Premier Hart Delivers Policy Speech

Calls on Legislature to Ratify Fiscal Arrangements With Ottawa

ACTIVE PLANS FOR EXTENSION OF PACIFIC GREAT EASTERN RAILWAY INTO PEACE RIVER COUNTRY REVIEWED

VICTORIA (CP)—Premier John Hart today called on the British Columbia Legislature to ratify the Dominion-provincial agreement on transfer of provincial tax fields to the federal government. The agreement measures up to all the requirements placed before the federal government," said Mr. Hart in a 10,500-word policy statement outlining the government's legislative program in a policy speech. The agreement increases the 1947 payment to British Columbia by \$3,357,680 over that offered in the budget proposals.

BARBARA SCOTT IS EASY WINNER

Takes World Figure Skating Championship at Stockholm

STOCKHOLM—Barbara Scott, 18 year old beauty of Ottawa, easily won the world's figure skating championship here last night, taking the free style last night after the difficult set tests Saturday night.

Eight of nine judges gave Miss Scott first place among 21 competitors. Daphne Walker of England won second place.

CRIES OF "HELP! HELP!" IN HARBOR

DIVERT SHIP APPROACHING DOCK

Repeated cries of "Help! Help!" appearing to come in unison from several voices, caused Capt. Harry McLean to divert the steamer Coquitlam from its course as he approached the dock after entering Prince Rupert Harbor about 8 o'clock last evening and head across to the entrance of Metlakatla Passage whence the voices appeared to be coming. As the ship neared the area from which the cries appeared to be emanating, they ceased.

The ship moved in as close as safely possible in the dark foggy night and played the radar on the region but no trace could be found of drifting craft or anything unusual.

Capt. McLean notified the provincial police of the incident and, at the direction of Inspector H. H. Mansell, the P.M.L. 15 was dispatched to the area across the harbor last evening in the effort to ascertain any signs of distress there.

Later it was found that four boys in a fogbound rowboat started the chain of excitement that caused the coastal liner to leave her course, started a police search in the harbor and set residents of Section Two pacing the harbor shore in wonderment—all because they shouted into the foggy darkness to indicate their position to the passing steamship.

The four boys, Norman Martinuson, Forbes Lee, Douglas Macaulay and David Kristmanson, were returning from a day's outing at Tugwell Island when they spotted the lights of the Coquitlam looming in the fog. They shouted to give their position.

Capt. McLean, hearing the shouts, took them for a distress signal and headed toward the sounds to make a rescue but was unable to locate anyone in trouble so he radiophoned the B.C. police, who immediately manned their patrol boat P.M.L. 15 and began a search.

Unaware that they were the centre of these events, the four boys continued homeward, arriving at 9 o'clock just as the P.M.L. 15 was leaving another part of the waterfront to search for them.

While the Coquitlam stood off Metlakatla Pass with her whistle blowing at intervals in the foggy darkness, residents of Westview, attracted by the noise, came out onto their front doorsteps to see what the excitement was about.

The rumors that floated about included every sort of marine disaster.

The boys were surprised to learn that they had been the centre of so much mistaken attention.

THE WEATHER

Synopsis

The weather was clear over the province this morning. Banks of fog and low clouds are reported along the coast and over the central and northern interior. The combined effects of dry air and high pressures are expected to give continued fair weather today and Tuesday.

Prince Rupert, Queen Charlottes and North Coast—Mostly clear today with fog banks along the coast. Tuesday—Overcast widely scattered rain showers. Light winds today and Tuesday morning, increasing to southeast (25) during the afternoon. Little change in temperature. Minimums tonight: Port Hardy 34, Massett 32, Prince Rupert 30, Maximums Tuesday: Port Hardy 45, Massett 45, Prince Rupert 45.

WRITER DIES

TORONTO—Marjorie Margaret Saunders, who wrote "Beautiful Joe," companion book for "Black Beauty," died here at the age of 87.

