Next Move May Be On Japanese Homeland Itself—Bataan Recaptured and Corregidor Expected to Fall

BACK ON FORTRESS ISLAND LONDON, Feb. 17 (CP)—Report that Corregidor Island has been invaded by American parachute troops with heavy fighting in progress was broadcast today by the Tokyo radio. The Americans formed a trap which enclosed several thousand disorganized Japanese on Bataan Peninsula today after a daring landing on the south coast under silenced guns of the once formidable Corregidor. While a stiff fight for the rest of Manila raged, General Douglas MacArthur announced the capture of Bataan. The powerful American Fifth Fleet continued on Saturday its double-barrelled assaults on Tokyo and Iwo Jima Island while enemy radio broadcasts reported American assault forces had begun storming their way ashore on Iwo.

LONDON, Feb. 17 (CP)—Japanese broadcasts have been heard announcing that American forces have begun the invasion of Iwo Island in the Volcano group, 750 miles south of Tokyo. Enemy broadcasts heard in London and Chungking say the Americans have effected landings on the small island midway between the American base at Saipan and the Japanese homeland itself. Enemy broadcasts also tell of a landing by American paratroops on Corregidor Island in Manila Bay, following the recapture of Bataan. Tokyo says heavy fighting is going on. Fifteen hundred American carrier planes have peited the Tokyo area in two separate attacks. Tokyo says the first raid yesterday lasted nine hours and that today's has already passed the five-hour mark. Admiral Mitsuzumi has not yet given out the results of the Tokyo raids.

War News Highlights

Air Attack Shifted LONDON—Allied Air Forces have shifted their attacks from the eastern to the western front. More than 3500 Allied aircraft have hit the Germans in the past twenty-four hours. It is estimated that about half of the force was made up of heavy bombers and Rhur Valley industries, oil refineries and communications centres all come in for heavy bomb doses.

Last German Stand PARIS—On the ground front in the west the Germans are digging in for last ditch stands before the strategic highway centres of Goch, Uedem and Calcar, the doors to the Rhur industrial region. Elements of eight Nazi divisions are trying to hold the line against the smashing offensive of the Canadian First Army. The latest front dispatches say First Army troops are about two miles from Calcar, five miles from Uedem and two and one-half miles from Goch.

Withdrawal From Italy ROME—Lieutenant General Mark Clark has told the people of Italy that a German withdrawal from the Italian front appears more and more likely. General Clark said pressures from the western and eastern fronts might induce the Germans to pull out of Italy.

Local Temperature Maximum 35 Minimum 24 Precipitation .01 inches (rain).

LONDON (CP)—The British Sailors' Society has presented the United Kingdom Chamber of Shipping with a copy of its specially-compiled book of prayers and Bible in a water-proof case, of the type issued to seafarers. workman, robbery with violence of Ching Yin, an elderly Chinese store proprietor, and robbery with violence of Mrs. Eva Molineaux who was run down by a car containing purse snatchers. Cost of keeping prisoners in the city jail for the month was \$186.

DRIVING THROUGH SNOW TO HIT THE NAZIS—Dimly seen through the driving snow, Allied infantrymen plod their way forward to drive the Nazis from their "bulge" in Belgium. Some peasant's innocent farm fencing now plays the role of "barbed wire entanglement."

Mr. Perry Speaks

Housing, Education Discussed

Many Plan to Own Homes Tells of B.C. Educational Leadership VICTORIA, Feb. 17 (CP)—Hon. H. G. T. Perry, minister of education, was a speaker in the Legislature yesterday when the housing question held the spotlight. Mr. Perry said that reports showed three-fifths of tenant families plan to own their own homes in the next few years while eighty percent of those desiring to continue to rent wanted low rent housing developments by local authorities. Opposed to low rent developments were many who believed such dwellings would degenerate into slums, thereby increasing blighted areas. Mr. Perry said that \$800,000 would be voted this year for new schools, the total of which the government pays forty percent. The new minimum wage for rural teachers was the best salary scale for rural teachers in Canada, the minister said.

