Still Dying from Bombs

Deferred Action of Deadly Missile Seen in Hiroshima Weeks After

NEW YORK, Aug. 24 (AP)—A radio broadcast today that atomic activity in Hiroshima, which was blasted by an atomic bomb, was taking a mounting toll weeks after the day of the attack and that, in fourteen days following the raid, the death toll had amounted to 30,000 to 60,000.

The broadcast said that seremen, working in the area on construction a week after, were found to have seriously diminished numbers of red and white blood corpuscles.

The broadcast said that those within three to four kilometers of the bomb received burns to the extent that their skin turned bright red but, as these burns were caused by ultraviolet rays, they hardly felt the heat at the time. Two hours later, however, blisters formed, resulting in droops.

SOME TYPES OF LABOR SHORT

Farm and Construction Workers Are Still Required, Selective Service Says

OTTAWA, August 24 (AP)—The prevailing Dominion-wide shortage of certain types of labor, present earlier in the season, shows no immediate promise of abatement with the demand for farm labor and construction trades practically stationary for several weeks past, it is stated by Selective Service.

At July 20, according to government employment offices, the number of workers available in the Pacific region amounted to 356 while the number of workers required was 11,874. Developments since V-J Day are, of course, changing the situation.

WARM WEATHER'S NEARING END

The warm weather Prince Rupert has been having lately cooled off somewhat yesterday. It was not as warm as the previous day. However the weather was slightly more consistently warm for the temperature didn't drop below 51 degrees as compared with 50 on Wednesday. The highest the mercury climbed on Thursday was 74, six degrees lower than Wednesday's high temperature.

