France Elects Her Wartime Military Leader as Head of Fourth Republic

PARIS, Nov. 13 (CP)—General Charles DeGaulle, France's wartime military leader, was elected today as president of the French government by the constituent assembly to direct the creation of a fourth republic.

ROAD THROUGH TEN DAYS

The Prince Rupert Highway will be made passable all the way through in a week or 10 days, the opinion of Public Works engineer J. C. Brady who returned to the city Sunday night from the interior where he has been supervising the repair of the highway extensively damaged by slides and washouts more than two weeks ago.

DO NOT FAVOR STRIKE

WINDSOR—President A. R. Fisher of the Canadian Congress of Labor and P. R. Bengough, president of the Canadian Trades and Labor Congress, have both turned thumbs down on the one-day strike proposal in sympathy with the Ford strikers.

LEAD OF TWO WARS HONORED WITH SOLEMN SERVICE; PLAQUE UNVEILED

Prince Rupert honored the Canadian dead of two world wars in a simple, impressive Remembrance Day service at the cenotaph at 11 a.m. Sunday. New Indonesian Leader—Pro-Dutch Regime in Java Is Being Relegated

Control of President Soekarno Is Being Curbed—Premier Elected Who It Is Believed Will Deal With Dutch

BATAVIA, Nov. 13 (CP)—Sutan Sjahrir, described as moderate with whom the Dutch are likely to deal, became Premier of the unrecognized Indonesian republic today as British forces blasted at Indonesian nationalists in the heart of the naval base city of Soerabaja.

In the absence of Soekarno, president, Sjahrir has written and distributed a pamphlet in which he criticizes Indonesian youths for "committing all sorts of crimes" and said "attacks on foreigners prove to the outside world we are not a united people and we are not ripe politically."

Sjahrir's selection as Premier by the cabinet means the nationalists have decided on a new governmental system under which President Soekarno will have but a minor role.

The Dutch have refused to deal with Soekarno. British headquarters in Batavia has announced that three Japanese generals, now under arrest in Java, will be removed to Singapore on November 14 for trial as war criminals.

Boilermaker Delegates Give Report on Vancouver Convention

The local Boilermakers' Union has received the report of the delegates who attended the annual convention of the Shipyard General Workers' Federation of B.C. held in Vancouver.

Considerable attention was given at a meeting of the union last week to the automobile workers' strike at Windsor. This was regarded as a testing ground and it was felt that the outcome of this strike would have a great deal to do with determining the post-war strength of the union movement in Canada.

WOMEN FORCE AGAINST INFLATION

Economic Control is More Important Today Than Ever, Local Audience is Told

The women of Canada, who find it their duty to spend about 85 per cent of the national annual income, are necessarily Canada's strongest bulwark against the danger of economic inflation which is greater at the present time than it has ever been before.

Mrs. Mary E. Hurrell, honorary secretary to the Women's Regional Advisory Committee, Consumer's Branch, Wartime Prices and Trade Board, speaking before an audience of 75 in the Oddfellows' Hall last night, reiterated the tribute of Donald Gordon, Prices Board chairman, to the thousands of active workers of the board, both voluntary and paid, and to the people of Canada for their good sense in combating inflation.

In outlining the rather depressing supply situation in many commodities, Mrs. Hurrell was definite in her assertion that the picture could not brighten within six months and forecast a wild period of inflation if too great a pressure of spending were put against the present control system.

"At present there is nine and a half billion dollars in savings in the possession of the Canadian people. To let that out now would blow prices sky high," she declared.

"We must be clear," she said that the cease fire order did not mean the end of scarcities. On the contrary, existing scarcities are likely to be intensified.

Inability of the vast war energy to be transformed immediately into a productive machine for civilian goods coupled with the return of vast armies from the fighting fronts and the need to feed millions of people in nations whose economies have been completely disorganized by the German and Japanese occupations are primary factors in the present situation.

