Attlee Truman Talks Being Speeded Up

Pearson Warns Of "A" Bomb

Fears Reaction to Use Would Be Dangerous
OTTAWA (CP)—External Affairs Minister Pearson deprecated the use of the atomic bomb against Red China. Warning that the risk of an immediate general war has increased, he told the federal-provincial conference the use of the bomb would be "far outweighed among the people of the world." But, he said, Canada should be among those governments consulted before a "decision of such immense and awful consequence" is taken—if it is taken—to use the atomic bomb.
In a major statement on government foreign policy, Mr. Pearson indicated the cabinet's belief that the atom bomb should not be used in China "while there is any chance at all" of preventing the spread of the war in Korea.

BRITAIN AND EGYPT—The worsening of the world situation has led to British attitude that the maintenance of a major base in the Middle East is now regarded as more urgently necessary. Egypt is considered to be the only suitable area for such a base from the point of view of communications, port facilities, and labor supply. The efficient maintenance of such base installations, it is argued, requires the presence of a substantial number of British troops, chiefly technicians rather than combatant units. These forces are at present concentrated in the Suez Canal zone. The Egyptians, demanding British withdrawal, acknowledge their country's strategic importance and even the need for a large military base available for use by their allies in time of war, but assert that they themselves can keep the base in good order and readiness. British military experts do not share this confidence.

Heads of Nations Getting Together Quickly In View Of Worsening Situation

Little Chance Seen of Agreement Being Reached On Negotiated Peace With China
WASHINGTON, D.C. (CP)—Prime Minister Attlee arrived here today for talks with President Truman aimed at finding common policy on the world crisis and averting the threat of a global war. The first of the talks will be held later today.

Skating Rink Progress Slow

Attempts to make a skating rink at Gyro Park have to date been unsatisfactory in spite of a great deal of work by the Gyro Club, Navy, firemen and civic employees. The city supplied some planks and a compressor.
The surface at the park slopes and, despite efforts to apply the water evenly, it settled at the low end, leaving only shell ice at the upper end. The fire hoses used for the job seemed to throw too much water on the surface at once. In addition, changes in the weather have several times undone the work that was accomplished in ice-making.
William F. Stone of the committee working on the project today expressed his disappointment that there had been little help from outside, particularly from teen-agers who would benefit most from the rink. It is expected to resume work on the project today.

Explosion At Ocean Falls

Residents of Paper Town Thought It Was Earthquake
OCEAN FALLS (CP)—A 1000-pound heater exploded Sunday in the Pacific Mills Ltd. paper plant, crumbling part of a wall, smashing windows and embedding itself inside concrete.
There were no injuries.
Residents thought an earthquake had struck as the giant heater exploded.

Death Removes "Nifty" Lambert

George Lambert passed away late last evening in the General Hospital, where he had been a patient for the past month or so.
Mr. Lambert, who was known by his numerous friends as "Nifty," had long been a familiar figure in local restaurants. Born in England, he came to Prince Rupert 35 or 40 years ago. He had remained here ever since. For a considerable time his health had been in decline. He had lived at the St. Elmo Rooms.

Matthew Halliday Of Hazelton Dies

Word was received in the city during the week-end of the death at Hazelton of Matthew Halliday, father of H. C. Halliday, B. and B. master for the Canadian National Railways here.

Canadians Would Head Off Reds

TOKYO — The Canadian destroyers Cayuga, Sioux and Athabaskan, which have been patrolling the northwest coast of Korea south and east of the mouth of the Yalu River, have been assigned to other parts of the coast to prevent expected attempts to land by Chinese Communist amphibian units. The Sioux, it had been previously reported, was expected to sail at an early date for Canada.

Low Temperature For Night Is 22.2

Official minimum temperature reading for the current winter's second cold snap was 22.2 above zero early this morning at the Digby Island meteorological station. This was nearly five degrees higher than a 17.6 above recorded in the previous cold snap a couple of weeks ago.

Fifth Candidate For City Council

There will be a contest for four aldermanic seats in Prince Rupert this year, it was learned authoritatively today. The nomination of William Austin MacLean is the fifth received at the City Hall. He was nominated by Mrs. N. E. Arnold and the nomination seconded by James H. Thompson.

Federal Government Ready To Inaugurate Age Pension Plan

Increase in Federal Taxes Predicted at Opening Of Intergovernmental Conference

OTTAWA (CP)—Increase in federal taxes was predicted today by Prime Minister St. Laurent at the opening of the federal-provincial conference on fiscal-social matters.

The increase, the Prime Minister said, would be "commensurate with the gravity" of the international situation. Expenditures on defence had to be increased because of the menace of Communist aggression.

The Prime Minister told the conference that the federal government cannot revise its tax agreements with the provinces to add "materially" to the overall cost to the federal treasury.

Mr. St. Laurent announced that the federal government will implement the old age security plan as recommended by a parliamentary committee this year if it gets unanimous agreement from the provinces for a constitutional amendment. The proposed plan calls for contributory pensions of \$40 a month for all at the age of 70 and \$40 pensions at 65 with a means test.

The federal government was prepared to enter again into social tax rental agreements with all the provinces in terms similar to, although not identical with, agreements now in force with the eight provinces. He said the proposed social security plan would involve federal expenditure of about \$250,000,000 a year.

Mr. St. Laurent said his government would offer an optional revised basis for minimum payments to be made to the provinces under renewal of agreements. He emphasized that this, of itself, would not affect current payments.

Red China's Intervention

Urgent Matter—
NEW YORK (CP)—Great Britain, the United States and four other countries today formally asked the United Nations assembly to take up as an urgent matter the Chinese Communist intervention in Korea.
France, Norway, Cuba and Ecuador joined in the formal request.

Fish Closure Is Approved

Co-op Agrees Salmon Should Be Conserved—Electricity Asked For Fish Floats
Appreciation of the strong stand taken by the Department of Fisheries in maintaining the closure of the salmon season in the Queen Charlotte Islands was expressed in the general meeting of the Prince Rupert Fishermen's Co-operative Association on Saturday.

