NATIONWIDE AIR SURVEY STARTS

Government Expert Gets Information on Which to Base Future Service

First step in a nationwide economic survey recently announced by Reconstruction Minister C. D. Howe was begun in Prince Rupert this week.

Seeking to gather economic data which can be used for a basis of development of air transport in the country, the survey was begun almost simultaneously in Prince Rupert and Halifax and will eventually include the whole of Canada.

Making the survey here was Wing Commander W. M. Emery of Ottawa, who consulted business and civic leaders, gathering data which will eventually be turned over to the department of transport as background information for airline companies with expansion plans.

Wing Commander Emery sought information on business conditions, hotel facilities, and other functional data. He arrived Wednesday, completing the survey in two and a half days.

"I can't give you any results of my findings yet, because I have just started," he replied to a reporter's question. "The only true picture I could give would have to be the whole picture."

Wing Commander Emery left last night for Vancouver where he will continue the survey.

"That will really be a big job," he said.

LOCAL BOWLERS MATCH WINNERS

Last evening a well contested challenge game was played on the lawn bowling green between a team from the S.S. Prince George and a team picked from club members resulting in a win for the boat team.

The winning team consisted of A. Finnie, W. Cowan, Sandy Munro and skipped by Bosun MacDonald. The members of the losing team were J. S. Irvine, S. H. Davis, C. A. Davis and Skip D. Macphie.

After the game, C. A. Davis, on behalf of the anonymous donor, presented the winning team with a handsome challenge cup which was accepted by Alex Cowan on behalf of his team. Both Alex expressed their appreciation and hoped for another game soon.

This cup will be open for challenge during the season between club members and boat team.

The green was in fine shape, considering its age. Games are being arranged for Sunday for other competitions.

FIRST USE FOR THE GIANT AUSTRALIAN GRAVING DOCK

H.M.S. Illustrious, one of the aircraft carriers of the British Pacific Fleet, was the first Allied fighting ship to use Sydney's new \$30,000,000 dock, largest in the South Pacific. Announcement of the ship's identity at the subsequent formal opening ceremony was news to Australians because combat-conscious Sydney harbor residents never discuss the shipping movements they see from their windows. The Japanese submarine raid on the harbor in June 1942 helped to drive home the lesson about careless talk costing lives.

American and British Occupation Is Only Nominal As Yet As They Have Taken Over No Specific District

We Can Deny Ourselves . . .

It is not likely that Canadians will complain much about a resumption of meat rationing in this happy and well-fed Dominion so that supplies of meat may be sent to the poor, starving lands abroad which have suffered so long from war's terrible hardships and privation. Certainly we suffered none from the rationing we had before and we shall not suffer unduly even if we have to get along with less now.

Canada has been singularly blessed of late in the supply of meat available to its people. We have not had to go any further than the United States to see a shortage of meat that has seemed quite severe—particularly to a country which had been used to having it in such substantial quantities.

And meat is not the only thing that we may be called upon to get along with less of—either by statutory rationing or by voluntary denial—in order that we may be able to help in feeding other nigh-starving parts of the world.

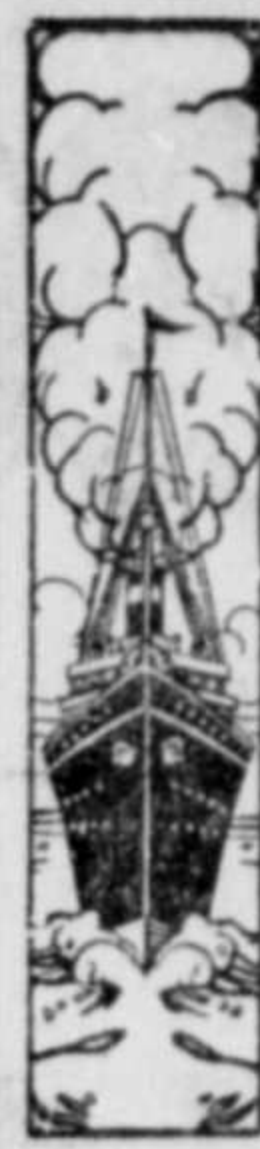

Overseas Badges . . .

While members of the armed forces who have had overseas service in the present war can be easily recognized by the silver Maple Leaf on the ribbon of the active service decoration on their tunics, it will be indeed difficult to spot them and accord them the honor they deserve once they return to civilian clothes.

Some few may wear their ribbons and Maple Leaves after their return to civilian life, but there are objections to this practice as technically it is wrong to wear decorations on civilian dress. In addition the practice of wearing ribbons has been indulged in by unprincipled individuals who are intent upon victimizing the public.

To settle the matter a special button could be designed soon and authorized to be worn only by those who have seen overseas service in a battle zone. At present there is only the discharge button with the three Maple Leaves, showing that the wearer has been in uniform but giving no indication of the extent of his service.

If any person in Prince Rupert has tuberculosis and does not know it, it is that person's own fault. The travelling chest clinic sees to that.

Waterfront Whiffs

Island Fishermen Had Rough Time In Recent Gale—New Halibut At Seal Cove.

Fishermen on the Queen Charlottes on some three hundred boats out of Skidegate Inlet, went through some hectic experiences in a southeast gale that swept down Hecate Straits recently. Four boats went ashore, three of them a total loss.

Besides the Eight Bells, which was swept to the Alaska shore with less of two lives, three other boats went ashore on the east coast of Graham Island. The Carlisle 192 and the Porcher 26 caught fire and were totally destroyed when the stoves broke loose while pounding in the surf. The fishermen got safely ashore. The other vessel, Starlight (Captain Bill Miller), went ashore near Cape Ball. Mr. Miller, through good work on his part, manipulated the boat up to high water mark, though he hit the beach at low tide. Out of the number of boats that could not buck back to Skidegate Inlet, five of these took a great chance and managed to get into Tlell River. The others, about 10, ran around Rose Spit and anchored under Tow Hill. Those that bucked back to Queen Charlotte experienced some trying hours.

