Thirty Miles From Berlin

Silesian Bridgehead Across Oder Seen As Outflanking of Capital
LONDON, Feb. 5 — Russians moved to the Oder River line along a front 145 miles long threatening to outflank Berlin through north Germany as well as in the south. A new offensive has been launched in Silesia from a bridgehead across the Oder River and the Soviet forces were reported today to have advanced 12 miles beyond the Oder. The German High Command said that strong Russian attacks were in progress against the Oder fortress of Kustrin, 40 miles east of Berlin. A National Broadcasting Co. rebroadcast said the Russians are about 30 miles east of Berlin in the Frankfurt-Cistrin sector.

War News Highlights

MacArthur Retakes Manila

United States forces under General Douglas MacArthur entered Manila under cover of darkness to liberate the capital of the Philippines which has been in the hands of the Japanese for three years. One of the first cares was to insure the safety of a large concentration camp containing Allied prisoners of war which was at once put under guard. The seat of government was seized and the northern part of the city is firmly under American control. Twelve thousand Japanese reported left in the city were believed to be preparing for a last ditch fight in the southern part of the city. A river separates the opposing forces.

Break Through Siegfried Line

United States First Army forces have ripped through the last fortifications of the Siegfried Line and entered the secondary defenses east of Monschau. Two American divisions burst completely through the great pillbox belt of the double Siegfried Line southeast of Aachen and surged across open country two-thirds of the way through the whole defence system. Some troops gained as much as three miles. The German High Command reported lively air activity and increasing artillery fire in Holland and along the Roer front in Germany.

Reich Gov't Buildings Battered

Eight direct hits were made on the Air Ministry as heavy Allied bombers delivered their heaviest attack of the war on Berlin Saturday. Government buildings over an area two miles long and one mile wide were battered. These buildings included the Reich chancellery, Gestapo headquarters and propaganda ministry.

Reds Outflanking Berlin

Fighting along the Oder River between Russians and Germans is increasing in intensity as the threat to Berlin increases. The Russians have reached the approaches to Frankfurt and Kustrin in a move to outflank Berlin.

New Weapon On Italian Front

British and Canadian troops on the Italian front have thrown back vicious German counter-attacks which at times have assumed the proportions of full-scale small battles. A Reuters dispatch from Rome says that Field Marshal Albert von Kesselring is using miniature rockets of the T-20 type against Allied troops holding the mountainous central Apennine sector of the line in Italy. A British artillery officer describes them as making a "frightening noise like a giant standing on a mountain top tearing a great sheet in two." He added that Allied artillery is unable to damage the rocket positions because they are movable platforms which are brought up to firing position and then rushed back out of range of Allied guns.

Naval Attack On Sumatra

The great battleship King George V led a powerful British naval force which has made two attacks on oil plants and refineries held by the Japanese on the south of the island of Sumatra. Fifteen aircraft were reported lost.

Dunkerque and Lorient

A German communique says that an artillery fight for the by-passed Channel port of Dunkerque and the former German u-boat base of Lorient in Brittany was intensified. Both have been under siege for several months, Dunkerque by troops of the First Canadian Army.

New American Landing

An unconfirmed Tokyo broadcast today said 3000 Americans landed January 18 on Jolo Island in the Philippines. Jolo is the largest of the Sulu group midway between Mindanao and Borneo. The Japanese claimed they had inflicted more than 300 casualties on the Americans.

LEGISLATURE OPENS MONDAY

Session to Get Under Way Tomorrow with Minimum of Ceremony

VICTORIA, Feb. 5 — The annual session of the British Columbia Legislature will get under way tomorrow with a minimum of ceremony. The address in reply to the speech from the throne will be moved by W. T. Straith of Victoria and seconded by W. A. Bennett of South Okanagan.

MacMillan Urges Forest Portfolio

VANCOUVER, Feb. 5 — H. R. MacMillan, president of the lumber company bearing his name and prominent British Columbia industrialist, in a booklet just released urged the establishment of a portfolio of forests in the British Columbia government as "one of the most important responsibilities of the government."

