CITY IS OUT FOR FEDERAL AID IN POSTWAR PUBLIC WORKS PROGRAM

Post-war public works and rehabilitation of war-damaged streets and facilities were up for discussion again at last night's city council meeting. The council went on record as favoring a federal policy of backing large-scale civic public works with long-term loans at low rates of interest—one percent being suggested.

Russ-Jap War Over

Shortest Conflict Between Major Powers Appears Ended
MOSCOW, Aug. 21 (AP)—All organized fighting in the Russian-Japanese war—one of the shortest between major powers—appears to have ceased in Manchuria today. A proclamation marking the formal end of the struggle is expected soon from Generalissimo Stalin.

NO SERIOUS LAY-OFF NOW

MONTREAL, August 21 (AP)—At least one big Canadian aviation company does not expect any serious lay-offs for the time being. The company is Noorduyn Aviation Limited of Montreal. President R. B. C. Noorduyn says that a big American contract was cancelled some months ago and that the staff was reduced proportionately then. However, the latest cancellations all have been minor sub-contracts so the company does not expect to reduce its staff for the time being.

HAD KNIFE CONCEALED

Principal Suspect in Windsor Slayings Identified
WINDSOR, Ont., Aug. 21 (AP)—The main suspect in the Windsor knife slayings has been identified by police. He is 51-year-old Richard Henry Rowe, an American. Rowe was remanded in Windsor City court yesterday for one week on a charge of concealing a long-bladed knife under his shirt.

Elements In China Clashing

Communists and Nationalists for Japanese Territory
TOKYO, August 21 (AP)—Chiang Kai-Shek sent an urgent message to Communist leader Generalissimo Chiang Kai-Shek asking him to consider his refusal to consider his refusal to confer with the Communists. The Communists and Chinese Nationalists already are reported to have clashed in North China while both sides are trying to occupy as much Japanese-held territory as they can. Chiang has asked the Communist leaders to confer with him in Chungking on the joint formation of national policies. Japanese envoys arrived at Chihkiang in Hunan province today to arrange with Chinese authorities details of surrender of Japanese forces in China. The envoys were headed by General Kyoshi, deputy chief of staff to General Yasuji Okamura, Japanese commander-in-chief.

BUILD SHIPS FOR BRAZIL

MONTREAL, August 21 (AP)—Work for nearly 4,000 Montrealers at the east end plant of Canada Vickers Limited will be provided for in the construction by the company of six express cargo liners for a large Brazilian shipping corporation. The six vessels will be built at a cost of \$14,000,000. Construction is to start within the next two weeks.

ORME STUART WINS D.S.C.

Lieut. Commander Orme Stuart of this city at present visiting here on leave from the Atlantic, has been awarded the Distinguished Service Cross, according to word received in the city. He has been on active service since the start of the war and was formerly officer commanding the local Royal Canadian Naval Volunteer Reserve unit.

CONCERNED OVER ROAD

City Engineer Tells Council Rail May Make It Impassable
"One more heavy rainfall and the road may be impassable altogether," City Engineer E. A. Phillips told the city council last night when the condition of the Prince Rupert Highway was under discussion. "It is very dangerous now for some distance." Mr. Phillips was referring particularly to the piece of road between Rainbow Lake summit and Tye. The road had already been washed away to a mere width of eight feet, the mayor said, the engineer adding that loose and sliding gravel and absence of guard rails made the situation the more unsafe. It was decided to press again for a settlement of the question as to who is to be responsible for maintenance of the road.

What City Council Did

Dissatisfied With Health Unit—Trying to Collect \$8,000 Fuel Bill—Wonders About Winter Recreation
Dissatisfaction was expressed at last night's council meeting by Mayor H. M. Daggett with the service the city was getting from the public health unit, a service for which it was paying \$4000 per year. Closer co-operation between the city engineer's department and the sanitary service of the health unit was included among the mayor's suggestions. Ald. McKay went so far as to suggest that the arrangement between the city and the health unit be terminated altogether. Ald. Norah Arnold, civic representative on the district board of health, admitted that she did not know what was going on.

No More Ship Cancellations

Anti-aircraft gunners in Tokyo as the Japanese make last stand before final surrender.

