Vancouver Board Of Trade Party To Visit Wednesday

A royal welcome is being prepared by the Prince Rupert Chamber of Commerce for a goodwill delegation of about 60 members of the Vancouver Board of Trade as they step off the steamer Prince George next Wednesday morning. It is the first mass tour the Vancouver Board has made since the war, and members of both organizations are looking forward to it.

Included in the Vancouver party will be Vancouver Board of Trade President Col. W. G. Swan, Vice-President R. D. Baker and Executive Secretary Reg. T. Rose, Ald. Birt Showler, well known labor leader; United States Consul-General A. W. Klieforth and senior officials of many well known industrial and commercial enterprises.

The party will come in on the Prince George in the morning and be free until 3 p.m., when transportation will be arranged to different parts of the city and to the Columbia Cellulose plant at Port Edward.

In the evening the party will be entertained by the Prince Rupert Chamber of Commerce at dinner at the Canadian Legion. Speakers from both the Vancouver Board of Trade and the Prince Rupert Chamber of Commerce will address the meeting. The principal speakers will be Col. W. G. Swan, president of Vancouver Board of Trade, A. W. Klieforth, United States Consul, and R. T. Rose, executive secretary, Vancouver Board.

The special train carrying the party will leave at 10 p.m. for points in the interior. Arrangements for entertainment of the visitors in Prince Rupert is in charge of Don Forward, chairman of the entertainment committee of the Prince Rupert Chamber of Commerce.

LaMotta May Defend Crown

NEW YORK — Paddy Young, game, youthful New Yorker, last night spurted in the last round to win a split 10-round decision match over Charlie Fusari of Irvington, N.J. Meanwhile, it was learned that if the international boxing clubs, Madison Square Garden and New York boxing managers' guild can get together on a television money settlement, they can count on midweight champion Jake Lamotta to defend his crown against Rocky Graziano June 14.

HOST SCRATCHED IN WITHERS MILE

NEW YORK — Your Host, Kentucky Derby favorite who ran out of gas after a mile, was scratched today from Belmont's Withers Mile, making \$25,000 added to the even duel between Middleground and Hill Prince.

Condemned To Death

VERNON — Joseph Arthur Ouellette, 21, yesterday was convicted of murder in the shotgun death last year of market gardener Mah Siag. Mr. Justice A. N. MacFarlane sentenced Ouellette, captured at gun point in a Vancouver hotel, to be hanged August 3. Ouellette, employed by the two Chinese, fled to Vancouver with a 16-year old Indian girl, police said.

Seek New British Wheat Contract

LONDON — Reports that Canada hopes to negotiate a new wheat contract with Britain, "not dissimilar" to the present one, has received no official comment in London. But informally officials have said in the private opinions this would be a "very reasonable process." Private traders and circles close to the International Wheat Council also have given the idea their informal blessing.

CHICAGO — The striking locomotive firemen's union extended its strike to include a stretch of the Union Pacific Railway today and set up picket lines in an effort to halt Eastern and Southern operations on the Pennsylvania Railroad. Picket lines were set up at Harrisburg, Pa.

Enlarged Group Operation Would Be Big Thing For Portland Canal

Another producing mine operation in the Portland Canal area comparable with the famous Silbak-Premier is predicted by L. S. Davidson, veteran operator of that area. The operation would ensue from the enlarged amalgamation of the Big Four group of properties originally consisting of the Prosperity, Porter-Idaho, Silverado and Silver Range properties on Rainey Mountain, across the Canal from Stewart, with which have now been linked up the Dunwell and Ben Bolt properties up the Bear River valley to the north of Rainey Mountain. The original Big Four group are primarily silver properties while Dunwell and Ben Bolt are gold.

The ambitious program for the joint operation includes the driving of an 8000-foot tunnel right through Mount Rainey to a central milling plant at Stewart. The mill would be of the sink and float process and would have a daily capacity of 200 to 300 tons. The Big Four ore, 120,000 tons of which has been developed, would eventually come through the tunnel to the mill. The Dunwell and Ben Bolt ore would come to the mill for the distance of five miles by road.