SCHOOL CAR ROLLS AGAIN

Starts Out From London, Ontario, After Thorough Renovation

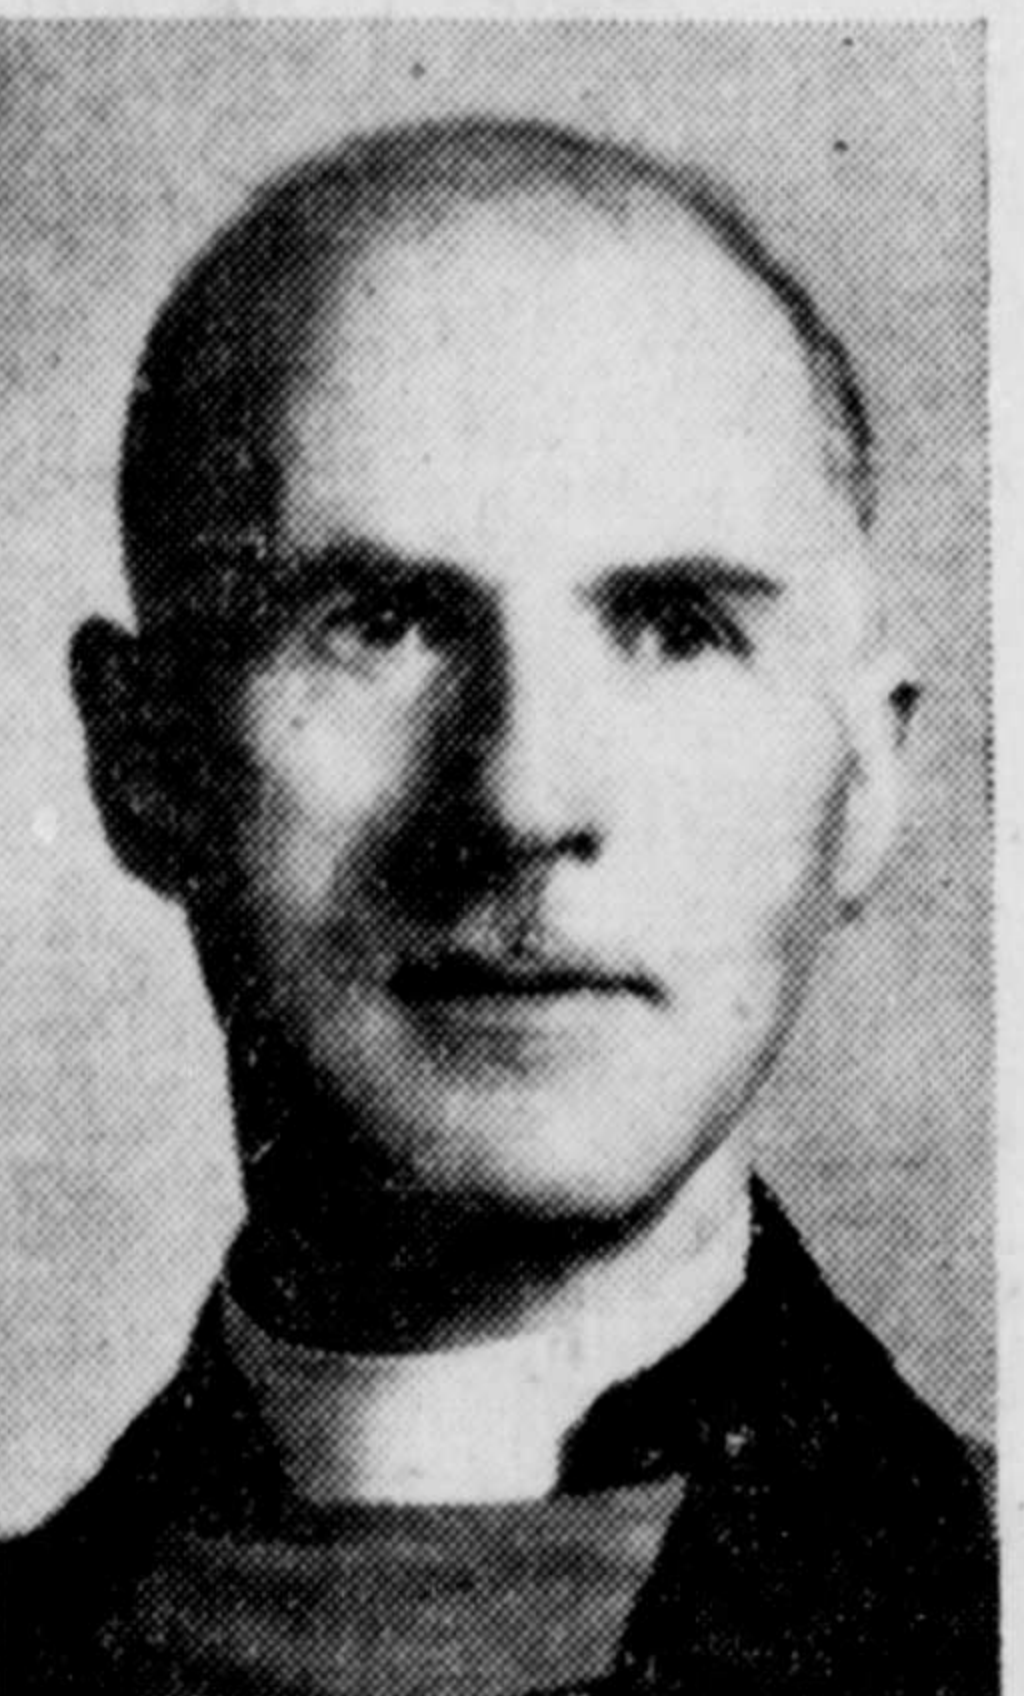

LONDON, August 24 (AP)—School Car No. 1, the "Little Green School House on Wheels," of the Ontario Department of Education, rolled out of the Canadian National Railway car shops here after a thorough renovation. Last night it was moved to Clinton, 50 miles distant, where schoolmaster Fred Sloman is holidaying, and there it will be equipped for another school term bringing educational facilities to the families of C.N.R. employees and others on the 150-mile section of the Capreol division.

Specialty converted by the C.N.R. shops as the pioneer school car in northern Ontario some two decades ago, School Car No. 1 has been operating under the direction of Mr. Sloman. During that period he has taught all grades from the first to senior matriculation. The car makes regular stops at various small stations and children come long distances to attend its classes in summer—sometimes by canoe. After a stay of two or three days, it moves on to a new point and scholars are left homework during the intervening 10 days or two weeks until the car returns again.

Apart from his regular school teaching duties, Mr. Sloman also conducts night classes for parents of foreign birth.

In addition, there is a free circulation library, which Mr. Sloman has acquired over the years, for the parents.

Apart from the school room, which occupies half the car, it is also the compact home of Mr. Sloman and his family. The renovations included not only the classroom but also the living room, bathroom, kitchen and storage quarters.

AT BISHOP'S CONSECRATION—These interesting pictures were taken recently on the occasion of the consecration of Rt. Rev. James B. Gibson as new Bishop of Caledonia. The upper picture shows the group of dignitaries who took part in the consecration rites—Bishop W. A. Geddes of Yukon, Bishop Fredric Stanford of Cariboo, Bishop Gibson, Archbishop W. R. Adams of British Columbia, Archbishop A. U. DePencier (retired) and Bishop S. A. Houston of Olympia. In the rear is Rev. Gordon Smith, rector of St. Peter's, who acted as an ecclesiastical attendant. Below are the new Bishop Gibson and Judge W. E. Fisher, chancellor of the diocese of Caledonia, in judicial wig as he appeared at the consecration rites in official capacity.

Harvesting Is Now General

Dry, Hot Weather General on Prairies—Crop Reports Not Spectacular

WANNIPEG, August 24 (AP)—Dry hot weather has been general throughout western Canada during the past week, bringing the crops along very rapidly. Harvest operations are under way in many districts. Yields and grade prospects vary considerably according to the weekly crop report of the Department of Agriculture of the Canadian National Railways.

All crops are ripening rapidly in Manitoba. A good rain would help the later fields to fill properly. Rust infection is evident in many sections and it is expected will result in reduced yields and lower weight per bushel.

In Saskatchewan prospects continue poor in some portions of the south central area. Considerable sawfly damage is reported from a few areas. Prospects remain good on the Qu'Appelle, Glenavon, Lampman and Corning subdivisions. It is too late for rain to help most crops but it would be of considerable value to pastures.

Hot dry weather with high winds has ripened all grain very rapidly in central Saskatchewan. The yield as a whole will be light over the entire central portion. In northern Saskatchewan the weather has been ideal for the crops, ripening grains rapidly. Prospects are very good if there is no frost during the next 10 days to two weeks. Harvesting is expected to be general by the end of the month.

