Striking Dockers March In London Streets

Best Government In History Of Province

Prominent Conservatives Take Stamp in Support of Coalition Minister

SMITHERS, Oct. 19.—The final meeting to be held in Smithers in the interests of the Coalition party in the current campaign was held on Wednesday evening at the Reg Theatre and the largest gathering for either of the contesting parties at any meeting yet held was in attendance to hear W. J. O'Neill, Frank Dockrill and Hon. E. T. Kenney put forth the history of the work already done and the proposed new legislation of the coalition government.

Mr. Kenney outlined the history of the birth of the Coalition party and the complete co-operation that had been experienced during the past four years. He said that the Province of British Columbia enjoyed the highest standing in the financial markets and could borrow money at 2 1/2%.

The provincial gross debt had been reduced by fourteen million dollars and the net debt reduced by more than four million dollars during the past four years without any increase in the tax rates, the province now possessed a good treasury for future operations and when necessary to tie these funds which had been earmarked for these purposes.

The C.C.F. government of Saskatchewan had seen fit to raise taxes during the short time they had been in office while in B.C. there had been no increase in taxes during the past seven years and there was no intention of raising taxes here.

The seed industry in B.C. had been built up from \$400,000 to \$2,000,000. During the past few years and the fruit industry had been built up to an \$8,000,000 business.

Social assistance in British Columbia to the amount of \$2,000,000 annually is now being provided and the Minister had promised that no person in B.C. would go in need of medical assistance or hospitalization for lack of personal funds for this purpose.

British Columbia was the first province to raise old age pensions by \$5 per month and was pressing for a further increase from the Dominion Government. Medical and hospitalization services and necessary drugs were now provided free for old age pensioners.

Provision has been made whereby the province would guarantee bonds issued by small municipalities for purpose of installing and extending water and sewerage services, and small communities were being assisted in providing fire protection.

The electric power policy for the province was already well known and it was hoped that every farm in the province would eventually enjoy the benefits of electricity under this policy which was already started. A large installation at Campbell River, Vancouver Island would provide power for a large area.

A great deal of the rural

school taxes were being absorbed by the government and the taxes would be reduced to an average five mills in rural school districts. Other reductions also were being made although it was the intention of the Department of Education to provide the highest standard of education in all Canada. Faculties of Dentistry, Medicine and Law were being established at the University of British Columbia, where none hitherto existed.

JAP MEETING IS POSTPONED

Russian Attendance At Important Gathering Is Held Problematical

WASHINGTON, D.C., Oct. 19.—The Department of State announced today a seven-day postponement of the first meeting of the Allied advisory commission on Japan. Russian attendance is in doubt.

The official reason given for the postponement was that some of the invited governments would not be able to get their representatives here in time for the scheduled session on October 23. The first meeting now will be held, with the postponement, on October 30.

The delay allows additional time for efforts now evidently under way by the President and, presumably, other Big Three officials to resolve some of the difficulties dividing Allied powers and to assure Russian attendance.

WAGE RAISE BRINGS FINE

VANCOUVER, Oct. 19.—Sally Shops Ltd., women's apparel store, was fined \$400 following a plea of guilty to three charges of paying wages higher than those authorized by the Prices and Trade Board.

Married Bowling League Started

Opening for its third season, the "Mr. and Mrs." bowling league of the Fifth Avenue Recreation Club has organized 12 teams with three players to a team.

Officers of the club are: President, C. A. Davis. Secretary, S. Scarr. Treasurer, George Bolton.

In the opening session of play, Gib Taylor of the Petunias got off to a good start with a three-game score of 786. Mrs. Lawrence of the Violets had high score among the ladies tallying 467 for three games.

THEATRE ROBBED

NEW WESTMINSTER—Two men, one armed with a long gun, the other masked, held up the cashier of Circle Theatre, South Vancouver district, and escaped with \$86. Getaway was made in a stolen truck driven by a third man.

