### Fireworks at Massett

Naval Officer Has Been Blowing Up Rockets—Brought North by Plane

Massett has been having some postwar fireworks the last day or so for Lieut. E. R. Woods R.C.N., demission officer of the Navy with headquarters at Esquimaut, has been there blowing up and otherwise disposing of quantities of rockets which had been kept on hand there during the war.

Lieut. Woods came north aboard a Royal Canadian Air Force Canso plane which has been spending a couple of days here while he has been carrying on his work. The plane, which arrived Monday afternoon and has been tied up at the Seal Cove air base, will leave tomorrow morning for Massett to pick up Lieut. Woods and take him back to Vancouver. In charge of the plane is Flying Officer W. D. Avent, other members of the plane crew being Flight Lieut. S. M. Butcher, Flying Officers C. C. Haslett, J. Howarth and T. G. Newton and Leading Aircraftman T. A. H. Harding.

### Story of Graham Island Mine Told

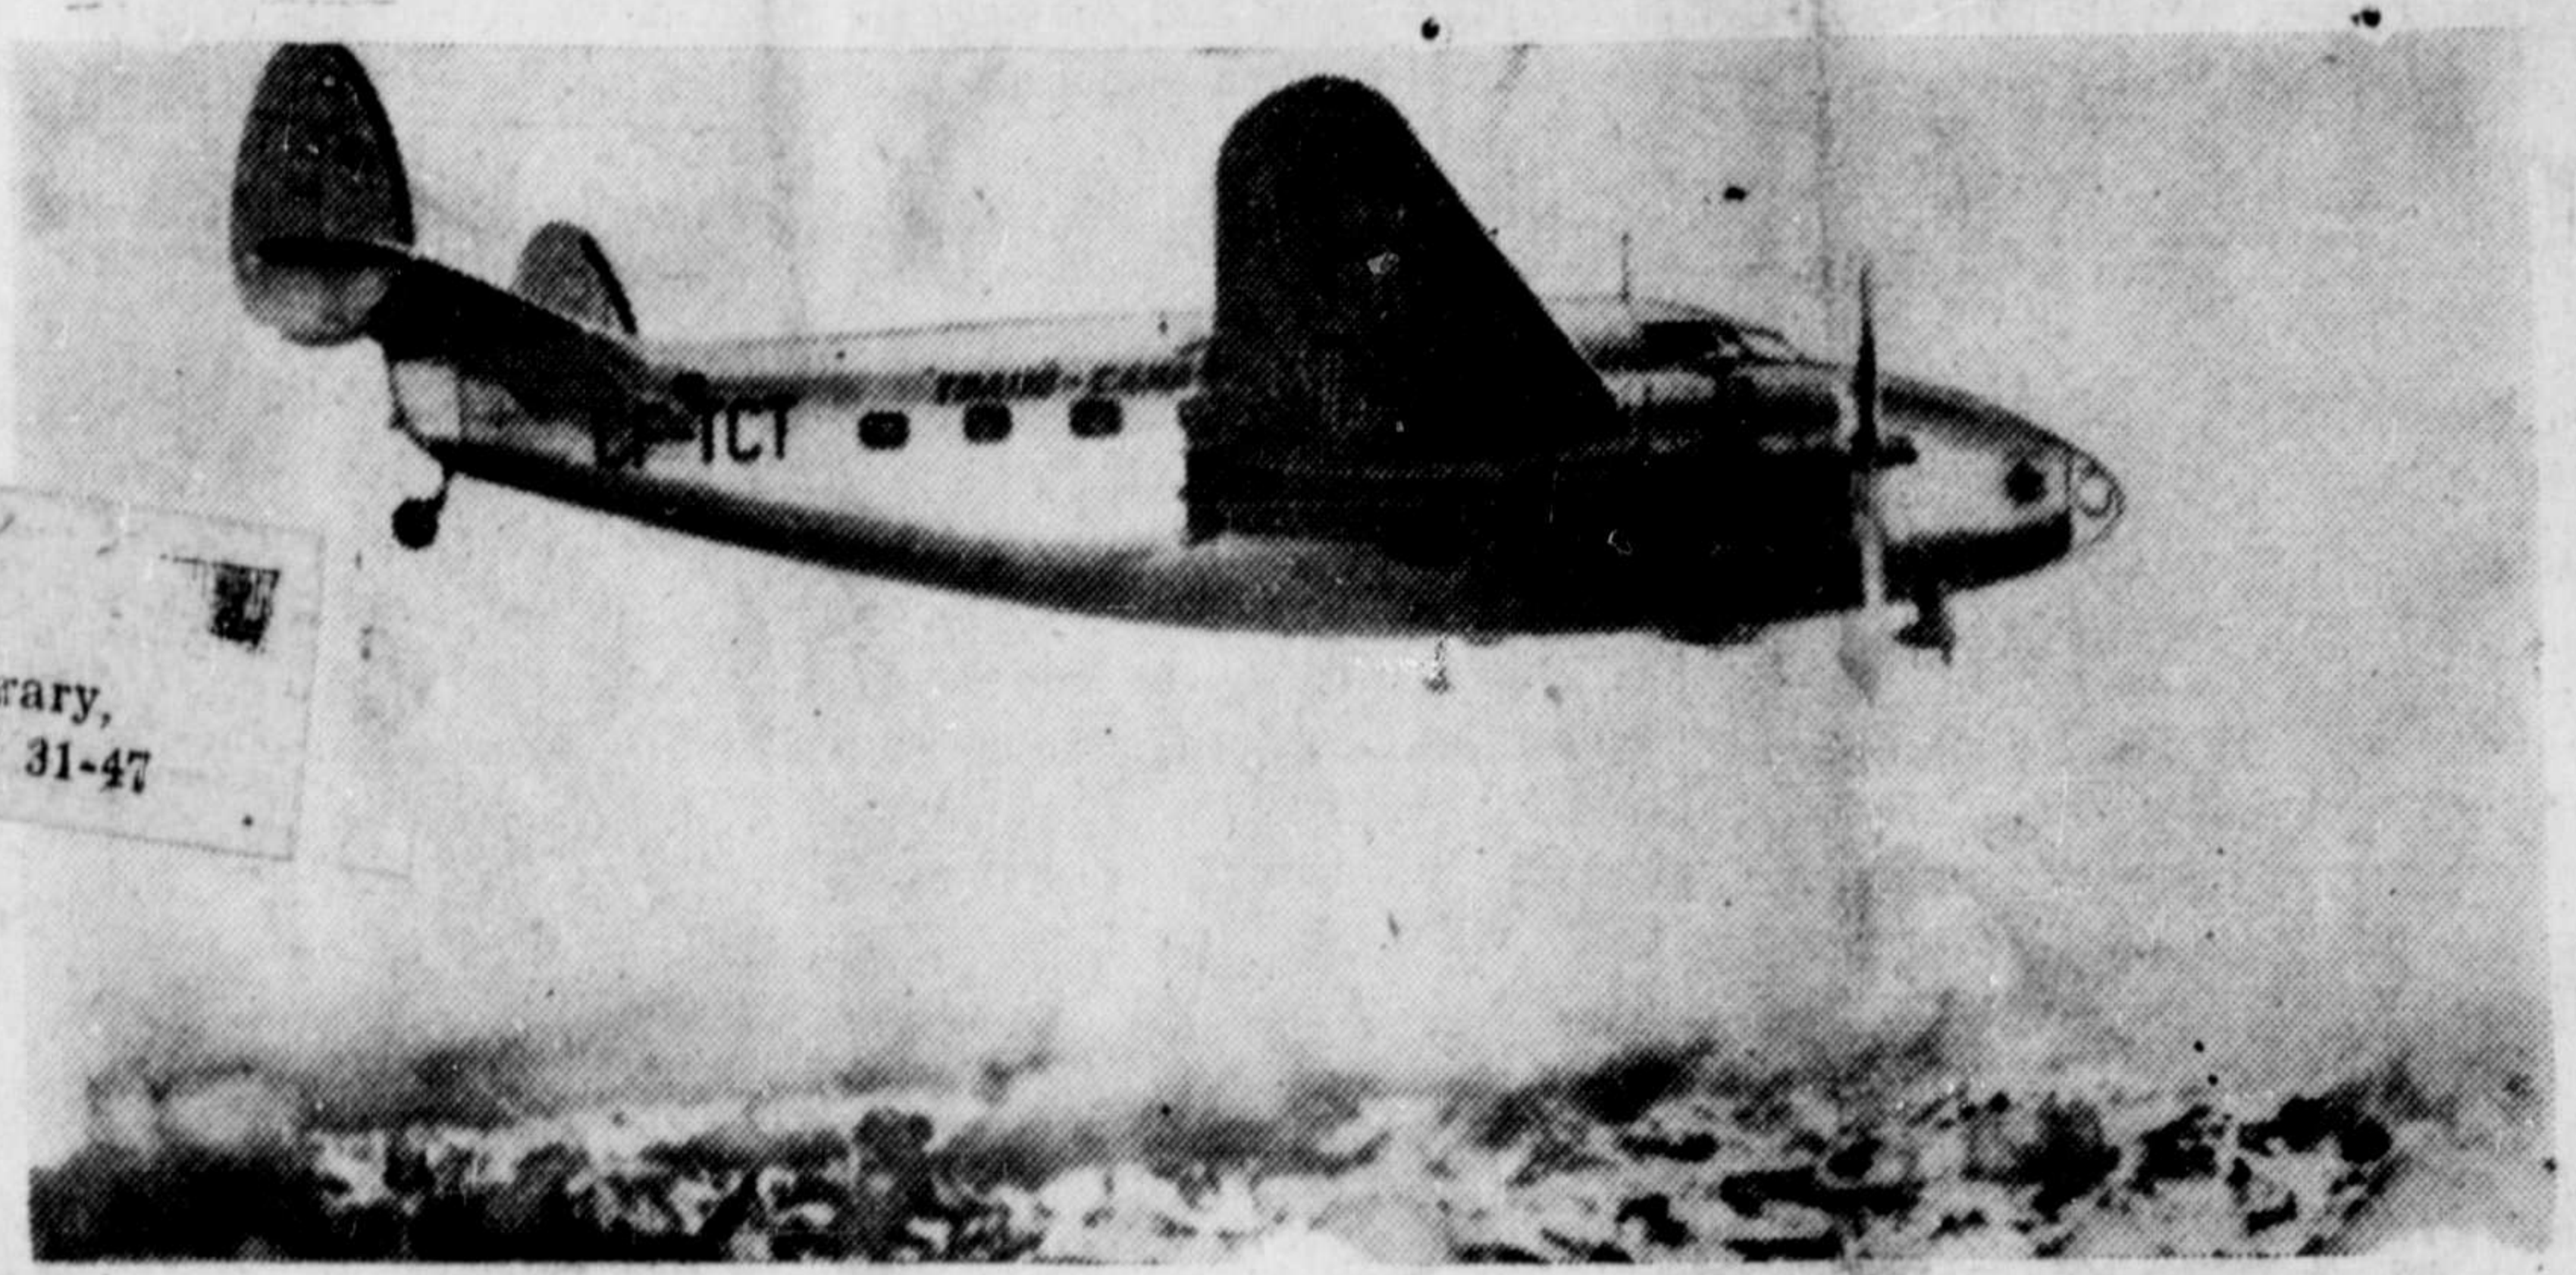

A Royal Canadian Navy press release summarizes the recent incident on Graham Island when a farmer mistook a live mine for a mooring buoy and moved it 20 miles across country to his ranch. When this was reported to the authorities the