IS FIRMLY ON SHORE

North Sea Might be in Danger From Westerly Swells

While dense fog was prevailing at the time and it was impossible to see the shoreline or the wreck, a clear view of the stranded American steamer North Sea was obtained by means of the radar equipment of the steamer Coquitlam as that vessel steamed through Seaforth Channel yesterday morning.

Capt. Harry McLean of the Coquitlam, arriving here last evening, reported the heavily freight laden North Sea lying firmly ashore on Porter Reef off Bush Point parallel with the shore of Don Peninsula. The vessel is reported badly holed with her No. 2 hold and engine room filled at high water. The vessel is resting on a fairly even keel. Principal danger would be, Capt. McLean feels, from a westerly swell which often sweeps in from Milbank Sound on that shore.

The big salvage steamer Salvage Queen arrived alongside the North Sea yesterday, having for a time been delayed by fog in reaching there.

The steamer Prince Rupert stopped at Bella Bella on Friday to pick up and take south the passengers from the North Sea. The steamer Catala took the baggage.

CANADA IS MADE FORT FOR STATES

MOSCOW—The Soviet newspaper New Time declares that Canada is rapidly becoming an armed fortress on the north for the United States. Canadian reactionary government elements, the magazine claims, are permitting this.

PIONEER OF CITY DIES

George Eckerman Succumbs at Midnight Saturday to Sudden Heart Attack

Resident of Prince Rupert for 33 years, identified with the retail grocery department of Edward Lipsett Ltd., George Eckerman passed away suddenly at his home, 320 Second Avenue, succumbing to a heart attack. He had complained for about a week of what he believed was a cold but none realized that the end was so near. His passing came as a great shock to many friends by whom he was so highly esteemed.

Born in Albany, Georgia, in October 1879, Mr. Eckerman had lived practically all his life in the Pacific Northwest. After spending some time in Portland, Salem, Pendleton and Tacoma, Mr. Eckerman came here from the last-mentioned city in 1909 and, with the exception of three brief periods of less than a year in the United States, he has resided here continuously since.

Real old timers will remember him with the old Lynch Bros store at the junction of First, Second and Third Avenues. He had been with other retail stores in the city before joining Lipsett's. Of quiet and unassuming yet genial disposition, he had many friends who will greatly regret his passing. He was a member of Tsimpsean Lodge A. F. & A. M. and a Shriner.

In addition to his widow, deceased is survived by two daughters—Mrs. Sirman (Henrietta) Robinson of Tacoma, who will arrive here Wednesday with her husband from the south, and Mrs. Fred (Georgian) Sumter of Albany, Georgia. There is one brother, Gale Eckerman of Utah, and one sister, Mrs. Courtenay of California.

Interment will take place in Tacoma, departure to be made for that city on the Prince Rupert Thursday night.

JAPAN'S TOP CIO LEADER AFTER STABBING—Katsumi Kikumami, Socialist Labor leader of Japan's militant national congress of industrial organizations, is visited at the Japanese Red Cross hospital by his wife and youngest son, Manabu, after the recent attack on the N.C.I.O. chief. Kikumami had gone to a friend's home in Tokyo to talk with two young men who posed as union electricians. The three discussed a projected Feb. 1 general strike. Suddenly the young men drew knives, slashed Kikumami's head, chest and arms and ran from the house. The stabbing took place in the home of Ichiji Kobayashi where Kikumami was living.

Bulletins

IS TOTAL LOSS?

SEATTLE—Coastguard headquarters reported today that the steamship North Sea, which went aground near Bella Bella, may be a total loss. Survey at low tide revealed extensive damage to the hull with the reef extending along each side.

WOMAN IS SHOT

VANCOUVER—Mrs. Annie Campbell, 67, was injured Saturday night by a bullet from a police gun when a constable fired on a suspect fleeing down a lane. She suffered a leg wound. Police Chief Walter Mulligan described it as a "regrettable accident."