RANGERS WERE FIRST LINE OF COAST DEFENCE

Now in process of being disbanded, the Pacific Coast Militia Rangers were actually the first line of defence against the threatened invasion of Canada's shores in the dark days of Japanese expansion. This strategically placed force of 10,000 men, bushwise and skilled in small arms, although it was never called on to fire a shot, performed valuable services and was a great source of confidence to regular army commanders.

The story of the P.C.M.R.'s was told Thursday at the Prince Rupert Rotary Club by Col. T. A. H. Taylor, commanding officer of the force since its organization shortly after the Pearl Harbor disaster. Col. Taylor was in the city yesterday on his way south after "standing down" Ranger companies at Port Simpson and Kincolith.

Need for a mobile force of men, experienced in B.C. woodcraft became evident early in the Pacific war, and Col. Taylor was given the job of organizing the force.

"There was a strong feeling that our coast defences should be supplemented by another group. We received fine assistance from the Canadian Legion and the provincial authorities and proceeded to build an organization designed to interest practical men throughout the province," Col. Taylor said.

Soon the Rangers developed a strength of 5,000 men comprising 40 companies and it eventually expanded to 123 companies and 10,000 men.

"We didn't try to impose military discipline on the force but in some cases the men themselves asked for it. Actually, we concentrated on practical training and, although the men were never used for actual fighting, they did play important parts in training schemes and in searches for lost aircraft," he declared.

"They certainly showed what they could have done to the Japs if they had landed. "These 10,000 men stood by throughout the war and their cost to the country was less than the cost required to maintain 70 regular soldiers. At the start of the war there were five rifle ranges in the province. Now, there are 163 ranges built by the P.C.M.R.'s and practically all were built at no cost to the country," Col. Taylor said.

When Japanese balloon bombs came over, the Rangers hunted them down and they were often the leading figures in searches for wrecked aircraft.

"For the work they did this country owes them a great debt of gratitude," Col. Taylor concluded.

GRAIN SHIP OFF TO INDIA

Carrying more than 8,000 tons of wheat, the British freighter Samarkand, Capt. P. Dunsire, sailed at 7:45 this morning enroute to India via west Australian ports. The Samarkand loaded at the government elevator here. Now being lined to take on a similar cargo is the 10,000-ton Russian freighter Makhodka. A second Russian vessel is also expected.

Local Boy Enters On Apprenticeship

Larry Iverson, son of Mr. and Mrs. A. H. Iverson of this city, after a visit in Vancouver with his grandparents, Mr. and Mrs. E. S. Allstone, has started the serving of an apprenticeship in the auto metal and upholstery trade. He is now residing with his uncle, Ernest Allstone, Jr., who was with the Bank of Montreal here in the early days and who is now in the insurance and real estate business with his brother, Don Allstone.

JAP SURRENDER ENVOY AT HONG KONG—Accompanied by a white flag bearer and an interpreter, a Japanese surrender envoy walking to meet British officials during the negotiations for the surrender of Hong Kong. The crown colony was surrendered to Rear-Admiral C. H. J. Harcourt, commander of a British Pacific fleet task force.

Bulletins

VENEZUELA IN REVOLT

WASHINGTON—Revolution has broken out in Venezuela, centred at the capital of Caracas, the United States Department has been informed. Word reaching Washington through diplomatic channels is that rebellious forces from Carlos barracks, led by young Army officers, have overthrown the government, taking over control of the city and possession of the residence of the President at a Caracas suburb after a 24-hour battle. Heavy firing was reported.

SEATTLE WAS BOMBED

TOKYO—It has been stated by Japanese authorities here that on December 23, 1943, a submarine-launched plane flew over Seattle and dropped incendiary bombs. American authorities say they cannot recall any such attack.

FINANCE MINISTER DELAYED

VANCOUVER—His plane delayed by weather conditions, Finance Minister J. L. Isley was unable to reach Vancouver in time today to address a luncheon of Vancouver Board of Trade.

