Russo-British Alliance Expected

Stalin is Expected to Call For Revised Pact

LONDON (CP)—An official source said today that the government expected Prime Minister Joseph Stalin would call for a general military alliance between Great Britain and Russia to replace the present mutual assistance treaty. The source added in principle that Great Britain wanted "full co-operation" with Russia.

RESTAURANT JUKE BOXES TO BE TAXED

The city's juke boxes, those purveyors of canned, and often nerve shredding melodies, are going to have to pay taxes just like any other business that turns an honest dollar. However, the tax will not be based on sound volume as some might wish, but on a flat rate of \$5 every six months.

City council Monday drew a fiscal bead on the machines which are situated mostly in restaurants when it approved a licensing committee report recommending that "a licence fee of \$5 for each six months be imposed to cover Wurlitzers and similar musical machines."

COLD SNAP HITS HERE

Prince Rupert Has Nine Above—Yukon, 76 Below—Prince George, 24; Smithers, 15
A sudden drop in temperature brought 9 above zero thermometer reading to Prince Rupert during the night with a forecast for a minimum of 15 above tonight. The rather precipitate cold snap brought reports of frozen water pipes in a number of homes.

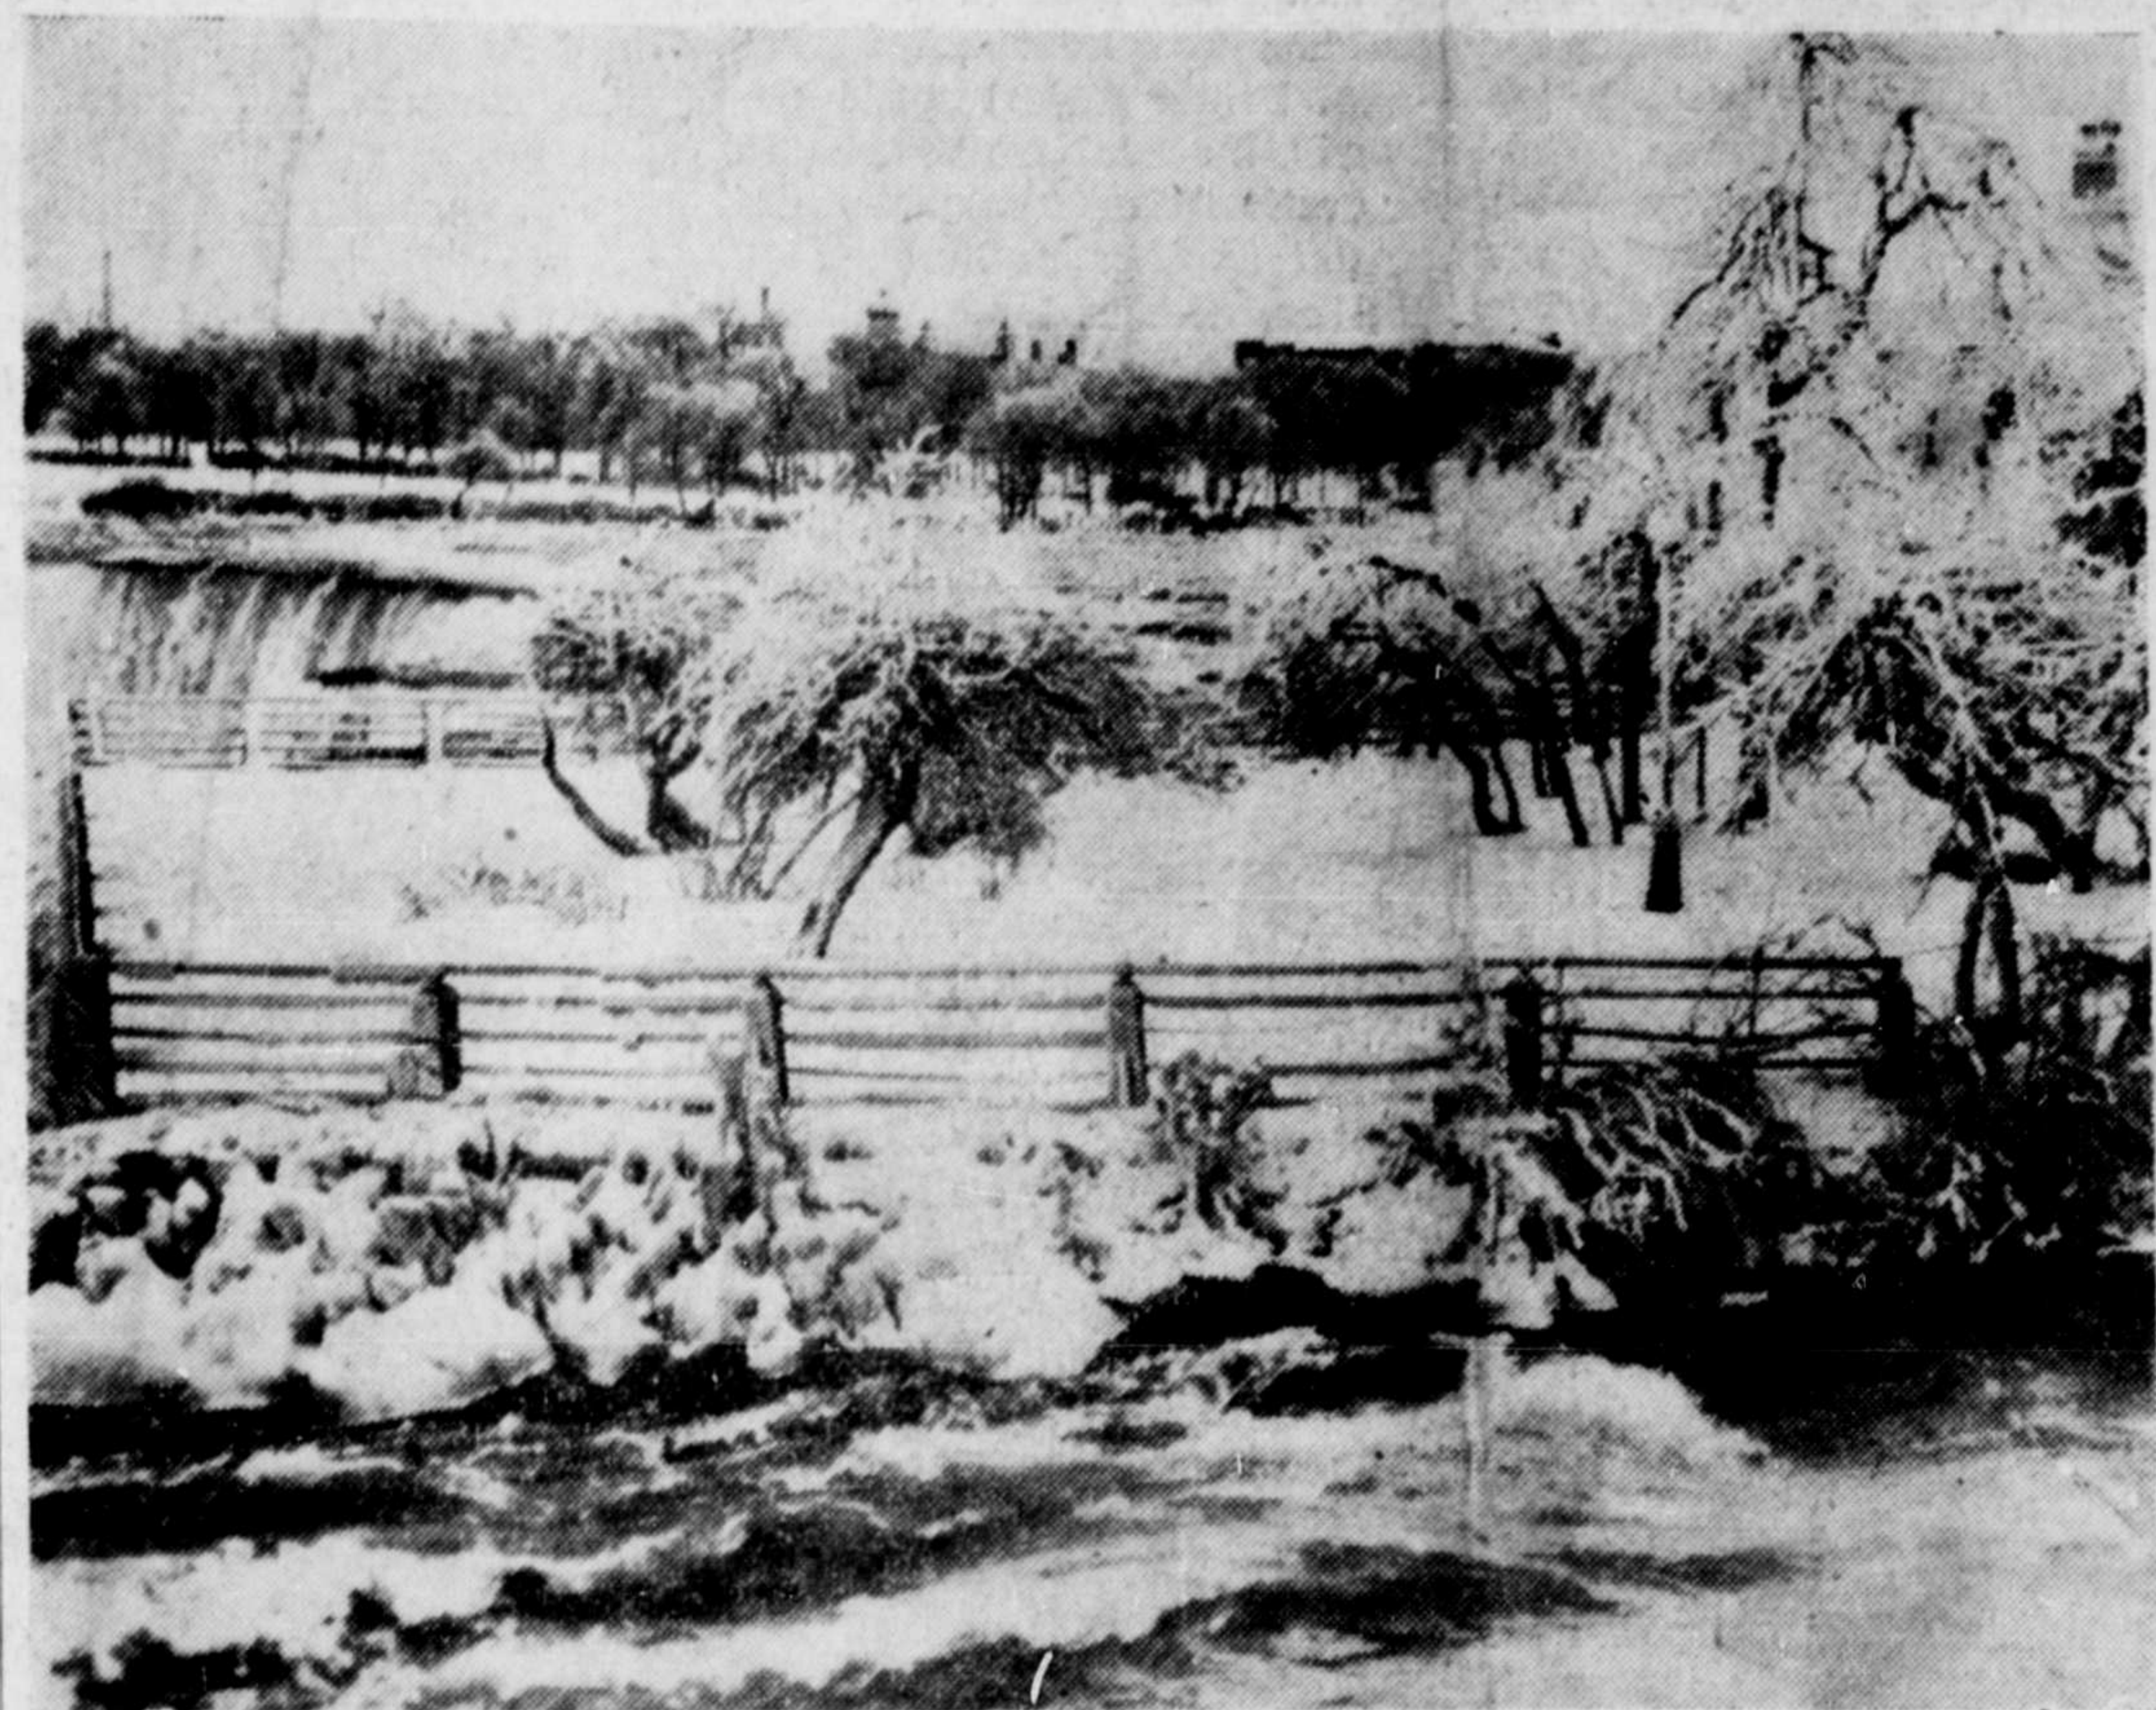

Throughout the north it continues extremely cold with Snag in the Yukon reporting 76 below and Prince George, 24 below. It was 15 below at Smithers yesterday.
Coldest temperature previously recorded in Prince Rupert this winter was 17.2 degrees on November 19, 1946. The memorable cold spell in January, 1943, sent the thermometer down to one degree above zero, and it remained in that vicinity for several days.