Bitter Words

Pearkes As Candidate

Minister Charges Him With Having Worked Consistently For Conservatives OTTAWA, Feb. 17—Commenting on a report that Major General Guy R. Pearkes, V.C., following his retirement as general officer commander-in-chief, Pacific Command, would run as Progressive-Conservative candidate for Nanaimo in the federal election, Hon. J. G. Gardiner, minister of agriculture, said that Gen. Pearkes had been acting for over overseas there was no reason why he should not run for them. Mr. Gardiner declared that Gen. Pearkes and others of his officers had made statements which encouraged the recent high incidence of absenteeism of Home Defence troops through having advised the men not to volunteer for general service until ordered to do so by the government. (At Vancouver Gen. Pearkes emphatically denied Mr. Gardiner's charge. The statement was "perfectly ridiculous" and directly contrary to the facts. He had gone to the men on bended knee to plead with them to go active. Any officer who had discouraged them from doing so would have been disciplined).

Bulletins

NEW DECREE STRINGENT LONDON—The Nazis have passed a new decree, clamping martial law upon most of Germany. All who even hesitate to obey every defence edict will be executed. There will be no fines for cowardice, selfishness, gossip or any one of a number of, other things which offend the Nazi regime. Any suspected German will either be acquitted of his "crime" or put to death.

NO WORD OF ELECTION OTTAWA—The federal cabinet met again in Ottawa but there still has been no announcement concerning the date of the forthcoming general election. In the light of this continued silence on the part of Prime Minister King, political observers in Ottawa are predicting that the nineteenth Parliament may meet for a final short session on February 28 as scheduled.

BUSY MINISTER OTTAWA—One of Ottawa's busiest men these days is Colonel Colin Gibson. He is dividing his time between the air and revenue ministries. Col. Gibson spends his forenoon as acting air minister at Air Force headquarters. He has his lunch brought in to him on a tray and then walks the half dozen blocks to the revenue building where he spends the afternoon. His job gets a bit complicated sometimes. For instance once as air minister he supported the application of an airman for income tax relief and then as revenue minister had to turn it down.

ONLY ONE CANADIAN SHOT OTTAWA—Official information released by R.C.A.F. headquarters in Ottawa discloses that Warrant Officer Griffin Young of Peterborough, Ontario, was shot last August while confined in a German prison camp. Earlier reports said he was killed when the German Gestapo massacred the entire white prisoner personnel in a mixed white and Negro camp. Young was confined in a temporary prisoner of war camp with British, American and French Colonial personnel. No other Canadians were involved in the incident.

CONCERNED OVER DAUGHTER BRANTFORD, Ont.—The chief ambition of Sgt. J. Morrison, an R.C.A.F. gunner home in Brantford, Ontario, on compassionate leave, is to gather enough money to get the best possible treatment for his blind two-year-old daughter, Gail. The child went blind from a cerebral hemorrhage which affected her optical nerves. The sergeant says Gail is unaware of her handicap.

Russians Closing In On Fortress City of Guben; In Sight of Spree River

Final Fight For Breslau Has Commenced

MOSCOW, Feb. 17—At their nearest point of approach from the south, Soviet forces were reported today to be only 35 miles from Berlin. MOSCOW, Feb. 17 (CP)—Red Army heavy artillery and bombers have blasted the town of Guben on the Neisse River today. At the same time Russian infantrymen are closing in on the vital fortress city from three sides. Guben lies sixty miles southeast of Berlin. Earlier Russian dispatches said the Red Army now is within sight of the Spree River, the last natural defence line southeast of Berlin. The final fight for the Silesian capital of Breslau has opened with the Russians surrounding the city on all sides and pouring shells into the city's streets. The Brussels radio, meanwhile, has broadcast a dispatch from Moscow asserting that Marshal Kiney's army has reached the forefield of Berlin.

