

McRae Is Choice Coalition Candidate

Unanimously Accepted As Candidate After Narrow Win Over Weldon McAfee On First Ballot

William McRae, prominent 33-year-old local man and wartime naval officer, was nominated as coalition candidate for Prince Rupert provincial election at a joint Liberal and Progressive-Conservative convention in Prince Rupert Tuesday night.

McRae was given 44 votes to McAfee's 11. The Conservative Party's first ballot was won by McAfee, but the issue, Mr. McRae's nomination, was decided in the second ballot.

Mr. McRae, on a flip of a coin by the chair, made the first address. The meeting was unique in the political history of Prince Rupert. The important thing was that Liberals and Conservatives were meeting together in the interests of good government.

Mr. McAfee, as an employer himself, declared that he was in full sympathy with the aspirations of labor which had gained tremendous economic power and rightly so.

One of the actuating factors in deciding to run, said Mr. McAfee, had been his faith in the coalition which had given the best type of government and (Continued on Page 2)

Reminiscences and Reflections

It's just as well to remind self-conscious young men wearing alleged beards to have photos taken some time within the next few days. They will be worth looking at on the silver wedding anniversary, as well as giving one the right to join in the general laugh.

Amen and more power to the Chamber of Commerce in whatever is done to improve radio. There is nothing new about this aggravating grievance. Listeners have had and still have their ups and downs—chiefly the latter. At first—and this was years and years ago—patience set a shining example which got nowhere. Resentment followed. Then came promises, examinations, inspections. Even some of the top brass, with solemn assurances, journeyed this way. Radio may have picked up a bit here and there but there is still ample room for good, stiff kicks—anything less will be feeble and ineffective.

No question now about the hobby show becoming a looked-for annual event. The library would be missed and so would the museum. It's all in getting accustomed to that which is "new and different"—a departure, from tiresome, humdrum routine. Conversational topics can and do drag. There's a deadly sameness to the weather, fish, highway, politics, high cost of living, another strike, pet peeves and what he said and she said. Go ahead and scream! Art is endless and it's on that the hobby show is so largely based.

Had Winston Churchill been in town for the hobby show the display of paintings and photography would have commanded his quick attention. For despite crushing cares and enormous responsibilities, he has been an artist all his life. To this day he delights in transferring scenery to his canvas. And what an opportunity British Columbia provides.

Yes, notions and customs keep on changing in the Canadian West. It's not so long ago the Blackfoot Indians would sit down and smoke a pipe of peace. And now plans are under way to lay a pipe from Calgary to British Columbia. It will carry natural gas, extend 940 miles and cost \$100,000,000. Different times.

It seems to be a question of remaining a star hockey player for a few years; or being obliged to "watch your knee" for the rest of one's life. Early in the season this year, Leger and Bouchard of the Canadiens suffered injuries. They managed to

which had a forward-looking plan of legislation. Here in Prince Rupert," he asserted, "we stand on the threshold of great economic progress but, if we throw over private enterprise in favor of socialist experimentation, we shall lose every advantage we possess at the present time.

In running, Mr. McAfee gave assurances that he had no thought of personal advantage. His only pledge was that he would work towards the best interests of the people of the community. And, no matter what the decision, he would hold no bitterness but would continue his efforts to promote the coalition cause.

MR. McRAE HEARD
Mr. McRae was proud to represent the "greatest party" in national affairs and within the structure of the provincial coalition. He felt that "the C.C.F. is still a danger" politically and submitted figures to support an argument that a Liberal coalition in Prince Rupert had a much greater percentage chance to win this traditionally Liberal

ute to Hon. E. T. Kenney, a leading member of the coalition government and—a prominent Liberal, for his successful work in attracting big industry to Prince Rupert. "It is our duty," he suggested, "to elect a member such as Jack McRae as a lieutenant for Mr. Kenney.

B. J. Bacon said that he had known Weldon McAfee longer than he had known Jack McRae and he had the utmost respect for him but he respected Liberal rather than Conservative principles.