Freedom of the press has been dearly bought—the first newspaper issued in North America, appearing September 25, 1690, was suppressed before the second issue could be circulated.

COLORFUL SHRINE CEREMONIAL TO BE HELD HERE MAY TWENTY-FOURTH

Initiates to the number of forty or so, no fewer than thirty of them from Prince Rupert, will tread the burning sands here on May 24 and 25 to learn the rites and mysteries of the Ancient and Arabic Order of the Mystic Shrine when Gizeh Temple conducts one of its colorful ceremonials in Prince Rupert on those dates. President George J. Dawes, Secretary George E. Peters and Chairman George Dybhavn of Prince Rupert are already active in the making of arrangements for the big show.

Headed by Potentate Richard Nelson of Vancouver, eighty nobles and their wives will be coming north for the ceremonial aboard the steamer Princess Norah which is being specially chartered for the trip. The proceedings will be climaxed with a great ball in the Civic Centre auditorium on the night of May 24. The ceremonial proceedings will be headquartered from the Civic Centre.
The patrol and band of Gizeh Temple is coming north from Victoria for the ceremonial in connection with which they will play a prominent part. A great parade will be staged in collaboration with the Kinsmen's Club which is holding its Victoria Day children's field day at the same time.
The candidates for initiation at the local ceremonial, besides Prince Rupert, are coming from such district points as Smithers and Stewart and from Ketchikan, Wrangell and Juneau.
This will not be the first time that a Shrine ceremonial has been held in Prince Rupert. There was one here back in 1926 when Gizeh Temple came north in a chartered steamer, the proceedings at that time centering from the old Exhibition Hall.

NOT SATISFIED WITH BRITAIN

Russian News Agency Thinks Old Country too Friendly With United States

LONDON (CP)—Tass, official Russian news agency, urged Great Britain today to live up to the spirit of the treaty of alliance with Russia. It criticized Britain's ties with the United States, saying: "One cannot say British policy to the U.S.S.R. conforms to the principles and demands of the treaty of alliance. Britain has not concluded an alliance with the United States. Nevertheless, intimate relations between the two countries have assumed the character of a military alliance."

IS BANKER DEAD?

JERUSALEM—Palestine police expressed fear today that H. A. I. Collins, British banker, may have been fatally injured when kidnapped from his home Friday as hostage for a condemned member of the Jewish underground. Judge Ralph Windham, also abducted, was released unharmed last night.

MINISTERS INDISPOSED

LONDON—If he is to continue as foreign secretary, Rt. Hon. Ernest Bevin must take all rest possible, his physician says, following a heart attack while suffering from high blood pressure. Rt. Hon. Herbert Morrison has suffered a thrombosis and pleurisy attack and will not be able to resume his ministerial duties before, March 1.

OLD MINE REOPENING

R. W. Wilson, well known mining engineer, has arrived at New Hazelton to make arrangements for the reopening for development and production of the well known old Silver Standard mine on Rocher de Boule Mountain and, after spending a few days at the property, is expected to arrive in the city on tomorrow night's train and sail on the steamer Prince Rupert for Vancouver. It is understood that a considerable development program is projected for the property, which years ago was quite a spectacular producer, and that early shipments of ore will be possible.

APPEARS HERE TO OBTAIN BAIL

Charged with manslaughter in connection with the death of Mrs. Leslie H. West on a hunting expedition near Hazelton last November 27, Fred Spitzel of Hazelton was brought to the city on last night's train by Constable Mackie. He appeared in County Court here this afternoon to have bail set. Spitzel was committed for trial at Hazelton two weeks ago. He will appear for trial at the spring session of Assize Court here in May.

Five Canadians Are Among Dead in Plane Which Crashed in China

ENGINE TROUBLE CAUSE OF DELAY

Locomotive trouble, discovered at Terrace and necessitating the obtaining of a new engine, held up the train which was due from the East at 10:45 last night and it finally arrived here at 7:30 this morning.

Airliner Bound From Chungking to Shanghai, Comes to Grief Near Hankow

SHANGHAI (CP)—A Chinese Commercial Airlines transport plane, carrying twenty-five persons, including five Canadians, was found wrecked and burned 100 miles west of Hankow today. It had been on a flight from Chungking to Shanghai and last reported leaving Hankow. Radio contact was lost after the plane took off from Hankow and the wreckage was found in thirty minutes' flying time from the field there.

Airlines officials, in the search plane, reported the transport had been badly burned. One wing was half a mile from the rest of the wreckage. This led to the belief that there had been an explosion which killed all on board.
The Canadians included Mrs. P. Miller and three children, Paul, aged four; Peter, seven, and Philip, an infant, and Mrs. B. Kitchen, all of the United Church of Canada. Mrs. Miller and Mrs. Kitchen, on their way to join their husbands in missionary work, were well known in Vancouver and White Rock. Mrs. Kitchen was a well known artist.

GROUP DECIDES PRESS FREEDOM IS IMPOSSIBLE

Prince Rupert Citizens' Forum Tuesday night decided that "freedom of the press" is not possible in Canada today because of economic circumstances which link publishers and advertisers. On the other hand, the meeting decided, it would be neither beneficial nor desirable for newspapers to eliminate advertising.

Overtones of "pressure" from big advertisers who exert large advertising budgets are necessarily heard in the editorial offices of newspapers, the meeting concluded. This, in turn, cannot help but influence policies of the newspapers.

In answer to the question "Can newspapers get along without advertising?" the meeting returned a unanimous negative, adding that advertising is both interesting from the readers' standpoint and also of service.

Independence of the press also is prejudiced by the fact that in most Canadian communities there are only one or two newspapers and this published viewpoints are subject to the policies of those papers which are often influenced by economic factors, the meeting decided.

Criticism of the press as it serves the local community brought forth the opinions that: (1) It is biased in favor of groups of individuals; (2) Carries insufficient coverage of news of world-wide importance; (3) Carries some items of no interest to the majority of local people.

Chairman of the meeting was Eric Faure.

