Settlement of Reparations Seems Far Removed

Mass Killer Indemned

Rudolph Hoess, ex-colonel, must pay life for more than four lives snuffed out at (Auschwitz) extermination camp in two-and-a-half years. He was sentenced to death by a nine-judge tribunal. No date was set for execution. He was accused of supervising the gassing and cremation of three million Jews and other prisoners at the camp in western Poland.

REUNION CANADA

Members of the National Union of Public Employees of Canada are to go to Ottawa to discuss federal union matters. Another delegation of similar discussions is expected in this month. A British Dominion, which has been governing in commission since the legislature of the island's first National Convention last year to recommend forms of government to be decided by a national assembly.

SE HAS BURNED

Members of the House of Commons continued in the second reading of the bill yesterday with 100 members present. The House adjourned for recess until April 14. The bill provides for the continuance of emergency controls brought in during the war, the continuation of which is still considered necessary. There was considerable difference of opinion on the necessity of continuation of controls. Progressive Conservative members John T. Hackett of St. John's, and David Fulton of Montreal thought they were being lifted quickly enough. Arsenault, Independent of Bonaventure, Quebec, was being removed too.

ALBERT EYOLFSON TO REPRESENT LOCAL SEA CADETS AT VANCOUVER

Selected By Local Board to Compete For Place With Cadet Group Going to England

Probably the happiest boy in Prince Rupert today is Leading Cadet Albert Eyolfson of "Captain Cook" Corps of Sea Cadets who may be one of two British Columbia Sea Cadets to spend two months in England this summer. Albert, 18-year-old son of Mr. and Mrs. R. E. Eyolfson, 1467 Sixth Avenue East, was chosen last night by a board of judges to represent the local corps before a Vancouver examining board which will select two British Columbia cadets for the Canadian delegation of 24 which will spend July and August in England.

The local board, which consisted of Harbormaster Capt. J. R. Elfert, Lieut.-Com. Orme Stuart, officer commanding H.M.C.S. Chatham reserve division; and Lieut. Eric Jones, R.C.N., Chatham executive officer, announced their choice of Leading Cadet Eyolfson at the conclusion of the weekly parade of the Sea Cadet Corps last night.

"He was certainly an excited lad," said Lieut.-Com. Alex Mitchell, Sea Cadet commanding officer, who had previously submitted the names of Albert and four other cadets as candidates for the honor.

Albert, whose nickname is "Abbie," will sail Saturday night on the Camosun for Vancouver where he will appear before the provincial examining board. So that Albert will appear with the utmost smartness, the local Sea Cadet corps is presenting him with a complete Sea Cadet uniform. This is also a reward for winning the competition.

Cost of Albert's trip to Vancouver is being borne by the local branch of the Navy League of Canada, sponsors of the Sea Cadet organization.

