SNOW PERSISTS DESPITE GENERAL HOPE FOR RAIN

Old Man Winter proved that there is still vigor in his aging grip. Last night, he sent down a three-inch snowfall to cover the wear-and-tear on his previous contributions during the last three months.

Prince Rupert people complained a bit bitterly of a certain bad faith in his night's work because previously the weatherman had predicted rain, a torrent of which would be the most welcome visitation possible.

Said one citizen despairingly as he dodged wearily through oversized snowflakes:

"If I ever hear anyone complaining about rain again I'll smother him in a snowbank!"

However, it almost was rain. It was a wet snow, just over the edge of what might have been rain. The temperature range, which varied from 35 down to 28 degrees, however, was just a bit too low.

To the Northern B.C. Power Co., a rainfall would have been most acceptable. It would have started a run-off at Falls River and Shawatlans to fill the water-short reservoir there, thus easing the hydro power crisis that has dragged on for almost two weeks.

To city motorists, wearied of the eternal routine of taking off and putting on traction chains, a real wash-away rain would be more than welcome.

To construction and other outside workers whose jobs have been slowed by weather conditions, a moderation of temperature and a heavy rain would be of assistance.

And to the fishing industry, whose operations, beam trawling, clam and shrimp fishing, have been intermitten because of the weather, a change would be far better than a rest.

BIG SAVING

Britain has developed a new inset fire which can be fitted into an existing grate, giving a heat output with coal of 37 per cent, compared with ordinary radiation of 25 per cent.

Russian Repatriation Mission Is Requested To Quit American Zone

IN OTTAWA JAIL—Sam Carr, one of the missing links in Canada's Soviet spy ring case, is in Ottawa jail after being deported by the United States following his arrest in New York. Carr fled Canada just before the espionage case broke three years ago and was found living in New York by U.S. agents two weeks ago. Deported from the United States, Carr was turned over to the R.C.M.P. at Prescott and taken to Ottawa. He is facing charges arising from the royal Commission espionage probe. Carr is shown here guarded by Constable James Cramm of the Ottawa police on his way to jail. (CP Photo)

FRANKFURT (CP)—General Lucius Clay requested the official Russian repatriation mission in the United States zone of Germany to leave the American-occupied territory, it was announced today. The "request" virtually amounted to an order.

Army authorities said that Clay, United States military governor of Germany, had asked the Russians to leave but they contended that their mission was "indispensible."

Following this, the Army announced: "Because voluntary repatriation of displaced persons who are Soviet citizens has virtually ceased, the Russian repatriation mission in United States zones will not operate after March 1."

FLY BARLEY FOR SWANS

VANCOUVER—A Royal Canadian Air Force plane flew to Lonesome Lake about 280 miles north of here, Tuesday, to deliver sacks of barley for several score of Canada's rare trumpeter swans, in danger of starvation.

Through long continued wild weather and other causes, the birds were risking death. They had become very weak.

Hemmed in by mountains, most of the peaks being six thousand feet high, the lake was not an easy objective for the fliers to gain. Yet the grain was safely dumped by parachute. An old unidentified trapper saw that the food was properly distributed.

Following the mercy flight and the old trapper's sowing of the barley, the flock of sixty migratory birds were pecking at the feed. The trapper is an employee of the provincial wild life department who is stationed at the food-bare winter retreat.

Bulletins

TRIALS STRICTLY SECRET

MUNICH—Strict secrecy today surrounded the opening of the first of five "Czech spy trials" before an eight-man United States military commission. Chairman of the military commission, which is empowered to impose the death penalty, has ruled revelation of trial testimony or even identity of the accused would endanger the security of the United States. Not even the verdict of the trials will be made known. The charge is of sale of important secret information to the Communist-dominated Czech government.

CONFERENCE WITH POPE

VATICAN CITY—Diplomats of 33 countries today expressed to Pope Pius condolences over the sentencing of Cardinal Mintzsenty of Hungary. The Pontiff, expressing his gratitude, thanked the mass audience which was unique in the history of the Holy See's diplomatic relationships. He said that he awaits the hour when all nations will put forth friendly hands to collaborate for the restoration of humanity which was at present torn by hatreds and discords.

VANCOUVER RAIN

VANCOUVER—Vancouver people virtually waded to work today after a 1.4 inch rainfall since yesterday. Hundreds of men were at work clearing catch basins to carry away the melting slush. It is doubtful if the rain was sufficient to improve very materially the water level in reservoir lakes of the hydro-electric plants. More freezing weather is predicted for tonight and tomorrow.

Mrs. Alex Gray, wife of Warrant Officer Gray, new staff officer of H.M.C.S. Chatham, accompanied by their daughter, arrived in the city this morning on the Prince Rupert from Victoria to take up residence.

SOIL-CEMENT

Soil-cement is a tightly compacted mixture of soil, portland cement and water which forms a paving material as the cement hydrates and solidifies the mixture.

THE WEATHER

Synopsis

Heavy rain occurred along the southern British Columbia coast during the night with over two inches of rain on the west coast of Vancouver Island and an inch at most other points. Cloudy conditions are expected for tonight and tomorrow with a return of freezing temperatures tonight. Heavy snow is falling in the interior today with cloudy skies and occasional snow flurries expected for tomorrow. Temperatures in the interior will show little change.

Forecast

Queen Charlottes and North Coast—Cloudy with snow flurries today and tomorrow. Wind west (25 m.p.h) today, light tomorrow. Lows tonight and highs tomorrow: Port Hardy 30-38, Massett 25-34, Prince Rupert 25-34.

Fighting To Save Stewart

W. D. Smith Speaks in Legislature—Wants Senator—Opposes Daylight Saving

VICTORIA — W. D. Smith, Coalition member of the Legislature for Atlin, speaking in the Throne Speech debate yesterday, called for an aggressive policy of development of the hinterland. British Columbia could not be effectively developed by concentrating around Vancouver.

Mr. Smith said there should be a representative of Northern British Columbia in the Senate.

The Atlin member opposed daylight saving.

Mr. Smith expressed fear that Stewart would become a ghost town unless the government did something fast. Closing down of the Silbak-Premier mine had steadily decreased the population, he told the House.

The House was asked by Mr. Smith to urge the federal government to build a road into an area eight miles to the north where one gold mine had already blocked out a yield of $4,000,000. He said $500,000 had already been invested in this mine which would employ 250 men if operated.

The Atlin member contended that mining was one of the best developers of any area and the whole province would benefit.

Private capital would not touch the area in which this mine was located until a road was built.

Mr. Smith also asked for a 58.3 mile link from Atlin to the Alaska Highway, 13 miles inside the Yukon Territory, to develop his constituency which he called a 'war casualty."

UNITED STATES IS NOT CHANGING POLICY DEAN ACHESON MAKES CLEAR

WASHINGTON, D.C., (AP)—Secretary of State Dean Acheson insisted today that the United States intends to make he proposed North Atlantic pact an effective security alliance. Acheson denied that the United States is backing away from declared policy.

