THOMAS BLACK ELECTED ALDERMAN MAJORITY OF 91 IN LIGHT VOTE

Black 227; Forman 186; Casey 136

Thomas B. Black, Non-Partizan Association candidate, will sit in City Council as alderman for the year as a result of Thursday's by-election which 600 voters gave him a majority of 91 in a three-way contest. Mr. Black polled 227 votes, while the Labor Federation candidate, P. P. Forman, received 186 and George Casey, who made unexpected entry as an independent candidate, received 136.

R. MacMILLAN SITOR HERE

R. MacMillan, president of Millan Industries Limited, B. C. Packers Limited, accompanied by M. J. Buchanan, president of B. C. Packers, D. H. Bates, a company official, arrived in the city last night by chartered plane from Vancouver on a business visit. This morning the party of executives visited Port Edward, returning to the city at noon. They expected to return by plane to Vancouver today or Saturday weather permits. They flew in a cabin plane piloted by A. McDonald and John Watt, Vancouver.

UNEMPLOYED INCREASING

Are About Fifty Percent Greater This Year Than Twelve Months Ago

OTTAWA, July 13—A total of 21,294 persons received \$672,869 unemployment insurance benefits in Canada this May as compared with 14,095 persons and \$473,709 in the same month last year.

In British Columbia 2,311 persons received benefits amounting to \$79,903 compared with 892 persons and \$26,879 a year ago. Quebec called for the greatest amount of benefits by far—10,870 persons and \$330,776.

The other provinces came in order: Manitoba, British Columbia, Ontario, Alberta, Nova Scotia, Saskatchewan, New Brunswick, Prince Edward Island.

Toc H Members Are Pallbearers

Members of Toc H acted as pallbearers at the funeral of Hans Peter Nickleson, who died in Prince Rupert General Hospital on July 5. The service was conducted by Rev. Magnus Anderson from Grenville Court Chapel at 10:30 Thursday morning. Interment took place in Fairview Cemetery.

WELYN BUSSEY IS CANDIDATE OF ROTARY CLUB

The entry today of Miss Evelyn Bussey as Carnival Queen candidate of the Prince Rupert Rotary Club will make the forthcoming contest a four-way competition for the royal seat at the Civic Centre Carnival.

Miss Bussey, 17 years old and pretty, was selected by a committee headed by George Dybhavn which prevailed on her to accept the candidature while she was at work at her job as city telephone exchange operator last night.

Born in Prince Rupert, Evelyn will be 18 on her next birthday, August 13. She is a popular junior hostess at the YMCA and Triangle Club.

Daughter of Mr. and Mrs. W. Bussey, 309 Eighth Avenue East, Evelyn received her education here, taking two years high school and commercial at Booth Memorial, and finishing her commercial course at St. Joseph's Academy.

She has a brother, Bill, in the navy, and another brother, Mel, who is now at home after recently receiving his discharge from the R.C.A.F. following three years service.

Junior Softball League Opened

Last night saw the opening of the Junior Softball League. A big crowd was cheering the boys who really played a fine game. Wartime Housing took the Gyro with a score of 10 to 0.

The second game between the K. of C. and the Kinsmen Club was a hard-fought battle which was finally won by the K. of C. boys after overtime play made the score 8 to 7. Jim McDougall playing for the K. of C., pitched the final game.

"MONTY" HONORS ZHUKOV

BERLIN—Field Marshal Montgomery has invested Marshal Zhukov, Russian commander-in-chief with the K.C.M.G. on behalf of King George. The famous Grenadier Guards band took part in the guard of honor for Zhukov.

TRADE MINISTER ASKS CITY TO SET VISIT DATE

Hon. E. C. Carson, provincial Minister of Trade and Industry, will visit Prince Rupert "some time in August," he has informed J. Harry Black, chairman of the external committee of the Prince Rupert Public Relations Council. In reply to an invitation issued by Mr. Black on June 27, Mr. Carson said that he would be pleased to come to Prince Rupert and meet members of various organizations here. "I suggest that you consult interested organizations in your city to arrive at a day suitable to them." Hon. Mr. Carson's letter said. Tentative plans of the Public Relations Council to observe Mr. Carson's visit include a reception and dinner.

NO BUTTER NEXT WEEK

But Canning Sugar Will Become Available Then

There will be no butter coupon due on Thursday, July 19, but more sugar. This is the week when consumers skip a butter ration under the curtailed program.

