## Railway Strike

**A** GENERAL STRIKE on Canadian railroads would be a disastrous thing for the business of the country. Here in British Columbia when the floods came recently we felt what it was like to be without railway service for a few weeks. It affected and inconvenienced everybody in some way or another. There is good reason for us to sincerely hope that the threatened general walk-out will not come to pass.

Both the railway companies and the unions have a responsibility to the public as well as to their own interests. The railways should do the whole reasonable limit in seeing that their employees are given the best remuneration possible in view of the iniquitous increased costs of living. It is for the unions also to be reasonable and see that their demands are the minimum possible for it is generally conceded that the railways are having their financial problems.

Every reasonable concession should be made by both sides. If that is done there should be some common ground reached which would obviate the extreme consequence in which everybody would suffer and the public most of all.

## ANOTHER 'AURORA'

**"A**URORA," annual publication of Booth Memorial High School, has made its appearance and Editor-in-Chief Harold Pierce and his staff are to be congratulated on a splendid production with several new and interesting features including a distinctive and enlarged format for the thirty-six pages. School activities are reviewed in word and picture and every pupil of the school has been marked in a personal way.

To the many fine "Auroras" that have gone before, another excellent one has been added. A good job of printing was done by Dibb Printing Co. which had also, no doubt, to do some considerable organizing and advising.

## A WEAK YOUNG MAN

**A** YOUNG TORONTO MAN has gone to the gallows hanged for murder but "happy, content and not afraid to die," thereby exhibiting a state of complacency which some might find it difficult to understand. He blamed a woman by whose great influence he said he had been "led on." There is something cowardly about the whole business. The young man was able even, it seems, to assuage his own conscience by placing the blame upon the woman. He must have been a weak and characterless individual. If young men have not enough character and resistance to succumb to the wiles of women who would lead them on, there is going to be plenty more trouble and many more murders. Of all the excuses for homicide this is about the weakest we have heard.

## REAL TRAINING GROUND

**W**E NEED GOOD SCHOOLS and good teachers all through life but it is in the home where character and conduct must first be imparted—there where the twig must be bent, comments an Eastern daily.

With our propensity for education fads, with all our new techniques of social sciences, in our slogans about freedom and democracy, too many of us have forgotten this. We talk about making people free in order to make them good. We overlook the truth that people must first be made good in order to fit them to be free. In other words, the qualities of honesty, of truthfulness, of obedience, of reverence, must come first—and must be taught—in the home.

There is the cradle of man's future.

**BEAUTIFUL PRINCE RUPERT**—This striking picture, taken by Bruce Mills of the Civic Centre Camera Club, won first prize for scenery at a photographic competition held recently in connection with the annual Arts and Hobby Show here. It was taken at the entrance of the harbor near Fairview Bay. It shows the bay on which the marine station was formerly located. The steel masts of the Digby Island radiotelegraph station can be seen near the right.

## Better English

By D. C. WILLIAMS

1. What is wrong with this sentence? "Mr. Johnson's suggestion was followed by a dead silence."

2. What is the correct pronunciation of "gunwale" (upper edge of a boat's side)?

### ANSWERS

1. Say, "by complete silence."  
2. Pronounce gun-wel, the e unstressed. 3. Allegiance.

## FEES UPPED

Registration of Documents at Court House Now Costs More

Not even land registration fees at the Court House have escaped the whirl of inflation, an increase of \$3.75 having just been imposed even on the minimum land registration fee of \$4. There was a rush of customers at the local registry before the end of June to get in before the advance became effective. Mortgage release applications are increased from \$1 to \$2.50.

## Reminiscences and Reflections

A local man, asked what ever kept him for more than thirty years in Prince Rupert, said he had always enjoyed good health and never lacked regular as well as substantially paid employment. Two good reasons, he thought. Oh yes, there was something else. He had almost forgotten to mention he liked the north.

Miles of new reading matter keep telling us what when and how to do it, what precautions

## ON CYCLING TRIP TO ALASKA

Party of Six Americans Pass Through Here

A fortnight's bicycle tour in Alaska is the holiday in store for six Americans who made a 24-hour stop in Prince Rupert this week after four of them had made a 4,900 mile motor trip from Philadelphia, Pennsylvania.

The group, all members of the American Youth Hostel Association, sailed on the Prince Rupert Wednesday night for Ketchikan, where they will take an American vessel for Seward to start their cycle trip.

In the tradition of good "hostelers" throughout the world, they gave wide berth to hotels but did accept a hard bed on the stage of the Civic Centre, offered by Don Forward, who has made the hostel circuit himself in younger days.

Head of the party is Miss Audrey Raymond, a school teacher of Philadelphia. With her are K. D. Quiring, a civilian

physicist for the U. S. Navy, and Martha Rowland and Charles Sothill, students.

They were joined here by Ruth Hill and Rose Lang, the former a school teacher and the latter an office worker, both of Detroit, who arrived by train Tuesday night.