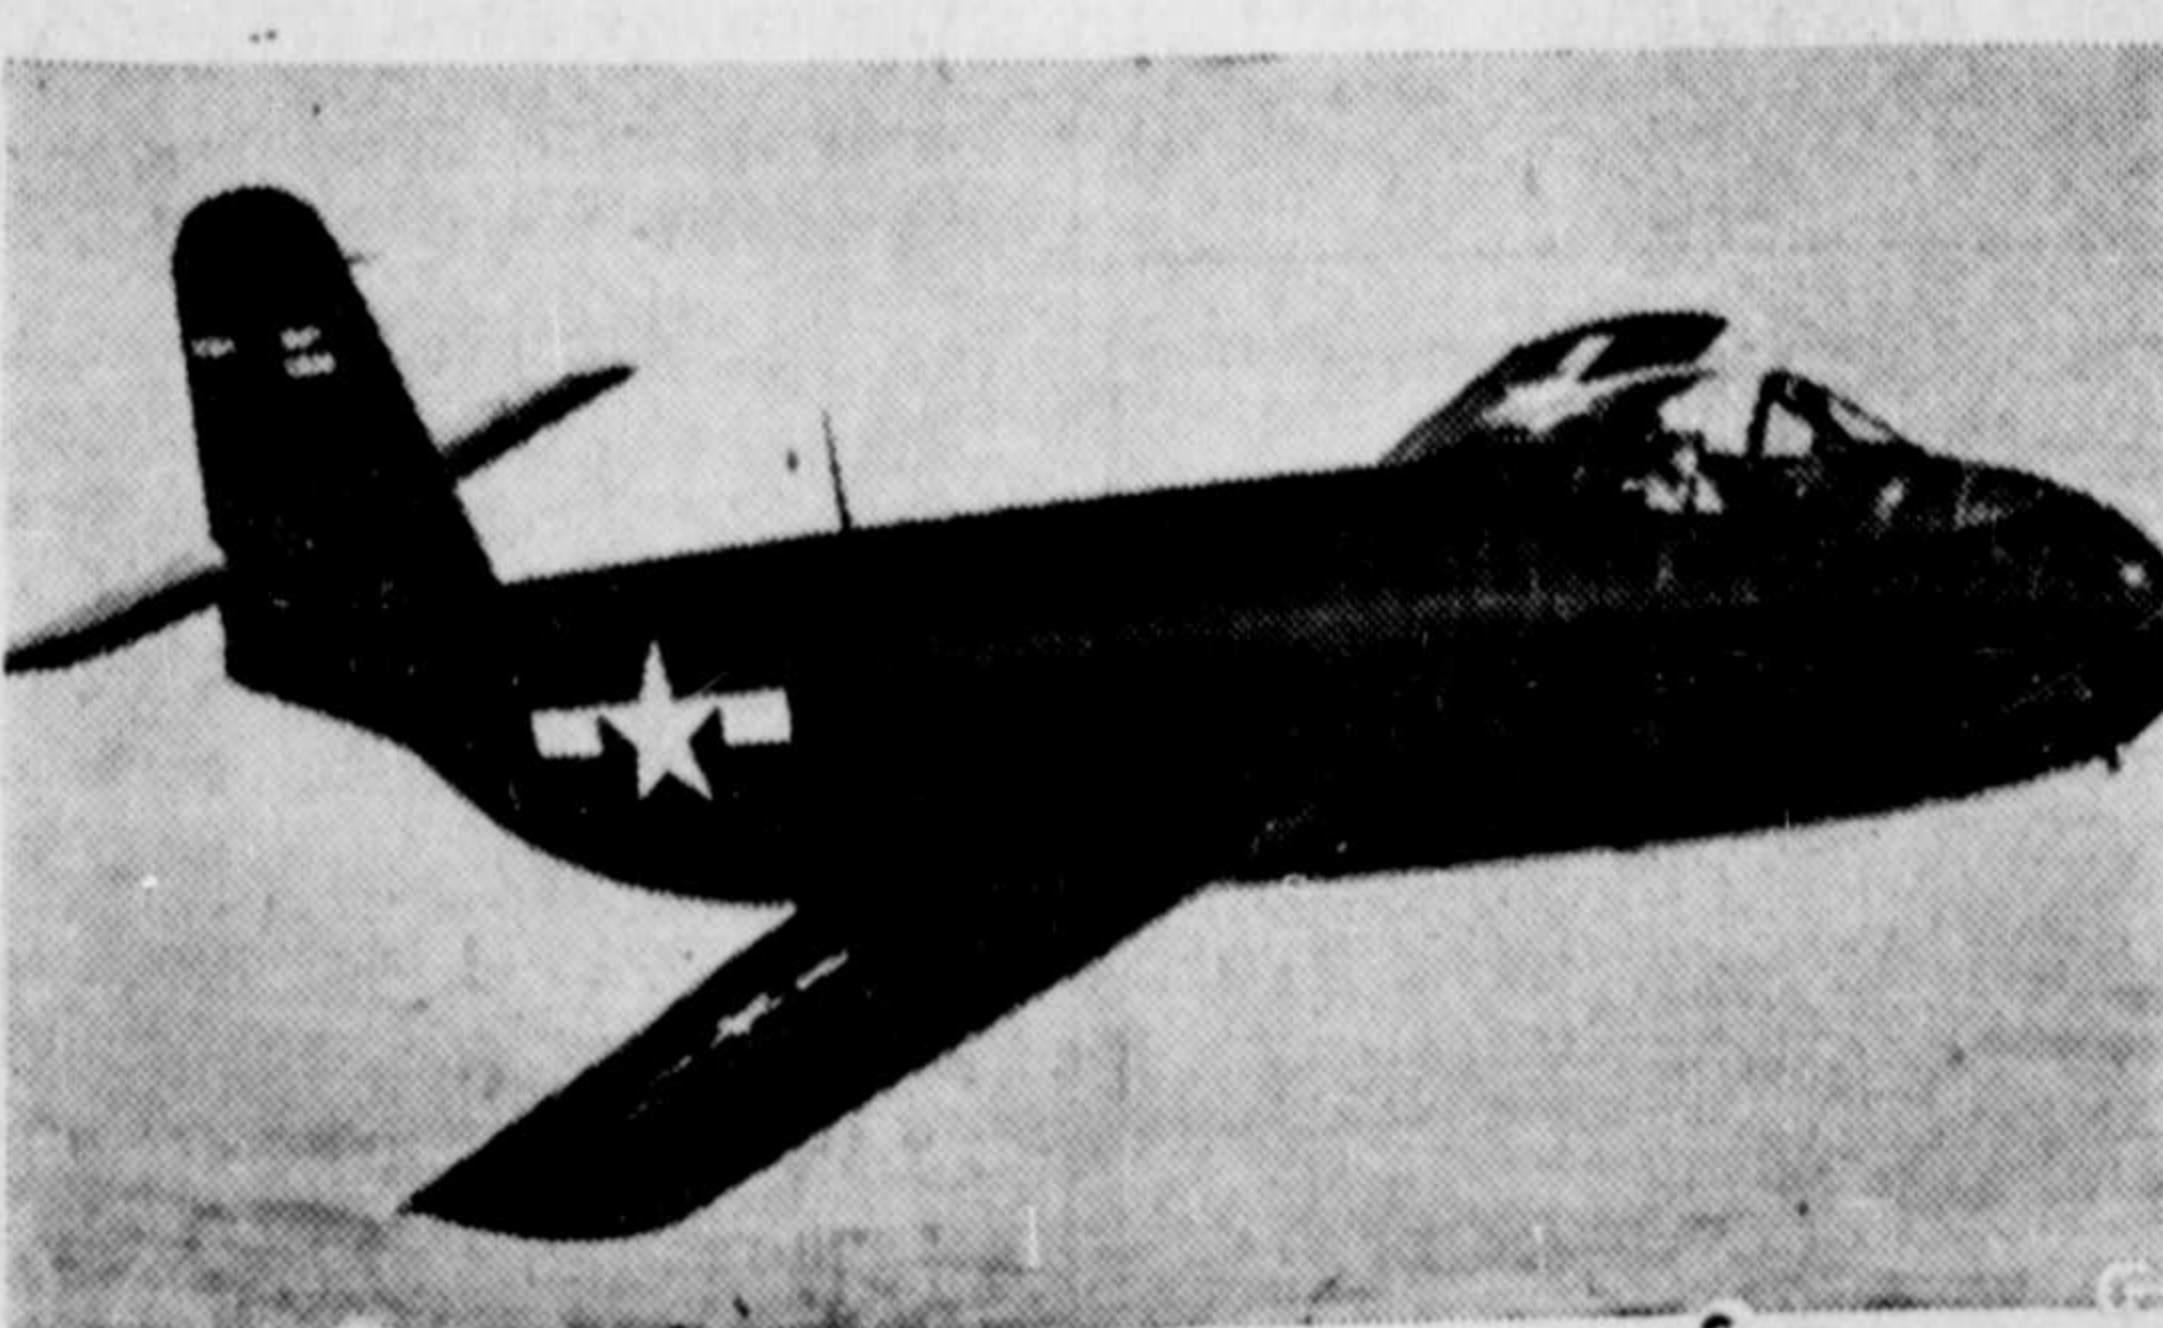

Albert, who was born in Prince Rupert, is five feet, ten and a half inches tall and in perfect physical condition. This latter was a factor in his selection since candidates must measure up to rigid navy physical standards. Other factors in the competition were the cadets' record if attendance at parades, deportment and character, general knowledge and specific knowledge of Sea Cadet instruction. "Abbie" is a former Daily News route boy.

NAVY HARD TACK DAYS ARE GONE

ESQUIMALT — The Navy said yesterday that the days of hard tack and water had gone and that a new gastronomic era is afloat. It is related to modern organization and the training of men for supply branch. Cooks come under twelve weeks' schooling in their craft at H.M.C.S. Naden before being drafted to sea.

NO PAPER FRIDAY

Tomorrow, being Good Friday and a public holiday, the Daily News will not be published. The next regular edition will be on Saturday afternoon. The paper will also be published on Easter Monday as usual.

NEW JET FIGHTER SOON READY—The U.S. navy's new jet fighter, the FGU Pirate, which is undergoing an extensive test program at Muroc Dry Lake, Calif., will soon be ready for demonstration work. The new shipboard fighter has a speed of more than 500 miles an hour and is powered by a single 24-C Westinghouse jet unit.

Legislature Prorogues

Session Ends With Passage of New Labor Bill—Last-Minute Enfranchisement Amendment

VICTORIA (CP)—Weary Legislators rose from their desks at 5:20 this morning with the way cleared for prorogation which occurred at 11 o'clock today. Thirteen bills were adopted at the final sitting.

The Industrial Conciliation and Arbitration Act, providing for government supervision of secret strike votes and penalties for illegal strikes and lock-outs, was adopted.

Adequate knowledge of either English or French will be a condition of enfranchisement under a last-minute amendment to the Provincial Elections Act.

The final act of business of the session was adoption of a resolution asking the University of British Columbia to reconsider its position on the establishment of a medical school. The Board of Governors had decided that such a school could not be established this year.

A bill was adopted giving farmers with degrees in agriculture professional status as agronomists.

A bill giving foresters professional standing got a rough two-hour ride before receiving final reading. Objection was taken to it by C.C.F. and some coalition members who objected to introduction of the measure one day before prorogation.

A \$1000 salary increase for County Court judges passed third reading but C.C.F. members objected, holding it was ultra vires of the Legislature. They plan to take it up with the federal minister of justice.

Resolution on application by road contractors for increase in contract prices on jobs under way on the Hart Highway and the Hope-Princeton road was adopted. A referee, who will be a judge of the Supreme Court or the Court of Appeal, will sit as an arbitrator to determine if higher rates are due the contractors. The firms are asking for an increase of \$3,073,649 on actual contract prices.

C.C.F. WANT JAP VOTE

New British Columbia Elections Act Gets Second Reading

VICTORIA — Second reading of the new British Columbia Elections Act, providing for the extension of the franchise to East Indians and Chinese, followed opposition charges of racial discrimination. Under the Act the only Japanese eligible to vote are citizens who served with the armed forces.

The C.C.F. attacked the government for not giving the vote to Japanese. It was a disgrace that the vote was not given to Indians and Japanese, Harold Winch said. Mrs. Tilly Rolston, Progressive-Conservative, Vancouver-Point Grey, asked Herbert Gargrave, C.C.F., Mackenzie, if his party favored return of Japanese to the coast but Mr. Gargrave, not being required to by ruling of the Speaker, did not answer.