MEDICAL SCIENCE BRINGS NEW HOPE TO WAR INJURED FOR CIVIL LIFE

By ENID NEMY (Canadian Press Staff Writer) PORTAGE LA PRAIRIE, Man., Feb. 17 (CP)—The only establishment of its kind on the prairies, No. 3 Conditioning Centre here is a medical man's dream. Canadian casualties of the battlefronts of Europe as well as members of the Army, Navy and Air Force injured in training, are fitted for return to military or civilian life.

Canadians Advancing

Gain Two More Miles and Cut Road Between Goch and Calcar PARIS, Feb. 17 (CP)—Allied troops of the First Canadian Army battled today to within 1 1/2 miles or less of the shell-riddled German bastions of Goch and Calcar, southeast of Kleve, in a sudden push over mired battlefields. The English, Scots and Canadians lunged forward behind a wall of rockets and bullets from Allied planes for a distance of two more miles. The British cut the main Goch-Calcar road at two points. Elsewhere on the western front mud halted the most of activities.

Golden Gloves

Local Boy Eliminated

Bob Anderson Loses to Vancouver Lad—Jordan Smith Draws Bye VANCOUVER, Feb. 17 (CP)—Youthful Jordan Smith, who never saw a street car until he landed in Vancouver yesterday morning from Prince Rupert, is the only boxing competitor out of Vancouver still left in the 1945 Golden Gloves tournament. The 10-year-old Smith, who weighed in at 60 pounds, got a bye Friday night and will clash with Johnny Creanza of Vancouver tonight in the final. Smith's running mate, Bob Anderson, boxing in the 99-pound class, met defeat by decision from Larry Healy of Vancouver in a three-round bout. dit, Ont., a university of Alberta graduate, Lieut. G. Robinson of Vermillion, Alta., is dietitian for the centre. Two young officers who were sent here for treatment but hope to be released shortly are Lieut. G. H. Williams of The Pas, Man., and Lieut. F. A. Murtagh, Ottawa.

**Final Desperation . . .**

It is to rather drastic lengths that the Nazi leaders—Hitler and Himmler—have gone in their desperation as the modern Reich falls into its death throes in this war. One can imagine the depth to which the morale of the people has gone as far as the Nazi cause is concerned when it is decreed that those guilty of cowardice shall be executed. Of course, it is an open admission of serious defection that is developing among the German people and which even these drastic measures will not be able to arrest as it grows in strength with the military defeat of the forces becoming more and more apparent. Signs could hardly be more abundant of the disaster which is closing in on Hitler and his evil cohorts.

**Disbanding the A.R.P. . . .**

Possibly it is a little premature to concede that the danger of enemy attack on the coasts of Canada is entirely removed. True, it may be that they are less likely than they were as our fighting forces constrict the enemy which once directly menaced us from both Atlantic and Pacific. We are inclined to feel like Premier Hart of British Columbia and the municipal authorities of the city of Halifax that the time is not yet arrived when we should suspend our civilian defence measures altogether. Our enemies might yet strike at these shores even if they were suicidal or desperate blows.

**The Faltering Japanese . . .**

The trend of the war in the western Pacific is as gratifying as it is in Europe. In the Philippines historic Bataan has just been won back by the Americans and the recapture of Corregidor and the freeing of Manila Harbor may be expected next. The Americans have made their greatest air raid on Tokyo, the capital of Japan, as the United States Navy moves close in to the shores of the enemy islands.

As significant as the success of these latest operations against the Nipponese is his lack of resistance—by land, sea and air. The great Japanese fleet is being openly challenged today and declines to run the gauntlet. The Japanese Air Force lets the American attackers get away without a fight. The Japanese Army, which we thought would die rather than fight, retreats rather than resists. Where has even the much talked about "face saving" philosophy of the Japanese gone?

**Their Letters Welcome . . .**

Letters from the boys — and girls too — serving in the various forces around the world are of the greatest interest to our readers we have found and we welcome excerpts from any of them. These boys and girls of ours are indeed seeing the world these days. All of them are having high adventure and many of them trying and harrowing experiences. Descriptions of their experiences make the finest sort of newspaper copy and the Daily News is anxious to receive any contributions of this kind. We are glad to help in letting the friends of our young fighting folk know how they are getting on.