LOCAL OFFICERS TO NEW ORLEANS

Selected to attend the Transportation Corps school for water ports and allied operations, three United States officers of the Prince Rupert sub-port of embarkation left Saturday for New Orleans, Louisiana. The three, as announced by Col. J. H. Mellom, commanding officer of the sub-port, were Capt. Dolson W. Hill, troop movement officer; 1st Lt. Jack Alderson, in charge of the ordnance section, overseas supply division; and 1st Lt. John L. Macken, in charge of the TC Supply Branch, Water Division.

U.S.O. FOURTH BIRTHDAY PARTY, RECEPTION, CAPTIVATE PUBLIC

Hospitality of Prince Rupert's United Service Organization club was extended to the public on Sunday afternoon in celebration of the fourth anniversary of the founding of the world-girdling service organization. In observing its birthday the local club joined 3,000 other clubs scattered over the globe wherever United States troops serve.

GREY NORTH NOW VOTING

Weather Man and Voters Now Having Their Say in Important Federal By-election

OWEN SOUND, Ont., Feb. 5 — It now is up to the 23,000 voters of Grey North constituency today to decide whether they will support the Liberal government policy with regard to manpower and reinforcement of the Canadian Army overseas. The speeches are over and the result hinges on two things—the voters and the weather. In a community almost equally divided between farmers and city dwellers the weather is important. Snow fell yesterday and there is a possibility that some rural roads will be impassable for voters wishing to go to the polls. Sticky overnight snow pointed to a possible slowing down of the vote at least in remote rural areas.

These farmers, villagers and townspeople of Grey North, by casting their by-election votes today, are the first Canadians to register at the polls their reaction to the government's current reinforcement and conscription program. The fight is expected to be close between Liberal, Progressive and C.C.F. candidates. Some speakers said that the result of the by-election will decide to large extent the date of the coming Dominion general election and the question of whether another session of Parliament will be held.

MacArthur and His Forces Enter Philippines Capital; Now Holding Half of City

Japanese Expected to Put Up Fight For Business Section of City — Internees Liberated — Executive Buildings Taken

MANILA, Feb. 5 (CP)—The American flag has been raised over Manila after more than 3 years of Japanese occupation. General MacArthur's liberating forces struck deep into the Philippine capital Saturday night and quickly captured the Santo Tomas concentration camp. Ambulances now are removing

liberated prisoners from that camp where as many as 3,000 British and American civilians have been interned. Also taken by the hard-hitting Americans were the executive palace and the Grace Park airdrome. While the Japanese in the northern part of the city offered no major stand there have been explosions and fires south of the Psalg River which splits Manila in two parts. It is possible that the Japanese will put up a bitter fight for the business section of the city.

Two American Divisions Have Now Broken Two-Thirds of Way Through

PARIS, Feb. 5 — Two American divisions burst completely through the fortifications of the double Siegfried Line southeast of Aachen Saturday and surged across open country after penetrating through the whole defence system. Some troops gained as much as three miles. The German High Command reported lively air activity and increasing artillery fire in Holland and along the Roer front in Germany.

Bob Harlow Home After Flying Over Enemy Territory

Pilot Officer Bob Harlow, son of Mr. and Mrs. R. A. Harlow, formerly of Prince Rupert and now of Prince George, returned to Prince George a few days ago for a visit on leave after having completed a tour of operations over enemy territory. He has been overseas for 23 months flying Halifaxes and Lancasters.

BOILERMAKERS ARE ACQUITTED

Found Not Guilty of Intimidation at North Vancouver But Warned—Clean Up North Vancouver

VANCOUVER, Feb. 5 — A Supreme Court jury has acquitted seven members of the Boilermakers' Union charged with conspiracy to intimidate Frank Etherington in North Vancouver last September. Mr. Justice A. M. Manson warned the men against "taking the law into your own hands."

Pioneer Business Block Gutted In Fire

FOUR DEPARTMENTS BATTLE FLAMES IN STONE BUILDING

Structure Believed Damaged Almost Beyond Repair and Stock Loss Heavy As Well

Damage estimated at possibly \$50,000 was caused by a fire which left a pioneer Prince Rupert business block virtually totally destroyed this morning. The building was owned by W. F. Stone, men's furnishings dealer at present visiting Vancouver. It stands on Third Avenue at the corner of Fifth Street. It was built in 1910 by Christianson Brandt and for years was owned by the Terminal Investment Co. from whom Mr. Stone purchased it last year.