SANDWICHES AND MUSIC ARE OUT

VICTORIA — A last-minute move by the Opposition to permit sale of sandwiches and flow music in British Columbia beer parlors was defeated as the Legislature gave third reading to the amended liquor act yesterday.

GOLD BRICKS ARE STOLEN

But Recovered at Val d'Or, Quebec, and Two Men Arrested

VAL D'OR, Quebec — Gold valued at \$24,300 and destined for the Canadian mint at Ottawa was recovered today after being stolen late yesterday from the railway station here and two men have been placed under arrest.

The gold, in the form of two solid gold bricks totalling 137 pounds, was found in a snow bank two miles from here.

Details of the recovery of the gold and the arrest of the men were lacking.

PARKS BOARD BUDGETS \$3000

Emphasizing enjoyment by the citizens of Prince Rupert's parks and playgrounds, the city parks board last night decided that \$2,000 of its \$3,000 budget should be used for maintenance, repairs and operation of sport and playground facilities with the balance going toward its projected beautification campaign.

The budget will be presented to the city finance committee for inclusion in the 1947 estimates which will soon be handed to council.

Preparation of the parks for the summer season will include extension of picnic facilities at McClymont Park, increasing the seating capacity for fastball games at Gyro Park, maintenance of children's sandboxes at Seal Cove, Westview, Alder and McClymont Parks, and erection of seats in Alder Park.

The Board accepted an offer by the Civic Centre Association to supervise playground activities with trained staff at Seal Cove, Westview, Alder and McClymont Parks and to operate the city playground fastball leagues at Gyro Park.

The Board requested that the city grader be used on Roosevelt Park baseball field to prepare it for soccer and baseball.

Present at the meeting, which was under the chairmanship of C. P. Balagno, were Mayor Nora Arnold, W. D. Lambie, Alderman George Rudderham, Alderman Robert McKay, Alderman George Casey, Don Forward and P. P. Forman.

REMOVAL OF PLANTS NOW IS DIFFERENCE

General Marshall Is Still Trying to Come to Terms With Commissar Molotov

BERLIN (CP)—General Lucius D. Clay declared on arrival here today from Moscow that "all hope has been given up of reaching a settlement on reparations at this conference." The conference is not proving a failure but neither is it proving a success, said Clay, who is American military governor for Germany.

Meanwhile at Moscow Secretary of State George C. Marshall told the foreign ministers' council today that the United States would be willing to consider limited German reparations from current prosecution but only if the Allied powers agreed to leave in Germany the number of plants now earmarked for capital reparations.

American delegation members said the proposal represented about the extreme limit Marshall was prepared to go to meet Foreign Commissar Molotov of Russia in this issue.

Marshall also reaffirmed that "present demands to increase reparations agreed upon at Potsdam cannot be considered by the United States." He said his proposal was based on the assumption that the German level of industry is to be raised and that plants now earmarked for reparations export cannot be used to boost the level.

TO ARBITRATE PUBLIC WORKS

VICTORIA — Public Works Minister, E. C. Carson announced in the Legislature that the government will make arrangements for the upward revision of public works projects to cover rising costs caused by circumstances beyond the control of contractors.

He said that he planned to have a Supreme Court judge sit as arbitrator to determine what a fair price is, and an equitable amount by which contracts may be increased. About \$15,000,000 worth of contracts are involved in Public Works operations.

CRAGGED PEAKS SPELL DOOM FOR 23 IN CRASH—Twenty-three passengers and crew members were killed when this Air-Force Dakota, enroute from Nice to Paris, crashed on a mountainside in the Vercors range southwest of Grenoble, France. The plane, missing nearly 24 hours, was found almost buried under an avalanche provoked by the disaster. The wrecked plane is pictured in the snow surrounded by the cragged peaks that spelled its doom.

Bulletins

MERCHANTS FINED
OTTAWA — Two department store merchants were today sentenced to six months in jail plus \$40,000 fines for income tax evasion. In default of the fine J. H. Vineberg, 65, and his son, S. Vineberg, 34, must serve additional eighteen-month terms. The Vinebergs were convicted of making false excess profits tax returns. The prosecutor said the case was the "largest income tax evasion case ever before the courts of Canada." The amount of tax evaded involved \$235,000.

DANGER MINES CLOSED
WASHINGTON — Secretary of the Interior J. A. Krug today directed that 518 government-operated soft coal mines in the United States remain closed indefinitely because they are believed dangerous. Approximately 40,000 miners are employed at the mines which Krug said are "believed dangerous from the explosion point of view." The pits will be closed until they are certified as being reasonably safe.

"HAMS" DRAFT CONSTITUTION

Members of the Prince Rupert Amateur Radio Association met briefly in the Civic Centre last night to hear a draft of the organization's new constitution read, then adjourned to their new headquarters at the Army Signals camp to arrange the building for their occupancy.

The latter part of the evening was spent in code practice, with some members brushing up on receiving the International code which is used in amateur transmission. Members were entertained by a talk by John Roach, who told of difficulties of wire-less operation which he experienced while he was a ship's radio operator in the Orient.

President Robert Kyte was chairman of the business meeting, and there were about 20 members present.

Province Takes Over Coal Mines

FREDERICTON, New Brunswick—The government of New Brunswick has taken control of the coal mines in the Minto-Chipman area which have been strike-bound for six weeks and planned to have digging of coal resumed today.

RUHR COAL STRIKE
ESSEN — Germany's giant coal industry came to an almost complete standstill today as the most of the area's 300,000 miners ignored British appeals to remain on the job and walked out in demand for more food for their families. Reports indicated that almost 170 mines were idle and the strike is expected to cause loss of 500,000 tons of coal.

FIREWORKS BLAST
CLINTON, Mo.—Explosion and gunpowder-fed fire destroyed a fireworks manufacturing plant yesterday, burning to death eleven and injuring four of 28 employees working in a one-storey frame building. Workers were making toy buzz-bombers at the time of the blast.

No Great Increases

OTTAWA (CP)—The latest lifting of ceiling prices caused swift reaction among the Canadian public. Industry generally was pleased at Finance Minister Abbott's announcement that the lid was off about one-third of the goods and services which had been under control.

Most producers of affected goods were against price increases in early reaction to the order. Summary of their responses:

New Cars—No increase (General Motors, Ford, Chrysler).

Used Cars—Higher prices expected.

Coal—Dealers foresaw raise of perhaps \$2.50 per ton.

Farm Implements—Undecided but against increases.

Refrigerators—Increases unlikely.

Clothing and Shoes—Increases possible in some lines.

GARDEN 'NOTEBOOK

Thin Sowing Saves Seed And Lessens Garden Work

Let small seeds drop slowly through your fingers.

Seed sowing is an art which will pay home gardeners to study. By skill and care, 50 per cent of your small seed and a lot of work in thinning out can be saved.

By small seed is meant those not large enough to be grasped singly and placed in the row the right distance apart. Among these are lettuce, carrot, radish, endive, parsnip, parsley, onion and others. It is expected that they will be sown more thickly than plants will be allowed to grow, because even with the high germination which the federal seed law insures, there are many hazards which beset the infant plant and to which a considerable number may succumb.

It is not necessary, however, to sow these small seeds so thickly that 90 per cent of the seedlings have to be uprooted in order to give room for the remaining 10 per cent to mature. This heavy waste can be prevented by learning how to sow "thinly."