However, July 19 is also the date when the 10 final preserve coupons allotted for canning sugar become valid. They are the yellow "P" coupons Nos. 4, 5, 6, 7, 8, 9, 10, 11, 12 and 13. In addition, "P" coupons Nos. 2 and 3 also fall due for preserves. The 10 canning sugar coupons will be good on the date mentioned to complete the ones set aside this year for people who wish to do canning. The total amount thus allotted is 10 pounds as each of these coupons is good for one-half pound. Previous dates were March 15, when two fell due, and May 17, when eight became valid.

The next butter coupon to become valid will be No. 15, which falls due on July 26. This coupon and preceding coupons from No. 90 onward will expire on August 31.

Spars Appreciate City's Hospitality

A letter of appreciation for an "unforgettable day" enjoyed by the last group of 50 United States Coastguard women who were entertained here at their passing through the city on their way to Ketchikan two weeks ago was received by Mayor Daggett this morning from Ensign Frances E. Riley, officer in charge of the detachment. "The memory of the day's entertainment will always be appreciated by us," Ensign Riley wrote. "We regret that we were not in Ketchikan to welcome you on your visit on July 4."

CIVIC CENTRE CARNIVAL

With the hope that the Dominion Government may soon grant our application for a permit to build our Civic Centre Swimming Pool, it is more important than ever that we have a successful Carnival this year and raise as much as possible of the balance of the money needed.

In order to make the Carnival our usual success, it is necessary that a large number of interested citizens, individually, as well as representing organizations, come forward and offer their assistance.

Due to pressure of other affairs the committee was not able to get the usual letters out to organizations requesting their assistance and asking them to enter the queen contest. So far, only two, the Junior Chamber and the Moose Ladies have voluntarily entered candidates. It is essential that we have at least five candidates in order to make this Carnival a success. Organizations are asked, even at this late date, to hold emergency executive meetings and do their part in helping raise funds for our Civic Centre by entering a candidate for the Queen Contest. Entries should be filed with G. L. Rorie, Besner Block, not later than 5 p.m., Friday, July 13th.

A meeting of all those interested in helping put this year's Carnival over, will be held in G. L. Rorie's office at 8 p.m., Friday, July 13th. Yours for a bigger and better carnival.

MAYOR UNEARTHS HISTORIC LETTER

At a point in history when almost every cave and cellar in Europe has been yielding its quota of historic treasure, it is not untimely for Prince Rupert to unearth one of its own. Mayor Daggett made the discovery yesterday and his find impressed him with the need for city archives.

In the course of a survey of the piles of dusty documents accumulated in the vault of the city engineer's office, Mayor Daggett discovered a letter, trimmed in black and well preserved. Dated June 6, 1910, it bore the signature of former Prime Minister Sir Wilfrid Laurier.

Written from Ottawa, it was apparently a reply to an invitation by Mayor Fred Stork for the prime minister to pay a visit to Prince Rupert.

"It is my intention to visit Prince Rupert this summer but it will be a duty as well as a pleasure to make the journey," Sir Wilfrid wrote. In fading ink, the letter bore his personal signature.

Climax of Sir Wilfrid's visit here a few weeks later, city pioneers will recall, was a lavish banquet in the old Prince Rupert Inn, now part of the C.N.R. general offices, at which scores attended, paying \$10 a plate.

Most Ships Got Through

Average Loss in Battle of Atlantic Was Only One Out of 131 Ships

LONDON, July 13—More than 75,000 Allied merchant ships crossed the Atlantic under escort during nearly six years of war but the average loss was only one ship out of every 131 that sailed, the Admiralty disclosed.

An official summary shows that at least 525 German and Italian submarines were sunk in all theatres of war by the Royal Navy, Canadian Army and other Dominion navies and air forces under British control.

MATRIARCH HAS 102ND BIRTHDAY

Centenarian and Great Grandmother Has 27 Descendants In Armed Forces

MIDLAND, Ont., July 13—Hard work, regular habits, and quiet life in rural districts is the recipe for a long life given by Mrs. Francis St. Amand of Waubushene, Ont. She ought to know, for she will be celebrating her 102nd birthday July 16.

Born Philomena Yadou in Mara Township near Brechin in 1843, she was married at Beaver-ton in 1860, living near Game-bridge for many years and later near the Old Fort at the nearby Martyrs' Shrine.