The next day when the weather abated, two aircraft left Alliford Bay to patrol the shore line and Hecate Straits. Only one boat, the Starlight, had been sighted. Air photos showed Miller standing near a fire he had made, the boat apparently not damaged. Later this boat was hauled off and taken into Queen Charlotte. The damage, not great, will be repaired.

There was much confusion and apprehension over the number of boats that failed to get in. Many stories of boats with their

cabins awash or floating bottom up had been reported (a few of these were tied up in the harbor at the time), and it was also rumored that the east coast from Tlell to Rose Spit was strewn with the bodies of fishermen, and that someone saw a dead woman floating off shore. All this proved later to be only excited talk, which made matters more complicated for the police and fisheries department to know who was missing and what to do.

The loss of gear was heavy. Hundreds of nets were lost, which either dragged away or the marker floats broke loose. Those who found their gear got it back tangled and badly torn. Many days will be spent on the net racks.

Construction will be completed at the McLean shipbuilding yard, Prince Rupert, towards the end of July of a new 50-foot halibut boat for Norman Peterson, well-known Prince Rupert fisherman. Delivery of the engine is now being awaited and it is hoped to have the new boat in operation before the end of the present season.

Miss Joan Cross and Miss Frances Cross are leaving tonight on a holiday trip to Vancouver.

L.P.P. FAVORS PAT FORMAN

At the regular meeting Thursday night, members of the Labor-Progressive Party endorsed the candidacy of Pat Foreman in the forthcoming civic byelection. Unanimous approval of Mr. Foreman as a man who will bring a thoughtful, progressive outlook to bear on the problem of civic administration was expressed.

Doris Blakey declared, "Mr. Foreman has a record as a man who is unafraid to fight for his principles, even when it caused him a personal loss to do so. He will, I am sure, make a good alderman, one who will merit the support of all who wish to see Prince Rupert become a city founded upon a basis of strong, permanent industrial development of northern B. C."

Two boat trips were required to transport the more than 75 children and adults who took advantage of beautiful weather to enjoy the annual Sunday school picnic of St. Peter's Church held on Digby Island Friday. The mission boat Northern Cross, piloted by Rev. Gordon Smith, carried one group across in the morning and the second group in the afternoon.

The picnic was under the charge of Rev. E. W. Scott, rector of St. Peter's, assisted by Rev. Mr. Smith and Charles Graham. Many ladies gave assistance in preparing and distributing refreshments.

During the afternoon, races were held for the children, the older picnickers enjoying themselves in a variety of ways in the woods and along the beaches.

Refreshments consisting of ice cream, soft drinks, sandwiches and cake were served in abundance. The picnickers returned to the city late in the afternoon.

BUMS ARE MENACED

Chicago Cubs Are Close up Now in National League Pennant Race

BROOKLYN, July 7 (P)—The National League leadership of the Brooklyn Dodgers is seriously threatened. Yesterday, while the Bums were losing a heavy slugfest to the St. Louis Cardinals, the Chicago Cubs were pouncing out a double victory over the luckless Phillies. As a result the Brooklyn lead has been reduced to a single point.

In the American League the leading Detroit Tigers lost a close 5 to 4 decision to the New York Yankees but they still have a three-game margin over the Washington Senators who are continuing their big winning streak and took a double victory yesterday from the St. Louis Browns.

Yesterday's big league scores:

American League
 Boston 2-2, Cleveland 6-4, Philadelphia 1, Chicago 0, Washington 6-5, St. Louis 3-2, New York 5, Detroit 4.

National League
 St. Louis 15, Brooklyn 3, Chicago 11-5, Philadelphia 3-1, Cincinnati 3, New York 2, Pittsburgh 5-8, Boston 13-14.

The league standings to date:

St. Louis	40	30	.566

LOOKING OVER BALL LEAGUES

In the National League the St. Louis Cardinals swamped the Brooklyn Dodgers 15-3 while the Cincinnati Reds edged out the New York Giants 3-2. The Boston Braves captured both ends of a doubleheader with the Pittsburgh Pirates by scores of 13-5 and 14-8. Meanwhile the Chicago Cubs won both games of their twin bill with the Phillies. Chicago took the first game 11-3, and the second 5-1.

In the American League, the New York Yankees defeated the Detroit Tigers 5-4 while Philadelphia Athletics blanked the Chicago White Sox 1-0. The Cleveland Indians won twice to beat the Boston Red Sox 3-2 and 4-2. The Washington Senators took two games from the St. Louis Browns. Washington won the first game 6-3 and the second 5-2.

In the International League the Montreal Royals eked out a 3-2 win over the Buffalo Bisons while the Rochester Red Wings beat the Toronto Maple Leafs 7-2. The Newark Bears chalked up a 4-2 win over the Jersey City Giants and the Baltimore Orioles edged out the Syracuse Chiefs 6-5.

FORTRESS WINS OVER BATTERY

Striking out 15 and hurling two-hit ball, Rube Sher pitched Fortress to a 4-0 victory over Coast Battery in a Senior Area Softball League game last night at Gyro Park.

The losing pitcher, Kunitz, yielded two extra-base hits to Martel and McCorkell but, aside from that, pitched effective ball, limiting Fortress to five blows.

The score by innings follows:
 Coast Battery 000 000 000-0
 Fortress 103 000 00x-4

Batteries: Coast Battery—Kunitz and Busnick; Fortress—Sher and Martel.