In southern Alberta cutting and swathing has started and some combining has been done. The yield is light and returns show poor grade. Pastures are dry and in poor condition. Prospects improved somewhat in northeastern Alberta but the general average for wheat in this area is not expected to be much over 11 bushels per acre.

In the entire area served by the Northern Alberta Railways harvest work is commencing.

Livestock is in good condition and no feed shortage is anticipated. Weather during the past week has continued dry but much cooler in the Okanagan valley. All fruits are maturing nicely and peaches and vegetables are moving fast. No damage is reported and there is no change in crop estimates.

TAR EXPLOSION ON WATERFRONT

When a heating unit containing 50 gallons of hot tar exploded at the American Army's salvage yard near the grain elevator yesterday the tar burst into flames, setting fire to a small amount of wood near the heating unit, but the flames died out without doing any damage. A United States Army fire truck arrived on the scene soon after the explosion only to find the tar smouldering.

Commonwealth Down Under Feels Slighted

Province Is Taking Over

Transfer of Prince Rupert Highway Being Effectuated and Maintenance Being Organized

J. C. Brady, district engineer, Prince Rupert, expects soon to receive word from A. L. Carruthers, Victoria, chief engineer and chairman of the Highway Board, regarding the transfer of the northern transprovincial (Prince Rupert) highway from the Dominion to the British Columbia provincial government. Meantime, the provincial department is already organizing the machinery of maintenance of the highway.

SHOT BEFORE HE GAVE UP

Six Provincial Police Officers Had to Take Drastic Measures With Kootenay Recluse

KIMBERLEY, Aug. 24 (AP)—Four-day siege by six provincial police officers on the isolated shack of Charles Bachtel, 66-year-old recluse farmer, on the bank of the Kootenay River ended late Thursday when the old man surrendered with his bullet wound in his stomach. He was taken to hospital for treatment and mental observation.

POLITICAL SITUATION

Conservative and Liberal Executives to Meet Jointly Following Pattullo Announcement

After announcing his intention of running as an independent candidate in the forthcoming provincial election for Prince Rupert riding which he has represented since 1916, Premier T. D. Pattullo left Thursday night for Victoria, promising that he would be back in two weeks.

The Prince Rupert Conservative Association met Thursday afternoon to consider the local political situation and agreed to meet with the Prince Rupert Liberal Association.

It is beginning to appear that local Liberals and Conservatives may unite to support Pattullo although neither have committed themselves.

Britain Discusses Doctor vs. Midwife

LONDON, Aug. 24 (AP)—A doctor is necessary at birth only when there are complications, according to the College of Midwives. Commenting upon the decision of the British Medical Association to resist any attempt to take away midwifery practice from the general practitioner, Miss G. L. Reed, hospital matron and member of the College of Midwives executive, said: "There is nothing abnormal about women bearing children. It is definitely not an illness."

U-BOAT ACTION IS AWARD BASIS

"Good service and successful action against u-boats" is the basis for the awarding of the Distinguished Service Cross to Lieut. Commander Orme Gordon Stuart of this city, according to further word which has been received of the award. He left last night for Vancouver enroute back to the Atlantic coast to resume command of his destroyer after a month's visit here.

NOW HAWAIIAN ISLANDS The Hawaiian Islands were formerly known as the Sandwich Islands.

BUSINESS-LABOR DELEGATION TO PRESS OTTAWA TO KEEP ON LOCAL SHIPBUILDING ACTIVITY

A delegation consisting of W. M. Watts, representing business interests of the city, and James Nicol, labor, may be sent to Ottawa in connection with a campaign to ensure a continuation of ship construction at the local dry dock. The immediate proposal is that Canadian National Steamships should use its own local yards for the building of two new vessels to replace the steamers Prince Rupert and Prince George.

Decision to send the delegation was the principal outcome of a meeting of the organization on continuation of shipbuilding here which was held last night at the call of Mayor H. M. Daggett. The mayor was in the chair and James Nicol acted as secretary. The attendance consisted almost entirely of representatives of working trades at the dry dock, uptown business interests being conspicuous by their lack of representation.

Mayor Daggett reported on activities of the committee since last meeting. There had been interviews with the dry dock manager, Bernard Allen, and superintendent of Canadian National Steamships, G. A. McMillan, but little satisfaction was forthcoming as to the future of the yard. Completion of two China coasters was all the new work that remained in sight. As for Russian shipbuilding here, a letter from the Soviet embassy at Ottawa said: "At the present time we are unable to use the port of Prince Rupert." There had been no replies to letters sent to Hon. C. D. Howe, minister of reconstruction.

As for general repair work at the yard, James Nicol said that much appeared to depend upon whether the American Transport Service remained here and already it appeared to be moving its vessels out.

"They may not appear to realize it but it would be a sad thing for the uptown business interests of Prince Rupert if the dry dock closed down and the payroll disappeared," remarked Mr. Nicol in commenting on the absence of such representatives from the meeting.