The Philadelphia quartette drove 4,900 miles from their home city in 11 days, leaving on June 18 and arriving here on June 29. After crossing the border at Sumas, they found themselves unable to proceed along the Fraser Canyon because of flood-damaged roads, so they turned east on the American side to Osoyoos, driving through Kamloops to Cache Creek.

"We found the B. C. roads in pretty good condition with the exception of the odd stretch where the surface was wash-boarded," Mr. Quiring said. "We enjoyed the drive."

Conflicting information at Terrace as to whether the road was open or not caused them to make a try for Prince Rupert anyway, Mr. Quiring said. When they arrived at Shames, they used the railroad bridge to cross the big washout. Work on the highway bridge had not been completed.

In Alaska, they plan to cycle from Seward to Fairbanks, then back to Valdez, a distance of several hundred miles. They expect to be back in Prince Rupert on July 19. Here they will pick up their car and drive back to their homes.

## TRAGEDY STORY

Survivor of Kootenay Lake Drowning Describes Circumstances

**SIRDAR** — At an inquiry into the boating tragedy near here on Sunday when two men and three boys lost their lives in Kootenay Lake, Edgar Hornseth, the 12-year-old survivor and son of Henry Hornseth, one of the victims, said he was thrown out of an outboard motorboat as it continued to spin and finally capsized.

Bodies of the victims have not yet been located.

Henry Hornseth lost a small daughter in the same waters last December. He is survived by a widow and two children.

Rowell was in Sirdar on a two weeks' vacation. He was waiting to obtain a house in Kimberley where he lost his home during the Mark Creek floods. He is also survived by a widow and two children.

## HOW SALMON FIND WAY HOME

Interesting Life History of Fish Discussed at Gyro Club

How a salmon senses its way back to the stream of its birth to spawn and die after spending its life cycle far out in ocean waters was explained to Gyros at luncheon Wednesday by Dr. J. P. Tully of the Nanaimo Biological Station who was the speaker at the weekly club luncheon on Wednesday. It was a highly interesting discourse that was given by the oceanographic scientist. Dr. Tully is engaged out of Prince Rupert this year in surveys from the oceanographical standpoint designed to obtain more information about the life history of the salmon. It is part of the program to determine what may be done to conserve the salmon of the Skeena River watershed. Dr. Tully's oceanic operations complement extensive research work as to salmon movements in the Skeena streams themselves which have been in progress for five years.

Dr. Tully disclosed the manner in which the water of the Skeena and Naas Rivers moved out to sea. For some distance relatively fresh water stayed on top, there being a much sharper salt content at the bottom. The layer of fresh water gradually became thinner until it finally completely diffused with the sea. Since Skeena River water had been found to run to a depth of 30 feet from the surface at sea and Naas water 18 feet it was now assumed that the salmon as he headed back from sea to his spawning home could sense his way there by means of his ear which was sensitive to pressure and his swim bladder which told him how deep he was.

This study of the fish movement at sea, Dr. Tully told his listeners, would, it was hoped, yield valuable information as to how far the fish went to sea what happened to them and how many were being lost. Some of

the fish were probably being taken in Alaska waters through which it had now been established both Skeena and Naas fish migrated since it had been determined that the waters of both these rivers turned north after reaching the sea.

Thanks of the club to Dr. Tully for his talk were suitably voiced by Past President George Rorie.

It takes more than kisses to keep a man happy! If you want your man always to be proud of you... if you want always to look your youngest, slimmest, and loveliest... you must watch your diet! And, in any diet to gain a lovely figure, you should eat certain special foods because of their vital "protective" qualities.

That is why Kellogg's All-Bran is included in scientific weight-control menus. All-Bran is made only from

the outer layers of the wheat. This is the vital part and certain other "protective" elements your body needs. Not only is All-Bran a food but it is a guarantee of regular natural regularity is a healthy diet, or no diet. Make up your mind to care of yourself. Start All-Bran today.

ARDEN NOTEBOOK

LIQUID PLANT FOOD BEST

ent food is applied to  
during the growing  
stimulate growth and  
yield of flowers or  
as much in favor of  
as a liquid rather  
years experiment  
tested this method  
to have many ad-  
is easier to spread  
uniformly over  
treated. Less plant  
required for the same  
In dry weather, es-  
mediate response by  
is favored, and there  
to the plant if ap-  
to the roots.  
Special preparations  
obtained for dissolving  
ordinary dry plant

food can be used. Following are  
directions for the amateur who  
wish to use dry plant food in  
solution:  
For side dressing growing  
crops, mix a cupful of plant food  
to a quart of water or a pound  
(pint) to a gallon. For row crops  
pour on a quart of the mixture  
to each three feet of row. For  
plants in hills pour a quart  
around large plants. Most an-  
nual flowering plants require  
only one feeding. Perennial  
plants should be side dressed in  
September.  
For shrubbery, use two cups  
of plant food in 12 quarts of  
water and wet the ground around  
each shrub with from two to  
four quarts. Then use the hose  
to soak the ground thoroughly.  
As a starter solution in trans-  
planting shrubs, use a cupful of  
plant food in 12 quarts of water  
and pour half a pailful around  
the roots as you fill in the soil.  
Whenever a plant seems lag-  
ging in growth, liquid plant food  
may help revive it. Even rig-  
orously growing plants will bene-  
fit by extra feeding. If you want  
fine flowers for exhibition, or  
extra size vegetables, an appli-  
cation of this type of fertilizer  
will get immediate results. It  
is the modern version of liquid  
manure, which the older garden  
books all recommend. Chemi-  
cal plant foods are much quicker  
in effect than the organics which  
the old time gardener used.