CHIANG'S LAST GASP

NANKING—Generalissimo Chiang Kai Shek's government, in a desperate fight for national survival, completely revamped China's tottering business structure today and promised to reorganize the government itself. Drastic decrees have ordered home all fortunes abroad, restricted wages and prices to January levels, fixed the official rate of exchange at 12,000 Chinese dollars to one American dollar.

KEEP COAL MOVING

LONDON—Three thousand troops, using 700 trucks, were called on today to keep coal moving steadily down from the mines to power stations as the second week of Britain's great electricity cut began with the weather as frigid as at any time during the past 50 years. There is no sign of probable date of relaxation of restrictions which have caused unemployment ranks to swell and have paralyzed traffic.

MR. VAUGHAN HEARD

OTTAWA—R. C. Vaughan, president of Canadian National Railways, was heard at the session of the Board of Railway Commissioners dealing with application of railroads for a 30 per cent increase in freight rates. He told of decreasing railway revenues and rising costs.

NO COALITION—ATTLEE

LONDON—There are no grounds for talk of coalition government, said Prime Minister Attlee today. Such talk is "complete and utter nonsense," he said. Neither side wants coalition.

OIL STRIKE DEFERRED

SAN PEDRO—The big oil strike in the western United States, which was to have started today, was postponed after the operators had made a new wage offer. The postponement is for 48 hours.

BYRD OVER POLE

LITTLE AMERICA—Rear Admiral Richard E. Byrd flew over the South Pole for the second time Sunday. The last time was in November 1929. He dropped the flag of the United Nations.

Fifty-four Persons Lost Lives in South American Disaster Now Confirmed

BOGOTA, Colombia—The worst disaster in the history of commercial aviation has been confirmed in the finding of wreckage of a plane in the Andes 30 miles from here. The plane crashed into a cliff and plunged 1000 feet into an abyss. Fifty-four persons lost their lives including one Canadian—Harold Powell of Calgary. Search parties have returned from the scene.

Capetown's Great Day

King and Queen and Royal Princesses Land at South African Port

CAPETOWN—Great was the enthusiasm of the reception which greeted the arrival of the King and Queen and Princesses Elizabeth and Margaret who came ashore today from the great battleship Vanguard which had brought them from England.

Thousands of people had spent the night on Signal Hill to be sure of vantage point to watch the battleship steam into the bay. Pandemonium of whistles broke loose as the warship bearing the Royal Family moved in amid tumultuous acclaim of 20,000 spectators who lined the shore.

Visitors from all parts of the country were among the multitude which lined the streets as the royal party proceeded from the docks to Government House.

Their Majesties were received at the foot of the gangway by Field Marshal Jan Christian Smuts and Governor-General and Mrs. Gideon Van Zyl. Various military dignitaries were thereupon presented to the King. Then commenced the motor drive of the Royal party through the packed streets to their temporary residence in Government House.

The crew stood at attention as the ship slipped into her berth.

It is the first visit of the Royal Family to Capetown. On the slopes of Signal Hill, 1200 school girls, dress in white, formed the word "Welcome." Thousands watched from mountain roads, building tops and even flagpoles.

Three South African frigates and six aircraft of the South African Air Force escorted the Vanguard to her mooring. There was a 21-gun salute. The 7,000-mile voyage from England had occupied eighteen days.

The South African Communist party has decided to boycott all demonstrations in acclaim of the royal family's tour of South Africa. D. Diplessis, South African Communist, said today in London.

CONTROL OF LABOR

MATTHEW HALTON, noted Canadian radio commentator, speaking from London Sunday, raised the question out of the current coal supply crisis as to whether the government of Great Britain may not be forced into assuming a larger measure of control and direction of labor. He speculated as to whether the normal economic and industrial stability of the country could be maintained if people were allowed to continue doing the work they wanted to rather than what was required to be done in the national interest. He referred to 300,000 people who were engaged in the totally unproductive work of servicing recreations whereas men could not be retained in coal mining and there was an alarming shortage of labor in the industries.

