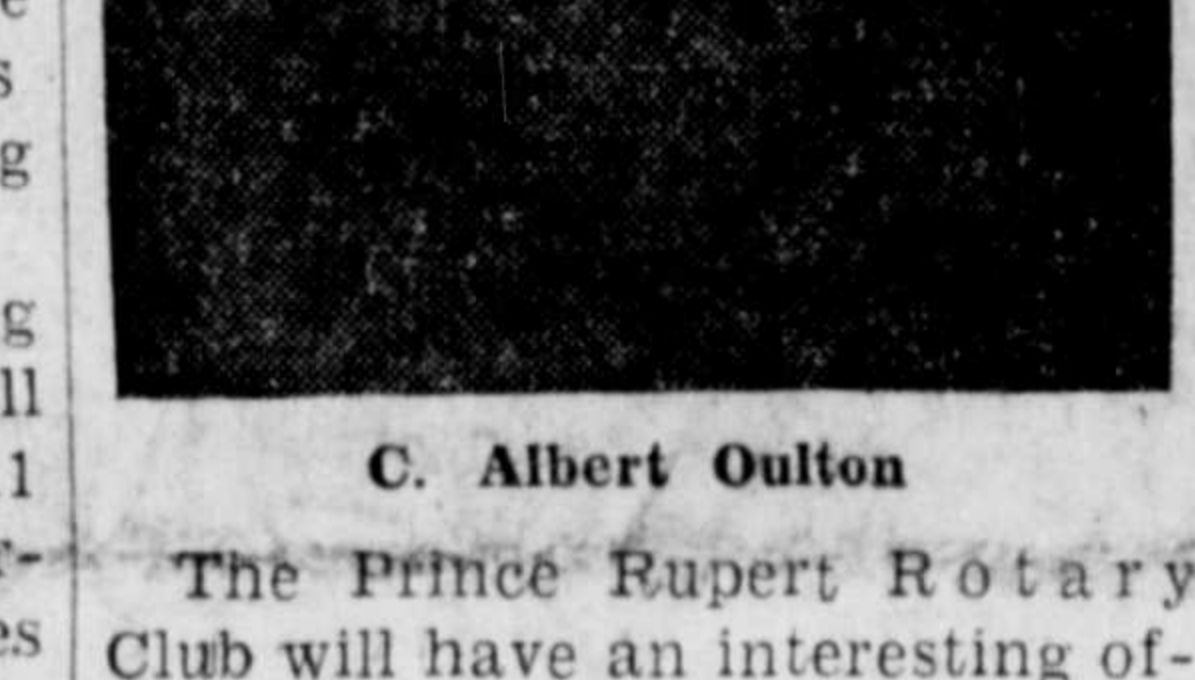

Taking a leading part in the arrangements for the V-J Day celebration have been Mayor H. M. Daggett, Ald. W. H. Brett, Ald. N. E. Arnold, Mrs. D. C. Stuart of the Imperial Order Daughters of the Empire, Hugh Killin, president of the Canadian Legion, Bishop J. B. Gibson, president of the Prince Rupert Ministerial Association, with the cooperation of Navy, Army and Air Force officers and other ranks.

Canada Finds Atomic Energy Post-War Uses

OTTAWA, Aug. 13—The Chalk River, Ont., pilot plant under construction for the production of atomic bomb materials will be a source of new radio-active material which will be valuable for the study of chemical and biological processes and for application in medicine, Reconstruction Minister Howe has revealed in a statement on Canada's role in atomic research.

Mr. Howe made public the names of Canadian laboratories on the radio activity research program instituted in Canada in 1942. Heading the list were Dr. C. J. MacKenzie, director of the National Research Council, and Dr. J. D. Cockroft, formerly of Cambridge University, England.

IS VISITING ROTARY HERE

The Prince Rupert Rotary Club will have an interesting official visitor tomorrow in the person of C. Albert Oulton, past president of the Saskatoon Rotary Club and active in Rotary International as director, district governor and committee chairman and organizer. In view of Mr. Oulton's visit, the local club is holding its weekly luncheon on Wednesday instead of Thursday.

