FAITH HEALER FOLLOWERS CLAIM CURES—Armenian faith healer Avak (in white robes) passes through a crowd of crippled and blind persons waiting to see him. Followers of the 20-year-old Avak said he cured a child May 21 who has been crippled blind since she was a baby. Avak has seen an estimated 10,000 persons at the Palm Springs guest home of Vintner Krikor Arakelian who brought Avak from Armenia to cure his son stricken with epilepsy. The son is still subject to epileptic seizures.

TO ENFORCE LABOR BILL

Government Commences Action Against Strikers—Union Fighting Back

VANALMO, ©—Delegates, representing 17 labor organizations met tonight unanimously voted to support the laundry workers' strike here. The meeting also agreed the plant management to operate at once the two discharged women employees and that the strikers be allowed to resume work without discrimination. The plant is being picketed.

GOVERNMENT TAKES HAND

The government, Thursday night moved to enforce the new Labor Bill as summonses were issued against the Laundry Workers' Union, three officials and 27 members in connection with the Imperial Laundry strike.

The Department of Labor prosecutor has said: "The supervised strike vote clause will not be tested, as the charges deal with alleged calling and participation in a strike, before the acts of conciliation procedure had been duly complied with."

Information was laid by the Deputy Minister of Labor, Mr. Thompson, and the registrar of the department, Mr. Barry Goult.

Failed In Exams, Cuts His Throat

VANCOUVER ©—Body of 18-year-old John H. Climie, first year arts student at the University of British Columbia, was found by fishermen. He had bled from throat wounds believed to be self-inflicted. Friends said he had been despondent because of "some failures" in university examinations.

IMMIGRANTS FLYING OVER

TORONTO, ©—Premier Drew Ontario announced Thursday night arrangements had been completed for Trans Ocean Air lines to fly upwards of 7,000 British immigrants from the United Kingdom to Ontario this year. "Operations will begin by July," said Premier Drew.

BULLETINS

U.S. GETS FREE HAND
WASHINGTON—Greece formally guaranteed the United States a free hand today in supervising the \$300,000,000 American aid program and agreed to full publicity on the use of this money.

FRENCH FISCAL CRISIS
PARIS—The French franc began to sag today as the bank and department stores strikes halted normal activity and the cabinet prepared to present the country with a staggering new tax bill. There is a possibility that Premier Ramadier may ask Parliament for a vote of confidence.

JAP BEASTS HANGED
GUAM—Six Japanese, from admirals to privates, were hanged last night for wartime atrocities. The gallows had been carefully screened from vengeful Guamanians. The charges ranged from cannibalism to beating American soldiers.

NO EXILE GOVERNMENT
BUDAPEST—A member of the Hungarian Parliament who had fled from the country sent word to the Associated Press today that there is no plan to set up a Hungarian government in exile. There had been speculation along these lines ever since Premier Ferenc Nagy had been forced out of office in the Communist coup.

RADIO INVESTIGATION
OTTAWA—The House of Commons radio committee was urged today by the Association of Canadian Advertisers to appoint a Royal Commission to investigate the whole field of broadcasting in Canada.

NEW SPEED MARK
MURC, Cal.—Flashing over a short course Thursday, a Lockheed Jet P-80-E set a world's record of 623.8 miles an hour. This broke the British record set by a Meteor last December of 608 miles per hour. The unofficial British time is 626.

Local Tides
Saturday, June 21, 1947
High 2:40 22.2 feet
15:47 19.6 feet
9:20 9.3 feet
Low 21:30 6.9 feet

The facilities of the city's four Gyo playgrounds plus the former Seal Cove School and the Civic Centre building will be employed this summer in the children's playground program which will have five full time supervisors, employed by the Civic Centre, in charge.

Centre of playground activity will be McClymont Park, which contains the wading pool in which a "water safety" program will be one of the major projects. Programs also will centre at Seal Cove playgrounds, Alder Park, Westview Park and Gyo Park.

In charge of the playgrounds will be Neil Ross, Rip Rec director, assisted by Miss Margaret Slinn, Miss Laverne Linney and Miss Peggy Large. Co-operation of volunteer supervisors also is being sought.

Truman Vetoes Labor Control Bill

BREAK-UP IN SEATTLE

Ten Vessel Owners Quit Association and Sign Up With Catch Agreement

SEATTLE, ©—Ten halibut vessel owners have left the Fishing Vessel Owners' Association and signed an old agreement on the catch and the shares in dispute which has kept the Seattle fleet idle since the season started May 1. Twenty-two other owners of vessels, but not members, have also signed.

PENSION PLAN IS INADEQUATE

Even B.C. Liberal Member Critical of Federal Measure

OTTAWA—Speaking in the House of Commons yesterday, James Sinclair, Liberal, North Vancouver, described the government's bill to increase the basis of old age pensions from \$25 to \$30 a month as a "great and bitter disappointment." He called for abolition of the means test as did Stanley Knowles, C.C.F., Winnipeg.

Strong criticism also came from another British Columbia Liberal member, George Cruikshank, Fraser Valley, who joined with Sinclair and said he did not think the bill did justice to Liberal party pensioners.

RESERVISTS HURT IN JEEP CRASH

VANCOUVER ©—Seven Reserve Army soldiers were injured Wednesday night when they were thrown from a jeep. Robert Ball, Robert Edington and Sam Duhamel remained in hospital yesterday. The others were released.

FRANCHISE FOR B.C. ELECTRIC

VICTORIA—By vote of nearly 5000 to 755, the ratepayers of Victoria yesterday voted in favour of granting a twenty-year bus franchise to the British Columbia Electric Railway. Street cars are to be replaced by buses in this city.