The discussion leads to at least one conclusion—that democracy and liberty, for which we all profess such affection, cannot be maintained unless the individual is ready to assume an obligation and a responsibility. We cannot all play in a democracy but we can have a measure of liberty and play too if we are prepared to take some work with the play. The only other answer is some sort of a dictatorship no matter whether our government is based on socialism or capitalism, terms which we used for want of better. We had better stop preaching so much about socialism or free enterprise and try to get together.

GRAIN PRIORITY ORDER IS ISSUED

Empty Cars Requisitioned To Handle Wheat

MONTREAL—Canadian railways Saturday issued instructions to give effect to the order of B. S. Liberty, transport controller, covering priority to supply empty box cars to move wheat and grain for export and feed for domestic consumption for a period of six weeks, according to J. A. Brass, secretary of the Railway Association of Canada. The order was issued under agreements between the transport controller and the chairman of the Canadian Wheat Board. Under its provisions the railways are ordered to supply 1176 cars daily to take

care of country loadings. Prairies and lakehead, Vancouver export, all rail export from the lakehead as well as feed and export and feed grains from the Bay ports.

LEARNING OF TRADE IS URGED

Skilled Shipwrights Needed Now—Youths Should See Light

The Prince Rupert Employment Advisory Committee, in regular monthly session last Friday evening in the office of the Unemployment Insurance Commission, once again emphasized the need for parents of today and their growing boys to see the value of learning a trade. In the local shipyard qualified shipwrights are in demand and there are few available. Other local shipbuilding concerns find it equally difficult to get trained workers.

The whole question of apprenticeship, it was held, is of vital importance now for the lack of skilled craftsmen is holding back construction and progress and will be a national problem in a few years when the present skilled craftsmen are no more. The high wages paid during the war to unskilled workers may have caused some to turn down the chance to learn a trade because learner's wages are lower but the apprentice now will be the valued and valuable worker in the next few years and will always be assured of work at a good wage.

The committee endorsed a resolution favoring compulsory contributory old age pensions.

The local employment situation was considered and an analysis of the figures provided here that the worst of the un-

THE RAILWAYMAN
THE NICKEL WORKER
depend on each other

Every day train loads of Nickel roll out from the smelters at Copper Cliff to the refineries at Port Colborne and from there to the industries and seaports of North America. Heavy freight rolls in from all over Canada. In some years the Canadian Nickel industry has used every day: ten cars of timber, twelve tons of explosives, 2330 feet of pipe, two tons of nails, machinery and supplies in endless variety. In one year the Canadian Nickel industry paid over six million dollars to Canadian railroads for freight. Much of this money was used to pay Canadian railwaymen's wages.

Every year Canadian railroads buy equipment containing Nickel. Tons of Nickel go into locomotives, and freight and passenger car frames, because Nickel Alloys are tough, strong, rust-resistant. The purchase of this equipment means jobs for scores of men engaged in mining, smelting and refining Canadian Nickel.

Canadian railroads could not operate at their present efficiency without Canadian Nickel. The Canadian Nickel industry could not continue to operate without Canadian railroads. Each industry creates employment in the other. No matter how we earn a living, we are all one family, each depending on the others.

BASKETBALL— PRINCE RUPERT CLEANS UP ON THREE VISITING HOOP TEAMS

Swooping down on the luckless Port Simpson senior men's team on Saturday night, the local senior league-leading Savoy squad took a 58 to 50 win from the visitors in the final game of a special basketball card. Getting an early jump Savoy ended up away out in front at the end of the first quarter by an 18 to 6 score. From the opening of the second frame the game became more even with the Simpson squad trying desperately to overcome their shortage. The first half ended 30-15 with Savoy still out in front. In the third frame the visitors made another valiant attempt to catch the pace-setting Savoys and did creep closer with the third period closing 42-22 for the locals. With the gait getting even more accelerated in the last quarter, Port Simpson outscored Savoy but was still eight points short when the final whistle sounded. High scorers for the game were Ed Sampson of the visitors with 25 and Ted Arney of Savoy with 16.