In a statement Acheson declared: "With regard to the North Atlantic pact now under discussion, I should like to emphasize that there are no real differences in regard to objectives this government is seeking to accomplish."

TRANSPORT IS STILL CONFUSED

Aircraft Go Into Service to Move Stranded Passengers

Transportation picture between Prince Rupert and Terrace continued in a confused state today with no train expected to leave before Thursday morning at the earliest and weather conditions hampering emergency aircraft service to the interior town.

The railway this morning was maintaining its battle against snow conditions on the line and the snow plow which Tuesday began a westward battle from Pacific was expected to arrive here some time this afternoon.

Superintendent C. A. Berner said that, barring further difficulties, a train would leave for Terrace Thursday morning. The train for the East, which was to arrive here last night, turned back from Terrace.

Meanwhile, a Canadian Pacific Air Lines flight left for Terrace at noon with 10 passengers. Its departure earlier this morning was made impossible by a 10-inch fall of new snow at the Terrace air strip. Snow plows were clearing the strip this morning.

The Skeena Air Transport SeaBee, which has been operating a charter service since Saturday, took off this morning with four passengers for smaller than the C.P.A. Canso, Terrace and Smithers. Being it required less landing and take-off space at the Terrace air strip.

Superintendent Berner said that a heavy snowstorm was raging this morning along the line from Mount Robson west to Terrace, a condition which may bring further grief to railway transportation.

The rotary snow plow, which fought its way through the snow belt at the week-end, arrived at Kwinitsa at 10:45 today and was expected to have the line cleared to Prince Rupert this afternoon.

A delay in the aircraft schedule between Vancouver and Sandspit, caused by a temporary lack of a plane at Vancouver, would give the company's Canso plane time to make a trip to Terrace with a noon departure. The afternoon flight to Sandspit was expected to be an hour late in its departure and arrival because of the Vancouver delay.

RAIN WELCOME IN VANCOUVER

VANCOUVER—For a time Tuesday afternoon and evening rain fell in Vancouver. It was good old real Vancouver rain and was so welcome and attractive that thousands employed under cover crowded to the windows to enjoy watching the downpour.

But within an hour or so it became part snow and later, there was sleet. However, there had been some rain, and this was taken as a happy augury. It will take at least a week of rain to restore power to a normal condition.

CONCILIATOR HAS FAILED

Government Official Fails to Get Settlement Between City and Firemen

After failing to effect a settlement between the city and the members of the fire department in their wage dispute, Robert Forgie, conciliator for the Provincial Department of Labor, sailed yesterday afternoon by the Camosun on his return to Victoria. Mr. Forgie will report his failure to the department and the appointment of a board of conciliation in the dispute will probably ensue. Deliberation of such a board would satisfy the requirements of the Act and, should it fail, strike or lock-out action would then become permissible.

This afternoon the city council's wage committee is meeting with the Civic Employees' Union, which covers both City Hall clerical and outside public works employees. These workers are seeking a 25c per hour increase across the board for hourly paid employees and $40 a month for salaried workers. An adequate annual increase of $28,320 would be involved in such a demand.

There have been no further developments since disagreement between the Electrical Workers' Union and the city in which an increase of 25 percent is sought for male employees and $40 a month for telephone operators, all of which would entail an aggregate annual increase of $16,472.37. No conciliation has yet been applied for in this dispute.

Case of Newfoundland

EVERYTHING looking to an early formal admission of Newfoundland into the Confederation of Canada still appears well under way despite the motion of George Drew, the Progressive-Conservative leader, calling for a delay in the union until the provinces had time to express themselves on the matter. The line-up of Liberals and C.C.F. members easily overrode the Progressive-Conservative-Social Credit bloc on this matter.

Col. Drew indicated that he was in favor of the union but was concerned about how it was being brought about. He submitted there has been an overlooking of provincial rights in the matter. If such was the case, it might have been supposed that some of the provinces themselves would have been heard in opposition and the Dominion would, no doubt, have felt itself constrained to heed their voice.

There could have been opposition to the acceptance of Newfoundland into Confederation on the ground that, from a straight matter of dollars and cents, Canada is getting the worse of the bargain. Union legislation, if enacted, may also be attacked on constitutional grounds on the basis of Col. Drew's contention. There is still the possibility of attack on such grounds outside of Canada.

PUBLIC OR PRIVATE OWNERSHIP

ALD. H. M. Daggett's move in city council suggesting the possibility of the taking over by the British Columbia Power Commission of the Northern British Columbia Power Co.'s power franchise for the city of Prince Rupert brings up the old debate of private vs. public ownership of the utilities. Prince Rupert has had its experience with public ownership of the power utility and there are those who still believe that, had the power been in private instead of municipal hands in those early days, it might have been a more industrialized and a larger and more prosperous city than it is. Then for almost the past twenty years we have had private ownership on the success or otherwise of which it is the right of every citizen to judge. It is possibly reasonable to reflect that there were certain times during those twenty years when, had the power still been in municipal hands, the situation would not have been met. Who knows too but, had the city retained its power utility, it would have been as badly off as the telephone system is today?

Of course, the present move is not to have the power utility become municipally-owned but rather to turn it over to the provincial governmentally-owned commission which has the resources behind it to organize and provide adequate service. Whether or not we would be wise, even with all the advantages public ownership may have, to have too much Victoria control over the utility is something to be questioned. There is already considerable control from that quarter through the Public Utilities Commission.

Much will be said on both sides in regard to the future of the power franchise in Prince Rupert. And, while we are at it, we might also be thinking of whether we are going the right way about this vexed telephone service problem, which is going to cost us half a million dollars. There are even governmental agencies that might be interested in taking it over and relieving us of that headache.

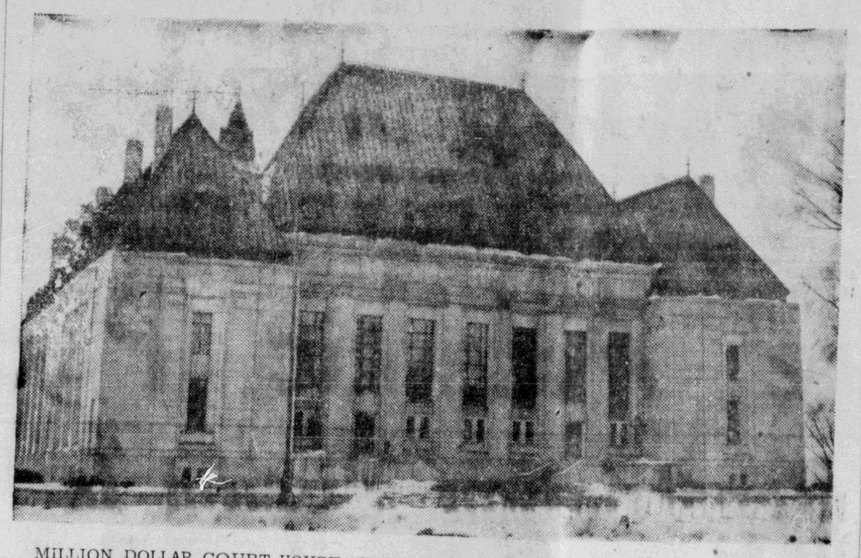
BLESSED RAIN

DEFAMING what's good for you is an old and somewhat popular practice but now and then an unlooked for development suggests sitting down and trying to do a bit of serious thinking. Practically everyone laments the lavish way in which Prince Rupert has been provided with rain water. It's long been a byword but the coast's population should be congratulated instead of being offered sympathy. Rain shortage means shortage of health, shortage of crops, shortage of power, shortage of work. There are dozens of places on earth where no rain falls for a year, and longer. Suppose Prince Rupert was rainless for six months! We'd all be feeling pretty groggy.