PROLIFIC RUINS

Ruins of the French city of  
Arles yielded a statue of Venus,  
a bust of Marcellus, and a head  
of Augustus, who visited the city  
in 43 B.C.

## KETCHIKAN, RUPERT SHARE HONORS AT DOMINION DAY TRACK TOURNNEY

A Ketchikan High  
School team won the  
highest number of points  
for junior events and a  
squad from the Savoy  
baseball team captured  
senior team honors at the Cana-  
dian Legion Athletic Committee's  
Dominion Day track tournament  
at Roosevelt Park yesterday.

The track sports, a revival of  
earlier celebrations in the city's  
history, were witnessed by a  
fair-sized crowd during the  
early afternoon. Teams from  
Booth Memorial High School  
and the Ketchikan Athletic  
Association, as well as a num-  
ber of individuals, also took  
part.

Ketchikan High School em-  
erged from the series of com-  
petitions with a total of 21 points,  
against 14 for Bo-Me-Hi, while  
in the senior classification,  
Savoy's chucked up 23 as against  
four for the Ketchikan seniors.

In recognition of their prowess,  
the Ketchikan students were  
awarded the Canadian Legion  
trophy, while Savoy's received the  
Corvette Club trophy at presen-  
tation ceremonies at the Domi-  
nion Day dance in the Civic  
Centre last night. The awards  
were made by Mayor Nora E.  
Arnold, who also distributed a  
number of trophies to winners  
of individual competitions.

The track meet brought home  
pointedly the amount of prom-  
ising athletic material, suffering  
from lack of consistent train-  
ing, which this city can develop.  
The awarding of trophies, which  
will come up for annual com-  
petition, may have the effect of  
reviving interest in this type of  
sport.

Outstanding sprinter of the  
day was Frank Symes, of Bo-  
Me-Hi, who did the 100-yard  
dash in 11 seconds flat,  
then went into the open 100  
yards in what appeared to be  
even better form. Unfortunately,  
however, his second race was  
not timed. Observers believed

that had a stop watch been  
used, his time for the second  
race would have whittled his  
earlier 11 seconds down some-  
what.

Jon Evans, of Hazelton, put  
up one of the finest shows of  
the day in the half-mile run.  
Unfortunately, too, his race  
was not timed, because it was  
doubtful if that distance has  
been run so quickly in this  
city before, certainly not in  
recent years.

The junior relay, was a real  
thriller. Competing were teams  
from Kay-Hi and Bo-Me-Hi.  
Kay-Hi won by a foot. Opening  
runners in this grueling race  
were Bob Williamson of Bo-Me-  
Hi and John Stenford of Kay-Hi.  
The second lap was run by Frank  
Symes of Bo-Me-Hi and Dick  
Anderson of Kay-Hi. In the third  
lap Gordon Rothwell of Bo-Me-  
Hi took a long lead over Charles  
Jensen of Ketchikan and Barry  
Watson, of Bo-Me-Hi entered  
the final lap with this advantage  
over Bob Reynolds.

The final lap was a half-mile  
grind which saw Reynolds slowly  
cut down the distance between  
himself and Watson and then  
put on a sprint that brought  
him in only a foot ahead of the  
Bo-Me-Hi runner.

Here is the list of winners for  
the team and open events:

Junior 100-yard dash—Frank  
Symes (11 sec.); Booth; John  
Stenford, Kay-Hi; Bob William-  
son, Booth.

Senior 100 yards—Joe Davis  
(11.2 sec.); Ted Arney; Bruce  
Simundson, all of Savoy.  
Junior High Jump—Dick An-  
derson, Kay-Hi (5 feet); Charles  
Jensen, Kay-Hi (4 feet 10  
inches); Bob Reynolds, Kay-Hi.  
Senior Relay—Savoy, by de-  
fault; Joe Davis, Ted Arney,  
Bruce Simundson, Nick Pavlikis.  
Junior Relay—Kay-Hi (time, 5  
minutes), John Stenford, Dick  
Anderson, Charles Jensen, Bob  
Reynolds.

Senior High Jump—Jack Mil-

## Sport Shots

It is only seven days since Joe Louis laid his crown aside but already his action is causing considerable stirring in the heavyweight boxing circles. Developments: 1. Ezzard Charles, Cincinnati light heavyweight, is reported ready to fight "from one to 10," and is signed to meet Jimmy Bivins in Cleveland, August 2. 2. Gus Lesnevich, world light heavyweight champion, expressed delight over the prospect to meet Jersey Joe Walcott in September. 3. Walcott says he doesn't think much of the proposed tournament to decide Louis' successor. He figures his two bouts make him "Crown Prince" and that he should fight either Charles or Lesnevich, not both. 4. Jack Solomons, leading British promoter, counts himself in on the deal and announced that he plans to have a part in the series to determine the new champion.