"Goods are scarce and needs of the world are great. We in the Prices Board know there is no more thankless job than dividing up scarce goods but, as long as there are shortages, distribution controls must be continued," Mrs. Hurrell said.

In the textile field, Canada has been only partly independent of outside sources, especially in woollens, and in cottons she has been primarily dependent on the United States. Shortages of underwear for children, women and men exist despite the fact that production increased greatly over the 1939 level and has been ordered to increase again. Shortages in this regard and in footwear was attributed largely to the increase in buying power among the Canadian people.

NORMAL TRAIN SERVICE HAS BEEN RESUMED

Railway service over the Canadian National line to Prince Rupert resumed normal schedules with the arrival Sunday night of the first passenger and the first freight trains to make trans-continental connections since slides and washouts along the Skeena stopped service 10 days ago following a torrential rain.

Sunday night's passenger train was the regular train from Jasper bringing passengers and an accumulation of mail which yesterday filled the mail boxes of many city business offices. It arrived at 11:45, an hour behind schedule.

Last night's train for the east left at its regular time of 8 o'clock. Except for local trains which have been running between Prince Rupert and Shames for the last week it is the first train to leave the city since the railway was obstructed.

Preceding Sunday night's train into the city was a freight train which at 2 p.m. brought in 57 cars of perishable goods and coal which had accumulated along the line. Eight carloads of Alberta coal arrived, bringing to an end the need for local coal dealers to buy coal from the War Assets corporation to fill city orders.

Several refrigerator cars of fresh meat also arrived Sunday night.

It was learned from the office of Divisional Superintendent C. A. Berner that normal train schedules have now been fully restored. Track conditions are favorable, railway officials state and no further interruptions are anticipated.

V.C. Winner—Award For Nephew of Local Lady

Mrs. J. L. Lee, Aunt of Lieut. Robert Gray, Who Perished Gallantly Off Japan

Lieutenant Robert Hampton Gray, D.S.C., R.C.N.V.R., son of Mr. and Mrs. John B. Gray of Nelson and nephew of Mrs. James L. Lee of Prince Rupert, has been posthumously awarded the Victoria Cross for "great bravery" in operations with the Royal Navy fleet arm against the Japanese. It was announced in London today.

The 27-year-old Canadian led an attack to within 50 feet of a Japanese destroyer in the face of intense anti-aircraft fire, sinking the destroyer although he himself was hit and his aircraft set afire, plunging into the sea, losing his life as a result of the attack.

The operation occurred off Honshu Island off the Japanese homeland under the guns of five enemy warships and shore batteries. Gray was operating from the aircraft carrier Formidable.

The young flier, who had had previous engagements with the Japs, had won the D.S.C. for an operation with the British fleet air arm against the German battleship Tirpitz in Alten Fjord, Norway.

Gray was elected with 75 other University of British Columbia students in 1940 to go to Britain to train for naval commissions. He was reported "missing and presumed dead" August 9, 1945.

The only other son of Mr. and Mrs. Gray also lost his life flying in the war, he being the first war casualty from Nelson. He was Jack Gray, an air gunner with the Royal Canadian Air Force, who was killed in a crash in England in 1940 on returning from operations over enemy territory.

Christian Brotherhood Is Only Salvation From Atomic Power Says Attlee

British Prime Minister Addresses Joint Session of United States Congress—Progress of Conference Not Revealed

WASHINGTON, D.C., Nov. 13 (CP)—Prime Minister Clement Attlee told United States Congress today that foundations of peace must be world prosperity and good neighborliness. "Only Christian principles of man's brotherhood" can save the world from the atomic bomb. Mr. Attlee said there is no reason for economic rivalry between Great Britain and the United States.

RUPERT OVER MILLION

The Ninth Victory Loan in Prince Rupert went well over the million dollar mark and, with more returns still to come in, had reached \$1,070,500 up to this morning. The previous high record for Victory Loan subscriptions here was in the seventh Loan October 1944 when \$937,650 was subscribed. The Eighth Loan total in May of this year was \$869,000.