naval mines disposal officer, says the story, took a close and definite interest in the 'buoy.' It was moved well clear of the farm buildings and became a target for rifle fire. There was a very loud noise, a sudden crater in the ground and that was the end of the mooring buoy.

### Oyster Yields Coin

NANAIMO, B.C. —An English shilling minted 88 years ago has popped up in a most unusual place—in the inside shell of an oyster taken by W. G. Hunter in the Nanaimo River mouth.

15 MISSING ABOARD LOST T.C.A. PLANE IN B.C. — A TransCanada Airlines plane with 15 persons aboard, similar to this one, has been sought over land and sea in British Columbia. Eleven persons joined in the search for the airliner which, authorities fear, crashed in the vicinity of Nanaimo on Vancouver Island.

### New Legislation Brought Pulp Mill to Prince Rupert

SMITHERS—At the quarterly dinner meeting of the Smithers District Chamber of Commerce at Heggie's Cafe in Smithers last Thursday, with fifty-three members and guests present, and the guest speaker of the evening was Hon. E. T. Kenney, Minister of Lands and Forests. Mr. Kenney gave a very interesting talk on the situation in Central British Columbia. He explained to the meeting the new set-up for pre-emptions showing that the present policy of the government is to place the pre-emptor on more accessible land that had been soil surveyed rather than to let him go into the bush and pick his own property.

### LOWER PRICE FIGHT WINNIPEG—Western Canadian housewives today pointed to tangible results of their campaign to force reduction of food prices. A Regina newspaper advertisement inserted by a meat market and headed "Housewives Strike Brings Results" listed steaks and chops at prices eleven cents below the ceiling levels. Elsewhere in the west housewives predicted their buyers strike would show more widespread results within a week.

### MOTOR LAUNCH TRAGEDY SAN JOSE, Costa Rica—Forty-two persons are missing after a motor launch sank in the Gulf of Nicoya near Punta Arenas. About 110 other passengers were saved.

### Mother's Day At Baptist Church

A special Mother's Day program was observed in the First Baptist Church on Sunday, the services being conducted by the Women's Missionary Society of that church. Mrs. M. Waters, president of the Society in charge.

### Mrs. Hilda Berg read the scripture lesson on a virtuous woman taken from Proverbs 31.

Two poems entitled "Lesson" and "Mother's Best Gift to Her Children" were read by Mrs. T. Lloyd.