The fire started before 8 o'clock and spread rapidly from the basement. Flames soon burst through the whole two-story structure which was completely gutted. Fire equipment from Canadian and U.S. armies assisted the city fire department.

The building was occupied by Stone with a stock estimated at \$40,000. Upstairs was the North Star Club. Another floor section formerly occupied by a Y.M.C.A. cafeteria had been leased but not yet occupied by Gordon Bryant's clothing store. The adjoining building owned

and second story all felt the hot tongues of flame which continued to spread even after half a dozen hose lines had come into play. However, the vast quantities of water directed from all sides soon brought it under control although it is thought the building is too badly damaged to be repaired.

Although the fire did not get within the clothing store water and smoke damage to the stock will be considerable. The first alarm was turned in at 8:10 by a worker on the city garbage truck who saw smoke seeping from the building as he passed by in the lane. A large crowd watched fire departments of the city, navy, Canadian army and American army join in fighting the blaze. Provisions and equipment belonging to the Y.M.C.A. War Services valued at \$4,300 were lost in the fire. They were housed in the rear of the building awaiting transport to the new Y.M.C.A. building. The loss is said to be covered by insurance.

A police raid on the North Star Club Saturday night saved equipment and paraphernalia of the club from fire loss. Along with several customers, police took practically all the furniture and gear to police headquarters. Mr. Stone, owner of the building and store, is sailing for home from Vancouver tonight. A new steam heating system was installed in the building about a year ago, and it was recently re-wired. The fire was the second over the week-end in a downtown building. At 10 o'clock Sunday the city fire department extinguished a blaze in the garbage chute of the Besner Block before any damage was done.

TUG ETTA MAC FREE

Has Been Refloated From Rocks Outside of Victoria Harbor

VICTORIA, Feb. 5 — The tug Etta Mac was freed from jagged rocks of 10-Mile Point and towed to Cadboro Bay waters just outside Victoria Harbor. Heavy seas Thursday caused considerable unstated damage to the vessel. The tug went aground Wednesday night. She was enroute to Vancouver at the time. The Etta Mac is an 85-ton vessel owned by Vancouver Barge & Transportation Co. After the grounding Wednesday night she still held fast until late last night. Three tugs and two derricks worked day and night Thursday without success. The crew of eleven, including the skipper, Capt. Wilfrid Prudhomme, escaped without injury in a work boat.

Seven Are Dead In Plane Crash

Royal Canadian Air Force Tragedy Near Vancouver
VANCOUVER, Feb. 5 (CP)—Seven airmen were killed yesterday when a Liberator bomber in which they were flying crashed at Whonnock, about forty-five miles east of Vancouver. The plane was on a routine flying operation from Abbotsford. It crashed shortly after taking off.

Seven Charged With Contributing

Indian Agent James Gillett and provincial police Staff Sergeant G. A. Johnstone left this morning for Port Simpson where Mr. Gillett will act as juvenile court judge in a case involving seven native youths charged with contributing to juvenile delinquency. The charges arose out of the alleged entry of the youths into the Port Simpson residential Indian school.

Newspaper Advertising . . .

Few retail advertisers fully appreciate all the advantages which newspapers offer them as an advertising medium. Here are 20 prime advantages:

1. The newspaper is the only medium of advertising in which great numbers of persons customarily look for advertisements of merchandise and services which they are about to purchase.
2. Newspaper circulation is definitely known.
3. Its space affords opportunity for effective illustration.
4. It is sure to reach daily the interested attention of an audience in excess of the circulation for which the advertiser pays.
5. In the newspaper one gets the greatest definite circulation at the least cost.
6. It permits with minimum effort daily change in announcements.
7. Mechanical, art and other costs are relatively insignificant in newspaper advertising as compared with announcement changes in other media.
8. The newspaper is the only medium which awaits the convenience of the reader.
9. It enters the home daily with the assurance that it will be available at any time to any member of the family.
10. Registration of the advertiser's name, address, etc., is permitted in a form convenient for reference without need of memorandum.
11. Newspaper advertising has, by use, the overwhelming endorsement of the greatest number of successful advertisers everywhere.
12. It is the only major medium of local advertising for which readers pay.
13. It reaches all classes of people.
14. Newspapers are the most quoted medium in the daily contacts of people.
15. They are looked upon for guidance in every human activity.
16. They are the longest established regular medium for the dissemination of facts.
17. There is no community of any important size without its daily newspaper.
18. Every issue of every newspaper has something of interest and importance for every reader in every family.
19. Newspapers serve the triple function of instruction, guidance and amusement for readers of all ages.
20. Every newspaper worthy of the name possesses institutional prestige and authority which, to some extent are reflected to the merchandise advertised in its columns.

Let's Develop the Market . . .

Speaking last week at the annual meeting of the Terrace Board of Trade, Arnold Flaten, Prince Rupert banker and Chamber of Commerce leader, stated that of \$387,000 worth of butter, vegetables, milk and eggs which Prince Rupert consumed last year only a small proportion came from the interior. We do not think Mr. Flaten overestimated in his figure of local consumption but the point, of course, is that of the produce consumed a much larger proportion might well come from the interior. It would be to the mutual advantage of both this city and the agricultural communities of the interior.

To foster this business between Prince Rupert and the interior should be an objective of the Chambers of Commerce and Boards of Trade. Farmers' Institutes and co-operative organizations might also play a prominent part. Handled with co-ordinated effort, obstacles which have so far mitigated against the full development of marketing of interior products in Prince Rupert, no doubt, could be removed.

The central interior is capable of producing field crops, vegetables, fruits, dairy products the equal of and sometimes superior to those coming from any other source. We have said that often before and confidently reiterate the statement.

We hear of ambitious post-war plans for settlement of the agricultural lands of the interior. Obviously, such plans cannot be successfully culminated unless there is recognition of the primary essentiality of markets being provided for the goods that will be produced. An ideal agricultural community is certainly not one where the poverty-stricken farmer merely has a shelter, garden, cow, poultry pen and a few animals with no market other than his own requirements, finding it necessary to depend on what casual outside work as may crop up to provide him with the wherewithal to purchase the other needs of life.

We do not suggest that the present Prince Rupert is a potential market for unlimited quantities of agricultural produce from the interior. We do say, however, that we (the people of Prince Rupert and the central interior) should be able to remove the circumstances whereby this city imports large quantities of agricultural products which its own hinterland is quite capable of producing. It is reasonable to wonder if we do not use our own products who do we expect will?

If a concentrated effort were made by all the Chambers of Commerce, Boards of Trade, Farmers' Institutes, co-operatives and other organizations concerned there is no doubt that such difficulties as those concerned with grading, packing and transportation costs could be removed. The trouble is that no real concerted effort has ever been made along these lines and one of the causes of nothing having been done has been listening to pessimistic or presumptuous wisecracks who for some reason or other have sabotaged the idea by saying it could not be done.

It is about time, after all these years, that we really got down to business of devoting to the fullest measure the market in Prince Rupert for interior products.

LABOR PROGS ANNUAL MEET

Call for Unity is Sounded by Federal Candidate, Bruce Mickleburgh

Reports of the outgoing executive and the election of officers for the ensuing year featured a lengthy annual meeting held yesterday by the Prince Rupert Labor-Progressive Club.

Members heard Bruce Mickleburgh, the party's candidate in the forthcoming federal election, give a call for united action by all forward-looking people, so that prosperity and progress might be achieved by the Canadian people in the post-war period.

Declaring that the present drive of the Red Army towards Berlin was the exemplification of the Teheran concord, in which the Soviet Union and the other democracies united to wage total war against Fascism, the speaker stressed the necessity of similar unity between all progressive forces in the Canadian nation. "Only such unity of those people who, regardless of party affiliations, desire international co-operation and prosperity for all sections of our people, can assure that the Tories will be defeated," Mr. Mickleburgh declared.