Mr. St. Amand died in 1913 at the age of 84, but a family of eleven, eight survive—Mrs. Elizabeth Donnelly, Brechin; Mrs. Matilda Bourrie, Mrs. Aldage Bourrie, Mrs. Henry Gouett, and a son Daniel, all of Waubushene; Mrs. Paul Bonneville and William St. Amand, Port Severn; and Andrew of Victoria Harbour.

Eighteen great grandsons are in the various branches of war service, as well as nine grandsons. There are 25 grandchildren.

Until recently, Mrs. St. Amand busied herself with knitting, sewing, mending and reading. Having lived here and at Port Severn when these villages were prosperous milling villages, she sees great changes through the summer in the tourist season and also in the building of many homes.

Weather Forecast

Fresh to strong northwesterly winds, cloudy and mild with scattered showers. Saturday—Moderate winds, partly cloudy and mild, with widely scattered showers.

HAS DONE HIS BIT—Gunner Martin van Cogen enlisted for active service at the outbreak of war in the old 102nd Battery and went overseas in 1941. Has seen service in France, Holland and Germany, and is now hoping to get home soon. He is the son of Mr. and Mrs. William Brass and a leading member of the Prince Rupert Junior Chamber of Commerce.

CASUALTIES OF ALLIES

LONDON, July 13 (CP)—A statistical list has been issued giving the casualties of the British Empire in the war up to the end of May. The total for the Empire is 1,430,000 men dead, wounded, missing and taken prisoner.

Of this total, 10,000 were Canadians. There were 36,000 Dominion soldiers killed, 53,000 wounded and 9,000 taken prisoner.

Almost all the prisoners have been liberated. The British casualty total was 750,000 while Australia suffered 92,000 casualties and New Zealand 40,000.

Mrs. Lisa Essen Buried Thursday

Numerous friends gathered in Grenville Court Chapel Thursday afternoon to attend final rites for the late Mrs. Lisa Essen who passed away at home on July 17. The service was conducted by Rev. Magnus Anderson, pastor of St. Paul's Lutheran Church. A solo, "Beautiful Isle of Somewhere" was sung by Mrs. J. H. McLeod, and the congregation joined in the singing of "Nearer My God to Thee." Interment took place in Fairview Cemetery. Pallbearers were K. Hallberg, C. H. Insulander, A. O. Morse, George Fritz, H. Lindseth and O. A. Johnson. There were a number of floral offerings.

Woman Killed By Interurban Car

EBURNE, July 13—Mrs. George Noble, aged 35, wife of a Royal Canadian Air Force sergeant, was killed yesterday by a Marpole interurban tramcar. A witness said she seemed to fall to her knees as the tram was a few feet from her.

Nicobar Is Objective

Latest Attack of British Fleet Units Is on Strategic Islands In East Indies

CALCUTTA, July 13—British fleet units have bombed the strategic Nicobar Islands while carrier planes attacked air fields in northwest Sumatra, southeast Asia command headquarters announced Friday night in a special communique.

British minesweepers swept the approaches to Malacca Strait which lies between Sumatra and the great naval base of Singapore, from July 5 to 10 without sighting a single Japanese vessel.

While fleet units attacked Nicobar, planes also laid their explosives on the islands. Japanese broadcasts, first to tell of the attacks on Nicobar, speculated a landing attempt would be made.

Japan Makes Gloomy Admission

Americans Make Good Round Clock Bombing

Blast More Japanese Cities As Americans Intensify Assault On Nipponese Homeland

SAN FRANCISCO, July 13 (CP)—Japan's government-controlled Domei Agency admitted gloomily today that the United States has made its threat of round-the-clock air attack and they are "a prelude to invasion of our homeland." Domei noted concentrated bomber smashes on Japan's small and medium cities. Tokyo reported that seven of these lesser cities were hit in Thursday night's raid on Honshu by more than 500 superforts and admitted that fires were set.

Guam reported that an American aerial armada of more than five hundred B-29's roared over the Japanese home islands to loose some three thousand tons of demolition bombs on selected targets. Four cities and an oil assembly centre on an island in Tokyo Bay were picked out for attack.