The driving of the tunnel being a long operation (about 1000 feet is already driven).

Mr. Davidson, who has been in the city for the past few days on business, is returning to Stewart on the Coquitlam tomorrow night.

Greatest Evacuation In History Going On

WINNIPEG (CP)—Fifty thousand men, women and teen agers are manning and building dikes in Greater Winnipeg's fight against the Red River and its tributaries, Premier Douglas Campbell said last night. In a radio address he said: "No words of mine can describe the service these people are performing for the community."

Prepared To Crash

The greatest mass evacuation in Canadian history had moved at least 140,000 people of flood ravaged cities by early today. Many thousands are prepared to leave during the week end. An estimated 65,000 persons have been left homeless.

From 8 p.m. (CDT) until 2:20 a.m. the level of the Red and its tributaries, Assiniboine and Seine, stood pat at 30 feet exactly. Then, toward dawn, a half inch rise took place.

Wheeled Aircraft Comes Down At Seal Cove
 A Cessna 140, carrying two United States Civil Aeronautics Administration officials, made a forced landing at Seal Cove air base here this afternoon when bad weather at Dundas Island prohibited their completing their trip from Arlington, Wash., to Annette Island, Alaska. They brought their plane down easily with full flaps on the quarter mile strip, using only one half its length. The plane has no pontoons.

The pilot, Ralph Pott, Controller of the C.A.A., and Bruce Ingalls, Communications chief found good flying conditions from Arlington to Smithers, where the weather began to thicken. At Dundas Island they gave up their attempt to get to the base at Annette Island and turned back.

It was feared that the small plane would be forced to crash land and word was dispatched to the police and Fire Department. As the plane came in the police wagon, fire truck and ambulance stood by.

But, fortunately, the plane had ample landing area.

Air Mail Service For Q.C. Islands

E. T. Applewhaite, M.P. for Skeena, sent word to the Daily News today that an order-in-council had been passed providing for a first class air mail service between Aliford Bay and Masset Inlet including Juskatla and Port Clements once a week as soon as necessary arrangements can be made.

Mrs. E. A. Rutledge, who is visiting her daughter and son-in-law, leaves Sunday night aboard the Camosua for her home at Vancouver.

Chuck Place Adjudged Best Fighter in Pr. Rupert Area

By unanimous decision, 134-pound Chuck Place was acclaimed best fighter in the Prince Rupert amateur boxing tournament in the Civic Centre last night and the blond, curly headed battler was awarded the Norm Applin best fighter Trophy by Sgt. Lance Potterton. In accepting the large golden award, Chuck gave tribute to his trainer Joe Ward, "who has trained me for almost four years." Chuck also took the lightweight trophy.

Sgt. Potterton remarked that "the boys have given us a good fight" and that the bouts were "one of the best fight programs in Prince Rupert." He was of the opinion that a larger crowd should have gathered for the program. He added that he hoped to see larger crowds at future bouts.

Miss Joyce Tattersall, Miss Northern B.C. for 1950, was awarded a gleaming silver cup by Norm Applin, director of the Northern Sports Boxing Club. Then Miss Tattersall presented the various winners with trophies and cups.

Nick Schmelling, director of the Terrace Civic Centre brought two fighters here but they were beaten out.

Heavyweight champion of Prince Rupert is Rufus White. The 195-pound fighter beat out his opponent, 190-pound Glen "Tiny" Carlson. Referee Benny Windle stopped the fight after 45 seconds of the first round. Carlson sustained a cut above the right eye.

Little Billy Smith was awarded two trophies. He beat out 59-pound Jackie Mutch during the early part of the event and was also the youngest fighter in the tournament. He also weighed 59 pounds.

Czechs Break Off Relations

WASHINGTON — A mass ouster of 22 of 33 Czech diplomatic corps employees in the United States was ordered by the American Government today. The action was taken in retaliation for the ejection of about 40 Americans from Communist Czechoslovakia. In addition, the United States has ordered the Czechs to close their consulates in Cleveland and Pittsburgh.