**REGIMENT W.A. VALENTINE DANCE**

Initial Social Event Last Night Big Success, Drawing Crowd of 300

The newly formed Women's Auxiliary to the Prince Rupert Regiment held its initial social event Friday night, a fine St. Valentine's dance in the Armory and it was a great success, 300 persons being in attendance.

The big hall was attractively decorated in the Valentine tradition with red hearts and red and white streamers set against a patriotic background of red, white and blue. The scene, for the 300 odd dancers was, as a result, most attractive.

Regimental Sergeant Major E. R. Macdonald was master of ceremonies and splendid music for the dancing was furnished by Andy McNaughton's Orchestra.

At midnight delicious refreshments were served. Following the refreshment period, Major C. J. O. Toombs, officer commanding, and Mrs. Max Asemissen, president of the Women's Auxiliary, welcomed the guests.

Mrs. Asemissen was general convener and headed the decoration committee which also included Mrs. W. A. McBroom, Mrs. E. G. Daniels, Mrs. Pat Carr, Mrs. Carl Brechin, Mrs. Percy Bond and Mrs. C. G. Ham.

The refreshment committee consisted of Mrs. Edgar Saunders, Mrs. Crawford Moore, Mrs. C. J. Toombs, Mrs. Alvin Daly, Mrs. J. Davidson, Mrs. P. A. Bird, Mrs. N. R. Hebb and Mrs. M. E. Prendergast.

Mrs. C. G. Ham operated a soft drink stand. Sergeant P. A. Bond presided at the door and Sergeant C. G. Ham conducted the checkroom.

**RUSSIA AND JAPAN**

**LONDON**—The Russian delegation at the labor union congress in session in London, has committed itself to full moral support of the vigorous pursuit of the war against Japan until unconditional surrender. The commitment stood even after the original text of the declaration containing it was changed by a last minute amendment. The change was made to avoid the appearance that Russian trade unions were urging the direct entry of their own country into the war against Japan.

**CANADA'S VETERANS**  
*Their Post-War Opportunities*  
The second of three advertisements explaining the re-establishment credit.

**Homes, Businesses, Tools, etc. — USES OF THE RE-ESTABLISHMENT CREDIT**

In the first advertisement in this series it was explained that the re-establishment credit is a grant to which veterans are eligible in an amount equal to the basic War Service Gratuity—that is \$7.50 for each thirty days' service in the Western Hemisphere and \$15.00 for each thirty days' service overseas. It was pointed out that it is an alternative to training and educational grants and to land settlement benefits under the Veterans' Land Act, and that it may be used at any time within ten years of discharge for certain purposes looking to re-establishment in Canada only. This advertisement is to explain these purposes.

**TO PURCHASE A HOUSE**  
Ex-service men and women may use their re-establishment credit to assist in the purchase or building of a home. In these cases it is necessary for the veteran to have an equity in his home. Reduction of a mortgage on a home already owned is included under this heading. In making application to use the credit to purchase or build a house it is necessary to supply full information as to purchase price, appraisal value, mortgages or any other encumbrance.

**TO REPAIR OR MODERNIZE HOMES**  
If the veteran already owns a home and repairs or modernization are necessary, the re-establishment credit may be used. In making application for use of the credit in this way, proof of ownership and details of the expenditure should accompany the application.

**TO BUY FURNITURE**  
When the re-establishment credit is used for the purchase of furniture or other necessary household equipment for the veteran's home, the veteran must put up one dollar of his own money for each two dollars used from the re-establishment credit. Furniture must be clear of encumbrances or liens on delivery to the veteran.

**TO BUY TOOLS, INSTRUMENTS, ETC.**  
Veterans returning to civilian life may find they need tools of their trade, instruments or equipment for the practice of their profession or equipment for their business. The re-establishment credit may be used to purchase these things.