### The Junior Choir paid tribute by singing, "Best Bouquet For Mother's Day."

Also taking part in the musical program, as a vocal trio, were Mrs. Fred Antrobus, Mrs. A. E. Martin and Miss Sylvia Cartelton, singing, "Saviour, More Than Life To Me," and "The Lord Is Nigh."

### A very appropriate and interesting address was given by Miss M. Fraser, well known for her long years of missionary work in the interior of the province.

At the close of the service, a presentation of flowers was received by Mrs. J. Armstrong, on behalf of the mothers of the congregation. Mrs. Armstrong being chosen because of her long years of service to the church and the community.

### HOUSE PASSES SUPPLY BILL

OTTAWA, C.—C. E. Johnson (Social Credit, Bow River) reiterated his charges in the House of Commons today that tax cuts in the budget had been insufficient and that no relief whatever had been accorded those outside the income tax brackets.

At the opening the Minister of Trade, Mr. McKinnon, announced that western wheat producers would be allowed to make deliveries between May 15 and June 13 and cash settlements could be made at their option in 1947, 1948 or 1949. This was similar to the special income tax arrangement made last year.

The members passed \$101,000,000 interim supply bill, making the money available and needed for governmental administration pending passage of the estimates.

### WHERE 49 DIED—Forty-nine men lost their lives in the worst sea disaster for many years. Forty-one belonged to the crew of the 7,219-ton Santampa, the remaining eight being the crew of the Mumbles lifeboat Edward, Prince of Wales, who died battling their way to the cargo ship which had been driven on the Sker Rock, near Porthcawl, during the severe storm which raged across Britain. This aerial picture shows the oil tanker Santampa broken into three parts on a reef of jagged rocks at Sker Point, near Porthcawl.

### MINE STRIKE SHORT-LIVED

BRALORNE C.—A strike of about 300 miners at Bralorne mine in the Bridge River district was called off late Tuesday, a few hours after the men had quit work over dismissal of a union officer. Cyril C. Manning, mine superintendent, said the night shift had reported for work, adding that the men acted too previously in calling a strike without observing proper regulations.

## Union Leaders Warn of "Consequences" if More Food Not Obtained Soon

### "ADEQUATE" BRITISH TROOPS ON HAND

LONDON (CP)—The German food situation, with threats of strikes and demonstrations in both the British and American zones, reached a critical stage today, with union leaders in various cities of the Reich, warning that they would not be responsible if the workers do not get more food soon.

A Foreign Office spokesman said British troops in "adequate" numbers will be on hand in German cities to preserve law and order in the event of a breakdown of local German administration. Many German leaders charge Communists with responsibility for attempts to stir up unrest.

Ernest Bevin discussed the crisis for two hours today with his top-most advisers, and a spokesman, later, described the outlook as "gloomy and difficult." Urgent pleas have been made to the United States for speedy grain and flour shipments.

A report from Hamburg said workers in Lunenburg, in the British zone, today staged a general one-hour sitdown strike in protest at the food situation, while the British authorities in Germany re-imposed a blackout on official news of the Ruhr's worst and longest food crisis.

### Truman Alaska Trip Definite

WASHINGTON D. C.—President Truman will definitely make his trip to Alaska this summer if Congress adjourns by the end of July. He plans to fly to Seattle and will travel to Alaska via the Inside Passage. The trip will take about six months.

## T. C. A. Chief Is Resigning

Tribute Paid to H. J. Symington at Ottawa

OTTAWA—H. J. Symington, C.M.G., K.C., announced to the House of Commons committee on railways airlines and shipping yesterday his approaching resignation as president of TransCanada Airlines, a position he has held since 1941.

Hon. C. D. Howe, minister of reconstruction and supply, paid tribute on behalf of the government to the part Mr. Symington had played in building the air line. "He had been a director since the inception of the line and, as president, had carried it forward through the most difficult part of its existence and expansion. "Mr. Symington's work on Trans-Canada Airlines," said Mr. Howe, "has been done entirely at his own expense. He has not drawn a nickel of salary from the government or from the air line. He is recognized among operators throughout the world as the top man in the industry and I think it is largely because of Mr. Symington that the operators' association known as the International Civil Air Organization located its headquarters in Montreal. He was its first president."

"I think the committee would like to join with the government in tendering our sincere thanks to him for this service on behalf of Trans-Canada. It is fortunate that he is not leaving immediately. I hope, but he and I have agreed that the burden is one which perhaps should be placed on other shoulders. As you know he has a good many irons in the fire outside of Trans-Canada. I want to say that I can only hope that after he has gone we will find someone to accept the position of president who will be able to give the fine type of high service that Mr. Symington has given in the years during which he has served as president of the line."

Mr. Symington's declaration came as a surprise to the committee which had just adopted the report of operations of the air line for 1946.

