## HOPE RISES THAT V-BOMB RAIDS ENDED

LONDON, April 3 — Hope that Britain's long months of V-bomb terror have ended sprang up in London today. An official announcement said that no vengeance weapons have landed in England since last Thursday night and additional reports poured in of German troop withdrawals from northern Holland, the location of the V-bomb launching sites. It was also considered significant that the period between dawn Friday and dawn Saturday was the first raidless 24 hours since February 26.

## POLICE RECEIVE REGISTRATION FORMS FOR GUNS

Receipt by the city police of firearms registration forms is the signal for the owners of all revolvers to re-register their weapons as prescribed by law. The registration requirements do not apply to rifles. According to federal law all pistols and revolvers must be registered every five years. The last registration period was in 1939 and should have occurred again last year but was extended one year.

## BISHOP RIX, DEAN OF NORTHERN CLERGY AND NATIONALLY KNOWN CHURCHMAN, DEAD AT AGE OF 80

Dean of the Protestant clergy of Northern British Columbia and a church leader of national prominence, Rt. Rev. George Alexander Rix, D.D., Bishop of the Anglican diocese of Caledonia since 1928, passed away yesterday afternoon at Bishop's Lodge, Fourth Avenue West. He had been in failing health for some time and his end was undoubtedly hastened by the stress of the long illness and death two months ago of his wife. However, he had been able to be about until about three weeks ago since which time his condition became rapidly worse. The diocese of Caledonia encompasses more than half the area of the province of British Columbia and Bishop Rix was known to and highly esteemed by all the people of its vast expanse. Genial and broadminded in his Christian beliefs, his list of friends transcended far beyond denominational boundaries. His passing will be deeply regretted by thousands of friends in cities and towns and the frontier settlements and countryside.

The Bishop, had he lived until September 3 next, would have been eighty years of age. He was born at Barrie, Ontario, the son of Thomas and Margaret (Dunlop) Rix, and was educated at Barrie Collegiate, University of Toronto and Wycliffe College, Toronto. Graduating from Wycliffe in 1893 and ordained minister, his first incumbency was of Carrington and Beverton in Toronto diocese from 1893 to 1897. He became assistant of the Church of the Redeemer in Toronto in 1897 and was dean of Wycliffe College between 1898 and 1901. From 1902 to 1911 he was rector of Orangeville in Niagara Diocese

## TRIED TO SAVE HOME-LOST LIFE

VANCOUVER, April 3 — Verdict of accidental death has been returned by coroner's jury which investigated the death of Michael Krupp, 25-year old war veteran, who was electrocuted when he picked up an electric light line which had fallen down in front of his home during the big storm here Saturday morning. Krupp had thought to prevent the sparking wire from setting the home on fire. The wind reached a velocity of 72 miles an hour and subsided shortly after daybreak.

## GERMANY IS UNDER FIRE

Forty-eight hour respite in Bombing Raids is Ended LONDON, April 3 — Allied bombers have ended a 48-hour lull in their record-breaking offensive against Germany. Sweeping out from Britain after dusk, mosquito bombers resumed the assault with stabs at Berlin and Magdeburg. The speedy plywood aircraft concentrated on Magdeburg where oil installations feeding the crumbling German armies are located. The city is 70 miles southwest of the Nazi capital. The overnight raids were carried out despite bad weather.

## PRINCE RUPERT MAN GIVES LIFE IN CANADIAN DRIVE ON GERMANY

The assignment of cleaning a portion of the Hochwald forest of German troops during a Canadian advance along the northwest border of Germany cost the life of Pte. Donald Montgomery, 23, a Prince Rupert man serving with the Royal Hamilton Light Infantry. Killed in action on March 2, he lies buried in a temporary Canadian cemetery near Udem, Germany, his father, Malcolm Montgomery, 947 First Avenue, has been advised.

## NEW COUP BY EIGHTH ARMY

Lands Troops Behind German Lines Along Adriatic Sea ROME, April 3 — Troops of the British Eighth Army in Italy have landed behind the German lines between the Valli Di Comacchio and the Adriatic Sea. The British troops have taken more than 200 prisoners. Details of the Eighth Army move are not yet available.

## ATROCITIES WERE PART OF JAP PLAN

MANILA, April 3 — Captured Japanese documents bearing dates between last December 23 and February 14 strongly suggest that wholesale atrocities to civilians in Manila were the result of battle orders issued by the enemy garrison. The atrocities were not, the reports indicated, the work of isolated groups of Japanese who took matters into their own hands although at that time a good many of them so appeared. Included in the documentary reports of Japanese slaughter of helpless civilians in Manila's downtown battlefields were enemy documents and orders captured by American soldiers. One order said "all people on the battlefield with the exception of Japanese military personnel, Japanese civilians and special construction units will be put to death."