While the poorer cohort run this year was to some extent compensated for by the run of tuna, which again appeared in the waters off the Queen Charlotte Islands, it was stated that the Association realizes the welfare of its members depends on a continuous conservation program.

With President Martin Eriksen in the chair, the meeting concluded its two-day session with a good attendance throughout. Among the several reports was one showing the excellent condition in which the Masset Co-operative Association finds itself, despite lower clam production, as improved marketing has given better returns.

A petition asking for electrical outlets with pay meters on the federal government floats in Prince Rupert was unanimously endorsed by the members. The meeting was told that the petition was assured of the support of E. T. Applewhite, M.P. for Skeena.

Terrace Highway Is Clear Again

Announcement has been made by the provincial public works department that the highway from Hazelton through to Prince Rupert is clear again after having been closed for a few days by snow. The intention is to keep the road open as long as available equipment can handle the job.

Flash

LIVING INDEX UNCHANGED
OTTAWA—Cost of living index for Canada on November 1 was 170.7, no change from the month previous, according to announcement today. Lower food and fuel prices held the index down.

TOWEL KEEPS CROWN
JOHANNESBURG—Vic Towel of South Africa loosed a vicious attack Saturday night to retain the world bantamweight championship, stopping Britain's Danny O'Sullivan. The Briton was unable to come out for the eleventh round.

PATS IN HAWAII
PEARL HARBOR — The Korea-bound Second Battalion, Princess Patricia's Canadian Light Infantry, put into Pearl Harbor Saturday after a stormy passage to the Pacific. The 1000-man unit became the first Canadian infantry regiment to parade in Hawaii.

FLOOD HITS PANAMA
PANAMA—Fifteen persons were drowned Saturday in a flood at the town of Yaviza in Darien province, southeastern Panama.

THREE DIE IN TORNADO
GREENVILLE, Ill. — A tornado struck Greenville and Mt. Olive in southwestern Illinois Saturday, killing three persons and injuring more than a score. Greenville was hardest hit. Damage there was estimated at \$500,000. About 100 homes were destroyed or damaged.

Edith Cavell's Anniversary

Today, December 4, is the anniversary of the birth of Edith Cavell, who was born in England in 1865. Miss Cavell was executed by the Germans in Brussels, early in the First Great War, being charged with helping war prisoners to escape.

MacARTHUR WENT BEYOND OBJECTIVE

LONDON—Emmanuel Shinwell, British Secretary of War, said yesterday that General Douglas MacArthur had gone beyond the objectives in Korea which the British government had anticipated. It had been the understanding that he would not send United Nations forces beyond the 38th parallel but, instead, they had headed for the Manchurian frontier.

In a statement to newspapermen, Prime Minister Attlee said that his aim in the talks with Mr. Truman "is to align our policies in the new and troubled situation in the world and to find means of upholding what we both know to be right."
Mr. Attlee accused the Communist bloc with trying to "drive a wedge between our two peoples."
The Prime Minister added: "They are wasting their effort. The United States and the United Kingdom are two countries with world-wide responsibilities."

All reports from London of Attlee's mission tell of his intention to advocate that an agreement be sought with the Communists—both Chinese and Russian. That course is likely to find little favorable response in Washington.
On every side officials said that the present situation is loaded with danger and uncertainty.

DREAM SITUATION WORSENING

United Nations Forces Abandoning Pyongyang

Scorched Earth Policy—Bitter Fighting In Intense Cold
TOKYO (CP)—Heavily outnumbered Allied forces, behind a rearguard shield, retreated south from the former Communist capital of Pyongyang in northwest Korea. Dispatches said the withdrawal was orderly. They are employing a scorched earth policy as they go, destroying large quantities of property. In the frozen east, hordes of reinforced United States divisions are driving on the twin industrial cities of Hamhung and Hungnam and threatened to isolate the entire United States Tenth Corps. American troops are fighting desperately to break out of

traps, the worst just south of Changjin reservoir, supplier of power to Manchuria.

The United States Fifth Air Force used 40 B-26 attack bombers and blasted bridges and roads to open an escape route. Transport planes made hazardous flights to remove wounded.

With the crisis worsening, General J. Lawton Collins, United States chief of staff, flew from the United States to confer with General Douglas MacArthur and a few hours later went to Korea.

REARGUARD SHIELD
United Nations forces threw up a rearguard shield 10 miles north of Pyongyang late today to protect the bitter retreat south through the former Red Korean capital.

Little fighting was reported in the northwest sector but an

army spokesman said that the Red Chinese had rolled five armies—15 divisions, up to 150,000 men—south of the Chingchon River within striking distance of Pyongyang.

Thousands of civilians swarmed from the doomed city today. Some waded the ice cold water seeking a southern haven from Red-threatened Pyongyang.

On the fighting front temperatures are as low as 26 below.

General MacArthur said today that more than 810,000 Communist troops were massed in North Korea and the nearby borders of Manchuria. He said that another 200,000 Chinese Reds were moving north toward this manpower mass, making the commitment one quarter of the 4,000,000 men Red China has under arms.

Open Your Stores

BY A NARROW margin of one vote the City Council decided against the request of a group of merchants to have their shops remain open only one night a week, for the convenience of the construction employees of the Cellulose Company who cannot get into town before six p.m.

Granted the proposal is a perplexing one, nevertheless the arguments in favor of granting this application are unquestionably strong.

Prince Rupert is fortunate in having a great purchasing power available among the workers at the big plant. It is fortunate, too, that stores have not been opened in the vicinity of the plant. The employees of the retail stores in town do not appear to object to the small overtime involved in order to get the available business.

With a big purchasing power right at our doors, is it common sense to refuse to make our commodities available to that body of people with such purchasing power in their pockets?

The results from this policy can only be to drive the trade into mail order houses or encourage people to open stores near the plant.

Prince Rupert is largely dependent upon a big retail trade. It must remain the chief shopping centre for the people in the surrounding area if it is to be a prosperous community.