## Battery Wins Dominion Day Cup

High School Loses First Game of Football Season 2-1

In the best exhibition of football this season the 120th Battery eleven was fortunate to win from the High School team by two goals to one thus capturing the Dominion Day football cup and also inflicting the first defeat of the year on the students.

Boulter was the first goal to be tested. Then Morgan did well to clear Wilson's fine drive at the expense of a corner. High School was dangerous and Charlie Currie shot just wide. Bob Currie gave Morgan a hard shot. In a breakaway the Battery got the High School defence in a tangle and, while the spectators were calling for an offside, Pavlikis gave Boulter no chance to put the gunners a goal up. Veitch cleared well and, from Owen's centre, Wilson shot over. Bill Gomez was dangerous. Adams was smart and then Bob Currie hit the crossbar with Morgan beaten. James set his forwards up and Ward and Gomez were clever. Morgan saved from Owens and again from a corner. Holkestad, Parkhouse and Pavlikis combined in neat play but Wynn cleared. Olsen gave Currie an opening and the latter just missed. Pavlikis then got his second goal with a hard drive. High School did everything but score and Morgan saved three hard shots in succession.

High School started off the second half with a fine forward line attack but Ferguson cleared. Darrow Gomez was good. Then Boulter had to save. Wilson made a clever dribbling run and scored a corner. Mercer and Olsen were good. After a strong attack Owens scored for High School, a goal to which they were fully entitled on the play. Currie took a fine corner and Morgan cleared. Bill Gomez was good and then Boulter brought off a great save from Pavlikis. High attacked and Morgan just saved on the line and then scrambled the ball outside the upright—a close shave for the Battery.

Holkestad, Parkhouse and Pavlikis carried out a neat play but Wynn cleared. Sharp was playing a splendid game. Bob Currie just missed. High attacked but was held out and the full time whistle went with the Battery the winners of the Dominion Day football cup by the odd goal in three.

Teams: Battery—Morgan, James, Ferguson; A. Gomez, Veitch, Darrow Gomez; Holkestad, Parkhouse, Pavlikis, Hutchison, W. Gomez, Ward.

High School—Boulter; Wynn, Sunberg, Adams, Olsen, Sharp, Bob Currie, Mercer, Wilson, C. Currie, Owens.

Referee—Sid Woodside.

FROM OLD TIMERS' BENCH

This was a good display of football with the Battery winning although they had less of the game. They made the most of their opportunities. Both goalkeepers did well and had no chance with the shots that scored. They were both severely tested. Ferguson and James were sound as were Wynn and Sunberg. Sharp was the best half-back on the field. Olsen faded a bit but Adam did very well too. Veitch and Alex. Gomez worked hard but Darrow was the pick of the Battery middle line. Pavlikis was the pay-off man in the gunners' line-up with Holkestad and Parkhouse combining nicely at times and W. Gomez, Hutchison and Ward also helpful. Mercer, for High School, was not quite as effective as usual though he plays

## City All-Stars Take Ketchikan Series

### Win Two Games, Tie Another

Prince Rupert 13, Ketchikan 4  
Prince Rupert 4, Ketchikan 9  
Prince Rupert 12, Ketchikan 9

## SCHEDULE FOR LAWN BOWLING

July 6—Paul vs. Frew; Ross vs. MacDonald.  
July 8—Arroll vs. MacDonald; MacPhee vs. Frew; Paul vs. McMeekin.  
July 13—Ross vs. McGreish; Arroll vs. McMeekin; MacPhee vs. MacDonald.  
July 15—Frew vs. McGreish; Ross vs. McMeekin; Paul vs. MacDonald.  
July 20—MacPhee vs. McMeekin; Paul vs. McGreish.

Prince Rupert All-Stars by defeating Ketchikan, their ancient rivals by two games, and tying for a third at the annual Dominion Day series here on Wednesday and Thursday, showed clearly that a revival in baseball quality has taken place in the city during the last year.

The three games, first section of a series that will be completed at Ketchikan on July 4, saw a reversal of last year's tournament when Ketchikan defeated Prince Rupert three games here and two at the Alaskan city.

Despite low-hanging clouds which threatened but did not produce rain, ball fans of Prince Rupert filled the bleachers for the second and third games yesterday. The crowd was smaller for the Wednesday evening opener. Seven innings were played Wednesday night, seven yesterday afternoon and nine last night.

A brief Dominion Day ceremony, conducted by J. S. Wilson, preceded the opening of the second game when Mayor Nora Arnold made a short address as the players of both teams lined facing each of their countries' flags. The crowd stood at attention as "O Canada" and the "Star Spangled Banner" were played.

Wednesday night's game resulted in a 13 to 4 victory for Prince Rupert and the wide margin was credited to the fact that the visiting team had just landed after the rough 16-hour trip from Ketchikan during which none of the players were able to get any rest.