REASONS FOR BUILDING OF SHIPS IN RUPERT

It would be necessary to present something constructive in urging continuation of the use of the local shipyard, said Mr. Nicol. He then proceeded to set forth reasons why Canadian National Steamships should use its own local yard in building of new ships to replace the Prince Rupert and Prince George. He submitted that today there was not the great spread in cost between building ships in Canada and in the Old Country. Further it was to the national interest to save profit on building ships in Canada and thus keep a Canadian plant running rather than rotting. There was the complete organization for the building of ships here now and there had been high compliment on the quality of the vessels that had been built at the yard during wartime. Mr. Nicol made the suggestion to send delegates to Ottawa. By personal contact a definite answer "yes" or "no" would probably be received as to the future use of the yard.

LEND-LEASE ENDS—Hard To Believe

Both Attlee and Churchill Express Surprise—"Rough and Harsh," Says Letter

LONDON, Aug. 24 (CP)—Prime Minister Clement Attlee said today that the very sudden termination of lend-lease "puts us in a very serious financial position" and told the House of Commons that the British government had hoped lend-lease would not have ended without "consultation and prior discussions." Former Prime Minister Winston Churchill said he could not believe that "this was the last word of the United States."

The system of lend-lease from the United States and mutual aid from Canada, Mr. Attlee said, has been an integral part of the war organization of the Allies.

Mr. Churchill, now leader of the opposition, declared he could not believe the United States "would proceed in such a rough and harsh manner as to hamper a faithful ally who held the fort while their own American armaments were being prepared."

NEW LEADER OF LABOR-PROGS TO BE NAMED SOON

VANCOUVER, Aug. 24 (AP)—A new leader of the Labor-Progressive party is to be chosen at a provincial convention here in mid-September, party officials announced Thursday.

The new leader will replace Fergus McKean who was expelled by the party's national executive. Seven members of the East Hastings branch here were also expelled from the party for refusing to accept the national executive's decision.

Weather Forecast

Light to moderate winds, overcast during night and morning, becoming clearer in afternoon today and Saturday. Mild.

Bulletins

C.W.A.C. RECRUITING ENDS VANCOUVER—The Pacific Command of the Canadian Army announced Wednesday that recruiting for the C.W.A.C. had been stopped.

BID ON FREIGHTERS VANCOUVER—The Burrard Dry Dock Company has submitted a bid to build four small freighters for a Netherlands shipping company, Clarence Wallace, president, announced Wednesday.

AGED OFFICER DIES VICTORIA—John J. Wilkie, 83, widely known staff sergeant of the Provincial Police died here Tuesday. He was stationed in many parts of the province during his service and took part in the hunt for the Indian Gunanoot some years ago.

VETERANS' COURSES VANCOUVER—Courses of the University of B.C. are being revised to allow ex-servicemen and women to take subjects most essential for their training. Only ex-service students will be allowed to take the courses, said Dean Daniel Buchanan.

WESTMINSTER FRANCHISE NEW WESTMINSTER—A bid by New Westminster for a franchise in the Pacific Hockey League this coming season has been accepted, Doug Crimston, of the B.C. Hockey Association announced Wednesday. The teams now in the northern section are Vancouver, New Westminster, Seattle and Portland.

CHURCH IS FINED VANCOUVER—Charles Bentall, chairman of trustees at the First Baptist Church here, was fined \$200 Wednesday for constructing a building costing \$3,000 when the permit issued called for only \$1,500.

HAUNTED BY OWN WORDS OSLO—Vidkun Quisling's own words came back from wax today to haunt him at his trial for high treason. The prosecution produced and played a recording of Quisling's speech of April 9 five years ago calling on the Norwegians the day the Germans invaded to put aside their arms. Quisling impatiently conceded that the speech was his own.

TREASON TRIAL

LONDON—A prosecution witness testified at a Canadian general court martial at Farnborough, Hampshire, today that Private George Hale of Vassar, Michigan, a member of the Essex Scottish Regiment, had told him in a German prison camp that he had been given \$500 for picking up information from fellow prisoners and turning it over to the Germans. Hale is on trial for his life on treason charges.

Fish Sales

MEETING WITH PREMIER HART

Shipbuilding Industry by Vancouver Labor Leader With Head of Government

VANCOUVER, Aug. 24 (AP)—W. L. White, president of the Boilermakers' Union of the Canadian Congress of Labor, said yesterday, following an interview with Premier John Hart, that labor men may hold another mass meeting here to discuss shipyard lay-offs.

Mr. White said also that Mr. Hart had promised to start "an immediate investigation" into reports that the Canadian Pacific Railway is "going outside of Canada to restore its pre-war fleet."

BIGGEST COTTON EXPORTER

Great Britain is the largest exporter of cotton to the rest of the world although her share of world trade is less than it was at the beginning of the 20th century.

Australia Brush-Off

Commonwealth Takes Exception to Manner in Which Britain Is Treating Her

SYDNEY, Australia, Aug. 24 (AP)—Britain is denying Australia "a footing of equality" in peace discussions, Hon. Herbert Evatt, minister of external affairs, charged in a prepared statement.

"There is still a deplorable tendency now that the fighting is over to relegate Australia to a subordinate status and either not consult it at all or to consult it in a perfunctory way and not on a footing of equality," he said.