The surest way is to take a few seeds in the hand and let them fall through the fingers into the drill which has been prepared. Get close to the ground, and with a little practice you can quickly acquire control so that the seeds will be evenly distributed, each sufficiently distant from the next to prevent entanglement of stems or roots.

Keep the seeds in line as well

as you can. It helps to let the garden line which was used in making the drill to remain in place until the seeds have been dropped.

When seeds are thus sown, only a corner of the packet should be torn off, and a small quantity poured into the hand at a time. This will enable those that remain to be kept safely in the original packet until another sowing of the same variety is required.

Dickie the Duck Personality Plus

OTTAWA (C)—Ever hear of personality keeping a duck out of the roasting pan? That's the life history of Dickie, web-footed pet of Mr. and Mrs. Svend Gilbert of Ottawa.

The Gilberts bought Dickie in the summer of 1939 with the idea of fattening him up for a Sunday roast later in the winter. But they didn't count on Dickie's personality. Dickie learned to caress the boss with his beak, to swim with the Gilbert children and to purr when they rubbed the back of his neck. He even got himself house-broken.

DUBLIN, Eire (C)—Eire's population has fallen to 2,953,452, a preliminary report of the 1946 census indicated. This represented a decrease of 14,968 since 1936. Emigration of workers seeking employment in Britain and Northern Ireland was held chiefly responsible.

OFFICERS OF FLYING CLUB

Will Postpone Membership Drive Until Incorporation Is Approved

Assured of the patronage of Mayor Nora E. Arnold, who agreed to be its Honorary President, Prince Rupert Flying Club last night elected its 1947-48 officers and directors and prepared to undertake a major membership campaign.

The new officers are: President, Jarvis H. McLeod, Sr.

Vice-President, George H. Stanbridge. Secretary, Douglas Stewart. Treasurer, Alfred Rivett.

Directors—J. T. Harvey, Dr. W. S. Kergin, Earl R. Gordon, Fred E. Jensen, Robert Kelsey, Douglas Kerr.

A progress report on the club's efforts to secure the former R.C.A.F. officers' mess and quarters at the Seal Cove air base as club headquarters was given by retiring President George Stanbridge, who confidently summed up the prospects by telling the 21 members present that the buildings "are as good as in our hands."

However, until incorporation proceedings, which at present are under way, are completed, the club decided to withhold a major membership drive. Membership Committee Chairman Jarvis McLeod told the meeting that he planned an "all-out" drive for life members and sustaining members, but that he "wanted some thing concrete to offer before the drive starts."

Outlining the prospects for obtaining the Seal Cove buildings, Mr. Stanbridge told of negotiations being carried on with the Department of Transport and War Assets Corporation, and asserted that he felt "positive that we will soon have facilities to develop the best flying club in the north."

"We are asking for nothing more than other flying clubs have asked for and obtained for a dollar a year," he said. "It is a perfect set-up for an aero club."

Along with the former air force buildings, the club has been offered furnishings and operational equipment which Mr. Stanbridge and retiring Club Secretary Earl Gordon agreed was worth \$10,000, which would bring the total value of the club facilities to "about \$25,000."

To receive this, the club must be an approved member of the Royal Canadian Flying Clubs Association, approval of which, in turn, depends on the incorporation of the club. Incorporation proceedings under the provincial Societies Act are expected to be gazetted in the B.C. Gazette in the near future.

SHIPS AND WATERFRONT

Ship's Engineer Hears Knell of Bagpipes in War Office Order

Reduction of Pipe Bands in Scotland Blow to National Tradition, Says Chief Engineer Alex Munro

Chief Engineer Alex Munro of the coastal liner Prince Rupert is operating under a head of steam almost equal to that of his vessel's engines as a result of a blow to tradition that has rocked the very foundations of his heather-clad homeland.

"I think it's a shame. It's rotten. Everybody should protest," fumed Chief Alex as he pointed to a prominent news item on Page Nine of The People's Journal, a Dundee tabloid newspaper, which told the sordid story of Sassenach tampering with the sacred bagpipes.

The Dundee Journal agreed with Mr. Munro's sentiments. "Scotland should not take this lying down," it thundered.

The War Office was to blame. It passed a decree under which only two or three military pipe bands will be left in all of Scotland. In the "new army," none of Scotland's primary training centres will have a pipe band. "Before the war, each depot

GIVE CLOSETS THE REAL CEDAR WOOD LOOK AND SMELL!

the Journal told how, before the war, "officers themselves largely maintained depot pipe bands and contributions from 'public funds' was very small. Now they are not allowed even to do that."

"There is no lack of pipers. The depots now have the problem of deciding what to do with their pipe band personnel."

"The depot bands have been the backbone of Scotland's traditional music, and many people consider that the War Office order means the beginning of the end of the pipes."

"Scotland should not take this lying down."

The reason given for the move, according to the Journal, is that if Scottish depots had this "privilege," English country primary training centres would have to be given bugle and fife music.

The Journal saw no comparison whatever. Neither did Chief Engineer Alex Munro.

BLACKPOOL, England (C)—A display of the latest aircraft—jet-propelled fighters to helicopters—near here will be witnessed by about 1,000,000 next July. The display will be the biggest aviation exhibition and flying display yet held in Britain's provinces.

"Build B.C. Payrolls"

FRASER VALLEY GOODNESS

You'll simply love this grand creamy-rich milk. So smooth, so good, so downright perfect you'll find PACIFIC'S qualities as good in baking and cooking as in your morning cup of coffee. Vacuum-packed for your protection.

PACIFIC MILK

Irradiated and Vacuum Packed

Scones with a Surprise Inside!

They take only 1 tablespoon sugar

JELLY SCONES
1 1/2 cups sifted flour
3/4 cup shortening
1/2 cup All-Bran
1/2 cup shortening
1/2 cup light cream
1/4 cup jam or other jam
1/2 teaspoon salt
1 tablespoon sugar

Sift flour with baking powder, salt and sugar. Add Kellogg's All-Bran. Cut in shortening. Separate one egg. Beat egg white slightly. Then measure out 1 tablespoon and keep for glaze. Beat remaining egg and add to first mixture with cream. Stir until dough follows fork around bowl. Roll out on lightly floured board to 1/4 inch thickness. Cut into 2 1/2 inch squares. Place 1 teaspoon jam in center of each square. Fold diagonally and press points together. Moisten edges. Crimp with fork. Brush with reserved egg white. Sprinkle with sugar. Bake in hot oven (450°F.) about 12 minutes. Makes 12 scones.

Clip the recipe. Then try scones this way. See what a delicious flavour nut-sweet, All-Bran gives them!

CONVENTION AT MASSETT

MASSETT—The annual convention of the Native Brotherhood of British Columbia here is in full swing. Following opening preliminaries earlier in the week, business sessions are proceeding. The convention will conclude at the end of the week after which delegates from all parts of British Columbia will start returning to their various homes by way of Prince Rupert.

After a memorial service for the late President Alfred Adams, the formal opening of the convention took place on Monday with the appointment of credential and resolution committees.

A banquet was tendered by the local sisterhood in honor of all delegates.

The chief councillor of the village presented a key of Massett to William Scow, president of the brotherhood.

An entertainment by the school orchestra was followed by a dance.

