15,000,000 PLANT FOR PORT EDWARD

PROVINCIAL GOVERNMENT, Provincial Library, June 31-47

Churchill Says Labor Gov't 'Criminal'

Win Hits Policy Germany

Fuller Part for Dominions
MOSCOW (CP)—Foreign Secretary Bevin today accused the Soviet government of failure to report number of German prisoners of war held out-ermainy, and demanded to whether Russia had trans-ferred German property in the zones to Soviet owner-

SECOND WOMAN FOUND KILLED

LOS ANGELES (CP)—Mrs. Mel Preston of Bellflower, California, was found strangled to death Tuesday with her head battered. Two men, a father and son, are held on suspicion of murder. Bloodstains found in her residence seemed to confirm the theory that the woman was killed in bed, then taken to the nearby San Gabriel River where the body was found.
This was the second slaying in one day in the Los Angeles area. Mrs. Evelyn Winters, 42, was found dead near suburban railroad tracks a few hours before.

UGANDA AND CRESCENT TO VISIT PORT

Advice has been received of the forthcoming visit to port of H.M.C.S. cruiser Uganda and destroyer Crescent. They will arrive at 9 o'clock on the morning of April 7 and remain until noon April 9.

RESCUED FROM FALLEN HOUSE

CINCINNATI (CP)—Deimar Radd, 19, was pulled alive from the wreckage of a collapsed five-story building today, more than 24 hours after the building caved in. Three men of an original six are still entombed in the debris. Two were rescued yesterday.

SUGAR IS INCREASED

OTTAWA (CP)—Hon. Douglas Abbott, minister of finance, announced in the House of Commons today that a four-per cent increase in the Canadian sugar ration will become effective April 1.
The minister said the standard consumer ration of seven coupons each quarter will be increased to eight coupons.
Each coupon is good for a pound of sugar.

NOT CONNECTED WITH PULP MILL

The Port Edward Development Co., which was recently incorporated at Victoria, has no connection with reports circulating from Prince Rupert in connection with the pulp mill development at Port Edward, according to the latest issue of the B.C. Journal of Commerce.
No details regarding the objectives of the new Port Edward Development Co. have been released.

Put Politics Before Nation He Declares

LONDON (CP)—Conservative Leader Winston Churchill charged the Labor government today with "crime against the British state and people" and accused its Socialist leaders of placing their political interests above those of the government. He made a most concerted attack upon the government in demanding a vote of non-confidence.
"Before they nationalize our industries," Mr. Churchill said, "they should have set country before party and shown that they were Britons first and Socialists second."
The wartime Prime Minister declared that the British people were less well fed than the people of Holland, Belgium and Denmark "who have just emerged from four years of Prussian rule."
Bread rationing could have been avoided, Mr. Churchill contended, if "we had not wrongfully given away our basis share to which our condition entitled us."
"There was no need for a bread shortage or a coal breakdown. These shortages were merely marginal and could have been provided against by forethought and prudence." He declared the government had "divided the nation in an hour of serious need."

Celanese Factory On Watson Isle

Announcement of Project Made By Minister of Lands Kenney

VICTORIA (CP)—Hon. E. T. Kenney, minister of lands, announced today that it was the intention of the Celanese Corporation of America to build a \$15,000,000 plant near Prince Rupert which will employ 1000 men in producing purified celanese for chemical purposes.
The plant will have a capacity of 200 to 400 tons per day which will go in the manufacture of yarns. The site chosen for the project is on Watson Island, eight miles southeast of Prince Rupert.
Mr. Kenney said arrangements had been made with the British Columbia government whereby a large forest land has been reserved for use by the company. The reserve allotted will provide a perpetual wood supply for the plant.

PRINCE RUPERT CO-OPERATIVE DOES BUSINESS OF \$3,750,000

Members and delegates to the recent annual meeting of the Prince Rupert Fishermen's Co-operative were told by Ted Sorensen, general manager, that the Association had done \$3,750,000 worth of business during the past year. This compared with a 1945 volume of \$3,300,000 and a volume in 1944 of about \$2,000,000. The report from the board of directors states: "This year the association will be doing over four million dollars' worth of business"—an indication that the board is confident of continued success.
The report further gives the assurance that the new \$80,000 oil plant, one of the most modern and well equipped on the entire Pacific coast, will be completed and in use by May 1.
Tony Martinussen, president, welcomed the delegates to the United Fishermen's Co-operative—Gordon Crane, Don Bentley and Mat Nielsen. Visitors to the meeting were Russel Love, president of Interprovincial Co-operatives; Les Wylie of the Fishermen's Mutual Marine Insurance Co., and Doug Clark of the University Extension Department.
Mr. Love gave the meeting an interesting report on the progress being made in co-operative wholesaling. He stated there had been little opportunity for expansion during the war years but that 1947 should see great progress along many lines. In answer to a question from the floor, Mr. Love told the meeting that beginnings would be made in supplying the needs of fishermen through co-operative channels.
At the request of the chairman, Doug Clark outlined the work now being carried on by the Co-operative Union of British Columbia on the question of income tax legislation. The chief efforts of the various co-operative unions throughout Canada, the speaker stated, have been directed to campaigns urging individual members of co-ops to write letters of protest to their elected delegates and to the Department of National Revenue.
The directors' report mentioned a few cases of members selling outside the association