**FOR WORKING CAPITAL**  
If working capital is needed for a business or professional practice already owned, the re-establishment credit may be used. The purchase of property or other physical assets necessary for the business is regarded as providing working capital.

**TO BUY A BUSINESS**  
When the veteran makes application to use his re-establishment credit for the purchase or establishment of a business, the Department of Veterans Affairs will secure the advice of qualified persons in the community as to whether the proposed business offers sound possibilities of re-establishment. This step is not taken to hinder the veteran, but to avoid advancing his credit for a purpose prejudicial to his re-establishment. When the credit is used for the purchase of a business, the veteran must put up one dollar for every two drawn from the re-establishment credit on the down payment necessary to take over possession.

**FOR LIFE INSURANCE**  
The re-establishment credit may be used to pay premiums on insurance issued by the Dominion of Canada. This insurance includes Returned Soldiers' Insurance, Veterans' Insurance, Civil Service Insurance and Civil Service Superannuation and R.C.M.P. and Militia Pensions.

**FOR SPECIAL TRAINING**  
Veterans taking vocational training or educational courses may need special equipment and this may be purchased from the Re-establishment Credit. Similarly employed veterans wishing to take part time or night classes may apply to have the cost of these classes paid for them from their Re-establishment Credit.  
In addition to the above, provision has been made to extend the uses if experience indicates this is necessary.

## UNEMPLOYMENT INSURANCE

**BENEFITS**

How much is my insurance benefit? Workers frequently  
ask this question. The answer depends on how much you  
have been contributing. This table shows the approximate  
amount of weekly benefit.

Class	Employee Contribution	Amount of Benefit if all contributions made in same class for two years.	
		Single	With Dependent
1.....	12c.....	\$ 4.08	\$ 4.80
2.....	15c.....	5.10	6.00
3.....	18c.....	6.12	7.20
4.....	21c.....	7.14	8.40
5.....	24c.....	8.16	9.60
6.....	30c.....	10.20	12.00
7.....	36c.....	12.24	14.40

(Your employer and the Dominion Government also contribute to the fund.)

The actual amount of your weekly benefit is based on THE  
AVERAGE of the contributions which YOU made within the  
previous two years multiplied by 34 if you are single, and by  
40 if you have a family dependent. For more information, ask  
your local office.

**FLOOR HOCKEY IS REORGANIZED**

League, As A Result, Will Make New Start

Decision to completely reorganize the Area Floor Hockey League was made by team representatives at a meeting last night.

Ed Selyan, new area sports supervisor of the YMCA is going to direct the league operations from now on.

The Soo Suds had been unable to get a team together heretofore and had to postpone their games but they expect to have a club formed next week.

To enable the Suds and a new entry, Royal Canadian Electrical Mechanical Engineers, to catch up with the other clubs, it was decided to throw out all past games.

In addition a number of new rules were made, which it is felt, will greatly improve the sport.

**ONE OF YEAR'S BEST PICTURES**

"Double Indemnity," With MacMurray, Stanwyck and Robinson, at Capitol Theatre

One of five pictures which were nominated for Academy Award of Motion Picture Arts and Science awards as the best picture of 1944, Barbara Stanwyck having been similarly nominated for outstanding individual performance in the same picture, a thrillingly new type of murder story, "Double Indemnity," will be featured at the Capitol Theatre here next Monday, Tuesday and Wednesday.

"Double Indemnity" deals with the attempt by two lovers, Fred MacMurray and Barbara Stanwyck, to perpetrate a fraud upon an insurance company and collect a giant-sized policy upon the death of the latter's husband. The infatuation of the couple for each other led the two to plot for the death of the husband, played by Tom Powers.

Excitement and suspense mount with each passing scene as Edward Robinson, the claims manager of the insurance company, relentlessly tracks down clues to solve the crime. Actually, there is no secret about the guilty persons, MacMurray confessing early in the picture. The suspense comes after that episode. In addition to the main intriguing theme, there are a number of amusing incidents and some torrid love scenes.

It pays to use the Classified Ad columns in the Daily News.