LOCAL GIRL DROWNED

John Dohl jr. returned to the city yesterday afternoon from North Vancouver where he attended the funeral of his sister, Evelyn Dohl, who was the victim of a recent tragic drowning accident. Deceased was 18 years of age and was born in Prince Rupert, having left here for the south about five years ago when her parents, Mr. and Mrs. John Dohl, moved south.

NEGOTIATIONS FAIL

WINNIPEG—Negotiations in a contract dispute between publishers of the Free Press and Tribune, Winnipeg's two dailies, and their composing room employees were broken off today, it was announced by spokesmen of both parties. Union spokesmen said negotiations collapsed because the publishers insisted "upon imposing conditions under which our members cannot work." The newspapers are getting out a four-page photographic tabloid. The printers are getting out a four page paper on Wednesday and an eight-page on Saturday.

BOMB WORKERS QUITTING JOBS

WASHINGTON, November 13 (AP)—Major General Leslie R. Groves said today hundreds of workers, key men and scientists are quitting the atomic bomb project because of uncertainty over the future of their jobs.

General Groves, in overall charge of the atomic bomb project, told a reporter he has lost some of his best men, both at Oak Ridge, Tennessee, and Hanford, Washington, as well as at Los Alamos, New Mexico.

He said field representatives report that in numerous instances departing workers list "uncertainty of the future" as a primary or secondary cause for quitting.

Although Groves would make no estimate of the extent to which this draining off of key workers has cut production, he asserted that there has been considerable slowdown.

REMEMBRANCE DAY OBSERVED

King Edward School Pupils Mark Solemn Occasion

The annual observance of Remembrance Day took place at King Edward School on Friday morning when the pupils, wearing their poppies, assembled in the music room.

The program consisted of "O Canada," "O Valiant Hearts" and "Jerusalem" sung by the whole school, recitations "In Flanders Fields" and "For the Fallen" by Divisions I and II respectively, and "I Vow to Thee My Country" by Margo Brown. "Tread Softly" was sung by Isabelle Taylor and Beverly Matson.

E. E. Hyndman, inspector of schools, gave a short address. Telling stories of the war he showed the children that, to keep faith with those who gave their lives for Canada, boys and girls must learn to accept responsibility and to play the game.

Two minutes silence was followed by "O God Our Help in Ages Past." The impressive ceremony concluded with the National Anthem.

Victory Loan Publicity . . .

The Victory Loan organization is supposed to have a well-oiled publicity department among the functions of which is to issue prompt returns to press and radio on loan progress nationally, divisionally and down to the smallest units. There is no doubt that Prince Rupert people, who have always risen to the occasion, are irked with the little recognition in either outside press or radio which has been accorded this community. The local Victory Loan office, asked for an explanation, says that returns have been sent in regularly from Prince Rupert to Vancouver but do not seem to get anywhere from there.

In future loan campaigns, if there are any, it would seem to be good policy on the part of National War Finance Committee, even if its headquarters are in Vancouver, to see that Prince Rupert gets a fair break and due credit for the good showing it always makes in such matters.

Victory Loan publicity is particularly valuable to a community as capacity to buy Victory Bonds is accepted as a measure of purchasing power and business conditions.

Re-establishing Navy Here

The movement to re-establish a division of the Royal Canadian Naval Volunteer Reserve at Prince Rupert is something that will be welcomed and should receive every support and commendation. One remembers how the old naval reserve here in the years before 1939 provided valuable and happy training for many Prince Rupert boys, a training the possession of which served the boys and the country in good stead when,

promptly on the outbreak of war, they joined up for active service.

Of course, if there is to be an active naval reserve unit here, there must be proper training facilities starting with a suitable venue. The war provided that in the splendid naval drill hall built in connection with the establishment of H.M.C.S. Chatham. The reopening of the drill hall for a naval reserve would also serve the very important activities of the flourishing local Sea Cadet Corps and it is suggested as well that therein could also be provided a gathering place for ex-servicemen in Prince Rupert generally.