Evatt said that the agreeing by Britain to the immunity of Emperor Hirohito showed how little consideration she was giving to Australia's representations.

The Australian minister added that New Zealand shared Australia's opinion.

REDS COMING TO HOMELAND OF JAPANESE

NEW YORK, Aug. 24 (AP)—An official Japanese broadcast asserted today that Moscow had announced its intention of sending airborne troops on to the Japanese islands of Hokkaido. It said that a protest was being made to General MacArthur at the Russian proposal to take over this northernmost of the main Japanese islands.

ARE OFF TO SPORT MEET

Local Army Personnel Leaving Tonight for Pacific Command Competition

A group of 22 Canadian army personnel from the Prince Rupert area and Coach J. G. Montgomery, of the YMCA War Services at the Cardena. From Vancouver they will go to Victoria for the Pacific Command tournament.

Included in the group and the events they are entering are:

- Reinhard Lehman, Transcona, Man., high and broad jump. Henry Schaefer, Medicine Hat, Alta., 100 and 220-yard dashes. Elmer Wambold, High River, Alta., three-mile. Steve Sulik, Glenella, Man., 440-yard race. Gottfried Stickell, Coronation, Alta., high jump. All these are from the Sault Ste. Marie and Sudbury regiments. The 17th Coast Battery is sending: Tom Urquhart, Vancouver, discus. Walter Stahan, Vancouver, shot put. Henry Belkar, Richmond, one and three-mile races. Frank Krupa, Fort William, broad jump. Representatives of the 11th Coast Battery are: Lt. A. Boyd, Toronto, officer Leonard Lane, North Battleford, Sask., 100 and 220-yard dashes. Wally Adamski, Brandon, Man., 880-yard race. Dick Riley, Vancouver, 440-yard and one mile events. Pat Foy, Mission, 880-yard and one mile races. Matt Oswald, Glenella, Man., 220-yard dash and three mile event.

Girls Are Also Going

The Canadian Women's Army Corps group is in the charge of Sergeant Velma Hunter, Toronto, and the team includes: Kate Hughes, Chatham, Ont., jumping and running. Marjorie Scott, MacGregor, Man., running. Dora Webb, Vancouver, running. Ruth Heron, Kamloops, running and jumping. Grace Bazley, Ordale, Sask., high jumping. Coach Montgomery is from Davidson, Sask.

OPTICAL CONTROL

The eyes control and direct most of the movement of hands and legs, and if the eyes are closed, a person will walk in circles.

Apathy Over Dry Dock . . .

It does not speak very well for the public-spiritedness or concern of the business interests of this city over their own interests when they fail almost entirely as they did last night to be represented when the mayor calls a meeting of the group of representatives or organizations having to do with efforts to ensure a continuation of operations at the local dry dock.

Workers at the yard, who were represented, might be more directly and immediately affected by the steady continuation of shipyard operation but, if the plant should close down, it would certainly have an immediate reaction upon the prosperity of the uptown business people of Prince Rupert and the citizens generally.

Good Highway News . . .

It is satisfactory news that, with steps being taken to transfer the Prince Rupert Highway to the provincial department of public works, something is being done about settling the matter of jurisdiction so that it becomes possible for much-

needed maintenance work to be carried on without further delay. Official announcement on the matter seems to be so far lacking but action that is already being taken by the province in getting the maintenance machinery in motion makes it appear that a settlement of the issue has been practically reached. In view of the rapidly deteriorating condition of the road, particularly on the portion between Rainbow Lake Summit and Tye, it is to be hoped that there will be a minimum of delay in getting the necessary maintenance and repair work actually under way.

P.G.E. and C.P.R. . . .

Prince Rupert people may receive with mixed feelings the announcement that Premier John Hart has actively interested the Canadian Pacific Railway in the Pacific Great Eastern Railway with a view to disposal of the line. True enough any opening up of the Pacific Great Eastern to Prince George and northward might prove very beneficial to Vancouver. Nevertheless it could not hurt Prince Rupert. In any case, the public interest makes it desirable that something should be done to put the P.G.E. on a sound economic basis through making it a line which leads from somewhere to somewhere else which, under existing conditions, it does not do. We here in Prince Rupert, at least, console ourselves that, as far as opening up the north is concerned, the taking over of the P.G.E. by the C.P.R. might not be all we may desire but, possibly, we may also consider that half a loaf is better than no bread at all.

TELKWA PREPARES FOR LABOR DAY

Barbecue Revived After Four Years—Barrel Sweepstake New Feature

TELKWA, Aug. 24—Crews of voluntary workmen have been turning out for the past couple of weeks to put the Telkwa fair grounds in shape for the annual fair and Barbecue which will be mecca for hundreds of district residents on Labor Day.

First celebration of its kind here after an interval of four years, Telkwa people believe that it will offer as many attractions as in earlier years when it was famous throughout central B.C., although many deplore the trend toward mechanical farming which has robbed the community of much of its opportunity for horse breeding.

The betting booth won't get much of a play this year because, as one resident put it, "there aren't enough race horses around here any more."

However, the barbecue, the fine art of roasting whole beef carcasses underground, lights an anticipatory gleam in everyone's eyes, and loving attention will be given the pit in which a young steer's carcass will be roasted in quarters.