CLEAR CLOGGED DRAIN

new, faster way

GILLETT'S DRAIN CLEANER

Prevents and clears clogged drains

BUYS AND WHYS BY Barbara Brent

A weekly advertising and information service for today's woman

Hello there! Every week from now on I'll be here in your newspaper to give the very best buy-words along to you—to bring you the things that are wise buys and the things that you're not so pleased to begin the new year with that they're not so wise. NYLON! Yes—I know—you've heard it a lot... you associate it with beautiful clothes and lingerie—with NYLON-graded brushes and toothbrushes... but now, and just in time for spring housecleaning, comes word from **BRISTLES in Canada**, of still another NYLON product—**NYLON-bristled household utility brushes of all kinds and shapes—bath brushes, banister, venetian blind, sash and egg brushes. Brightly modern, NYLON bristles stay that way... tough, resilient C-I-L bristles shed moisture like the feathers of a duck—clean so easily—keep their shape under the hardest use when you're buying your spring cleaning equipment, look for words NYLON BRISTLES—and watch this column next week for more news of brushes—bristled with NYLON!**

DOLLARS TO DRESS UP YOUR HOME

If you feel that somehow your spring cleaning is not enough to bring sparkle and life to your home this year—if you know your home needs a thorough beauty treatment—repainting and redecorating—here's a practical and business-like way to borrow the dollars you'll need to fix it up like new... If your family budget will allow you to make repayment without undue strain—it's easy to get a Personal Loan from the BANK OF MONTREAL! Have a word with your husband about it... then go with him and talk to the manager or accountant at your nearest branch of the BANK OF MONTREAL—either one will be glad to discuss the matter with you. The cost, too, is low—a month for each \$100 borrowed, if repaid in 12 months. And you won't be asking a favour of the bank when through their Personal Loan Plan. Lending money, after a bank's business.

TIME OUT FROM SPRING CLEANING

You'll find that Spring Housecleaning goes faster when you "take time out" for a cigarette—time to enjoy "smoking period." So put down your mop for a minute—find a comfortable chair—light a SWEET CAP and you why you find such complete smoking satisfaction in this cigarette. It's because of "TUN CHECK"—a new post-war scientific process that guards the fine quality of SWEET CAPS from plant to package to you! This "quality testing" begins with the blending of thirty-eight classifications of choice, Virginia tobacco right through to the final wrapping in pure snow white paper. S with a SWEET CAP when you're tired—find out for yourself a perfect a post-war cigarette can be—"Perfection Check!"

QUICK TRICKS FOR DELICIOUS COOKING

I know you know what a fine, beefy drink OXO is, but do you know simple it is to make OXO soup? The secret is to almost use the best. And because good food promotes sound growth—don't you think the first consideration in choosing baby's food should be what tastes good! That's why he'll really go for HELIX Foods... flavour-fresh, smooth-textured and delicious—HEINZ Baby Foods are carefully cooked—then vacuum sealed to retain their full flavour in high degree. Try all of HELIX, superior quality baby food, remembering that a 78-year-old HEINZ reputation for quality is the very best! And for your free booklet—"Your Baby's Diet to me—Barbara Brent, 1411 Crescent St., Montreal, P.Q."

JUST WATCH BABY GROW!

While baby counts fingers and toes—you watch baby grow and hard to say who's the more amazed—baby, by all these toes, or you, by baby's rapid growth! For during his first year growth is almost double. And because good food promotes sound growth—don't you think the first consideration in choosing baby's food should be what tastes good! That's why he'll really go for HELIX Foods... flavour-fresh, smooth-textured and delicious—HEINZ Baby Foods are carefully cooked—then vacuum sealed to retain their full flavour in high degree. Try all of HELIX, superior quality baby food, remembering that a 78-year-old HEINZ reputation for quality is the very best! And for your free booklet—"Your Baby's Diet to me—Barbara Brent, 1411 Crescent St., Montreal, P.Q."

- Sprinkle it with nippy grated cheese.
- Spice it with a lemon slice and parsley.
- OXO CONSOMME AUX CROUTONS—Sprinkle OXO Consomme with tiny (buttered) toast squares.
- OXO TOMATO CONSOMME—1 cup heated tomato juice to each 2 cups OXO Consomme.

Frankly, there are so many delicious ways to use OXO today, you can't find them out for yourself. Why not order OXO today, in cube or fluid form—both are equally good. OXO's so easy to use so convenient! You'll find it wonderfully handy to keep on hand beside the salt and pepper.

MUFFINS TO MELT IN YOUR MOUTH!

Here's a signless recipe for muffins that's so full of flavour, you'll wish you'd invited guests for dinner when you take the muffins, piping hot, from the oven. The "flavour-secret" of this muffin recipe is in the corn syrup you use instead of sugar—it's delicious CROWN BRAND—and this is the CROWN BRAND MUFFIN RECIPE:

Temp.: 400° F. Time: 25 Min.
To 3/4 cup of sifted all-purpose flour add 1/4 cup Boston's Starch, 1/2 tsp. salt and 2 1/2 tsp. baking powder. Sift together. Add 1 cup ready-cooked corn. Then to 1 cup milk and 1 1/2 cup CROWN BRAND CORN SYRUP, 1/2 cup milk and 1/2 cup melted fat. Add liquid ingredients all at once to dry ingredients. Stir until just moistened. Fill greased muffin tins 2/3 full and bake in hot oven. Yield: a dozen muffins 3" in diameter.
So make your next batch of muffins with CROWN BRAND—a delightfully distinctive flavour that you don't get with any other.

Worship: Good Friday, Norsk Kl.
11 f.m. (11)

Arnold Flaten, manager of the
local branch of the Royal Bank
of Canada, left on last evening's
train for Terrace on bank busi-
ness.

Prince Rupert Aero Club
meeting, Civic Centre Ladies'
Lounge, Wednesday, April 2, 8
p.m. All interested invited. (78)

Mr. and Mrs. Peter Lamont
of Victoria arrived in the city
on the Prince Rupert yesterday
to visit with Mrs. Lamont's son
and daughter-in-law, Mr. and
Mrs. George E. Peters, 339 Fifth
Avenue West.

For your shopping conveni-
ence, the following stores will
be open Monday, April 7 (we will
be closed on Good Friday only):
Wallace's Department Store, Ru-
pert Peoples Store, Rupert Men's
and Boys Store. (80)

SINGING DEBUT—It is esti-
mated that a radio audience of
about 15,000,000 heard Mar-
garet Truman, the U.S. presi-
dent's daughter, make her de-
but as a coloratura soprano
with the Detroit Symphony
Orchestra. She is shown just
before she sang the first of
three solos.

CARD OF THANKS
Mrs. Bethurem and family

and family, Inverness.

KIN DISCUSS MAY 24 FETE
Discussion of plans for the
Kinsmen Club's May 24 celebra-
tion took up the greater part of
the short business session of the
semi-monthly meeting last night
in the Civic Centre. The meeting
added to the list of regular com-
mittees for the event by appoint-
ing Dan McDonald as chairman
of the parade committee.
Two new members, N. R.
Young and Wesley Manning,
were received into the club.
Guests were Joseph Goscoe and
Dan Wick. There were 24 mem-
bers present, with president R.
E. Montador in the chair.

MYSTERY HANGS OVER TROPHY PRESENTATION

A climactic mystery is hover-
ing over the local sports picture
today as basketball fans creep
into secret corners, singly or in
groups to dope out who will be
the winner of the coveted "Good
Sportsmanship" cup which will
be awarded tonight in the Civic
Centre gym as the hoop season
goes out in a blaze of shining
trophies.

The secret is being so closely
guarded, that Rup Rec Director
Neil Ross, who conceived the
award, defied even the bribe of a
free cup of coffee, with extra
sugar, rather than jeopardize the
mystery.

The "Good Sportsmanship"
award, which is the highest in-
dividual honor available, will be
presented by Civic Centre Asso-
ciation President T. N. Youngs,
who will also present the Junior
trophy to Gyro, winners of the
Junior League.

