REV. W. GORDON MACLEAN
—Winnipeg pastor and Moderator of Presbyterian Church in Canada. He will preach at special services in local church and conduct unveiling of Honor Roll.

CHURCH HEAD VISITS HERE

Rev. W. Gordon Maclean, M.A., B.D., Moderator of the General Assembly of the Presbyterian Church of Canada, arrived in the city last evening from Edmonton and will be here on an ecclesiastical visit until Monday night when he will sail on the Princess Adelaide for Vancouver and Victoria.

Mr. Maclean is minister of First Presbyterian Church, Winnipeg, where he has served since coming to Canada in 1932.

Born in Scotland, he received his education in St. Andrew's University and Aberdeen University, where he won recognition for outstanding scholarship.

In Scotland he served as assistant minister at Ellon Parish Church and the Old Macher Cathedral, Aberdeen, and also at Alloa and Alexandria until he accepted a call from the Winnipeg congregation.

The Moderator served in the First Great War with the British Army in Egypt and Palestine and in the recent conflict went overseas with the Queen's Own Cameron Highlanders of Winnipeg, later becoming Senior Chaplain of the Second Canadian Division Overseas, and retiring with the rank of Lieutenant-Colonel.

Elected moderator of the Seventy-Second General Assembly of the Presbyterian Church in Canada held in Toronto in June, 1946, he presided over the meetings of this national council of the church and has in recent months visited congregations throughout Canada and abroad.

He will preach at both services on Sunday in First Presbyterian Church. An especial event at the morning service on Sunday will be the unveiling of an honor roll recording the names of eighty men and women associated with First Presbyterian Church congregation who served with the forces during the war.

PROVIDE FINES UPON STRIKERS

VICTORIA — Under the new labor bill introduced in the Legislature by Hon. George Pearson, illegal strikes would render the workers liable to fines up to \$10 a day for each day of the strike, and officers of the trade unions authorizing the strike would be fined up to \$100 a day.

Employers causing lockouts contrary to the act would be liable to fines up to \$250 a day, and employers' representatives causing illegal lockouts could be fined up to \$100 a day.

NAZI WOMEN FACE TRIAL

MUNICH — Society women of the Nazi hierarchy, widows of Hitler's top henchmen, today faced a series of denazification trials like their husbands before them. Heading the list is Herman Goering's wife, who will be indicted next week as a "Nazi profiteer."

Charges Canada with Exploitation

Bulletins

ATLEE SUSTAINED
LONDON — Prime Minister Atlee won a solid vote of confidence in the House Wednesday after calling for "full co-operation of industry" with the government in the fight for economic survival. The Labor Party's majority, 374 to 198, crushed Winston Churchill's demand for a "non-confidence" vote, climax to debate on the government's post-war recovery policy.

WHEAT BOARD CONTINUES
OTTAWA — The House of Commons voted 172 to 7 last night to give third and final reading to the government's bill to continue the Canadian Wheat Board as the sole buying and selling agency of Canadian wheat crops until 1950. Earlier the Commons voted 97 to 79 against a Progressive-Conservative motion to send the bill back to committee for revisions to the section setting up a five-year pool of wheat participation certificates.

BURNED TO DEATH
PORT ARTHUR — Three children were burned to death when a house was destroyed by fire ten miles west of here. The mother rushed to get help but was too late.

NO GAS INCREASE
VICTORIA — No increase in gasoline price here is anticipated following the lifting of wholesale ceiling. British Columbia gets most of its crude oil from California.

COALITION WINS
VICTORIA — The government weathered its first division of the present session in the Legislature yesterday when it opposed a resolution by Herbert Gargrave (CCF, Mackenzie) that a standing labor committee be permitted to hear representations from labor management this session. The government won 25 to 16 with five coalitionists voting with the opposition.

STEEL STRIKE ENDS
VANCOUVER — The three-day strike of employees at the plant of Industrial Engineering Co. ended Thursday with the signing of a "memorandum of agreement" between the management and the United Steel Workers of America. The union said the men would return to work today.

EASTER RECESS
OTTAWA — The House of Commons Thursday voted 144 to 35 in favor of the Easter recess extending from April 2 to 14.

FERRY STRIKE
SEATTLE — Twenty-two ferry boats are tied up by strike and 20,000 commuters were immobilized today by a strike of 60 engineers of Puget Sound Navigation Co. who have refused a non-strike clause in a two-year agreement giving them a 20 percent wage increase.

Conservative Member In British Parliament Hits Out Over Food Situation

LONDON (CP)—Sir Waldron Smithers, Conservative, charged in the House of Commons today that Canada is trying to make the most of Great Britain's food shortage to get the highest possible price for wheat, that Argentina was making "tremendous" profits on wheat and oil exports to Britain and that Food Minister John Strachey was a "panic-stricken mountebank."

"The food minister," Sir Waldron said, "has about as much stability as a beetle on a polished tray."

Menstrating blizzards in northern England and Scotland today gave Britain one of the worst mixtures in its history.

PRINCE RUPERT IN TRAVELOGUES

Tourist and Travel Bureau to Concentrate On Area Between Prince Rupert and Prince George This Year

One of the major publicity projects of the Tourist and Travel Bureau of the provincial Department of Trade and Industry this year will be the making of motion picture travelogues covering the area between Prince Rupert and Prince George. The Prince Rupert Public Relations Council has been advised in response to its request that more attention be given to this district.

In addition there will be completed a travelogue of coastal waters which also takes in Prince Rupert.

The provincial travelogues have widespread circulation not only in Canada and the United States but in other parts of the world.

ASK NATIONAL HEALTH PLAN

Resolutions urging the federal government to institute a national health insurance program and one calling for revision of the Old Age Pension Act on more "humanitarian" lines were approved by the monthly meeting of the Prince Rupert Trades and Labor Council in the Carpenters' Hall last night.

The meeting also heard an outline of the history of the Typographical Union strike at the Vancouver Daily Province, and passed a motion that communications be sent to Percy Bengough, president of the Trades and Labor Congress of Canada, and William Green, president of the American Federation of Labor, asking that they call together the various unions involved with a view to effecting settlement.