REMOTE CONTROL

DUNCAN, B.C., (CP)—"Chicago" an elderly Chinese resident, blames British Columbia's unusual weather this winter on the scientists. "Cold snaps comes from atom bombs," the pioneer of the Yukon area, now residing here, said.

NANAIMO, B.C., (CP)—Nanaimo Reserve Indians recently smashed six cab windows of a C.P.R. engine as it crossed Reserve property. Indians have an agreement with the collieries for coal-hauling across their land, but are demanding they be paid for the concession.



MILLION DOLLAR COURT HOUSE—With legislation to abolish appeals to Britain's Privy Council forecast in the Speech from the Throne, Canada's Supreme Court, 74 years old this spring, may finally live up to its name. This photo was taken from the southwest side looking toward the main entrance and shows the million-dollar structure which houses the court and its seven judges. The building was being completed when the Second World War broke out and was used to house government departments during the war. (CP Photo)

RESOLUTION'S PROPRIETY IS QUESTIONED

Ald. Daggett Moves for Public Ownership of Electric Utility

City aldermen are pondering the propriety, under the rules of order, a notice of motion read by Alderman H. M. Daggett as it is desirable that, in fairness to all concerned a definite answer be obtained as soon as possible, copies of this resolution be forwarded to W. H. Brett, M.L.A. and Hon. E. T. Kenney with request that they urge the Power Commission to give favorable consideration to this matter."

Point of order involved in the notice of motion is that the resolution would nullify a specifically committed action not by council but by the citizens of Prince Rupert themselves.

It was pointed out by Alderman T. B. Black, following the meeting, that the Northern B.C. Power Company franchise was granted by the citizens of Prince Rupert in a 1929 plebiscite for a 25-year period and that the granting of the franchise was not the action of any council.

"I feel certain that the resolution is out of order," Alderman Black said.

Monday night urging that the "British Columbia Power Commission be requested to take over all installations of the Northern B.C. Power Company now used for the supplying of electric light and power to the city of Prince Rupert."

Alderman Daggett presented the resolution in a notice of motion and announced that he would present it formally to council at its February 28 meeting. The notice was received without comment by the aldermen during the session but, afterwards, its propriety was questioned privately by some members.

The resolution adds that the provincial Power Commission take over "all rights now held by the said company under the existing franchise and operate said installations for the supplying of light and power to the city and its citizens."

It resolves further that "where-

PRINCE RUPERT YEARS AGO

Twenty Five Years

A whirlwind, three-day canvassing campaign with a $10,000 objective for a building fund for First Presbyterian Church brought in $8,000 with one more canvassing group to report. A grand congregational rally was planned to hear the final results.

Lieut.-Col. S. P. McMordie, D.S.O., pioneer city resident, was elected president of the Prince Rupert Liberal Association at its annual meeting. Theo Collart was named first vice-president and James Neville second vice-president.

The provincial government planned immediate construction of a road to Galloway Rapids and a survey of a right-of-way between Galloway Rapids and Terrace, Hon. T. D. Pattullo, minister of lands and forests, said at the annual meeting of the Prince Rupert Liberal Association.

Thirty-Five Years

Ald. D. W. Morrissey, chairman of the civic finance committee said that the money market was easing up. Completion of the Panama Canal and the transcontinental railways had made it necessary for financiers to look elsewhere for investments. The finance committee planned to market through the Bank of Montreal $317,000 in city treasury notes.

The wedding of Miss Olive Wrathall and H. H. Little took place at the home of the bride's brother, W. W. Wrathall. The ceremony was performed by Rev. F. W. Kerr. The couple left on the Prince George to honeymoon in Vancouver. Mr. Little was manager of the Union Bank at Hazelton.

Mr. and Mrs. J. J. Donaldson returned today on the Prince Rupert from a fortnight's visit to Vancouver.

LARGEST CITY—The population of Newfoundland is sparsely scattered throughout the island. Only one centre can be called a city and that is St. John's, capital of the island and the oldest city in North America. With a population of 60,000, St. John's has one of the finest harbors in Newfoundland. This photo shows St. John's and the harbor from Southside. In the left background cutting the skyline is the Roman Catholic Cathedral. (CP Photo)

CITY TRAFFIC TO BE STUDIED

A code of regulations covering parking of motor vehicles and the operation of taxis in the city will be drawn up by a special committee of city council consisting of Alderman W. F. Stone, chairman of the Police committee, Chief of Police Sgt. L. A. N. Potterton and City Clerk H. D. Thain.

The regulations may include a suggested proposal that diagonal parking be invoked on Second Avenue in the business district. A suggestion from business owners was read in council last night that such parking be enforced on Second Avenue between Sixth and Seventh Streets in front of their premises.

"I think that we should have diagonal parking on the whole length of downtown Second Avenue," Mayor Arnold said as she referred the application to the committee at the city council meeting.

The committee will draft the regulations, then present them to council for approval. Decisions made by the committee will be subject to appeal to city council in case any citizen does not approve.

Mrs. R. G. Evans of Smithers, who has been paying a visit to the city, left by aircraft this morning for Terrace enroute back to he rhome at Smithers. Others leaving here for Terrace on the SeaBee plane of the Skeena Air Transport this morning were O. Van Barneveld, Mrs. A. Hicks and Joselyn Wark.

Better English

By D. C. WILLIAMS

1. What is wrong with this sentence? "The party began immediately I arrived."

2. What is the correct pronunciation of "melee."

3. Which one of these words is misspelled? Lieutenant, licentious, liesure.

4. What does the word "dispensation" mean ?

5. What is a word beginning with au that means "boldness"?

ANSWERS

1 Say, "The party began immediately after I arrived." 2. Pronounce ma-la, both a's as in ate, accent second syllable. 3 Leisure. 4. A specific plan; a provision. "It was a happy dispensation of nature." 5. Audacity.

DEAF?
—Here's Good News!