The Senior "A" trophy will be
presented to the triumphant
Bo-Me-Hi Rainmakers by Mayor
Nora Arnold, following the senior
"B" game which will decide
whether Co-op or Macey's will
keep the Grotto trophy, emble-
matic of "B" League champion-
ship. The Grotto trophy will be
awarded by Bert Morgan, the
donor.

The Commander Cree trophy,
emblematic of championship in
the Ladies' League, will be
awarded by Lieut. Eric Jones,
R.C.N., to the Bo-Me-Hi Rain-
birds.

SHORT SPORT

An indication that Britain is giving way on broken-time payments to athletes competing in international events was given by Lord Burghley, chairman of the organizing committee for the 1948 Olympic Games, who said there should not be too much "rigidity" over this question. Presiding at the annual meeting of the Amateur Athletic Association, Lord Burghley who also is president of the International Amateur Athletic Federation, said: "What I feel on this question is that the real amateur principles must not be lost, but if there are hard cases—as I believe there are—we should consider them carefully with an open frame of mind." Lord Burghley's remarks were made a few days after it was announced a special meeting of the I.A.A.F. would be held in London June 9-10 to discuss the controversial broken-time payment question. The special meeting was called after demands from some European countries to "settle" the problem.

Sports leaders from England, Scotland and Wales are in France to study French methods of physical recreation and sports training. The party—chosen sports leaders of the Central Council of Physical Recreation, co-ordinating council of 154 governing bodies embracing all the sports in Britain—was invited by the French ministry of education to take in a normal French advanced leaders' training course. The course embraces all sporting activities, in France, from athletics to fencing.

Twenty-two daring young women shocked their parents and made history July 13, 1747. Members of two Sussex village cricket teams, they travelled to London to play a cricket match but, according to a newspaper of the time, "the company broke in so that it was impossible for the game to be played out, some of the women being very much frightened and others hurt and it could not be finished until the morning. The result isn't known. Now, 200 years later, descendants of the original teams are to meet for a return match. The game is to be played in August at Priory Park, Chichester.

Fred Whittaker of Vancouver, who went to England to fill a centre-forward position with Notts County in the southern section, third division of the English football league, failed to impress in that position and now is a fullback on the club. He has proved a finished player in the latter spot.

Neil McDonald, local old timer, who has been in hospital for quite a few weeks, is still there but he is making as satisfactory a recovery as can be expected.

Between the Baskets

Local Hoop Talk

Although most fans might think that tonight's big battle between Macey's and Co-op will finish off the city's basketball play for the year, things might not turn out that way. It seems that the Senior "A" champs are not at all too high and mighty to cop another cup. When the Rainmakers were sent up into the Senior "A" bracket they were given the promise that they would be allowed to play for the Senior "B" cup. So don't be at all surprised if the lads from Bo-Me-Hi step down from the lofty perch atop the city hoop league and make a bid for the much-disputed Grotto Cup. But if they do the Basketball Association will be in a very queer predicament. In fact this might even be the first time in basketball history that a Senior "A" championship team has ever stepped down without a challenge from the Senior "B" squad, and tried for the cup. Usually it is the Senior "B" champions who are permitted to stick their necks out and challenge their brothers in the higher loop. But right now the students haven't quite made up their minds as to what they are going to do.

Tonight, Macey's and Co-op go into the final stages of their "championship" bout. Macey's copped the opening game while Co-op took the second. Now the third round is here and it is a fight to the finish. Because of the mix-up the High School has presented, however, nobody seems to know if this is or isn't a championship bout. Both clubs have made it clear that they won't give up the cup without a fight. Admittance will be free although a collection will be taken up which will be turned over to the Basketball Association to be used to reimburse partially any injuries suffered by players of the local league.

Following this big game will be the presentation of the trophies. It is still not definite who will make the presentation but here are a few of the suggestions that have been put forward. Norton Youngs will present the Civic Centre Trophy to the Gyo squad for winning the Junior loop. The Commander Cree Trophy may be presented to the High School Rainbirds by Lt. Eric Jones of H.M. C.S. Chatham. Either Macey's or Co-op will take the Grotto Cup from Bert Morgan on behalf of the Grotto Cigar Store. And either Mayor Nora E. Arnold or Norton Youngs will make the presentation of the Senior "A" Civic Centre Trophy to the Bo-Me-Hi Rainmakers.

Savoy's bitter defeat on Tuesday night was a sad blow to the hotelmen, especially as their flashy guardsman, Joe Davis, was forced to stay out of the game because of doctor's orders.

Davis might very easily have turned the tide had he been around. Now Joe is up in the Prince Rupert General Hospital, convalescing from an operation. Everyone extends their best wishes to Joe for a speedy recovery. It was a tough break.

It seems that the Macey quintet will also be doing a bit of rushing after their game tonight.

Skin Irritations!
Over the years so many thousands of bottles of Moone's Emerald Oil have been sold to help sufferers find quick ease and comfort from the itching and torture of Eczema, Rashes, Pimples and many other externally caused skin eruptions that we unhesitatingly say to you—Try Moone's Emerald Oil for ten days; money back if not fully satisfied. Stainless—greaseless.

On Friday they will be leaving for Telkwa with the High School Rainbirds to do battle in that interior port of call. As the interior calibre of ball is not very well known down here it is hard to make predictions as to the outcome. But the locals feel very confident that they won't run into any difficulties.

Mr. Mah (M. T. Lee) pioneer tailor, residing on 6th Ave., is able to resume business again. It was necessary to enter hospital for a week or so to receive the benefits of rest and treatment.

TO GO SMILING TO WORK

TRY THIS TONIGHT
Do what thousands are doing to wake up smiling each morning and stay bright all day. Drink a cupful of delicious Ovaltine before retiring. Ovaltine acts in three ways, to help bring sparkling morning freshness. First, taken warm at bedtime, it fosters sound, refreshing sleep without drugs. Second, it supplies essential food elements to rebuild vitality while you sleep! Third, it also furnishes important vitamins and minerals in a delicious, more natural way for all-round health and vigour. So why not try Ovaltine starting tonight for morning freshness and buoyant days.

TWO DIE IN TRAIN CRASH

ARMSTRONG, Oklahoma — A Missouri-Kansas-Texas special passenger train and a freight train engine sideswiped here yesterday, killing two persons and injuring several others. At Durant, a nearby town, the hospital reported several persons in the emergency ward and more arriving. The engineer and fireman on the passenger train were reported killed, and the engineer on the freight, and others, injured.

STRIKE AGAINST FOOD SHORTAGES

ESSEN, Germany — A one-day strike involving nearly 300,000 men in 171 Ruhr coal mines was ordered by trade union leaders as a protest against food shortages. The walkout will mean the loss of about 238,000 tons of coal. The coal output of the Ruhr mines has declined steadily since March 21 because of sporadic strikes and general unrest over failure of British and German administrations to fulfill promised food ration quotas. Demonstrations also were being held at Neuss and Wesel.

Classified Advertising Pays!

RENT BOOSTS EXPECTED IN NEXT MONTH

OTTAWA — Informed sources speculated that easing of rental and eviction controls, predicted by Finance Minister Abbott, may boost rents 10 per cent in the next month. Other reports placed the rent boost from five to 15 per cent. Abbott said in a statement that "some amelioration in current regulations has been under active consideration by the government for some time." It is expected that easing of eviction controls also may be expected.

PREMIER MINE SURVIVES VOTE TO LIQUIDATE

VANCOUVER — Shareholders here of Premier Gold Mining Co., supported by proxies from Eastern Canada and the United States, blocked an effort by New York directors of the company to put it into liquidation and distribute its assets. The 75 per cent of the votes necessary to carry the liquidation resolution were not received at the poll vote. The shareholders, who defended continuation of the company, said that taxes and costs are not large enough to warrant termination of the company, which has \$1,000,000 in liquid assets.