Civic Workers' Union reported having signed an agreement with the city council for the balance of 1947, covering outside workers. The organizing committee reported that good progress is being made in organizing other workers in the city.

LABOR HITS AT PRICE POLICY

OTTAWA — Government post-war policy on prices and profits is "hastening the onset of a major economic depression," the Canadian Congress of Labor told the cabinet today. CCL officers said that the policy of decontrolling prices has left labor with no alternative but to seek higher wages as well as "re-establishment of effective price control."

COASTAL HIGHWAY
—Hundreds of miles of smooth beach along the coast were Brazil's first highways.

QUESTIONED IN SLAVERY OF NEGRO WOMAN—Shown following arraignment by a U.S. commissioner are Alfred Wesley Ingalls, 64, one time member of the Massachusetts legislature, and his wife, Mira Elizabeth Ingalls, 62. The couple is charged with keeping a Negro woman in slavery for 40 years. The woman, Dora L. Jones, 57, claims that she has been held in slavery by the Ingalls since she was 17 years old. The federal grand jury in Los Angeles is studying the case.

REDS BLAST GREEK AID

But Winston Churchill and King George II Pleased

LONDON — In Soviet press and radio reports, the Russian people got their first news today of President Truman's proposal that the United States extend aid to Greece and Turkey. The reports characterized the move as "new interference in the business of other states, directed against the democratic elements of Greece."

Conservative Leader Winston Churchill, commenting on the move, said: "No step that I have seen lately has done more to increase the chance of maintenance of world peace and world freedom."

In a message to President Truman, King George of Greece said that American assistance in "restoring free, democratic institutions and expediting economic recovery" in Greece would help in "strengthening world peace."

TO MAINTAIN TARIFFS
OTTAWA—Canada will not be prepared to drop all British preferential tariffs unless the United States makes unexpected concessions in reducing imports against Canadian goods, tariff experts here said on Thursday.

Ten thousand horsepower of electrical energy will be required by the Port Edward plant. The output of the Falls River plant as now developed is about 5000 horsepower. The intention of the Celanese Corporation is, if possible, to secure its power from Northern B.C. Power Co.

Basketball Tourney—KINCOLITH AND AIYANSH IN NATIVE HOOP FINALS

The semi-finals in the all-native basketball tournament featured four fast and terrific games last night as the two Naas River rivals—Kincolith and Aiyansh—took the win for the first place playoff positions. In the consolation prize semi-finals Y.P.E.A. of Port Simpson and Kitimaat made sure of their wins in two closely contested matches.

The night opened up with YPEA just narrowly edging out Metlakatla in a thrilling 39-38 photo finish. This was one of the hardest fought matches of the night with the two teams neck and neck all the way. At the first quarter mark Metlakatla had the edge 8-6 but, by half time, YPEA had snatched a one point lead 14-13. Again in the third frame YPEA had the advantage and squeezed out a couple of extra points to close up this frame still out in front 25-22.

In the last period Metlakatla put on a terrific drive and crept up slowly to within one point. Then, briefly, the game was tied

up. However, YPEA made their free throws count and took the lead, only to have it tied up once more. Again Port Simpson moved into the lead and this time Metlakatla's time ran out and YPEA had the game. But Metlakatla at least had the high scorer in this game as F. Auckland netted 14 points for top billing in the scoring brackets.

YPEA actually won the game on their free throws, dropping in 11 points while Metlakatla only managed to make 2 of theirs count.

POLICE NOT CALLED OFF

VICTORIA — Alan McDonell, Coalition member for Vancouver Centre, charged in the Legislature yesterday that the provincial police had been instructed to "stand aloof" in the woodworkers' strike last fall and, as a result, persons were injured and property damaged. He called upon the government for assurances that the law be enforced in future.

Attorney General Gordon Wismer said he had not issued such instructions and had never heard of such a policy but promised to investigate.

Opposition Leader Harold Winch said he hoped the government would not accede to a policy of instructing the provincial police "to beat the strikers into submission."

Real Estate Boom May Be Starting

Prince Rupert may be feeling the first stirrings of a real estate boom which many people feel will result from the construction of the new celanese pulp mill at Port Edward. City Clerk H. D. Thain reported that Thursday he had received two applications to purchase city-owned lots by individuals. Each application requested the right to purchase two lots. To date, however, there have been no reports of an upswing in the price of the few houses for sale in the city.