The fans must have had quite a hard time remembering who Port Simpson was playing as Savoy had to change their uniforms three times throughout the match. Both squads starting the game in dark uniforms the coach of the visitors requested that Savoy change the tops of theirs to make it easier to distinguish the teams. So Savoy changed into the city rivals' uniforms—Bo-Me-Hi Rainmakers green and gold. Then at the half they again changed, this time to the now defunct 99 Taxi's old uniforms.

Port Simpson—L. Ryan 1, H. Sampson 12, E. Sampson 25, C. Cooper 4, White, Price, W. Cooper 5, G. Wesley 3. Total 50.
Savoy—T. Arney 16, M. Holkestad 4, Davis 10, D. Arney 1, R. Holkestad 8, Haugan 3, Murray 11, Vuckovich 5. Total 58.

**HIGH SCHOOL BEATS
NEW METLAKATLA**
Getting off to a fast start, the Bo-Me-Hi Rainmakers took a 40 to 34 victory from the barnstorming New Metlakatla Firemen. With Lavigne of the students paving the way with 20 points the students led throughout. Trying desperately to make a win of this match Booth of the Firemen racked up 16 points for his team but he lacked the

support given Lavigne by his team. Moving into a 10-7 lead in the first quarter the students sewed the game up with their 20 points scoring spree in the second frame while the Firemen managed to net only 10. This brought the half-time score to 30-17 for the locals. In the opening frame of the second half, with a thirteen-point handicap, New Metlakatla began to drive. In this frame the Alaskans crept up a point with the quarter ending 36-24. The last stanza effort put on by the visitors was a great try but the gap was just a little too big for them to overcome. Right up to the final whistle, however, they fought hard.

Bo-Me-Hi—Thompson 6, Lavigne 20, Hartwig 4, Forman 2, Ciccone 4, Flaten 4, Skog, Davidson, Intermela. Total 40.
New Metlakatla—Milan 2, Burton, Booth 16, Buxton 6, Bolton 5, White 4, Reese 1. Total 34.
Savoy's, 58; Port Simpson, 50.
Bo-Me-Hi, 40; New Metlakatla, 34.
Macey's, 11; Port Simpson, 28.
Canadian Legion, 42; Grotto, 27.

**INTERMEDIATE
TEAMS SHOW**
Although taking the game by a 41-28 score Macey's were forced to do it the hard way over another Port Simpson Intermediate team. Port Simpson got the jump on the locals in the first frame leading 12-8 at the breather. But Macey's came roaring back in the second quarter to take the lead which they held throughout the remainder of the game. Edging the visitors out Macey's led 16-13 at the half. From there on they just romped through to the win. The three-quarter time score was 28-19 with the locals still showing the way. With a 13-point lead against them Port Simpson fought hard right up to the closing second. Macey's featured John Haugan in the scoring bracket with 20 points and Port Simpson had a hard job out for themselves. This win was

the first Prince Rupert win for the night and paved the way for the others.
Macey's—Menzie's, Gill 2, Arstan 5, Haugan 20, B. Pierce 5, Teng 3, James 4, E. Pierce 2. Total 41.
Port Simpson—Wesley 3, Dennis 2, Hayward, Price 5, Green 7, Reece, Brooks, G. Wesley 11. Total 28.

As a result of the 42-27 pasting they took from Legion in Saturday night's junior game, Grotto joined Watts and Nickerson for a two-way tie for the cellar position. Legion moves into undisputed possession of second place. Starting off slowly the game stopped at the first quarter with Legion out in front 4-0. Then in the second stanza both squads got rolling with Legion still retaining the lead with the half ending 13-3. Completely falling apart under the onslaught Grotto was left be-behind by the time the third quarter came to a close. With a 34-12 lead going into the last frame, Legion coasted on to their win although Grotto tried hard to get back into the ball game by outscoring their rivals 15-8 in this frame. Grotto is having a hard time trying to climb out of their current slump but, after taking such a pounding they will be out for a win in their next encounter. High scorer for the game was Tommy Boulter of Legion with 19 points.