JAPAN SUGGESTS THERE MAY BE TROUBLE WHEN ALLIES OCCUPY

SAN FRANCISCO, Aug. 21 (CP)—Radio Tokyo is expressing fear about what will happen when Allied troops land on the Japanese home islands as an Allied occupation force. The Allied troops will be armed to the teeth and ready for anything. Japanese die-hard militarists, it is suggested, may put up resistance even after the occupation force has landed on the enemy home islands. It is not known yet whether Canadian troops will help out in occupation duties. Tokyo also suggested that the large part of Japan's best armies were still in Japan and were fresh for battle.

Canada at Tokyo Too

Dominion to be Represented When MacArthur Receives Surrender
OTTAWA, August 21—Canada, along with certain other Allied governments, has been asked to appoint military representatives to be present at the formal signing of the Japanese surrender. The governments of Canada, Australia, France, the Netherlands and New Zealand in addition to the Big Five have been asked to communicate the name of their representative to General MacArthur.

Kitwanga Farmer Is Starting Store

Percy Andrews, who has been cattle ranching at Kitwanga since 1920, has bought the Alex Venne property near the village of Kitwanga and is opening up a store there. Mr. Venne, who has been farming in Saskatchewan for 12 years, recently revisited Kitwanga, where he formerly resided, and was in the city at the end of the week bound for Sacramento where he will pay a visit with his son. Mr. Andrews was also in the city a few days ago on business in connection with the opening of his store. He reported that crops were in particularly good shape in the Skeena Valley, timely rains having been followed by two weeks of hot weather which was just right for haying.

City Seeks More Wheat Shipments

The city council is to move with a view to removing any discrimination against this port which may exist in the way of using the local elevator for shipment of wheat. It will be asked that Prince Rupert be put on a basis of equality with southern points as far as port status is concerned and that the elevator be used to its fullest possible extent. The possibility of developing part cargoes will be gone into. A resolution along these lines will be sent to the federal minister of trade and commerce and the support of the Prince Rupert Chamber of Commerce will be sought.

Swedish Mail Is Now Moving Freely

Private Leslie Andrews, son of Mr. and Mrs. Frank Andrews, after having been on service overseas with the Canadian Army, is at present visiting here on Pacific leave. His father is in the service of the American post engineers here.

Bulletins

CHARGED WITH TREASON
FARNBOROUGH, England—Pte. Jim Galsher of Windsor, Ont., member of the Essex Scottish Regiment, today faced court-martial on a charge of high treason by collaborating with the enemy. Galsher, who was in the Dieppe raid three years ago, is the first Canadian in two great wars to be charged with high treason. The penalty is death.

ROYAL RUMOR DENIED

LONDON—Announcement was issued from Buckingham Palace today officially denying a rumor reported in Libre Belgique, leading Belgian newspaper, that "the betrothal of Prince Regent Charles to an English princess will shortly be announced." There are only two unmarried British princesses—Elizabeth and Margaret Rose. Prince Charles, the Belgian regent, arrived in London August 6 on a personal visit and returned to Brussels August 15.

SITDOWN OVER LAY-OFFS

TORONTO—A sitdown strike of 1,000 employees began today at a government-owned small arms plant at nearby Long Branch. Union officials said that all employees had been given notice yesterday morning that they would be paid off in the afternoon.

NEW CEMETERY IS DISCUSSED

Question of participation by the city in the cost of a proposed new drainage scheme at Fairview Cemetery is being deferred until such time as the engineer can report on the extent of the entire area suitable for cemetery purposes and as to whether the proposed scheme would form part of a general scheme for the improvement of the entire area. The possibility of opening up a new cemetery area just beyond the city limits on the Prince Rupert Highway has been under discussion of late.

EIGHT BOATS TO BE BUILT

Cow Bay Yard Has Busy Program Lined Up
A 36-foot trawler, the first of a group of eight fishing boats, ranging in length from 32 to 48 feet, which are expected to be built before the end of the year by Crawley and Diederickson of Cow Bay will be launched this week. The firm's superintendent, A. P. Crawley, reveals that the present boat is being built for Henry Ryan, native of Metlakatla, and will be driven by a Chrysler Crown 110-h.p. engine. This is a more powerful engine than most boats of this size have and the company built 36-footers with 75 h.p. last year. The largest boat on order is a 48-foot halibut while another will be 40 feet in length and the remaining five will be 32 feet long. Mr. Crawley reported that he will need more men before he can expand the premises as he would like to. Chances of acquiring the needed men are not too good now because of the critical shortage of carpenters and, at that, boat building is a specialized branch of carpentry, he pointed out.