BUS COMPANY ASKS AGAIN FOR FRANCHISE

Arrow Bus Line Ltd. has renewed its request to city council to put before the ratepayers a by-law for an exclusive franchise to operate a bus service in Prince Rupert. The application, signed by S. E. Parker, director of the company, is being considered by the aldermen.
Mr. Parker informed council in a letter Monday night that, while the company is badly in need of new buses to improve service, it would be unwise to make such an investment without a franchise.
Arrow Bus Lines' application for a similar five-year franchise a year ago was turned down by council in favor of another company which later was refused permission to operate by the provincial Public Utilities Commission.
In return for a franchise, which would have to be approved by the ratepayers in a plebiscite, the bus company would offer the city \$100 per year for each bus in operation. This was termed "fair" by Mr. Parker in view of the condition of the city's streets.
The letter termed the present annual license fee of \$80 per bus "exorbitant and discriminatory when trucks use the city streets with equally heavy loads" for far smaller license fees.
"There are no special conces-

CAPITAL POLICE SHAKE-UP LOOMS

VICTORIA (CP)—Decisive action was taken by the police commission here last night following allegation of police department corruption and negligence of duty and gambling in Victoria clubs.
Mayor Percy George, commission chairman, ordered Police Chief J. A. McLellan to "check all violation of the law and immediately suspend any officer found negligent in duty."
The mayor said he had received many suggestions by telephone, letter and visitors that "members of the city police were accepting bribes from certain gambling elements in the city."

SECRET STRIKE BALLOT BILL

VICTORIA (CP)—Provisions for a compulsory, secret strike ballot under government supervision, and revocable check-off union fees were contained in a bill introduced in the Legislature Tuesday by Labor Minister George Pearson. The bill would prohibit strikes or lockouts until a conciliation board has been appointed and its report submitted to separate vote by employers and employees for acceptance or rejection.

LOCALS BEAT ABBOTSFORD

Last night the Bo-Me-Hi Rainmakers went up the Fraser Valley from Vancouver to Abbotsford and defeated the Abbotsford High School squad in a low scoring match by a 27-17 count.
According to word received the locals were shown the best time they have had since they hit the south.
This afternoon they play the Varsity Intermediate "A" champions and tonight they will be on their way home. They will be home on the Camosun Friday afternoon.
Don Hartwig and Reg Lavigne were high scorers in the Abbotsford game with six points each. According to word from Boyo Gurvich it was a very slow game.

INDUSTRY NEAR HERE

W. H. Brett, M.L.A. for Prince Rupert, in a wire to the editor of the Daily News this afternoon, advised that a deal with American interests regarding a celanese plant at Port Edward had been consummated.

DUTCH PLANE SAID MISSING

BATAVIA, Java—A Netherlands East Indies air force Dakota plane, carrying 24 passengers and two crew members, was officially reported missing today on a flight between Batavia and Bandoeng, Java. The plane carried both civilian and military passengers.
sions granted the buses in return for these high fees," Mr. Parker stated.
He presented a copy of the annual financial statement of the company, which showed that it had made only some \$400 profit last year, largely because of high repair costs made necessary by the rough streets.
Miss Eva Munthe, after a six months' visit here with her uncle and aunt, Dr. and Mrs. Jens Munthe, left on Monday night's train for New York where she will embark on the liner Stavangerfjord, returning to her home in Oslo, Norway. She will visit for a week enroute with relatives at Minneapolis.
PRINCIPAL MARIJANA Guam is the largest of the Marianas Islands.

Haines Cut-off—ESSENTIAL TO DEFENCE OF ALASKA

U.S. Army Head Is Alarmed At Proposal to Close It

WASHINGTON, D. C. (CP)—General Dwight D. Eisenhower, United States Army chief of staff, has expressed concern over the proposed closing by Canada of the Haines Cut-off of the Alaska Highway. Senator Warren G. Magnuson (Democrat, Washington) made public today a letter from Gen. Eisenhower in which the General said he intended to investigate at once the proposed action, asserting that the Haines Cut-off was a "most important link" in the Alaska military highway system.

Manager of Foreign Freight Department

MONTREAL—The appointment of Frank J. Stock to be traffic manager of the Foreign Freight Department, Canadian National Railways, was announced here today by John Pullen, general freight traffic manager of the National system.