Ottawa Is Cautious On Peace Statement

OTTAWA, Aug. 14 (CP)—Official and unofficial Ottawa was deep in slumber when the Domei Agency report of Japanese peace acceptance came through so there was no immediate reaction. A secretary at the Prime Minister's office told a newsmen that there will be no statement from Mr. King's office until the news is official.

Improvements to Road Are Needed

"It must be improved," remarked T. D. Pattullo, M.L.A. for Prince Rupert, in commenting on the condition of the Prince Rupert Highway between here and Terrace after making his first trip over the road by motor. Mr. Pattullo made the trip with G. W. Nickerson. Their car left at 10:30 in the morning and was back at 7 p.m. Mr. Pattullo was impressed with the beauty of the drive and promised that he would do all in his power to see that it was properly maintained.

Is Tops as Good Sport

Was "Miss Tweedsmuir Park" Disappointed?—Of Course Not
Pretty Leading Airwoman Virginia Keefe of Francois Lake, who appeared with bewitching and unaffected natural charm as "Miss Tweedsmuir Park" at the Civic Centre Carnival beauty contest last week, may have been a close second choice of the perplexed judges in selecting "Miss Northern British Columbia" but, for good sportsmanship, she most certainly was "tops."

One might have expected Virginia to have been somewhat disappointed at not being the winner. When asked by a reporter if she was, she merely smiled, her big eyes shining and pearly teeth glistening, and said: "Of course not. Georgina (Patterson) tried hard; she has what it takes and deserved to win."

Incidentally, Georgina and Virginia attended school together at Prince George and are the best of friends—a friendship that was not one whit diminished because they happened to be competitors in the beauty contest.

Following her week's visit in the city, Virginia left Saturday to complete a leave from the Royal Canadian Air Force visiting her home at Francois Lake. She has bid for her discharge from the Air Force and confided that she had the offer of a good job to go to at Portland. She is an accountant.

NAVAL OFFICER TO RESUME HIS TEACHING HERE

James Clark, who has been in the Royal Canadian Naval service since 1940, having attained the rank of lieutenant-commander, is returning to Prince Rupert at the commencement of the forthcoming fall term to resume his teaching duties on the staff of Booth Memorial High School. He is now on his way back to the coast to be discharged following service on the Atlantic. Nephew of Mr. and Mrs. Finlayson, Fourth Ave. W., Lieut. Cmdr. Clark is now married and his wife and family will be arriving later.

Momentous Document Reaches Washington

SURRENDER IN WASHINGTON

NEW YORK, Aug. 14 (CP)—An American radio correspondent, in a broadcast from Basle, Switzerland, says it has been announced there that the Japanese surrender will be at the White House in Washington within two hours. The correspondent declared the Japanese have accepted the Allied terms in principle.

The Japanese minister to Switzerland delivered a note at the Swiss federal building in Berne at 12:05 noon Pacific Time today, possibly the Japanese reply to the Allied surrender terms for transmission to London, Washington and Moscow. Shortly after the United States minister to Berne arrived at the Swiss federal building. A short time previous—at 10:15 a.m.—the Swiss political department issued a communique declaring no Japanese note had been received.

The Tokyo radio also said today that "it is learned that an Imperial message accepting the Potsdam proclamations will be forthcoming soon" and later announced the Japanese government's answer to the four Allied powers was on its way to Switzerland. In London Prime Minister Attlee's office has issued a statement saying that "no official confirmation has yet been received of the many rumors at present circulating about the acceptance by Japan of the Allied terms of surrender."

The Domei News Agency said in a broadcast recorded by Federal Communications Commission that "on August 14, 1945, the Imperial decision was granted" and that weeping people had gathered before the Emperor's Palace and "howed to the very ground in their shame that their efforts were not enough." The broadcast did not say what the Emperor's decision was.

The Swiss radio had announced earlier that Japan had accepted the Allied note. Paris radio reported from Berne that the answer to Allied surrender terms had been received in code by Swiss authorities and was in process of being decoded.