Holding it and smiling is "Miss Florida, 1945" who will be a competitor of "Miss Northern B.C." contest to be held in conjunction with the annual Civic Centre Carnival here in August. "Miss Northern B.C." and "Miss Florida" will be among scores of lovelies who will vie for the title of "Miss America" at Atlantic City in September.

New Wind Threat Increases Alarms For Forest Situation On Vancouver Island

VANCOUVER, July 13—Forecast of wind of gale-like proportion for the northern part of Vancouver Island aroused new fears in regard to the forest fire situation just as it was announced that fire crews of 200 men, including sailors, soldiers, air-men and loggers, were holding in check flames which had spread over a 500-acre tract of scrub timber. Extremely hazardous conditions continue as the weather is still hot with no sign of relief unless the winds should bring some precipitation in their wake. There has been a new outbreak at the head of Adams River.

A 4,000-acre fire near Lake Cowichan is reported under control and the village of Rounds is safe for the time being, although a sudden shifting wind might again endanger the town with its 22 homes.

Joseph Gaius, 32, rigger for the Lake Logging Co., near Cowichan, died in Duncan Hospital Wednesday. He had been taken there suffering from complete exhaustion after fleeing from the fire near Rounds.

An Important Conference . . .

Important business will be discussed at the forthcoming Dominion-Provincial conference in Ottawa. The impending end of the war with its now certain victorious outcome makes the discussion, and possible settlement, of these problems without further delay most desirable.

Premier John Hart will be leading the British Columbia government delegation and will take with him his ministerial colleagues whose departments are most directly interested in the problems of the post-war since everything that is dealt with at Ottawa will bear directly on the postwar situation.

First of all will come probably the income tax matter which is now working on a temporary arrangement whereby the Dominion only imposes direct income tax. With the war nearly over, the time seems to have come for a settlement of this.

Freight rates may also loom as an important question as far as British Columbia is concerned.

There are but two of the items of important business which will come up at the conference which, it is to be hoped, will lead to a better understanding all around as between Ottawa and the provincial administration.

Money and Greatness . . .

The impression prevails that in order to have influence and fame, a man must be in possession of wealth—the more money he has, the greater, and more extended, his reputation as a great citizen, says the Guelph Mercury.

But this theory is completely blasted by the probations of the will of the late Jack Miner. This famous Kingsville Canadian naturalist's total estate consisted of real estate valued at \$10,500, being the Government valuation of his farm in connection with his birdsanctuary which is owned by the Jack Miner Foundation, and personal estate and effects valued at an additional \$1,785, made up of personal belongings, cash in bank, and a small insurance policy.

Jack Miner was not blessed with great worldly wealth, but he possessed something far more valuable—the admiration and affection of his fellowmen. He was an outstanding example of a comparatively poor man, of modest education, who rose to the ranks of the internationally famous because he had a great heart full of love for all God's creatures. He befriended birds and animals, and through his writings, and addresses, known in all parts of this continent, he instilled into the minds of men and women a love for the beauties of nature and the responsibilities which human beings bear towards the lower forms of animal and bird life. At the time of his death he was rated Canada's best known private citizen and one of the five best known in the world. Eddie Guest, the Detroit poet, referred to him as "the best loved Christian in America."

Money is not necessary to true greatness. The life of Jack Miner proves it conclusively.

LETTERBOX

DISSATISFACTION

Editor, Daily News:
I have noticed a general dissatisfaction with the way things are run for young boys in this city. One instance can be shown when all junior teams were to play at the Gyro Ball Park on June 28. When teams arrived there was no official game played because of the lack of knowledge of the schedule of games and teams. The boys were told to return next week, on July 5. The teams showed up as before. There was still no schedule and no official games were played. On discussing this problem with some members of the four junior teams it was recommended that:

1. Responsible parties such as coaches or instructors be present at all game.
2. Schedules be published in local papers.
3. Age limit be cut down to 16 years and under.
4. Games played cannot be called official unless played according to schedule or decisions of all coaches.
5. Time for first game to begin at 7:00 p.m.

Another cause of dissatisfaction I have noted is that many of the larger local organizations may show interest in the young generation but the representatives they send out to see they may help the boys are mostly "hot-air artists" as it were. A specific instance is one where the West End Boys (Western Bush Rangers) asked aid. They were promised help in early February. Meantime the East End Boys at Seal Cove School were being helped. A very efficient trainer was sent for three weeks. During that time one would be surprised at the promises they made:

A shower? Oh we'll have that in by next week.
Wire to cover the windows? Already ordered.
Real mats for tumbling? Why, we took three from Seal Cove and brought them here (they haven't arrived yet after six months).