## FUNERAL OF U.S. SOLDIER

Pte. Earl Fox of the Prince Rupert Sub-Port of Embarkation died at the station hospital last Wednesday night, the funeral services were held at the Post Chapel Saturday afternoon with full military honors. Fox was born at Topeka, Kansas, on February 23, 1910. He is survived by his mother, Mrs. Caroline V. Fox, of Anaheim, California, and a sister, Ione.

## Jap Cherry Tree Shares Emperor's Embarrassment

Certain transPacific military endeavours which are having a shocking effect on the Japanese homeland are having direct repercussions in Prince Rupert, Fire Chief H. T. Lock avers. He refers to a Japanese cherry tree which has bloomed in his Fulton St. garden every spring for the last four years. This year it failed to blossom. "It looks as though it hasn't got the heart to bloom because of what is happening in Tokyo," was Chief Lock's whimsical explanation of the phenomenon. Ordinarily the tree bursts forth in an extravagance of delicate white blossoms just before it comes into leaf.

## BUSY WITH PROPAGANDA

Nazis Turning Out Most Vindictive Anti-Allied Stories LONDON, April 3 — The Nazi propaganda mill has begun to turn out the most vindictive anti-Allied stories of the war. The Nazis hope to whip their followers into line to resist the Allied advance and to keep on resisting even after capture. Associated Press Correspondent Thomas Hawkins has examined German newspapers at his office in Berne, Switzerland. The propaganda is spread all over the front pages with German army communiques moved to the inside or to the lower corners. The gist of the Nazi propaganda is that the Allies are cruel to Germans in captured areas. The Nazis boastfully acknowledge the murder of the mayor of Aachen which they say was carried out by those they call patriotic German fighters for freedom. Enemy propaganda continues to harp on the favorite topic that the unity of the Allies will not last and that Germany will benefit by friction in the ranks of the Big Three powers.

## BULLETINS

FACE "ANNIHILATION" PARIS—General Eisenhower said today that the fate of the enemy troops cut off in the Ruhr is sealed and the trapped forces are "ripe for annihilation." RUSS NEAR VIENNA LONDON — Marshal Stalin announced today that the Russian army has captured Wiener Neustadt, a Messerschmitt aircraft assembly centre 25 miles south of Vienna.

In the first games of the series Friday night Prince Rupert boys carried their game by a score of 59-40. The girls' team won 39-26. The third game is scheduled for tonight.

## MORE FRENCH GO TO FRONT

More Divisions to Be Sent Up As Equipment Arrives From States PARIS, April 3 — The French War Minister, Andre Diethelm, says that the first of eight divisions which the United States promised to equip will be fully armed within one month. The division will then proceed to the front under the command of General Pierre Billotte, General De Gaulle's chief of staff.

ROME, April 3 — Allied warships raked German positions along the Franco-Italian border, including the harbor of San Remo, as the long lull on the Italian front continued, Allied headquarters announced yesterday.

## Loss Set at \$150,000 In Second Fire of Year

## Outbreak Began in Garage Warehouse — Cause Not Yet Known — Other Buildings Also Endangered

SMITHERS, April 3 (Special to the Daily News) — Eight buildings in the business district of Smithers lie in smouldering ruins today as a result of a fire which broke out in a garage warehouse at 7:30 last night and, borne by a strong northwest wind, spread quickly in spite of heroic efforts by volunteer firemen. Damage is estimated at about \$150,000. It was Smithers second major fire disaster in less than twelve months and as the buildings destroyed were adjacent to those destroyed a year ago, it leaves a wide gap in the business area of the town. The fire started in the large warehouse of Wall's garage and quickly spread to another garage building owned by Mel Raymond. It then spread to Wall's garage itself and as sparks and flames were whipped by a high wind it looked as if a great section of the town was doomed. From Wall's garage the flames expanded along the block, taking a large, two-story structure known as the Kennedy building which houses the O.K. restaurant and rooms and the Warner Department Store, then igniting Stewart's restaurant, operated by Casey Vink. The wind then whipped the fire across the main street and the flames engulfed Wimpy's cafe, operated by Mrs. Haggie, the two-story shoe store building of Robert Elliott and the Day's Bakery building. Several adjoining buildings were endangered and citizens rushed to empty their contents onto the street. Among those which were endangered but spared by the fire were the large Canadian Legion building, Glazley's barber shop, Moran's billiard hall, and the McRae hotel. Borne by sparks, a fire started on the roof of the Hanson Block, but was speedily extinguished. If it had got started there were several other nearby structures which undoubtedly would have been destroyed too. Some owners salvaged some material from their destroyed buildings, but several were heavy losers by the fire. It was the second time that A. E. Day suffered fire loss within a year. He also lost heavily in the earlier fire. Local fire fighters and apparatus did excellent work in checking the blaze. The forestry fire engine and the new A.R.P. pump drew water from a main street ditch and poured on the fire. Investigation into the cause of the fire is proceeding.