FULL SCALE SUMMER PLAYGROUND PROGRAM PLANNED AT CITY PARKS

The facilities of the city's four Gyo playgrounds plus the former Seal Cove School and the Civic Centre building will be employed this summer in the children's playground program which will have five full time supervisors, employed by the Civic Centre, in charge.

Centre of playground activity will be McClymont Park, which contains the wading pool in which a "water safety" program will be one of the major projects. Programs also will centre at Seal Cove playgrounds, Alder Park, Westview Park and Gyo Park.

In charge of the playgrounds will be Neil Ross, Rip Rec director, assisted by Miss Margaret Slinn, Miss Laverne Linney and Miss Peggy Large. Co-operation of volunteer supervisors also is being sought.

Communists More Active In Canada Than Ever, 'Tis Said

TORONTO (CP)—Communists are more active in Canada today than ever before, the Canadian Chamber of Commerce reported in an analysis released today following a meeting of the Chamber's national board of directors.

A forty-page report is documented with frequent reference to Communist party publications and to investigations of party activities in Canada and the United States.

The Chamber expressed no opinion on the advisability of outlawing communism in Canada but added that "any power which attempts to force its own form of government beyond its own borders and upon other countries must be prepared to have its methods exposed and full publicity given to the attempt."

CONDEMNED ONCE MORE

Second Death Sentence Passed Upon Convicted Killer of Coast Woman

VANCOUVER, ©—The Assize Court Thursday night convicted Davis Houston of Belize Inlet of the murder of Mrs. Beatrice Smith November 3. He was sentenced to hang October 1. This was Houston's third trial in six months on the same charge. He had been previously condemned.

BEVIN LASHES OUT AT REDS

British Foreign Secretary Charges Russia with Dividing World

LONDON—Cheers rang out in the House of Commons yesterday when Foreign Secretary Ernest Bevin charged Russia with dividing the world by imposing one party rule upon Hungary and Bulgaria.

"If there is to be a conflict between ideologies," declared Bevin, "it is to be regretted but, if it is forced upon us, we must face it."

Western ideals would eventually prevail, predicted the foreign secretary.

Richard Law, former secretary of state, accused Russia of flouting all the values which had been fought for during the war.

Blisters Railways

Vigorous Attack for Lack of Policy and Service Delivered by McGeer

VANCOUVER, ©—Delivering a blistering attack against the railways at the session of the Board of Transport Commissioners here yesterday, Mayor G. G. McGeer, in a four and a half hour address, called for a national railway policy. By unification of services, McGeer declared that \$100,000,000 per year could be saved instead of the \$87,000,000 which would be raised by increase in rates as proposed. Railway facilities of the Dominion were described by the fiery senator-mayor, who has long fought for lower freight rates, as a public disgrace.

Plea was made out before the national freight rate inquiry for special consideration of British Columbia by Mayor McGeer. He told the board of transport commissioners that this area should receive benefits similar to those given the Maritimes through rates on certain traffic moving out of that region.

Dealing with the 30 per cent increase in rates asked for by the railways, McGeer said the adoption of the proposal would be to "repeat the mistake after the first world war which had culminated in the greatest depression the world has ever known."

T. G. Norris, counsel for fruit and vegetable industries in the Interior of British Columbia, told the Board that the requested 30 per cent freight increase would give the railways dictatorial powers to manipulate the economy of the country. They would be able to so adjust charges within that ceiling that they could force any industry out of business or make them move from one part of the country to another. The railways would be put in control of the national economy of Canada.

ISLANDS WANT AIR MAIL NOW

Now that commercial air service on a scheduled basis has been instituted between Prince Rupert and Sandspit with the possibility that it may be made accessible to various other Queen Charlotte Islands points by charter service from Prince Rupert or water craft connection with the Sandspit airport, the people of the Islands are interesting themselves in the possibility of air mail service being provided. Already the people of Sandspit have made representations to the postal service seeking the benefit of air mail. They expressed hope to Prince Rupert Chamber of Commerce representatives on a recent visit there that the Chamber would interest itself in endeavouring to obtain air mail service for the Islands.

POLITICAL SHOWDOWN

House of Lords and Labor Government of Britain May Precipitate Crisis

LONDON, ©—Political circles today buzzed with speculation on whether there is to be a showdown between the Labor government and the Conservative-dominated House of Lords within the next few weeks. Such a showdown may take place during the debate on the Transport Nationalization Bill, in the event of the House of Lords attempting to block it.

PLANE CRASH TOLL EIGHTEEN

NEW YORK, ©—Pan American World Airways announced today 18 persons killed in the crash of the Constellation Eclipse in Syria.

Cause of the crash has been ascertained. One of the engines failed half an hour before the disaster and another burst into flames.

An official has been sent to Syria following the disaster.

BRIGGS APPLIES FOR MORE SHIPS

JUNEAU—Briggs Steamship corporation has applied to the maritime commission for two Knott class ships and full subsidy and other considerations given Seattle carriers, it was announced here.

The two vessels will be placed in service between Prince Rupert and Westward and South-eastern Alaska ports, President Phil Briggs said.

Daring Seattle Pastor Is Here

Rev. and Mrs. Taylor Dunlap Are Anything But Orthodox

A colorful Seattle pastor, who gets out a spectacular tabloid type church bulletin with up-to-date illustrations featuring social affairs and shows and a daring cartoon section which would throw a terrific shock into the average old orthodox Presbyterian, is a visitor in Prince Rupert today. The pastor is Rev. Taylor Dunlap of Northwestminster Presbyterian Church. "A family church specializing in children and young people." Accompanying him is his wife, Alice, who is quite as modernistic as her husband in ecclesiastical activity and with him leads the "program of fun, music and recreation" which includes week-day activities as well as Sunday.