Another Night Of Suspense

A Tokyo radio announcement saying that—in their own words—"the text of an imperial message accepting the Potsdam proclamations will be forthcoming soon" electrified Allied capitals last night. However, hours later, monitors reported that the forecast message still had not been heard. The American Communications Commission at 3 o'clock this morning (Toronto Time) said Domei News Agency predicted that it would have something important to announce at 9 p.m., Tokyo time—that is, 8 a.m. Toronto time. Another Tokyo transmission placed the time at 10 p.m. Tokyo time, which is 9 a.m. Toronto time. There was nothing definite then although it was prematurely stated that the Japanese reply to the Allies' surrender terms was at Berne.

Early reports had indicated that the Japanese government has agreed to the surrender formula of the British, United States, Chinese and Russian governments. Reuters News Agency said at 2:07 a.m. (EDT) that Domei News Agency said the Japanese government had accepted the Allied surrender formula. Almost simultaneously,

KAMIKAZES HIT PLANE CARRIER

SAN FRANCISCO, Aug. 14 (CP)—Radio Tokyo claimed without confirmation today that five Japanese suicide planes crashed into an aircraft carrier during an air attack on Allied vessels near Okinawa yesterday. Admiral Chester W. Nimitz announced that a major United States warship was hit by an aerial-borne torpedo Sunday. Press dispatches said damage was minor.

FINED FOR MAKING WINE

The city police office was fragrant with fumes of a 10-gallon keg of home-brewed wine which they say they seized in a house at Cow Bay. Henry Bradley, a native, was fined \$25 or an alternative of one month in jail by Magistrate W. D. Vance in city police court for manufacturing a quantity of wine at his home at 247 First Avenue East.

WILD NIGHT AT VICTORIA

VICTORIA, Aug. 14 (CP)—Early news that the Japanese government had accepted the Allied governments' surrender terms was the signal for a wild victory celebration in Victoria, last night. Dockyard workers, sailors and residents of the huge naval base of Esquimalt started the riotous celebration by cheering and milling through the streets. The celebration was picked up quickly in downtown Victoria and the streets rang with cheers and the honking of automobile horns. One celebrant appeared in his underwear—another in a C.W.A.C. uniform. Servicemen mingled arm and arm with civilians and marched through the streets. The din subsided shortly after midnight.

TOKYO RECEIVES ALLIES' REPLY

SAN FRANCISCO, Aug. 14—Tokyo radio broadcast a Domei dispatch Monday saying that the official text of the Allied reply to the Japanese government's message offering surrender was received today in Tokyo through the Swiss legation.

The Allied reply to the Japanese making it clear that Emperor Hirohito would have to be subservient to the Allied supreme commander had been dispatched to Japan Saturday through a legation in Washington.

Declaration of Potsdam

Here are the terms of the Potsdam declaration accepted by the Japanese Imperial government as the basis of their surrender:

- 1—Elimination for all time of those who led the Japanese nation into its era of conquest.
2—Occupation of points in Japanese territory by allied forces until an acceptable form of democratic government is set up.
3—Limitation of Japanese authority to the four home islands of Hokkaido, Honshu, Shikoku and Kyushu.
4—Implementation of the terms of the Cairo declaration stripping Japan of all areas that she has conquered.
5—Complete disarmament of Japanese armed forces.
6—Stern justice for war criminals.
7—Removal by the Japanese government of all obstacles to the revival of democracy.
8—Granting of permission for the Japanese to retain necessary peace industries.
9—Regulation of access of the Japanese to raw materials and world trade.
10—An Allied promise to withdraw Allied forces from Japan when the Japanese have established a government by free will of the people.

MAIL DELIVERY MIXED BLESSING

Postal Official Thinks It Might Have Advantages

Due to the irregularity of mail delivery into the city, the establishment of a postal delivery service would not be an unmixed blessing, Inspector of Post Offices F. H. Middlemiss reported to a special meeting of city council last night after he had concluded a week's survey of the postal situation here.