GUilty OF MANSLAUGHTER

VANCOUVER—George P. Higginson, 39-year-old Vancouver barber, was found guilty of manslaughter in connection with the death of a four-month-old baby.

ELACK HAWKS WIN

NEW YORK—Chicago Black Hawks defeated New York Rangers 4 to 2 in the National Hockey League opener.

PREMIER RECOVERED

LONDON—Prime Minister W. L. Mackenzie King has recovered from a severe cold which has been bothering him for several days.

RETURNING TO WORK

CALGARY—The Drumheller coal miners, last outstanding in the recent meat ration protest strike, will be back at work Monday, having decided to call off the strike.

ILE DE FRANCE COMING

HALIFAX—The Ile de France is due here between 5 and 6 o'clock Sunday morning with 10,000 returning Canadian ex-servicemen. The Queen Elizabeth is due October 27 with 12,000.

Weather Forecast

Moderate winds, occasionally fresh in westerly exposed areas. Mostly cloudy and cool with frequent light to moderate rain showers and occasionally hail, becoming partly cloudy over the Queen Charlottes in the late afternoon and evening. Saturday: moderate to occasionally fresh westerly winds, cloudy and partly cloudy with light rain showers. Not much change in temperature.

A VOTE FOR THE C.C.F. IS A VOTE FOR THE JAPS!

William Irvine, Ex-C.C.F. M.P., wrote: "We do not believe in the so-called rights of private property, nor shall we recognize either precedent or practice in connection therewith." Your cottage is private property, VOTE PATTULLO if you wish to protect it.

Hear George Mitchell on the Radio at 6:30 this evening in the interest of T. D. Pattullo's candidature.

L.P.P. SPEAKER HITS COALITION

Charged Coalition Did Not Oppose Pattullo in Order to Defeat Mickleburgh

Confident that Labor-Progressive candidate Bruce Mickleburgh had won support of a number of C.C.F. members at Wednesday night's public meeting, John McCuish, president of the International Woodworkers of America, told a Labor-Progressive meeting in the East End Hall last night that his party was out to defeat creation "both in the Coalition and in the C. C. F. leadership."

T. D. Pattullo was described as a tact coalitionist because, although he ran as an independent in spite of the Coalition, they declined to oppose him.

"They knew that if they had a Coalition candidate here as well that it was certain that Mickleburgh would be elected," he declared.

The Coalition's attitude to labor, Mr. McCuish said, was illustrated by their reception of the Labor lobby at the legislature last spring when Labor Minister George Pearson had to threaten to break away from the Coalition before the government agreed to give the 75-man lobby a hearing.

The C.C.F. policy of "Socialism Now" is splitting the labor movement, which should present a solid front against the coalition, he said.

In a brief initial talk, Norman Smith of the Boilermakers' Union outlined the history of an unsuccessful move to unite the labor groups. The failure, he said, was the responsibility of the C.C.F.

CARPENTERS' STRIKE ENDS

VERNON, Oct. 19.—The five-day-old strike of 28 carpenters and 14 carpenters' helpers here ended when the men returned to work at the request of W. Page, organizer for the Carpenters' Union at Vancouver, who told them that the wage scale is to be reconsidered. The men quit work in protest against a cut in the hourly wage scale. They had been working on a veterans' housing project.

CHARGED WITH GIRL'S MURDER

MURRAYVILLE, Oct. 19.—Nobel Monahan, 54-year-old Fraser Valley farmer, was committed for trial on Wednesday on a charge of murder in connection with the death last September 26 of 10-year-old Doreen Rose Ryan, who was found shot to death in a root house near his home.

Fined \$300 For Entering Tavern

KIMBERLEY, Oct. 19.—Twenty-year-old Martin Hanson was fined \$300 in police court here following his conviction on a charge of entering a beer parlor without lawful excuse. The fine was the minimum allowed for minors entering licensed beverage establishments unlawfully.