EUROPE VERY COLD
LONDON.—Temperatures here are lowest in 18 years. A severe winter cold wave took a rising toll of life in fuel-short French and German cities today. The Kew weather observatory in London reported 15 above. In Berlin over 60 persons have been frozen to death since December 1.

Changes are Taking Within Commonwealth

Important changes are being made in the British Commonwealth. The new pattern, sprawling across a large part of the earth's surface, is hastened by the Labor government. Policies of eventual self-government for native peoples have been enunciated by various governments but the process has been speeded up because labor thought is now the idea of the Empire. The subject peoples are because Britain, like imperial powers, faces new powers of independence. Office officials make no single pattern is imposed on all territories stages of their march to self-government. The policy is to develop colonial resources to enable to improve social and conditions and, when able, attain responsible government.

Prince Rupert's Case For Air Services; Survey in Support

Recently, in an effort to establish the public convenience and necessity of establishing a scheduled air service between Vancouver and Prince Rupert, the Canadian Pacific Airlines has conducted an exhaustive survey of the business, resources and services of this area. Since then Canadian Pacific Airlines has filed a formal application for permission to operate such a service. The information thus obtained and presented to the Transport Board is considered of sufficient interest to publish in the Daily News. Here is the sixteenth and final installment.

SUMMARY

In view of the slow or circuitous nature of present means of surface transport, there is a definite public demand for fast, consistent, scheduled air service over the proposed route.

The community of interest between Vancouver and northern points, as well as between the individual points themselves, requires a scheduled air service to promote the economic growth of the entire area in relation not only to Canadian but international commerce as well. The inauguration of scheduled air service between the points in question would not replace existing means of surface transport, but would be available to that portion of the travelling public requiring the fast, direct service.

TRAIN WRECK BEING PROBED

Police Believe Bale of Fencing Wire Was Placed Deliberately in Switch

WALTON, Ind., (CP)—Searching investigation is proceeding into the train wreck here Monday night when a Pennsylvania Railroad train plunged into a defective switch which had been jammed by a bale of fencing wire. Four persons were killed. Several rolls of wire were stored in piles along the track at the scene of the wreck. The roll causing the wreck was two feet across and weighed 400 pounds. Police, after a thorough investigation, said the wire was "placed there deliberately. Perhaps it was the work of a crank or prankster or it might have been dropped by some one stealing the wire."

ALL SET FOR ROYAL TOUR

King, Queen and Princesses to Sail on Saturday—South Africa Primping

LONDON (CP)—The Royal Family has begun final preparations for the two-month, 10,000-mile tour of South Africa and none of them are likely to appear much in public now before the departure from Portsmouth on the battleship Vanguard February 1. Last minute packing is now taking place. If sartorial preparations for the royal tourists have been elaborate, they are not a patch on those taking place among those who will be their hosts. South Africans in London say their countrymen are badgering tailors for formal ensembles although no one ever fusses about little niceties of apparel.

COAL REPORT IS COMING UP

Three Hundred Thousand Word Document of Royal Commission to be Presented

OTTAWA (CP)—A 300,000-word report of the Royal Commission on coal which may hold the answer to many problems besetting Canada's coal industry will be tabled in the House of Commons January 31, the day after the opening of Parliament. The report has taken more than two years to complete after a three-man commission investigated various aspects of the industry.

Development Ahead

POWERFUL INTERESTS we know are moving these days toward the development of industrial enterprise in this area through the utilization of natural resources of the district which lend themselves to new manufacturing processes. Investigators and organizers are known to have been hereabouts for some considerable time with this end in view. True no official announcements have been made. Anything in the way of definite commitments have been difficult to obtain in spite of efforts that have been made. Enough is known, nevertheless, to make us feel assured that, before long, something will develop along possibly even more substantial lines than might have been hoped for. There is no reason to be downhearted. These are days of transition and uncertainty. Before long we impatient newspapermen are hopeful of having announcements to make that will revive us all. As we have said, strong influences are at work and they are not just playing around. The fact of their presence here is most encouraging.

A Northern Senator

THERE IS NO QUARREL with the quality of the new senatorial appointments as far as the persons of Gray Turgeon and Sam McKeen of Vancouver are concerned. Both are estimable and deserving gentlemen, long prominent in political and public life and both of whom have given good service to party and province for which they are entitled to the honor and reward of senatorial appointment.

It appears, however, that Vancouver has taken the bacon again in spite of our appeals in the north including those of the Associated Boards of Trade of Central British Columbia and various constituent member boards that this part of the country is entitled to bona fide representation in the Upper Chamber. In fact, such representation is long since overdue. There are men of the talents and ability that would well grace and enhance the Senate.

Certainly, Southern British Columbia has had its share by now. It is to be hoped that the next time a British Columbia senatorial appointment comes up that we in this part of the country may at last be recognized.

Britain's Troubles

EVERYBODY IS AGREED concerning what the economic problem of Britain is. They have to have an excess of exports in order to provide for pre-war living levels;

and unless they can do that they are lost; and what they need to do, therefore, is to get their costs of production down so that they are on a competitive level with the rest of the world. That has become a terrific problem for the British.

In spite of the need to reduce costs the London Economist's editor points out, nothing is being done to secure lower costs in England.

"Wage rates," he observes, "are on the increase. Costs are being raised in other ways. Perhaps, the most powerful cost riser of all is the factor that cannot be registered in statistics, the universal reluctance to do a hard day's work, to which almost every employer could at present testify."

This condition, which the Economist portrays as contemporary England, it lays at the door of the labor movement.

"It is a lifetime of socialist teachings," writes the Economist editor, "that is coming home to roost on the heads of labor ministers, that the wage earner, who believes that all his demands can be met out of the surplus value accruing to the exploiter of labor, is beyond the power of being convinced that there is any connection at all between his own efforts and his rightful deserts. So long as there is a single capitalist left in the country, the worker will go on believing what the labor movement has always told him, that he is morally right and economically sound to work less and demand more wages.

Navy League Annual Meet

Local Sea Cadets in Excellent Training Position

Election of officers and receiving of annual reports were the principal items of business before a small but keenly interested annual meeting of the Prince Rupert Branch, Navy League of Canada, held at the Civic Centre last evening, S. P. Woodside was unanimously re-elected as chairman for the year 1947, other officers, all elected by acclamation being:

Vice-Chairman, Theo Fortune. Secretary, Edward T. Applewhite. Treasurer, Philip M. Ray. Executive—G. Douglas Woods, A. Ogilvie, Orme Stuart, H. S. Harrison, James Forman, Al Morgan, A. T. Lashmar, A. L. Holtby, Capt. J. R. Elfert, Mrs. C. H. Elkins, Mrs. J. R. Elfert, Mrs. J. E. Buddie, Mrs. A. L. Holtby, with Lt. Comdr. Alex Mitchell, Commanding Officer, Sea Cadets, ex-officio.