Goods Can Be Sent To Belgium Now

The Belgian Consulate in Prince Rupert has been advised that food, toilet articles, drugs and used clothing can be sent to Belgium by parcel post. The total weight cannot be over 11 pounds. Parcels cannot be insured. Total value of the contents cannot exceed \$25. For further information call at the office of the consulate.

Fish Sales

C. H. Insuaucer, manager of radio station CFPB, returned to Prince Rupert yesterday from the south on the Princess Adelaide, accompanied by Mrs. Insuaucer and daughter Elsa.

China Coasters Are To Be Finished on Coast

OTTAWA, Aug. 21—There will be no more cancellation of government contracts in British Columbia shipyards, it was announced here today. It was specifically mentioned that 15 China coasters now under construction would be completed. Two of these vessels are being built at Prince Rupert.

MacArthur To Tokyo

Will Be Accompanied by Great Array of Strength
MANILA, Aug. 21—General Douglas MacArthur, the Allied commander-in-chief in the South Pacific, announced his intention of going to Tokyo within ten days to dictate articles of surrender terms to the Japanese and receive signature of documents in connection therewith. He will take with him a great array of army, navy and air strength. The occupation of Japan will commence on Sunday and the Japanese government has issued instructions to the people as to how they shall conduct themselves. There will be no fraternization.

SURRENDER DEMANDED

Mountbatten Demands Japanese Commander in Burma Send Envoys
RANGOON, Aug. 21 (AP)—Allied Southeast Asia commander Lord Louis Mountbatten has sent a radio message to the Japanese commander in the area to send surrender envoys to Rangoon by Thursday. Japanese troops are continuing to fight all along the 300-mile Burma front. Mountbatten's message said that the Japanese envoys should be empowered to arrange for complete land, sea and air surrender in the theatre. The order was broadcast by the New Delhi radio.

Home After Long Service in Navy

Petty Officer Robert McKay, son of Ald. Robert McKay, is home on discharge leave after service with the Royal Canadian Navy for six years. He went active from the old Royal Canadian Naval Volunteer Reserve in September, 1939, and saw long service in the Atlantic convoy. He was a survivor of the sinking of the corvette Levis in 1940. Petty Officer McKay arrived home from St. John's, Newfoundland, last week.

Weather Forecast

Light to moderate winds increasing exposed areas and mild with occasional light rain or drizzle. Wednesday: light to moderate winds, cloudy and mild with occasional light rain in morning, becoming partly cloudy in afternoon.

Police Incident Is Reported On

Answering a question by Ald. T. B. Black, Ald. George Hills, chairman of the police committee, advised the city council last night that an officer of the police involved in a recent incident on Third Avenue with the patrol car had been discharged. Damage had been covered by insurance.

Miss Juanita Hawkins sailed on the Catala today for Vancouver to resume her studies.

Is It "V-J" Even Yet?

It seems quite evident that, while they have made a gesture of surrender in order to stay their destruction, the Japanese are not disposed to accept the necessary implications of their defeat. They have already said themselves it is not final defeat. For sheer international impertinence, the cheeky protests and warnings which Japs are lodging at this and that are becoming as intolerable as are their dallying tactics and failure to carry out to the letter the rightful conditions that their conquerors are imposing upon them.

If they are permitted to get away with their present temporizing and evasion so close upon the heels of their supposed defeat, we fear to visualize how a little later on, if they get the rope, they may be getting entirely out of hand again. It is a poor time for us to start anything in the way of appeasement such as made possible the aggression and other circumstances that led to the war of 1930-45. There might indeed have been some reason for appeasement then since we were not ready. Today, however, there is no justification for any appeasement or quarter for a guilty nation which

has cried for mercy as it faced total and utter destruction.