Grotto—Hebb 8, Currie 10, Youngman 4, Owens 1, Graham 3, R. Anderson 1, B. Anderson, Johnson. Total 27.
Legion—Olson 2, Lien 1, Boulter 19, Wong 4, Hill 4, Carlson 10, Forman 2, Eidsvick. Total 42.

Officials handling the games were: referees, Gurvich, Calderone, Ross and Comadina; umpires: Ciccone, Murray and Forward; timers: A. Hartwig, Gurvich, Ciccone; scorekeeper: D. Shier.

ALASKANS EKE SLENDER WIN AT METLAKATLA

Metlakatla, Alaska, and Metlakatla, British Columbia, battled neck-and-neck through a basketball session at old Metlakatla Friday night, arriving at the final whistle in what was almost a photo-finish as the Alaskan visitors put on the final spurge that netted them the advantage of a 53-51 point score.

The barnstorming Alaskans managed to eke out one-point leads at the close of the first and third quarters but, despite the furious pace they maintained throughout the game, they could not shake free of the Old-towners.
Score at the first quarter whistle was 16-15 for the visitors but the half-time score was a 26-26 tie as the Alaskans caught up on a one-point lead which the old-towners had built up during the early minutes of the second quarter. The visitors manager to retain the lead in the third quarter which ended with the score 43-42.
Major weakness of the British Columbia Metlakatlans was their inability to sink free shots, a

skill at which their cousins excelled. Teamwork in both groups was smooth, even though the game itself was fast and rough. The visitors had 14 personal fouls chalked against them, while the B.C. team was penalized for nine. A total of 12 time-outs was called.

High scorer for the Alaskans was M. Booth, who netted 18 points. Johnny Wilson led the scoring parade for the home team, garnering 20 points.

Hard-working Referee G. D. Ryan and his Alaskan assistant wore themselves out sweating shadows in their efforts to hold the game within the rule book. During the final quarter two Alaskan players bumped each other so heavily that one was stunned for a moment, although not seriously hurt.

**GRLES PLAY
OPENING GAME**
As a curtainraiser, two Metlakatla girls' teams, the Cubs and Hep Cats, joined in a game that resulted in the Cubs pulling well in front to win by a 22-11 score.

The Hep Cats were unable to take advantage of their scoring opportunities and fell into the rear at the end of the first quarter, when the score was 4-2 for the Cubs. Half-time score was 8-4 for the Cubs.
G. Haldane was scorekeeper and Ed Leighton and J. S. Ryan were timekeepers.

Men's Game
Alaska—M. Booth 18, N. Milne 9, E. Burton, D. Bolton 14, W. Buxton, J. Reece, J. White 12. Total—53.

BIG NIGHT FOR GULLS

Cleaned Up Weekly Honors In War Assets Bowling League

Gulls over Mosquitoes, Spitfires over Chickens and Sharpshooters over Wasps won three games to nil victories in the War Assets Bowling League at the week end, the fourth fixture going to Wingdingers with a two games to one win over Hell Divers. Still leading the league, however, are the Hell Divers.

In the week end play Gulls had the highest team aggregate and Pauline Dustin of that team was the high individual scorer with 677.

Seasonable Ideas for Housekeepers

PANCAKE BATTER HOT OFF GRIDDLE FOR SHROVE TUESDAY COMING UP

With the coming of Shrove Tuesday, pancakes, or griddle cakes as some folks like to call them, are a very popular item on the menu. They are equally a favorite of the homemaker since they may be made so quickly and easily in an unlimited number of variations.

There is a type suitable to serve at any meal. For that "special" breakfast nothing will raise the morale of the family quicker than pancakes. They may be made more substantial for luncheon by the addition of ground left-over cooked meat, and served with creamed vegetables. For a real dessert treat and something different, serve thin pancakes spread with jelly or jam, rolled and dusted with powdered sugar.

Home economists have a few "do's and don't's" regarding pancakes which if followed are sure to bring success.