Mr. and Mrs. Dunlap are making the round trip aboard the steamer Catala which is in port this afternoon.

EXPENSIVE COLLECTION

LONDON ©—A collection of books sold at auction by Lady Sybil Grant fetched more than £2,000 (\$8,000). Prices included £150 (\$600) for a Bible published in 1602 and £140 (\$560) for Cooper and Scott's "Impressions from a Set of Silver Buttons Relative to Sports of the Field" published in 1821.

POPE'S SPEECH TO CANADIANS

LONDON.—Pope Pius, broadcasting over the Vatican radio to the Marian Congress and speaking in both French and English, told his Canadian listeners to "guard jealously your magnificent traditions."

House Quickly Passes Measure; Overriding By Senate Anticipated

WASHINGTON (CP)—President Truman today vetoed the Taft-Hartley labor control bill saying it violates principles "essential to our public welfare." The President said the legislation "is completely contrary" to the basic United States policy of economic freedom. He termed such legislation "a clear threat to the successful working of our democratic society."

Russia Faces U.N. Defeat

Britain Has Plenty of Support in Deadlocked Trieste Gubernatorial Issue

LAKE SUCCESS, ©—Russia apparently faces another defeat in the United Nations today. This time it is on the Soviet try at squashing the British move to bring selection of a governor for Trieste before the security council for immediate action. Britain is reported to have ample support to take the deadlocked issue out of the hands of the Big Four and place it on the council's agenda.

IS NOW UP TO MOLOTOV

Will or Will He Not Confer On Economic Aid To Europe
LONDON ©—Foreign Secretary Ernest Bevin declined in the House of Commons yesterday to speculate whether Russian Foreign Minister Molotov would agree to meet with the British and French representatives to discuss the plans of General Marshall the United States Secretary of State, to bring economic aid to Europe. Mr. Bevin and French Foreign Minister Bidault have asked Molotov to confer with them during the week of June 23 on steps to implement Marshall's proposals to speed up European reconstruction.

Mr. Bevin told the Commons that "Britain would push ahead with all possible energy to turn to greatest possible advantage the offer of economic aid made to Europe by General Marshall. Speaking in the debate on the British foreign policy in Europe, he said the French and British governments were awaiting the reply from Moscow to the proposal that the British French and Soviet Ministers should meet in the week of June 23 and discuss problems and work out arrangements."

CROP PICTURE ENCOURAGING

Moisture Conditions Excellent Except in Saskatoon
WINNIPEG—The general crop picture over the prairies at the moment is quite encouraging. Moisture conditions are excellent with the exception of west central and northern Saskatchewan where a general rain is needed, according to the weekly crop report of the Department of Agriculture of the Canadian National Railways.

Some reports of cutworm damage have been received from the southern part of all three provinces and there are scattered reports of reseeding due to weed growth but these affect very small areas.

RUSSIAN VETO WOULD BE END

LAKE SUCCESS ©—Delegates to the United Nations reported yesterday that a Russian veto of the United States plan for tackling world armament reduction would mean the virtual ending of the United Nations disarmament efforts.

PRECIOUS FISH
In the Roman Empire, small catches of mullet were sold for fabulous prices.

RAILWAY POLICY

EXPRESSION OF OPINION by Senator-Mayor G. G. McGeer of Vancouver before the Board of Transport Commissioners at its freights hearing that the Canadian National Railways should be operated as a public utility rather than a private company is an interesting one, reminiscent of views that have often been expressed in this area when the railway has been under fire for lack of interest in pioneering the development of the district with a view to eventually creating business for its own line.

Sometimes when Mr. Vaughan and officials of the railway company have been faced with protest at services being curtailed, they have answered, and, no doubt, sincerely, that the policy laid out for them and which they must follow is that, if a dollar is spent, a dollar must be immediately earned. There is no disputing that such is a "sound" business idea although it might be met with the argument that to make money money must be spent.

Mr. McGeer's idea is by no means a new one in respect to national railway policy which, after all, is set not by the officers of the company but by the government which owns the railway. There are not a few who believe that railway policy has been getting a little too conservative, if not to the point of being niggardly.

It all brings up a very broad question and our views are sometimes expressed by influence of policy which would seem to suit us best at the moment. In this part of the country there has been a tendency to look upon the railway as an instrument of national development rather than as a straight business proposition. At that, even private enterprise usually admits that, if a dollar is to be made, a dollar must be spent, possibly with not too immediate a prospect of getting it back.

MR. ORME'S PROJECT

WE KNOW OF NO ONE who would be more qualified or more competent to write the history of Prince Rupert than that pioneer of pioneers, Cyril H. Orme, whose intention of doing so has been announced. It would be a public service of no small importance and anything he might produce would be a memorial to one of Prince Rupert's outstanding and most esteemed early day citizens. As the Daily News pointed out the writing of Prince Rupert's history is a need which is becoming more and more felt. Mr. Orme would be assured of the appreciation and co-operation of the citizens generally, not only the old timers but some of the newer residents, many of whom are distinctly interested in the early story of the community and district.

As for the Daily News we cannot too highly commend the project and we will be glad to do all in our power to assist Mr. Orme in making a success of the enterprise which we can see as having very definite prospect of both popularity and profit.