The Thursday afternoon game was called off after seven innings, despite the fact that the score was tied at 4-4, in order to allow time for the Dominion Day football cup finals which were held late in the afternoon. Determination on the part of both teams to have a conclusive result sent the final game into nine innings, despite gathering darkness. It was conclusive enough, with Prince Rupert coming up from an 8-6 deficit at the end of six innings to capture a 12-9 win.

**WEDNESDAY'S GAME**

In Wednesday night's opener, Prince Rupert denied the invading All-Stars a beachhead by repelling them by a score of 13 to 4, a victory largely attributable to pitcher George Eliuk's ability to rally and deliver strikeouts when they were needed.

Eliuk, who went the full seven innings, held the Alaskans down to four hits while George Wigz who replaced Harry Ludwigen on the Ketchikan mound after one and one-third innings, gave nine of Prince Rupert's 16 hits. Ludwigen was relieved in the disastrous second inning after four Prince Rupert men had scored, three off hits and one off a fielder's error.

The score at the end of the second inning was 6-0 for Prince Rupert.

Prince Rupert's opening run was scored in the first inning by Bruce Simundson. In the second, Abel got on base on an error by Jones, advanced two bases on a single by Windle and came home off a single by Nick Pavlikis. Eliuk hit a two-bagger to left field and scored on an overthrow when Minor Simundson

second when the side was retired. Ketchikan evened the score in the sixth when they brought in three runs off four hits. Ludwigen got on base on an error and Bussanich singled. Both were batted in by Millard's double. Quinn singled, bringing in Millard. Johnstone, batting for Vincent, singled, advancing Quinn to second where he was left when the side was retired.

**THURSDAY NIGHT**

Ketchikan opened briskly in the final game, taking five runs in the first two innings off Jack Rosedale. Rupert's starting pitcher, Tomlinson got a base on balls as opening batter, and Bussanich was hit by a pitched ball. Both scored.

In the second, Dale singled, Erickson got a base on balls and Ludwigen singled, bringing in Dale. Then Bussanich singled, scoring Erickson and Tomlinson.

Joe Davis, Prince Rupert first baseman, slammed the series in the second inning, a high-flying beauty deep into right field. He was scored by Hartwig, who singled.

Rupert took the lead in the third inning by scoring five runs, three off hits. Minor Simundson got on first on an error by Erickson. Bruce Simundson singled. Dahl singled, scoring Minor Simundson. Lindsay got on first on a fumble by Erickson and Nick Pavlikis, batting for Arney, singled, bringing in Dahl and Lindsay to tie the game. Abel went out on an infield play, but scored Pavlikis to give Rupert a 6-5 lead.

The fourth saw Ketchikan regain the lead when Ketchikan brought in two runs. Erickson was struck by a pitched ball and Tomlinson hit a two-bagger. Then the Rupert team replaced Rosedale with Lindsay, to face Harry Ludwigen. Ludwigen went out on an infield play, but Erickson scored. Bussanich singled, bringing Tomlinson home.

Ketchikan increased their lead by another run in the sixth when Tomlinson, who got on base on an error by Bruce Simundson, was brought home on a hit by Bussanich.

Rupert came back for a four-run lead in the seventh. Dahl singled. Pavlikis got on first on a fielder's choice, Abel walked and Don Hartwig likewise was given a base on balls, forcing Dahl home. Eliuk singled, bringing in Pavlikis and Abel and Benny Windle singled, scoring Eliuk and Minor Simundson, who had got on base on a fielder's error.

Ketchikan scored their final

## TERRACE

Rev. A. W. Atkinson of Burns Lake was in Terrace at the week end and conducted communion services in the Anglican Church on Sunday.

William Laird of the Royal Bank staff leaves this week for Saskatchewan where he will spend the next two weeks on holiday.

Mr. and Mrs. Johnson are leaving Terrace today after spending the past few days here. Former residents of Kenya Colony, East Africa, where they followed mining, they left there in May 1947 and have been living in California. They will proceed to Prince George where they have a temporary home.

## Modern Etiquette

By ROBERTA LEE

Q. If a girl is driving her own car and is accompanied by a man, should she offer to let him drive?

A. Yes, if she is tired of driving and wishes to do so; but there is no obligation for her to suggest it.

Q. Should the man or the woman speak first when meeting on the street?

A. The woman should speak first. Of course, among intimate friends, it makes no difference which one speaks first.

Q. What is the proper color of personal stationery for a man to use?

A. White stationery is the best taste.

Classified Advertising Pays!

## FRANCOIS LAKE

Phil Kelly is employed as engineer at the Nicholson's Mill on the lake.

Lloyd Huntley and D'Orsay Wiley of Quesnel have been spending a few days at the Landing where they had good fishing.

Louise and Len Lloyd of Prince George are staying in the Log Cottage for a few days.

At Paradise Lodge strawberry shortcake was enjoyed on June 5, made from strawberries from their own garden.