Thousands are regaining the joy and happiness of hearing with a revolutionary new and amazingly economical hearing aid that's ready to wear without individual "fitting." Costs half or less than half the price of others. Operates at less cost (¼ of a cent per hour battery cost) than any other single-unit hearing aid of equal power. It has the acceptance of the American Medical Association, Council on Physical Medicine.

This new, lightweight, single-unit hearing aid is the product of the Zenith Radio laboratories, world-famous for their 30 years of research and leadership in *radionics* exclusively.

Anyone who wishes to try this amazing new hearing aid can do so for 10 days—at home, at work, anywhere—on a Hear Better or Pay Nothing (money-back) Offer.*

If you want to delight family and friends who want you to hear and enjoy life with them, just drop a postcard to the Zenith Radio Corporation of Canada, Ltd., Dept. N29, Canada Trust Bldg., Windsor, Ontario, for full, free information about their Hear Better or Pay Nothing Offer. Made by the makers of world-famous Zenith Radios.

*Trial offer available on direct sales by Zenith Radio Corporation of Canada, Ltd.

The city is seeking a new superintendent for the Pioneers' Home following the recent resignation of J. V. Minton, who, with his wife, have been looking after the elderly men's hostel for the last several months.

F. E. Anfield, president of the Prince Rupert Boy Scouts' Association, was the speaker today at the regular weekly luncheon of the Prince Rupert Gyro Club on a subject appropriate to the forthcoming Boy Scout-Girl Guide week. President M. C. Brydges was in the chair and there was a good attendance of members with a few guests.

Publicity committee of the Ladies of the Moose met at the home of Mrs. Fred Calderone and, after a brief business session refreshments were served. Those present were Mrs. Alf Ritchie, chairman, Mrs. W. Graham, Mrs. C. McIntyre, Mrs. A. Hinton, Mrs. D. Morrison, Mrs. B. Bellamy, Mrs. H. Dickens, Mrs. James Irvine, Mrs. F. Calderone, Mrs. R. Wilson and Miss A. Greening.

- Public Relations Council meeting postponed to Thursday, Feb. 24. (42)
- C.N.R. Carmen's Dance, Oddfellows' Hall, Friday, February 18. Dancing 9:30 to 1:30. Everybody welcome. (41)
- Your broken-down, worn-out spring-filled mattress made like new at MATTSON'S, Upholsterers and Furniture Repairers. Visit our shop at 330 Second Avenue. (40)

VARIED PROGRAM AT P.-T.A. MEET

Valentine Decorations—Founders' Day—Girl Guides and Boy Scouts Mentioned

Hearts and red streamers decorated the music room of King Edward School where over one hundred members attended the February meeting of the Parent - Teachers' Association last evening.

The meeting was opened with the singing of "O Canada." Founders' Day was observed and the aims and objects of the Parent - Teachers' Association reviewed.

It was decided to hold the annual King Edward tea and sale on Friday, March 18.

Vocal solos by two of the members were well received. Mrs. F. E. Anfield, accompanied by Mrs. G. D. Mead, sang "Devotion" and "At Close of Day." "Dark Eyes" and "My Happiness" were sung by Mrs. H. M. Lindseth, accompanied by Mrs. J. Bowman.

Mrs. G. R. S. Blackaby, president of the Girl Guide Association, conducted a quiz which presented in novel form the activities of the Guide movement.

F. E. Anfield, president of the Boy Scout Association, urged the parents to take an active interest in their children's activities and pointed out that for the last forty years the Boy Scout movement has stood the test and was a proven and tried development of youth.

Presentation of a chest of silverware was made to Mrs. Piche, the former Eleanor Moxley, by the president, Mrs. R. E. Mortimer, on behalf of the parents and children of King Edward School.

Dainty Norwegian refreshments were served in the lunch room by Mrs. Hans Knutson, assisted by Mrs. Barney Roald, Mrs. Alf. Jensen, Mrs. A. Calderone, and Mrs. D. A. Morrison.

Scandinavian dancing was then enjoyed to the music of Mrs. J. S. Black and Mrs. Charles Anderson with Rudolph Olsen master of ceremonies.

Mrs. John McLeod was in charge of the evening's program.

LONG DISTANCE FOR ISLANDS

Recent request of the Prince Rupert Chamber of Commerce seeking establishment of long distance radiophone service between Prince Rupert and such Queen Charlotte Island points as Massett and Queen Charlotte City is receiving attention at Ottawa. E. T. Applewhaite, secretary of the Chamber, is in receipt of a communication from the office of the Minister of Transport stating that the matter has been referred to appropriate officers of his department for report.

• NOTICE •

Notice is hereby given that the Annual General Meeting of the members of the Prince Rupert General Hospital Association will be held at the City Hall on Friday, February 25th, 1949, at 8 p.m.

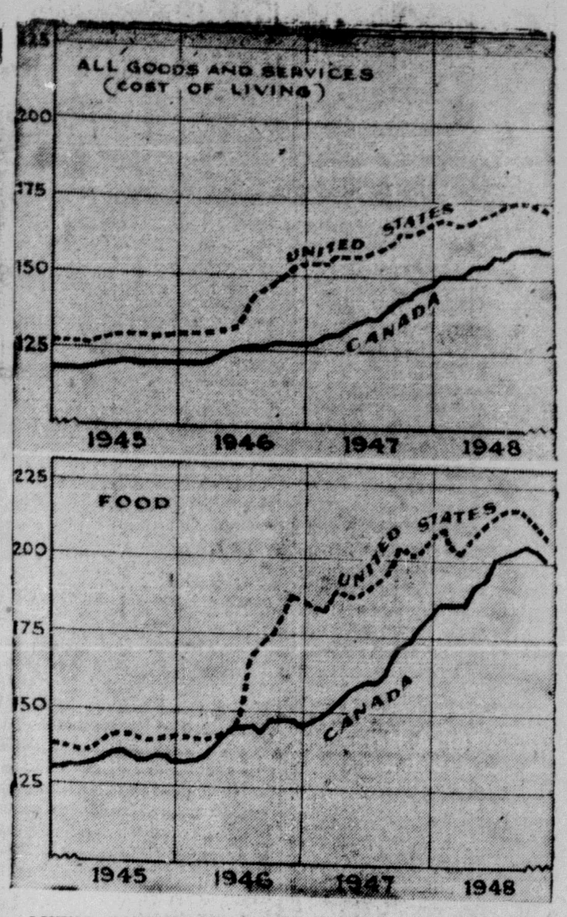
Business:

To receive Auditor's Report and Balance Sheet for 1949.
To elect five members to the Board of Management.
To appoint an Auditor.

Membership fee of $1.00 per annum may be paid at the Hospital or Ormes Drugs prior to Wednesday, February 23rd at 5 p.m., on which date membership list will close.

All interested citizens are urged to take out membership in the Association.