Delinquent Parents . . .

There is no doubt at all that juvenile delinquency is a large factor in the current crime wave, says the Vancouver Province editorially. It is equally certain that much of the juvenile delinquency is due to lack of parental discipline and training.

Whatever contributory causes there are, and there are no doubt several stemming from the strain and upset of war conditions, the responsibility still lies with the parents. It is not only the parents of youth who have gone astray but the parents of unoffending offspring who can do most in helping the police and the scores of organizations which are trying to keep youth on the paths of virtue. If crime is to be reduced to a minimum all parents must realize the responsibility they have to their children and to the community.

Home interests and pleasures, sports and recreation clubs constitute at least one of the answers to this juvenile delinquency problem. There is an encouraging growth in the number of clubs organized and those already in operation are having gratifying success in keeping their members out of mischief. But parents should not expect outside organizations to perform the duties that should be done in the home.

The situation, its cause and its cure are clear. Some of the youthful criminals now abroad may be beyond parental influence but many of them can be rescued from their criminal ways and certainly many more can be greatly helped if all parents will do their duty.

Armistice 1914-1918 — 1939-1945

As I sit here a-thinking o' the days o' yester year,
My eyes grow dim with sadness and I blink away a tear.
In fancy I hear the cannon roar—the machine gun's deadly rattle,
And see faces of old comrades—who long since fell in battle.

The picture changes once again, they are rising from the dead,
A mighty host in armor—marching through the poppies red.
Perhaps this phantom army—that I in fancy see,
Is the vanguard of the Allies marching on to victory.

At the last meeting of the Ladies' Orange Benevolent Association, presentation was made by the worthy mistress of a handsome framed local picture to Mrs. J. R. Reynolds, an active and popular member, who is leaving the city shortly. Plans were perfected for a tea and sale to be held November 21. There will also be special attractions at this affair such as white elephant stall and fish pond for the children. Refreshments were served before the closing of the meeting.

Letters to the Editor

CONGRATULATES KINSMEN

Editor, Daily News:
Congratulations to the Kinsmen of Prince Rupert! Surely no fair-minded person, after reading their explanation of the Halloween "Shell-Out," could possibly criticize such a splendid undertaking.

I think the Kinsmen are to be commended for their energetic programs for Prince Rupert children. The turnout at the May 24 celebration and also at the Halloween bonfires certainly proved decisively how much the children appreciated these functions.

The amazing thing to me is that a good many of the Kinsmen are not parents and I think it exceptional that these young men should take such a keen interest in giving the youngsters a good time. It would be interesting to know how much the critics are doing in the way of organized entertainment; for children I am sure their suggestions and help would be appreciated in future by the Kinsmen.

Again I say congratulations Kinsmen! Keep up the good work!

A MOTHER.

CITY HALL HEATING

Editor, Daily News:
Concerning the heat failure at the city hall, I read in your paper quite a write-up and there is a correction I would like to make. The source of the trouble was not an obstruction in the tank but rather the forming of carbon in front of the firebox where the nozzle of the burner enters. As the oil burner is unattended during the night, the carbon was allowed to form. Thanks for space.

J. McCRIMMON,
Caretaker.

FUNERAL OF JOHN WYNNE

Friends and old-timers of the city gathered at the B.C. Undertakers Grenville Court Chapel Saturday afternoon to pay final tribute to the late John Wynne, pioneer resident or Prince Rupert, who passed away suddenly Thursday.

Rev. A. F. MacSween conducted the service in a sympathetic manner. The late Mr. Wynne's favorite psalm, the Twenty-Third, was read.

Mrs. J. C. Gilker was organist for the music with the gathering joining in the hymn, "Nearer My God to Thee."

The pall-bearers, men who knew the deceased well and had particularly asked to pay this last mission to their friend, were

POPULAR LOCAL GIRL MARRIED

Miss Sis Dell Becomes Bride of Sgt. Cappy Cappadocia

The Catholic rectory was the setting last Tuesday afternoon of the marriage of Violent Annetta (Sis), only daughter of Mr. and Mrs. Lee Dell, to Sgt. Perilino (Cappy) Cappadocia, youngest son of the late Mr. and Mrs. Cappadocia of Montreal, Quebec. Father W. F. Lantagne officiated.