William Beynon felt that the natives were anxious to extend a hand of gratitude to the government which had given them the vote but the Indians only saw Liberals and C.C.F.'ers. There should be care in seeing that a candidate of the party best known to the Indians should be nominated.

The discussion being ended, the ballot was proceeded with. Scrutineers were G. C. Mitchell, E. R. Gordon, H. M. Daggett and James Bremner.

VIGOROUS ACCEPTANCE
On his election being announced amid enthusiastic applause, Mr. McRae made a vigorous acceptance, admitting the "tremendous responsibility" he

HARRY THRUPP AT SHAUGHNESSY

Word has been received by the Canadian Legion that Harry Thrupp, for many years in the employ of the Canadian National Railways, latterly as chief clerk to the district freight agent at Prince Rupert, is now a patient in Shaughnessy Hospital, Vancouver, where he has been an inmate for the past six weeks. Mr. Thrupp, who was transferred to Edmonton in 1944 in the service of the Canadian National Railways, had a severe illness two years ago and is now retired from that company and has been living in South Burnaby. He has expressed a desire to see any old Prince Rupert friends who may be visiting Vancouver.

HOW CAN I ???

By ANNE ASHLEY
Q. How can I remove food that is stuck to agateware?
A. Do not scrape agateware, as it is easily chipped. Soak the vessel, and then boil with water and soap powder until the food is loosened and can be wiped off.
Q. How can I remove grease spots from the floor?
A. Wet the grease spots with ammonia, then scrub with hot water and soap.
Q. How can I apply cake frosting to a layer cake while still warm?
A. Cake frosting should not be applied until the cake is thoroughly cooled.

Modern Etiquette

By ROBERTA LEE
Q. Is it necessary for a bride-to-be to write notes of thanks when a shower is given in her honor and she has already thanked each one who presents her with a gift?
A. No. The verbal thanks she gives at the shower are sufficient. Genuine appreciation must be shown, and the girl must be very tactful in showing no partiality to any certain gifts, paying less attention to others.
Q. Is the prefix "Mr." ever omitted from a man's card?
A. The prefix "Mr." is omitted from his business card, but never from the card which he uses socially.
Q. May one drink soup when it is served in a bouillon cup?
A. Yes; by holding the cup by one handle.

CIVIC WORKERS SIGN AGREEMENT

A 1949 wage agreement between the city and the Civic Employees' Union has been signed, giving inside and outside workers a general 10 percent increase over the 1948 levels. Signing of the agreement leaves only one group of employees still to sign a pact with the city—the Electrical Workers who are still negotiating with the civic wage committee. Council hopes to have the last agreement signed in the near future so that estimates for the year can be handed down.

FINAL PLANS FOR FESTIVAL

The executive of the Prince Rupert Music and Drama Festival Association last night decided to ask the principals of city schools to permit out-of-town students who are participating in the festival to attend classes during their free time. Members of the executive felt that such an arrangement would be of special value and interest to high school students.

At last night's meeting, which is expected to be the last before the festival, final reports were heard from the various committees. President Richard Cleland reported that chairmen for the seven programs will consist of Mrs. E. F. Anfield, Richard Cleland, Peter Lien, Mrs. Earl Becker, Mrs. T. Fraser, Mrs. A. Mackenzie and Martin Stuart.

Mrs. Harry Black announced that arrangements for billeting is progressing favorably and expressed the opinion that, even if Ketchikan sent 50 participants, the billeting committee would find room for them.

Armie Boas reported that 500 participant tickets were being printed and these along with the regular admission tickets and programs are expected to be in the hands of the committee before the end of the week.

DEPARTMENT OF NATIONAL DEFENCE

AN OPEN LETTER TO ALL EMPLOYERS About NATIONAL DEFENCE

Dear Sir:
You are undoubtedly aware of the importance of national defence today. Essential to the development of that defence are the men of the RESERVE UNITS. The service and wartime experience of the veteran and the alert intelligence of the younger element are vital to the development of plans for national security.