You saw it in The News!

WHEN EAST MEETS WEST—Wearing the costume of his native Cathay, eight-year-old George Vachlos-Wel, a maestro of the piano and a composer, from Shanghai, sits in with American-born Chinese, Him Lee, seven, at Public School 23 during his visit to Chinatown in New York. Young George is in America with his sisters, Madeleine and Sophie, on a musical good-will tour. The boy became famous overnight when he played one of his own compositions with the Shanghai Symphony Orchestra. He has since played for the "greats" of China and America, including Generalissimo Chiang Kai-Shek and U.S. Secretary of State George C. Marshall. The composition George likes best is his "Victory Day," dedicated to the late President Franklin D. Roosevelt. But he isn't above improvising a bit a "boogie-woogie."

Mayor Arnold—

(Continued from Page 5)

intangible. We must watch all civic youth training grounds such as our schools and our recreational institutes and I think more important than these our churches.

"If more children were subjected to religious training and discipline, where they imbibe a set of morals in their formative years, I do not believe we should see such terrible deeds committed by youths in their adolescent years, when their emotions are all upset and their judgment unformed.

"We must also teach ourselves and others the privilege of the franchise and realize that those who take no part in the election of government representatives have no right to criticism of their actions.

"I do not of course belittle the good times ahead. It is good indeed that we can look to the realization of longstanding hopes and see this district develop as it should."

With Ald. C. G. Ham, president of the club, in the chair, William Cruickshank introduced the speaker and appropriate words of thanks were spoken by W. J. Scott. Guests of the day, in addition to Mrs. Arnold, were T. B. Black and Dr. Alfred Large of Prince Rupert and Bert Bacon of Vancouver. The club decided to entertain its Junior League champion basketball team at luncheon next week in addition to the monthly business session.

SLIM IS THE WORD for summer fashion. Long middie-tops over pleats stress the importance of a streamlined figure. Designed by Capri of New York, this basic summer dress moulds your figure in clean-cut, clinging lines.

If you want to look your youngest, slimmest, and loveliest in the new fashions... you must watch your diet. And, in any safe diet to gain and keep a lovely figure, you should eat certain special foods because of their "protective" qualities.

That is why Kellogg's All-Bran is included in the new scientific weight-control menus. All-Bran is made only from the outer layers of the wheat grain. This is the vital part so rich in iron and certain other "protective" food elements your body must have if you want to keep your vitality... your very joy in life.

You will be glad to know, too, that All-Bran is guaranteed, on a double-your-money-back basis, to keep you regular naturally. Natural regularity is always advisable, diet or no diet. Ask your grocer for a package of Kellogg's All-Bran today.

FOR REDUCING DIETS

Kellogg's ALL-BRAN

TWO SIZES

FAST! SAFE! NEW!
Canada's finest cleanser
by Swift Canadian Co. Limited

Only Swift's Cleanser gives you BOTH!

1. Instant grease cutting!

So fast! Swift's Cleanser contains an efficient grease-cutting agent that quickly releases the grimy film from pots and pans, sinks and tubs. It purifies, leaving the surface shining and spotless. No sediment left. A sprinkle in your dishwasher makes dishwashing easier, saves soap, too!

2. Scratchless cleaning!

Safe for all your fine equipment. Test a pinch between wet fingers and feel how smooth it is, how gently it dissolves. You'll find it even polishes as it cleans. Only Swift's Cleanser gives you the double advantage of instant grease cutting and scratchless cleaning. Try it for a week—you'll use it for life!

Coming events cast their shadows before them and how true this is of spring. When you see the boys playing marbles, the girls skipping, or hear the first crow, you may be assured that spring is just around the corner. Another never failing harbinger is the appearance of spring foods, rhubarb, maple syrup and leaf lettuce, to name a few. These seasonal newcomers are most welcome, for at this time of year everyone has grown just a little tired of the regular winter foods.

For the first few spring treats of maple syrup, home economists suggest serving the syrup with hot tea biscuits, Johnny-cake or muffins. Then follow along with some of the light flavoured desserts made with the syrup.

Grades for maple syrup are "Canada Fancy," a very light colored syrup, mild in flavor; "Canada Medium," darker in color, with a more pronounced flavor. The bulk of the maple syrup sold is of the latter grade. The lowest grade, "Canada Dark," is seldom sold on the retail market. If maple syrup is left in the open containers for any length of time, it will ferment. To keep the syrup indefinitely, bring to a rolling boil in an open kettle and seal at once in hot, sterilized glass sealers.

The first rhubarb to appear in the shops is hot-house grown, with delicate pink colored stalks and pale yellow-green leaves. The garden rhubarb, which comes later, is darker in color, with deep green leaves. The most popular way to serve young, tender spring rhubarb is stewed or baked. Like maple syrup, the rhubarb is specially good with hot biscuits or muffins.

Cream Puffs a la Rhubarb
Cases—
1/2 cup water
1/4 cup lard
1/2 cup all-purpose flour
1/4 teaspoon salt
2 eggs unbeaten
Bring water to boiling point, add

elders differ from those required by younger persons. In the twilight of life meals should be smaller, if more frequent, and consist of warm food, easily chewed.

STORING WINTER GARMENTS—Have all those heavy winter garments thoroughly cleaned before putting them away this spring, say health and welfare department officials. While dirt may not show as much on these articles as on lighter, summer wear, it is sure to exist, and may encourage the spread of vermin, while the clothing is tucked away. Doctors say that dirty gloves and mittens could be responsible for skin infections on face and hands next year, when these articles are used again.

flour and salt. Mix all at once, stirring vigorously. Cook, stirring vigorously, until mixture leaves sides of pan. Remove from heat and cool. Add eggs, one at a time, beating vigorously after each addition until mixture is smooth. Beat thoroughly for 1 minute. Drop by heaping tablespoons on a greased baking sheet 2 inches apart. Bake in a hot oven 400 degrees F., for 15 minutes. Do not open oven door during this period. Reduce heat to 375 degrees F. and continue baking for 30 minutes. Cool. Cut small slice from top, fill cases with thick stewed rhubarb, garnish with Creamy Custard, and replace top slices. Six servings.

Creamy Custard
1/4 cup sugar
3 tablespoons cornstarch
1/4 teaspoon salt
2 cups milk
2 egg yolks
1 teaspoon vanilla
Few grains nutmeg
Combine sugar, cornstarch and salt. Heat milk to boiling point in top of double boiler. Add sugar gradually, stirring constantly until mixture thickens. Continue cooking for 5 minutes. Beat egg yolks, add a little of the hot mixture, and blend well. Return to hot mixture, stirring constantly, and cook for 1 minute. Remove from heat, add vanilla and nutmeg. Chill thoroughly. Beat custard with rotary beater before serving. Six servings.

Maple Pudding a la Reine
3 egg yolks
1/2 cup maple syrup
1/2 teaspoon salt
1 1/2 cups milk
1 cup soft stale bread
lard and melt. Sift together the crumbs (well packed).
3 egg whites

Beat egg yolks, add 1/4 cup maple syrup, salt and milk. Pour over bread crumbs. Place in a greased baking dish and oven-poach at 350 degrees F for 1 hour or until well set. Beat egg whites with a pinch of salt. Gradually add remaining 1/4 cup maple syrup, beating until mixture will hold in peaks. Place on top of pudding and brown in a slow oven 300 degrees F for 20 minutes. Six servings.

LAUNDER IN FLOOD
ADELAIDE, Australia—When flood halted Australia's transcontinental train on the Nullarbor Plain between Adelaide and Perth, women passengers did washing in water by the track and hung it to dry on nearby fences. Five inches of rain in two hours caused the flood.