Given in marriage by her father, the bride wore a lovely dressmaker suit of mist blue with brown accessories and chose as corsage tea-rose carnations. Attending the bride was her cousin, Pearl Menzies, in a two-piece suit of coral pink, also with brown accessories and pink carnations.

The groomsmen were the bride's oldest brother, Victor Dell, recently discharged from the Royal Canadian Air Force.

Following the ceremony a reception was held at the home of the bride's parents at 304 Sixth Ave. W. where the many friends of the young couple called to express their best wishes. Many lovely gifts were received.

The bride's mother, gowned in a cocktail dress of black chiffon, with a corsage of red carnations, received the guests.

The rooms were daintily decorated with pink and white streamers and set off with a white wedding bell where the newlyweds stood to receive their friends.

The groomsmen proposed a

A. Beat the white of an egg until it is stiff, add the juice of one lemon, and a little sugar. Take this immediately before starting on the ride and it will prevent sickness.

Q. Is washing soda harmful to clothing?

A. It is a household necessity, but when used on laundry day if it is not rinsed out of the clothes thoroughly, the fibre of the goods will be weakened when the hot iron is applied.

**Train Whistle Welcome Music—
TERRACE WAS REALLY ISOLATED—
FOOD RAN SHORT; HUGE RAINFALL**

TERRACE, Nov. 13—The sound of a train whistle as it pierced the cold night air on Friday evening was a welcome sound to the people of Terrace. Even if it was only a work train some of the residents rushed joyfully down to the station to see it come in. On Saturday evening another train arrived with mail. It was a pleasure to be in the Post Office lobby at the time the mail was being sorted and see people's faces lighting up as they received one delayed letter after another.

During the unusually heavy and steady downpour of rain which occurred a little over a week ago, Terrace residents began to feel uneasy. News of slides and wash-outs was expected but the week's isolation which followed was found hard to take and brought many loud but unavailing protests.

On the Sunday following the closing of the highway and the railroad word was received that the bridge at Williams Creek, on the road to Lakelse, had been washed out, part of the road leading to Kalum Lake was covered by water; and a part of the road on this side of the suspension bridge across the Copper River was washed out. A temporary bridge was quickly put across Williams Creek. Sand and gravel were dumped on the bad stretches of the Kalum road and men were put to work on the section of the highway in front of the Copper River bridge. Work in clearing away obstructions or filling in was made doubly hard because extremely cold weather followed the heavy downpour of rain and the ground froze solid.

A plane arrived from Prince Rupert on Wednesday with food for army. However, there was no one to bring in food for the civilians and stores quickly ran out of such supplies as butter, eggs, shortening, yeast, etc. The supply of meat dwindled rapidly as did many other supplies. Due to the fact that there was neither yeast nor shortening

**FINE AFFAIR
LEGION SMOKER**

More than 250 veterans of two World Wars gathered in the Canadian Legion Hall Friday night for the annual Armistice Day smoker in the largest gathering of its kind in the history of the organization. Guests and members enjoyed a buffet luncheon provided by the Legion's Women's Auxiliary and a varied program of entertainment.

The evening opened with a brief speech by President Hugh Killin and proceeded with vocal solos, readings, community singing and piano selections. James Nicol was master of ceremonies.

A major highlight of humor was an impromptu quartet composed of Hugh Richmond, Hugh Killin, Henry Jensen and J. Martindale, conducted by Jimmy Kelly, singing a somewhat original interpretation of "Sweet Adeline."

Well received were solos by Sam McPherson and Peter Lien. Mr. McPherson sang "The Blind Ploughman" and "Mandalay" and Mr. Lien sang "In Flanders Fields" and several encores. Allan Crawford was pianist.