## TO BOLSTER UP VIENNA

Adolf Hitler Dispatches His Chief Bodyguard to Austrian Capital LONDON, April 3 — Adolf Hitler has dispatched his chief bodyguard, General Dietrich, to Vienna to mobilize the Austrian capital against the onrushing Red Army. The iron-handed Dietrich presumably will attempt to smash reported demonstrations which Moscow says have broken out in the invaded country. The Berlin radio has already announced that Soviet tanks are probing the outskirts of Vienna's southern bastion of Wiener Neustadt.

## Okinawa Bisected

Lack of Japanese Resistance is Surprising GUAM, April 3 — It is estimated that 100,000 troops invaded Okinawa. They have now cut the island in half. Opposing them are from sixty to 100,000 Japanese, forced into the hills by a terrific pre-invasion bombardment put up by British and American naval forces. Apparently the defenders have not yet rallied for a major stand. This lack of enemy resistance continues to surprise the invaders who had expected to find the going even tougher than on Iwo. Okinawa is only 325 miles south of the Japanese homeland. Its loss would constitute the worst territorial defeat of the war to Japan. In direct support of the Okinawa invasion, superfortress bombers have left a new trail of fire and destruction just outside of Tokyo. Before dawn yesterday morning, Japanese Time, the big planes made their first low-level attack on the Nagajima aircraft factory. Before long, land-based aircraft, probably will be trying in support of the invasion of the Ryukyu Islands. Already, observation planes have come down on two of the captured airfields of Okinawa, Katena and Yonatan. In the past, there has never been a very noticeable lag from the moment engineers begin repairing a captured airfield until the air force moves in.

**A Godly Man Passes . . .**

Rt. Rev. George Alexander Rix, D.D., Bishop of Caledonia for seventeen years and rector of St. Andrew's Cathedral for fifteen years before being elevated to the bishopric, thereby being a resident of Prince Rupert for thirty-two years, was recognized as one of Canada's outstanding churchmen. The passing of a great and good man will be mourned nationally but the pangs of his loss will be more personal in this his home city as well as in every nook and cranny of the expansive

diocese of Caledonia where he labored so long and so well. Besides the townspeople, he was known and esteemed by the farmers of the Peace River country and the interior, the loggers of the coast and islands, the miners of the mountains and the fishermen on the seas and by them all he was held in affectionate regard.

He was a true and understanding friend and his character and disposition was such that denominational lines did not hamper the width of his friendships and associations. Here in Prince Rupert he was a familiar and beloved figure among us all these many years and we shall long remember this man who was as large and upright in mind and spirit as he was in physique. His works and the loving memory in which he was held by his people will be his real and lasting monument.

Another of our prominent pioneer figures is gone to his rest. If ever one of them deserved his reward in Heaven it is him who we now mourn.

**ARE WEDDED AT TERRACE**

Miss Lessee Brown Becomes Bride of Robert Muller

TERRACE, April 3—St. Matthew's Anglican Church was the scene of a very pretty wedding on Saturday evening when Miss Lessee Brown, daughter of Mr. and Mrs. E. G. Brown of Rock Bay, Vancouver Island, was united in marriage by Rev. R. Hills to Robert Lee Muller, son of Mr. and Mrs. C. G. Muller of Terrace.

The bride looked charming in a floor-length gown of white chiffon with finger-tip veil and matching accessories. She carried a bouquet of pink and white carnations interspersed with maiden hair fern. Her other ornaments were a necklace and brooch of gold set with green gems, gifts from the groom.

The bridesmaid, Mrs. Neva Robinson, sister-in-law of the bride, was attired in a white gown with a headpiece of white flowers. Bill Robinson attended the groom. Mr. C. G. Muller gave the bride in marriage.

After the well-attended ceremony, the bridal party and guests adjourned to the Oddfellows' Hall where a dance was held. For this occasion the Oddfellows' had generously donated their hall.

The wedding presents and a beautiful three-tiered wedding cake, made by Mrs. C. G. Muller, were on display.

Music was provided by Mr. Klohn, Sam Kirkaldy, R. Beecher and several others who volunteered their services. The hall was filled with people who came to extend the bride and groom the very best wishes. A delicious supper was served about 12 o'clock and the party continued until the small hours of the morning.

Mr. and Mrs. R. L. Muller intended to take up residence in Terrace.

**SAYS THIS CHEVROLET OPERATOR**

Here is another wartime operator of Chevrolet who has taken time out to place on record his opinion of this great car's dependable, thrifty performance under war driving conditions! What he has to say about Chevrolet reliability and the quality service maintained by General Motors dealers during the war years, will prove a familiar story to Chevrolet owners everywhere in the Dominion. Canada's most popular car in peace, Chevrolet has won a new reputation by its ability to stand-up under tough, punishing war driving conditions. Thank you, Mr. Wallace, for your tribute to Chevrolet—"The standout car in peace and war!"