"Anyone who hasn't been fortunate enough to attend a barbecue hasn't experienced beef at its best," William Dockrill, local mine manager, asserted. "It's entirely different from beef cooked any other way."

The meat, he said, is put into a long pit in which a fire has been burning for at least 24 hours previously. The pit is then covered with plates of sheet iron to cover the meat, then the hot ashes raked onto the iron. The fire is built up to burn lustily for several more hours until the meat is cooked.

It will be served to hordes of hungry holiday makers at noon on Labor Day.

A new feature of the celebration will be a barrel sweepstake, in which the nearest guess to the time it takes a barrel to drift from Houston to Telkwa will win a cash prize of \$100. With the Bulkley River at its lowest water level this year, estimates range from 12 to 20 hours.

The afternoon sports program will include baseball games between Terrace and Hazelton and Telkwa and the Smithers Air Force. The winners of the initial games will play a final.

VICTORY ROSE

A wild rose bloomed on Victory Day;
I painted the rose that bloomed that day.

Painted the rose that it may bloom
And with its wild beauty dispel all gloom.

Some day there will be "Heaven on Earth";
Men and women will give it birth.

The forces of love and joy shall reign;
These will have victory over pain.

Lift up your hearts, all sorrowing ones;
Dream of this rose, it is "cease fire" for guns.

—Hilda Chicester

A Sailor Gives Thanks

TO REV. MAGNUS ANDERSON, PRINCE RUPERT

We hear you got your "ticket," sir, what parsons term "a call"; And so we wish you to accept best wishes from us all. The Serviceman has been your guest for three long, lonely years,

You "civvies" got the thankless jobs—the Services, the cheers. We found your "Centre" up the road at corner of McBride Was Home-from-Home in every way—its doors were open wide. In free-and-easy frame of mind we wandered at our will, A Wayside Inn for travellers where Host redeemed the bill.

From all Canadian Provinces and from the U.S.A., The boys dropped in to look around—then settled down to stay. The Guest-Book's well-filled page records the name and rank of those

Who found contentment clean and sweet, within your Church's doors. Your seeds of Kindness have been sown with simple, human touch;

Regardless whether we were "saved" or infidels or such. But simple kindness, freely given, can reap a just reward; The "least" you gave was "most" to us as we can well record.

You dedicated all your zeal to do the job you planned; Your "Service Centre" held its own with any in the land. The time has come to "Strike Your Flag" and we would make it clear,

For honest, Christian care of us our thanks are most sincere. Maybe we did a thing or two the Scriptures frowned upon; For Wars have Freedoms of their own when common-sense is gone.

This quiet haven oft relieved unstable mood or whim, Our idle hour, so simply spent, turned doubting hearts to HIM. V-E Day for Europe's War, then V-J Day for Japs

Were celebrated joyfully—though noisily, perhaps. But to the quiet of your Church, folk went to watch and pray. That Freedom's Flag shall surely fly o'er all the earth some day.

And so—"Amen" to Peace on Earth, with normal lives to live; For blessings such as these, dear Lord, our humble thanks we give.

The "ties that bind" are often found in some remote abode, Reclaiming all to peaceful ways when we have sheathed The Sword.

—GEORGE FRY, H.M.C.S. Chatham, Prince Rupert, B.C.

TELKWA SHIPS FIRST CATTLE

TELKWA, Aug. 24—First cattle to be shipped from this district in carload lots this season left the Telkwa loading pens today as some 20 head of grass-fed stock, including two grade bulls, moved east after being purchased by Alberta buyers. Their destination is Edmonton.

Haying in the district is just about completed and hay barns are well filled. Hayfields are dotted with stacks to be used for winter livestock feed. Harvest of the Telkwa district's best cash crop—timothy seed—is just coming up.

The local timothy seed crop, claimed by local farmers to comprise about one-quarter of the total of timothy seed grown in Canada, is good this year and will bring the farmers around 10 cents a pound. At the present time many farmers are getting their binders ready to move into the fields.

Frost made its first appearance in this district early this week and in some places potato tops and other vegetable foliage was wilted. No grain crops were reported damaged.

Most of the oats and barley is beginning to ripen, although fields which were planted late have to be cut for green stock feed because it is unlikely that the season will be long enough to allow them to ripen.

Some clover seed will also be harvested, but this is not as extensive a crop as timothy.

ARE UNITED AT CIVIL WEDDING

Miss Olive Arnold Becomes Bride of Mike Meslenski at Court House Ceremony

At a quiet civil marriage yesterday afternoon at the Court House, the Marriage Commissioner officiating, Miss Olive Arnold, daughter of Mr. and Mrs. Jesse Arnold, 905 Tenth Avenue East, became the bride of Mike Meslenski, son of Mr. and Mrs. Peter Meslenski of Winnipeg. Witnesses of the ceremony were the Misses Sheila Stuart and Nancy Rorie of the government agent's staff.

Last night the couple left for a honeymoon trip to Winnipeg and Chicago. Both are identified with the staff of Edward Lipsett Ltd. and will return to the city to reside.

The United States paid two cents per acre—\$7,200,000—to Russia for Alaska in 1867.