Mail arriving on trains at night would be delivered the following morning, but postal matter arriving by boat in the late morning or afternoon would reach its addressees about 12 hours later than it does under the present set-up. Boat mail is sorted at the post offices under the present system a short time after it arrives and can be collected by citizens with a minimum of delay.

Outlying districts of the city would probably profit more from postal delivery that would be the business section, Mr. Middlemiss said.

At least 90 percent of houses in the city would have to have letter slots and street signs would have to be set up.

BEA BERNER HOME FROM OVERSEAS

Prince Rupert-born Nursing Sister Back From Overseas Service

On furlough after nearly two years' service overseas as a nursing sister with the Royal Canadian Army Medical Corps, Lieut. Beatrice Berner returned home Monday on the Princess Adelaide to receive an affectionate and exciting home-coming reception and a hearty welcome from her many friends. As "Bea" was born in Prince Rupert, received all her schooling here and, in fact, has always lived here except for the time she was in training for a nurse at St. Paul's Hospital, Vancouver, and since her enlistment, she is naturally exceedingly well known and has always been highly popular.

Daughter of Al Berner, divisional superintendent of the Canadian National Railways here, Lieut. Berner was greeted by railway officials all along the line as she came west and many of these sent wires to her father, who had already accumulated a special file telling of her progress on the western trip, of how well she looked and how happy she was. Among the officials who greeted her was W. T. Moodle, general superintendent for British Columbia, who happened to be at Kamloops.

Following her graduation from St. Paul's in 1939, Lieut. Berner immediately made offer of service and was finally called in February, 1943. For a few months she was at Camp Nainaimo and arrived in England September 11, 1943. After five months in England, she was sent to Italy where she spent 13 months, arriving back in England just before "V-E" Day.

Bea distinguished herself with a school record here, having never been absent or tardy throughout 13 years from receiving class to matriculation, which she won from Booth Memorial School. She also had an enviable athletic record from schooldays. She won the women's single tennis championship of Prince Rupert in 1943 and continued her tennis leadership while an active service by winning a nursing sisters' championship.

Expresses Admiration For Canadian Soldiers

Nursing Sister Berner's happiness at returning to her home was equalled only by her admiration for the Canadians who fought in Italy, where she served for 13 months. She was reticent about discussing her own activities for fear of sounding like a "dispenser of ballyhoo."

Lieut. Berner looked every inch a nursing sister as she sat in the

Ask Chinese to Take Prominent Part On V-J Day

Chinese residents in the city have been asked to take a prominent part in V-J Day celebrations in the city. Mayor Daggett assured the celebration committee at a meeting Monday.

"The Chinese have the best reason of all to rejoice over the defeat of Japan," His Worship said as committee members heartily supported his suggestion.

Captain Krems and crew members of the Russian vessel Scala, and Theo Collart and Dr. Jens Munthe, Belgian and Norwegian vice-consuls, respectively, will also be asked to take part in formal observance of victory.

living room of her home later discussing her two and a half years' service overseas—self-effacing, businesslike, brushing aside references to herself as easily as she must have brushed aside the objections of her patients who didn't want to take their medicine.

Of course, Lieut. Berner would not admit that she did have to brush aside any objections, for she thought her patients were "wonderful," adding that "it was a treat to be working for them."

Miss Berner landed in Italy early in 1944 at Caserta and subsequently moved to a number of different places serving both in base hospitals and at the front. While in Rome she met Rev. Major Roy Durnford, D.S.O., of Prince Rupert.

Other Rupert people she met in her travels included Nursing Sister Lieut. Maxine Llewellyn in Italy and the Rev. Major W. D. Grant Hollingsworth in England. She served in Italy with Capt. A. J. Stewart, R.C.A.M.C., who went to school here and now lives in Vancouver.

Capt. Stewart and Lieut. Berner returned to Canada on the Ile de France and arrived at Halifax recently.

Miss Berner is now enjoying 30 days' Pacific leave and when that is finished she will report to Vancouver.