The Sea Cadet committee for the year was appointed by the chairman to consist of E. T. Applewhite, H. S. Harrison, Capt. J. R. Elfert and S. P. Woodside.

In his report for the past year Chairman Woodside mentioned the particularly keen interest shown by the members of the executive and their faithful attendance at meetings. He also expressed his thanks to the Women's Auxiliary and the other officers. Mention was made of the good fortune which befel the Sea Cadets Corps when H. M.C.S. Chatham was recommissioned and it became known that the Navy Drill Hall would be available for the Sea Cadets. He expressed the hope that the Women's Auxiliary would continue as an organization although the end of the war brought an end to most of their duties.

Great appreciation was expressed of the help given by the Royal Canadian Navy and especially Lt. Comdr. Eddy and Lieut. G. Brown. The chairman's report also spoke highly of the

accomplishments of the Sea Cadet Corps and its commanding Officer, Lt. Comdr. Alex Mitchell. It also stressed the point that, although the country is not now at war, the Navy League still had many duties and services to perform.

MONEY IS REQUIRED

The financial statement showed that the income was not equaling the expenditures and efforts will be made in 1947 to remedy this.

Mrs. J. R. Elfert, president, presented the report of the Women's Auxiliary which mentioned assistance at dances for visiting warships, presentation of a trophy for the most efficient Wrenette, won by Ethel Hemmons, presentation of a trophy for a whaler race, and active participation in the work of the Navy League.

Lt. Comdr. Mitchell's report on the year's activities of the Sea Cadets Corps, "Captain Cook," showed a postwar reduction in attendance. However, the boats were kept busy all season and the rifle range work was carried out regularly. Successful parades were held during the year. With the re-establishment of the Naval Reserve here new interests were available to Sea Cadets, including a great deal of the most modern naval equipment (largely secret during the war) and the services of trained Royal Canadian Navy instructors.

This was the last meeting to be attended by Lt. Comdr. Eddy who will shortly be leaving the city. He was enthusiastically thanked for all his support and help and, in making his farewell remarks, he wished the Navy League and the Sea Cadets at Prince Rupert every success in the years ahead.

It was the opinion of the meeting that parents of Sea Cadets were not taking the interest in the Corps or the League that might be expected and efforts will be made to arouse a more active interest on the part of the parents.

PORTIA WHITE COMING HERE

One of Outstanding Singers of the Day Booked for Civic Centre March 20

Portia White, outstanding Canadian negro contralto, has been tentatively booked for appearance at the Civic Centre here on March 20, according to announcement by Don Forward, Civic Centre manager. Her appearance here will be sponsored by the Business and Professional Women's Club.

Miss White is one of the outstanding vocalists of the day and has won international acclaim. Prince Rupert music lovers will, indeed, have good cause for gratification if arrangements for her appearance here in recital are finalized.

She will visit Prince Rupert in the course of a western tour which includes Edmonton and Vancouver.

NO STREETS RESERVED FOR SLEIGHRIDING

Announcement yesterday that certain city streets would be reserved from traffic to permit children to sleigh ride safely, was rescinded by civic authorities today after it was learned that the city might incur liabilities in case of accident unless careful precautions were taken to safeguard the sleighriders.

The original plan was to reserve several sloping streets in different parts of the city for sleigh riding between 4 p.m. and 6 p.m. so that the youngsters would not be endangered by traffic.

However extent of the precautions that must be taken to safeguard the children against accident does not justify the risk, the authorities feel, and therefore the plan has been cancelled.

Paralyzed Boy May Have 50-50 Chance of Recovery Even Yet

Leonard Campbell, 11-year old creeping paralysis victim who was pronounced incurable by Vancouver doctors two weeks ago, has been given a "50-50" chance of survival by southern chiropractors, according to Mrs. Ross Richardson, who took the boy south for medical examination.

Mrs. Richardson returned to the city at the beginning of the week after placing the boy in a private home at Duncan, Vancouver Island, where, she said, he is "very happy."

With funds donated by local citizens, Leonard was taken to the Vancouver Children's Hospital where he was unable to remain after specialists had pronounced his progressive paralysis condition as "incurable." The hospital is only for "curable" cases.

"I was told that, if he was curable, they would have kept him there, even if it had taken five years," says Mrs. Richardson.

Leonard was turned over to the Provincial Welfare Department and has been taken into the home of Mrs. Lowood of Duncan where he is accepted as part of the family.

Following the pronouncement of his "incurability" by medical specialists, Mrs. Richardson yielded to requests by a number of Vancouver chiropractors that he be examined by them. X-ray pictures and consultations among the chiropractors resulted in a decision that the lad still had a "50-50 chance."

The boy will be treated by a Duncan chiropractor. Money for the treatment will come out of

the subscribed fund which is still more than \$300.

Incidentally, publicity given the boy by a Vancouver newspaper resulted in \$187 being donated by Vancouver people. One anonymous donor attached a cryptic "give the kid a fighting chance" to a donation of \$129.

The Provincial Welfare Department is responsible for Leonard now, even though he has been taken into a private home.

The boy is said to be "very happy" at his foster-home, and is already a favorite of Mrs. Lowood's two sons, aged 15 and 12. The older carries Leonard about and the younger is his playmate. Leonard has taken it on himself to look after another foster child, a two-year old, whom the Lowoods have taken into their home.

However, because of his own helpless ness, he must confine his attentions to watching the child "so he won't hurt himself."

Canadians spent \$99,000 every day during 1945 to keep abreast of the news in Canadian daily newspapers.

Retired Fisherman Dies In Hospital

Thomas Kenny, retired fisherman, passed this morning in the Provincial General Hospital after an illness of several months which was 75 years old. Born in Newfoundland, Kenny had served on the Prince Rupert fleet for last 20 years. He retired 18 months ago. He was a war, and received a pension service in that conflict, unmarried.

MOORE—January 25, Cecilia, beloved wife of the late Harry Moore. Funeral services will be held by Rev. Basil S. Prockter at Grenville Court Chapel, 29 p.m., Wednesday, January 29. Interment Fairview Cemetery. B.C. Undertakers in charge. (23)

Mrs. Dennis O'Neil arrived in the city this morning on the Prince Rupert from Vancouver to join her husband here.