D. C. STEVENSON,
(42) Managing Secretary.



LIVING COSTS COMPARED—The cost of living in Canada and the United States, which for a time took divergent courses, now are following about the same trend. In what is apparently the last stages of the post-war adjustment between costs in the two countries, the United States index has recently been coming down, while that of Canada has retained some upward tendencies. From now on the two are expected to follow about the same pattern. Charts prepared by a Canadian bank show the courses of the costs of living and costs of food in the four years 1945 48. The lines do not, however, compare the cost of living of one country with the other; that is, they don't show whether it costs more to live in the United States or Canada. They do show how much living costs in each counntry has changed in terms of its own cost of living in the base period 1935-39. (CP Photo)

BASKETBALL TIME-TABLE

A revised basketball schedule is announced as follows, taking into account team changes and a number of added features:

February 19—North Star vs. High School, Merchants vs. Morgans, Co-op vs. Bo-Me-Hi.

February 22—Kinsmen vs. Rupert Hotel, Peoples vs. Doms, Fashion vs. High School, Savoy vs. Brownwoods.

February 23 — Fashion vs. Morgans, Bo-Me-Hi vs. Duke of Connaughts.

February 24—Stones vs. High School Bo-Me-Hi vs. Duke of Connaughts.

February 26—High School vs. Kinsmen, Fashion vs. Merchants, Bo-Me-Hi vs. Savoy.

March 1 — Rupert Hotel vs. School, Morgans vs. Stones, Brownwoods vs. Co-op.

March 5—Old Timers games, sponsored by Job's Daughters.

Man-tested recipes
T. Phair, Toronto, says of the recipe below:
"My wife prepared Braised Stuffed Pork Chops from your Heinz recipe. Believe me, I could take a lot of this dish before tiring of it."
Heinz wanted to know what recipes appeal to men. Several housewives were asked to serve dishes out of the booklet "57 Ways to Use Heinz Soups". A typical verdict is given above.
Braised Stuffed Pork Chops
Combine 1 10-oz. tin Heinz Condensed Cream of Tomato Soup, ...ded ...ed, with 1 cup milk. Combine 2 cups dry bread cubes, ...stera ...poons chopped onion, ¼ teaspoon salt, ⅛ teaspoon pepper ...h ba... teaspoon poultry seasoning. Mix thoroughly. Add just ...up Mixture to moisten stuffing. Fill 6 thick pork chops, ...ckets, with bread stuffing. Brown on both sides in hot fryt...ful... Pour the remainder of Soup mixture over ... chops. Cover tightly. Cook over low heat ... in a moderate oven (350° F.) for 40 m...utes. Allow one chop per person. Use remain...g thickened Soup as gravy. Serves 6.

Modern Etiquette

By ROBERTA LEE

Q. Is it necessary to telephone one's hostess on the day after her party to thank her again for the good time you had?

A. While sincere appreciation is never out of place, this really isn't necessary, unless you are positive the hostess has plenty of time to spend at the telephone. Usually, your leave-taking after the party should take care of this rite.

Q. If the hands are not in use, where should one place them while at the table?

A. The hands should be placed in the lap. Above all, refrain from toying with the eating utensils.

Q. Should an unmarried woman who is travelling alone sign the hotel register as Miss Mary Jones?

A. Yes, she should use the prefix "Miss."

KEEP LEAD IN LADIES' BOWLS

De Jong's and Annette's in Clean Sweep Victories

De Jong's and Annette's, pacemakers in the Ladies' A Bowling League, continued their winning ways in this week's league play with clean sweep victories over Westview and Orange. Scuby's also had a clean sweep victory over Manson's who were, as a result, relegated to the bottom of the standing along with the Orange Ladies.

Team results were:

De Jong's 3, Westview 0.
Annette's 3, Orange 0.
Scuby's 3, Manson's 0.
Gordon & Anderson 2, Variety 1.
Savoy Swingers 2, Taft & Odowes 1.

High single scorer was J. Shenton of De Jong's with 307 and high aggregate A. Pierce of De Jong's with 710 for three games or average of 237.

The league standings:

De Jong's	9	0
Annette's	8	1
Variety	6	3
Gordon & Anderson	6	3
Savoy Swingers	5	4
Scuby's	4	5
Taft & Odowes	3	6
Westview	2	7
Orange	1	8
Manson's	1	8

Co-Op Takes Top Place In Senior Hoop League

Senior—Co-ops 57, Savoy 50
Intermediate—Stone's 25, High School 23
Ladies' League—Peoples Store 17, High School 9
Junior League—North Star 25, Kinsmen 1

Co-op scored a 57 to 50 victory Tuesday night with which they wrapped up first place in the Senior Basketball League. The loss of Savoy dropped them into a tie with Bo-Me-Hi. A thrilling Intermediate game that had to have three overtime periods to decide the winner went to Stone's 25 to 23 over High School.

The strong veteran line-up of Co-op again brought the win with which they clinched first place in the league. It is the second season running for them.

Co-op came from behind in the first half to take a 28-24 lead at the half-time whistle. The play was wide open and fast with both teams using short quick passes and accurate shooting from everywhere. Co-op used the floor-length passes effectively with a forward fast breaking.

Savoy floored a squad that had Davis and Ciccone playing their first game in a month. Both players gave their best although they were rusty from the long lay-off. With these boys returned Savoy had two others absent—Rupert Holkestad and Nick Haugan.

In the second half Co-op breezed into a 14-point lead on Sonny Beynon's flawless shooting. He came up with 12 points in the third quarter and ended with 20 points—high for the night. He dropped in 10 field goals from 17 attempted.

In the final quarter Savoy were sparked by Mel Holkestad who showed his best playing of the season. The hotel men crept to within 4 points of Co-op but were stopped from getting closer.

Lanky Angus Macpnee was everywhere, slapping down shots before they got going. He played a largely defensive game although he did drop in 11 points.

Arney and Morgan both played a driving game for Savoy. Arney had to leave the game in the closing seconds of the game when he suffered a hard bang on a bruised knee.

The referees had an easy time as they called a total of 13 fouls.

Co-op scored 26 baskets from 97 shots. They sank half of 10 free throws. Savoy took 102 shots and made 24. They scored 2 of 6 free throws.

INTERMEDIATE

A game just suited for the fans was played by Stone's and High School in the Intermediate league with the former coming on top in a hard-fought overtime thriller 25 to 23.

A rebound dropped in by Steve Dumas with 45 seconds gone in the third overtime gave victory to his team.

The game was close with neither team enlarging on a 2-point lead. Stone's took a one-point lead at the quarter but High School came right back to tie it up at the half 15 all.

The game was marked by good basketball by both teams with very aggressive play and close checking which had tempers frayed at times.

High School took a 1-point lead in the third quarter but in a driving final quarter that say a lot of action between the teams, there were not very many shots at the basket. Christoff sank the 2-pointer that gave High the tie in regulation time.