Lieut. Pat Hetherington, cousin of Mrs. A. H. Iverson of this city, left last week on her return to Victoria where she is stationed.

Tie-up Altho Spreading, May End at Week-end

Mass Demonstration For Wage Increase Staged As Nation's Food Stocks Ebb

LONDON, Oct. 19 (CP)—Thousands of London dock strikers, angered over stalemated wage negotiations, marched through traffic-snarled streets to the Tower of London today in mass demonstration as the country's food stocks ebbed. Despite the strikers' cries of "Stick It Out," the British Press Association's Labor correspondent reported work might be resumed this week-end.

Nearly 39,000 dock workers are on strike, demanding \$5.50 daily wage, an increase of \$2.20, and a forty-hour week.

CITY TO STAND COST OF RAID

VANCOUVER, Oct. 19.—Mayor J. W. Cornett of Vancouver said that he had assured the captain of H.M.S. Implacable that the Vancouver City Council will take care of the financial loss experienced through the theft of various articles aboard the huge aircraft carrier here last Sunday.

Three of the four deck watches were recovered by the police in a check of the city schools. One of the watches was damaged from being dropped. Other articles stolen are gradually being returned to the police. Implacable sailed yesterday for Tokyo.

WOULD BRING YACHTS HERE

Public Relations Council Would Attract More of These Holiday Vessels to Prince Rupert

Development of moorage facilities for visiting yachts coming to Prince Rupert in the course of coast cruises and the possibility of attracting more such vessels to this port came in for discussion last night at the regular monthly meeting of the Prince Rupert public relations council. Now that the war is over, it was felt that such yachts would soon be coming north in even larger numbers than before the war.

An important coast cruising organization, the Malibu Club, which is establishing a holiday park in Princess Louise Inlet, north of Vancouver, might interest its members in calling here with their many boats which will range from Acapulco, Mexico, to Sitka, Alaska. In connection with this matter, it was decided to get in touch with the Prince Rupert Chamber of Commerce and the Prince Rupert Rowing & Yacht Club.

After the business session of last night's meeting, the public relations council was treated to three reels of outstanding local colored moving pictures, featuring horticultural scenes and salmon fishing action shots, by Barney Eyoifsen.

government's foreign policies. Attlee and Bevin are continuing the police regime in Greece, holding onto Hong Kong, rushing troops in to help the Dutch and French hold down the eastern colonial peoples, and in general trying to outdo the Tories in imperialism. What am I to think when the C.C.F. has been telling us for years that they are just the same as Attlee and Bevin?"

The chairman said he found signs of Mr. Pattullo's campaign folding up all over town and hoped Digby would join in sending the school teacher down to Victoria. Several questions were asked and a collection of \$13.76 was donated to the campaign fund.

College in Prince Rupert . . .

With some twenty students from Prince Rupert now attending universities and colleges in the south and district points also likely as potential feeders of students, the idea is again being raised in Prince Rupert, and with a goodly measure of justification, of some sort of a college being established in this city which might be affiliated with the University of British Columbia. It

has even been suggested that this is a matter upon which candidates in the current provincial election might well express themselves.

Not only those who are fortunate enough to be able to go from Prince Rupert to Vancouver to attend University of B.C. or other colleges would stand to benefit from a college here. It might present the opportunity for other worthy students, who for some reason or other might not be able to establish themselves in the south, to obtain the advantages of higher education. Obstacles that no doubt are preventing some from going south now are the cost of transportation and maintenance.

The suggestion is also advanced that buildings which are being vacated by the armed forces might be made adaptable for use as educational institutions.