YEAR'S LONGEST DAY

TODAY IS JUNE 20 and that date in Prince Rupert comes very close to being the longest day of the year. The latter will fall officially tomorrow, June 21. The difference between the two is so slight it can hardly be noticed. But after a month or more the first hints of twilight will not be so long in appearing. After August, longer evenings, and thoughts of coal buying, heavier underclothing and school books.

OVERCHARGING OF TOURISTS DRAWS PROTEST

Prince Rupert Public Relations Council will urge the city council to speed passage of its proposed taxi regulating bylaw and will ask that it be made obligatory to post fare schedules in all taxi cabs following reports of excessive charges made to tourists using cabs to visit points of interest in the city.

The publicity group made its decision last night after members told of hearing reports from visitors who had been overcharged by cab drivers. They will request city council that the regulating bylaw set zonal rates and make it mandatory that these rates be posted prominently in all licensed taxis.

In the meantime a committee from the Public Relations Council will interview taxi operators and try to learn what they consider to be standard charges for various types of operation. The Public Relations Council will then offer to pay the cost of printing this schedule if the taxi men agree to place copies in their cars.

The council's main concern is that, if the reported "profiteering" continues, Prince Rupert will get an unpleasant name as a tourist town.

At several times in the past, groups of taxi operators have urged city council to draw up a bylaw regulating the taxi business but action on the legislation has been delayed while city council attempted to formulate a bylaw acceptable to most of the operators.

INVENTED THERMOMETER
The word Fahrenheit comes from Gabriel Daniel Fahrenheit who invented the mercury thermometer in 1714.

AUTO DEALER DINNER HOST

Douglas Frizzell Entertains With General Motors Show in Commodore

Douglas Frizzell, proprietor of Long Motors here, was host at a delightful dinner party last evening in the Commodore with his guests for the occasion some 49 or 50 friends interested in automotive affairs and the special guest C. F. Folwell of Vancouver, field service organizer of General Motors. Mr. Folwell spoke briefly leading up to the presentation of three interesting moving pictures, the showing of which featured the evening's proceedings. One of the pictures was an Edgar Kennedy short feature on the subject of traffic safety emphasizing the importance of careful driving and the use of traffic signals. Another dealt with the history of the General Motors automotive manufacturing organization from the original carriage making days, also depicting the company's war service record. The third was a straight-soort fishing feature which delighted those interested in the science of angling.

Tables were attractively adorned with large bouquets of sweet peas. The fare featured tasty stuffed spring salmon.

The guests were: Mr. and Mrs. Wm. Osborne (Terrace), Mr. and Mrs. Harry Robins (Port Edward), Mr. and Mrs. Gordon Acton, Mr. and Mrs. A. M. Budnich, Mr. and Mrs. Cy Kellett, Mr. and Mrs. Tommy Fraser, Mr. and Mrs. Alex Mitchell, Mr. and Mrs. M. Van Cooten, Mrs. W. D. Vance, Miss Muriel Vance, Miss O. M. Johnson, Miss L. Barbe, Ald. Robert McKay, Ald. Cliff Ham, Sgt. L. Potterton, Dr. R. M. Lane, Dr. R. G. Large, Col. J. Hamilton Grant, G. R. S. Blackaby, Emile Blain, Malcolm Blair, Sam Blanchard, Cliff Gilker, Vic Menzies, Angus Gillis.

H. Letourneau, Wm. McLean, Wilfred McLean, Fred Cameron, Russel Cameron, Norman Bellis, Gordon Viereck, George Viereck, A. J. Bowes, Gunnar Selvig, Allan Sheardown, Harry Sheardown, Ralph P. Smith, E. P. Smith, M. M. Stephens, Alex Storrie, H. B. Wallace, Hubert Ward, H. Whalen, L. Christopherson, Jack Wrathall, G. A. Hunter, O. Jerstad, Allan Morgan, G. Sather, B. Windle, Len Brewerton, W. Clark, P. Pritchard, S. Charney, A. Barbe, Doug Payne, Harry Hanson, Warren Peterson, Paul Kilborn, Richard Morgan, Joe Goscoe, Jack Cleo, Gordon Dell, Pat Phillipson, Bill Thain, Eric Berglund, John E. Smith, J. E. Sedgewick.

F. Fares, Canadian Pacific Airlines pilot arrived in the city by air on Wednesday from Vancouver. He is here for a few days familiarizing himself with local flying. He may later be stationed here in the company's service.

C. F. Folwell, field service organizer for General Motors with headquarters in Vancouver, sailed by the Prince Rupert last night on his return south after a two day visit here on company business.

Members of the Canadian Legion and Women's Auxiliary are invited to take part in Decoration Day Ceremonies on Sunday next with I.O.D.E. (Queen Mary Chapter).
Members will "fall in" at Legion Hall, 2:30 p.m., and proceed to Cenotaph, thence to Soldiers' Plot, Fairview Cemetery.
Members willing to supply cars, please advise Legion Secretary, by Saturday.
PHILIP M. RAY,
Secretary-Manager.
(144-145)