There was a plaster job which was to be undertaken. The boys had faith and bought paint and kalsomine to finish the job themselves. The patch has not been repaired and now there are several more holes which were caused by vandals from other parts of the city.

As for equipment which was promised to the West End here is but a few: 2 basketballs, 3 or 4 softballs and bats, swing to the ceiling, volley balls, training shirts, sweaters, promise to fix school building or approaching the city to repair the roof, etc.

Some good was done by individuals. For instances, C. B. Thompson of the Kinsmen Club, and D. Wing kindly lent their trucks to haul sand from the highway to their ball field. The money spent by the boys for their softball equipment, paint, kalsomine, etc., had been donated by neighbors or friends in addition to small amounts from buying and selling coca cola, ice cream and hot dogs at their parties to raise funds, besides

TALKS ABOUT TUBERCULOSIS

Up to People Themselves to Control It, Says Speaker

A large part of the responsibility for the successful control of tuberculosis depends on the people themselves for, in spite of the facilities offered by health departments, large scale control is a result of people's willingness to be X-rayed, Harold Huggins, publicity director for the tuberculosis control branch of the provincial Department of Health, said in a short speech before the Prince Rupert Rotary Club on Thursday.

"The aim of the Tuberculosis Control Branch is to reduce the disease from a major public health menace to the negligible position which smallpox now holds," he said. "To do this we are making the latest and most perfect equipment available. However, we cannot succeed unless the people themselves cooperate."

In its struggle to halt the insidious disease, the Department of Health has made available two completely equipped mobile X-ray units, and a third is on order, Mr. Huggins said.

"There are purchased through the sale of Christmas seals, and in the last 18 months they have X-rayed 180,000 people in this province. We hope some day to be in a position where we can carry this preventive service to everyone at regular intervals."

Industrial plants, Mr. Huggins said, are the most co-operative sections of the population because they have internal structures which expedite large scale X-raying.

"Both management and labor assist us in every way, whereas in residential districts the mobile units find less receptiveness due to lack of popular leadership," he said.

Medical tests of army, navy and air force applicants during the war has revealed that one per cent of the 1,000,000 applicants were rejected on account of lung trouble.

"Practically all those who were rejected for that cause had applied for enlistment in good faith, not knowing that they were tuberculous."

Following Mr. Huggins' talk, Dr. R. G. Knipe showed a sound film which depicted the methods of tuberculosis control in the United States.

Guests at the meeting were Plt. Sgt. Murray Henderson and Dr. John Hart of Nanaimo. President J. H. Thompson was chairman.

their dues. They also collected games and books which amounted to about \$60.

They did not wait for anybody to organize them. From 12 boys there were about one year and a half ago, they got on their books 53 names now. "Don't you think they need a good supervisor and trainer?" Let's hope they get the support they deserve in all activities they may perform in the future. Let's hope also — they get their share from the Recreational Council which has been recently formed in this city. WESTERN BUSH RANGERS.

YES - MA'AM ITS BLUE KEEPS CLOTHES FROM TURNING YELLOW

You may wash clothes clean but to keep them white—to prevent them from turning yellow—you must use Blue. Just a swish or two in the last rinse water does the trick. It's the safe, inexpensive way to keep all white things snowy white.

Seven colours combine to make white. One of these colours is blue. There is no true white without Blue.

PRINCIPAL CHEESEMAN AND TEACHER MARY SIM PROUD OF ACCOMPLISHMENT

If Grade III at Borden Street School has not set a provincial record for school classes in war savings, it is believed by Principal S. A. Cheese-man to have come mighty close to it. During the school year from September to June the children of this grade, numbering thirty-six, saved \$556 in war savings stamps and bought Victory Bonds to the tune of \$350. Miss Mary D. Sim is the popular teacher of the class.

Borden Street School, as a whole, has a war savings record of which teachers and 220 pupils in all grades are proud because, during the year, they bought \$2328 of war savings stamps and \$2300 of Victory Bonds.

In urging the purchase of war securities, Principal Cheese-man and his staff have inculcated the basic principals of hastening vic-

tory, personal benefit, thrift, self-confidence and publicity for Prince Rupert through endeavouring to establish a record.