Sgt.-Major Marcel Girardet, R.C.E.M.E., returned on the Prince Rupert today from a two weeks' trip to Victoria on army duty.

OFFICERS OF RED CROSS

Annual Meeting Last Night—Sum of \$5000 Was Raised During Year

The Prince Rupert Red Cross Association will emphasize blood donor clinics and possibly take part in a financial drive this year while its work room, which did valiant service during the war, will remain on an "on call" basis, the annual meeting of the organization decided last night.

Held in the Civic Centre, the meeting returned Arnold Flaten to the presidency and most of its former executive members to leading positions. The new slate of officers:

- Honorary President, Bishop J. B. Gibson.
- Honorary Vice-President, Mayor Nora Arnold.
- President, Arnold Flaten.
- First Vice-President, Mrs. E. J. Fitzpatrick.
- Second Vice-President, Mrs. C. H. Elkins.
- Secretary, H. A. Breen.
- Treasurer, Stanley Saville.
- Executive—Mrs. G. A. Johnson, Mrs. Arthur Smith, Mrs. J. Bouzek.

Ordinarily, the executive consists of five members in addition to the officers and the executive committee was given power to add to its present number.

\$5,000 RAISED IN CAMPAIGN

Reports outlining last year's work were received from work room committee chairman Mrs. C. H. Elkins, Treasurer Stanley Saville and President Arnold Flaten. The treasurer's report showed that more than \$5,000 had been remitted last year to the provincial headquarters as a result of the financial campaign. President Flaten reported that so far about 100 people have turned in their names as volun-

ACOUSTICS DEFENDED

Vancouver Expert Sees Little Reason For Complaint at Civic Centre Auditorium

Critics of the acoustics of the Civic Centre auditorium, which have been under discussion since the recital last week of John Beadell, Vancouver tenor, do not find a sympathizer in Trevor New, acoustical engineer for the Dominion Sound Equipment Co., who was here during the last few days on a periodical visit to the Capitol Theatre and who made tests at the civic centre auditorium.

For this type of building, Mr. New is reported to have said that the acoustics are quite good. Of course, improvements might be made at considerable expense but Mr. New believes there should be no very good reason for complaint.

teers for the blood donor service. He anticipated that, with the arrival of the Red Cross caravan, public interest in the project will increase.

The meeting appointed S. H. Saville delegate to the annual convention of the provincial Red Cross, to be held in Vancouver this spring.

BILL HANSON IS RECOVERING

Has Completely Regained Consciousness Now and Is Out of Danger

William Hanson, son of Mr. and Mrs. Olof Hanson, who sustained a severe skull fracture in a fall on the ice while curling at Smithers ten days ago, has now regained consciousness fully and is well on the way to recovery, according to word reaching the city from the interior today. While he is gaining steadily, it will be some time yet, however, before he will be able to leave hospital. Following the accident, Dr. L. M. Greene of Smithers performed an operation for the removal of pressure. Special nurses were brought from Vancouver.

Mr. and Mrs. Hanson and Mrs. Don Sutherland, sister, came north from Vancouver as did Mrs. David Ritchie, mother of Mrs. William Hanson, and they are still at Smithers.

Douglas Frizzeil returned to the city on this morning's train from a trip to Smithers.

Jack Mussallem returned to the city on this morning's train from a trip to Prince George.

Sweet Sixteen

It was the talk of the quilting bee!

When the girls got together back around 1900 you should have heard them talk about the way their families raved over that malty-rich nut-like flavor of the new cereal Grape-Nuts!

1

Folks are raving about that grand, really different flavor more than ever today, because now they can enjoy it in two temptingly delicious cereals—curly, golden-brown POST'S GRAPE-NUTS FLAKES as well as Post's Grape-Nuts.

2

3

There's nourishment you need in every spoonful of Post's Grape-Nuts Flakes: carbohydrates for energy; proteins for muscle; phosphorus for teeth and bones; iron for the blood; other food essentials.

Post's Grape-Nuts Flakes

Post's Grape-Nuts Flakes are made of two grains—wheat and malted barley—specially blended, baked and toasted. They're remarkably easy to digest. Recipes for delicious cookies etc., too, on every package.

Hoop Game Is Fast, Close

Fighting Packers Lose 38 to 37 to Savoy—"Sixteen's" Near Win

Fighting hard the B.C. Packers dropped a closely played Senior "A" Basketball League game last night to the fast Savoy squad by a score of 38 to 37. It was a hard game to lose and just as hard a game to win—that is how close it was. Savoy were showing the way in the first half but the Packers came back and took the initiative in the second half. After staying very close in the opening minutes of the game, the Savoy opened up the scoring gap to come into the first quarter rest leading 9-5. The four-point lead did not change in the second quarter and the half ended 22 to 18 with the Packers still on the short side of the score. After the half-time breather, the Packers came back and out-scored the hotelmen 7-5 to end the third quarter with the Savoy squad still showing the way, 27-25. The last period got under way with the Packers trying desperately to beat down the two point difference in the score but

they only managed to whittle off one point. Ted Arney of the Savoy squad led the scoring parade with 18 points followed by Boyo Gurvich of the Packers with 10. The senior loop is definitely the strongest and evenest league that has been seen for a long time in Prince Rupert. Spectators seem assured of close and exciting ball games now regardless of which of the three teams is playing. The B.C. Packers featured the addition of Sonny Beynon in last night's game and now that their shuffling is completed, they will be right up on top with the other two clubs in the league. Savoy—M. Holkestad 7, Haugan, T. Arney 15, R. Holkestad 7, Davis 4, Murray 4, D. Arney, Vuckovich, Total 38. B.C. Packers—Houston 4, Dominato 5, Beynon 7, Calderone 6, Bill, Gurvich 10, Ciccone 4, Mazzoni 1, Total 37.