THE WEATHER

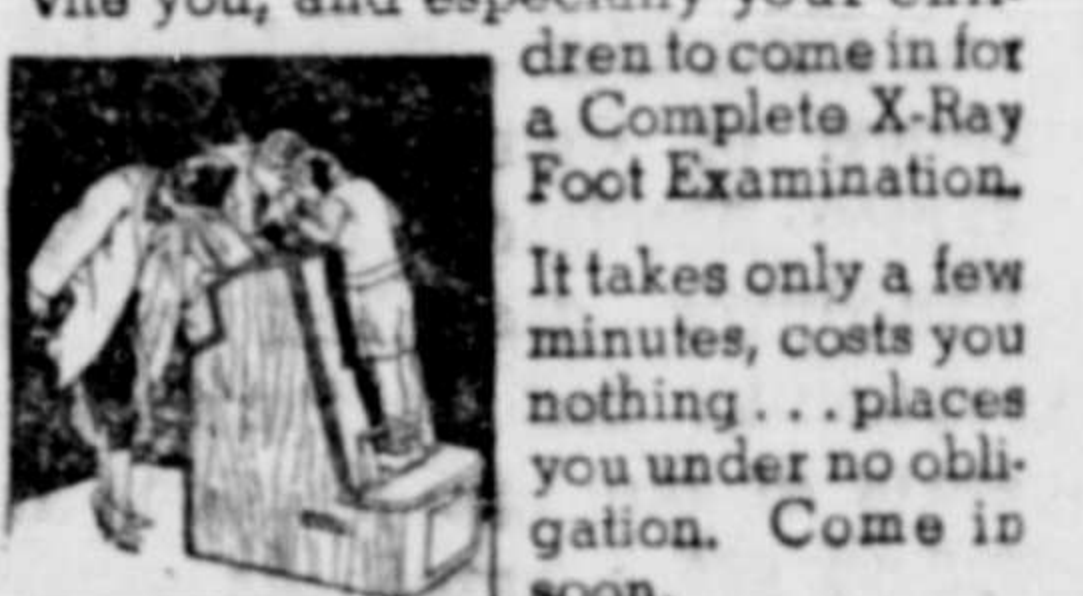

Synopsis
Skies were clear or only partly cloudy across British Columbia this morning. High pressure along the coast, and a dry northerly flow over the province will cause fair and warm weather for the next few days.

Forecast
Prince Rupert, Queen Charlottes and North Coast—Cloudy and occasionally clear today and Saturday. Light winds. Warmer today and Saturday. Minimums tonight: Port Hardy 45, Massett 45, Prince Rupert 45, Maximums Saturday: Port Hardy 65, Massett 65, Prince Rupert 65.

Leads You to Foot Health and Comfort

We feature X-Ray Fitting because it is the only means by which you, and we, can see exactly how your feet look inside of a pair of shoes. With X-Ray's Magic Pointer we can show how and why a certain type of shoe may cause foot aches or discomfort. X-Ray enables us to fit you to shoes that will give you positive comfort, and possibly correct certain foot troubles that you now have. We invite you, and especially your children to come in for a Complete X-Ray Foot Examination.

LONGER MILEAGE, GREATER SAFETY

Because THIS TIRE IS DIFFERENT

Which gives you greater traction on a smooth desk? Two fingers... or the whole palm of your hand? That's why the NEW B. F. Goodrich Tire with Flat Tread gives you faster starts... safer, safer stops!

More rubber on the road—that's the secret of this amazing new tire. But to put more rubber on the road, B. F. Goodrich had to design, engineer and build a completely new kind of tire! A new, tougher, cooler-running rubber was developed. The massive tread was made FLAT—the tire body 35% stronger!

On the road, the flat tread and powerful sidewalls of this great NEW tire reduce sidewall flexing. That means less friction and less heat. This tire runs cooler—wears longer. The mighty flat tread puts more rubber on the road—for better weight distribution, and surer, safer stops and starts.

More than 21 MILLION grueling test miles have proved this the longest mileage tire ever built by B. F. Goodrich. It outwears the best pre-war tires with ease!

Choose this great NEW B. F. Goodrich tire for your post-war motoring. It's rugged... quiet... road-eager. See your B. F. Goodrich dealer—ask him for the longest mileage tire of all time—today!

B. F. Goodrich Batteries
For extra stamina, dependability and long life—choose a B. F. Goodrich Battery! Every model is super-charged... over-capacity... packed with rugged power to meet today's heavy needs. Your local B. F. Goodrich dealer has the right battery for your car, truck, bus, tractor or radio. See him today!

WILL 60 ROSE TEA BE SUCCESS

Successful and Enjoyable Affair at Mrs. Neil McLean's

Sunny skies after showers yesterday afternoon brought the guests out in gratifying numbers to enjoy a cup that cheers at the Rose Tea sponsored by Hill Chapter, Imperial Order, daughters of the Empire, held at the home of Mrs. Neil McLean, Fourth Avenue East.

Mrs. S. R. Donaldson, regent of the chapter, assisted the hostess in receiving the guests.

The rooms were tastefully decorated with summer flowers. In the dining room, Mrs. G. W. and Mrs. H. B. Wallace presided at the tea table which, decorated with an exquisite lace cloth, was centred with a huge set of mixed blooms, in which peonies predominated. Mrs.

J. A. Frew, Mrs. Wood, Mrs. H. Hibbard and Mrs. J. Stewart served the dainty refreshments while Mrs. William Reid, Mrs. Smith and Mrs. A. W. Allaire were in charge of the kitchen.

Mrs. H. A. Breen and Mrs. R. G. Macaulay were quickly relieved of their offerings on the home cooking table.

Mrs. G. E. Moore acted as cashier for the day. Mrs. J. N. Forman was in charge of the drawings, winners being: Mrs. D. C. Stuart, cake; Mrs. Davidson, baby set; Mrs. T. Beattie, Nylons; Mrs. J. Scott, nylons; Mrs. T. Beattie, vanity set.

William Lambie returned to the city on the Prince Rupert last evening after a brief trip to Ketchikan on business in connection with the forthcoming international baseball series here and there.

Mrs. Al Manson and small daughter sailed last night on the Prince Rupert to spend a three weeks' holiday in Vancouver.