All three services have been actively appealing for men and the response has been good. However, many men who wish to join are in doubt on an important point which only you, as their employer, can answer.

They would be giving part of their time to Canada. Would you on your side release them for the required annual training period? This training is an essential part of their voluntary service. You can help them to serve Canada by granting them additional leave with or without pay.

The decision is yours. Your help is needed in building a sound defence organization to help insure the peace of Canada.

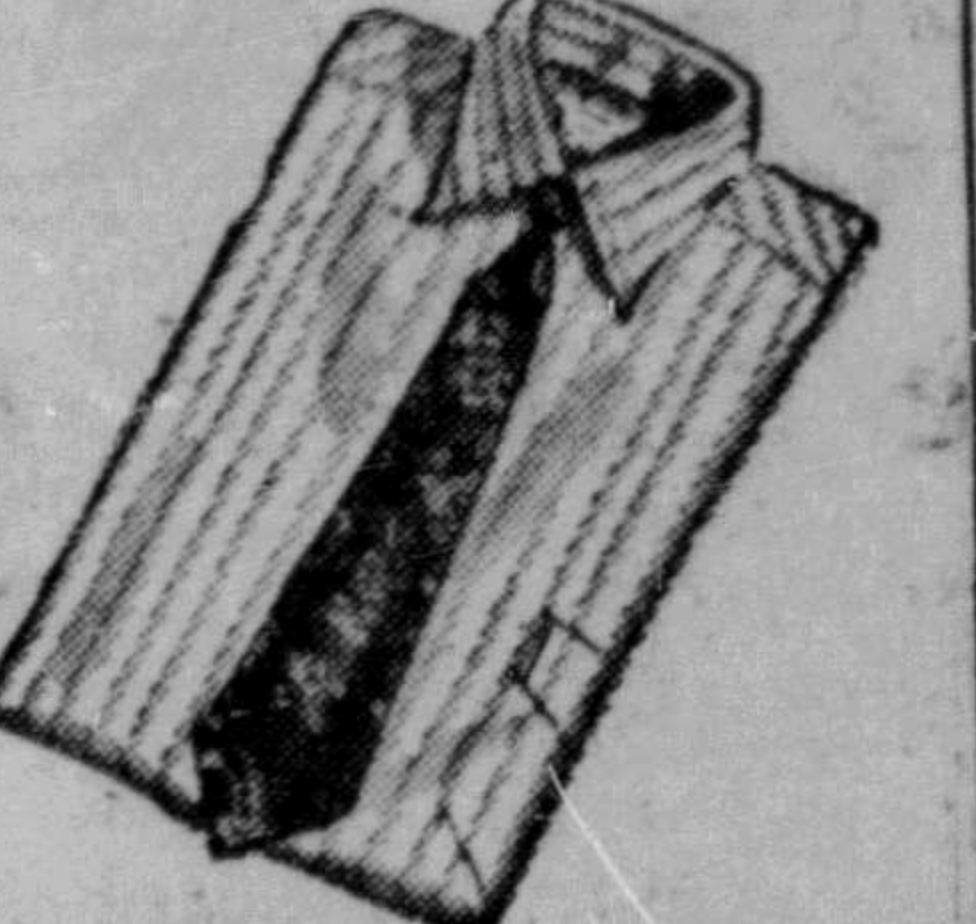

Sincerely,
Brook Hunter
Minister of National Defence

LEATHER BRANDING — President Harry S. Truman autographs the first baseball of American League season at Washington, D.C. The one he tossed out with a left-handed pitch that was recovered by Senators' First Baseman Eddie Robinson. That's Robinson looking over the president's shoulder. The weather was fine and some 31,000 turned out for the Washington-Philadelphia Athletics opener. The Senators took the game by a score of 3-2, scoring the winner in the ninth inning to make the president's prediction come true—that Washington would win by one run.