TWO TALKS ARE NOVEL

Teachers Hear What Parents Expect and Vice Versa

A talk by Mrs. E. W. Becker on "What the Parents Expect from the Teachers" featured the regular monthly meeting of the Prince Rupert Parent-Teachers Association Wednesday night. She was followed by Miss E. A. Mercer, Principal of King Edward School on "What the Teachers Expect from the Parent." Both addresses were full of interesting statements. The program convenor, Mrs. George A. Hill, thanked the speakers for their forceful and thought-provoking addresses.

The meeting was held at Borden Street School and in the absence of the president, C. H. Insulander occupied the chair with Mrs. J. C. Gilker in her place, as secretary. The report of the treasurer showed a small balance on hand.

Considerable discussion by the school principals and members showed need of a moving picture machine for use by the three elementary schools which have a combined school attendance of about 750 pupils. Such a machine would be in keeping with the modern trend of teaching by visual aids. Such a machine including the screen would cost approximately \$600.

The meeting unanimously agreed that the proceeds of the P.-T.A. annual tag day to be held on Oct. 27 should be applied to the purchase of one. The tag day committee hopes to display a borrowed projector in a store window previous to the tag day so that the public will have an opportunity of seeing what the tag day means to furthering education to the city's children.

Mrs. R. S. Donaldson, representing the Parent-Teachers Association, Co-ordinating Council reported on reasons for meat rationing.

Reports by the school principals on the annual P.-T.A. membership drive showed that the school children had signed up for the coming year a total of 215 members.

At the conclusion of the general business Miss Frances M. Moore delighted her audience with two piano solos — "To Spring" by Edward Greig and "Impromptu" by Coleridge-Taylor.

Tasty refreshments were served by a committee consisting of Mrs. G. Anderson and Mrs. George Howe.

LETTERBOX

TYPICALLY C.C.F.

Editor, Daily News:
The statement of the C.C.F. outlining their reason for not attending the meeting Wednesday night in the Capitol Theatre is in keeping with their general policy namely, if they cannot dictate the set-up, they will not play — just the same as the naughty child.

While we did not feel obliged to give them equal control of the meeting for which we had arranged, we did suggest that we would be glad to join with them in an equally controlled meeting if they cared to arrange it.

G. W. NICKERSON, Chairman, Pattullo Campaign Committee.

L.P.P. FUTILITY

Editor, Daily News:
The debate between Mr. Mickleburgh and Mr. Pattullo seems to me a waste of time and an attempt to confuse the public on the question of the vote. In my estimation there are only two parties to consider in this election—the coalition and the C.C.F.—since they are the only parties that are running enough candidates to form a government or an opposition. The Labor Progressive party has never made an attempt to run enough candidates to form a government or even a decent opposition. Such a poor attempt to obtain political control in these strenuous times should be completely ignored by the public.

J. K. H.

Box 1537 B.

C.C.F. AND SOCIALISM

Editor, Daily News:
Recently, I have been taken to task by two persons, presumably fellow workers. I reply, I am glad to have the opportunity of discussing or exchanging views with anyone as it is by honest difference of opinion that we

reach correct judgments and sound conclusions.

Having spent the greater portion of my active life in the labor movement, I have come to some very definite conclusions. I have striven to understand unionism and socialism and the economic system under which we live and have concluded as follows:

Any legislation for the benefit of labor placed upon the statute books of this Dominion or any of the nine provinces has been fathered and fostered and brought to fruition through organized labor and has been the product of no particular party in politics. Nor will it ever be since the trade union movement is the motive power under which the world of labor evolves.

The smokescreen which Mr. Winch uses to obscure the likeness of his party from that of coalition is socialism which is simply a myth. Mr. Winch, as leader of a political party, can and will have no more to do with bringing in socialism than Mr. Hart or Mr. Maitland. Socialism is directed by a great dictatorial engineer. His name is economic stress. To his will all must bow or perish. Socialism is not the hand work of a little band of Utopian thinkers found under the banner of C.C.F. Socialism, or delayed. When the true flag like fate, can be neither hurried of socialism unfolds the sun will shine on a world without a slave.