Other entertainment features were a coronet solo by Sgt. Stevens, several readings by Reg Kings, a vocal solo by Cpl. Wallace and several piano selections by Andy McNaughton. The program was interspersed with rousing sessions of community singing.

The people missed their mail very much but it must have been a relief to the people in the Post Office to consider that their duties were over by 6 p.m.

All in all, the time was a very trying one and Terrace people are glad to be getting gradually back to normal.

Miss Betty Haudenschild, hostess at Delightful Affair for Popular Bride of Week

In honor of Miss Hazel Jensen, whose marriage will take place this Thursday evening at First Presbyterian Church to Ernest McBratney, lately of H.M.C.S. Chatham here and now stationed at Victoria, Miss Betty Haudenschild was hostess last Friday evening at a delightful miscellaneous shower at the home of her parents, Mr. and Mrs. Sam Haudenschild, 510 Seventh Ave. W. There were about 30 friends assembled in rooms which were tastefully decorated with pink and white chrysanthemums.

Over the chesterfield pink and white streamers had been tastefully arranged to form a canopy centred with a white wedding bell. Here the bride-elect received a prettily decorated basket presented by Miss Betty Haudenschild, who will be the maid of honor at the wedding, and Miss Jean Jensen, who will be the bridesmaid. The basket contained many interesting and useful gifts.

The evening was happily spent in playing games, the winners being Miss Myra Scherk, Miss Jean Jensen and Miss Ruth Ramsay.

After Miss Dorothy Haudenschild played acceptable piano selections, delicious refreshments were served by Miss Gladys Nilson, Miss Jean Jensen and Miss Dorothy Haudenschild.

Those present: the Misses Hazel Jensen, Bea McGee, Gertrude Stangbye, Dorothy Peachy, Olga Hipp, Netta McLeod, Annie McLeod, Ruby Downing, Freda Willacey, Myra Scherk, Inga Kristjansson, Gladys Nilson, Irene Peterson, Evelyn Raugeau, Ruth Hansen, Ruth Ramsay, Bea Harrison, Sally Chisholm, Kay Reid, Grace Brown, Molly Seldon, Elsie Clark, Helen Chapman, Jean Jensen, Betty and Dorothy Haudenschild, Mrs. Jensen and Mrs. Haudenschild.

POPPY DAY OBSERVED

No Less Than \$795 Realized as Result of Saturday's Canvass

(By WINIFRED BRASS)
A flash of scarlet here and there along the city streets! It was Poppy Day! Poppy Day with its deep significance, its heart-stirring of remembrance, of sorrow and pain, but also of peace and hope for the days that are to come.

Saturday the little scarlet Flower of Flanders was being offered the public again to wear in pride and thanksgiving on Remembrance Day in honor of those valiant souls to whom we owe so much—our sailors, our soldiers, our airmen—the living and Glorious Dead.

These replicas of the flower immortalized in the first Great War, are made by disabled veterans, who find in this work their only means of livelihood and offered for sale to provide funds for needy veterans and their dependents. Thus the Poppy has a three-fold mission as it is the symbol of Remembrance.

Saturday the Canadian Legion (B.E.S.L.), with the aid of its Women's Auxiliary, under general direction of Mrs. G. V. Hanley, president, held its annual Poppy Tag Day. Headquarters were the Legion Building and those assisting are as follows:

Distributing at Rooms—Mrs. W. Brass (convenor), Mrs. Geo.

Abbott, Mrs. H. Eren, Mrs. E. T. Applewhite, Mrs. Boulter, sr., Mrs. H. Smith, sr., Mrs. W. Pinniger, Mrs. W. Reid and Mrs. D. C. Stuart.

Honeymoon Murders with O'Brien, Murphy and Carole Landis in Comedy-Drama

Hilarious adventures of three people on a honeymoon who become involved in a murder mystery provide the action for "Having a Wonderful Crime," starring Pat O'Brien, George Murphy and Carole Landis, which is the feature picture at the Capitol Theatre this Wednesday and Thursday.