HIGH PRICED FOOTBALL HELP

EDMONTON — The executive of Edmonton's western football conference last night announced the names of some high-priced help from the United States who will line up with the club this fall.

Besides Earl Eisey, Los Angeles fullback, who was signed up earlier, Edmonton will have Chuck Finnebach, triple-threat quarter of the Chicago Rockets, 190 pounds; Pat West, 220, fullback, formerly of the New York Giants; Tommy Fears, of Los Angeles Dons, end, 235, voted one of the most promising rookies of last year.

Another Dons' alumnus, Bill Radovich, of the Detroit Tigers last year, tips 295 pounds for guard.

BALL TROPHIES ARE PRESENTED

FRANCOIS LAKE — On Saturday evening the Francois Lake ball club sponsored a delightful dance in the Hall and by midnight the hall was crowded with dancers. After supper Ted Rowland spoke for the baseball league and presented the Francois Lake ball club with the cup won in 1948. Claude Lord, who was manager of the team, accepted the cup on behalf of the team. Then Bud Lord was called to the platform and presented with a silver cup as he was voted the most popular player in the team last year. A trophy won by Ken Routledge for the highest batting average was accepted by his brother.

CLOSE PLAY IN BILLIARDS

Three more matches in the "foursome" handicap English billiards tournament have been played at the Canadian Legion Hall between the "Old Vets" and the "New Vets" and each side has one more match to play before it is known who will take part in the semi-finals. All matches were very closely contested and in the two between the "Old Vets" it was anybody's game up to the last shot.

W. Strachan and Rod Smith (Wm. Barton substituting), playing scratch, defeated Neil Cameron (15 or no count) and J. A. Teng (plus 10) in an exciting finish by 150 to 147.

Wilfred Goddard and George Dawes, playing scratch, defeated W. Strachan and Rod Smith with a similar handicap by a score of 150 to 143 in a match in which both sides overtook one another several times during the encounter.

S. Roberts and A. Hollbrook, playing scratch, defeated P. Comadina and W. H. Fudger (plus 20) by 150 to 134. A break of 22 by Comadina was the best effort for the losers, while Roberts made two breaks of over 20 points.

To Speed European Economic Recovery

This gleaming, electric powered train has been added to the war-damaged transportation system of the Netherlands as the result of a loan from the International Bank for Reconstruction and Development, a Specialized Agency of the United Nations. The Bank has been concentrating its loans on long-term projects, which will contribute to over-all economic development.

APRIL BUILDING TOTAL \$15,000

Value of building construction authorized by the city engineer's office in April was \$15,000, about \$2,500 less than in March, but more than twice as much as in April, 1948. Total value of permits issued so far this year is \$49,423 as compared with \$67,355 for the corresponding period of last year.

Of the 16 permits issued last month, two were for relatively large projects, one being for \$7,200 for installation of oil tanks for Standard Oil Co. and the other for construction of a coal shed for Albert and McCaffery Ltd. for \$4,000. A \$2,000 permit was issued to Oscar Hanson for repairs and alterations to his Fraser Street property. Balance of the permits were for less than \$1,000.

Add Something New— Those who get the most fun and satisfaction always plan to add something new each season. In this way they become familiar with the steady improvement plant breeders and experimenters are making, and they also make valuable discoveries for themselves. It should be remembered that the work of plant improvement has never stopped. Old favorites among the flowers and vegetables have been wonderfully improved in color or quality and what is of great importance to Canada, there are far harder sorts today than were in existence a few years ago. As a result of this new hardness it is now possible to grow such tender things as garden corn, melons, tomatoes, cucumbers, etc., in areas where the old strains would not have had a chance. And the same applies to many formerly tender flowers.

