Stage Equipment Found

Newspapers here reported the discovery by British police of 25 large quantities of high explosives and sabotage equipment buried in various places along the Atlantic coast. The explosives are believed to have been intended for the use of sabotage teams working on the Allied lines during the war.

FINANCES ARE ON SPOT

Conservative Financial Critic Not Think Much of Inter-Tax Plan
TAVNA, N.S.—J. M. Macdonald, Conservative member for Muskoka, Ontario, yesterday in the House of Commons was putting the case, and especially the inter-tax plan, in an "impossible" position, asking practically every rights in major fields of taxation. The smaller provinces had to accept the new tax agreements with the union or go back to a system of double taxation which no one would want to support.

DEBATE TRAPS

Discussing Pros and Cons of Abolition
TAVNA, N.S.—In the House there has been a hot debate on the merits of a bill to abolish traps on whelk. The bill was expected to pass with a vote expected.

Strachey to More Food

Minister of Food
Strachey will leave next week for the Queen Elizabeth for London and Ottawa to confer with American and Canadian authorities in regard to their food importations from the United States and Canada.

HOUSE WAS POLARIZED

Strachey Takes \$6 From Home
Strachey and Mrs. Alex Mitchell and their children
Some \$6 in cash was taken from a purse in a bedroom of the residence of Mr. and Mrs. Mitchell, 232 Fourth Avenue, in a breaking and entering last night. As far as can be determined nothing else was taken by the prowling thief in the house.

BRITISH TOWNS ARE ISOLATED

LONDON, (AP)—After being lashed this week by the worst blizzard in 50 years, roads and railways in Britain were cut off yesterday and villages isolated. Railways have declared an embargo on all freight except coal.

Eight Killed In Chungking Crash

SHANGHAI (AP)—Chinese reports said today that eight persons had been killed when a Chinese air force transport plane made a forced landing near Chungking while flying from Siam. Several other occupants were injured. The aircraft made the forced landing after losing contact with Chungking airport.

BILLS ARE GOING THRU

Amendments to Immigration and Militia Acts Introduced in Parliament
OTTAWA, (AP)—First readings were given three bills in Parliament yesterday. Three were government and two private bills.
One government bill would amend the immigration act to bring into statutory form provision covering admittance of dependents of Canadian ex-service men and also providing for the repeal of the Chinese expulsion act of 1923. The latter amendment will remove certain limitations respecting the admission of Chinese into Canada.
Another bill would bring the old Militia Act into line with wartime developments.

Louis Fight Proves Flat

Little Interest In Louis-Godoy at Mexico City—Was Slow Affair
MEXICO CITY (AP)—The world's heavyweight boxing champion, Joe Louis, in an exhibition with Arturo Godoy last night, drew a small crowd which expressed little pleasure and considerable disfavor. Louis outpointed Godoy.
The heavyweights boxed ten two-minute rounds with fourteen-ounce gloves. It was a lame affair with no slugging.
Louis got \$50,000 for the fight and Godoy, \$10,000.
The 60,000-seat bull ring was about one-fifth full.

PRAIRIES ARE BLIZZARD-TIED

Third Blizzard in Week Undoes All Progress Made in Digging Out from Other Two
WINNIPEG, (AP)—Driven by a 30 to 50 mile an hour wind and accompanied by dropping temperatures, the blizzard—third in a week—which roared over Saskatchewan and the most of Manitoba yesterday undid most of the progress which had been made by road clearing men and machines since earlier storms. Train services were halted in many districts and some faced danger of fuel and food shortages.
Only one transcontinental line and a handful of branch lines are in operation and these trains are hours behind schedule.
Westbound TransCanada Airlines planes are stopping at Armstrong and Kapuskasing in Ontario. Eastbound planes get no further than Lethbridge.
Today promise of moderating winds brought hope to thousands of snowbound Saskatchewan and Manitoba residents and scores of communities faced with fast-dwindling food and fuel supplies.
Respite in the storms would give men and machines a chance to renew assaults on the snow-choked highways and railroads.

WOULD QUIT PRITCHETT

But Head of International Woodworkers to Take Action Again Kelowna Mill Employees
VANCOUVER, (AP)—Harold Pritchett, district president of the International Woodworkers of America, intimated yesterday that legal action was contemplated by the union in connection with a vote of employees of the S. M. Simpson sawmill at Kelowna to break away from his organization which holds bargaining rights for the sawmill employees in the present contract which has been extended to June 30.
Company employees at Kelowna voted 111 for a new union with 42 opposed.