Possibly we could be pardoned if the thought occurred to us that another atomic bomb about now might save a lot of trouble later on. We can at least be pardoned for being disgusted at the sheer effrontery of our conquered enemy. Maybe, after all, it is not really "Victory over Japan" even yet. It does not sound like admission of defeat and unconditional surrender when such impudent protestations are even made, much less heeded.

Not Meeting Situation . . .

A few weeks ago in these columns we ventured the opinion that the community of Prince Rupert should be up and doing in the matter of considering the post-war rehabilitation question and making plans to effectively meet it. The war is now over, the servicemen and women too are flocking homewards and Prince Rupert cannot help but feel the effects of the cutbacks in special war employment which have already caused almost mass lay-offs of workers in some places.

In many places comprehensive surveys have been made in the way of ascertaining employment possibilities of existing industries and businesses and the prospects of opening up new sources of employment. There is reason to believe that Prince Rupert has been lagging in the matter through the lethargy of its own citizens in appreciating their responsibilities and their failure to realize the serious possibilities of post-war reactions in a community which has been enjoying unprecedented prosperity due to a temporary condition of affairs brought about by the emergent exigencies of war conditions.

What City Council Did . . .

(Continued from Page 1)

On recommendation of the finance committee, the city council authorized the sale of lot 1, block 3, section 8 for \$1100 cash to Mrs. Gertrude Heigerson, the highest bidder. The property was formerly owned by Ted Shrubbsall.

The city council gave further readings at last night's meeting to a new and streamlined procedure bylaw to govern its own proceedings. The general idea was to simplify council procedure as far as possible.

Mike Remanik has returned to his duties as a member of the garbage department staff after undergoing surgical treatment. The council was advised last night. A motion was put through exempting Mr. Remanik, as a permanent city employee, from unemployment insurance.

It was getting along towards 11 o'clock when the city council last night reached a long list of 64 resolutions which will be submitted to the forthcoming annual convention of the Union of British Columbia Municipalities at Qualicum Beach to be attended by Mayor H. M. Daggett and Ald. George Hills. In view of the lateness of the hour, it was decided to adjourn the council until next Monday evening for the consideration of the resolutions.

During the forthcoming absence of Mayor H. M. Daggett from the city, Ald. W. H. Brett will be acting mayor, the council decided last night on motion of Ald. McKay and Ald. Black.

City Clerk H. D. Thain is undertaking the job of overhauling city bylaws, a number of which have been found to be obsolete. The modernized draft, on completion, will be brought before the council for formal approval.

Final adoption was given at last night's meeting of the city council to a bylaw providing for the sale of a number of tax sale properties, details of which were published two weeks ago following the bylaw's introduction.

A bylaw will be submitted to the ratepayers for approval at the December civic election providing for exemption from taxation of waterfront leases occupied by old fishermen's floats

east of the dry dock and the new ones off Fairview. The sites concerned are on lease from the Canadian National Railways to the Dominion government. The district engineer of the federal department of public works, J. W. Morton, asked that the exemption be formally implemented.

Further representations by the city to the postal department in connection with the institution of a mail delivery service have been deferred for six months until, as it was put at last night's meeting, there is a "more stable basis." In the meantime, the city itself will go further into the matter of street signs and house numbering which will be required if there is to be such a mail delivery service.

Inquiry was made at last night's council meeting as to what was being done by the recently organized recreational council to provide for activities for children during the coming winter. Ald. Arnold, council representative on the council, stated there had been no meeting for some time. The last she had heard work was being done on the grounds. Mayor Daggett promised to take the matter up with the recreational council.

The matter of what progress, if any, was being made in regard to the establishment of the new Pioneers' Home here came up again at last night's council meeting. A question by Ald. Black failed to elicit any specific information. It was suggested that the provincial government be canvassed as to the possibility of assistance from that quarter.

City tax collections for the current year up to July 31 had totalled 88.63 percent, council was advised last night by the mayor after inquiry had been made by Ald. T. B. Black.

On January 15 of this year the council decided to set up a special fund from the proceeds of the sale of all tax sale properties. Since then the city auditor has raised the point as to whether the fund should take in the money collected on sale of property made previous to January 15. The council last night decided that the fund should include only proceeds since that date.