POPULAR LOCAL GIRL IS BRIDE

Miss Yvonne Riffou Becomes Bride of William Schaeffer

The marriage of Miss Yvonne Riffou, daughter of Mr. and Mrs. Fred Riffou, to William Schaeffer, son of the late Fred Schaeffer and Mrs. Schaeffer, was performed in the chapel of the rectory of the Church of the Annunciation, by Father N. Racette, O.M.I., this morning. Both are popular young residents of long standing and high esteem in Prince Rupert. The groom is in the merchant marine. The bride works for the Navy here. Harold Schaeffer, the groom's brother, acted as groomsman and Mrs. Schaeffer was the bridesmaid. The server was Edward Cloutier.

Following the service a breakfast was held at the Schaeffer residence and a reception will be held there this evening.

Hotel... arrivals

W. H. Hickmore, Vancouver; F. H. Seaton, H. M. Seaton, Terrace; Miss B. Johnner, Estavan, Sask.; Mr. and Mrs. F. M. Dockrill, Telkwa; Miss Georgina Patterson, Prince George; Miss B. Mickleson, Miss P. Knox, Ketchikan; Mr. and Mrs. G. M. MacInnes, Terrace.

TRAFFIC NOTICE

Hays Cove Avenue from Sixth Avenue to Conrad Street and Conrad Street from Hays Cove Avenue to Eleventh Avenue is closed to traffic from August 23 to 31 for street repairs. Traffic will detour via McBride Street and Eleventh Avenue.

By order,
E. A. PHILLIPS,
City Engineer. (197)

Jack Macey sailed for Vancouver last night to which city his parents, Mr. and Mrs. J. H. Macey recently moved.

—And mighty good company to keep when the fall winds begin to blow. Smart all-wool suit with matching top-per.

UNITED CHURCH TEA AND SALE

Amid a scene of bright-colored flowers tastefully arranged around the newly-decorated rooms and tea tables, a successful tea and home-cooking sale was held by the United Church Women's Auxiliary yesterday afternoon in the church parlor.

Presiding was Mrs. C. R. Foster, president of the Women's Auxiliary, assisted by Mrs. R. A. Wilson, wife of the new minister.

The convener, Mrs. R. G. Webster, was assisted by Mrs. Andrew Thompson and Mrs. R. G. MacAuley while the serviteurs were Mrs. G. A. Johnson, Mrs. Thornton Hay, Mrs. Crawford Moore, Mrs. Thomas Petroff and Miss A. Kovak.

Mrs. J. McKechnie and Mrs. T. W. Falconer poured while Mrs. W. Faught acted as cashier, Mrs. G. Ciccone, assisted by Miss M. Sharp and Mrs. J. S. Irvine, was in charge of the home cooking.

With fine weather in evidence a large crowd attended the affair.

Mr. and Mrs. H. B. Eastman sailed last night for a trip to Vancouver.

Mrs. Leslie G. Skinner of Copper City is paying a brief visit to the city.

Constable A. E. Zorn has arrived in the city from Vancouver to join the city police force.

H. F. Glassey, local rations administrator, sailed last night on the Prince Rupert for a trip to Vancouver.

William F. Joy arrived in the city on Wednesday from Los Angeles to pay a visit with his mother, Mrs. John Joy, 551 Ninth Avenue West.

Mr. and Mrs. R. B. Linzey arrived in the city on Wednesday from Chilliwack to pay a visit with Mr. Linzey's brother and sister-in-law, Mr. and Mrs. P. H. Linzey. Years ago Mr. Linzey was in the jewelry business here.

Whifflets From The Waterfront

Humpbacks are being caught in large numbers in Wright Sound and Wales Channel, it is reported. One boat brought 9,500 pinkies to the Miller cannery at Seal Cove one day last week.

Some birds can perceive infra-red rays invisible to human eyes.

TOO LATE TO CLASSIFY

K.C.'S WIN JUNIOR PLAY-OFF OPENER

Defeated Gyro Club by Score Of 19 to 6 Last Night in First Of Round-Robin

Accounting for all but one of their runs in two innings, the Knights of Columbus team defeated the Gyro Club 19 to 6 last night at Gyro Park in the first game of the Junior Softball League's round-robin play-off series to decide the championship.

The Casey's countered seven runs in the second inning, secured 11 in the fifth and one in the seventh for their total score while the Gyros scored three in the first and one each in the third, fifth and seventh frames.

McDougall pitched for the winners while Scherk, Mostad and Sundberg worked on the hill for the losers.

The score by innings follows: K. of C.'s 0 7 0 0 11 0 1—19 Gyro Club 3 0 1 0 1 0 1—6 Batteries: K. of C.'s—McDougall and Gordon; Gyro Club—Scherk, Mostad, Sundberg and Acheson.

ENTHUSIASM IN BOWLING

Winners of Two Trophies Are Decided and Another Coming Up on Sunday

Rink consisting of J. E. Jack, Sidney Laves and Jack Paul won 11 the final of the Tip Top Tailors Cup for triple rinks at the Canadian National Railway's Recreation Club Lawn Bowling Club greens which are now in fine shape. The score in the final was 22 to 12, running-up rink consisting of Al Berner, C. A. Davis and Angus Macdonald.