SEEKING GOV'T ASSISTANCE FOR FAIRVIEW ROAD

City Council will seek to have the federal Department of Fisheries assume 50 per cent of the cost of building a roadway leading to the new fishermen's floats at Fairview Bay.
A resolution to that effect was approved by the aldermen Monday night and will be submitted to the Minister of Fisheries and H. G. Archibald, M.P. for Skeena. The resolution was submitted by Alderman Casey and met with no opposition in council.
Estimated to cost about \$30,000 the proposed road will connect the fishermen's floats and Co-operative plants where more than, according to the brief, a million dollars has been spent in fish packing and other facilities.
"The entire undertaking is exclusively in connection with the expanding fish trade of the port of Prince Rupert which is of vital importance to the Dominion government," the brief stated.
Alderman Rudderham, who seconded the resolution, suggested that it not be sent to Ottawa until plans and specifications for the roadway were prepared and ready to be sent along with it, but his suggestion was overruled by the other aldermen, who felt that it should be submitted immediately.

TRAPPED EDITOR JUMPS TO DEATH

NEW YORK (CP)—Edward P. Flynn, 41, executive editor of the New York Post and the Bronx Home News, died early today in a plunge from a window of his eighth-floor apartment during a fire there. His body fell to the skylight of a one-storey adjoining building, scattering glass on the occupants.
Before his plunge, he called: "I'm trapped. I'm going to jump."

WANT WARTIME HOMES OPEN FOR PRIVATE SALE

City Council Monday night warned up heartily to a resolution seeking to have wartime houses in developed zones of the city available for purchase by private citizens, a move which the aldermen felt, would add considerably to the taxable property rolls.
Presented by Alderman George Casey, the resolution was backed up by a delegation of wartime housing tenants whose efforts in that regard have so far resulted in no response by the Crown company.
Alderman Thomas B. Black presented a further motion which would assure that in the event of Wartime Housing selling the houses and lots to private owners, the city would reap some financial gain from the sale of the lots.
Property on which the houses were built was expropriated from the city by the Crown for \$1 a lot, and the aldermen felt that if further sales are made, the city should receive additional payment from the lots.
LIGHTEST SOLID Lithium is the lightest of all the solid elements.

Truman Calls on Congress to Save Greece and Turkey

Spread of Communism in Europe Would Involve Security of United States

WASHINGTON (CP)—President Truman today urged the United States Congress to supply \$400,000,000 of American military advisors to Greece and Turkey, Mediterranean bulwarks against spreading Communism. He said "foreign policy and national security of this country are involved. Should Greece appear as an independent state, it would have a profound effect upon those countries in Europe whose peoples are struggling against great difficulties to maintain their freedom and independence while they repair the damage of war."
"The future of Greece is clearly no less important to freedom-loving people of the world." Maintenance of its national integrity "is essential to preservation of order in the Middle East."
The President also asked Congress to "authorize detail of American civilian and military personnel to Greece and Turkey, at the request of those countries, to assist in tasks of reconstruction and for the purpose of supervising the use of financial and material assistance as may be furnished." He recommended that "authority be also provided for instruction and training of selected Greek and Turkish personnel."
Mr. Truman attributed the Greek government's difficulties to the Communists when he said "the existence of the Greek state today is threatened by terrorist activities of several thousands of men, led by Communists, who defy the government's authority at the north boundaries particularly." He emphasized that the United States must supply assistance because "no other is willing and able to provide the necessary support for democratic Greek government."

HITS PROPOSED IMMIGRATION

OTTAWA (CP)—Walter Tucker, Saskatchewan Liberal leader, told Commons Tuesday that it should not be a party to an immigration policy that would mean separation of families of Europeans who are related to Canadians. He referred to recently announced provisions that would allow European relatives of Canadians to come to Canada if they have assurance of work in the lumbering or farming industries.
Prime Minister Mackenzie King instructed the clerk of the House to place a motion on the order paper setting April 2 to 14 as the period for the Easter recess.
Finance Minister Abbott said that the five per cent corporation tax being re-imposed by provinces entering the new taxation agreements with the Dominion will apply to co-operatives in the same way as the war income tax.

Trying To Get Along

SOMETIMES it seems advisable to suggest to Prince Rupert people that they should try and get along with the rest of the world. Although we are tempted to become impatient, it is no use sitting back here thinking that other parts of the country are against us just because they are trying to do the best they can for themselves—just like we should be doing ourselves.

We think sometimes of Vancouver, for instance, as trying to hold us down or attempting to prevent us from going ahead. Naturally, Vancouver is out for its own interests. So are we and there will always be rivalry but it need not be too unfriendly.

We have often suggested before that, by and large, what benefits Vancouver also benefits Prince Rupert and one will not prosper greatly without the other doing likewise. So, working together in a spirit of co-operation and understanding, will, in the long run, be more mutually beneficial than agitating and endeavouring at cross purposes and in distrust.

It is getting us nowhere to sit back and think about the rest of the world being against us. It is a useless complex.