New Discoveries— Then there are brand-new discoveries, too, at least brand-new to the average gardener. A great many people have never tried things like borecole, Brussel's sprouts, Chinese cabbage, endive, watermelon, or even Swiss Chard, peppers or eggplants. Few have ever tried to grow any of the herbs like dill or sage, or things like garlic, horse-radish or leeks. Practically all of these are hardy and easily produced. By selecting new hardy varieties or in some cases getting started plants or forcing along under paper caps and with a little quick-acting fertilizer, these things can be grown safely in a great many parts of Canada. And the list of new or improved flowers is almost endless, as any good seed catalogue will reveal. It is not advisable to plant the whole garden with new things or novelties, but certainly the systematic introduction of two or three each year will provide new interest and very often the discovery of a valuable and permanent addition.

For a Big Show, Most of us have envied those long brilliant shows of petunias or other flowers flanking some farm lane or country estate. "It must take a lot of time and money to look after them," we say. Actually, however, it doesn't. Of course a long bed of perennial flowers is a different proposition. Here there must be a good deal of tedious weeding and other attention. But if we have fair length of lane or driveway, or even some extended frontage along the street, it is possible to have a long bed of one or two brilliant annuals without much trouble.

The first thing is to get the bed cultivated thoroughly and because it is usually straight and long we can do that with a tractor or horse. Then by setting out the annuals fairly well apart we can do much of the later cultivation also by power.

DO YOU KNOW about TRAVEL RATION REGULATIONS?

It saves time and trouble when you familiarize yourself with the regulations regarding travel to the United States before you set out on your trip. Here are the facts:

1. The allowance for pleasure travel during the current ration period of November 16th, 1948, to November 15th, 1949, is \$150 U.S. per person (\$100 in the case of children under 11 years old).
2. A Form H permit, obtainable at any bank, is required to take out of Canada amounts exceeding \$10 U.S. or \$25 U.S. and Canadian funds.
3. Special allowances are granted for strictly business travel where your application is certified by your employer.
4. Applications for larger amounts of U.S. funds for travel for health or educational purposes may be made on special forms obtainable at your bank.

By sticking to one or two suitable flowers, things that bloom early and continuously, and avoiding fancy clumps, the necessary cultivation is simplified and much hand weeding avoided. Once the flowers get well started they will usually have little difficulty in crowding out any weeds.

MARGARINE HERE TODAY

Margarine went on sale in city food stores this afternoon for the first time since its legalization by federal and provincial governments earlier this year. Shipments totalling more than 200 cases arrived on the Prince Rupert from Vancouver and distribution to shops in the city began shortly after being landed.

The margarine is of Vancouver manufacture and it was expected this morning that it would be selling at 42 cents a pound locally.

TERRACE GIRL GUIDES' TEA

TERRACE—Saturday afternoon was fine and sunny for the Girl Guide tea held in the Orange Hall. Patrons had to wait for seating accommodation at the decorated tea tables and were served by the patrol leaders and seconders in uniform. The pourers' table was covered with a crocheted table

cloth over one of peach silk and peach candle in crystal candleholders flanked by a bowl of daffodils with pink and white streamers and hand-made flowers. On the wall was displayed the First Terrace Company's colors of blue and gold, a flag donated by Mrs. C. J. Norrington and which is to be dedicated at a ceremony, date of which will be announced later.

Pourers were Mrs. Head and Mrs. J. Tulseth. Serviteurs were Joan Gillanders, Bertha Amdam, Marjorie Thomas, Lenora Loveless, Selma Farkvan, Sharon McIroy, Henrietta de Kergommeaux, Alanna Cushing, Maureen Kennedy, Shirley Reynolds, Claudia King, Mrs. McGilvery was in charge of the tea tables. In the kitchen were Mrs. Haaland, in charge, Mrs. West, Mrs. Kennedy, Mrs. Clifford, Mrs. D. Kerr.

Cookie Stall—Mrs. McIroy and Mrs. Giraud.
Candy Stall—Mrs. Gavan and Mrs. Michiel with Carol Jones, Dorothy McCabe, Ivy Gillespie, Annette Normandeau.

Money raised is in aid of the Girl Guide camp fund.