Mr. and Mrs. Charles Nourse are back from their honeymoon in Edmonton and are settling down in their farm home west of the Landing on the lakeshore.

D. J. Doswell, inspector of motor carriers from Prince George, was here on Friday morning for a while.

G. Talbot and R. Goodlad of the International Fisheries Commission called in for a short visit on Sunday.

Ed. Pagman, who has been working at Topley for the winter, is staying with Mr. and Mrs. A. H. Neave for a few days.

Mrs. G. B. Stanton is staying in her home for a short time before moving to Burns Lake where she will keep house for the Corny Stanton family.

## MEMORIAL HELD

Parade and Service By Canadian Legion at Stewart

STEWART—A memorial service was held by Stewart branch, Canadian Legion, on Sunday afternoon assisted by Premier Branch and the Women's Auxiliary of Stewart.

Assembling at the Legion Club in Stewart under the command of Dr. Walker the Legionnaires and the Auxiliary marched to the Cenotaph where a brief service was held under the direction of Past President J. Bouzek with Father Clenaghan as officiating chaplain.

Wreaths were placed on the Cenotaph by both branches and the Women's Auxiliary.

The Last Post was sounded by R. Taylor of Premier.

Standard bearers were Post Presidents Ernest Love and L. A. Behnson of Stewart.

Following the service the assembly marched back to the Club Room where they were dismissed by the officer commanding.

Parade state showed 48, ten from Premier Branch, 12 from Women's Auxiliary and 26 from Stewart Branch. In addition many of the Stewart, Premier and Hyder residents attended.

DISCOVERED IN 1897  
Gold was discovered in the Yukon in 1897.

BARREL OF BREAD  
One barrel of flour is considered sufficient to make an average of 270 one-pound loaves of bread.

By Chic Young

## TERRACE GUIDES

Outing Enjoyed—Many Girls Enrolled

TERRACE—The Girl Guides went out to Lakelse Lake last Sunday where they had a jolly time picnicking at the north end. The Saanich plumbing shop and Johnstone and Mitchell offered their services to transport the girls who were in charge of Captain McIlroy and Lieutenants Clifford, Michiel and I. Smith. During the afternoon Mrs. Kennedy, Brown Owl officiated as enrolling officer and the following girls were enrolled:

Margaret Kennedy, patrol leader already enrolled, Sharon McIlroy, second Maureen Kennedy, Loverne Warner, Carol Jones.

Leah Cauters, patrol leader, Marlene Michiel, second Marilyn de Kergommeaux, Shirley Cole, Marjory Thomas, Dorothy McCabe.

Lorna Melvin, patrol leader already enrolled, Dolores Honke, second, Bertha Amdam, Joan Gillanders, Evelyn Jackson.

Leonora Loveless, patrol leader; Shirley Reynolds, second, Claudia King, Selma Farquhar, Rene Cote, Ann Tumilson.

## STEWART WINS

Close Game of Baseball Played on Sunday

STEWART—The softball game between Premier and Stewart at Stewart on Sunday was won by the Stewart aggregation in the last half of the seventh inning. The score was 13 to 12. Premier scored one run in the first, second, third and fifth innings and four each in the fourth and sixth, going hitless in the seventh for a total of 12.

Stewart scored one in the first, four in the second, three in the third, one in the fourth, two in the fifth, none in the sixth and two in the seventh for a total score of 13. Stewart made 22 hits and Premier 20.

Stewart—Lawrence 2, Meneghello 2b, Hansen 1b, Bouzek ss, Hahti p, R. Kasum lf, Newell cf, Rod Newell rf, Crozier 3b.

Premier—Howardich c, Walker 2b, Vaughan 1b, Mooseau ss, Crowe p, Hudson lf, Crook cf, Peetman rf, Wallace 3b.

Going into the top half of the seventh the score was Premier 12, Stewart 11. Premier was unable to better their score, going three up and three down. The first man to bat for Stewart struck out, Meneghello stole two bases, and scored on an error, tying up the score. Hansen got to second on an overthrow to first, stole third and scored on an error winding up the game.

In the Matter of the "Administration Act"

TAKE NOTICE that by order of His Honour Judge W. O. Fulton, made the 10th day of June, A.D. 1948, I was appointed Administrator of the Estate of Carl (Charles) Albert Kallstrom, deceased.  
All parties having claims against the said estate are hereby required to furnish same properly verified to me on or before the 31st day of July, A.D. 1948 after which date claims filed may be paid without reference to any claims of which I then had no knowledge.  
All parties indebted to the estate are required to pay the amount of their indebtedness to me forthwith.  
DATED at the City of Prince Rupert, Province of British Columbia, this 14th day of June, A.D. 1948.  
GORDON F. FORBES,  
Official Administrator,  
Prince Rupert, B.C.

## STEWART

A very enjoyable dance was held at Premier on Saturday with a fair attendance from Stewart. Most of the young ladies, who travelled the sixteen miles, stated that they had a thoroughly enjoyable time.

Portland Canal Lodge 1218 held a smoker on Saturday which was voted a very successful affair.