Fishing, producing, shipping, railroading, wholesaling plants are fundamental to the maintenance of our economy. But along with these basic concerns come the retail and servicing trades and professions in which generally more people find employment than in the basic callings.

It is the combination of producers, distributors, service callings and of course consumers that creates and maintains a city.

A temporary condition exists whereby a large group of workers are unable to spend their money in town. The merchants and council ought to find some reasonable way of supplying a service.

If they do not, then they have no one to blame if stores are erected nearer the plant and a new community gets the business driven away from Prince Rupert. It has happened elsewhere. It can happen here.

The council and merchants should reconsider this question.

FUNDAMENTALS

STICK more to fundamentals in primary education, advises the Estevan (Sask.) Mercury. "Mental indigestion comes sooner or later from a system of education made too easy, pleasant and palatable through evading many of the basic things of the subjects involved. If more time were spent in the public schools in fashioning for the children the tools of the three R's with which they finally carve out their own education, a tremendous advantage would be gained.

"Not only would they be better prepared to absorb the teaching of the subjects in high school grades but they would leave school ever so much better equipped than they are now. On top of that the cost of educating them—both directly and indirectly—would be lessened."

As I See It

By ELMORE PHILPOTT
PEACE OR WAR NEAR

IN ONE short week we have been plunged from the doorstep of peace in Korea to defeat and possibility of world war three.

No one in our part of the world is sure of the reason.

Did the Chinese Communists come crashing south because General MacArthur by-passed the peace negotiations which Britain and India had all but completed in Peking?

Or was the earlier Chinese Red retreat just a stall for time—retreat a "come-on"—to get the UN forces in a position where they could be trapped?

As Ernest Bevin admitted, we do not know.

IN LESS OMINOUS times Canadians might be forgiven for indulging themselves in the luxury of criticism of General MacArthur.

Even interpreted in the most favorable light his order for a "home-by-Christmas" attack was a bad blunder. British and Indian diplomats in Red China had worked out a "gentlemen's agreement" whereby the war in Korea would be ended by leaving a demilitarized buffer zone of about 20 miles next to the border of China.

Maybe the Chinese Reds were playing the British and Indians for suckers in these negotiations. But the point is that MacArthur shot away the chance of finding out if the war could be ended on terms which should have satisfied everybody.

IT WAS THAT grand old statesman Clemenceau who said truly that war is too important to be left to the generals.

The vital—and it could be catastrophic—weakness of the UN campaign in and around Korea is that MacArthur was allowed to step beyond his proper role as a military commander. He made moves which definitely trespassed into the realm of high politics. These began with his theatrical trip to Formosa—kissing the hand of Madame Chiang Kai-shek. They ended with the "home by Christmas" attack order at the very moment when British diplomacy had worked out the buffer zone deal.

BUT WE SHOULD keep all the above in proper proportion. The present point is, not "how we got this way" but what should be done now. We cannot now afford the luxury of a western family quarrel.

Are the Chinese Communists and their Russian allies sincere in wanting peace. They—not we—made the war in Korea.

Or are they cleverly using MacArthur's mistakes to make trouble between the British and Americans?

If what they want is a 20-mile buffer zone why do they not plainly say so at UN?

If the Chinese want peace they can get peace in a matter of days or even hours by simply "coming clean." But does the world Communist leadership really want peace in Korea or anywhere else?

The truth is that we do not know—and must be prepared to face the worst, while working and praying for the best.

IF WORLD WAR Three is at hand the three key spots are:

1. India.
2. The Suez Canal zone.
3. Germany and Western Europe.

Either in cold war or hot war, as India goes so eventually will all south Asia. As Suez goes, in a struggle between the United States and Russia, so eventually will all Africa go.

As Germany goes, so eventually will all her next-door neighbors, east and west.

Local Boy U.S. Army Captain

First Lieutenant Ernest F. Santurbane of Prince Rupert has been promoted to the rank of Captain in the Army of the United States.

The announcement of the promotion was made recently in an order issued from the General Headquarters of the Second Armored Division at Fort Hood, Texas, and signed by Major General Williston B. Palmer, commanding general of the division. Captain Santurbane is a graduate of the Prince Rupert High School in Prince Rupert. His parents, Mr. and Mrs. D. Santurbane, live at 404 8th Ave. West.

PRESENTED WITH CAR—Token of affection and good wishes of hundreds of Canadian daily and weekly newspapermen and friends in the public relations and advertising fields, a 1951 Mercury six-passenger coupe was presented at Montreal to Walter S. Thompson, who retired recently after 27 years as public relations director for Canadian National Railways. Presenting the car, one of the first 1951 models produced by Ford of Canada, are G. J. Fitzgerald, Montreal Gazette columnist and president of the Montreal Men's Press Club, and Roger Champoux of Montreal La Presse, joint chairmen of the committee which sponsored a testimonial dinner for the popular C.N.R. public relations chief.

Victoria Report

... by J. K. Nesbitt

Premier Getting Better—John Hart's Party—Wallace Fine Host

VICTORIA.—Rumors have been flying around the capital that Premier Johnson will never walk again—that he will resign the government's leadership.

They got so wild that the premier's physician, Dr. John Moore, had to issue an official bulletin.

House has become a popular place. Everyone, it seems, now wants to go to the big mansion which the taxpayers maintain for the King's representative. And that's fine by His Honor and Mrs. Wallace. They give a welcome to anyone who wants to pay a visit.

Just inside the big front doors, under the imposing porte cochere, is a visitors' register. You put your name and address in that book and you get two invitations a year—to the Christmas reception and the August garden party.

So many people have signed their names that they can't all be fitted into the house, big as it is, at one Christmas reception, so there's going to be three, December 19, 20 and 21.

Victoria and Government House have never seen anything like it.

Never before in the first two months of a new regime has there been such comings and goings at Government House. There are guests nearly every night for dinners, there have been half a dozen afternoon receptions and every week-ends there are house guests from out of town.

The new First Family is planning a big family Christmas party at Government House, with sons and daughters-in-law, brothers and sisters and grandchildren.