EARLY HUMANE SOCIETY

England led the rest of the world in the foundation of the first society for the prevention of cruelty to animals in 1824.

American War Trials Are Starting

As Bad As Depression

One-Third of British Manpower May be Idle—Throwing Country Into Chaos
LONDON—One-third of the manpower of Great Britain may be idle within a few days, bringing about unemployment greater than in the depths of the depression.
The Board of Trade said yesterday that industrial and economic chaos is imminent which would be comparable with that of the thirties.
Even Labor members are criticizing the government for lack of planning but Emmanuel Shinwell, minister of fuel, although admitting production in Yorkshire is down 50 per cent, fights back, referring to the unusual winter weather conditions and problems which had been handed down by the coalition government which had been predominantly Conservative.

WEATHER-VANES ARE SPINNING

British weather-vanes—political and meteorological—spun briskly today in the wake of Fuel Minister Shinwell's announcement of unprecedented electrical power curtailment, throwing four million workers out of employment next week. Shinwell said that the ruling is expected to remain in force for at least four days and not more than a week.
It was expected that Prime Minister Clement Attlee would make a further statement regarding the coal situation in the House of Commons today.
Simultaneously, easterly gales brought more snow to the storm-bound British Isles. Snow is still falling in many sections of England and winds of gale proportions are pounding the east coast. Many villages are still isolated.
Blizzards, beginning two weeks ago, bisected the country's transportation system, stopped many coal deliveries and forced some mines to close for lack of ability to dispose of their coal.
Meantime domestic consumption has risen to the highest point in history, both to turn the wheels of revitalized industry and to heat frost-cracked homes. Much of the increased demand has gone into the making of gas and electricity.

AMERICANS PULL OUT

PEIPING, (AP)—Departure of American forces from China began yesterday with formal notice to executive headquarters that all United States participation in mediation efforts was over. First troops and civilians have left for Tangku, port of embarkation, and were given safe conduct over the railroad, this being guaranteed by the Communists.

SKI MEET AT JASPER

Alpine Club of Canada to Camp There March 29
JASPER—The Alpine Club of Canada will hold its annual ski camp at the Columbia Icefields in Jasper National Park from March 29 to April 7. Among other things the mountaineers will essay ski climbs of Mounts Athabaska and Snow Dome, both well over 11,000 feet, and the North Twin, which is one of the few peaks in the Canadian Cordillera over 12,000 feet.
For the bulk of the skiers who attend, however, the running on Athabaska Glacier will be the main feature. It is four miles long and drops 3,000 feet in a sweeping descent from the Columbia Icefield. It was in this area shots were made of Bing Crosby in his new picture "The Emperor Waltz" last summer. The scenery is said to be among the most spectacular on the continent because of the profusion of high peaks all well glaciated.
The National Park authorities have advised club president Eric Brooks of Vancouver it will plow the road to the Columbia Icefield chalet in one of whose buildings the skiers will lodge.

Company employees at Kelowna voted 111 for a new union with 42 opposed.

EARLY HUMANE SOCIETY

England led the rest of the world in the foundation of the first society for the prevention of cruelty to animals in 1824.

BRITAIN HAS DOCK STRIKE

Dismissal of One Man Results in 2000 London Workers Walking Out
LONDON, (AP)—About 2,000 London dock workers of the national dock labor corporation began an unofficial strike yesterday in protest against the corporation's dismissal of one man for alleged "unsatisfactory work." A corporation official said that eight ships were affected by the strike.

Is Coming To Crisis

Fear of Holy War Factor in Disagreement in British Cabinet Over Plan
LONDON, (AP)—Government sources describe Foreign Secretary Ernest Bevin as being fearful of an "Arab Holy War" in Palestine and say that this was the major factor in the disagreement which blocked completion of the British cabinet plan for the Holy Land's future. A compromise plan, reportedly calling for admission of 100,000 Jews into the Holy Land, was being considered today.
Prime Minister Attlee summoned the cabinet yesterday for another urgent attempt to shape some scheme for easing the tension in Palestine.
The situation may reach a crisis in a few days.
Meanwhile, in the face of civil war, evacuation of British women, children and "non-essential" civilians from Palestine has been completed. A total of 1,397 families, civilians and army personnel have been moved to Egypt enroute home.