W. D. Smith, M.L.A. for Atlin, was in town for the past week on business connected with the Northern British Columbia Power Company Limited. Mrs. Smith accompanied him.

Dominion Electrical Inspector Wallace has been here during the past week conducting a meter inspection. Mr. Wallace is a native of Greenock, Scotland, and in the course of his profession was many years in Shanghai, China, leaving there when the Chino-Japanese war started. He served in the British Navy during the First World War.

Archie McGillivray of the Canadian Ingersoll Rand Company has been in town for the past week on company business.

George Bancroft, at one time in charge of the Sebawke Mine operation, and later associated with the Premier Border, arrived here last week and left Monday by the Camosun on his return south. Mr. Bancroft has been the guest of the Silbak Premier Company.

## HONOR COUPLE

TERRACE—A very surprised pair of newlyweds were Mr. and Mrs. Greg. Seibert when a grape vine silver tea service and tray were presented to them at a banquet prepared in their honor at Pohl's Mill on Saturday last. The gifts were a token of esteem and affection from Mr. and Mrs. Pohl and the mill employees and the presentation was made by Mrs. Pohl. Mr. and Mrs. Froese also presented the young couple with a lace vanity set.

The large garage had been cleared and decorated with cedar boughs and flowers. Long tables were set up with trailing green vines and flowers adorned

ing it. The cook, Mrs. Gable, had surpassed herself in preparing a bounteous repast for the 65 guests who were employees and ex-employees and their wives and other friends.

Games and singing were enjoyed with Mrs. Buschman, Mrs. McLelland and the four Bible school students, Nick Goertz, Herb Brand, Elmer Walkerton and Henry Goertzen contributing to the evening's entertainment. The party broke up about midnight after light refreshments had been served.

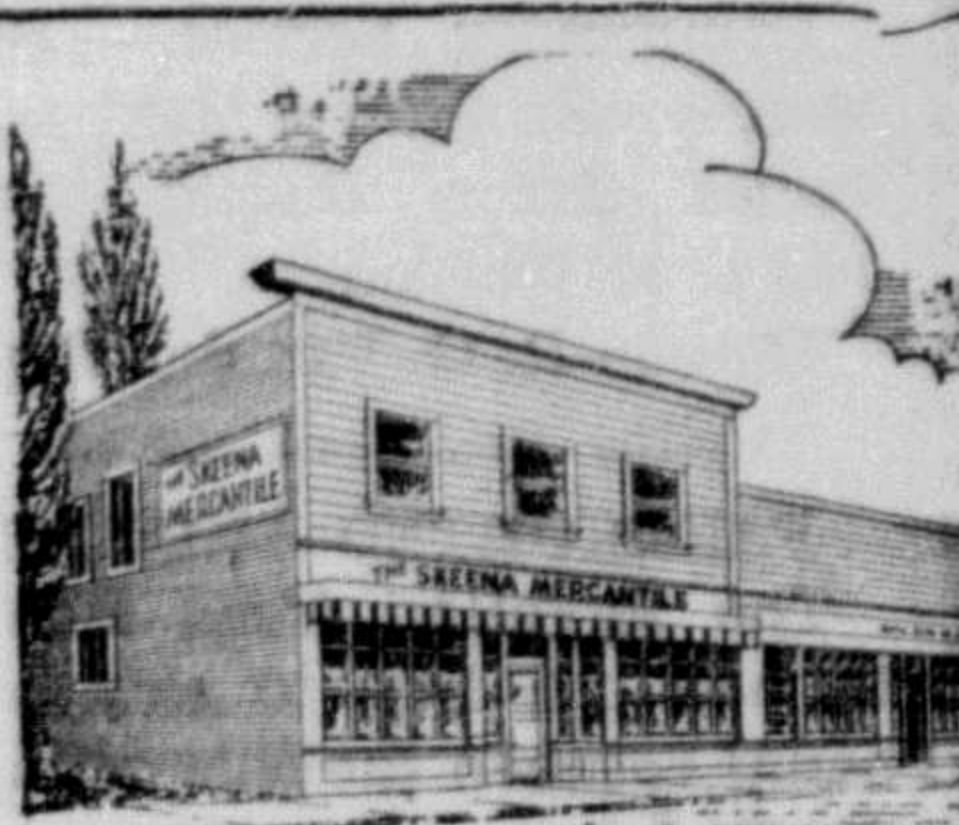

## BEEES PROTECTED

## REPAIRING ROAD

Brother of Local Man in Charge in Fraser Valley

A brother of Noel Jones, proprietor of Little's Newsstand in Prince Rupert, is Evan S. Jones, district provincial public works engineer at New Westminster.

Re-establishment of highway connection between Deroche and Agassiz is being made and Mr. Jones is in charge of this work. Due to the effect of flood conditions Loucheed highway has been impassable beyond Hatzic. Opening of the highway east of Hatzic will require use of a detour being prepared around the head of Hatzic Lake. It will join the main road at Dewdney Crossing.