"This is the last time in which I will appear before you in this position," said Mr. Symington. "One thing the T.C.A. needs is a new president. I would like to thank you for your continued courtesies and to say to you, and through you I hope to Parliament, that the T.C.A. is I think a real accomplishment. "It has done good service to its country. It has built up through very trying times an air line which is recognized throughout the world as one of the best. It has contributed its part towards making Canada and Montreal the air headquarters of the world. It has done its part in helping to establish the airplane industry in Canada. It is a very difficult operation and a difficult company to operate in it will have some years that are not so good and will have years that are good. It is a body of young people who are intensely interested in their job, a rather unique organization. Don't destroy it, but nurture it because I think it deserves it."

Members of the committee representing various groups of the House of Commons joined in praising Mr. Symington's work.

### MUCH MISSED

H. R. Jackman, Progressive-Conservative, said T.C.A. would miss the leadership given by Mr. Symington who was leaving his office only because he found it no longer possible to serve.

A. M. Nicholson, C.C.F., said the T.C.A. would always be regarded as "Mr. Symington's baby" and "I am sure that in the years to come we will all realize how fortunate we have been that the T.C.A. developed under his direction."

J. F. Pouliot, Independent Liberal, said we have the greatest pride in the splendid development which has been achieved. It is certainly a pleasure to me to see members of all political parties here today join in such a friendly spirit to pay a well-deserved tribute to Mr. Howe, Mr. Symington and the personnel of T.C.A. and to the staff of the air transport branch of the department."

S. M. Clark, Liberal, chairman of the committee, said "I am sure every member of the committee regrets, Mr. Symington, that you are going to retire as president of the Trans-Canada Airlines and I think they have expressed their feelings to you today wholeheartedly. They appreciate perhaps more than words can express your work with T.C.A. On their behalf I tender to you their deep appreciation and the hope that in any new field you may take over you will have the same success as you have had with T.C.A."

### New Local Payroll

COMMENCEMENT of scheduled air service between Vancouver and Prince Rupert within the next few weeks will not only bring this city and district the speedy, modern transportation that has long been needed here but will also mean the setting up of quite an important little industry in the way of terminal air services. It is announced that there will be nine personnel permanently stationed here including air crew, ground surfacing men and agents. Feeder lines which are to be started out of here coincidental with the commencement of the main line services of Canadian Pacific Airlines will further add to the same type of population.

So institution of air service and the getting at long last of Prince Rupert on the air transportation map will be beneficial in more ways than one.

### "BILL" THORNE HAS RETIRED

Well Known C.N.R. Baggage-  
man Honored at Winnipeg

William H. Thorne, for many years running on Canadian National Railways out of Prince Rupert and for some time more recently from Winnipeg, retired April 23 after twenty-nine years' service with the railway.

As Mr. Thorne stepped from the train at the Union Depot at Winnipeg he was greeted by officials of the company and a host of friends and relatives to congratulate him on his long and faithful service and to wish him good health, luck and long years of leisure.

Later a very enjoyable evening was spent at the home of Mr. Thorne's two daughters, Mrs. Dan Cory and Mrs. Don Thompson, 111 Lewis Street.

Mr. Thorne was born at Scarborough, Ont., in 1882, coming west in 1905 and going to Revelstoke, where he hired as a cook in a logging camp on the Arrow Lakes. He worked there until 1910 when he went to Fort George and opened a dining room in the first hotel of that town called the Northern Hotel. In 1916 he hired as a cook with the Giscome Lumber Co. and stayed there until 1918 when he got the urge to go railroading and hired as a trainman at

Prince George with the then Grand Trunk Pacific Railway now part of the Canadian National system, working out of Prince George, Smithers and Prince Rupert until 1932 when he moved east to Edmonton and finally to Winnipeg where he finished his service as train baggageman.

Mr. Thorne intends to settle in Vancouver where he has a married daughter.

On the evening of April 21 before his retirement, Mr. Thorne was entertained at the home of Mr. and Mrs. I. L. Carlson, a conductor with whom Mr. Thorne had worked for the past five years, also the train crew members and wives, who were Mr. and Mrs. R. Fogg, Mr. D. Roberts and daughter Nellie, also

conductor and crew members and wives with whom Mr. Thorne made his last trip, crew members being Mr. and Mrs. W. J. Elliott, Mr. and Mrs. W. F. Taylor, also Mr. Thorne's daughters, Mrs. Dan Cory and Mrs. Don Thompson.

After a few pleasing remarks and a few very interesting experiences related by Mr. Carlson, a presentation of a set of briar pipes was made to Mr. Thorne by Mr. Carlson on behalf of the crew members present, after which a delightful lunch was served by Mrs. Carlson, assisted by Mrs. Elliott.