The speaker continued, "In proclaiming the slogans 'On to Berlin' and 'Everything for the Fighting Front' we give voice to the desires of all freedom-loving

people who are determined that fascism everywhere shall be uprooted and exterminated. In the mighty struggle to defeat Fascism we are forging that unity which alone can ensure progress in the years after the war."

The meeting endorsed a resolution of the Kalsa Diwan Society, calling upon the provincial government to amend the Elections Act so as to effect the enfranchisement of East Indians resident in British Columbia. Copies of the resolution are to be sent to the provincial cabinet, T. D. Pattullo, and all Labor-Progressive clubs in the Skeena riding.

The following officers were elected to serve during 1945:

- Chairman, S. Boshier.
- Executive Secretary, B. Mickleburgh.
- Assistant Secretary and Personnel Director, D. Blakey.
- Director of Trade Union Work, P. Taranger.
- Recording Secretary, A. Hansen.

HOW CAN I ???
By ANNE ASHLEY

Q. How can I preserve a new clothesline?

A. A new clothesline should be boiled for about 30 minutes before using it. This prevents stretching. It will not tangle as readily and will last much longer.

Q. How can I mend kid gloves?

A. Buttonhole around the edge of the tear before drawing together. Then over-sew the buttonhole together and the repair is substantial.

Q. How can I make a cockroach trap?

A. Fill a pie pan, or similar container, half full of sugar water. Place it on the floor and slant several sticks, each about three inches long, from the floor to the edge of the vessel. The roaches will crawl over and drown.

PROTECT FAMOUS MOUNTAIN

CAPE TOWN, (AP)—The slopes of Table Mountain will shortly be safeguarded from soil erosion through the recovery work done with Dunn's finger grass, which was found some years ago at Mt. Nyvathia, in Uganda. All the important slopes of the Table Mountain area will be planted with this grass.

bar on the lower floor. A decorated birthday cake in the lobby set the tone of the celebration.

Highlight of the function was a half-hour broadcast interlude at 6:30 p.m. when the congratulations of Col. J. H. Mellom, commanding Prince Rupert sub-port of embarkation, Mayor H. M. Daggett, and representatives of American and Canadian enlisted personnel were extended. Speaking on behalf of Canadian service people was Leading Wren Marion Merryfield. PFC. John Cezmas expressed the appreciation of his American comrades, Miss La Pierre responded to the congratulations.

Col. Mellom pointed out the recognized importance of morale and attested to the fine contribution which U.S.O. clubs were making to it.

"I have seen the fine work the clubs are doing overseas. They have filled a great need in maintaining morale," Col. Mellom said.

He revealed that since the organization was founded its branches have been visited by 200,000,000 service people. The local club alone has entertained 300,000, of which 38 percent have been Canadian. Col. Mellom expressed appreciation to Director Frank Finnerty, now in the United States on leave, Miss La Pierre, who is acting director, Pete Wambach program director, and to the volunteers and staff

who help build and operate the club.

Mayor H. M. Daggett said the general public do not realize the greatness of the work done by the U.S.O. clubs, but service people do.

"It would be good to see activities which were created for the benefit of young people during war continue after the war as a permanent peacetime activity," His Worship suggested.

Fine expression of gratitude on behalf of enlisted personnel, delivered by Leading Wren Merryfield and Pfc. Cezmas.

Dance music was interspersed throughout the broadcast. Walter Montgomery did a pet job as announcer and master of ceremonies. The broadcast dancing continued.

George Mitchell, manager of Albert and McCaffery fuel company, complained to police at the week-end of the theft of three sacks of coal from the company coal shed.

City fire department answered a call to the rear of the Commodore cafe at 9 o'clock Saturday morning where a rubbish fire had apparently been mistaken for something more serious.

M. F. Anderson, formerly director of the local American Red Cross, left Saturday night for Seattle prior to going to Whitehorse, Y.T., where he will be connected in a similar capacity with the Northwest Service Command.

Dr. and Mrs. L. W. Kergin will leave on tomorrow night's train for Toronto where they will attend the graduation of their son, Allan Kergin, from medical college of University of Toronto. They expect to be away about six weeks.