Assessments Challenged

Appraisals of George LaFleche Under Fire at Court of Revision
Civic court of revision began hearings this morning into the largest list of assessment appeals in the city's history as more than 80 property owners sought reduction in their 1947 assessments which were based on appraisals last year by George LaFleche, Vancouver valuator.
In almost a dozen cases heard this morning, re-appraisals, made last week by Mr. LaFleche and Assessor H. D. Thain, resulted in reductions in the original appraisals which satisfied the appellants.
This morning's session, presided over by Mayor Nora E. Arnold, was the first of a series that will run at least until Tuesday as other appellants and their counsel present their cases. Other members of the court are Aldermen Youngs, McKay, Nickerson and Rudderham.
T. W. Brown is counsel for the city while W. O. Fulton is acting for a number of appellants. Other property holders are acting in their own behalf.
Seats in the city council chamber were filled by more than 30 of the property holders seeking redress from what they believe to be unduly high assessments.

AMERICANS PULL OUT

PEIPING, (AP)—Departure of American forces from China began yesterday with formal notice to executive headquarters that all United States participation in mediation efforts was over. First troops and civilians have left for Tangku, port of embarkation, and were given safe conduct over the railroad, this being guaranteed by the Communists.

GERMAN INDUSTRIALISTS BEING LINKED UP WITH POLITICIANS, GENERALS

NUERNBERG (CP)—The United States formally charged five German industrialists with war crimes today in an incident linking business brains of the Third Reich with the worst deeds of politicians and generals. Brig.-Gen. Telford Taylor, chief American prosecutor, served an indictment against Friedrich Flick, aged 68, and four associates in an iron and steel enterprise indictment charges of participating in and profiting from a slave labor program.
Torturing and killing conscripted workers.
Plundering industries in occupied countries.
Using Nazi racial policy to squeeze Jews from business and seize their holdings.
Financing the elite guard terror organization.
The trials, entirely an American venture, will begin in March.

More Bonus To Be Paid

But General Increase in Salaries and Wages for Civil Servants is Rejected
VICTORIA, (AP)—An increase from \$19.93 to \$26.11 in the maximum cost of living bonus to civil servants has been approved by the British Columbia government, Provincial Secretary George Pearson announced yesterday. The announcement culminated several months of negotiations between the employees' association and the government. The bonus will be paid on a sliding scale.
At present the maximum bonus is paid civil-servants with salaries of from \$108 to \$170 monthly and then on a downward scale to a minimum of about \$8.40 on salaries of less than \$108. Those earning over \$250 get nothing.
Employees had asked that the sliding scale be abolished and bonus paid on a flat scale to all employees.
At the same time Mr. Pearson announced that representations by the Association for a 16 2/3 per cent across the board salary and wage increase had been rejected by the government. He indicated that some adjustment might be made for men employed on the hourly rate.

RAILWAY LINE NEARLY CLEAR

Flowing Equipment is Now Digging Into Last Slide—Trains Should Start Moving By Tomorrow
Railway authorities expected to get the Canadian National Railway line between Prince Rupert and Terrace, blocked for the past nine days by heavy snow, cleared by late this afternoon and the first train through by tomorrow. This would be a relief train sent from here to Terrace and returning from there with passengers, mail and express which has been held up during the tie-up.
Trains are expected to be moving normally again with the first through train for the East leaving tonight and the first in tomorrow. The inbound train from the East, ordinarily due at 10:45 p.m., is 20 hours late owing to connection at Jasper so will not be in before 6:45 tomorrow evening at the earliest.
After having finally got through to Terrace, snowplow equipment returned west during the night and this morning had started digging into the last slide to be cleared, this being about four miles west of Kwinitsa.

Canadian War Story Now Being Compiled

OTTAWA, (AP)—Defence Minister Brooke Claxton said yesterday that arrangements have been made to issue popular histories of three Canadian forces in the Second World War before March 1948. Mr. Claxton said that the collection required a large amount of material. Careful selection and research and examination of documents captured from the enemy.
A number of appeals in which W. O. Fulton is acting for the appellants were held over until Monday when, it is expected, they will take up the whole session.

A number of appeals in which W. O. Fulton is acting for the appellants were held over until Monday when, it is expected, they will take up the whole session.