Mr. Kenneth Wallace, writer of the letter reproduced in this advertisement, is president of the De Luxe Cab Company, 251 Queen Street East, Toronto—operators of a fleet of 64 Chevrolets.

251 QUEEN STREET EAST TORONTO 2

"Our company switched to Chevrolets in 1933 and the fleet has been 100 per cent. Chevrolet ever since. Our higher mileages vary from 100,000 to 125,000 miles. In many cases these cars have never had the valves ground, major motor work or piston rings replaced. Most of the rear-ends have not been overhauled. The 64 Chevrolets in our fleet—1941 and 1942 models—are the best automobiles we have ever operated. We have learned that regular check-ups in amazing performance. Our average miles per gallon of gasoline is as good today as when the cars were new—and this is true over the entire fleet. All our major mechanical work has been done by GM dealers, because we believe that they render the right kind of high quality service work at a fair cost. In fact, it costs no more than if we did the work ourselves—and the results are more satisfactory."

## MARRIED AT NOON TODAY

Miss Charlotte Moss Becomes Bride of Sydney Hunter

A quiet wedding of much local interest took place today at 12 noon at the home of the groom's mother in the Besner Apartments when Miss Charlotte B. Moss, youngest daughter of the late S. S. Moss and Mrs. Emma Moss of Vancouver became the bride of Sydney John Hunter, younger son of the late D. McD. Hunter and Mrs. Hunter of this city. Rev. A. F. MacSween, pastor of First Presbyterian Church, officiated. The ceremony took place in the presence of a small group of relatives and immediate friends.

The bride wore a forest green suit with brown accessories and corsage of yellow roses.

The bridesmaid was Miss Mary Mannings in a black suit with corsage of pink and white carnations.

G. A. Hunter, brother of the groom, was groomsmen. Following the marriage rite, refreshments were served, the bride cutting a handsome three-tier wedding cake.

Later the couple sailed on the Catala for a two weeks' honeymoon trip to Vancouver after which they will return to Prince Rupert to take up residence.

The bride has been a resident of Prince Rupert for the past couple of years, having formerly been with the Wartime Prices and Trade Board staff and later with Rupert Motors.

The groom is a member of a well known pioneer family and has lived here since early boyhood.

ACROPOLIS IS WINNER

Takes First of Area Basketball Semi-Finals from Navy

Spearheaded by Bob Kiener, Acropolis Hill's fast basketball team defeated Navy 70 to 41 at the "Y" gym in the first of the Area League basketball semi-finals last night. The play-off is a best-of-three games series to determine the club to oppose Port Edward in the finals.

Kiener paced the winners with 24 points while Deiss was next in line with 16.

Navy kept on fairly even terms with the Acropolis quintet in the first quarter but, as the game went ahead, the victors' lead steadily mounted.

Acropolis put up an airtight defence that made it very difficult for the sailors to get close-in shots. Despite this obstacle, however, Jimmy Thorburn bagged 19 points for Navy.

The line-ups follow: Acropolis-Kiener 24, Deiss 11, Kalinovich 12, Wallingford 4, Garzelloni 9, Goldman, Bruegger 5, Homyak, Gilbert-70.

Navy-Sisler 7, Carter 8, Miller 2, Thorburn 19, Barker 2, Preston 3, Baird, Mousseau, Harvey-41.

Referee, Comadina. Acropolis advanced to this round by defeating Soo Suds last week in a single sudden death game by a wide margin and now bids fair to repeat the performance against Navy in this series.

However, Navy have had some changes both in their line-up and coach and hopes yet to pull a surprise on the Acropolis Hill boys. Coach Frank Watson has been training his men diligently since taking over his new duties. Local betting circles are treading very carefully on any big wagers on this series.

The final game on Wednesday between Acropolis Hill and Port Edward will wind up the Prince Rupert Area Basketball for another season. The winning team will be presented with the trophy emblematic of the Prince Rupert area basketball championship. A very close game is expected since both teams on the season's record have been so closely matched.

A preliminary to last night's playoff game was played between Soo Suds and City, a return exhibition game between the two teams. Last week City defeated

Soo Suds and Coach Mike Weaver of the Suds had been after a return game ever since. The final score last night was Soo Suds 38, City 35. Mike has now launched a challenge to the Navy team for a preliminary to the final on Wednesday night.

A competition was the feature of the evening to choose the most attractive couple on the floor. Judges of the event were Sam Angel of Air Force, Andy Farino of Army, Jack Owen of Navy and Painke Prauch of the U.S. Army. Choice fell to lovely Wren Ruth Lesson and her partner Art Roberts of Navy.

Tonight's program includes crabbage in the writing room.