Insofar as socialism is concerned, Ald. Brett and Pattullo stand on equal ground. George Bernard Shaw has said we might have had socialism long ago had it not been for the socialists.

GEORGE B. CASEY.

H.M.S. PUNCHER UNDISCIPLINED, EFFICIENT SHIP

The Canadian-manned aircraft carrier H.M.S. Puncher achieved the distinction of being termed the "most undisciplined but the most efficient ship in the Home Fleet." Story of the Puncher was told to the Prince Rupert Rotary Club Thursday by Lieut. Commander Jack McRae who served aboard her as gunnery officer and in other capacities from the time she was commissioned until last month.

He observed that of all the British and American ports the Puncher visited, few could compare with Prince Rupert either in climate or in the excellence of their harbors.

Manned by Canadians at Vancouver, Puncher went to the

Atlantic. At Norfolk, West Virginia, it took on a load of night fighter planes for Casablanca, Casablanca, with its mixture of ancient and modern, was the most interesting city he ever visited, Lieut. Commander McRae said.

Sailing back to Norfolk and New York they made trips, carrying planes, to Liverpool and to Glasgow. Then the Puncher went operational, joining the Home Fleet at Scapa Flow after a session of training Fleet Arm pilots to land on her deck.

With a squadron of Barracuda torpedo planes, the Puncher was with a division which made sweeps along the Norwegian coast, mining the inland waters to bring Nazi shipping out into the open.

"Our job was to look for trouble," he said.

When Admiral McGregor, commander of the naval division, decided to make his famous strike at Narvik, the Puncher went along. Bad weather delayed the operation and the Puncher cruised off the Norwegian coast for a week waiting for the weather to lift so they could launch planes.

Before the weather lifted the ship was sent to Glasgow to dry dock and the Puncher missed the operation.

It was Admiral McGregor who called the Puncher the "most undisciplined but most efficient" ship he had commanded.

After V-D Day the Puncher

NEW FISHERY PATROL SHIP

Large Vessel to be Built For This Coast

A new and bigger vessel than any now operated by the Federal Department of Fisheries on the B.C. coast will be acquired shortly for the department's fish protection service.

Present fisheries protection vessels are the 100-foot Nitinat, and the 80-foot Kitimaat, each carrying an 11-man crew. The new vessel, which Major J. A. Motherwell predicted will go into operation shortly, will be longer than either of the former and will have a crew of 12 to 14.

Like the Nitinat and the Kitimaat, the new ship will patrol B.C. coastal waters to guard halibut regulations, the fur seal fishery, pilehard operations and joint U.S.-Canada fishing agreements.

brought 500 Canadian naval personnel back to Canada and, when the ship docked in Halifax, it was the first time that the crew had been in Canada for a year and a half.

"While the ship was manned by Canadians it was still a Royal Navy ship. The pilots belonged to the Royal Navy's Fleet Air Arm and we were under Royal Navy command," Lieut. Cmdr. McRae declared.

During the latter parts of its operations Commander D. C. Wallace, formerly commanding officer of the Prince Rupert naval base, was captain of the Puncher and he was highly popular with his men.

Chairman of the meeting was President James Thompson and guests were Lieut. Commander McRae, Capt. Walter Johnson, Ted Kingston, Vancouver, Bill Joy, Los Angeles, Col. T. A. H. Taylor, Vancouver, Bill Terry, Pat Douglas and Bill White.

Here's your magic wand for making milk

Soyl Elsie: "It doesn't matter where you live—you can still have milk! Just add KLIM Powdered Milk to water, whisk with an egg-beater and presto! You have exactly the amount you need of nourishing milk for every purpose where milk is required."

All the cream left in!

KLIM is pasteurized whole milk in handy powder form. Only the natural moisture has been removed. All the cream and all of the nutritive values of fresh pasteurized milk are retained.

Milk made from KLIM keeps as well as fresh fluid milk. But by making only as much as you need each time, you can always have a fresh supply.