O'Brien is an attorney and amateur sleuth who is always being landed in trouble with the police by fun-loving Miss Landis and her bridegroom, Murphy.

There are two murders on the honeymoon trip and O'Brien, as the extra man on the wedding tour, has trying experiences before he unravels the web of mystery and, incidentally, finds a damsel for himself.

Smart dialogue marks the many diverting situations with which the picture is replete.

TEACHERS BACK UP FORD STRIKE

National Education Week is Being Observed—Would Run For Civic Office

Prince Rupert school teachers are backing up the strike against the Ford Motor Co. at Windsor, Ontario, and are collecting funds to support the strikers in their stand-out.

The Prince Rupert and District Teachers' Association is observing Education Week, the principal feature to be a public meeting Thursday night in the auditorium of Booth Memorial School.

The Association has gone on record as favoring participation of members of the teaching profession in municipal government in such offices as mayor and aldermen but not school trustees.

Men who think of tomorrow GUARD AGAINST INFLATION Today!

Old Man Inflation stands just around the corner ready to snatch at your pay envelope and short-change you in return. It happened after 1918, and it can happen again.

It's strange but true that the only ones who can save us from inflation—excessively high prices—are ourselves. It's spending those extra dollars that bids up prices on every thing that's still scarce. And once started, inflation

spreads like a forest fire to everything we use or consume.

So let's fight the temptation to spend unnecessarily. Let's put every extra dollar into Victory Bonds and hold onto the Bonds we already have.

Think of tomorrow... and you'll agree the thing to do is not to cash Victory Bonds but to go and buy more!

AMERICAN WATCHES ARE STILL SCARCE BUT OUR STOCK IS GRADUALLY BUILDING UP TO FORMER SHAPE

There are over eleven hundred Swiss watch factories and owing to war prosperity the country has been flooded with many brands which could not formally get established in Canada.

The jeweller must use his best experience and judgement to choose makes which will not cause trouble and expense later by going out of order.

Most people buy watches in the jewellery store, for that reason and because the jeweller is able to make adjustments and feels responsible for the satisfaction the watches give.

Another advantage of our watches is that the prices have not advanced since 1941 when the price ceiling was established.

We handle practically all the well advertised and reliable makes, such as Elgin, Waltham, Hamilton, Bulova, Gruen, Longines, Omega, Tissot, Mercury, Sealand, and several other lower-priced makes which we have tried out and found good.

SHOT IN ARM WHILE HUNTING

Walter Brooks, 15-year old Port Essington boy, was brought to Prince Rupert General Hospital at 8:15 Sunday night suffering from a bullet wound in his left arm received during a hunting accident near the Falls River power plant.

Brooks, who was brought to the city by the Northern B. C. Power Co.'s boat, is being treated by Dr. J. A. Macdonald and is progressing favorably. He said that while he was hunting with a .22 rifle near Falls River Sunday, he slipped in the snow, which was about a foot deep. As he arose the gun discharged and the bullet entered his left arm, penetrating the muscle.

FIRST SKATING OF WINTER HERE

Continued frosty weather brought the first skating of the season to Prince Rupert over the week-end and the shining blades were hurried out of cupboards for use at an exceptionally early date for Prince Rupert. Youngsters enjoyed the sport on ponds around the city while some people who had cars at their disposal journeyed out to Oliver Lake. The sheet there, however, was not very secure. Soft weather since yesterday thawed the ice.

"A vibrant, free and living press is a great Anglo-Saxon heritage; we must defend that heritage against all that assails it." Senator Charles Bishop, Ottawa.