Stir rather than beat the batter for pancakes. If the batter contains 2 or more tablespoons of fat per cup of liquid, the griddle or heavy frying pan on which

they are cooked need not be greased. Turn pancakes when they are peppered with tiny holes. Turn pancakes only once during cooking. Be sure the griddle or heavy frying pan is at the right heat before cooking pancakes. To test temperature of griddle or frying pan, add a few drops of cold water. These should dance on a hot-enough surface. The pancakes will stick if the griddle is either too hot or too cool.

Oatmeal Pancakes
½ cup all-purpose flour or ½ cup plus 1 tablespoon pastry flour
3 teaspoons baking powder
½ teaspoon salt
1½ cups quick cooking rolled oats
1 egg, well beaten
1 tablespoon melted shortening
1 teaspoon molasses
¾ cup water
¾ cup milk

Sift together the flour, baking powder and salt. Combine with rolled oats. Blend together the egg, shortening molasses, water and milk. Add to dry ingredients and stir only until smooth. Cook on slightly greased heavy frying pan until golden brown on both sides. Makes 18 4-inch pancakes.

Pancakes (French Style)
2 eggs
2 cups all-purpose flour
1 teaspoon baking powder
Dash of salt
1½ cups milk
1½ cups water
Fat for frying
Beat eggs well. Mix and sift flour, baking powder and salt and add alternately with milk and water to the eggs. Beat until smooth. Heat heavy frying pan, add a little fat and pour in about 3 tablespoonsful of the pancake mixture. Tilt the frying pan quickly from side to side to spread the mixture so that it almost covers the pan and makes the pancake very thin and lacy. When under side is golden brown and edges crisp, turn pancake and brown, other side. Six servings, allowing 3 to 4 pancakes, 6" in diameter, per person.

PRETTY FRENCH GIRL IS BRIDE

Wartime Overseas Romance Culminates in Prince Rupert

A wartime overseas romance culminated in Prince Rupert on Sunday afternoon with the marriage in the Church of the Annunciation here of Miss Yvonne Couzigou, daughter of the late Mrs. Couzigou and the late Phillip Couzigou, of Mar-seilles, France, and Jack Earl, second son of Mr. and Mrs. Thomas Moran, of Prince Rupert.

Unattended, the bride wore a brown bob robe suit with beige accessories and a gray felt hat for the ceremony. She also had a necklace of pearls, gift of the bridegroom. Her corsage was of white gardenias.

The ceremony was performed by Rev. Father Carroll, and witnesses were Mr. and Mrs. James Moran, brother and sister-in-law of the groom.

The ceremony was followed by a reception at the home of the groom's parents 1041 Eleventh Avenue East, with 50 friends in attendance. The guests were received by the groom's mother.

Teast to the bride was proposed by Harry E. Horne, and was responded to by the bridegroom. A three-tier wedding cake was cut in traditional manner by the newly married couple.

The guests enjoyed a buffet luncheon. Serviteurs were Mrs. Sev Dominato, Mrs. A. B. Ostashower, Mrs. James Moran, Mrs. S. Dumas and the Misses Hazel Moran, Irma McKinnon and Etheline McKinnon.

Mr. and Mrs. Moran have taken up residence at 329 Second Avenue West.

Timely Topics from Terrace

A very successful Valentine dance was held in the Oddfellows' Hall by the local Kinsmen Club. Attendance was good.

The Ladies' Guild of Knox United Church held a Valentine tea and sale on Saturday afternoon in the Orange Hall. For the occasion, the hall had been artistically decorated with Valentine motifs. Many people patronized the affair.

Mr. Diller of Boise, Idaho, arrived on Thursday afternoon and left again for North Bulkley on Friday night.

W. H. Spencer left on Friday night on a business trip to North Bulkley.

Stan Cameron, district manager for Standard Oil, Prince Rupert, was in town on Thursday.

Miss M. Cressman of the Prince Rupert Health Unit visited the schools on Friday and Saturday.