* * *

BERNARD ALLEN

OFFICIAL CONFIRMATION has been made of the appointment, which was intimated in the Daily News several weeks ago, of Bernard Allen as general superintendent, British Columbia district, Canadian National Railways, in succession to Walter T. Moodie, retired.

Prince Rupert should have in Mr. Allen one who understands our problems and situation here and will be duly sympathetic therewith. We have good reason to assume that he will always be ready to give us a hand and put in a good word for us.

The former manager of the local dry dock is a realistic and sometimes unduly frank executive but we will expect him to do the square thing by us.

* * *

IMMIGRATION NEEDED

AT THE ANNUAL MEETING of the Royal Bank of Canada, Sydney G. Dobson, president, stated that "one of Canada's outstanding needs today is increased immigration."

"If this country is to develop," he said, "more people are required and a policy of selective immigration should be embarked upon. Certain of the restrictive regulations which make a prospective immigrant uncertain of being able to enter Canada or remain after arriving in this country should be revised. Countries such as Australia, South Africa and New Zealand are adopting an active policy of encouraging desirable people to settle in their countries, and unless we move quickly the best types may go elsewhere."

The News has been hammering away for years for a real immigration policy by the Dominion government. Signs are in evidence that some sort of a bill is being prepared at Ottawa. It is time for a modern Immigration Act to be passed.

We realize that mass immigration is not desirable this year owing to the lack of dwelling places. But there are literally thousands of relatives in Europe of well established Canadians who ought to be allowed to come at once without the barriers that are now put in their way. For these could be given accommodation by their relatives here and they would soon become absorbed into the economic and social life of the country.

Prince Rupert Co-operative

(Continued from Page 1)

pointed out that the members had not gained anything but had actually lost by selling outside their own organization and stressed the fact that, from the long range point of view, the results of disloyalty would be harmful to the fishermen's co-operative movement generally. The discussion did a great deal in clarifying the relationship of the member to the association.

There was some discussion regarding a pension plan for co-operative employees. The meeting expressed the view that this was a matter for the state—that the answer was to be found in adequate security legislation, not in plans set forward by individual groups.

In the matter of the proposed plan of amalgamation of the fishermen's co-operatives on the British Columbia coast, the meeting voted concurrence in the board's report after considerable discussion had taken place. The report dealt with the matter as follows: "Since forming the federation, the fishing co-operatives, members of that organization, have to some extent learned to work together for the betterment of all. It is to be hoped that in the years

to come we will all learn to work more closely together for in unity there is strength. Those who visualize this have given considerable study during the past year to the possibility of making the federation an actual amalgamated fishermen's co-operatives, with all the fishermen on the coast being participants in its ownership. To the members of this association, this can actually be considered as the natural course of events, for your association is the result of the amalgamation of two other fishermen's co-operatives. Regarding the question of amalgamation, the directors can only ask that you continue to consider it. Such an amalgamation will only be possible if each and every member fully understands the problems involved and has every opportunity to voice his opinions. This democratic principle is one of the basic requirements of the co-operative movement. In accomplishing this, we will maintain a united and loyal membership which will prevail against the forces that are only too eager to destroy us."

The effect of concurrence in the board's recommendation is that amalgamation is still a matter for discussion but no immediate action is contemplated. After a lengthy discussion of market conditions and prospects

for the coming year, the board was given authority to deal with advance prices. The prevailing mood of the meeting on this matter was one of caution. The members were generally in favor of maintaining a good margin between the advance price and the expected market price, in the interests of a safe operation.

GETTING ICE AT GOOD PRICE

Adhering to the co-operative practice of selling at the prevailing market price, the members accepted the manager's recommendation that the co-op sell its ice at the company price of \$5 per ton. The new price will mean that the surplus returned to the members will be greater.

The new board members are Leon Sandvar, Johnny Morrison, Axel Petersen, Harry Haugen, Sam Haugen, Barney Roald and Ivor Eldsvik. One hundred and seven ballots were cast. At the first meeting of the new board Tony Mathusen was re-elected president and Carl Giske

was elected vice-president. Ken Harding, assistant manager, was re-elected secretary for the coming year.

HILL 60 CHAPTER OF I.O.D.E. MEETS

Recent Tea Netted \$100—Regent Going to Convention

When the regular monthly meeting of Hill 60 Chapter, Imperial Order Daughters of the Empire, was held at the home of Mrs. J. Frew, Borden Street, on Monday, the regent, Mrs. R. S. Donaldson, presiding, a report was given of the Valentine tea, net proceeds being about \$100.

The regent was appointed delegate to provincial I.O.D.E. convention to be held in Vancouver on April 14.

A pamphlet by Morris McDougal was read stressing the urgent need yet for clothing and medicine in Poland. A sum of \$10 was voted to purchase wool for the British and European Relief Fund, preferably to be sent to Poland.

The usual monthly donation to the Civic Centre was ordered. There is still much work to be accomplished, and it was decided to try and contact ladies interested in the I.O.D.E. with a view to inviting them to join the Chapter.