Prague—The British Information service and British Consulate closed their offices in Prague at noon today in accordance with the demand of the Czech government, which yesterday denounced Anglo-Czech cultural agreements.

Younger than our Fathers

SAY you had been born in ancient Rome and had reached what could be called the full span of years. You would still have died sometime between your 20th and 30th year. The aged were not a problem in ancient Rome or Athens, for what they called age we now call youth.

In all our thinking this startling fact should stand out. Today any one of us will probably live more than twice as long as the aged of Athens or Rome.

In 1940—that is not so long ago—man's life expectancy was 63 years. But today, less than ten years later, the average life expectancy is over 68 years, and we are on the doorstep of vast medical discoveries that may defeat the great remaining enemies of human life and make 60 years seem only the end of youth.

If man's average life span can increase eight years in the past eight years, isn't it reasonable to assume that with a little careful study, thinking in terms of knowledge and craft, instead of muscles alone, man's working life might be extended too? This would bring benefit and happiness to the older groups.

The Red River is, at intervals, subject to freshets. In a century's experience of the Selkirk colonists there have been four floods. The site of the city of Winnipeg is said to have been under five feet of water for several weeks in May and June 1826. Under two and a half feet in 1852. Not covered in 1861. Only the lowest levels were under water in 1882.

W.A. Hears Addresses

Bishop Gibson and F. E. Anfield—Officers Elected

Rt. Rev. J. B. Gibson, Bishop of Caledonia, was the speaker at the luncheon hour when the members of the Woman's Auxiliary of the Church of England in Canada met in the Cathedral Hall on Thursday, for the second day of the annual meeting.

Choosing "Others" as the theme of his address, Bishop Gibson asked the members to remember that Jesus went about doing good and thinking of others. By doing likewise they would help to extend God's kingdom throughout the world which is the sacred trust of the W. A.

Mrs. Basil S. Procter thanked Bishop Gibson for his inspiring address.

During the afternoon the meeting was addressed by F. E. Anfield who spoke on "Indian Residential Schools." Mr. Anfield sketched the background of these schools and stated that the Church had always pioneered in the field of Indian education. Today the Church and State joined hands. He urged the members of the W. A. to persevere in this great work of assisting the children in these Indian Residential Schools and to uphold this practical missionary endeavour which is one of the glories of the Church. The president, Mrs. Gibson, thanked Mr. Anfield for his helpful address.

General business, parochial reports, and the reading of the revised constitution occupied the morning and afternoon sessions.

Following the afternoon meeting, Mrs. Gibson was tea hostess to the delegates and officers of the Diocesan Board at "Bishop's Lodge." Special guests were the ladies from the W. M. S. Presbyterial of the United Church of Canada.

The final meeting was held in the Cathedral Hall on Friday morning when the Revised Constitution was formally adopted. The meeting closed with a benediction by the Rt. Rev. J. B. Gibson, Bishop of Caledonia. Officers Elected

Keep Strikes At Minimum

Plea Made at Rotary Club by George Wilkinson, Labor Relations Board

An appeal to every citizen, whether representing management or labor, to take an active part in keeping strikes at a minimum was made by George Wilkinson of the provincial Labor Relations Board Thursday at the weekly Rotary luncheon.

Mr. Wilkinson gave an outline of the formation and work being done by the five man Labor Relations Board and the methods employed to arbitrate and conciliate labor disputes throughout the Province. He stated that the government

The Officers of the Caledonia Board for 1950 and 1951 are as follows:

Honorary vice-president, Mrs. F. L. McIntosh; president, Mrs. J. B. Gibson; first vice-president, Mrs. B. S. Procter; second vice-president, Mrs. E. Hodson; recording secretary, Mrs. R. E. Mortimer; corresponding secretary, Mrs. Lionel Holby; Treasurer, Mrs. N. E. Arnold; Dorcas secretary - treasurer, Mrs. A. Mattson; girls' secretary-treasurer, Mrs. E. Lindseth; junior secretary-treasurer, Mrs. L. Potterton; little helpers' secretary, Mrs. C. J. Currie; education secretary-treasurer, Mrs. S. Darton; editor Living Message, Mrs. G. D. Mead; secretary-treasurer Living Message, Mrs. F. E. Anfield; praver partner secretary, Mrs. J. Prince; social service secretary, Mrs. N. F. Eve; candidates' secretary, Mrs. H. E. E. Faure.