Married By Candlelight

Miss Marie Mattson and Alfred Meyer United

While tall tapers shone softly on the altar of St. Andrew's Anglican Cathedral, wedding vows were exchanged by Marie, younger daughter of Mr. and Mrs. Arvid Mattson, Prince Rupert, and Alfred Norman Meyer, son of Mr. and Mrs. L. Meyer, Clover Bar, Alberta, last Thursday evening, Rev. Canon Basil Prockter officiating.

The bride was a picture of loveliness as she entered the church on the arm of her father. Her floor-length white satin gown was cut on Victorian lines and the embroidered veil cascaded from her cap to the floor. Pearl earrings and necklace, a gift of the groom, completed the ensemble. A spray of red roses and white chrysanthemums comprised her bouquet.

Preceding the bride down the aisle were Mrs. Bruce Stevens, as matron of honor, and Miss Norma Haan, as flower girl. Bruce Stevens was groomsmen and Mr. Lloyd Bolam usher. Peter Lien, at the organ, played the Wedding March and during the signing of the register.

For the occasion Mrs. Bruce Stevens chose an off-the-shoulder dusky rose taffeta gown, pale blue chapel veil and matching accessories. Carnations and roses comprised her colonial bouquet.

Miss Norma Haan wore a floor-length gown of white taffeta with blue trim. Her colonial bouquet matched the flowered haio in her hair.

Following the ceremony immediate members of the family gathered at the home of the bride's parents, 606 Donald Street, to await the arrival of the bridal party. A toast to the bride was given by Canon Prockter.

The reception was held at 1116 Ambrose Avenue where Mr. and Mrs. Arvid Mattson was guests. Mrs. Mattson was gowned in black taffeta with black and gold bodero jacket. Her corsage was a red rose and a white gardenia.

Before the toast the bride and groom stood in an arbor of pink and white centered by a huge wedding bell to receive the best wishes and congratulations of their many guests. The toast was proposed by Bruce Stevens with the groom responding suitably.

Dancing was enjoyed and delicious refreshments were served, followed by the cutting of the three-tier wedding cake. Assisting were Mrs. E. Barber, Mr. and Mrs. C. Haan, Mr. and Mrs. C. Marineau, Mr. and Mrs. Robert Irvine, and Miss Mary Addison. Mr. and Mrs. Meyer will take residence in Prince Rupert. The groom is a member of the Arrow Bus Lines staff and operates the U-Drive.

AIR PASSENGERS

To Vancouver (today)—Mrs. M. Henderson, E. Petersen, F. Kryska, Dr. McKerricher, J. A. MacDonald, McKay Forrest, R. Paulson.

From Vancouver (Saturday)—W. R. Campbell, D. Tucker, M. Reitan.

Firemen Jetour—See Second Fire

Icy road conditions yesterday proved a blessing in disguise as firemen were forced to make a roundabout trip to return to the station from a chimney fire at 224 Ninth Avenue East. In order to avoid a steep hill they went farther east than they normally would on their return. While passing 516 Eighth Avenue East, they spotted another chimney fire they kept the blaze under observation and drenched the roof with water until the danger had passed. No damage was caused at the second stop. The house at 224 Ninth suffered a hole in the roof around the chimney opening.

Oscar Smith was back on duty as collector of customs again this morning after an absence of several weeks from his office. Part of the time was spent in the Prince Rupert General Hospital undergoing surgery.

OREGON SENATOR FAVORS A-BOMB

WASHINGTON, D.C.—Senator Wayne Morris (Republican-Oregon), member of the senatorial defence committee, who recently visited Alaska, says that the atomic bomb should be dropped on Soviet Russia and her satellites unless there is a satisfactory settlement of the Korean crisis within the next few days.

Job's Daughters Sale Nets \$250

The sum of \$250 was raised by Job's Daughters at the bake sale and raffle held Saturday in aid of next year's summer trip to Virginia. The local drill team will compete against American entries.

Through the courtesy of L. M. Feisenthal, who allowed the old Overwaitea premises to be used as a headquarters, Job's Daughters arranged four tables of parcel post, baking, novelty and a white elephant at the sale held Saturday.

Winners in the raffle draw were: Grocery hamper, Thomas Balanger.

Purse donated by Mrs. L. W. Kergin, won by Mrs. C. Gilker.

Christmas cake, donated by George Dawes, won by R. R. Strachan.

Supervising the sale was Job's Daughter's guardian, Mrs. A. S. Mitchell.

Ambulance Had Difficult Job

Low water and icy conditions yesterday were great obstacles to the fire department ambulance crew when they were called to the Department of Transport lighthouse tender Alexander MacKenzie to take Harry Yuill to hospital. Yuill was suffering from injuries received when he fell from a ladder.

It was impossible to use the ambulance cot or the stretcher to lift the man to the dock. Finally it was necessary to use a freshly painted basket stretcher on the ship. The basket was raised by the ship's hoist to the dock and Yuill transferred to the ambulance.

A great deal of paint was on the blankets and, in spite of precautions taken, everyone handling the injured man came in contact with it. They ranged from the ambulance crew to nurses at the hospital.

The man's condition was reported by his physician this morning as satisfactory and the patient not in danger.

Club Dance Is Happy Affair

Fifty couples attended the annual dancing party of the Prince Rupert Club last Friday night in the Canadian Legion Hall. Music for the happy affair was by Andy McNaughton and W. F. Stone was a genial master of ceremonies.

Guests were received by the president, W. D. Lambie, and Mrs. Lambie. Committee in charge consisted of Mr. Stone, Mr. Lambie, Grant Stewart and A. B. Brown. George Dawes presided at the door.

Passengers to Butedale sailing on the Chilcotin last night were C. Hyslop, George Hall, Mr. and Mrs. L. Starr.

J. Dyson, Department of Fisheries fish culture branch, sailed last night on his return to Vancouver.

H. A. Christenson, J. Ellertsen and O. J. Hansen were passengers on the Chilcotin bound for Vancouver when she sailed from here last night.