The next meeting will be held on April 14 at Mrs. H. R. Hibbard's home, 1850 Atlin Avenue.

Canadian Legion regular monthly meeting (with initiation of new members), Legion Hall tonight, 8 o'clock.

D. G. Stenstrom, representative of the Paper Institute of Canada and former executive of Pacific Mills at Ocean Falls, arrived in the city this morning on business from Vancouver.

Mrs. Lloyd Bowman and son, Larry Boy, returned to the city on last night's train after a visit in Ottawa. Mrs. Bowman is the former Miss Phyllis Hamblin, daughter of Sid Hamblin, Fourth Avenue East.

Mr. and Mrs. Albert Stiles returned on the Prince Rupert today from Vancouver, where they spent the last three weeks following the burial in New Westminster of Mr. Stiles's father, the late Lance Stiles.

Nels Lind of Oona River, well-known logger and fisherman and a resident of this district for 38 years, is leaving on this evening's train for New York where he will embark March 28 on the steamer Drottningholm for a visit to his home in Sweden. He expects to be away until after Christmas. On the way to New York he will pay brief visits to Terrace, Winnipeg, Toronto and other points.

R. E. Gladding returned on the Prince Rupert this morning from a business trip to Vancouver.

N. A. Pavlikis returned on the Prince Rupert this morning from a trip to Vancouver.

Dr. R. M. Lane, director of the Prince Rupert Health Unit, and Sanitarian A. Boas and Miss M. Cressman, health unit nurse, left on Monday night's train on a trip to Terrace and Hazelton. Mr. Boas will return from Terrace Thursday night, while Dr. Lane and Miss Cressman will return from the inspection tour on Saturday night.

No Sweepers Present So Barbara Ann Gets Busy With Broom

Barbara Ann Scott, of Ottawa, who won the European skating championship in Switzerland and the world title at Stockholm, gets busy with the broom when workers at the competitions in Davos were not available to clear the ice. She has rejected the several offers to appear in movies.

Greenville Invasion of Kitkatla Strategic Failure in Senior Group

Tribal War Chants Reveal Sour Notes As Kitkatla Takes Two Senior Games—However, Junior Invaders Prosper

Greenville basketball stalwarts who entered their war canoes early this month to raid the peaceful Porcher Island village of Kitkatla got their feathered head dresses pinned back decisively by the defending seniors. However, in the intermediate section they managed to salvage a portion of the tribal honor and the single junior encounter, the frame of Nishga arms was somewhat vindicated.

The Greenville seniors bore down on the Kitkatla tribesmen with the proud fury of invaders, only to have their pride turn to bitterness in two encounters which saw the Porcher Islanders claim what in the old days would have been their scalps. The first game was a 75-50 victory for Kitkatla and the second game a 73-32 triumph for the same group.

The Greenville Intermediates routed the defending Kitkatlans 51-42 in the first game, but the following night the Islanders rose from their humiliation to retaliate with a 37-32 defeat on the visitors.

Only in the junior section did Greenville emerge without blemish. The junior encounter was the lead-off game of the first evening's play, and resulted in a 25-18 victory for Greenville. Full honors were accorded the arrival of the Greenville teams, whose devotion to protocol prompted them to bring in their company, Mr. and Mrs. Johnson Russ. Mr. Russ is chief councillor of Greenville as well as First Vice-President of the Native Brotherhood of B.C. He was backed by the full executive of the Greenville Athletic Club.

Setting foot on the shore of Porcher Island, the visitors were taken to the home of Chief Councillor Matthew Hill of Kitkatla where a reception, sponsored by the Kitkatla Ecclesiastical Club, was held in their honor.

KITKATLA SENIORS WIN THEIR GAME

Kitkatla permitted no tampering with their honor in the senior game. They grabbed the lead early, spearheaded by J. Spencer and W. Innes, who netted 31 and 25 points respectively. Albert Robinson led Greenville's dying cause by garnering an individual 34 points but lacked support.

The following night, Kitkatla Intermediates turned the tables on the Naas tribesmen by delivering a 37-32 counter-attack, which was followed by the Greenville senior's second defeat. Kitkatla repeated their previous night's performance by grabbing the lead at the start and holding until the final whistle.

There's a Boy... who eats NABISCO SHREDDED WHEAT

GOOD FOR HIM! He gets plenty of staunch, honest nourishment which his vigorous young growing body needs, from this golden good whole wheat cereal. That's because NABISCO SHREDDED WHEAT is made from whole-some 100% Canadian whole wheat—with all its beneficial bran and wheat germ. Nothing is added. It's steamed, shredded and baked to a crisp, honey-brown. It's a natural breakfast dish for every member of the family. And the one cereal that tastes good "hot" or "cold".

delicious! hot in a jiffy
Put Nabisco Shredded Wheat in strainer—quickly pour boiling water over biscuits. Drain, serve with hot spiced milk, sweetened with honey.