SUNSHINE AND SHADOW—Larry Moore of the Civic Centre Camera Club went to Terrace to take this eye-appealing picture which was among winners of prizes offered at the photographic competition at the Arts and Hobby Show held here recently. It was taken from the well known Hamlin and Thomson farm just west of Terrace. Dancing shadows of the leafy deciduous trees produced the beautiful effect so typical of country roads of the central interior.

New Warship on Coast—Yachtsmen on Long Voyage

The second ship of her class to be based there, the 2,000-ton Tribal destroyer H.M.C.S. Athabaskan arrived at Esquimalt this week. It was on May 19 she sailed from Halifax. The captain is Commander Jas. S. Davis.

R.C.N. Her speed is 36 knots, and length 355 feet. She carries latest fighting equipment. The Athabaskan is the second ship of the name in the Royal Canadian Navy. Her predecessor, commanded by the late Lieut. Commander John H. Stubbs, D.S.O., D.S.C. of Victoria and Kaslo, was torpedoed and sunk in action in the English Channel in April 1944.

Three Vancouver bachelor yachtsmen are away on a 20,000 mile, 18 months adventure cruise to the south seas. They are Phil Brock, Bob Fortune and Jack Wells. They are now enroute from San Francisco. Their boat is the sailing cutter Escapee.

Another whaling vessel is in operation off the British Columbia coast. The craft is called the Western Express and was sent out by Nelson Brothers. She is one of the largest and most powerful of the western coast fishery fleet, and is motor driven.

## GAS MEETING

Canadian Association in Session at Jasper

JASPER—A. Alex MacKenzie of Toronto was yesterday elected president of the Canadian Gas Association at the opening session of the forty-first annual convention here. Serving with him for the year 1948-49 will be C. N. Seiger of Hamilton, first vice-president; Hugh G. Smith, Toronto, second vice-president, and G. W. Allen of Toronto, who was returned as executive secretary and treasurer.

The executive committee for the ensuing year will consist of F. A. Brownie, Calgary; K. L. Dawson, Halifax; P. W. Geldard, Toronto; Alan K. Harris Jr., Winnipeg; Carl H. Lutz, Dunnville, Ont.; W. J. Peard Jr., Montreal; R. N. Perkins, Windsor; E. H. Rohrer, Vancouver; William Vickers, Kitchener, and Thomas Weir, Chatham. Two representatives from the manufacturers' section are yet to be named.

It was announced the 1949 convention will be held at Bigwin Inn June 16 to 20 inclusive.

## RAINFALL NEEDED

To Prevent Crop Deterioration on Prairies

WINNIPEG — Rainfall has been received over the whole prairie area but only in Manitoba has there been an adequate amount. Conditions are good in Manitoba but in Saskatchewan a general rain is needed to bring them up to normal, according to the weekly crop report of the department of agriculture of the Canadian National Railways. The rains received during the past week have helped to prevent further deterioration.

In Alberta early sown wheat is standing up fairly well but other crops are badly in need of a heavy rain. The showers and cool weather have held grasshoppers in check for the time being but they still remain as a menace if the weather warms up and rain is not received.

Ripening conditions are favorable in the Okanagan as the past week has been hot with a few showers. Carload lots of Bing cherries are expected to move about the end of this week from Penticton south and north of here are expected to move about July 10.

## SHIPS AND WATERFRONT

The lawyer had been bullying a witness. "Have you ever been arrested or in court before?" he snapped.

"No sir," replied the witness. "Humph! Are you sure? Your face certainly looks familiar. I've seen it some place before."

"That's quite possible," agreed the witness. "I'm the bartender in the saloon across the street."

—In Reader's Shop.

LOVERS OF PLUMS  
The Romans cultivated large numbers of plums.

CEEING...  
with CEE

If your hearing is astute you may hear a rising murmur of approval rolling from the lips of women who take an interest in the way Mr. Prince Rupert dresses. The ladies are applauding man's tendency to climb out of the conventional straight-jacket and garb himself in apparel that is more casual and gayer in tone.

The approval isn't too loud for the ladies have a strange notion that man is a perverse creature and might slip right back into his navy serge rut if he thought he was being rudely, however gently. This notion is merely imagination. Everyone knows man doesn't care a hat feather for conventionality. He will wear what he pleases. Proof of this is in the way he laughs when women lift or lower their hemlines when—ever fashion demands the change. His laughter expresses the spirit of a man who knows no master.

Of course war austerity did quicken man's march toward dress freedom. In those days of dearth, men soon found that suit-coats outlasted one pair of trousers and even the most conventional business man, in the face of economy and necessity, was forced to go to work in slacks and jacket.

During the dark half of the 40's the quality of men's slacks admittedly was not high in most cases but now English gabardines, baratheas, covets, herringbone and plain worsteds are being combined with first-class Canadian tailoring to bring men's casual trousers right up to pre-war standards.

Until recently, the bigger-than-average woman had a special problem when it came to buying lingerie. In many firms that specialized in women's wear, large sizes became a war casualty.

Fortunately for the ladies in Prince Rupert, slips, panties, vests and such like can be ob-