And KLIM Whole Milk Powder itself stays fresh long after the vacuum-sealed container is opened. It's always handy.

UNITED CHURCH THANKSGIVING DINNER HELD

Upwards of 100 persons crowded the social parlor of First United Church last night when the Women's Auxiliary of the church held its annual Thanksgiving dinner, tasty and generous spread which was heartily enjoyed by all.

After full justice had been done to the meal, a brief program was presented, the highlight of which was the rendering of vocal solos—"Danny Boy," "I Had a Little Talk With the Lord," "Tura lura lura," by Mrs. James Waugh, accompanied by Mrs. Swanna Carrell.

Occasion was also taken to present to Mrs. Carrell, who has long been the organist and an active worker in the church, with a handsome set of Prince Rupert pictures in appreciation of her services and as a token of well wishes for the future. The presentation was made with appropriate comment by Mrs. J. S. Irvine. Mrs. Carrell, who is to leave to make her home in the Fraser Valley, responded briefly. Rev. R. A. Wilson, the pastor, presided.

After the dinner, a meeting of the men of the church was held to hear Rev. Robert MacLaren, secretary of Christian education, and to organize men's work in the congregation.

The ladies who had charge of the dinner and its serving were Mrs. A. Thompson, Mrs. Foster, Mrs. F. Llewellyn, Mrs. R. G. Macaulay, Mrs. R. G. Webber, Mrs. T. Petroff, Mrs. J. Ciccone, Mrs. D. Santurbane, Mrs. Faught, Miss Aileen Foster, Miss Joy Foster, Mrs. Crawford Moore, Mrs. Holt, Mrs. G. H. Johnson, Mrs. A. S. Nickerson, Miss Isabel Henderson. Mrs. Earl Petterson acted as cashier.

SCIATICA SUFFERERS

Does stabbing, piercing pain of Sciatica in your hip and thigh make life a misery? Do as thousands have done. Get quick relief with Templeton's T-R-C's, and lead the normal, active life you long for. Don't suffer another day. Get T-R-C's—and stop that miserable pain—now! 50c, \$1—at druggists everywhere. T-26

PRESENTED BY THE MILLERS OF PURITY FLOUR - PURITY OATS

James Valentine, who has been in the city for the past couple of weeks following the recent death of his father, the late E. N. Valentine, left by last evening's train on his return to Boston.

Mr. and Mrs. Peter Cartwright and son are returning to Prince Rupert next week following their war absence. Mr. Cartwright having been an instructor in the Royal Canadian Air Force with the rank of flying officer and located in Manitoba. Recently they have been visiting at Ganges Harbor on Salt Spring Island.

DRUM HEAD SERVICE

▲ Sea Cadets and 1st (R) Bn. Prince Rupert Regt. to be held in the YMCA Auditorium, Sunday, Oct. 21, 1945, at 2:30 p.m. Major R. C. H. Durnford, Seaford Padre, will conduct the service. At the conclusion of the service, the 1st (R) Bn. Prince Rupert Regt. will act as host at the Armories, 6th Ave. W., to civilians and service personnel. Refreshments will be served. Everyone is welcome. Come and meet the Padre. (243)

▲ C.C.F. Broadcast, Saturday, 6:15 p.m. H. G. Archibald, M.P. (244)

Mr. and Mrs. Pat Chow and family were passengers to Vancouver on the Prince Rupert last night.

William Joy, who has been visiting in the city for several weeks, left last night by the Prince Rupert on his return to Los Angeles.

Lieut. Douglas Scott, younger son of Mrs. J. W. Scott of this city and himself a well known local pioneer boy, returned recently to his home in Toronto after having been overseas with the famous 48th Highlanders Regiment.

Mrs. Richard Brackett, formerly Miss Jessie Parker, cousin of Mrs. A. H. Iverson of this city, has left for the south to meet her husband, Technical Sergeant Brackett, with whom she will proceed to their home in San Francisco.