I Was Nearly Crazy With Fiery Itch—

Until I discovered Dr. D. D. Dennis' amazing, by fast relief—D. D. Prescription. World famous peace and comfort from cruel itching caused by eczema, pimples, rashes, athlete's foot and other itchy troubles. Trial bottle, 35¢. First application checks even the most intense itch or money back. Ask druggist for D. D. D. Prescription (ordinary or extra strength).

SOCIAL and PERSONAL

Mr. and Mrs. A. Bell and son, Peter, returned to the city on the Camosun yesterday afternoon from a trip to Vancouver.

Mr. and Mrs. John Geddes returned to the city on the Camosun yesterday afternoon from a trip to Vancouver.

Hindering immediate entry for firemen by parking cars in alleyways, Earl Miller and John Wilson were each fined \$5 and costs under the city fire district by-law.

● NOTICE—Genuine Dry Lute-fish and Alaska Fat Herring for the Christmas season. Order yours now at Rupert Butchers. Phone 21, 707 3rd Ave. (284)

● You will find the greatest selection of Christmas decorations for the home at the VARIETY STORE. (tf)

Three more infractions of the city traffic bylaws were dealt with by Magistrate W. D. Vance in city police court at the weekend. Fred Hill was fined five dollars and costs for illegal parking.

Doug Souter, district manager of B. C. Packers, R. M. Wislow, former general manager of the company here, and H. Stewart and Arthur Chapman, other company officials, arrived in the city on the Camosun yesterday afternoon from Vancouver.

● There are only 17 more shopping days till Christmas. The mails will be closing shortly. Get your CHRISTMAS CARDS NOW at the VARIETY STORE. (tf)

Passengers arriving here on the Coquitlam Friday from Vancouver included Mr. Davidson, Mr. Kelly, Mr. and Mrs. A. G. Rix, Mrs. M. Allen, Mrs. A. Love, Mr. and Mrs. J. Reid, Mr. and Mrs. C. H. Collison, C. F. Billis, R. Russ, C. Parnell, Mrs. M. Peterson, H. Sailor, H. Brown, M. G. Woodcock, H. Coster, S. Daniz, Mrs. M. Thompson.

Indian Superintendent F. E. Anfield returned to the city on Saturday night's train from a trip to Ottawa, Toronto, Winnipeg and Edmonton on official business. In Toronto he attended the funeral of the late Most Rev. F. G. Kingston, Primate of the Anglican Church for Canada. Returning west he spent two days visiting at McBride with his old friend, Dr. Ryall.

● Remember that today, Tuesday and Wednesday you can save on your Christmas presents by shopping at FASHION FOOTWEAR. Clip the certificate from our advertisement in Saturday's issue of the Daily News... it will save YOU \$2.00 on any purchase of \$10.00 or over. (284c)

The famous Rosetta Stone found on the Nile in 1799 furnished the key to decipher many ancient Egyptian inscriptions.

NEW ELECTRONIC INVENTION HIDES DEAFNESS

Revolutionary Discovery Transmits Even Whispers With Startling Clarity

CHICAGO (Special)—An amazing new electronic ear which hides deafness and transmits even whispers with startling clarity, has been revealed by a noted Chicago electronic scientist.

He disclosed that this miraculous new discovery has rendered old-style hearing aids obsolete almost overnight, and brings new hope to the 15 million persons in the United States who are hard of hearing.

He reported that this electronic ear enables the deaf to hear without any button showing in the ear and without dangling battery wires.

To acquaint the hard of hearing readers of this paper with this new miracle electronic ear which hides deafness, full details are described in a fascinating booklet, "New Discoveries to Help the Deaf Hear." It will be sent free in a plain wrapper to anyone who requests it. Address: Electronic Research Director, 1450 West 19th Street, 729-M, Belmont Building, Chicago 8, Ill. A penny postcard will do.—Adv.

New Scoring Mixed Bowls

All teams, which are now re-arranged into "A" and "B" leagues in Mixed Bowling League, got a fresh start as far as standings are concerned last Wednesday night. With previous point standings wiped off and the first week of the second under way, more interest will be shown by all bowlers and teams as they will be more evenly handicapped in their respective divisions.

High ladies' single game was by R. Poberony of Cantels with 324.

High three game total for ladies was rolled by A. Pierce of Fashion Footwear with 667.

The Great West Life team produced the high men's scores for the evening with R. Tubb bowling 313 for high single and tying E. Mustallam for the high three game total of 754.

Incidentally the high three and high single game season record totals for men in the Mixed League are held by T. Crawley of Optomists with 355 and 381.

Ketchikan Takes Second of International Hoop Series

Ketchikan won the second of the four-game international high school basketball series in an exciting and close 42-to-39 struggle Saturday night. It was anybody's game right up to the last minute with Bo-Me-Hi having the edge of the play all through the first half with Kay-Hi the top team in the second half. Bo-Me-Hi started out fast and kept the pace up all through the first period which ended 13 to 8 in their favor. In the second quarter, Ketchikan matched the locals basket for basket, but couldn't cut down on the lead.

Kay-Hi had their big quarter in the third when they ran wild to push in 10 points on field baskets and six more on fouls while the Booth players were scoring 11, making five field shots but losing out on four of their five free throws. In the final period Kay-Hi was again dominant, getting in for the rebounds and hustling just a bit more than Prince Rupert. Murkowski was a big scorer with 11 points and his work under the basket was tops as he out-jumped the locals time after time for the rebounds. The elder Tucker played a sensational game to get 15 points and to outjump Ray Spring, who is no mean jumper himself, and get the ball consistently on the throw-up.

Spring was a driving force for Bo-Me-Hi and was outlacked a lot during the final hectic minutes. He scored 14 points, Simonson and Letourneau turned in good games and were much surer of themselves than on the previous evening. Henry Blackaby was another fine player who had had luck on his body contacts to go out in the final quarter on five fouls, all of them earned but none that could be classed deliberate. Bo-Me-Hi had a much better team than on the previous evening and the fans went home well pleased with the game they played; it being no disgrace to lose such a close thriller.