Timely Recipe
Almond High Brown Cake
3/4 cup shortening
1 cup granulated sugar
2 eggs
1/4 cup light corn syrup
2/3 cup milk
2 cups sifted cake flour
3/4 teaspoon salt
4 1/2 teaspoons baking powder
1 teaspoon vanilla extract
1 cup finely chopped roasted blanched almonds
3 tablespoons ground sweet chocolate
Frosting:
1 cup whipping cream
1/2 cup mild flavored honey
Cream shortening and 1/2 cup sugar. Add egg yolks and beat. Add syrup and stir to blend. Add milk alternately with flour sifted with salt and baking powder and beat. Add flavoring and

almonds and stir to blend. Beat egg whites stiff. Add remaining 1/2 cup sugar, a small portion at a time, beating well after each addition. Add chocolate and beat until well blended. Fold chocolate-egg white mixture into cake batter. Pour into 2 greased 9-inch cake pans. Bake in a moderate oven (350 degrees F.) about 30 minutes. Cool. Put layers together and cover top of cake with honey-cream frosting.
To make frosting: Combine whipping cream and honey and beat with rotary beater until very thick.
Serves 12 to 14.

KANCHRAPARA, India—The government of India has sanctioned the establishment of a new locomotive factory here at an estimated cost of \$350,000,000.

The Wards Have One

Francois Lake News

R. Zimmerman has arrived from the United States to take up residence on his farm next to the J. P. Ranch. It was owned by Frank Smith until a few years ago.

Mrs. Calder and family have arrived from Prince Rupert and have bought the Brownlee property on the lakeshore. Mr. Calder came some time ago and

has been cooking at the Nicholson Camp. Ethel Calder is attending school here.

John Haragonic was in the hospital in Burns Lake for four days and is now home again. He is not feeling at all well.

Six tables of whist were played at a whist drive sponsored by the Francois Lake Farmers' Institute on Friday. First prizes were awarded to Pat Partington and Charlie Beatty, consolation prizes to Maura Lord and Ralph Keefe. Lucky draw of a fire-proof tea pot went to Maura Lord.

MANY EXHIBITORS

LONDON (C)—The allocation of space for exhibitors at the first post-war British Industries Fair now is complete and a record number of 3,131 manufacturers will occupy 835,000 square feet in the greatest national fair ever held.

MINING TOWN HOSPITAL IS OPEN AGAIN

STEWART—Stewart General Hospital, which has been closed for some months, opened again on Tuesday. On Saturday, the newly-formed auxiliary to the hospital held a home-cooking sale that netted more than \$80 to be used to purchase materials for the hospital.

BOLD BABOONS FILCH TITBITS

OUTDSHOORN, South Africa (C)—Baboons in the Schoemanshoek district of Outdschoorn have become so impertinent that they are entering farmers' houses and stealing food. One housewife had a joint stolen from the table just before the family sat down to eat.

Communications On Alcan Line

New Long Distance Telephone And Telegraph Service Formally Inaugurated

SEATTLE (C)—Alaska Communications System announced the formal opening yesterday of the Alcan telephone and telegraph lines for commercial service between Alaska and Canada and the United States.

The Alcan line was constructed by the United States Signal Corps during the war as a cost of about \$10,000,000.

Calls from Alaskan points will connect from Fairbanks directly with Edmonton and will be relayed by telephone and telegraph long distance circuits to Canada or the United States.

RESOLUTIONS CONSIDERED

Prince Rupert Teachers' Association Instructs Delegates

In a busy session Tuesday evening in the Civic Centre, the Prince Rupert Teachers' Association dealt with many clauses that the salary committee had prepared for their consideration. These clauses would consolidate and clarify clauses of previous salary agreements and if approved would combine the most desirable features into one schedule.

Resolutions for the convention were considered. These included a request for revision of the Bible readings set aside for daily reading, a limit on the number of pupils in Grade One, a standardization of the primary reader throughout the province so that pupils being transferred from one school to another would have a similar background of instruction, a revision of courses in French.

The provincial executive advised that the bill for automatic membership had been approved by the provincial Legislature. There had been misinformed criticism as to the objective and results of the implementation of such a bill but there was nothing in it to take away the rights that teachers have.

Delegates to the convention will be Mrs. N. Moses, Miss L. Barton, Miss I. Peatt and John Vogt. J. S. Wilson, president of the local association and a member of the provincial executive, also will be attending the convention.

The outstanding convention speaker will be L. W. Brockington, one of Canada's most distinguished orators. Dr. G. M. Weir, minister of education, and H. L. Campbell, chief inspector of schools and former superintendent in Prince Rupert, will also be guest speakers.

Columnist Franco Answers Critics

Defends Regime While Writing Under Signature Of "Hispanicus"

MADRID (Reuters)—Gen. Franco himself is believed to inspire articles which appear periodically in the Madrid press under the signature Hispanicus and devoted mainly to answering criticisms of the regime.

Six such articles were published within four weeks and the general impression here is that they were based on notes dictated by Gen. Franco.

The articles demonstrate the emphasis the Franco regime now is putting on economic problems—brought very much to the fore recently by the appeal of the Associated Chambers of Commerce of all Spain to Gen. Franco to change the economic and social policy of his government.

The articles of Hispanicus are brief, varying between 500 and 1,200 words, unusually brief for Spain. They defend the necessity for the industrialization of Spain and for preserving what Hispanicus calls "our social revolution."

STEWART SCHOOL PRESENTS PLAY

STEWART—Three plays presented by students during the Stewart Superior High School drama festival brought high praise from the audience both for their presentation and the aptness of their casting. Mr. Sweeney, who was in charge of the productions, thanked those who had co-operated in making the evening a success.

First of the plays was "Rumpelstiltskin," a comedy in which Mary Manjolvich was cast as Rosalinda; John Hecomic as King Florimond; Raymond Burrett as the Herald and Richard Wilson in the dual role of Miller and Rumpelstiltskin.

In the second play, "Elmer Cleans Up," Jean Drysdale played Mrs. Redfield, Bobby Behnson as John Redfield; Dolly Smith as Mary Redfield; Billy Young as the youthful budding author Elmer, and Janet McLeod as the prominent Nancy Wayne from New York, provided a comedy effect that inspired laughter and applause.

In the final play, "Who Gets the Car Tonight?" with Agnes Smith as Mrs. Jones; Gordon Harrison as Mr. Jones; Violet Manjolvich as Mary Jones, and Roy Manjolvich as Paul Jones, a considerable atmosphere of suspense was built up by Bobby Behnson who played the part of Mary's beau.

Following the plays, the Parent-Teachers' Association put on a dance which lasted until midnight.

HIGH PRICE TALK — Congresswoman Helen Gahagan Douglas (D. Calif.) is shown carrying a basket of groceries which she displayed on the floor of the House in Washington as evidence of rising food costs. She warned that rising prices will bring on a depression.

Tiny Tot Totters On Papa's Palms

WELLAND, Ont. (C)—When five-months-old Richard Trumble starts to cry, his parents, Mr. and Mrs. Len Trumble of this city, know it's not food that the child wants. It is just an overpowering urge to stand up and see what's going on in the world.

Young Richard—no relation to he of the door—gets a great kick of standing on his father's palm and he's been showing the urge to get around since he was a month old. The young lad tried pushing himself up from his lying-down position and so his parents set him on his feet.

But Baby Trumble gets his greatest thrill from standing on Daddy's palm. He smiles a "look Maw, no hands!" expression on his face. Weighing 16 pounds, six ounces, the child had no comment when his father told reporters he had hopes of his son becoming a boxer.