PROBLEMS OF CO-OPERATIVES

University of British Columbia Extension Speakers Heard

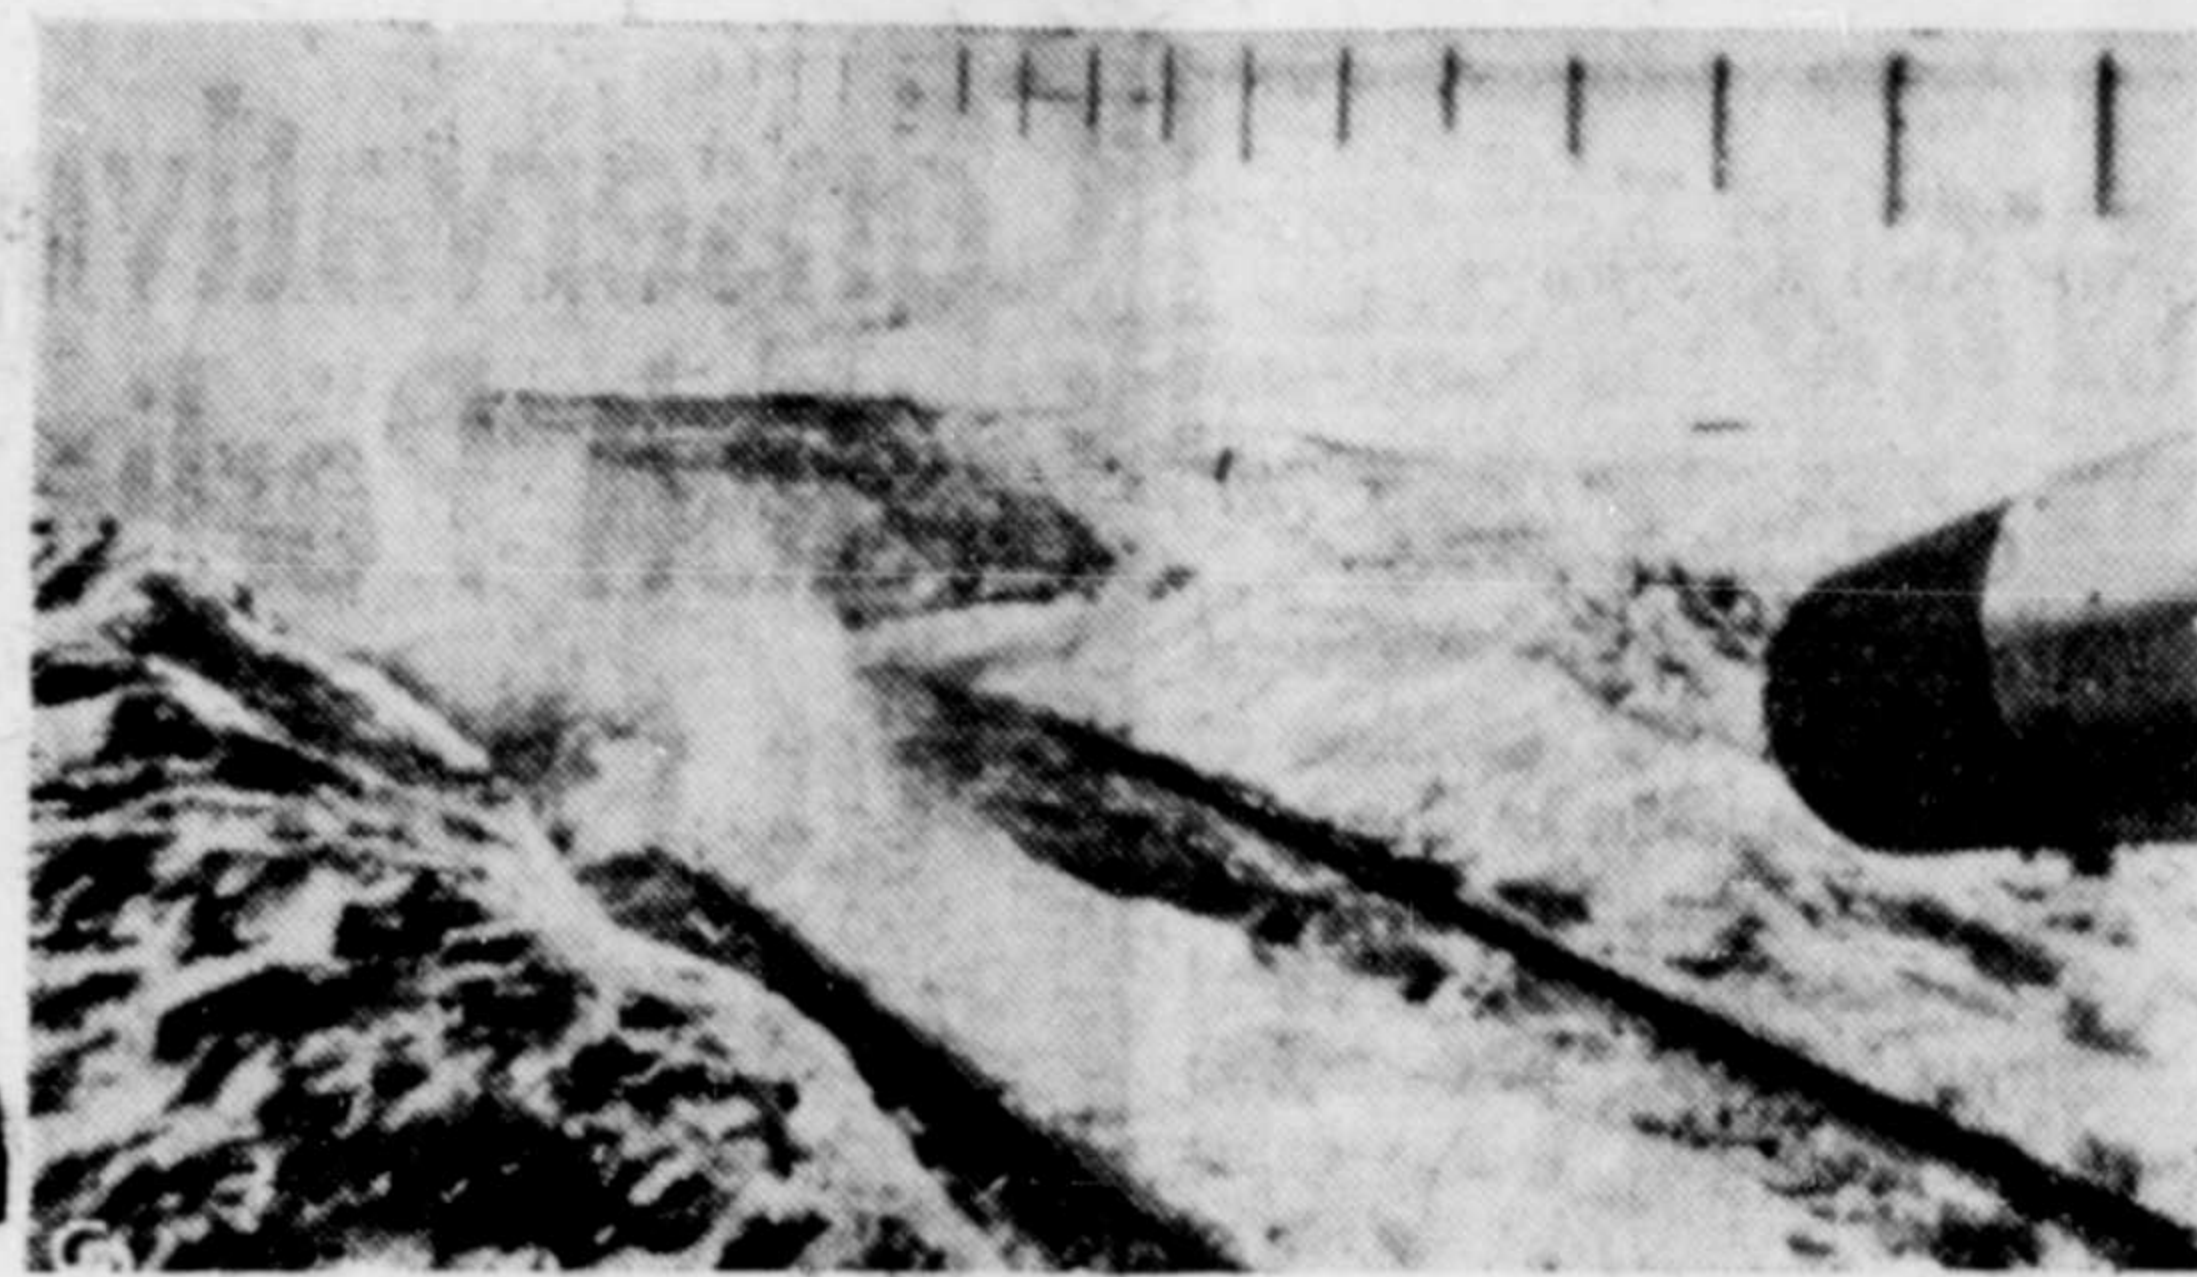

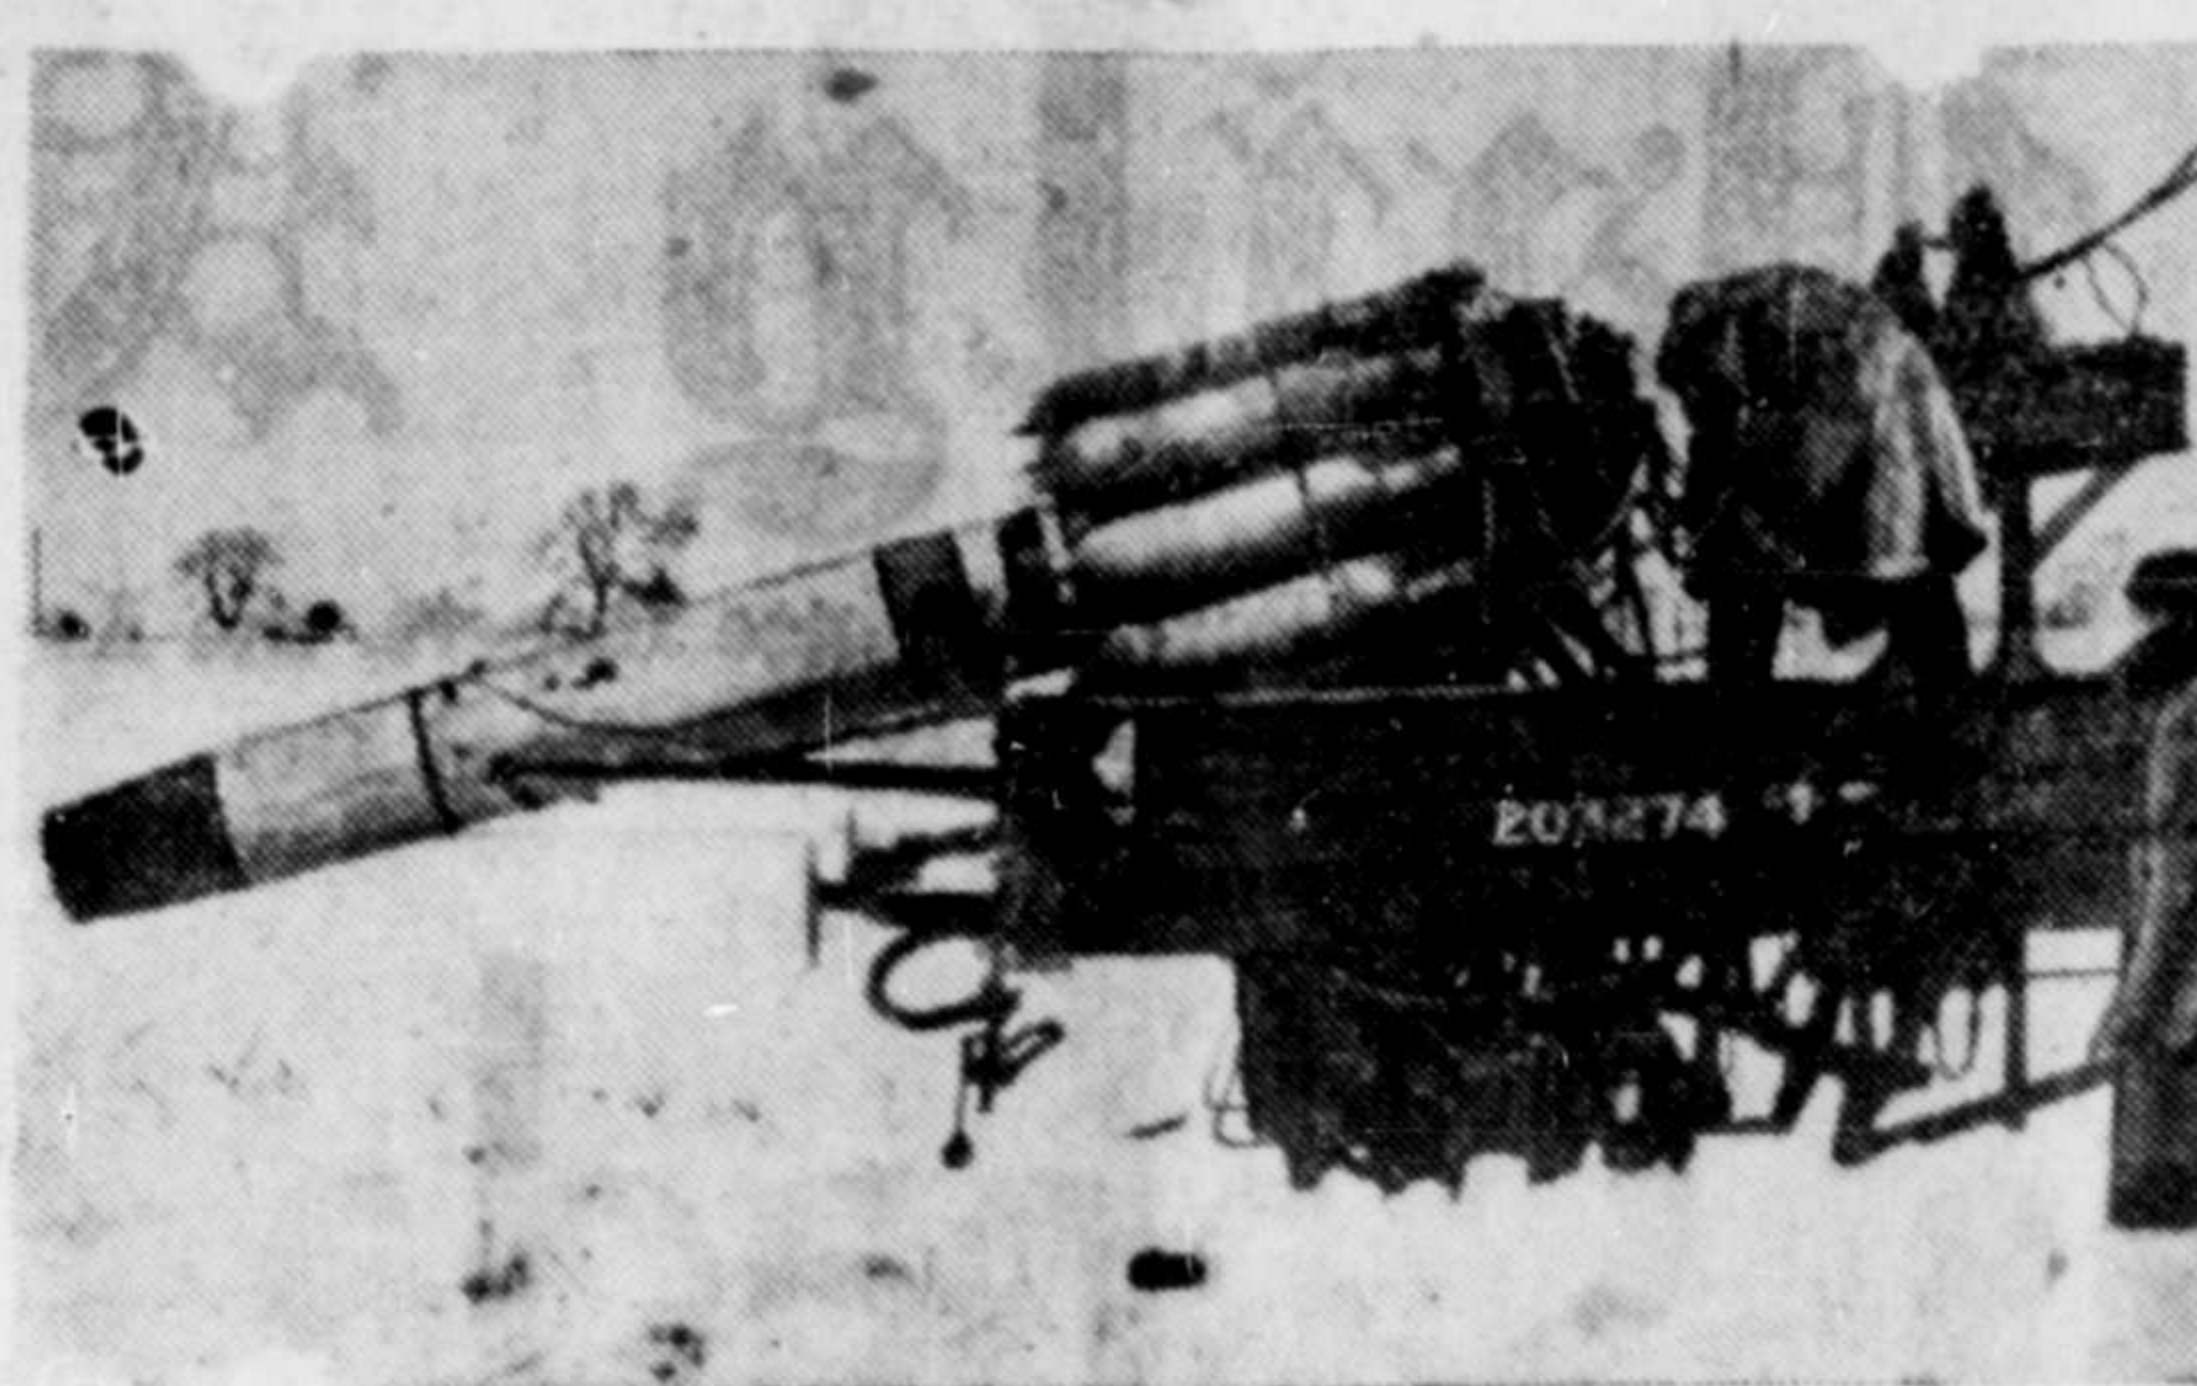

A good-sized audience Thursday evening in the Civic Centre heard Douglas Clark and Miss Lin Brown, of the University of British Columbia who are in the north in connection with the general promotion of the University Extension Course on co-operative problems and the relation of the fishing industry to the same. They will be calling at many Northern British Columbia points, before returning to Vancouver. Last night's gathering took the form of a general discussion toward the end with anyone free to ask questions of the speakers. Many took prompt advantage of this opportunity and much of what was said proved helpful and thought-provoking. The meeting was presided over by George Viereck and was held in the Civic Centre cafeteria.

In his opening remarks, Mr. Clark mentioned how, at the present time, there appeared to be a sense of insecurity abroad in the world among various labor groups. If not downright anxiety, there was a gradually developing belief that, perhaps by 1950, a depression will actually be here. Even now, it was noticeable how farm products and other varieties of food and clothing were being affected by changing prices, although this could not be called far-reaching.