### 25 YEARS AGO

May 14, 1922

While doing assessment work on the Exchange Group, Albert Peterson, a miner, made a strike

of solid ore that led mining men to believe that the mine might be the richest in the Stewart district. The property is just north of the Premier mine.

The city engineer found that the Hays Creek bridge on Sixth Avenue was in bad condition

and closed it to vehicular traffic. The council was posed with the problem of deciding whether or not the bridge was worth repairing or if a new bridge was needed.

H. F. Pullen, Daily News editor, writing from San Francisco,

declared it was possible and feasible to operate a radio telephone station at Prince Rupert for service of fishing boats and mining camps.

## THE FARM WORKER

## THE NICKEL WORKER

depend on each other

IN THE CITY OF SUDBURY and in the surrounding mining district in the Sudbury area, about 60,000 people are living today. This is a mining region where little farming is carried on. In the course of a year these people purchase food to the value of about 9 million dollars, most of which comes from farms in other parts of Canada.

The farmer, on the other hand, must have machinery that is tough, strong and durable. So into the tractors, combines, mowers and other farm machines go increasing quantities

of nickel which help to keep wear and breakage down to the very minimum.

The Nickel worker could not subsist without the Canadian farmer. The farmer sows and harvests his crop more economically because of that amazing metal produced by the Nickel worker. No matter how we earn a living we are all one family, each depending on the others.

## REPORTS ON CONVENTION

At the regular monthly meeting of Hill 60 Chapter, Imperial Order, Daughters of the Empire, held recently at the home of Mrs. Wm. McLeod, Taylor Street, with Mrs. R. S. Donaldson, regent of the chapter, in the chair, report of provincial annual convention held at Vancouver, was read by Mrs. H. A. Breen, secretary.

Mrs. Donaldson, who acted as delegate for the chapter, read an inspiring account of the activities at the various meetings which she attended.

Plans were discussed as to raising funds for the purpose of sending food parcels to Great Britain. The magazine, "Young Explorer" was subscribed to and will be donated to King Edward School. The members drew up a program of events to cover the ensuing months of the year. The monthly raffle was won by Mrs. H. B. Wallace.

Next meeting will be at the home of Mrs. Neil McLean, 346 Fourth Avenue East.

Mr. and Mrs. Bill Mummy arrived in Burns Lake on Tuesday from Prince George, where they have been since their marriage last fall. Mr. Mummy will be in charge of the Public Works office in Burns Lake.

Virginia Keefe and Jack O'Meara returned on Saturday from Vanderhoof where Virginia had been staying for a week. Mrs. O'Meara entertained at a tea in Virginia's honor and 60 ladies were present.

The Weldons have moved to Virden Lookout where he is to be lookout man.

A new checkerboard sign has been put in at Peterson's Corner which the public works has recently installed to show drivers where to turn.

Archie Weatherspoon has gone to Vancouver for a check-up at the hospital there.

On Friday afternoon at the hall R. E. Lord officiated at the showing of films to the school children from Tchesinkut Lake and Francois Lake schools. The Women's Institute had obtained these films from Victoria and they were both interesting and instructive.

When Bill Titcomb was driving the station wagon home to the ranch late on Friday night he saw what he thought was a colie dog trotting in the road ahead. He slowed up, but then realized that it was a coyote. He then threw on the spotlight and stepped on the gas and now the coyote's body is lying in the bushes somewhere near the road and the geese, ducks and chickens at the ranch will be safer than they were.

Joseph Sugden, Robert Jeffrey and Joe Roberts have left to work on the bridge gang again this summer.

## Francois Lake News

Lee Cooper reports a good crop of lambs on his ranch again this spring with 300 lambs from 270 ewes. There was practically no loss, either of lambs or ewes. Gerald has recently taken the flock out on the range for the summer.

Geo. Culp, who has been in hospital for sometime, is now staying with the Evans Noble family here at the landing. Although almost 90 years old, he enjoys meeting his many friends for a chat.

### Made Quick Trip From Los Angeles

Los Angeles to Francois Lake in Day and a Half

FRANCOIS LAKE—Floyd R. Ball of Pasadena, Calif., arrived here on Thursday afternoon on his way to the Uncha Lake Valley Lodge, after only a day and a half travelling. He left Los Angeles by plane for Prince George and he came by train from there to Burns Lake station and was met there and brought here by car by Butch Merriek.

Another quick trip was made by visitors staying at the Tchesinkut Lake Auto Camp. They left Williams Lake by car in the morning at 8 o'clock and although they stayed over for a while in Prince George, Vanderhoof and Burns Lake, they arrived at the camp at 9 in the evening.