To Withdraw From Austria

After Treaty of Independence is Signed, Foreign Deputies Agree—Considering Smaller Nations' Say
LONDON, (AP)—Big Four deputy foreign ministers today agreed that the Allies should withdraw all their troops from Austria within 90 days after the treaty of independence is signed with that country.
British sources reported that the agreement accepted the principle of control authority over Austria should the treaty be enforced.
The deputies also considered the American proposal to give the small nations a bigger voice in the drafting of German and Austrian peace treaties.

MEMBER DEFENDS HIS PRINCIPLES

OTTAWA, (AP)—Norman Jaques, Social Credit member for Wetaskiwin, Alberta, said newspapers in Canada and the United States were attacking him because of his support of principles of Christian nationalism. Jaques said he had no apologies to offer for his support of these principles.

DROWNED MAN BROUGHT HERE FROM SKEENA

Body of Peter Spalding, who is believed to have died of exposure after swimming to shore from his wrecked gillnetter in the Skeena River on the night of January 29, was brought to Prince Rupert last night on the police boat P.M.L. 15.
So far, his is the only body recovered from the tragedy that cost the lives of seven Port Essington residents, among them Spalding's wife and two children. Report that the bodies of the children had been discovered alongside that of their father on the beach proved erroneous.
Spalding, noted as a strong swimmer, is believed to have swum ashore when the vessel was crushed in the drifting ice off Point Lambert on the south bank of the river. He is thought to have perished of exposure while lying on the river bank in zero weather.
An inquest into his death was begun at 4 p.m. today by Acting Coroner Bruce Stevens. The jurors viewed the body, then adjourned until an autopsy court be completed.
The body was brought to the city by the police boat P.M.L. 15, Capt. Reg Good. Taking part in the search were Police Inspector H. H. Mansell and Detective Corporal A. T. Lashmar. They picked up the body at 1 p.m. Friday and brought it here last night.
Inspector Mansell said today that the search for the other six bodies, those of Mrs. Spalding and the two children, Mr. and Mrs. Edward Bennett and Matthew Wesley, will be continued.

THE WEATHER

Synopsis
A cold air mass lies over central and northern British Columbia and sub-zero temperatures have been reported during the night in the Kootenays, the Cariboo and northern British Columbia. Fair weather with variable cloudiness is expected to continue in the coastal areas and the southern interior today and Sunday.

Forecast

Prince Rupert, Queen Charlottes and North Coast—Variable cloudiness, clearing tonight. Cloudy over southern Queen Charlottes on Sunday. Clear elsewhere. Winds light, except easterly (15) over southern Queen Charlottes. Little change in temperature. Lows tonight—At Port Hardy, 32; Massett, 28; Prince Rupert, 32. Highs Sunday—At Port Hardy, 44; Massett, 43; Prince Rupert, 45.

Animals Are Frozen To Death At Snag

SNAG, Yukon Territory—Thousands of rabbits, foxes and wolves have frozen to death in the intense cold spell which has been recorded here during recent days. Thinner animals are unable to survive, the fatter ones doing better.

GUIDES TO TAKE PART IN SCOUT-GUIDE WEEK HERE

Prince Rupert Girl Guides' Association plans to take an active part in Boy Scout and Girl Guide Week, which starts on February 19, and the two organizations plan to co-ordinate their observance of it here. Detailed plans have yet to be worked out but it will include a church parade of both organizations.
Decision to take part in the week's observance was made at the annual meeting of the Prince Rupert Girl Guides' Association held at the home of Mrs. Arnold Brown this week. The meeting elected new officers and heard reports from various troops and Brownie packs.
New officers elected by the association are:
Honorary President, Mrs. R. L. McIntosh.
President, Mrs. G. R. S. Blackaby.
Vice-President, Mrs. Arnold Flaten.
Secretary - Treasurer, Mrs. Peter Laikie.
Executive—Mrs. Basil Prockter (in advisory capacity), Miss Olive Van Cooten, Mrs. Lionel Holby and one member yet to be chosen from the Catholic group. Mrs. Holby was placed in charge of publicity and Miss Van Cooten in charge of supplies.
Reports from the five Guide troops and Brownie packs showed that the past year had been successful both from the standpoint of expansion and activity. Membership now numbers more than 100. Most recent development was the creation last month of a Catholic Brownie pack under leadership of Mrs. James Rogerson.
Groups now operating are:
First Prince Rupert Guide Company, Capt. Honora Silversides.
First Catholic Guide Company under Miss Frances Moore and Miss Pat Clark.
First Prince Rupert Brownie Pack under Mrs. W. S. Kergin.
First Catholic Brownie Pack under Mrs. J. Rogerson.
Second Prince Rupert Brownie Pack under Brown Owl, Mrs. F. W. Stone.
The First Prince Rupert Guide Company is busy preparing for examinations in St. John Ambulance work, according to Guide Capt. Silversides. Two members are also preparing for child nursing tests and one, Geraldine Prockter, has passed her cycle badge test.
Ways and means of raising money for the annual Guide and Brownie summer camp, and preparations for the annual rally later in the year also were discussed.
The need for more trained leaders was voiced by the 15 leaders and members present.