T. Applegath of Vancouver, Progressive-Conservative party provincial organizer, and A. M. Harvey, delegate from Ocean Falls left Saturday night for the south after attending a Progressive-Conservative nominating convention here.

F. O. Bird, who came here from Mayo where he was territorial assayer for the Yukon and has been for the past three years in the service of the Northern B.C. Power Co. as an electrician, sailed Saturday night for Vancouver where he will enlist in the active Canadian Army. Mrs. Bird and family are remaining here for the time being. Mr. Bird was a sergeant in the local reserve unit.

CO-OP BUILDS ICE SHEDS

SMITHERS, Feb. 5.—The harvest of ice at Smithers has been completed at the earliest date in many years. The ice is of splendid quality, being about two feet in thickness and of clear green. Many thousands of tons have been stored away for summer use in the Booth Fisheries sheds at Lake Kathleen and in local ice houses in town.

The Fishermen's Co-op in Rupert have made arrangements for the construction of two ice houses 100 feet by 30 feet at Lake Kathleen alongside the ice houses of the Booth Fisheries already at that point. The building contractors of Smithers, Bovill & Hann, have the contract for the erection of these buildings which will be erected immediately. When completed they will be filled with ice by the Hanson Co. Ltd. of Smithers, who have the machinery and men for harvesting ice there.

Saw Son's Picture In Daily News

Mr. and Mrs. W. N. Shandro of this city were very interested in a picture appearing in the Daily News last Friday of the badly damaged H.M.C.S. Teme, Canadian frigate, which had been rammed in the Bay of Biscay by an aircraft carrier. The picture showed Able Seaman Nickon Shandro, son of Mr. and Mrs. Shandro, who was known to be on the Teme. Able Seaman Shandro, who will be 21 years of age in April, enlisted from Willingdon, Alberta, in July 1943 in the Navy and has been on the Atlantic since January 1944 after taking basic training at Esquimalt. He is still overseas.

Mr. and Mrs. Shandro have been in Prince Rupert for two-and-a-half years. Mr. Shandro being employed at the dry dock.

LOCALLY BORN BOY MARRIES

Miss Ada Terpsma and Corp. George Penny United at Army Citadel Ceremony

A pretty wedding of much local interest took place last Thursday evening in the Salvation Army Citadel here when Corp. George Penny, son of Mr. and Mrs. George Penny and Prince Rupert born boy, was united in marriage with Miss Ada Terpsma, daughter of Bombardier and Mrs. Arthur Terpsma of Edmonton.

The ceremony, solemnized by Adjutant E. D. Brunson, took place under a gay arch of pink and white streamers with cedar boughs, the hall being similarly decorated. The Wedding March was played by Mrs. J. S. Black.

The bride, given in marriage by her father, wore a beautiful full length white wedding gown with long white net veil also reaching to the floor. The bridesmaid was Miss Anne Terpsma, the bride's sister, and she wore a floor length white dress with a shoulder length pink veil. The bouquets were of pink and white carnations.

Following the marriage rite, there was a reception at the I.O. D.E. Hall where the guests, who came in the number of about 100 to tender their felicitations to the happy couple, were received by the bride's parents and the groom's father and sister. The bride's table was featured by a handsome four-tier wedding cake which was made by the bride's mother. After refreshments the remainder of the evening was spent in dancing.

The groom, who was a fisherman until he enlisted in June 1942, is with the water transport division of the Royal Canadian Army Service Corps. The bride has been identified with the staff of the Salvation Army war services here.

Corp. and Mrs. Penny will reside here.

Funeral Arranged For This Wednesday

Arrangements have been made for the funeral of the late B. Shearman, Anglican Church missionary teacher at Metlakatla, on Wednesday afternoon from St. Andrew's Anglican Cathedral with Very Rev. James B. Gibson, the dean, officiating. Missionary teacher at Metlakatla village for several years, Mr. Shearman collapsed in the hotel lobby while returning from the theatre with his daughter, Miss Dorothy Shearman, a nurse at the Prince Rupert General Hospital. He was in the city on a visit. Mr. Shearman, who was born in England, had served at Hazelton, Kitwanga and Kitkatla before going to Metlakatla. He is survived by his wife at Metlakatla, and two daughters, Dorothy in Prince Rupert and Marjorie, living at Stewart.