### ROSSI AND PAPER CHANGES HANDS

A change of ownership of the Rossiand Miner is announced. The third interest of C. F. McKenzie has been bought by Lance Whittaker who used to live in Northern B.C. and will be remembered in the weekly field in this part of the province. He had worked on the Stewart News and Anyox and Alice Arm Herald.

## WANT LEGION PARLEY HELD IN THIS CITY

Canadian Legion members and city business men were hoping today to hear that Prince Rupert would be chosen as the scene of the 1948 Canadian Legion provincial command convention. The current convention at Vernon, was due to select the 1948 venue this afternoon. The local branch has made several requests in recent months to have the 1948 conference held here, and members felt that it would be probable that their wish would be fulfilled. Delegates from Prince Rupert are Vic Houston, branch president, and William Murray.

65 CABS LEAD MIXED BOWLS

In the mixed five-pin bowling schedule, 65 Cabs administered a 3-0 defeat on Rebels to emerge the only team with an undamaged record for the session. Brownwoods, Fighters and Bluejays won two games from Whiz Bangs, Hangovers and Sharps and Flats respectively. Individual scoring saw R. Anderson of Rebels bowl the highest single game with 297, while Robert Woods of Brownwoods bowled the high triple with 735. Ladies' high single was rolled by C. Barrie of Hangovers with 248 while the triple was won by R. Semenov of 65 Cabs with 707. 65 Cabs captured the highest team scores, with 1,228 for a single game, and 3,558 for the three-game aggregate.

Individual scoring was as follows:

Table with 2 columns: Player Name, Score. Includes HANGOVERS, SHARPS AND FLATS, BLUE JAYS, and REBELS.

SHORT SPORT

A five-foot, 100-pound Edmonton girl, nicknamed "Mighty Mouse" is one of the leading contenders for a berth on the Canadian Olympic team. Nineteen year old Edith Skitch already holds more than a dozen titles in track and field events, including one Dominion, one British Columbia and 11 provincial and inter-scholastic. Part of her athletic prowess is inherited from her father and mother. Her father is an experienced wrestler and a former member of the Eskimo rugby team. "Mom" grew up in England and starred in high jumping and running. Edith started her athletic career at 13 when her father promised her a pair of "spiked shoes" if she beat a neighbor in a race. She won and since then has been busy following up her first victory. She also takes an active interest in basketball and has the job of organizing and co-ordinating all sports at University High School, where she is a Grade 12 student. Making her own clothes is a matter of necessity because she can't get any small enough to fit her and she doesn't relish the idea of wearing clothes patterned for 12-year olds.

At the moment, Edith is looking forward to the Dominion senior and junior girls track and field championship meet to be held here in July, and the elimination trials for Canadian team personnel in September. "If we are lucky and get on the track and field team, we'll be training all next fall and winter. If not, guess I'll have to go to Varsity and take physical training."

BASEBALL FEUD TO BE SETTLED THURSDAY NIGHT

The weatherman may have dampened the grounds, but he did nothing to cool off the feud between veterans and rookies who planned to settle the argument of youth versus experience on the Roosevelt Park baseball diamond last Sunday.