HOW RUPERT TOOK PEACE

Was Received Calmly by Citizens—Good-natured Parade Through Town

The Tokyo radio broadcast that the Japanese had agreed to the terms of the Potsdam declaration and were prepared to surrender unconditionally was received calmly by most citizens of Prince Rupert seated by their radios at home.

While an anticipatory gust of hopefulness swept through the city last night on the heels of a Tokyo broadcast that Japan was willing to accept the surrender terms, only minor demonstrations of exuberance were evident on city streets.

Made cautious by the let-down following an earlier peace report on Sunday, most citizens clung to their radios anxiously awaiting verification by the U.S. state department of the Japanese broadcast that their imperial government was ready to accept the surrender terms.

However, a parade of celebrants started out along Third Ave. led by Pte. "Tex" Penske, transporting his 300-odd pounds on a girl's bicycle with face blackened and wearing a tin helmet and the same clown suit he wore in the May 24 parade.

With about two score of people included in it, the procession went through the vacant lot

occupied by the carnival last week and started back, picking up additional recruits from restaurants along the route.

When the entourage reached the post office, "Tex" returned the bicycle to Miss Jean Pavlikis, from whom he had borrowed it, and continued on up the avenue afoot.

By this time the parade was at its height and included more than twice its earlier number, but at McBride St. the less enthusiastic of the marchers dropped out.

Undeterred, the celebrants continued up McBride St. until they came to the Garrison Sergeants' Mess where they decided to enter. The sergeants naturally were surprised at finding themselves playing host so suddenly but good-naturedly welcomed their visitors. Inside the boys and girls danced off their exuberance.

Few people were to be found in the U.S.O., which stays open later than most service clubs, but in the ballroom Frank Finnerty, Bob Herrick and a number of helpers were decorating the room in preparation for the V-J Day club will remain open all night serving free lunches to servicemen.

The city's Chinese population seemed very pleased over the report of the Japs' surrender and smiled indulgently at the march-

ers but took no part in the parade.

Police Report Quiet Night

City police reported a quiet night with no arrests resulting from advance V-J celebrations. In many homes when the Domei broadcast was flashed through Prince Rupert loudspeakers, citizens rushed to their doors and greeted similarly excited neighbors with the call: "This looks like the real thing." Then they went back to their radios hoping that confirmation would come soon.

IMMIGRANT LIFE STORY

"An American Romance" Coming to Capitol Theatre Next Monday and Tuesday

Story of an immigrant from Europe who comes to America at the turn of the century and achieves happiness and success in the face of difficulties, "An American Romance" is the feature picture on the screen of the Capitol Theatre here for this Wednesday and Thursday.

Brian Donlevey, playing the part of the young immigrant, starts as an iron miner in Minnesota where he meets and falls in love with Ann Richards, a school teacher. Ambitious and aware of the opportunities his native land affords, the young Slovenian studies and moves on to other jobs in other cities, always bettering himself as he and Ann rear a splendid family. Blessed with vision, he develops a new sort of steel for automobiles in partnership with Walter Abel, the high school principal. They start manufacturing planes. The story comes to a dramatic denouement in the emergency of war work.

John Qualen and Horace McNally are other important members of the cast.

No-Hit No-Run Game

Pitcher Balas Scores Achievement at Acropolis

Balas pitched no-hit, no-run ball for seven innings at Headquarters defeated 655th, 1 to 0, in an intercompany playoff softball game on Acropolis Hill Monday night. The winning run was brought home in the fifth frame on a single by Hoppe.

The first game of the best-of-three series for the port championship will be played Wednesday while the second game will go on Saturday with Headquarters and Detachment A the contenders.

The score by innings follows:
655th 0 0 0 0 0 0 0 0
Headquarters 0 0 0 1 0 1 0 0
Batteries: Pohl, Kozicki and Kiener; Balas and Sullivan.

SOO SUDS EVEN PLAYOFF SERIES WITH ACROPOLIS

The Intermediate Softball League final playoffs are tied up at one win apiece as a result of Soo Suds' 9 to 4 triumph over the Acropolis M.P.'s last night at Algoma Park in the second of a best-of-five-games series.