NATIVE HOOP TOURNAMENT

Kaien Island, long the dwelling place of peace and contentment, will be turned into a battleground tonight when six native hoop teams clash in Roosevelt Park gymnasium in what is probably the first tournament of its kind since axes and fish spears were converted to purely utilitarian purposes.

Tribesmen and their supporters, numbering about 400, have answered the smoke signals and have congregated here from such distant points as Kitimaat, Kincolth, Alyanah, Kitkatla, Port Simpson and Metlakatla to decide the north coast native championship.

Basketball has long been a serious sporting endeavor in the coastal villages but, in recent years, no formal attempt has been made to decide which contains the most formidable array of talent despite the fact that there have been innumerable local jousts.

According to local basketball association president Art Murray, kindly godfather of visiting native aggregations, three games will be played tonight and the finals tomorrow night. The six task forces clashing tonight in the preliminaries are: Port Simpson Athletics versus Port Simpson Y.P.A.

Kincolth versus Metlakatla. Kitimaat versus Kitkatla. Alyanah, which drew a "bye" in the game drawings Tuesday, will meet the winner of the Kitimaat-Kitkatla game Thursday night.

Fred Calderone of the local league is referee in charge and will supervise the games. This afternoon, Mr. Calderone met the players and gave them instructions in the latest rules, including what the referee will stand for and what he won't.

Indian Agent F. E. Anfield also briefed the boys on sportsmanship and congratulated them on their love for the game which resulted in so well-attended a tournament.

Game Clinched By Big Drive

Savoys put on a terrific last-period scoring drive in last night's Senior "A" hoop match and took the B.C. Packers squad for a 74 to 45 count. For the first three quarters Packers were right in the fight but always just a couple of points down. Then, in the last frame Savoys went wild! They couldn't miss and their playmaking was superb.

The first quarter closed up with the count at 14-13, Savoys having the edge. Packers, however, had the jump in the opening minutes with a six-point lead.

In the second period Savoys began to roll and moved a little further out in front—but not much. The half ended up 23-23. Still in there fighting in the third quarter Packers were only three points short of the Savoys, scoring in this frame ending 46-28. Then came the last period drive of Savoys—and Packers could only rack up 7 points while Savoys was netting their 28. Herb Morgan led this last period drive dropping in 12 points in this frame alone but he was strongly supported by the other four players on the Savoys squad.

Packers had a hard time finding the hoop and, although Bobby Houston netted 14 points, there was a lot of tough shooting on the fishermen's squad. Leading the scoring parade was the league's leader, Ted Arney, who garnered 18 points. Mel Holkestad continued his comeback with 16 points to take second place honors.

Packers' loss last night shattered all hopes they had for top spot in the Senior League but it also kept alive the Savoys' good chances of having the number one spot. Now although Savoys have won an equal number of wins with High School, they are in second spot because of their four losses to the Rainmakers' one.

Savoys—Davis 1, R. Holkestad 14, T. Arney 18, Morgan 14, M.

PICTURES FOR NEXT MONTH

A glance at Capitol Theatre bookings in store for entertainment during the month of April is given early by Manager J. H. Black. They include an interesting list. Here is the list dating from March 27:

March 27, 28 and 29—Danny Kaye and Virginia Mayo in "The Kid From Brooklyn."

March 30 and 31—Louise Allbritton and Jon Hall in "San Diego, I Love You!" and Kane Richmond and Barbara Reed in "Behind the Mask."

April 1 and 2—Dorothy McGuire and Guy Madison in "Till the End of Time."

April 3, 4 and 5—Charles Coburn and Tom Drake in "The Green Years."

April 6 (Sunday midnight)—Chester Morris and Jeff Donnell in "The Phantom Thief" and Paul Kelly and Kent Taylor in "Deadline for Murder."

April 7 and 8—Claudette Colbert and Fred Astaire in "Holiday."

April 9 and 10—Errol Flynn and Eleanor Parker in "Never Say Good-Bye."

April 11 and 12—Walt Disney musical, "Make Mine Music."

April 13 and 14—Eddie Dew and Jennifer Holt in "Song of Wyoming" and Tom Neal and Margaret Lindsay in "Club Havana."

April 15 and 16—Merle Oberon and Paul Muni in "A Song to Remember."

April 17, 18 and 19—Rita Hayworth and Glenn Ford in "Gilda."

April 20 and 21—Paul Kelly and Kay Scott in "Fear in the Night" and Warner Baxter and Mona Barrie in "Just Before the Dawn."

April 22 and 23—Sydney Greenstreet and Peter Lorre in "The Verdict."

April 24, 25 and 26—Bob Hope and Dorothy Lamour in "My Favorite Brunette."

April 27 (Sunday midnight)—Gilbert Roland and Martin Garralaga in "Riding the California Trail" and Hugh Beaumont and Cheryl Walker in "Larceny in Her Heart."