Mrs. J. Beruschi was installed as Recorder, and Mrs. H. Muncey, Treasurer, of the Women of the Moose Thursday evening.

● 100 per cent Pure Wool Gabardine Slacks, tailored in the custom manner—Morgan's Men's Wear.

Louis Locker, old timer of Prince Rupert and long identified with the logging industry, has been indisposed of late.

Mr. and Mrs. W. C. Osborne returned to their home in Terrace by car today after a brief visit to the city.

The regular train due last evening did not arrive until about 8:30 this morning. The delay was caused by a washout in the Mount Robson region.

● We buy and sell fish boats and equipment—Now in stock to 33 foot troller, fully equipped. See J. H. Mair, 171 3rd Ave. E. or Phone Black 156. (144)

C. W. Homer, formerly provincial assessor here and now residing in retirement in Victoria, sailed by the Prince Rupert last night on his return south.

D. C. Stuart, who became ill about a week ago, is still in hospital and just how soon he may be able to leave is a matter of some uncertainty. He is, however, doing as well as can be expected.

A visitor in the city this morning aboard the Princess Norah was Miss Shirley Hull, fashion editor of the Los Angeles Times, who is making the round trip to Alaska aboard the vessel.

Sam Marshall, who has been employed at the Kelly Logging Co. camp at Cumshewa, Queen Charlotte Islands, arrived in the city by aircraft Wednesday afternoon to receive treatment for lead poisoning. It was about a month ago that he left Terrace for the Island.

Mr. and Mrs. W. C. Fulton are due to return home on Wednesday of next week after an extended trip south. Mrs. Fulton has been at Vernon, where relatives reside, and Mr. Fulton, recently appointed the new County Court judge here, went south a few weeks ago to meet her.

BRIDE FROM SASKATCHEWAN

Members of the family of the bridegroom and friends were present at the wedding in St. Andrew's Cathedral Wednesday evening of Miss Clara Theresa Tosezak daughter of Mr. and Mrs. Joseph Tosezak of Woodrow Sask., to Spiro Gurvich of Prince Rupert. The rite was performed by Canon W. F. Rushbrook.

The bride was given in marriage by John Gurvich, brother of the bridegroom. She wore a floor-length gown of turquoise sheer with matching net veil, and carried a large bouquet of red roses. Her attendant was Mrs. Peter Richards whose floor-length gown of white was gold-trimmed. Her bouquet was of white and yellow carnations.

Groomsman was E. P. Smith, and Peter-Lien was organist.

At the reception in Valhalla hall, 150 friends paid their respects to the newly married couple. The bride's table was centered with a three-tier wedding cake before which the bride was toasted by the groomsmen. James Ham responded to the bride's toast. The evening was spent in dancing to music by Andy McNaughton at the piano.

Mr. and Mrs. Gurvich will reside at 749 Fraser Street. Mr. Gurvich has been employed with the provincial Public Works department here for a number of years.

PREPARE HANDY MAP OF CITY

A handy tourist map, only slightly larger than a post card, will soon be made available to tourists by the Public Relations Council. Secretary E. T. Applewhite reported. The card will contain a map of the city with 16 points of interest numbered. Drawing of the small map was done by Donald McKay, local draughtsman. More than 5,000 maps will be published in the near future.

Internal committee chairman Al Manson reported that work on the new tourist headquarters in the Museum is progressing, and that "there will be a pretty good tourist bureau at the end of the month." C. E. Cullin, museum curator, will also be in charge of the tourist office.

The meeting voted to send C. H. Orme a letter of encouragement on his project of compiling a history of Prince Rupert and surrounding district.

The meeting authorized the publication of a half-page advertisement in the annual edition of the B.C. Journal of Commerce, a publication that contained several columns about Prince Rupert in its 1946 edition.

Present at the meeting were Alderman Arthur Brooksbank, E. T. Applewhite, Miss Honora Silversides Rudolph Olsen, Oscar Haveroy, Al Manson and J. K. McLeod.

MISS LOIS HOWE SHOWER HONOREE

Mrs. W. J. Richards and Mrs. Frank Ellison were co-hostesses last night at the home of the former when a pre-nuptial party was held in honor of Miss Lois Howe whose marriage to Oliver Keays takes place on Saturday.

Sprays of pink hawthorn, white streamers and bells decorated the rooms. A pink and white basket laden with gifts was carried in by Mrs. Richards and Miss Irene Larsen who will be the bridesmaid. Many lovely and useful gifts were disclosed and admired.

Party games, court whist, Chinese checkers and group singing with Mrs. J. R. Carr at the piano were enjoyed during the evening. Mrs. John McLeod was winner of a game contest while Mrs. George Howe won first prize and Mrs. Fred Hunter, second, playing court whist.

The evening was complete when delicious refreshments were served. A "shower" cake made and decorated specially for the occasion was cut by Miss Howe after which all drank a toast to the bride-elect.

Guests included the Misses Lois Howe, Lorna Howe, Irene Larsen, Mary Hunter, Mrs. J. R. Carr, Mrs. Fred Hunter, Mrs. M. J. Keays, Mrs. William Rothwell, Mrs. George Rudderham, Mrs. John McLeod, Mrs. Vic Menzies, Mrs. W. H. Hill, Mrs. Harry Poulsen, Mrs. Gordon Moller, Mrs. John Johansen, Mrs. W. J. Richards and Mrs. Frank Ellison.