IN THE SUPREME COURT OF BRITISH COLUMBIA
IN PROBATE
IN THE MATTER OF THE ESTATE OF GILBERT CHARLES RUSSELL, DECEASED.
IN THE MATTER OF THE "ADMINISTRATION ACT."
TAKE NOTICE that by order of His Honour Judge W. E. Fisher, made the 3rd day of February, A.D. 1947, I was appointed administrator of the estate of Gilbert Charles Russell, deceased.
All parties having claims against the said estate are hereby required to furnish same, properly verified, to me on or before the 15th day of March, A.D. 1947, after which claims filed may be paid without reference to any claims of which I then had no knowledge.
And all parties indebted to the estate are required to pay the amount of their indebtedness to me forthwith.
Dated this 3rd day of February, A.D. 1947.

Waterfront Whiffs

Herring Running Too Deep For Seining—Oil Line and Navy Buildings Demolished—Licidor Brings Fish Here

Seiners and packers of the herring fleet which left port here in gallant array on Wednesday after lying in shelter for a week began to trickle back on Thursday and Friday with reports that the herring were running too deep to be caught with seine nets.
The small fish sought the deep water during the cold snap last week and, so far, have not returned to the upper level, the frustrated herring men report. One school of herring, in Willis Bay, was sounded at a depth of 70 fathoms. Fishermen are hoping that they will rise nearer the surface in the next few days.
Removal of the former R.C. A.F. fuel pipe lines running from the Morse Creek storage tanks to the government elevator wharf is well under way. The lines, an eight-inch and a four-inch, installed to service R.C. A.F. aircraft and boats during the war, are being cut into 20-foot lengths, and shipped to Vancouver. The job is giving employment to a number of local workmen. The large Navy pipe line is not being removed.
Demolition of surplus buildings at H.M.C.S. Chatham wartime naval establishment was begun Friday by Highway Construction Co. The buildings to be demolished include all the structures with the exception of the former wardroom quarters, the drill hall, and administration building.
The American Maritime Commission transport Licidor arrived in port last night from Ketchikan carrying 16 carloads of canned and frozen fish for rail shipment east over C.N.R. lines. It is the second trip the vessel has made here for a similar purpose in the last week. The Licidor brought more than 30 carloads last week.
With holiday season on, switching of Union Steamship Co. vessels plying to this port has been going on. Tomorrow Capt. Harry McLean will be here as master of the steamer Coquitlam, relieving Capt. John Boden who is starting his vacation. Capt. Ernest Sheppard is due back soon but will take over command of his old love, the steamer Catala, instead of the Camosun of which Capt. Alex McLennan is now master, returning to the ship on the current voyage after having been relieved by Capt. McLean for his vacation. Capt. W. McComb has been sailing as master of the Catala of late.
Two Union liners were in port since yesterday afternoon—the Camosun arriving sharp on time at 3 o'clock yesterday afternoon from Vancouver and Ocean Falls

and sailing at midnight for Ketchikan while the Catala arrived at 1:30 a.m. and sailed at 10 o'clock this morning on her return to Vancouver and waypoints.
Mariners are advised that King Island Light, Cumshewa Inlet, is reported not burning and may be out of operation for some time.

Edmonton Cancer Specialist Dies

EDMONTON—Dr. I. W. C. McEachern, cancer specialist and one of Edmonton's best known physicians, who retired from active practice some time ago, died here yesterday at the age of seventy-five. He had practised here for thirty years.