PEOPLE'S STORE BEATS "SIXTEENS"

In the Ladies' League game the Sweet Sixteen squad came very close to downing the powerful People's Store quintet. The People's Store won the game in the last quarter with the final score standing at 14-11. But for three quarters the Sweet Sixteen were out in front. With the scoring at 3-2 for the "Sweeties" at the end of the first quarter, the People's Store were taken completely by surprise by the fight shown by their opponents. Again in the second half, the Sweet Sixteens were held down by the determined People's Store girls. Still, the score at the end of the third period was 11-9 with the Sweet Sixteen quintet still

on top. The game was won in the last quarter by three penalty shots that the People's Store dropped in to give them the extra points needed for the win. But the surprising thing is that the so much more inexperienced "Sweeties" were able to come so close to winning. It seems that the Senior "A" isn't the only league that is getting their squads evened up. Within the next few games there may be some minor upsets in this ladies' league. People's Store—Blain, Sandhals, Grey 7, Berg 3, Bill, Balagao, Vuckovich 4, Total 14. Sweet Sixteen—Currie 4, Jordan 1, Youngman 2, Simondson, Kludal 4, Dumas, Windle, Mcintosh, Hitchins, Total 11. GYROS WERE HARD PRESSED Although leading all the way, Gyro still had to work hard to overcome a determined Watts & Nickerson squad in last night's Junior League match. The final score stood at 32 to 26. D. Scherk and Haugan of the Gyro were high men for the night with 14 and 11 points respectively. Watts and Nickerson got the jump on the winners in the opening minutes of play but, by the time the first quarter was ended, the Gyro were out in front 13 to 7. Although they stayed out in front for the remainder of the game, they were hard-pressed when Watts and Nickerson narrowed the score down to 15-14 by the first half mark. Early in the third frame the winners found the range again and increased their lead by five more points to lead 22-16 at the end of the third quarter. Watts & Nickerson fought hard to over-

PREMIER ROAD BEING CLEARED; M. L. A. HEARS TOWN PROBLEMS

STEWART—In spite of very wintry weather, progress is being made on the clearing of the Premier road which has been blocked by heavy snows. Crews of men with snow plough and caterpillar are continuing their efforts to push through the slides. The tramline has been repaired and supplies are moving up to the mine normally again.

NAAS VILLAGE SOCIETY ELECTS NEW OFFICERS

KINCOLITH—Kincolith Senior Society elected its officers at its annual meeting recently, naming A. Luke Nelson president. The Royal Purple chapter of the society elected Miss Alma Venn president.

The full slate of officers are as follows:

Senior Society
 President, A. Luke Nelson
 Vice-President, J. C. Benson.
 Secretary, Fred Stewart.
 Treasurer, John Moore.
 Managers, Ernest Angus, Morris Haldang.

Royal Purple
 President, Miss Alma Venn.
 Vice-President, Mrs. W. Stewart.
 Secretary, Mrs. Arthur Angus.
 Treasurer, Mrs. Emma Nelson.
 Deacons Secretary, Mrs. Eva Nelson.

Mrs. Nelson was re-elected Dorcas Secretary in tribute to her efforts in raising more than \$100 last year. The money was turned over to the treasurer during the meeting.

Banquet held
 Following the elections, a banquet was held to which all organizations and guests of the village were invited. The function was held in Jubilee Hall. During the evening the Society received \$300 in donations to instal a new furnace in the hall.

A feature of the banquet was a birthday "party" for the twin sons of Mr. and Mrs. A. Luke Nelson. Two birthday cakes, one for each of the three-year old boys, were set on the table.

Speeches of welcome were delivered by the president, vice-president, and Samuel Lincoln. The affair closed with a benediction delivered by Rev. George Johnston, Kincolith missionary.

Enjoyable were the whist and drive held on Saturday last by the Canadian Legion in the Legion Hall, a large crowd turning out. The prize winners in whist were Mrs. D. Macaulay, K. Schultz, Alex Russwurm and A. Wagner. Mrs. C. Walker was winner of a special Burns Night prize. Music for dancing was by Mrs. H. Stewart at the piano and W. S. Orr at the drums.

W. D. Smith, M.L.A. for Atlin, was a visitor in Stewart last week prior to proceeding to Victoria to attend the next session of the Legislature opening February 11. He met the village council, school board and hospital board at special meetings and heard their problems.

SMITHERS

Hot supplementary foods are to be served in the Smithers elementary schools to children who have to bring their lunches to school. Mrs. L. M. Greene is taking charge of the work.

There were no less than eight baptisms at a single service in the Smithers United Church recently. The children baptized were the daughters of Mr. and Mrs. L. K. McLeod, Mr. and Mrs. Ed Herman, Mr. and Mrs. G. W. Robinson, Mr. and Mrs. L. O. McCrimmon, Mr. and Mrs. A. G. Wall, Mr. and Mrs. E. V. Glass and Mr. and Mrs. G. W. Hann.

SCHOOLS IN HOBBY SHOW

Interest Widening in Forthcoming Display at Civic Centre
 Teachers of the various city schools are displaying an interest in the Arts, Crafts and Hobby Show being planned for the Civic Centre March 6 and 7 and are proving helpful in the organization of many types of appropriate exhibits.

An art display, being arranged by J. Henry of Booth Memorial School, gives promise of being as attractive as it will be large and varied, portraying very definite talents which are being developed among some of the students.

From the manual arts department at the same school, Arthur Hardwick and Kenneth Pugsley have undertaken to assemble a large variety of articles depicting the ingenuity and individual initiative of a large variety of articles.

Sea Cadets will also take part in the show with a display of their work including wire and rope splicing as well as hobby work done at drill hall and home.