April 28 and 29—Olivia De Havilland and Ida Lupino in "Devotion."

April 30 and May 1—Freddie Bartholomew and Spencer Tracy in "Captains Courageous."

In addition another big picture, "The Jolson Story," is coming May 26.

Other results last night:
Senior "B"—Macey's 44, Port Edward 23.

Ladies—Bo-Me-Hi 33, Sweet Sixteen 14.

Junior—Gyro 47, Watts & Nickerson 12.

LABOR UNION INCORPORATION IS FAVORED

By a small majority division, Prince Rupert's Citizens' Forum decided last night that Canadian labor unions should be incorporated and thereby achieve an entity that would make them responsible under law.

Incorporation of British and American unions has been a stabilizing factor, the majority felt.

Major point of disagreement was the fact that, if the unions were incorporated, they could be sued and this created the question as to which part of the union could be held liable, if a union or a local branch of it committed an allegedly illegal act.

Method of incorporation—whether under federal or provincial charter—also was a source of argument. It was pointed out that, while some unions have branches throughout the country and could well be incorporated federally, other unions operate wholly within provincial boundaries and provincial incorporation might suffice for these.

Nevertheless, unions which operated strictly within provinces, often provided products that are vital to the whole economy.

On the point "Is the principle of union security democratic

FROM THE POINT OF VIEW OF THE WORKERS?"

the meeting compromised. The members decided that the "Rand formula," under which workers in a unionized industry need not belong to a union, but must nevertheless, pay union dues, was the most democratic application of union security.

The meeting also agreed that labor unions should not be forced to make certified financial statements to the public but that their books should be made available for examination by approved arbitrators if called upon.

Chairman of the meeting, which was held in the Civic Centre common lounge, was Douglas Clark, University of B.C. extension department representative.

Method of incorporation—whether under federal or provincial charter—also was a source of argument. It was pointed out that, while some unions have branches throughout the country and could well be incorporated federally, other unions operate wholly within provincial boundaries and provincial incorporation might suffice for these.

Nevertheless, unions which operated strictly within provinces, often provided products that are vital to the whole economy.

Gift from the Heart...

BUT BLOOD DONORS MUST BE BACKED BY MONEY DONORS

Q. Does the Canadian Red Cross still need blood donors?

A. Yes. As in war—so in peace, the Red Cross carries on this life-giving service. And blood must still be backed by money donors.

Q. Why does the Red Cross require donations of both blood and dollars in peacetime?

A. For the new nation-wide free Blood Transfusion Service which the Red Cross is now organizing.

Q. Is this Blood Transfusion Service to be for civilians as well as for war veterans in hospital?

A. Yes. Through the Red Cross, blood plasma and whole blood will be supplied to all civilian hospitals across Canada—so that blood may be always available to any person requiring it.

Q. Will the Red Cross charge the hospitals or patients for this Blood Transfusion Service?

A. No. The Red Cross will charge neither hospital nor patient—with your help it is to be a gift from the heart—to the heart.

The supreme value of continuous blood transfusion service to Canadians cannot be measured in dollars and cents. But it is costing the Red Cross a lot of dollars to extend the work, to maintain the clinics, to process and distribute the blood. Money Donors to support the blood donors are what the Red Cross needs today.

Be a sharer in this great life-giving endeavor. Help save the lives of hundreds of mothers in childbirth, infants, hospital patients and accident victims. Remember, the Red Cross still needs your support. Every cent collected is used to good advantage. Make your money gift a true gift from the heart. Give now! Give MORE!

Terrace
Topics**

Dr. Lane of the Prince Rupert Health Unit was in Terrace on Tuesday. He was accompanied by Miss Miriam Cressman, PHN.

Mr. and Mrs. Don Parmenter of Salmon, Idaho, arrived in Terrace on Saturday. Mr. Parmenter has joined the staff of the Spencer Garage.

George McAdams was down the highway Monday afternoon taking movie shots of public works snow removal. A big bulldozer was in operation and also a rotary snowplow. Mr. McAdams obtained some spectacular shots of the Sicard throwing snow through the air. He says that, later in the season, he plans to exhibit these and other films.

Mr. and Mrs. Tony Lofeudo arrived from the south on Saturday. They plan to make their home here.

FEATURED FOR Spring

**We're Sure
We've Got
Your Number**

How can we be wrong? We scoured the market for Spring coats—both shorties and full-length—and took our pick of the most fetching numbers. You'll go far in a little box coat this Spring. Particularly in this little all-wool honey. Look them over.