Soo Suds put together five singles, a walk and an error to score five runs in the third inning and their pitcher, Scherle, prevented the Acropolis athletes from getting that many for the rest of the engagement.

Scherle yielded nine hits while the winners collected 11 off the combined offerings of Fryman and Rostochak.

The score by innings follows:
Soo Suds 0 10 5 20 001-9
Acropolis 0 10 0 0 210-4
Batteries: Soo Suds—Scherle and Schafer; Acropolis—Fryman, Rostochak and Bauvin.

LOOKING OVER BALL LEAGUES

The heated penant races continue in both major leagues. In the National loop, the league-leading Chicago Cubs whipped the hopeless Philadelphia Phillies 4-1 while second-place St. Louis and third-place Brooklyn tangled. The end of a slug-fest showed that the Cardinals were the winners by an 11-10 score. The New York Giants blanked the Cincinnati Reds 2-0 to lengthen the Reds' losing streak.

Over in the American League, the St. Louis Browns won out 4-2 over the Washington Senators in the opener of a twin bill the second half of which went to the Senators 11-3. The Washington club still is two and a half games behind the pace-setting Detroit Tigers, who beat the New York Yankees twice yesterday. Scores in the Detroit-New York contests were 15-4 and 11-9. In Cleveland the Indians shellacked the Boston Red Sox 10-0 while the Chi-

cago White Sox edged the tail-ender Philadelphia Athletics 4-3.

In the International League, the Montreal Royals split a doubleheader with the Baltimore Orioles, taking the opener 2-1 but giving up the nightcap 9-8. In Toronto, the Maple Leafs swept a twin bill from the Newark Bears, 6-3 and 10-9, to further tangle up the first division of the league. Montreal is secure in her top position, but Toronto, Newark and Baltimore all are fighting tooth and nail within a game or two of each other. In the second division, the Rochester Red Wings triumphed over the Syracuse Chiefs 10-2, while the Buffalo Bisons over-ride the slipping Jersey City Little Giants 19-4.

Here is today's baseball schedule:

National League—Cincinnati at New York, St. Louis at Brooklyn, Pittsburgh at Boston (doubleheader), Chicago at Philadelphia.

American League—New York at Detroit, Philadelphia at Chicago, Washington at St. Louis, Boston at Cleveland.

International League—Jersey City at Buffalo (doubleheader), Newark at Toronto (doubleheader), Syracuse at Rochester (doubleheader), Baltimore at Montreal.

GIRLS' SOFTBALL PLAYOFFS OPEN

Playoffs in the Prince Rupert Ladies' Softball League were opened Monday night at Booth Memorial High School trounced Women of the Moose, 21 to 9, on Acropolis Hill, while the C.W.A.C. defaulted to the Allies at Gyro Park.

Bo-Me-Hi scored 13 runs in the second inning and from there on in Betty Hamilton had little trouble chalking up her ninth victory of the season on the mound.

Joyce North, Booth first-baseman, led the winners' hitting parade with two home runs while Sheila Cowie and Miss Hamilton connected for one apiece.

The score by innings follows:
Moose 4 2 2 0 0 1—9
Bo-Me-Hi 1(13)2 023 x-21
Batteries: Moose—Rowe and Dickens; Bo-Me-Hi—Hamilton and Cowie.

The game between the Allies and the Canadian Women Army Corps got under way but in the fourth inning the C.W.A.C.'s catcher, McKnight, injured her hand and was forced to the sidelines. Since the army representatives didn't have an extra player the fixture had to be defaulted.

SPORTS BILL ON V-J DAY

Three playoff softball games will take place at Gyro Park on V-J Day, it was announced today, but just which teams will be in action depends on when the day falls. The regular schedule will be adhered to as closely as possible.

The first game will be between two senior teams at two o'clock; the two Intermediate finalists, Acropolis M.P.'s and Soo Suds collide at four o'clock and at seven o'clock two girls' softball teams will be brought together.