Northern B.C. Agricultural & Industrial Association was given permission by council last night to use a city-owned lot at the corner of Third Ave. and Seventh St. for the storage of lumber and other materials used in connection with the annual civic centre carnival. The lot will be fenced off and the Association will assume responsibility for any damage which may arise from the presence of the material there. The use of the lot for this purpose will also be subject to the approval of the fire marshal.

Report was made on V-J Day observance in Prince Rupert at last night's council meeting by Ald. W. H. Brett, who headed a committee to make arrangements for the celebration. The mayor expressed appreciation of the way in which the celebration had gone off. One incident, however, was considered unfortunate, that being where a local restaurant had put up a "No Indians Admitted" sign. This was particularly regretted since natives had been especially invited to the city and, in response to the invitation, one of the villages had sent its band.

Tenders have been called for the construction of a new local improvement sewer on Fourth Ave. E. in the vicinity of the hospital, the board of works informed the city council last night. Construction of a welcoming arch to ex-servicemen will be commenced as soon as crushed rock is available.

Music and Musicians

[Commencing today a weekly music column will be conducted in The Daily News, dedicated to the music-lovers and musicians of Prince Rupert.]

Bob Fleming, composer and pianist stationed here, reports that the Y.M.C.A. music appreciation group, which he has fostered, will be resumed shortly. Suggestions regarding the kind of records preferred are welcomed.

The Philadelphia Orchestra was heard Sunday afternoon at two o'clock by Prince Rupert radio listeners. Sol Caston, former trumpet virtuoso and now assistant director of the Reading (Penn.) Symphony, led the orchestra and William Kincaid, the famous flautist, was the soloist.

"Mrs. Winnifred Fahey, the finest operatic soprano in the whole of Western America, is to be the star at the opening concert of the Prince Rupert Musical Society on Tuesday, September 14, in the Westholme Theatre.

That a concert or series of concerts such as this will be appreciated by the citizens of Prince Rupert is already proven by the large number of patrons who are backing the Musical Society financially in its efforts in placing the very best artists in the musical world before Prince Rupert audiences." — From The Daily News in August, 1920.

Tommy Roe and Ab Darch are back in the saxophone section of Frank Dutton's dance orchestra.

tra, while George Dutton has returned to play string bass. The revamped combination played at the Y.M.C.A. dance Monday evening and turned in a good performance.

Home Miracle
All we wanted was the smartest, gayest, most cheerful living room in the world!
What we had was one of the dullest, most uninspired and drab rooms on Elmhurst Drive!
But the budget! . . .
"At least, we can do something about those draperies," I told Jim. And I ran up some gay, modern-looking material I'd picked up at a bargain. While I was about it, I did a job on new slip-covers, too.
In the meantime, Jim fixed up some smart, oversized frames for our prints, and did a re-painting job on the walls. Then a Venetian blind to cover both windows. "Hey! It begins to look like something around here!" he said, one day.
"There's just one thing wrong," I said. "... the floor. And I know how I can fix that. . . Without a lot of expense, either!" Next we looked at Gold Seal Congoleum Rugs—and bought a beautiful one in colors that go wonderfully with the rest of our room. And it will wear as well as it looks! For Gold Seal Congoleum has an exclusive wearing layer of heat-toughened paint and baked enamel—equal in thickness to 8 coats of best floor paint applied by hand. Best of all—it makes cleaning loads easier. Honestly, we believe a professional decorator couldn't have done better!

Title Won By Acropolis

M.P.'s Defeat Soo Suds 9 to 4 in Intermediate Softball Final

Sparked by the slugging of De Larso and McGregor, the Acropolis M.P.'s defeated the Soo Suds 9 to 4 last night to win the championship of the Prince Rupert Intermediate Softball League.

The M.P.'s thus became the first softball team in the city this summer to annex a championship. Finals in the senior and girls' leagues have not yet even started.

De Larso, Acropolis third-baseman, homered in the eighth inning after he had hit two singles previously, while McGregor did almost as well, collecting a triple and two singles.

In batting, however, Staty, of Soo Suds, was tops with four hits—three singles and a double—in as many trips to the plate.

The score by innings:
Soo Suds 020 000 002—4
Acropolis 214 000 11x—9

Batteries: Soo Suds—Lehman, Scherle and Schafer; Acropolis—Fryman and Gauvin.