Miss E. M. Mills of Toronto
Featured Speaker at W.A.
Meet—President Gives
Inspiring Address

Problems facing the world today in the training of youth were dealt with by Miss E. M. Mills, O.B.E., Dominion supervisor for Teen Age Girls, Anglican Church of Canada, who was the special guest of the Caledonia Diocesan Women's Auxiliary which was in annual meeting here this Monday. Miss Mills explained how those who have studied the problem found it necessary to keep continually changing with the times. No organization could remain alive unless it kept serving the needs of the people. Miss Mills told of the ambitious program planned by the Dominion Women's Auxiliary to hold the interest and loyalty of the young people of the church so that they would grow up to be good citizens of the future.

Miss Mills was the speaker at the Monday afternoon session which was opened with prayer by Rev. Basil S. Prockter who extended welcome and expressed best wishes for successful meetings.

It was the 34th annual meeting of the Caledonia Diocesan Board of the Women's Auxiliary which opened on Sunday morning when members of the organization attended morning prayer and holy communion at St. Andrew's Cathedral. Celebrant was Rt. Rev. J. B. Gibson, D.D., Bishop of Caledonia, and preacher was Archdeacon E. Hodson, who praised the great work that is being done by the W.A. in Canada. While admitting that woman is capable of taking her rightful place in

world affairs, he stressed the great importance of her role as wife and mother. In this particular sphere she reigned supreme and he urged that she take advantage of her influence by the training of youth in the Christian way of life and by the return of the happy family home life.

The business session opened Monday morning. The address of welcome was made by Mayor Nora E. Arnold who spoke not only as mayor of the city but as a member of the W.A. She praised the work that has been done by the auxiliary in the past. Mayor Arnold also expressed the importance of the responsibilities facing the world today. The return to family life, bringing up children in religious training and discipline is something that the W.A. could do a great deal to encourage. She extended a hearty welcome to all delegates and expressed best wishes for a happy meeting and blessing on all deliberations.

Reply to the address of welcome was made by Mrs. Champion of Smithers who felt sure that all out-of-town delegates would return to their branches inspired by the meetings and expressed regret that it was not possible for more delegates to come in and see the workings of the Women's Auxiliary.

ADDRESS OF PRESIDENT
Honorary Vice-President Mrs. R. L. McIntosh took the chair while the president, Mrs. J. B. Gibson, gave the president's address. Mrs. Gibson opened her address by saying that "victory of arms brought joy and exultation which was quickly followed by disappointment and disillusionment, with the knowledge that the peace is yet to be won. The splitting of the atom and the use of the atomic bomb on defenceless civilians of Hiroshima gave birth to a new age. It is well for us to pause and remember that scientists have again brought us fresh revelation of the immensity of the power of God—in whose creation this energy operates. God is working this purpose out. Is not the fear of the Lord the beginning of wisdom?" After reviewing the accomplishments of the past two years and stressing the work for the Indian Residential Schools she felt the thought, "My utmost for the Highest."

A delightful luncheon was served by a committee from St. Andrew's W.A. consisting of Mrs. C. C. Mills, Mrs. L. Potterton, Mrs. Lucy and Mrs. Anfield. Luncheon speaker was Indian Agent Anfield who delighted his audience with a talk on the relationship of the Anglican Church in Canada and the native population urging the W.A. to keep up the link that has been founded by individually working for their happiness and our own.

Election of officers resulted as follows:

- Honorary Vice-President—Mrs. R. L. McIntosh.
- President—Mrs. J. B. Gibson
- First Vice-President—Mrs. Basil Prockter.
- Second Vice-President—Mrs. E. Hodson.
- Recording Secretary—Mrs. G. T. Durkin.
- Corresponding Secretary—Mrs. J. Wynne.
- Treasurer and United Thank Offering—Mrs. I. Martin.
- Dorcas Secretary—Mrs. H. Henderson.
- Educational Secretary—Mrs. McLean.
- Girls' Secretary—Mrs. A. L. Holtby.
- Juniors and C.B.L. Secretary

Following the meeting, members were entertained as guests at tea which was served at the bishop's lodge.

**Is this your
WIFE'S-EYE VIEW?**

Not a particularly prize specimen the little woman has to look at.
Perhaps Feen-a-mint will help you. It's the modern chewing laxative—deliciously mint-flavored, with a gentle, yet really effective, laxative action. Won't upset the stomach or interfere with sleep when taken at bedtime. Millions turn to Feen-a-mint. Get it at any drug counter.

REDDY KILOWATT — Your Electric Servant

No icy nights or sultry days
Will take their toll in waste
When foods are stored protectively:
A fact that must be faced!
Electrical refrigeration
Is of course the answer.
With dairy foods and meats and fruits
You cannot take a chance, sir!

You can make delicious dishes
And have ice cubes by the score
(Cleaner water, freshly frozen), and
Cold drinks just right to pour,
Turn off the current now and then,
When frost is elevating!
This melts the frost (don't chip it off)
Keeps cold air circulating.

An electric refrigerator is a real investment today. The saving alone on perishable foods can be considerable—what with rations and scarcities and high prices! Electric refrigeration in a roomy cabinet also allows for larger purchases—which means savings in shopping time and in the food budget.