SYMPHONY AT TERRACE

Many Enjoy Delightful Musical Treat

TERRACE—The Terrace Theatre was filled on Sunday evening to hear the Symphony Concert presented by the Civic Centre's Symphony Orchestra. It was an entertainment long awaited by local music lovers and Terrace feels justifiably proud that, after several drawbacks, an orchestra has been formed which can faithfully interpret the music of the great composers. Though their scope is naturally limited, it is a beginning and, with the addition of more instrumentalists, there should be more such concerts during the coming months. This was announced by the orchestra's conductor, F. Gavin, whose home has been used for practices during the cold winter months.

The vocal and saxophone solos of Mrs. Seaton were greatly enjoyed and displayed the versatility of an artist who lends distinction to the orchestra. "Ave Maria," played on the cello by Van Stolk, drew great applause, as did the pianoforte solo of Constable Brue.

Those taking part were:
Piano—Miss E. Head.
First Violins—G. Grant, Mrs. D. Little and Aaron Haaland.
Second Violins—Mrs. P. Hobbenschield, G. Atkinson.
Cello—P. Van Stolk.
Saxophones—Mrs. H. Seaton, Constable T. Brue.
Drums—F. Gavin.
Announcer was George McAdams, who thanked all those who had helped to make the evening's concert the success that it was.

Charles Adam was thanked for the use of the theatre and Mrs. Little thanked Mr. and Mrs. Gavin for the use of their home and the refreshments at the practices.

At the door were B. R. Dodds, J. Stevenson, with Scouts Roy Clifford and Francis Gavin.

STEWART NEWS

Latest from Portland Canal Mining Centre

Under the capable direction of Constable G. S. Nelson of the Provincial Police, the Canadian Legion Rifle Club has just completed another successful season. Constable Nelson instructed the young people of this district in the care and use of firearms and the success of this project is largely due to his efforts.

The Stewart Parent Teachers' Association is busy raising funds for the boys and girls camps which will be held again this year. The youngsters are already preparing and looking forward to the camps which will be held during the school holidays.

Over twelve hundred voters have been registered so far, in the Atlin Electoral District. This includes over three hundred and fifty native voters who recently received the franchise.

Gordon MacKay, a native of Greenville on the Naas River, who was a delegate to the Coalition Party Nominating Convention, was very well pleased with the reception accorded him by the people of Stewart. He carried with him two prizes which he won at the Canadian Legion Rifle Club Shoot.

STEWART MOOSE ELECT-OFFICERS

STEWART—Officers of the Portland Canal Moose Lodge were installed on Thursday in the Moose hall here.

Governor, Hugh Rozare of Hyder, Alaska.

Junior Governor, John Haathi, Past Governor, J. P. Garlick, Prelate, A. Lawrence, Treasurer, W. L. Newell, Secretary, J. Wolstenholme, Sgt.-at-Arms, A. Aronson, Inner Guard, W. J. Wakefield, Outer Guard, A. Bugnello, Trustee, A. Phillips.

Installing Governor was Past Governor A. Phillips, assisted by installing Sgt.-at-Arms W. S. Orr.

After the installation, the Women of the Moose joined the men at whist. Winners were Mrs. J. McKay, ladies first; and Mrs. Betty Stewart, ladies second. Mike Zulich won the men's first prize with W. J. Wakefield taking the second prize. A splendid supper was served to complete a very interesting evening.

James McCutcheon, a member of the engineering staff of the Silbak Premier Mine, has been in town during the past week looking over the property. He reports that things are in good shape at the mine but has nothing to say as to the possibility of the reopening of the mine. He was in charge of the recent operation of the Silbak Company, at the Danzig Mine near Nootka on Vancouver Island.

STEWART TENNIS IS ORGANIZED

STEWART—The Stewart Tennis Club held its annual meeting at the home of Mrs. F. H. Lewis on Sunday. Mrs. Lewis was re-elected president; Don Norton, vice president, and Miss Jeannette Crawford, secretary-treasurer. An active start has been made to put the two courts in shape as soon as possible and the members are looking forward to a very successful season.