Rupert Hotel took over the lead in the Junior race as they won a 29 to 24 victory over High School who had shared top place with them until Saturday night. High School took an early lead which they held until the final period into which they went with a 21 to 14 margin. In the last period, which was very rough, the game got out of hand, Smith from Rupert Hotel being benched along with Martin from High School. Rupert Hotel raced away with the game in this quarter as they scored 15 points to their opponents' three. Just what disciplinary action will be taken with Smith and Martin depends on whether the referees submit a written report. If they do, the boys are liable for a suspension if the league executive sees fit to clamp down.

Tomorrow night action in all local leagues gets under way again, when Brownwoods meet Co-op in the senior division, Manson's play Cook's in the Junior, and Thunderbirds and High Gold, along with Fashion and High Green, play an Intermediate doubleheader.

Ketchikan-Bue, Emard 4, Hamlin, Housholder, Maddox 2, Murkowski 11, Nelson 3, Simpson 5, J. Tucker 15, P. Tucker 2. Total-42.

Prince Rupert-Simonson 7, Spring 14, Tait, Clark, Young 2, Blackaby 4, Letourneau 6, Morrison 1 Ford, Ratchford 9. Total-39.

High School-Martin, MacAfee 1, Cleone 9, Mathews 6, Kristmanson, Christenson 2, Blackaby 6, Menzies, Williamson, Total-24.

Line-ups:

Blackwood On Bridge

By Easley Blackwood

I have had a number of letters from readers telling me that my articles on bridge humanics are all very good when you know the players at the table but no good at all when you are playing with strangers.

That is a good point but it is not entirely true. I am going to write for you a series of articles on the humanics of playing with strangers and my very first piece of advice is a basic bit of humanics which can be applied at once even though you have never seen any of the other players before in your life.

It is this: If you don't know your partner's bidding style and credo, don't make any bids he will not understand. That sounds like a big order, doesn't it?

Let's get more specific. Don't use any type of bids, the requirements for which are subject to a wide variance of opinion. One such type of bid is the opening bid of three in a suit. Neither side vulnerable. North dealer.

the Liquor Control Board or by the Government
of British Columbia.

Harold Battye, formerly Western Representative of Reliance Chemicals Ltd., has been appointed a Special Representative for the British Columbia Distillery Company Limited.

In announcing the new appointment, Mr. Roy MacGregor, General Manager of the British Columbia Distillery, stated that the new position was in line with the general expansion program being carried out by the Company.

Impressive and Permanent Tribute to Former Bishop

Impressive tribute to the revered memory of the Bishop of Caledonia, Rt. Rev. George Alexander and Mrs. Sadie Rix, his wife and helpmate in a long and effective ecclesiastical career in the frontier...

...was paid yesterday afternoon at St. Andrew's Anglican Cathedral when, with the present...

...proceeded to inspect the attractive new rectory nearby which is nearing completion. After prayers of blessing by the Bishop...

...to institute Elks' Lodge. At a well attended meeting of applicants for membership in the new Prince Rupert Lodge No. 342 of the Order of Elks, held in the common lounge of the Civic Centre Sunday afternoon, it was decided to hold the official institution on Sunday evening next...

...GREAT WORKERS. In all his great work, Bishop Rix had for quiet but effective helpmate Mrs. Rix who had kept in step as they had truly and bravely together. In every sense of the word, they had given their unselfishly and unstintingly to God's work. In their cathedral indeed been exemplified in high degree the Christ-like sense of duty to extend the Kingdom of God on Earth...

...TORY BLESSED. Under the unveiling service in the cathedral, the congregation...

Canadian Army Mail Addresses

OTTAWA.—New postal addresses for Canadian Army mail Force personnel and Canadian troops assigned to the Far East have been received by post office and military authorities. Effective immediately, all mail intended for personnel of No. 2nd Battalion Princess Patricia's Canadian Light Infantry and any other Canadian troops assigned to Korea should be addressed:

Number, rank, name, Name of unit, CAPO 5002, c/o Postmaster, VANCOUVER, B.C. Letters and parcels for Canadian soldiers employed with the Canadian Military Mission (Far East) should be addressed: Number, rank, name, Name of unit, CAPO 5001, VANCOUVER, B.C.

Amateur Show For 'Xmas Fund

TERRACE.—The Kinsmen's Amateur Show, in aid of the Johnson Memorial Community Christmas Tree Fund, drew a large crowd to the Terrace Theatre on Thursday evening last when the amateur entertainment was thoroughly enjoyed. Interspersed with original items of amusement, brain children of the local Kinsmen, the entertainers showed varying degrees of talent in their performances. Three prizes were awarded. First prize went to Lorna Melvin for her outstanding pianoforte solo. The decision of the judges was a tie for second prize between the selections of the Boys' Orchestra and the singing of cowboy songs by Dwayne Berger to his own guitar accompaniment. The audience, however, decided by their applause that Dwayne Berger was the most pleasing. Third prize went to Gerald Toop for his electric guitar playing. Honorable mention was given Bobby Melvin for his boogie woogie pianoforte solo. The judges were chosen from the audience and were Mrs. C. J. Norrington, Mrs. H. Lynum and T. A. V. Tremblay. Decisions were given according to merit.

A barber shop skit in which Joe Schultze gave lessons in barbering to students Bill Osborne, Oliver Baxter, Frank Rainsford caused a lot of merriment. A grim selection of tools, included a saw, meat cleaver and tin snips to cut off the beard of Robin Edwards, the model, who left the stage minus a considerable quantity of his beard. The Terrace "Hotshots" were, George Grant, George West, Joe Schultze, and, although their sound effects were really good, their music was somewhat off key. Other items included: Guitar and cowboy songs, Don Gillanders; Local duet, Theresa and Helen Benoit; tap dancing, Margaret Groom; vocal duet, Mrs. Grant and Oliver Baxter; piano accordion, Bob Baxter, and monologue by Lloyd McLeod to a little girl, Beth Baxter.

Egel Sargent and Darrall Collins were the masters of ceremonies. Kin president, W. C. Osborne welcomed the audience and thanked them for their attendance to swell the funds for benefit of the youngsters at Christmas time.