Mr. Clark spoke at considerable length on the relation between labor groups and the co-operatives, pay scales and living costs, value and benefits of the University Extension Course in its application to fishing.

The second and concluding speaker was Miss Brown whose pleasing personality made a happy impression on the audience whose members included ladies as well as men. Miss Brown, who said she would undertake to speak chiefly from the psychological standpoint, reviewed many of the economic problems confronting co-operatives, producers, employers and employees, from psychological, mental, philosophical and analytic classifications.

Touching on co-operative progress in Prince Rupert, the speaker emphasized how very necessary all possible enthusiasm was in the steady building up of any objective or movement. This enthusiasm was not

NOVEL SNOW-REMOVAL METHODS IN ENGLAND—A supply ministry official said "we have found a solution to the country's transport difficulties" after this experiment with two jet aircraft engines which took only five minutes to clear a 75-yard snowdrift, 4½ feet high, delaying powerful freight engines for several days on the London and North Eastern Railway line near Grantham, Lincolnshire. In top photo, the jet engines, mounted on a railway truck, blow a stream of hot air which scatters and melts the snow as the truck moves along the permanent path the jets have cleared. A close-up of the operation is seen in bottom photo, with a path being cut as smoothly as a knife passing through soft butter.

GOOD DRIVING OVER HIGHWAY

Clear and Dry All the Way To Rainbow Lake Summit, Auto Ass'n Head Reports

There is good driving from Prince Rupert to Rainbow Lake summit over the Prince Rupert Highway, it is reported by J. Harry Black, president of the Prince Rupert Automobile Association. Although there is snow three feet deep on either side of the road at the summit, the surface itself is dry all the way there with little to mar it except some chuck-holes. Culverts which have been put in are proving effective, says Mr. Black, in carrying off the water as the snow melts instead of leaving it to lie on the road. The road has been kept clear of snow by use of a bulldozer. Beyond the summit toward Tye, the road is covered with hard-packed snow.

At the other end, the road is open now from Terrace as far west as Shames River bridge, heavy packed snow having been cleared down to the surface by use of special blowing equipment. If this clearing work was continued another five miles west, Len Griffiths would be able to reopen his sawmill which is at present tied up. Mr. Griffiths, who is at present on a brief visit to the city, said:

LONDON — About 300,000 rural women in Britain are to have their own college endowed with money raised by themselves. They are members of the National Federation of Women's Institutes which has purchased property near Oxford to be renamed Denman College.

GYRO ACTIVITIES AND FINANCING

Club activities and financing for the year were the principal topics for discussion when the Prince Rupert Gyro Club was in regular monthly business session at its luncheon on Wednesday of this week. A budget committee consisting of Maurice Brydges, W. F. Stone and Frank Skinner was named and a ways and means committee comprising Frank Skinner, W. J. Scott, Maurice Brydges and Thomas Wilford. Best wishes were extended to Joe Scott on the occasion of his birthday. Thirty-six years ago he was the first

white child to be born in the then new Prince Rupert General Hospital. A luncheon guest was Capt. William McNeill of the tanker B.C. Standard.

J.C.C. TOURIST COMMITTEE URGED

Since the tourist trade has become a nation-wide business which annually brings millions of dollars into Canada, the Prince Rupert Chamber of Commerce feels that the Junior Chamber of Commerce of Canada should organize a tourist committee designed to encourage the flow of tourists into this country.

This is the substance of a resolution which will be submitted to the annual convention of the national Junior Chamber at Montreal next May. The resolution, prepared by a committee, was approved by the membership last night.

It urges that, since the tourist business in Canada is "reaching such proportions as to embrace all parts of the Dominion and is a source of much revenue annually, the Junior Chamber of Commerce of Canada include tourist business as a national project and, through creation of a tourist committee, promote a nation-wide pol-

icy to encourage a steady and expanding flow of tourists." The same resolution will be submitted to the regional convention at Harrison Hot Springs in June while a resolution urging an expansion of immigration into Canada will be submitted to the convention of the Associated Boards of Trade of Central B.C. next August.

SHARKING INDUSTRY
MELBOURNE, Australia — In South Australia shark-catching is quite an industry. For some time after the beginning of professional sharking, the record for a single haul stood at 140. But 230 were taken last year, a record catch that seems never likely to be attained again.

MEETING AT CENTRE

Robert Junior Chamber of Commerce held its meeting in the ladies' room of the Civic Centre last night in a session that lasted an hour-long session that was presided over by Police Sergeant L. A. Barton in the common room. The usual dinner meeting was dispensed with because of the dinner held last week in the national Junior Chamber. Paul Laframboise visited the city. There were members present last night. A. P. Crawley was the chair.

A police court Thursday, a native, was sentenced to six months in the provincial reformatory on a charge of breaking and entering in connection with the robbery of Little's News Tuesday morning. Cliff Stipple, who also pleaded guilty to a similar charge in connection with the same affair, was sentenced to six months in the provincial reformatory. A juvenile, in connection with the robbery also received six months in the provincial reformatory.

KITMAAT LEAVES GREENVILLE BEHIND

After running through the first half all tied up, Kitmaat broke out in a last half scoring drive which left Greenville far in the rear of the 62-32 count by the time full time had rolled around. Greenville got off to a good start and had a 14-8 lead at the end of the first quarter. Then Kitmaat got rolling and had the score all tied up by half time at 20-20. The terrific second half got under way as A. Walker and F. Williams began to beat a steady tattoo against the backboard. Greenville could not get started again and Kitmaat walked away from here on in. At the three quarter mark the score stood at 41-26 with Kitmaat still flying ahead. Even in the last stanza Greenville could not get back into the fight while the winners kept hammering at the backboard, dropping in 21 points to their rivals' six.

Walker of Kitmaat sank 22 points as his teammate, Williams, kept right up to him netting 17 points all in the last half. For Greenville the powerhouse was A Robinson who swished 16 points through the net to lead his squad.

Kitmaat earned the right for the consolation play-off which will see them meet Port Simpson's YPEA squad this afternoon.

Greenville—C. Calder 3, J. Guno 2, P. McKay 7, T. Stevens, A. Robinson 16, A. Stevens, J. Martin 2, L. Smart, R. Calder 2, R. McNeil. Total—32.