In the first overtime Stone's scored first and then the students tied it up again. Stone's played a slow game with emphasis on holding the ball whereas High School came up with a barrage of shots that fell short or off the basket. It was not until the third overtime where the first point made gave victory to either team did Stone's win out.

Poor shooting by the students forward line was their downfall. Their guard line came through with the points but could not do it all alone. Stone's had fine teamwork and passing with their shooting weak.

Stone's took 69 shots and made 11. They dropped in 3 of 11 free throws. High School scored 10 field goals from 81 shots. They made 3 of 10 free throws.

LADIES' LEAGUE

Peoples Store strengthened their hold on second place with a 17-9 win over the High School squad in the Ladies' League game.

Peoples jumped into a 10-6 lead in the first half on Budinich's accurate firing at the hoop. Peoples played a fast-breaking game, giving them many chances at the basket as they caught the High School defence slow in getting in position. High School played their usual passing game that looked good but when it came to shooting they were woefully weak.

In the second half Peoples built up their lead as they shut out High School in the third quarter while doing some scoring of their own.

Last night's win was Peoples seventh straight, including their default win over Miller Bay. The win gave the defending cham-

(Continued on Page Five)

BLIND SKIER—Peter Lipnicki, Kitchener's blind piano tuner, is believed to be the only blind skier in Canada. A member of the Chicopee Ski Club of Kitchener, Lipnicki is shown here with his wife, Alberta, and Robert Petznick, right, chief instructor of the club. (CP Photo)

Sport Shots

More than 14,000 Toronto hockey fans cheered as Ace Bailey and Eddie Shore clasped hands 15 years ago last night at a benefit game for the former Toronto right-winger. Bailey's hockey playing career had been ended when he suffered a fracturd skull, December 11, 1933, in a collision with Shore in a game at Boston. On his recovery a benefit game was arranged with the Bailey-Shore reunion the attraction. Leafs won the game 7-3.

The third challenge of Lou Brouillard, Worcester, Mass., French-Canadian for the world middleweight title was turned back by Marcil Thil, French boxer, 12 years ago tonight. Thil was awarded the bout on a sixth-round foul, over Brouillard's protest. The fight the year before ended the same way in the fourth round, while Thil won a 12-round decision in their first meeting.

MOUNT HAYS SKIING GOOD

Many Enthusiasts Enjoying Sport—Trip to Smithers Carnival Planned

Copious snowfall of late has rendered conditions favorable for skiing and during the past two week-ends many local enthusiasts have been ascending Mount Hays. A hard crust on the snow has made for good speed although rendering climbing difficult. The ski tow was expected to be in readiness for operation at the end of the past week but it was not completed in time.

This week-end a group of the local Ski Club are heading for the Smithers if by that time

A Ski Club are planned for of March.

Timely Topics from Terrace

Mrs. C. R. De Kergommeaux, Terrace Reporter

Mrs. C. J. Norrington left by train on Sunday for Vancouver to attend the provincial conference of the Canadian Red Cross Society being held there this week.

Very successful was a tea and sale of home cooking by the local Junior Red Cross on Saturday in the Orange Hall which was specially decorated for the occasion in the Hallowe'en motif. High School girls had charge of the affair.

Miss Nora Carr R.N., who has been on the nursing staff of the Smithers Hospital, is spending a few days here visiting with Mrs. William Osborne before proceeding to Duncan, Vancouver Island, where she expects to nurse a while before going on to Washington State and ultimately to South Africa. Mrs. Osborne entertained Monday night of this week in honor of Miss Carr and again at the cocktail hour Tuesday afternoon.

J. T. Harvey, Prince Rupert barrister, has been in Terrace since the end of the week when he arrived from Vancouver. He is awaiting transportation either by air or rail back to Prince Rupert.

JOINT FUNERAL IS HELD AT TERRACE

TERRACE—Joint funeral service was held at St. Matthew's Anglican Church here with Rev. P. H. Mallett, United Church pastor, officiating for two pioneers of the district—James Porter, victim of a recent fire tragedy, and William Holt, for whom a heart attack proved fatal. Pallbearers were George Anderson, Ed. Gleason, Ted Johnson and Tom Olsen.

MAINLY RUBBER EXPORTS

SANDAKAN, North Borneo (?)—British North Borneo exports in 1948 amounted to £4000,000 ($16,000,000). Nearly 60 per cent of exports are rubber and these have increased despite the labor shortage.

OUTDOOR SEED BOX IS GOOD PLACE TO START FLOWERS

Making Drills for Sowing Seed

Sowing Seeds in Outdoor Box

Always Firm Soil Over Seed

Transplant Directly into Garden

Starting flower seeds in a seedbox or special seed-bed, has many advantages, even after spring has arrived, and it is safe to sow outdoors.

Except for those that will not stand transplanting—which are few—it enables you to use all the plants that grow, placing each in exactly the spot you want it in the garden. During the period of infancy, when the seeding plants need watching, a box may be placed in sun or shade, where frequent inspection is conveniently made.

The plants will usually be free from disease, and have abundant light; so that growth will be faster and the plants more vigorous than indoors. An outdoor box started four weeks later than one indoors, will often have plants ready to move to the garden only two weeks after the indoor plants.

The same method of preparing a porous soil, sowing the seed and watering, apply to both outdoor and indoor seed boxes, except that the only kind of automatic watering suitable for outdoors is wick watering; and the outdoor box must always be well drained. Evaporation will usually be faster and more water will be needed. An outdoor box, filled with porous soil which lets excess water pass through freely can hardly be overwatered, and should be inspected daily.

If seeds are sown thinly, so that the plants can grow to garden size before being transplanted, time will be gained, since they will grow faster if not subjected twice to the shock of being moved. When the little plants are two or three inches high, carry the box directly to the place where they are to be set out. This will enable you to lift and set them in the garden soil with the least possible disturbance of their roots.

CO-OP—TOP PLACE

(Continued from Page 4)

pions a chance to cop first place if they get a little co-operation from High School in defeating the present front-liners. Dom's Peoples took 37 shots and made 8. They scored 1 of 4 free throws. High School took 32 shots and made 4. They scored 1 of 5 free throws.

JUNIOR LEAGUE

In the Junior League North Star won their seventh straight by dropping a 25-13 loss on the Kinsmen squad. In the first quarter Kinsmen fought on even terms with North Star as they held the powerful soda players to an 8-7 lead. The Kinsmen constant ball hawking kept their opponents flustered and caused them to pass wildly. This did not help them as their offence fell off to only 1 free throw. The half-time score was 13-8. In the second half Kinsmen were stopped cold in their shooting which was wild although they did get many away. North Star continued piling up their lead and got many break-aways as Kinsmen played all five players up front. North Star came up with flashes of smooth teamwork.

North Star sank 12 of 37 shots. They made 1 of 10 free throws. Kinsmen took 42 shots and made 5. They made 3 of 7 free throws.