Committees were appointed, or elected, as follows: Hall—Mark Hill, N. E. Johnson and Godfrey Madsen. Refreshments—Don Arney, G. Madsen and Gerry Clonni. Entertainment—Chas. P. Balagno, chairman. Accommodation and reception of visiting officials—H. R. Heigerson, chairman. These committees have power to add to their numbers. The nominating committee is composed of Garnett Hull, Bert Morgan and Eddie Clapp, all former members of the Order.

There will be visiting Elks from Smithers and Burns Lake Lodges at the institution including Verne N. Taylor of Burns Lake, district grand exalted ruler of District No. 7.

To Institute Elks' Lodge

At a well attended meeting of applicants for membership in the new Prince Rupert Lodge No. 342 of the Order of Elks, held in the common lounge of the Civic Centre Sunday afternoon, it was decided to hold the official institution on Sunday evening next. This meeting will be held in the Oddfellows' hall. J. P. Miquelon, the Grand Lodge organizer, announced that upwards of 50 citizens of the city had already filed applications for membership in the new lodge and it was predicted by the assembly that this number would be doubled by the coming Saturday when the charter list must be closed.

Committees were appointed, or elected, as follows:

Hall—Mark Hill, N. E. Johnson and Godfrey Madsen.

Refreshments—Don Arney, G. Madsen and Gerry Clonni.

Entertainment—Chas. P. Balagno, chairman.

Accommodation and reception of visiting officials—H. R. Heigerson, chairman.

These committees have power to add to their numbers. The nominating committee is composed of Garnett Hull, Bert Morgan and Eddie Clapp, all former members of the Order.

There will be visiting Elks from Smithers and Burns Lake Lodges at the institution including Verne N. Taylor of Burns Lake, district grand exalted ruler of District No. 7.

BECAUSE OF WATER CRISIS—

Terrace Hospital Closed Except For Emergencies

TERRACE.—Because of lack of water supply, Terrace Red Cross Hospital is closed except for emergencies. The local executive of the Canadian Red Cross met in the nurses' lounge on Friday evening to set the date of the annual meeting for Friday, January 19, and was asked by Miss Stewart, assistant supervisor of nurses of Outpost Hospitals, to go around the hospital with her to look into the state of the water supply which has been very poor. On the patients' side there was no water and hardly a cupful was taken from other taps. Miss Stewart said she had instructions from Vancouver to close the hospital, except for emergency cases, until the water situation becomes good.

AMSTERDAM LINK

The first non-stop flight between Montreal and Amsterdam, 3418 miles, was made by a Royal Dutch Airlines plane. The commissioners were asked to inspect the water supply and this was done by village chairman Emil Haugland and village clerk Arthur Harman. Mr. Haugland stated that he felt that the shortage of water in the hospital and on that hill was caused by the running of the taps all night on the lower levels to prevent freezing. Notices would be placed in town to the effect that the hospital is being closed except for emergencies during the crisis.

Catholic Funeral For Terrace Woman

TERRACE.—High requiem mass for the late Mrs. Mamie McKinnon was celebrated by Father Leray at the Church of the Sacred Heart in Terrace on Saturday morning with interment following at the Kalum Cemetery conducted by Father Racette. Pallbearers were Ted Johnston, Henry Cote, Henry Desjardins, John Normandeau, Frank Morris and Ralph Cory.

"WEAK" BACK?

Many say they get "cold" in the back—or the kidneys—so easily! That's why thousands keep Dr. Chase's Kidney-Liver Pills always on hand. For this reliable remedy is like two treatments in one—works faster to relieve painful backaches due to faulty kidneys. Dr. Chase's Kidney-Liver Pills—a name you can depend on.

DR. CHASE'S KIDNEY-LIVER PILLS

New "RPM" developed by Atomic Energy

DOUBLES THE LIFE OF AUTO ENGINES!

...in the toughest test a motor gets!

New Atomic tool! By equipping test engines with piston rings treated at the Atomic Energy Commission's Oak Ridge Plant, our scientists for the first time measured wear as it happened... found out with Geiger counters exactly why motor oils failed. A New "RPM" was developed!

Cold operation tests, under rigid controls, were used to simulate stop-and-go driving conditions... the toughest kind a motor meets. New "RPM" was compared with the best of conventional motor oils. Results were amazing!

New RPM Motor Oil was shown to double the life of average automobile engines between major overhauls due to lubrication. Laboratory tests proved it. Severe road tests backed it up.

Finest engine insurance you can buy

No motor oil gives you better protection than New "RPM." Compared with conventional motor oils,* it doubles the life of average engines between major overhauls due to lubrication. It cuts in half the wear-rate of such critical engine parts as piston rings and cylinder walls. It doubles protection against gummy carbon, acid, corrosion, rust and varnish... maintains the low-oil-consumption life of the average engine twice as long. Sold with a money-back guarantee of satisfaction.

Union steamer Camosun, Capt. John Boden still in command, although he had expected to be off on a three months' vacation, arrived in port at 2 o'clock yesterday afternoon from Vancouver and waypoints with a far-sized list of passengers and good freight cargo, sailing at 11 p.m. for Alice Arm and Stewart whence she will return here tomorrow morning to sail at noon for Vancouver. At 6:30 last evening, another Union Steamship Co. liner, the Coquitlam, Capt. Harry McLean, returned to port from the Queen Charlotte Islands and sailed at 8 p.m. for Vancouver. The Coquitlam took some forty passengers south from here.

Capt. J. W. Kerr, supervisor of nautical services, Ottawa, and chief radiotelegraph inspector W. Katon, visited the Queen Charlotte Islands at the week-end, returning here yesterday and transferring to the Camosun last night to make the round trip to Alice Arm and Stewart and thence to Vancouver tomorrow.

B. C. Steamship freighter, Alaska Prince, Capt. Tom Garrick, arrived in port Sunday from Vancouver. She is unloading 300 cases of powder for the Silver Mine in the interior and general freight at Watson Island and Port Edward before going south.