Kitmaat—W. Bolton 2, R. Smith 2, H. Ames 8, A. Walker 22, F. Williams 17, G. Robinson, J. Shaw, A. Walker 6, T. Robinson 4, A. Hall 1. Total—62.

AIYANSH WINS OVER KITKATLA

The powerful Aiyansh squad, which had a pass in Wednesday's opening games, had to battle hard last night as the scrappy Kitkatla squad gave them a hard run before bowing down by a narrow 39-26 count. It was not until the last quarter had come to an end that Aiyansh was assured of victory and even then they had to fight hard. Aiyansh led at the first quarter post 16-12 but their margin was narrowed down to 24-23 at the end of the first part of the game. Then Kitkatla got rolling and had jumped to the long side of the score at three-quarter time with a two point lead, 32-30. Fighting furiously in the last quarter attempt both squads checked hard and close

but Aiyansh got through for 9 points while holding Kitkatla down to only 4 as the boys from up the Naas forged into the lead.

Aiyansh, by virtue of this win, will meet Kincolith in the finals tonight for the B. C. Packers trophy for the best native team in Northern British Columbia.

This game was outstanding by the lack of an individual high scorer compared with the other matches. G. Gunno netted 12 for top spot but mostly the scoring was fairly evenly divided between all players.

Aiyansh—P. Brown 10, S. Eli, G. Gunno 12, B. Wright 1, J. Davis 6, R. Gunno 2, D. Gunno, A. Rush, H. Morven 4, N. Woods 4. Total—39.

Kitkatla—C. Colton 6, A. Innes 6, B. Hill 2, W. Innes 7, J. Vickers 5, J. Spence 3, R. Gamble, J. Nelson, A. Vickers 4, B. Jackson 3. Total—36.

KINCOLITH WINS IN HIGH SCORING

The highest scoring game of the night featured two highly favored teams battling through

to a 66-50 win for Kincolith over PSAC.

A. Gurney of the Kincolith squad was easily the outstanding player for the night as he drove 35 points through the hoop to take the tournament's high scoring honors, to date, Gurney, so far in the two games he has played, has dropped in a total of 81 points. Ed Sampson of the Port Simpson squad fought hard for his club as he swished 22 counters in for second place honors. But Gurney was given a terrific amount of scoring support by his fellow player, D. Doolan, who was also in the high scoring bracket with 21.

Port Simpson was not quite the flashy team they had been the night before while Kincolith were even more so.

At the first quarter both the squads were all tied up at 9-9 as they played very close. Then Gurney broke loose and Port Simpson could not hold him down. Kincolith took over the driver's seat and had the lead 20-24 at half time. In the third frame both squads hammered hard at each other but still Kincolith moved ahead. But Simpson still was in the fight although on the short side 44-37. Gurney and Doolan teamed up in the last frame to completely shatter Port Simpson's chances and the losers were outscored 22 to 13 in this frame.

That high scoring line of Doolan and Gurney has scored 102 of Kincolith's 122 points in the two games they have played.

Tonight in the final game of this series the Sons of Kincolith and their neighbors and strong rivals, Aiyansh, will battle for the native championship of Northern B. C.

Kincolith—D. Elnn, M. Haldane 4, D. Doolan 21, J. Stevens, S. Doolan, A. Gurney 35, Sol Doolan, R. Calder 1, F. Vinn 5, H. Haldane, J. Stewart, C. Barton. Total—66.

PSAC—H. Sampson 8, L. Ryan 2, E. Sampson 22, W. Cooper 2, A. Reece 5, C. Cooper 5, C. Price 6. Total—50.

The referees for the night were B. Houston and Fred Calderone; umpires, V. Ciccone and Sev Deminato. They handed out a total of 87 fouls in the four games last night but all were highly pleased as they were in the first night's playing with the good sportsmanship and clean playing displayed by all the clubs. Bill Bacon was on hand again last night handling the score sheet with N. Pavlikos on the time.

It's BUICK for '47!

STEP up now, good people, and meet the fashion master of the new season. Here's Buick for 1947—style-wise, performance-wise, quality-wise and value-wise the sweetest "buy" your dollars are going to find anywhere this year. Eye well that sparkling new grille—behind it you'll be plainly marked as strictly up to 1947 in your travel standards.

Take in the tapering grace of long, sweep-through fenders—there's the hallmark of a style pattern sure to bring you notice and approval wherever you may go.

Note the reach of the bonnet—long, deep, broad-chested—there's a lifetime of thrills in such bountiful supply of Buick Fireball straight-eight power.

Spot the solid footing of a carriage big as you deserve—the breadth of beam that spells room aplenty—the ready-to-go poise of four coil-sprung wheels ready to level the roughest roads into boulevard smoothness.

And in particular, mark down this: Not one smart model but *nine* will present this fresh front to the world this season. Cars in three series, three wheelbases and three price ranges give you a triple-barrelled chance to know Buick size, Buick beauty, Buick ability when you travel.

Choose from two versions of the garage-handly SPECIAL—four of the light-footed SUPER—three of the great-hearted ROADMASTER series.

In each you'll find a rich abundance of the things that make Buick Canada's most wanted automobile—engines that seem to stay forever young, the matchless buoyancy of BuicCoil springing, the spaciousness of great room, the feathery handling of controls that are always "obediently yours."

ONLY BUICK HAS ALL THESE STAR FEATURES

- AIRFOIL FENDERS—a sleek, car-length, tapering contour of distinctive beauty.
- FIREBALL POWER—from valve-in-head straight-eight engines in two sizes.
- ACCURATE CYLINDER BORING—smoothness from the start and an engine that "stays young."
- FLITEWIGHT PISTONS—for floating action, swift response, reduced load on bearings.
- BUICCOIL SPRINGING—Buick-developed all-coil springing for perpetual smoothness and "panthergait" ride.
- FULL-LENGTH TORQUE-TUBE DRIVE—protects moving parts, gives steadiness in travelling.
- CURL-AROUND BUMPERS—front and rear, originated by Buick to protect sheet metal.
- BROADRIM WHEELS—for peak tire mileage, better car control, freedom from heel-over on curves.
- STEPCOIL PARKING BRAKE—acts with a toe touch, eliminates awkward hand setting.
- DEEPEX SEAT CUSHIONS—giving luxury comfort in all models, three-person room on all seats.
- PERMA-FIRM STEERING—light but positive control with reduced need for adjustments.
- NINE SMART MODELS—in three series, all with body by Faber.