The thirty pupils of Grade III at Borden Street School are:

- Ross Anderson, Billy Balicky, Ronald Black, William Blackaby, Harold Brentzen, June Burnip, Ethel Calder, David Cameron, Nick Christy, Beverley Comer, Ronald Daum, Rose Evans, Herbert Frandle, Arthur Good, Patricia Gurvich, Dorothy Hibbard, Carole Hill, Alfred Hodgkinson, Marion Horne, Patricia Johnson, Sherrill Lashmar, Ellen Lundquist, Harold Lundquist, Maureen Mackenzie, Chester Miller, Joyce Moorehouse, Tommy Moorehouse, James McPherson, Michael Nas-tun, Darlene Olsen, Eddie Olsen, John Ren-fro, Olive Strand, Pattie Toogood, Bobby Watts, Margaret Youngman.

C.W.A.C. CAPTAIN SERGEANTS' BRIDE

A wedding of exceptional interest in local military circles took place in Christ Church chapel, Vancouver, a few days ago, when Capt. Margery Travers Langley, commanding officer of the Canadian Women's Army Corps here, became the bride of Sergeant Otto Nordling of the Royal Canadian Army Service Corps.

Capt. T. L. Rimmer officiated. The bride was attended by Miss Pat Palmer and Frank Woodside was groomsmen.

The bride wore a cool mist-blue two-piece sheer with wide navy picture hat and had a roses and stephanotis corsage.

LOOKING OVER BALL LEAGUES

In the National League, the New York Giants whipped the St. Louis Cardinals 9-7, while the Pittsburgh Pirates trounced the Philadelphia Phillies 4-0. The Cincinnati Reds split a doubleheader with the Brooklyn Dodgers, winning 4-3 and losing 11-5. The Boston Braves and the Chicago Cubs divided their twin bill. Chicago took the first game 6-1, and Boston the second 3-1.

In the American League, the Cleveland Indians beat the New York Yankees 7-4, while the Boston Red Sox edged out the Detroit Tigers 2-1. St. Louis Browns took both ends of a doubleheader with the Philadelphia Athletics by scores of 4-0 and 11-0. Meanwhile, Washington Senators defeated the Chicago White Sox 4-2.

In the International League, the Newark Bears trounced the Jersey City Giants 4-1, while the Montreal Royals eked out a 10-9 victory over the Buffalo Bisons. The Rochester Redwings tangled with the Toronto Maple Leafs. Rochester won, 5-3.

Here are today's baseball games:
In the National League—New York at St. Louis; Brooklyn at Cincinnati; Boston at Chicago.
In the American League—Cleveland at New York; Detroit at Boston; St. Louis at Philadelphia; Chicago at Washington.
Inter International League—Jersey City at Newark; Syracuse at Baltimore; Rochester at Toronto; Buffalo at Montreal.

BIG LEAGUE PLAY AGAIN

Schedules Resumed After Three-Day Interruption
CHICAGO, July 13 (P)—Chicago Cubs retained their precarious half a game margin of leadership in the National League yesterday when they split a doubleheader with the Boston Bees while Brooklyn

Dodgers were also splitting with Cincinnati Reds.
In the American League the leading Detroit Tigers lost to Boston Red Sox and had their lead over the Washington Senators cut to three and a half games, the Senators winning over Chicago White Sox. The Cleveland Indians went into sixth place by winning over New York Yankees while St. Louis Browns were being planked twice by Philadelphia Athletics. Regularly scheduled big league

SEAMEN'S CLUB TO CELEBRATE ANNIVERSARY

First anniversary of the opening of Prince Rupert's American Seamen's Club will be held on August 2. A. E. Tutte, club director, announces. The anniversary will mark the close of a 12-month period in which more than 16,000 seamen have enjoyed the First Ave. centre as a place of relaxation and entertainment.

Actually, the club opened on July 19, 1944, but, on account of staff holidays this month, Mr. Tutte has decided to hold the anniversary celebration on August 2.

"We plan to hold open house during the afternoon and evening, and invite military personnel and civilians to visit us," Mr. Tutte said.

He feels that the club has accomplished considerable good during its operative period.

"During the eleven and a half month period to the end of June we entertained 16,000 seamen," he declared. "I think the club has done a valuable service to the city because in effect it has kept the men off the street."

Guests at the reception are expected to include heads of the military services here, as well as local citizens.