The British Columbia salmon pack, to last week, totalled up to more than 1,482,560 cases. To date, the herring catch is in excess of 52,900 tons, most of which has been shipped to mainland reduction plants.

Hooking Up New Plant

Within a matter of a very short time (General Manager Thomas B. Black of the Northern B.C. Power Co. would not commit himself to the Daily News as to whether it would be ten days or two weeks) new power will be going into the city lines from the first of three 800 kilowatt diesel generating units being installed at the dry dock power house. For a couple of hours early Sunday morning and during tying in the line from the dry dock to the Cow Bay sub-station, there was a shutting off power in most of the city.

With the first machine now installed, parts for the second are being awaited as well as the third machine itself. The units are coming from the Old Country.

By the end of the year, it is hoped the whole installation will have been completed. Although again Mr. Black would not commit himself as to definite dates.

Mr. Black, asked by the Daily News yesterday, admitted that, if present cold dry weather continues, a dropping of water levels behind the Falls River and Shawatlans Lake hydro-electric plants might be anticipated but there was no falling of levels as late.

First Masset White Child

Mrs. Emily Macdonald, Mother of Local Doctor, Was Identified With Very Early Days

First white child to be born on the Queen Charlotte Islands and one of the rapidly diminishing number of links with the early Christian missionizing days of the north coast of British Columbia, Mrs. Emily C. Macdonald died suddenly in Nanaimo General Hospital after a brief illness.

Mrs. Macdonald was the daughter of the late Archdeacon W. H. Collison, noted early missionary of the diocese of Caledonia; the widow of the late Dr. D. J. Macdonald, for thirty years missionary doctor at the native village of Kincolith on the Naas River, and mother of Dr. John A. Macdonald.

Dr. Macdonald left by plane today for Qualicum Beach, Vancouver Island, where his mother had resided on her farm home for several years since leaving the north and where the funeral will take place.

Mrs. Macdonald was born 72 years ago at Masset where her father was the first missionary of the Anglican Church. The epic account of his adventures in carrying the Gospel to the aborigines was told in his famous book "In the Wake of the War Canoe" which, now out of print, is a literary treasure.

With no educational facilities in the north coast area at that time she, like her brothers and sisters, was sent to England to be educated. Returning to this part of the coast in her late teens as a missionary teacher, she was at first stationed at Kincolith and then, with her brother, the late W. E. Collison, by this time a missionary, went to Masset. Later she was a member of the staff of the old Ridley Home for girls at Metlakatla. She had also taught at the upper Naas villages of Greenville and Aiyansh.

A talented pianist and organist, Mrs. Macdonald, during the teaching days of her young womanhood, played a leading part in the development of the culture of music among the natives.

In 1909, deceased was married at Kincolith to the late Dr. D. J. Macdonald and lived there until 1939 when the doctor retired and they went to Qualicum to make their home. In 1946 Dr. Macdonald passed away at Qualicum.

The children of Mrs. Macdonald, besides the son at Prince

Rupert, Dr. John A. Macdonald, are Hugh Macdonald of Qualicum, Mrs. Jack (Jean) Macmillan, Qualicum; Colin H. Macdonald, mining engineer at the Duthie mine, Smithers, and Dr. Arthur G. Macdonald of Qualicum.

Brothers of Mrs. Macdonald are Herbert Collison of Mill Bay, Vancouver Island, who was with the Royal Canadian Navy during World War II; Arthur Collison of Victoria and Max Collison of Smithers. Sisters are Miss Alice Collison of Qualicum Beach and Mrs. Alfred (Elsie) Etinett of Seattle.

Arriving at Prince Rupert from the south on the Princess Louise this morning were Miss J. Matsuba, F. F. Alberti, A. L. Clark, E. Olson, R. T. Hayashi, W. P. Clark, Mrs. J. E. Hooker, E. V. Gray, L. L. Churchfield, O. J. Evans.

Films For December

A variety of themes, with accent on holiday character, features the list of December moving picture offerings at the Capitol Theatre as announced by Manager J. Harry Black.

Here is the list:

December 4 and 5—"The Crisis," Cary Grant and Jose Ferrer.

December 29 and 30—"Ma and Pa Kettle Go to Town," Marjorie Main and Percy Kilbride.

December 31—"One More, My Darling," Robert Montgomery

Labor President To Visit Wales

Harry Harrison, president of the Prince Rupert Trades and Labor Council and the Prince Rupert Union of Operating Engineers, and Mrs. Harrison are leaving on Wednesday evening's train for a six months' trip to Wales centering on Mr. Harrison's native home at Chepstow in South Wales. They will proceed from here to Montreal and thence to New York where they will embark on the Queen Mary.

In a message to the Prince Rupert Labor Council before leaving, Mr. Harrison said that, "no matter where I go, there will always be work to do in the labor movement and I hope to be able to write to the Council on labor conditions in England and Wales, how the wages and conditions are, the labor laws and other such matters."

and Ann Blyth, and "Riders of the Whistling Pine," Gene Autry and Patricia White.

January 1, 2 and 3—"To Please a Lady," Clarke Gable and Barbara Stanwyck.

January 4 and 5—"The Whistling Pine," Gene Autry and Patricia White.

January 6 and 7—"To Please a Lady," Clarke Gable and Barbara Stanwyck.

January 8 and 9—"Kiss Tomorrow Goodbye," James Cagney and Barbara Payton.

January 10 and 11—"Dakota Lil'," George Montgomery and Rod Cameron.

January 12 and 13—"Lust for Gold," Ida Lupino and Glen Ford.

January 14 and 15—"Summer Stock," Judy Garland and Gene Kelly.

January 16 (midnight matinee), "Ma and Pa Kettle Go to Town," Marjorie Main and Percy Kilbride.

January 18 and 19—"Wagonmaster," Ben Johnson and Joanne Dru.

January 20 and 21—"Ma and Pa Kettle Go to Town," Marjorie Main and Percy Kilbride.

January 22—"One More, My Darling," Robert Montgomery