Ketchikan-Port Edward Split Series

The Prince Rupert Acropolis Hill team and Port Edward each scored a victory over Ketchikan in a set of two basketball games played in the Acropolis gym over the week-end.

When they played in the Alaskan city earlier this season, the Port Edward cagers emerged as victors of two fixtures while the Prince Rupert representatives broken even in a pair.

In the first week-end engagement, the Port quintet won by a score of 45 to 34. Ketchikan topped the winners' scoring efforts with 14 points while Miller paced the losers with 13. The lineups follow:

Port Edward—Henson 9, Moline 12, Ketchikan 14, Thompson 8, Horn 2.—45.
Ketchikan—Miller 13, Karau 3, Bennett 10, Tocylowski, Mato 6, Hunter 2.—34.

Second Game Close Contest

The second game was a close contest from start to finish but the Acropolis Hill club came up with a 51 to 49 triumph over the visitors. Ketchikan was high man in sniping for the victors with 20 points while Bennett headed Ketchikan with 16.

The lineups follow:
Prince Rupert — Kiener 20, Deiss 16, Meehan 5, Goldmann 6, Garzelloni 3, Goldman 2, Kalinovitch.—51.
Ketchikan—Miller 14, Karau 6, Bennett 16, Tocylowski, Mato 5, Hunter 5, Branson 5.—49.

Henson Is Top Scorer

A scoring spurt in their last two scheduled games carried a pair of Port Edward cagers into the first and second positions in the Area Basketball League's "A" Section individual sniping race, according to the final figures released today by Secretary Frank Watson.

Henson, with 148 points, tallied in 10 fixtures, won the scoring title, while Ketchikan took the runner-up spot with 132 counters.

The scoring figures follow:

Player	Pts.
Henson, Pt. Edward	148
Ketchikan, Pt. Edward	132
Kiener, Acropolis	126
Santurbane, City	105
Moline, Pt. Edward	103
Deiss, Acropolis	95
Garzelloni, Acropolis	85
Ernst, Officers	77
Hill, Officers	74
Holmes, Officers	73

The final team standings are as follows:

Team	W	L	Pct.
Acropolis Hill	9	1	.900
Port Edward	9	1	.900
Prince Rupert	5	5	.500
Officers	5	5	.500

Baseball As Usual In 1945, Announced

NEW YORK, Feb. 5 — Major baseball leagues will operate as usual this year, it is announced by National and American League officials.

Sport Chat

The Inter-Service Floor Hockey League got away to a bang-up start Friday night as the Navy dropped a very tight, close checking game to a coast regiment team 1-0. Col. C. C. Ferrie E. D. officially opened the newly formed league as he faced off the puck. From there on there were thrills and spills such as no doubt will make this one of the most popular sports in the area.

The score indicates how closely matched these two teams are. It was anybody's game until the final whistle. The only goal in the game was scored on a brilliant effort by Simmons after a dash down the full length of the floor. Many times the Navy was robbed of sure goals by the stellar work of Puznicki in the Army net. They were in on him time after time only to be turned aside. He seemed to be in the right place at the right time, on one occasion especially when Turcot of the Navy broke through with nobody between him and the goal only to be outgusted.

Many penalties were handed out by the referees as the boys forget once in a while during the heat of battle that they cannot try to body a man through a six-inch wall or try to break their stick over the not-too-well protected legs of their opponents. At one point in the game when three of the more husky boys happened to end up against a door that wasn't so strongly secured they found themselves, much to the amusement of the spectators, being picked out of the musk by their teammates. It all added up to make this opening game a thriller from start to finish and if future contests can be judged by the play Friday night the fans are in for plenty of good entertainment.

Line-ups:
Navy—Dennies (goal), Billinger, Astle, Mercer, Burnett, Gill, Turcot, French, Brannett, Owen, Perry, McKinnen.
Army—Puznicki (goal), Hawkes, Henderson, Duggan, Gurski, Leask, Snure, Waring, Carlos, Sims, Morris, Nymchuk, Simmons.
Referees—Russell and Church.