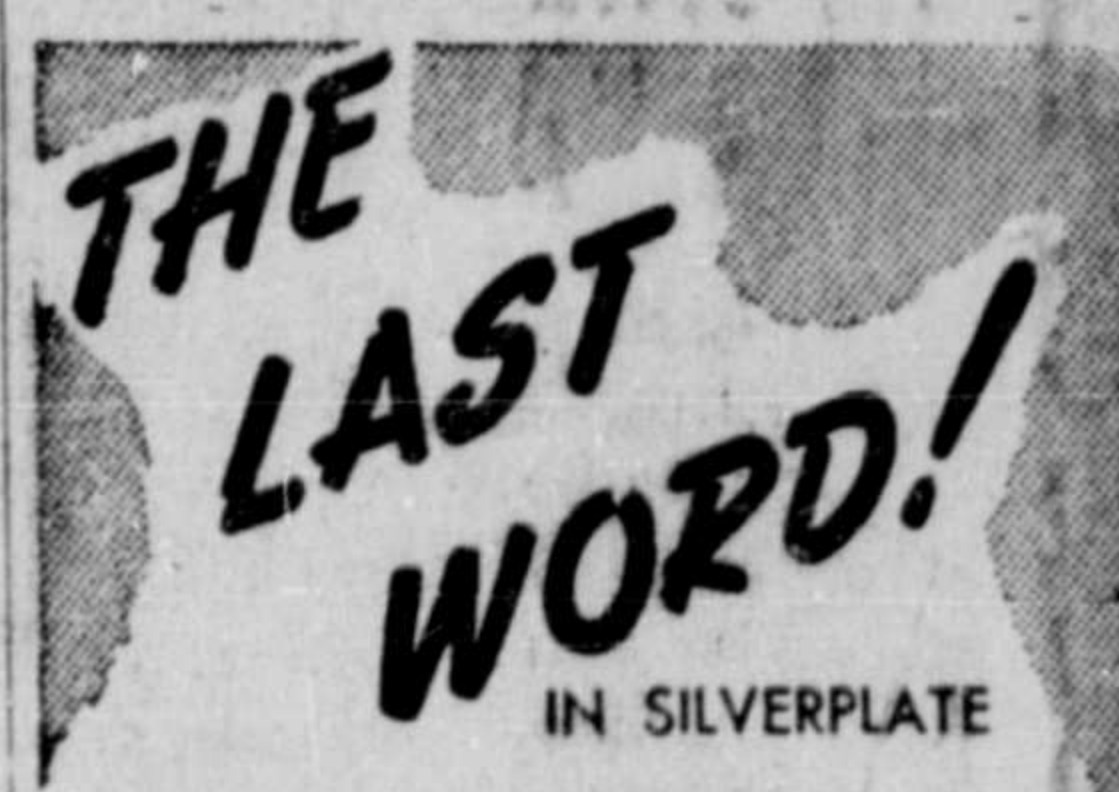

Others who have recently indicated intention of exhibiting are:
 Junior Photography — John Wilson, Bruce Mills, Douglas McCaulay and Robert McArthur.
 A. O. Morse, carvings and

paintings.
 Mrs. Marguerite Matthews, paintings.
 Mrs. Keith Dixon, Italian quilting and needlepoint.
 Mrs. T. W. Brown, hooked rug.
 S. B. McCafferty, photographs of children.
 Mrs. Helen Henderson, embroidered pictures.
 Mrs. D. C. Stuart, pencil drawings.
 Lenora Fidgett, tinted photographs.
 Col. Keith Dixon, doll's house.
 George and Bernice Mastad, pastels.
 Bruce Wilson, wooden picture frames.
 Mrs. A. G. Macdonald, old fashioned crafts.
 Mrs. L. A. N. Potterton, artificial flowers.
 William Slater, stamp display.
 Mrs. H. A. Breen, Mrs. G. E. Moore, Mrs. Dan Macdonald and Miss Margaret Lee, diamond necks.

Vickie Lewis, paintings.
 Mrs. Ted Moore, clay modelling and felt work.
 Mrs. George Abbott, fancy work.
 W. M. Martin, oil paintings.

Mrs. Harvey has enlisted the assistance of Miss Jeanne Faure as director of art display. Mr. Goscoe, other displays assisted by Miss Helen Malden and Mr. Pugsley.

H. G. Wells attributed the decline and fall of the Roman Empire to the lack of newspapers since there was no method of exchanging information between Rome and outlying regions.

LIVE ELECTRICALLY AND ENJOY THE Difference!

ENJOY wash day! Save your hands—let an electric washer do the hard work by gentle motion which forces creamy suds through soiled clothing and linens!

ENJOY a cleaner wash! Yes, electric washing is more thorough because suds are not swished through parts of the garments a few times, but through all parts many times!

ENJOY a quicker job! An electric washer does the work, allowing you time for other matters, and in far less time than it takes to scrub by hand, your laundry is thoroughly washed, rinsed and out on the line!

RESOLUTION ON BACK PENSIONS

Alderman George Casey's "old age" resolution, which has been forwarded to several influential political quarters in Ottawa and Victoria, received hearty endorsement by city council Tuesday night when he presented it to the aldermen for their official support. The resolution, originally passed by the city's "Over 70" Association, seeks reduction of the age requirement for male pensioners from 70 to 65, and from 70 to 60 for women. It asks \$50 a month pension and abolition of the "means test."

COINCIDENCE IN CALIFORNIA

On January 13 the Daily News published a news picture showing two trees that had fallen on an auto during a Christmas storm in Los Angeles. Oddly enough the picture was taken in front of an apartment house on Alexandria Avenue, Los Angeles, where J. D. Lawrence, former manager of Government Telegraphs here, resides and the car belonged to Mr. Lawrence's neighbor, Mr. Carey. "The car is running again as good as new," Mr. Lawrence, who is still a subscriber to the Daily News, writes to this office.

FINE COMEDY ROMANCE HERE

"The Bride Wore Boots," with Stanwyck, Cummings and Lynn, This Week-end at Capitol

An exciting and highly entertaining comedy romance, featuring three highly popular stars—Barbara Stanwyck, Robert Cummings and Diana Lynn—comes to the Capitol Theatre here this Thursday, Friday and Saturday in "The Bride Wore Boots."

The story concerns the domestic difficulties of an outdoor girl and an indoor man portrayed by Miss Stanwyck, who loves horses, and by Cummings, who abhors them. A precarious situation arises when Miss Lynn appears on the scene with ensuing compromising situations, a divorce ensues and the climax comes when Cummings, to win his wife back, decides to ride in a steeplechase. There follows an extremely hilarious racing scene and a rollicking ending.

Other members of the cast include Patrick Knowles, a rejected but still persistent suitor of Miss Stanwyck; Peggy Wood, as Barbara's discerning mother; the late Robert Benchley, as a gay uncle, and Willie Best in the role of a negro stablehand.

Survives Although Made Human Torch

VANCOUVER, B.C.—Gerard Jordison, aged 40, survived a fire ordeal when burning fuel from an exploding tank made him a human torch on top of the Regent Theatre here Sunday night.

He was burned severely about hands, arms and abdomen and his clothing was burned to ashes. A drying torch, fed by fuel oil, with which he was working on the roof, exploded.

COMMITTAL IN ASSAULT CASE

Preliminary hearing of James Wood, charged with assault occasioning actual bodily harm, ended before Magistrate W. D. Vance in city police court yesterday. There was committal for trial after a number of witnesses had been heard.

Wood is charged with assaulting George Charleston with a glass bottle in a Third Avenue cafe on January 18. A. B. Brown is acting as counsel for the accused.

It was expected that Wood would appear before Judge W. E. Fisher in county court for election this afternoon.

Reynolds and Fred Brady in "Meet Me On Broadway."

February 26 and 27—Alfred Drake and Janet Blair in "Tars and Spars."