For Better Radio Here

Prince Rupert Chamber of Commerce Sends Brief to Parliamentary Committee

Emission from station CFPR of Prince Rupert of all Canadian Broadcasting Corporation network programs and construction of "booster" or "repeater" broadcasting units at such points as Terrace, Hazelton, Smithers, Burns Lake and Vanderhoof are requested in a two-point plan for improvement of radio broadcasting service in Prince Rupert and Central British Columbia which has been dispatched by the Prince Rupert Chamber of Commerce to Ottawa for consideration of the Parliamentary committee on radio broadcasting. The radio committee and secretary of the chamber, E. T. Applewhite, have been active lately in efforts to bring about better broadcasting service here, particularly as far as the making available of more popular network programs is concerned.

The Chamber, quoting from its own communication, is asking that the Parliamentary committee consider the following two general proposals:

"First—The granting of full use of radio facilities now actually in existence and operation at Prince Rupert but put to a restricted use only. This has particular reference to the land-line on which network programs are fed into the local station CFPR. At the present time, of programs actually available, the local listening public cannot get those it wants to hear, but only those permitted by existing CBC decisions. The desired programs are commercially sponsored. In so far as the hockey programs are concerned we know that they reach CFPR but are not permitted to go on the air. We also know that this is due to negotiations between various governmental departments over the use and revenue of the land-line. However when the Canadian Government Telegraphs, Canadian National Telegraphs, etc., are all supposed to be publicly owned and all have their capital expenditures and deficits (if any) footed by the public we feel we have an interest. Further we feel that facilities originally constructed at public expense, as war needs dictated, should be operated for public benefit now, i.e., for those

"Those men are from the finance company. Now you know why this meeting was called!"

who helped to pay for them in the first place. Your committee can demand and get authentic information upon all features and angles of this matter which are not available to us.

"Second—Construction of low power 'booster' or 'repeater' broadcasting units upon the line now carrying CBC programs at such points as Terrace, Hazelton, Smithers, Burns Lake and Vanderhoof. According to our information these points get no daylight reception of standard wave at all although each town has the land-line which carries CBC service passing through it. At a public convention the Canadian National offered to have their personnel throw switches and do such other operational chores as may be involved, so that there would be no operating expense. This covers a large area of British Columbia which never hears CFPR and only gets CBR, Vancouver, after dark and then with no certainty.

"We feel that both these points can properly be discussed by your Committee as matters of a more than purely local interest. Some slight investigation of the area covered by the small towns listed will confirm this."

The Prince Rupert Chamber of Commerce is also in communication with W. J. Sheridan, manager of the economic development department of the Canadian Chamber of Commerce, Montreal, on the matter of better radio broadcasting service in this area.

Travel North and Become Stranded

More reports continue to drift back south about people from the larger cities in both Canada and the U.S., confident of sure jobs and flush wages in Alaska, going there to be greatly disappointed. Sometimes whole families go together, only to find there is no work, and the cost of living is sky high. And by the time they have paid for the journey, their funds are next thing to being exhausted. The Salvation Army continues to give a great deal of assistance.

PRINCE GEORGE IS VERY BUSY

"Everybody busy" seems to sum up the situation in Prince George. The many mills have all the orders they can handle and in all other respects the people have their hands full. About the only development that can be called new is a possibility of a strike over the question of wage scale but it is not considered improbable that there may be an adjustment. However, strike talk is being heard.

These are some of the impressions gathered by Superintendent C. A. Berner, Canadian National Railways, who has just returned from a visit to the interior city and central British Columbia.

Mr. Berner mentions also that warmer weather has set in, in the Rockies, and to some extent, has led to high water.

Thanks to Blue

How proud you are of your white linens . . . of all your white clothes—but only as long as they are truly white! So often white things develop a yellow-tinge—and no matter how you scrub, it stubbornly stays! The secret to true white is Blue—just a little Blue in the final rinsing water . . . and your clothes will be as white as new!

P.S.—Seven colours combine to make white, one of these is blue. Blue must be added to make true white.

 Date of Staking May 13, 1947.
 HENRY M. HANSEN.

HIGH SCHOOL GIRLS BEATEN

Moose Hand Students First Defeat by Score of 7 to 1
 In a Ladies' Fastball League fixture last evening at Gyro Ball Park the Moose ladies handed High School girls their first defeat of the season. The margin of 7 to 1 was much greater than the difference between the teams but the lodge girls hit better, fielded with more snap and ran the bases effectively.

Both batteries were good. Beth Sedgewick struck out 14 of the High School and allowed only two bases on balls. Betty Hamilton struck out one more, that is 15, batters, but yielded eight walks. It was on three walks that the students gained their only run for they were not credited with an official hit all evening. On the other side the Moose girls collected five hits with Betty Hamilton having three hits in four official times at bat and scoring two runs.

There was a good crowd at the game and the keen playing of both teams was a crowd pleaser. These two teams put up a good brand of ball.

Hotel Men Score Second Shut-out of Season
 Savoy marked up their second shut-out of the season at Roosevelt Park baseball field last night when they held Wats and Nickerson hitless and scoreless for nine innings from which they emerged with four runs. The hotelmen themselves remained without hits or runs for the first four innings.

Savoy's scoring began in the sixth when Bruce Simundsen made the circuit off a single, helped along by a hit by Ted Arney, who was left on second when the side was retired.

Jack Lindsay hit a single in the seventh and was assisted home by Boyo Gurvich, who got on base on a fielder's error. Gurvich also scored. The hotelmen's fourth run was brought in by Lindsay in the ninth off a single. Savoy turned the game into a pitcher's workout by taking Sharpe off the mound at the end of the third and replacing him with Forbes, who pitched three innings. Jack Lindsay went on the mound at the first of the seventh.