G. Dodwell, of Dodwell and Co., shipping agents, Vancouver, left last night on the Prince Rupert for Vancouver after spending several days in the city in connection with the loading of the British freighter, Samarkand.

Mrs. James Waugh and Mrs. Dalgleish of Montreal, who have been visiting here with their mother, Mrs. Buchanan, and sister, Mrs. Robert Cameron, left last night on the Prince Rupert for Ocean Falls where they will pay a brief visit before proceeding to Vancouver enroute back to their home in the East.

Baby Sitters Inc. Latest Business

CLEVELAND, Oct. 19 (AP)—Sitting up with baby has blossomed into an organized business in Cleveland. Like many another young couple, Harold M. West and his wife have had to forego a party or the movies because they couldn't get anyone to stay with the baby, but West has done something about it. He's organized "Minute Maid" a baby-sitter service for tied-to-home parents. He put a classified ad in a local paper for girls 18 to 45 for baby-sitting jobs and for parents with babies they want "sat up with." The response has been so encouraging that West is thinking of expanding his service.

Always the Same

In cooking with Carnation Milk, you can always count on the quality being the same. The can you open tomorrow will be just like the one you open today. The can you buy at one store will be the same as that bought at another. The bottom milk is the same as the top milk. And every drop has extra "sunshine" Vitamin D. Cook with the good milk with the red-and-white Carnation label.

For milk recipes, use half Carnation and half water. For cream recipes, use Carnation undiluted, as it pours from the can. Write for free Carnation Cook Book. Carnation Co. Limited, 470 Granville St., Vancouver, B.C.

SPORTS

The British wonder horse Dante will never race again. He is being retired to stud at fees which will bring an estimated \$120,000 (\$540,000) addition to the fortune he has already made for his owner, Sir Eric Ohlson. Dante's last race was to have been the Champion Stakes, but it was decided to syndicate him for breeding purposes instead. The syndicate is likely to consist of 40 racehorse owners, prospective owners and bookmakers. Each member will pay \$3,000 for the right of one nomination a year. With his Derby winnings of \$8,339 and a total of \$3,649 in seven other races, added to the syndicate fees, his total earnings will be \$131,988, making him one of the biggest money makers in years.

The biggest price paid in six years for a soccer player—\$5,000 (\$22,500)—was in a deal which transferred Frank Soo from Stoke City to Leicester. Soo is the only footballer of Chinese descent to play for England. Tom Mather, as Stoke manager, picked up Soo for £250, steered him to top honors, and now as Leicester manager has had to pay £5,000 to get him back. Soo is rated as one of the top wing-halves in England.

A tear in your beer for young Ken Wookey, 23-year-old Newport outside right. He sat in the stands while Chelsea scored a 2-0 win over his team. Young Ken, a stranger to London, lost himself in the maze of underground platforms at Earl's Court station, and arrived at the field 10 minutes after the game started. His playing might have made all the difference for earlier in the week he had a big share in beating the previously undefeated Charlton team.

Padre Durnford to Lead Drumhead Here Sunday Afternoon

Arrangements have been made for the Prince Rupert Machine Gun Regiment and the local Sea Cadets to unite Sunday afternoon in a drumhead service to be held at the Y.M.C.A. Auditorium with Rev. (Major) R. C. H. Durnford D.S.O. as chaplain. Both units will parade with their bands prior to the service following which the regiment will be at home in the Armory.

Two U.S. Units Leave Thursday

Two American army companies attached to the Prince Rupert Sub Port of Embarkation left last night for the United States on Canadian National Railways. They are the 262nd Military Police Company, commanded by Capt. John F. Jubeck, and the 652nd Port Company, commanded by Lieut. William E. Pamplin. The movement involved 130 men and leaves slightly more than 800 United States army personnel still stationed in Prince Rupert.