Individual scoring:

Senior

Co-op—Lindsay 10, Macphee 11, H. Holkestad 2, Dominato 9, Beynon 20, Alexander 1, Murray, Moore 2.—57.

Savoy—Davis 9, Arney 15, M. Holkestad 10, Morgan 8, Menzies 4, Ciccone 4, Marshall.—50.

DUTCH BELL FOR TERRACE CHURCH

New Settlers Make Presentation—Plans Are Considered

TERRACE—In appreciation of the welcome they have received in their new homeland, Dutch settlers, through Mrs. Brandeis, presented an eighteenth century Dutch bell to Terrace United Church which held its congregational meeting last week. The bell will be installed in the new church which is to be erected here in place of that which was destroyed by fire about a month ago.

The meeting considered plans for the new church and, to assist the proceedings, Rev. R. A. Wilson, pastor of First United Church in Prince Rupert, was present. Rev. P. H. Mallett, the local pastor, was in the chair.

IS TRANSFERRED TO GREENWOOD

Red Cross Hospital Superintendents Exchange Posts

TERRACE — Miss Margaret Ross, who has been lady superintendent of the Red Cross Hospital here since its opening nearly a year ago, left on Sunday for Greenwood, having been transferred to a similar hospital there. Miss Hamlin has arrived here from Greenwood to take charge of this hospital, it being an exchange of positions.

Prior to her departure, social events for Miss Ross included a bridge party at the home of Mrs. Vic Giraud and a farewell function by the Catholic Women's League at the home of Mrs. Harvey Doll when a presentation was made by Father Racette.

The sincerity of the speakers was very evident and they spoke from practical experience of the value of the movement.

The items by the pupils of Mrs. Cobb's division included recitations by Roberta Reid and Patsy Phillipson and a splendidly rendered choral recitation by a group of 20. Roberta Reid conducted the group in their spirited and colorful interpretation of "Hiding."

In the business session at the start reports were given by Mrs. Moore who, as treasurer, reported a substantial credit balance. S. A. Cheeseman, for the membership committee, reported an enrolment of 118 and a magazine subscription list of 18.

The meeting reiterated the need for control and censorship of crime comics.

With this month being an anniversary of the founding of the Parent Teacher movement special reference was made to its importance on an international scale and to its growth and influence locally. This would all help to ensure a lively interest in methods for the best education of children.

President Mrs. H. C. Flood

Reminiscences and Reflections

By W.J.

Hansard reflects a vigorous resumption of public business on the floors of the House at Ottawa. This plain book contains what is said when the members meet from day to day to view with alarm or point with pride. One cannot detect signs of sweet reasonableness. The legislators appear soured and short-tempered. Dozens of times two little words appear on Hansards' impeccable pages. The words are "Sit Down." But then, at times all of us are crusty, and the other fellow's voice sounds detestable. And, as for what he says, that's even worse.

Music is being introduced at Shaughnessy Military Hospital. It is heard as one goes into anaesthetic, or is under a "local" for surgery. The melody is slow, but sweet, and, perhaps, a little languorous. A favorite is said to be "The Blue Danube." But this does not mean there is dancing.

It looks like daylight saving for British Columbia no matter what some of the provincial districts may think. Even today, in Skeena, days are lengthening rapidly. Another month and we'll be wondering why anyone ever thought of the notion. Still, something has to be saved these perilous times. It is more than can be done with money.

With all kinds of fantastic suggestions, rumors, broadcasts and reports filling the air daily, it is small wonder that anyone in control of a radio should be alive to his responsibility. When he is not, a dangerous lunatic is at large—for he's liable to start anything. In Quito, Ecuador, this week, a broadcast announced an "invasion from Mars" but 175,000 persons mistook what was intended as fiction for the truth. In the rioting and panic, 15 were killed and total damage amounted to $250,000. Something not unlike this occured in a United States city not so long ago. There are plenty of professional "excitement starters." Their jaded appetites crave something. Don't go off at half cock and yell "fire" in a crowded theatre.

One cannot but have a dark suspicion! There was once a time when excuses explaining why the Prince Rupert grain elevator did not function were numerous. Can it be that the supply has become exhausted? Anything will be better than none at all! One day, it would be blandly announced that wheat could not be shipped by way of Panama. Too d---d hot! And then it would seem until peace in China was restored, there could be no grain sold in the Orient. Next, the Pacific, north of Vancouver, was unsafe for wheat ships. More recently the Alberta wheat was too wet. They were all pretty fair excuses and you'd get a dour kick in studying and comparing them. But now, a dull blankness is hard to endure!

REVISION OF SCHOOL PLAN

Saving of Up To $100,000 May be Effected

Between $80,000 and $100,000 may be saved in the cost of erecting the first unit of the proposed new Booth Memorial High School under a revision of plans being considered by the Prince Rupert School Board.

The revised plans differ from the original drawings in that they eliminate one of two large auditoriums originally proposed, combining the remaining one for auditorium and gymnasium.

The revisions were presented to Dr. R. G. Large, board chairman, and A. Bruce Brown, chairman of the building committee, while they were in Victoria a week ago and were given favorable consideration by Board members at a special meeting last night.

It is estimated that the changes, which will not affect the amount of classroom or administration space in the building, will lop off a possible $90,000 from the estimate of $500,000 for the new unit.

A re-location of the new unit also was suggested by the firm of Vancouver architects, Pratt and Berwick. They suggest that the building be moved westward to a position closer to the present Booth High School. The original plan called for placing the unit at the extreme easterly part of Hays Cove Circle.

It is believed that greater economy of construction can be effected, as well as greater convenience for the students who will have to use both buildings.

The first unit will house nine technical and special classrooms while academic and regular classes will be held in the old school. Plans for the second unit eventually call for the construction of 24 regular classrooms in two wings on the eastern side of the first unit.

The combined auditorium-gymnasium would have an area of 90 by 120 feet, with provision for dividing it into two parts.

AIRBORNE FISH FRY

SINGAPORE, (CP)—Every flying boat which arrives at Malaya from Hong Kong carries 10,000 Chinese carp fry to stock Malaya's fresh water fish farms Malaya's fish farming program aims at giving the population a fish supply more plentiful than most people in the Far East.