JOAN CRAWFORD INJURED AGAIN

HOLLYWOOD—Joan Crawford, who three times has broken her right ankle, went to bed for an indefinite period recently with a torn left ligament. Her doctor said she suffered the injury when her foot caught in carpeting at her Brentwood home, and she fell down a flight of stairs.

Old Westminster Will Honor New

NEW WESTMINSTER—Westminster, England, will honor the City of New Westminster and the Westminster Regiment in a special broadcast on the occasion of the annual May Queen festival here.

Rev. Peter Kelly is leaving today with the United Church mission boat Thomas Crosby to spend Sunday at Port Simpson and will be back here on Monday. He expects to leave next Wednesday for his base at Ocean Falls. Rev. and Mrs. W. R. Cantelon of Hartley Bay will be taken back there after attending United Church Presbytery sessions here.

Two Union liners were in port since yesterday afternoon—the Camosun arriving sharp on time at 3 o'clock yesterday afternoon from Vancouver and Ocean Falls

COME TO Showclo

SATURDAY SERMON

A STARTLING HEADLINE

(By REV. JOHN LINNEY, Full Gospel Tabernacle)
"For this is my blood of the New Testament, which is shed for many for the remission of sins." —Mat. 26:28.

Newspaper headlines sometimes carry a startling testimony to the truth, even when the writer does not intend it.
Last autumn a noted English physiologist, Sir Joseph Bancroft, concluded a series of lectures at Yale. The New York Herald Tribune reported this under a headline in bold type:

"Blood of Lamb Yields Clue to Chance of Life." Christian people reading this were challenged by its unusual suggestiveness and read on to see what it was about. Sir Joseph described his experiments with new born lambs to ascertain the oxygen content of their blood and their prospect of living in view of this. But the exploitation of scientific news turns one's thoughts to what may reverently be called the "Headline of God's Word" which is indeed that mankind's "Chance of Eternal Life is inseparably related to the blood of the Christ."
When the children of Israel were preparing to leave Egypt and be set free from the bondage of their taskmasters, the Angel of death was to pass over the city, and God's appointed way of sure protection from this messenger of death was to take a lamb, slay it, and strike the blood on the two side posts and on the upper door post of the

house and "when I see the blood I will pass over you, and the plague shall not be upon you to destroy you."
The ropes in the English Navy, from the greatest to the smallest, are so twisted that a scarlet thread runs through them from end to end which cannot be extricated without undoing the whole and by which the smallest piece may be recognized as belonging to the Crown. So the smallest acts of a Christian's life prove his allegiance to whom he belongs.
The message of the blood of the Lamb as the only cleansing from the plague of sins runs through the entire Bible.
When John the Baptist saw the Lord he cried: "Behold the Lamb of God which taketh away the sin of the world" (Jn. 1:29). What a grand message, this.

"For all have sinned, and come short of the glory of God" (Rom. 3:23).
We may be in the Nicodemus class, fearing God and living a good moral life, but he needed the blood of the Lamb to cleanse him from sin. He needed a Saviour. Or we may be in the class of the Samaritan woman who had sinned much. She needed the blood of Christ to cleanse her from sin. She also needed a Saviour. The Scripture declares: "If we confess our sin, he is faithful to forgive us our sin and to cleanse us from all unrighteousness" (Jn. 1:9). The song which the redeemed sing in heaven is "Unto him that loved us and washed us from our sins in his own blood" (Rev. 1:5). If we do not learn to sing that song on earth, we will never be granted eternal life and sing on the golden shore.
The blood of Christ—it binds all heaven with its many mansions and thrones without number in complete security. Sinner friend, seek no other source in which to be cleansed from sin but that mighty stream which flowed from the Saviour's side when He died upon the Cross and sent forth the victor's cry: "It is finished" (Jn. 19:30). The heart of thy Redeemer did burst for thee and all its sacred blood flowed for thy cleansing. Why not in deep sincerity bow your head and offer this simple prayer: "Heavenly Father, forgive me my sins, cleanse me from them in the precious blood of Jesus. Fill me with Thy Holy Spirit. In Jesus Name, Amen."
Peace, perfect peace,
In this dark world of sin
The blood of Jesus
Whispers peace within.