Sharpe struck out 2 batters, Forbes 1 and Lindsay 7. Dick Letourneau, on the mound for Wats and Nickerson, struck out nine, and allowed seven hits.

JASPER COURSE TAKES BEATING

Minneapolis Insurance Man Makes Two Under Par
JASPER PARK—The 6700 yard championship golf course layout at this summer resort in the Canadian Rockies took a beating from A. Young, blonde-haired insurance agent from Minneapolis on Thursday afternoon.

Playing in his company's convention tournament, which he naturally won, Neil Croonquist, amateur scratch handicapper of the Minneapolis Golf Club, had a two under par 69—the first time he had toured the famed Jasper Park Lodge course. Out in 34 with two bogeys, he returned in 35, including four consecutive threes on the last nine. Bill Brinkworth, greenkeeper, and Leroy Goldworthy, local pro, are agreed that it is really one of those unusual features.

A naval veteran of World War Two, Croonquist's golf career is quite sizeable. While attending college he was president of the National Collegiate Golf Association. He captained and was No. 1 man on the University of Minnesota team, in 1941, he won his home state's amateur championship and tied for fourth low amateur in the National Open. Last year he was medalist and runner-up in the Minneapolis State Amateur.

MEDAL MOTORIST ON WAY TO CITY

A few days ago a motorist from Florida, named Irving, who left his native state in May, was reported at Lytton on his way here in competition for the Al Manson medal for the first car to be driven this season from Florida to Prince Rupert. He was inquiring at that time as to road conditions to Prince Rupert. Nothing has since been heard.

Houses Available in Prince Rupert

One hundred wartime-built houses on Rushbrook Heights, which had been destined for demolition, are being retained against housing requirements which it is expected will arise from the celanese pulp mill construction. Wartime houses are now available here for general housing demands although none of them are in nearer in Sections.

MAKE PLANS FOR CARNIVAL

Enthusiastic Response at Organization Meeting

An enthusiastic response by several local organizations inspires hopes that the 1947 Civic Centre Carnival will be the best on record. The committees met last night in the Civic Centre to lay initial plans for the annual celebration which will be held from August 16 to 23.

Present at the meeting were 27 persons representing many of the groups in the city which have benefitted during the year by using the Civic Centre building and who are now eager to support its annual carnival.

The meeting, under chairmanship of Carnival Committee Chairman W. F. Stone, named sub-committees and heard suggestions for displays and entertainment features. The Carnival will be co-ordinated with the annual Port Day celebration to be held August 21 and the queen candidate elected through sale of Carnival tickets will again be designated Port Queen.

So far, five organizations have shown their intention to sponsor Queen candidates—Kinsmen and Gyro Clubs, Sons of Norway,

Junior Chamber of Commerce, Loyal Order of Moose, and possibly the Rotary Club.

Deadline for the entry of Queen contestants was set for June 30. The contest will commence on July 10, when the sale of tickets begins.

Among the special prizes to be offered is a return aircraft trip to Vancouver. Professional entertainers will be employed, and there will be a variety of rides and children's entertainment.

COMMITTEES ARE NAMED

Organizations and individuals taking responsibility for the various committee jobs are as follows:

Carnival Committee Chairman—W. F. Stone, assisted by Don Forward and Neil Ross.

Recording Secretary—Miss Margaret Slinn.

Treasurer—Maurice Bridges.

Flower Show—Horticultural Society.

Port Day—Junior Chamber of Commerce.

Coronation—Business and Professional Women's Club.

Grounds and Buildings—Gunnar Selvig.

Entertainment—William Bremner, Robert McKay, Jr.

Commercial Exhibits—B. R. Dodds.

Tea Room—Canadian Legion L. Rorie.

REMOVING OF OLD RAILWAY

Local Men Engaged in Picking Up Dolly Varden Steel—Truck Road Going in

The rails from the famous old Dolly Varden Railway, running up the Kitsault River Valley from the town of Alice Arm for a distance of 18 miles to the base of the Dolly Varden Hill, are now being finally removed so the grade may be utilized for a modern truck road to the Torbrit Mining Co.'s Toric mine and mill which is now being opened up for production on full scale. This is part of a major program of activity which has been under way at Alice Arm for some time in connection with the reopening of this property. Harry Merrill and Charles Postak of Prince Rupert have the contract for picking up the track and will also carry out such work as decking bridges and putting in of culverts and cribbing.

Several years ago some of the steel on the Dolly Varden line was picked up. The remainder is now being removed.

Women's Auxiliary.
Personnel—James Ham, G. T. Durkin.
Refreshments—I.O.E. Chapters.
Stock Room—Mr. and Mrs. G. L. Rorie.

America's Population Came From Asia 15,000 Years Ago -- Barbeau

Telling one of the oldest Indian legends and deciphering it in the light of his trained knowledge, Dr. Marius Barbeau, Dominion anthropologist, Ottawa, at a well attended meeting of the Women's Canadian Club last night, awakened an interest in the origin and history of the native

the viewpoint of repercussions in history," he stated. "Otter fur was a mark of supremacy used by the mandarins of China. In the Indian legends it bears the same significance. Dirges chanted by the coastal tribes are expressed in Chinese manner and show that influence."

Dr. Barbeau's first visit to Prince Rupert was in 1915 and he has obviously done a great deal of spade work since along historical lines amassing a great store of Indian folklore. Many legends would have died with the older generation had he not recorded them.

His latest publication, "Alaska Beckons" was passed around for inspection—"showing off his new baby" he termed it. Many of his listeners will eagerly await its arrival on local book shelves.

Mrs. T. Norton Youngs, president of the Women's Canadian Club, introduced the speaker.