Out of town delegates to the Diocesan annual meeting included the following:

Mrs. Alma Gates, Hazelton; Mrs. Edith M. Brown, Ocean Falls; Mrs. C. A. Hinchliffe, Smithers; Mrs. W. S. Braden, Dawson Creek; Mrs. J. Heron, Fort Fraser; Mrs. Katherine Clayton, Kincolth; Mrs. Annie Benson, Kincolth; Mrs. H. C. Francis, Burns Lake; Mrs. H. S. Taylor, Burns Lake; Mrs. E. M. West, Terrace, and Mrs. M. Laird, Terrace.

In addition, there were delegates from the afternoon and evening branches of St. Andrew's Cathedral and St. Peter's, Seal Cove. Outside branches who were unable to send delegates, were represented by members from W. A. branches within the city.

now realizes that trade unionism is here to stay and management is ready to accept unions as a barometer of the problems of management. One of the most feared things today is communism but Mr. Wilkinson stated that most unions are doing a tremendous job of house cleaning in this respect.

Mr. Wilkinson said in closing: "Most people prefer collective bargaining to collective bludgeoning. The people of British Columbia must come first and foremost and everyone should do all things possible to keep peace in both labor and management."

The speaker was introduced by Jack McRae M.L.A. for this district and thanked by Rotary president Roy Van der sluis who presented Mr. Wilkinson with the weekly club can of salmon.

Strike Affects Many Thousands

CHICAGO, ②—More thousands of railroad workers joined the ranks of the idle today. They were laid off by the deadlocked firemen's strike against four major United States carriers. The strike by 18,000 firemen has made idle nearly 200,000 workers, including 150,000 rail employees. There are some reports of violence on the Southern Railway and the New York Central.

Rail Strike Vote Coming

MONTREAL ②—Fifteen international brotherhoods announced yesterday they will take strike votes among their 90,000 members as a result of a wage-hours dispute with Canadian railroads. The announcement was made by Frank H. Hall, chairman of the conference committee of 15 unions, who told Canadian Press last night he expects a "Heavy vote favoring the strike." "Ballots will be sent out within the week," he said, "and if the men approve of strike action, we'll walk out. All other means of

Festival Had Good Year

Music and Drama Group in Session—Mrs. Becker President

At the annual meeting of the Prince Rupert Music and Drama Festival Association, members of the executive and of committees submitted their reports and it was evident that the Association had completed a very successful year. Public interest in the idea of a Festival has grown steadily in the past three years, and support was received from about twenty local organizations.

The Festival was held on March 22, 23 and 24, and comprised one hundred and six entries of varied types. Performances were held in the Capitol Theatre and the Civic Centre. Audiences at all events were attentive and enthusiastic, and it was apparent that Prince Rupert was becoming Festival-conscious. The number of entries was twice the

number participating last year. Though there were not as many out-of-town entrants as last year, a group of seventeen children from Hazelton entered the vocal solo, choral, and tap-dancing classes. Much credit for the appearance of this group was due to Mrs. J. A. Parker of New Hazelton.

James McGrath came from Victoria to adjudicate the drama sections and Stanley Bligh from Vancouver for the music classes. In most cases, very encouraging and helpful comments were given.

In connection with the question of prizes and awards, mention was made of the fact that in the piano, violin and vocal solos in each class, sixteen medals were awarded to those who received not less than eighty points by the adjudicators.

After the events the Festival Committee received suggestions from both adjudicators for the

improvement of the Festivals. Many valuable ideas were brought to the fore, discussed, and referred to the incoming Executive for action next year.