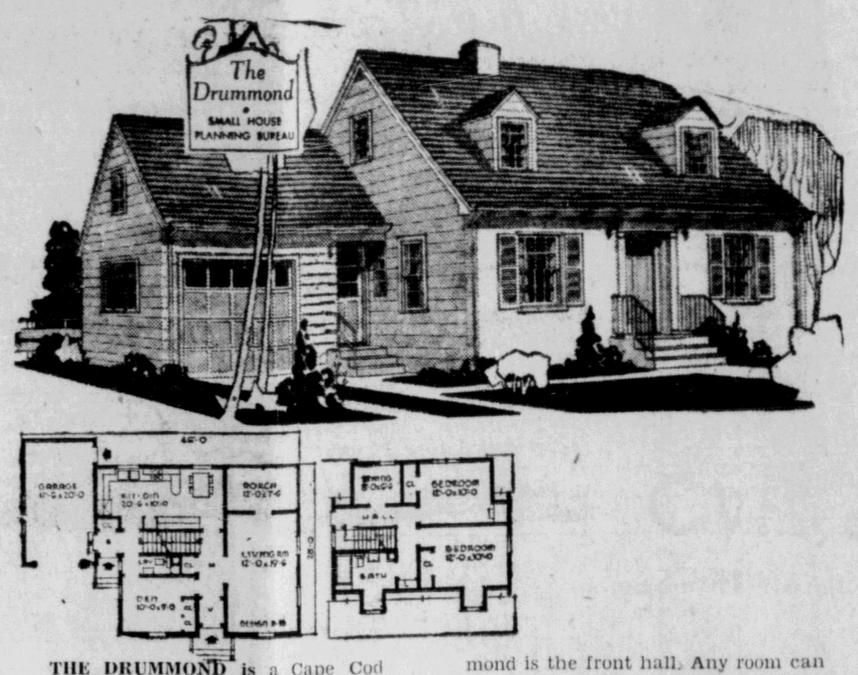
MUSICAL TRAMWAYMEN

OSLO, Norway, (CP)—It may be a long step from a street car bell to Beethoven and Bach, but Oslo's street car conductors have taken it. Municipal transport employees have organized a 28-piece salon orchestra which recently held its third concert within a year

CURFEW WILL NOT RING

STOGURSEY, Somersetshire, Eng., (CP)—Until the war the almshouse bell here had been rung every morning and evening for 500 years The rope was arranged so that the ringer did not have to leave his bed. The villagers want the custom revived but bellringer Tom Webb, 82, says: "I'm too old and I go to relatives to sleep."

Classified advertising always brings results.



THE DRUMMOND is a Cape Cod style, storey-and-a-half house with a one-car attached garage. The first floor of this charming home has a living room with a screened porch opening from one end; a modern, step-saving, completely cabineted kitchen-dinette combination, with a broom and general storage cabinet on the inside wall, and a small bedroom which can also be used as a den, office or library. The second floor has two bedrooms, a sewing room or nursery and plenty of all-important roomy closet space.

A pleasing feature of The Drummond is the front hall. Any room can be reached from it without entering another first. The side entrance hall gives handy access to the garage, basement, kitchen, downstairs lavatory and bedroom. There is a convenient coat closet in each hall.

Frame construction with wide siding covers the exterior walls. The roof is covered with asphalt shingles. And the front wall is veneered with brick.

The main body of the house s 30' x 28' with full basement. The overall dimensions are 46' x 28,. The floor area is 906 square feet with 19,932 cubic feet exclusive of the garage.

CONVENTION DATES SET

Gyro District Gathering to Be Held Here in Mid-June—100 Delegates Coming

Confirmation was received yesterday that the 1949 district convention of Gyro Clubs will be held in Prince Rupert June 15 and 16. Upwards of 100 delegates from western Oregon, Washington and British Columbia will come north from Vancouver aboard the steamer Chilcotin which is being specially chartered for the occasion. They will arrive here on Tuesday, June 14, at 2:30 in the afternoon. The convention sessions will take place on Wednesday and Thursday in the Civic Centre and the delegate ship will sail at 11 p.m. Thursday on the return south.

Definite setting of the convention date gives the green light to W. J. Scott, convention chairman, and his committees to go ahead with final arrangements for the convention proceedings.

Timely Recipe

Nectar Dinner Appetizer

⅓ cup honey
⅓ cup lemon juice
1½ cups apricot whole fruit nectar
Few grains salt
Few drops clove extract
1 tablespoon rum flavoring

Combine honey and lemon juice and beat until well blended. Stir in remaining ingredients. Chill thoroughly before serving.

Serves 4.

The Experts Say - -

By KAY REX
Canadian Press Staff Writer

THE LOWLY SPUD — The Irish aren't the only ones who claim potatoes as their favorite food. Down through the centuries the lowly spud has found its place on the best of tables.

Nor is its use confined to the vegetable side of a dinner plate. Home economists of the consumer section, Dominion department of agriculture, have moved it into the class of glamorous desserts.

POTATO PUFF PUDDING — Ingredients: two cups mashed potatoes; four egg yolks, one-half cup sugar, one-quarter teaspoon salt, two tablespoons of blanched slivered almonds, one teaspoon vanilla, four egg whites.

Press potatoes through a sieve. Beat egg yolks with sugar and salt until very light and add to potatoes. Add almonds and vanilla. Fold into stiffly beaten egg whites. Pour into a greased pudding dish and bake 30 minutes in a moderately slow oven of 325 degrees F. Serve hot with pudding sauce. Yield: six to eight servings.

If it is another dish the housewife is seeking, she might cook her potatoes another way.

POTATOES AND CHEESE—Ingredients: one quart of half-inch potatoe cubes, one onion, three pimentos, two cups white saucc, one-half pound mild cheese, one-half teaspoon salt.

Cook potatoes and onions, finely chopped ,in boiling salted water to cover, five minutes. Add pimentos cut in small pieces and cook seven minutes. Drain. Turn into a buttered baking dish and pour over while sauce mixed with cheese and salt. Bake in a moderate oven until potatoes are soft.

POTATO SOUP—This is another cold weather supper dish.

Ingredients: three potatoes, one quart of milk, two slices of onion, three tablespoons butter, two tablespoons flour, 1½ teaspoon celery salt, dash of pepper, dash cayenne, one teaspoon chopped parsley.

Cook potatoes in boiling salted water. When soft push throug a strainer. Scald them with onion, remove onion and add milk slowly to potatoes. Melt half the butter, add dry ingredients, stir until well mixed and add to the boiling soup. Add remaining buttter and sprinkle wiht parsley.

BAKED SWEET POTATOES —Ingredients: six medium-sized sweet potatoes, two tablespoons butter, juice of one orange, cup shredded pineapple, one-quarter cup chopped walnuts, one teaspoon salt, one dozen marshmallows.

Bake potatoes and scoop out shells. Mash potatoes well, adding butter, salt, orange juice Stir in all the rest of ingredients except marshmallows. Refill shell with mixture. Cut up marshmallows. Place them on top. Replace the potatoes in hot oven until heated through and browned slightly on surface.

HOW CAN I ? ? ?

By ANNE ASHLEY

Q. How can I restore a sponge that has hardened from not being used?

A. Cover the sponge with cold water, to which has been added 1 teaspoonful of borax. Then boil for about 1 minute. Remove the sponge, rub dry borax into it, and then rinse in cold water.

Q. How can I keep sandwiches fresh?

A. They can be kept fresh for several hours by placing in an earthern vessel, covering securely, and then placing this receptacle in another container of cold water.

Q. How can I sharpen the sewing machine needle?

A. Try stitching for several inches through a piece of very fine sandpaper.