TO THE PEOPLE OF PRINCE RUPERT Who Suffer With Their Feet

You will be interested to know that there is a town who has had a wide experience in the correction of fallen arches, and can make Arch Supports that will relieve that painful and tired feeling that only foot specialists can explain.
Mr. Bill Terry, with many years of study of foot ailments, is at Hill's Shoe Store, and will be pleased to take an impression of your feet and let you know what can be done in your individual case.
Mr. Bill Terry is also in charge of the Shoe Repair Dept. where your repairs are executed neatly and promptly. Call around and see him for either reason.

Job's Daughters' Birthday Party

It was fourth birthday last night for the local Bethel of Job's Daughters and the occasion was suitably celebrated by the girls and their friends. After the Bethel meeting, at which four of the girls—Carol Grey, Betty Allen, Molly Frew and Pat Judd—received majority degrees, there was a social session during which a handsome birthday cake presented by Margaret Morin and her mother, Mrs. J. R. Morin, was duly cut by Honored Queen Bernice Eastwood, assisted by Past Honored Queens Mona McRae, Molly Frew and Marie Boulter. There was a monologue by Mona McRae and other forms of entertainment. A can of meat, donated by Mrs. Alex Mackenzie, was won by George Geddes and the attendance prize was won by Kathleen Hills.

BURNS LAKE GUIDE DIES

BURNS LAKE—Thomas MacKinley, aged 70, well-known guide and trapper who was known to his friends as the "Mayor of Oosta Lake," died here recently. He was found dead in his cabin, having succumbed, apparently, to heart disease.

Mr. MacKinley was well known in Prince Rupert, having acted as guide to many hunting parties. He was in Prince Rupert a month ago and during his visit here was guest at a Rod and Gun Club banquet.

He was a veteran of the Boer War and had worked on surveys of the Oosta Lake district years ago.

that I might have a chance for betterment of my future. The past has made me very bitter as I could not see any future for myself.

"This letter seemed like it had been sent by God and God will help through this letter. Now I'll send my letter and wait for an answer."

long wait for an outer my wish has been fulfilled. I received a card. When I found your address I hoped

many kindnesses, acts of and expressions of extended in our recent in the loss of husband and father, we wish to express our deep appreciation.

GRUNTS AND GROANS

The score: McLaughlin, 2 falls; Pearson, 1; Howe, none.

The old squirming game hasn't changed a bit since we saw it last.

The crowd got their dollar's worth and the Civic Centre picked up a couple of hundred.

It was a good show, too, and we can take another quite soon.

It was a good thing George Howe saved his shirt. After all, they are hard to get these days. The shoe he threw away after the rope tussle with Jack did not matter.

No matter how you look at it the gladiators earned their dough. As for us, we will be glad to go on just humbly writing it up.

We were glad when it was over—that one of them had not dropped in our lap.

Yes, modern wrestling is a great game. Maybe not as serious as Graeco-Roman but a lot more fun.

The preliminary boys were crowd winners.

Jimmy Nicoll and his Legion Club are bringing up a likely looking bunch of lads.

They have fighting hearts and how!

Did you notice the spontaneity of that \$20 silver shower? That was real appreciation.

Pugilism—both kinds—should be in for another season in Prince Rupert.

We'll meet you at the next one and here's hoping it will be soon.

McLaughlin Squirms To Win In Civic Centre Wrestling

REFEREE GEORGE HOWE LOSES DIGNITY BUT RETAINS HEALTH

Jack ("The Cat") 182-pound Vancouver grunt artist, squirmed and agonized his way to wrestling fame in the north last night when he levelled his imported opponent, Gil Pearson, two falls out of three, in the fifth round of a colorful exhibition bout before 500 fans in the Civic Centre gym.

Referee George Howe survived. Preliminaries included three lively boxing bouts by members of the Canadian Legion Boxing Club. In the semi-windup, Bobby Jones, 143, took the lead and was awarded a unanimous decision over Alex Gomez, 144, in three fast, two-minute rounds. Gomez came to life in the third but his rangy opponent had piled up too big a margin by then.

The openers were two three-round exhibitions between Neil Forman, 100, and Donny Leighton, 100, and between Alvin Phillips, 74, and Jordan Smith, 72. The little colored boy was full of heart and swings and won the crowd's approbation for the way he sailed into the cool Smith.

Art Murray was announcer, and boxing officials were George Howe and Neil Ross, judges; Benny Windle, referee. Bob Cameron was timekeeper for all events.