SHORT SPORT

The Chicago Black Hawks took over undisputed possession of leadership in the National Hockey League by defeating New York Rangers 5-4 in New York Thursday night and they broke their deadlock with Montreal Canadiens for first place in the league. A crowd of more than 15,000 fans jammed Madison Square Garden to see the game for it was the opening of the hockey season at New York. The Rangers started out fast with veterans Ab Demarco and Neil Colville netting a pair of goals in the first period. In the second period, the brilliant Chicago forward line of Max and Doug Bentley and Moxienko swept the Rangers off their feet with three quick goals while New York was getting just one. In the third period, the Bentley brothers and Moxienko clicked again for Chicago to account for the two deciding goals. Max Bentley led the scoring for the game with three goals while Moxienko had two goals to his credit and an assist. The Rangers proved to their hometown New York fans that they are far better than they have been during the last four years. But the Black Hawks' better condition proved the deciding factor at the end.

SEALED TENDERS addressed to the undersigned, and endorsed "Tender for wharf repairs, Port Simpson, B.C." will be received until 3:00 p.m., Wednesday, November 21, 1945, for wharf repairs at Port Simpson, Skeena District, B.C.

Plans, form of contract and specification can be seen and forms of tender obtained at the office of the Chief Engineer, Department of Public Works, Ottawa, at the office of the District Engineer, Post Office Building, New Westminster, B.C., and at the Post Offices at Vancouver, B.C., Victoria, B.C., Prince Rupert, B.C., and Port Simpson, B.C.

Tenders will not be considered unless made on printed forms supplied by the Department and in accordance with conditions set forth therein.

Each tender must be accompanied by a certified cheque on a chartered bank in Canada, payable to the order of the Honourable the Minister of Public Works, equal to 10 per cent of the amount of the tender, of Bearer Bonds of the Dominion of Canada, or of the Canadian National Railway Company and its constituent companies, unconditionally guaranteed as to principal and interest by the Dominion of Canada, or the aforementioned bonds and a certified cheque if required to make up an odd amount.

The Department will supply blueprints and specification of the work on deposit of a sum of \$10.00, in the form of a certified bank cheque payable to the order of the Minister of Public Works. The deposit will be released on the return of the blueprints and specification within a month from the date of reception of tenders. If not returned within that period the deposit will be forfeited.

By order,
J. M. SOMERVILLE, Secretary, Department of Public Works, Ottawa, November 5, 1945.

In the other National Hockey League game Thursday night, the luckless Toronto Maple Leafs lost 3-2 to the Red Wings at Detroit. The Red Wings scored twice in 24 seconds early in the final period to defeat the Stanley Cup holders. The game was marred throughout by penalties with at least one player being in the penalty box when every goal was scored. In the second period, four players—two from each side—drew penalties for engaging in a miniature free-for-all. They were Billy Taylor and Bill Ezinicki of Toronto and Hal Hackson and Adam Brown of Detroit. The Red Wings rallied early in the last period to break a one to one tie on successive goals by Adam Brown and Harry Watson. Then Syl Apps tallied a second goal for Toronto shortly before the game ended.

Local Hunters Back From Smithers; Made Trip Via Vancouver

George Howe, Neil McDonald and Charles Postuk returned from a hunting trip to the Smithers district on Monday on the Princess Adelaide via Vancouver. Caught east of the series of rockslides which cut off railway and highway transportation to the city, they continued to Prince George and Vancouver. They shot a moose which they were forced to leave at Smithers.

SHE IS ALWAYS READY FOR HER MEALS

Authorities say the difference between husky children and those who are poor eaters, underweight and nervous is often simply a matter of proper nourishment, especially an adequate supply of vitamins. But vitamins alone are not enough. For authorities now agree that vitamins do not work alone. They work as a team with certain other food elements. For this reason, thousands are switching to Ovaltine. Unlike mere "vitamin carriers," Ovaltine food beverage contains not only extra vitamins but nearly all the precious food elements needed for health and top vitality. These include Vitamins A, B1 and D, the important minerals calcium, phosphorus and iron, high quality proteins and quick energy fuel—food—a combination of food elements authorities agree are needed for best results.

So, if your child is thin, nervous and not developing properly, why not turn to Ovaltine as thousands are doing. Three normal meals plus two glasses of Ovaltine a day give your child all the extra amounts of vitamins and minerals needed for health and top vitality.