BO-ME-HI GIRLS ENTER FINALS

Deafeted Women of Moose 10 to 0 in Girls' Softball League

With Betty Hamilton pitching a shut-out to gain her tenth victory of the season, Booth Memorial High School advanced to the finals of the Girls' Softball League by defeating the Women of the Moose 10 to 0 last night.

Bo-Me-Hi started off with three runs in the first inning, added three more in the third and just to make sure of the triumph countered two more in each of the fifth and sixth frames.

Sheila Cowie, catcher for the Booth club, scored four runs to

PORT EDWARD WINS OPENER

Shuts Out Barret 5 to 0 in First of Senior Softball Finals

Behind the shut-out four-hit pitching of Dave Coady, Port Edward defeated Barret 5 to 0 in the first game of the Senior Softball League semi-finals at Port Edward Sunday.

The game was pretty much of a pitchers' battle even though the winners collected a home run by Horne and doubles by Thompson and Jacobs off the slants of the Barret hurler, Hank Burman. Port Edward made only a total of six hits, off Burman and he struck out eight to Coady's four, but the losing pitcher's trouble was wildness for he walked five to Coady's two.

Only two players in the game, Bard of Barret, and Southworth of Port Edward, made more than one hit. They each secured two singles.

The score by innings:
Barret 000 000 000—0 4 1
Pt. Ed. 020 120 000—5 6 0

Batteries:
Barret—Burman and Bard; Port Edward—Coady and Thompson.

LOOKING OVER BALL LEAGUES

Detroit's slender southpaw, Hal Newhouse, became the first Major Leaguer to win 20 games yesterday as the Tigers swept a doubleheader from the Philadelphia Athletics. Newhouse shut out the Athletics on seven hits as the Tigers won the first game 4-0, and then went on to capture the second half 4-1. The runner-up Washington Senators refused to give ground as they blanked the Cleveland Indians twice 7-0 and 6-0. At New York, the Yankees blasted the Chicago White Sox 9-3 and the St. Louis Browns whitewashed the Boston Red Sox 2-0.

Over in the National League, the St. Louis Cardinals shut out the Boston Braves 2-0 while the Brooklyn Dodgers dropped deeper into third place by way of an 11-1 licking from the Pittsburgh Pirates. The New York Giants defeated the league-leading Chicago Cubs 9-3 to cut the Cubs' lead over St. Louis to six and one-half games and the lowly Philadelphia Phillies came from behind three times to take a 4-3 decision from the Cincinnati Reds. It was the Phils' fourth straight win, their longest victory streak of the year.

In the International loop, the Montreal Royals tripped up the first moving Toronto Maple Leafs 4-1 while the Syracuse Chiefs split with the Newark Bears. The Chiefs won the opener 4-0 but the Bears came back 8-4 in the nightcap. The Baltimore Orioles topped the Jersey City Little Giants 8-2, while the Buffalo Bisons spurred in the final frame to triumph 6-4 over the Rochester Red Wings.

Here are today's games:
American League—New York at Chicago, doubleheader; Philadelphia at Detroit, doubleheader; Washington at Cleveland; Boston at St. Louis, doubleheader.
National League—Chicago at New York; Pittsburgh at Brooklyn; St. Louis at Boston; Cincinnati at Philadelphia, night.
International League—Baltimore at Jersey City; Newark at Syracuse, doubleheader; Montreal at Buffalo; Rochester at Toronto, doubleheader.

GYRO CLUB IS TITLE WINNER

Gyro Club won the Junior Softball League championship Saturday night by scoring a close 8 to 7 victory over Wartime Housing. It took the ninth inning to settle the issue with Gyro scoring the winning run in that frame after the score had been standing at 7-all. A playoff series is now being arranged. A cup for junior softball championship has been put up by Dr. R. G. Large and will be presented at a Gyro Club luncheon when members of the winning team will be present.

B. Sunberg scored the winning run while D. Schepk received credit for pitching the victory.

Wartime Housing rallied for five runs in the third inning only to have the Gyros counter four in the fourth inning to forge ahead 6 to 5.

Trailing by 7 to 5 in the first of the seventh, the Housing squad scored twice to tie it up