The final in the doubles for the Watts & Nickerson Cup was won by William Rance and D. A. MacPhee in a close contest with Alex Finnie and J. A. Frew, the score being 17 to 16.

Team play for the Woodland Memorial Cup, one of the club's finest trophies, will take place next Sunday with a large number of entries expected.

SHORT SPORT

Big Jack London, who ruled the roost for nearly a year as king of British and Empire heavyweight boxers, has announced his intention to retire from the ring. When London lost his titles last July to young Bruce Woodcock there were immediate demands for a return bout, and Woodcock was all in favor. But two weeks later London was beaten again, this time by a little-known Scot, Jock Porter, and the pair of whippings apparently convinced Big Jack that enough is enough. "I tried all I could in my fights with Woodcock and Porter," said London. "I did not do myself justice and rather than continue to disappoint myself I have decided to hang up my gloves." Aged 32 and a sergeant in the R.A.F., London has been troubled for some times by a rib injury which doctors say is a bruised nerve. It isn't injurious to normal health but will always be a handicap in boxing and is not likely to yield to treatment. This, as well as his defeats, led to London's decision. The former champion, whose home is in West Hartlepool, Durham, plans to go into business when he is discharged from the R.A.F., probably at the end of this year.

Little Sydney Wooderson, who can hang his spiked shoes on the same rack as most of the great milers of the world, wants to go to Sweden to race against record smashers Gundar Haegg and Arne Andersson. Wooderson lost the August Bank Holiday mile race to Andersson on London's White City Stadium track by 2 1/2 yards. The winner's time was 4:8.8 seconds, which, considering the track and the weather, was exceptional. "Andersson told me afterwards that if the race had been held in Sweden I would have done three seconds better," Wooderson said. Wooderson's own time in that race was a fraction over four minutes nine seconds and proves that although it is eight years since he ran a record-smashing mile he has not lost his speed nor stamina. Given proper conditions for training—at present he is a corporal in the army—Wooderson might reverse the result in a race in Sweden.

A tennis team comprised of members of the Canadian army and the R.C.A.F. won three and lost three matches in a competition against the Junior Tennis Club of Great Britain. Ft. Sgt. Phil Pearson, Vancouver, former Davis Cup player; Cpl. A. Anderson, Toronto, and Sgt. Bruce Harrison, Toronto, won their singles matches, but the British net stars won both the doubles matches and one singles.

Colored Machinery Stimulates Output

LONDON, Aug. 24 (C) — A claim that colored machinery helps to stimulate output caused the Post Office to advocate that machines be painted bright pastel shades instead of the usual black or neutral grey. Other proposals for the welfare and efficiency of workers include: flat roofs for gardens or badminton courts, ultra-violet-ray glass, air-conditioning with heating, possibly by high-frequency or infra-red rays, and installation against unnecessary noise.

BOOTH GIRLS TAKE OPENER

Won Close Victory Over Allies In First of Softball Finals

With the score tied at three-all in the fourth inning, Booth Memorial High School countered eight runs and went on to defeat the Allies 13 to 11 in the opening game of the Prince Rupert Women's Softball League finals last night on Acropolis Hill. The series is for the best-of-three games so, if the Bo-Me-Hi club wins in the second fixture on Monday, they will annex the championship.

The wins gave Betty Hamilton, Bo-Me-Hi hurler, her eleventh triumph of the season as against one defeat, while the losing pitcher, Margaret Morgan, now has a record of 10 victories and two losses.

Butterworth, Allies' catcher, scored three runs to lead her team in that department while Hedley of the same club scored two. Lois Thompson, Jane Hamilton, Betty Hamilton and Marie Caldwell all countered two runs apiece for the High School.

Score by innings follows: Bo-Me-Hi 3 0 0 8 1 1 0—13 Allies 2 1 0 3 3 2 0—11 Batteries: Bo-Me-Hi—Hamilton and Cowie; Allies—Morgan and Butterworth.

SEND-OFF TO BEAUTY QUEEN

"Miss Northern British Columbia" is Preparing for Atlantic City

A fitting send-off is being accorded Miss Georgina Patterson of Prince George who is in the city today making preparations for her departure for Atlantic City where she will represent this district and, for that matter, all of Canada at the "Miss America" beauty contest where the pick of North American pulchritude will vie for top honors.

"Miss Northern British Columbia" is being rehearsed today under the direction of Harry Black, manager of the Capitol Theatre, and this evening, with Miss Eleanor Storch, 1944 Carnival Queen, and Miss Bea Dirrickson, 1945 Queen, together with maids of honor, will be entertained at a theatre party followed by a supper gathering.

Tomorrow the Junior Chamber of Commerce, with George Dybhavn in charge, will be looking after Miss Patterson, events of the day to culminate with a public send-off in the evening at the train when she leaves for Atlantic City.

NOTICE TO CUSTOMERS
We regret to inform our patrons that, due to the fire that destroyed the Terrace utilities power plant early on Sunday morning, we are compelled for a short time to seriously curtail production. We are very sorry to disappoint our customers but wish to assure them that in the near future we plan to be back in full production again. At this time we wish to extend our hearty thanks to all who have supported us during the past.