JUNIOR CHAMBER PLANS TO PAINT LOCAL MUSEUM

The Prince Rupert Junior Chamber of Commerce has produced a colorful idea. Its members want to paint the Museum building. The disciplines obviously necessary when a group of young, non-professional painters are turned loose with brushes and paint pots have yet to be worked out.

The idea was laid before a gleefully receptive membership last night by Junior Chamber President A. P. Crawley, who found it necessary to warn that this was part of a civic beautification campaign and not a holiday for frustrated artists.

The scheme was embraced ardently by Tourist Committee Chairman Al Manson who reported to the meeting that the museum building, which formerly was the library building on Second Avenue, also has been chosen for tourist headquarters this year by the Public Relations Council.

Everyone agreed that for a museum and tourist headquarters, the building looked drab indeed. Plainly, a colorful garment of paint was the answer.

Such details as arrangements for paint supplies and scaffolding were turned over to the chamber executive to be worked out with the city authorities.

However, President Crawley asserted, painting the museum was only part of an "all out" civic beautification campaign this year by the Junior Chamber which would put Prince Rupert at its tidiest for the tourist season.

BLOOD TRANSFUSIONS FREE TO ALL

GIVE to make this possible

● To save the lives of our Canadian fighting-men in action during the war, thousands of Canadian civilians gave their blood to the Red Cross. But in peace, too, Canadians die when a blood transfusion would save them. Whole blood and plasma are in short supply . . . in some parts of Canada there are no facilities at all for an emergency transfusion.

In order to save the lives of Canadian men, women and children, the Red Cross is establishing a Civilian Blood Transfusion Service. By a system of voluntary blood donations, the Red Cross will supply every hospital in Canada with whole blood and plasma. Any patient in need of a transfusion will receive one, free of charge.

Your help is needed to support this and other valuable Red Cross services. The Red Cross needs money . . . your money. Money to maintain Outpost Hospitals . . . to help correct the deformities of little crippled children . . . to maintain Red Cross Lodges, where next-of-kin of disabled veterans may visit their loved ones . . . to bring relief in time of disaster. All these things the Red Cross does . . . won't you help them keep up the good work?

**ROTARY PLANS
MINSTREL SHOW**

Afternoon Tea Another
Novel Function Coming Up

The garment of august dignity normally attributed to Rotarians is going to be set aside temporarily by certain members of the local club in favor of the burnt cork and grease paint of darktown minstrels. Their Mason and Dixon antics, along with those of outside talent, will be viewed on the stage of the Capitol Theatre in a Rotary Club minstrel show at some future date.

Rotarians of known musical and histrionic accomplishment squirmed uneasily in their chairs at the club's weekly meeting Thursday afternoon when the membership approved the minstrel show project, knowing that they would be called on to perform.

"I have committed many acts of foolishness in my time, but none that anyone would pay money to see," was the neat manner in which one member excused himself from participation in the show.

Nevertheless, in the best tradition of the theatre, the Rotarians decided that the show must go on and Club President L. W. Kergin named William Terry as chairman of a minstrel committee consisting of E. T. Applewhite, N. E. Gerrard, F. E. Anfield, H. E. Whalen, H. T. Lock, A. P. Crawley, George Mitchell and D. C. Stevenson.

The mood for projects of a cultural nature was carried proved a proposal for a tea to even further when the club abet held on April 17. President Kergin will pour. G. T. Durkin heads the committee in charge of arrangements.

To bring in a slate of officers for 1947-48, Past Presidents Peter Laskie, P. H. Linzey, A. S. Nickerson, George Mitchell and J. H. Thompson were named as a nominating committee. Elections will be held in May. Guests at the meeting were D. E. Campbell, Victoria, and W. C. Little, Woodcock.

**HABEAS CORPUS,
FREEDOM GIVEN**

Following granting by Mr. Justice J. O. Wilson in Supreme Court at Vancouver of an application by J. A. Maclelland for writ of habeas corpus, Alex Yeomans, 41-year old Massett Indian, was released from Prince Rupert city jail today. Yeomans has been held there pending transfer to Okalla Prison to serve a six-month sentence for infraction of the Fisheries Act. He allegedly kept salmon in a closed area. The conviction is being appealed.

**PROHIBITION IN INDIA
NEW DELHI**

The Sind government will soon introduce prohibition in the province. Country liquor stores will be closed first and gradually the consumption of foreign liquor will meet the loss in revenue.

CAPTOWN

Immigrants from Europe who take up an elementary course at Cape Technical College will be taught enough English in one year to pass a seventh standard examination. Concentration will be on reading and conversation.

Olivia DeHavilland Voted
Best Actress of Year in
"To Each His Own"

Olivia DeHavilland, star of the picture "To Each His Own," currently playing at the Capitol Theatre here, was awarded the Academy of Motion Picture Arts and Sciences "Oscar" as the best actress of the year at the annual presentation of "Oscar" awards in Hollywood last night. Miss DeHavilland won the award for her work in "To Each His Own."

Award for the best actor went to Frederic March for his role in "The Best Years of Our Lives," which also was judged the best movie of 1946.

"The Best Years of Our Lives" also won awards for the best screen play, best directing, scoring and editing.

A special award was given to Harold Russell, armless veteran who played in "Best Years." Another special award went to Lawrence Olivier for his work in the drama, "King Henry V."

**ARMY REVOLTS
IN PARAGUAY**

ASCUNCION, Paraguay (6) — Unconfirmed reports said today that insurgents, based in Concepcion, have joined battle with loyal government troops and have enlarged their forces and range of operations through an indicated area 100 miles wide. The government charged that "international communism" was trying to set up a "bloody tyranny" in Paraguay.