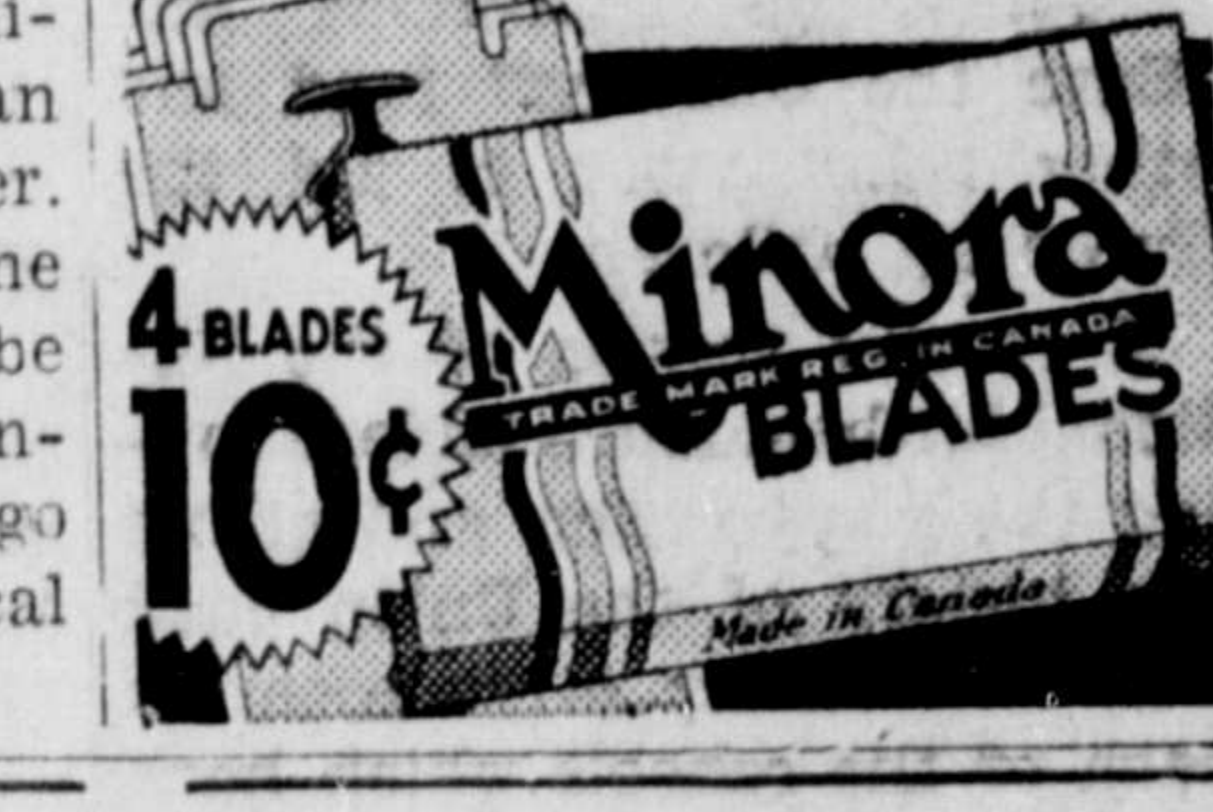

The verbal battle has been raging with increased intensity all week, and has culminated in the prospect of a game to end all such games for the season tomorrow evening. That, too, is subject to the weather.

At the same time, arrangements are being made by the baseball association executive for the opening game of the league next Sunday afternoon, with Watts and Nickerson meeting Savoy.

League officials feel that since there is considerable interest in the veterans versus rookies game, there should be a record crowd in the bleachers Thursday night, and are planning to take up a collection for the newly-created Injured Players Fund.

### I.O.D.E. SHOULD BE EXTENDED

Mrs. Blackaby Enthusiastic in Reporting On Convention

Members of Queen Mary Chapter, Imperial Order, Daughters of the Empire, heard a very complete and inspiring report of the provincial convention as well as gaining many new ideas from their delegate, Mrs. G. R. S. Blackaby, at their regular monthly meeting held last night at the home of Mrs. H. M. Foote on Borden Street.

Filled with a new enthusiasm for the work of the Daughters of the Empire, Mrs. Blackaby envisioned a chapter in every village in this north country, quoting that, "No town is properly organized that has no time for the work of our country."

She stressed the importance of the educational work in the schools and emphasized the necessity of supporting the "Save the Children" fund and other relief work to aid the European children.

A correct version of the National Anthem and a folder showing the composition and giving the history of the Union Jack was ordered for every room in each of the schools which have been "adopted" by the chapter.

A new member, Miss Lillian Barton, was welcomed into the chapter. Regent Mrs. J. A. Teng reminded members of the church parade on May 25 when all members of the Order are expected to attend services at First Baptist Church.

There was some discussion regarding the I.O.D.E. Jessie Burke Cancer Fund which is to commence on June 15. It was pointed out that the present Conquer Cancer Fund campaign is largely to finance research work but also includes the cost of treatment of patients who are unable to pay. The Jessie Burke

Fund is complimentary to, rather than conflicting with, the first fund in that it provides transportation and nursing home care for women in the province who have no way or means to reach the clinic and must board out while receiving treatment. Both funds have already proved their usefulness in Prince Rupert.

Mrs. Teng assisted by Mrs. S. A. Kielback will be in charge of the Jessie Burke campaign for funds.

### STUDENTS WIN BALL OPENER 35-5 AT GYRO

High School girls got a considerable amount of batting practice but not much competition in their exhibition fast-ball opener with Khtadas at Gyro Park last night in which they swamped the Khtadas by a score of 35-5 before a dwindling crowd.

Khtadas, who have never played as a team before, showed much enthusiasm but little teamwork or hitting ability. Their major lack was a competent pitcher, a condition which they may rectify as the season progresses.

On the other hand, High School fielded a powerful battery, with Beth Sedgewick on the mound and Anne Skara behind the plate. Marion Greenwood, at short stop, did some sharp stopping.

Most promising material among the Khtadas were Betty Payne at first base and Audrey Gribble who doubled as left fielder at catcher.

The line-ups:  
High School—Greenwood, Sedgewick, Skara, Budinich, Penoff, Farrington, Flaten, Mostad, Husey, Sedgewick.  
Khtadas—Barber, Wainwright, Payne, Watrin, Simondson, Helpe, Grimble, Turcotte, Webster.