The following were elected on the executive and committees for the coming year:

- President—Mrs. E. N. Becker.
- First Vice-President—Mr. R. G. Moore.
- Second Vice-President—Sister Mary Lawrence
- Secretary—Mrs. P. A. J. Oldham.

Credit Bureau Opened Here

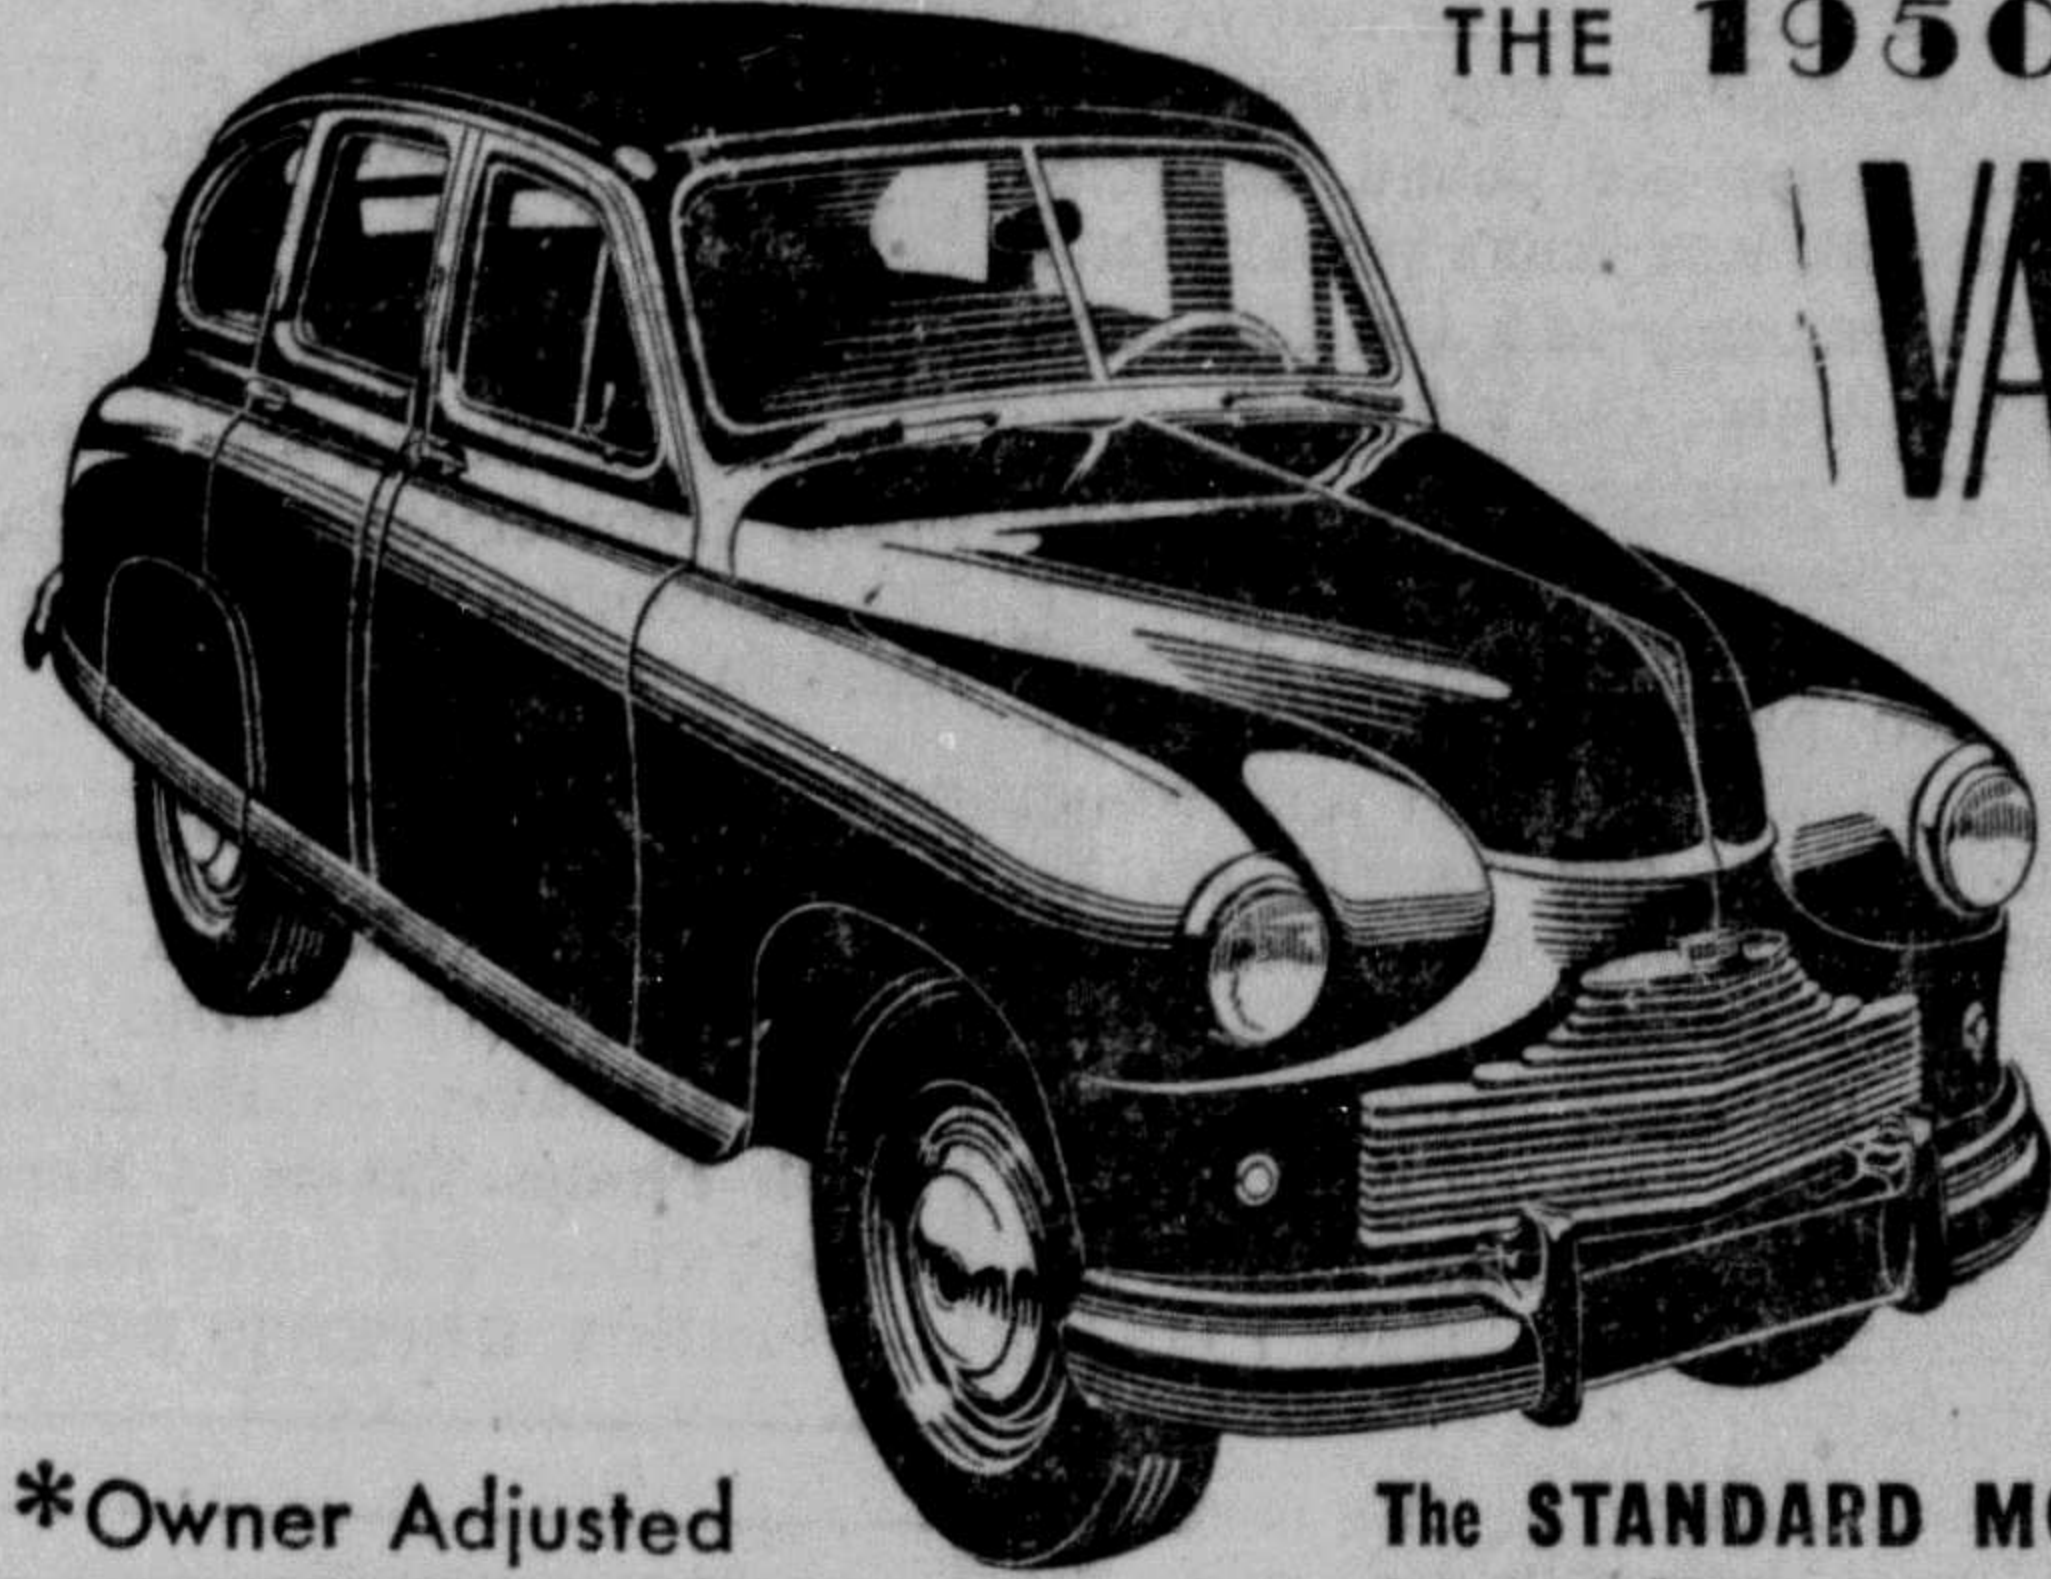

Of interest to Prince Rupert and district is the opening today of the Credit Bureau of Prince Rupert, to be operated jointly by P. H. Linzey and Mrs. C. Laurie. Mr. Lindsay will manage the collection adjustment department and Mrs. Laurie will head the credit reporting department.

The opening of this Bureau is the direct outcome of a visit by A. Bullied, field representative of the Associated Credit Bureaus of Canada, to Prince Rupert last winter. Mr. Bullied, at that time, spoke to the Chamber of Commerce as to the many benefits of a Credit Bureau. The local Bureau is a member of the Associated Credit Bureaus of Canada as well as the National Retail Credit Association of America—this affiliation gives the Credit Bureau of Prince Rupert access to files and information at any one of the 15,000 member bureaus. Until the formation of this Bureau, Prince Rupert was the only city of its size in Canada without the facilities of a Credit Bureau.

COAST TO COAST

What Does the Credit Bureau Mean to You?

The Credit Bureau of Prince Rupert . . . presents this advertisement in order that you may have a better understanding of what a Credit Bureau is.

What Is a Credit Bureau?

A Credit Bureau is an office where the credit record of all persons in a community are recorded. Business firms need credit bureaus to be in a position to know the pay habits of those who apply for credit. The manner in which you pay your creditors is not only recorded on his ledger but by the credit bureau as well, for periodically members are requested to send to the bureau a record of every account on their ledgers. Members report on each customer according to the merchant's experience with this particular customer. In other words, you make your own credit record, the bureau merely records it.

Bureau Benefits to the Public

A credit bureau helps to keep the family within their budget. It enables those entitled to credit to get it whenever they need it. A few satisfactory reports from stores permits the opening of accounts at other stores without difficulty. Then, if the family moves to another city, the record of the Credit Bureau is available to the merchants of that city. In other words, a satisfactory credit rating is a recommendation in any city.

The Credit Bureau of Prince Rupert

is an organization maintained for the merchants and professional men of Prince Rupert and district. The bureau makes it possible for anyone with a good credit rating to obtain credit at any or all stores holding membership.

"Credit is like a looking glass, which once sullied, by a breath, may be wiped clear, but if once cracked, can never be repaired."
--Sir Walter Scott

Halibut Landings Here Somewhat Lower So Far—Flatfish Picking Up

Up to Friday, a total of 2,642,500 pounds of halibut from all sources was landed in Prince Rupert. This is below the 1949 halibut landings here. Last year, landings during the first two week period amounted to 3,334,000 pounds but that period included two more days than this year.

figure of 152,000 pounds. This year to date American vessels deposited 133,500 pounds of the deep sea fish.

Prices on the exchange though, have increased since last year. During the latter part of the first week of the halibut season, prices ranged from 15 to 19.5 cents and up to the end of this week, halibut sold from 18 to 22.4 cents per pound. In comparison, last year's prices climbed from only 11.5 and 15.5 cents to 18.2 and 18.9 cents.

The smaller catch this year as compared with 1949's total is also due to inclement weather which played havoc with fishing in the open sea and which injured a few vessels forcing them to return home with only a small catch in the holds.

On the open market to date, boats sold 1,502,000 pounds. The Prince Rupert Fishermen's Co-operative have taken 1,140,500 pounds.

Flat fishing in this area has increased a great deal since the first of April. During the first week in May, more flatfish was deposited at storage plants here than during all of April. The 100,000 pound landing by the crew of the Santa Maria, Capt. Dave Moore on May 3, helped to send the flatfish total soaring.

Figures released by Atlin Fisheries Friday revealed that during last month, the company took on 331,906 pounds of flatfish. Previous to this, during January, February and March only about 138,000 was deposited

Mrs. Wilfred Skinner, who has been visiting her father, Canon Rushbrook, who is ill at Prince Rupert General Hospital, returned to her home in Victoria yesterday.

Presbyterian Tea And Sale Success

The tea and home cooking sale here by the Women's Missionary Society of Presbyterian church at the church hall Thursday was very successful. The hall was beautifully decorated with spring flowers centering the tables. Guests were received at the door by Mrs. H. Calderwood and Mrs. A. E. Wright.

Mrs. J. A. Teng and Mrs. W. Chappell were in charge of the tea room, while Mrs. J. W. McKinley and Mrs. D. C. Stewart poured. Serving were Mrs. John McLeod and the Misses Jean Calderwood and Noon Webster. Mrs. W. Sparks was in charge of the home cooking.

Convener Mrs. Jack Smith was also cashier.

The C.P.R. steamer Princess Louise, Capt. William Hubenet, docked at Prince Rupert at 11 Alaska points Wednesday p.m. and continued at noon to Sengers disembarking at Prince Rupert were: Mr. Lavelle, L. O'Toole, Mr. and Mrs. W. Ellis, G. M. Christie, F. C. Thorne from Vancouver and J. W. Farquhar, G. Clark, A. Drolet and J. Newhouse from Ocean Falls. About 125 passengers continued on to Alaskan points.

It pays to advertise.
