Railway Strike Is Tying Up Berlin Again

Red Siege is Drawing Closer to Metropolis

Wage Payments In West Instead Of East Marks Demanded by Workers

BERLIN (CP)—The anti-communist railway strike plunged into mob warfare today and the walk-out closed the city's rail links with the outside world, bringing about a renewal of blockade conditions. One hundred persons were beaten in fighting which raged through the morning between strikers and young communist strikebreakers at nearly a dozen stations of the municipal elevated railway.

West Berlin police fought side by side with strikers against communists and Soviet-controlled railway police who sought to occupy stations in the Allied sectors.

An elevated passenger train was set afire during one melee.

The strike was called yesterday by 12,000 members of the west sector union to back the demands of workers on the Soviet-run railway system that their wages be paid in west marks instead of the deflated east marks.

RED GENERAL ATTACKED

West Berlin railway strikers attacked General Kvashnin, Russian chief of transportation, when he arrived to inspect railway installations during today's "Battle of the Trains." West sector police rescued the General from what they described as a "frenzied mob" and escorted him to the Russian sector in his own car.

Hundreds were injured during street battles as railway workers fought young communists east in the role of strike-breakers.

SNOWSLIDE BLANKETS SKEENA ROAD AT KWINITSA, DISRUPTING TRAFFIC

However, Provincial Premier's Party Expected Through from Terrace This Afternoon

Motorists planning holiday trips up the Skeena today faced the prospect of a stay-at-home week-end as a result of a snowslide which covered a 200-foot section of highway outside Kwinitsa tunnel, 42 miles east of Prince Rupert, burying the road to a reported depth of 30 feet.

The slide, one of the largest to cover the road at the end of a season noted for extreme snow, blanketed the artery at a point where a diversion was built a year ago to remove the highway from the base of mountain which has been a continuous source of trouble.

Numerous snowslides during the winter have built up a wide snow base at the foot of the mountain, reaching almost to the diversion and this snow base acted as a runway for last night's slide to spread new snow on the road.

A report from Terrace this morning indicated that the road might be cleared by this afternoon but there was no confirmation of this although a late report said good headway was being made.

The slide came down at 5:30 last night, creating a barrier which held up traffic from Prince Rupert and Terrace. Scores of city people who had planned to motor to Terrace for the week-end, began cancelling their plans.

Coalition Party officials here this morning started to lay plans to send out cars to meet Premier Byron I. Johnson and his party, which include Mrs. Johnson and Hon. E. T. Kenney, at the slide to bring them to the city where Mr. Johnson has speaking and social engagements this afternoon and evening.

Plans call for the official

THREE HUNDRED NURSES POISONED

VANCOUVER—Medical authorities today investigated food-poisoning of an estimated 300 Vancouver General Hospital graduate nurses and their friends who banqueted 900-strong at a fiftieth anniversary celebration earlier in the week.

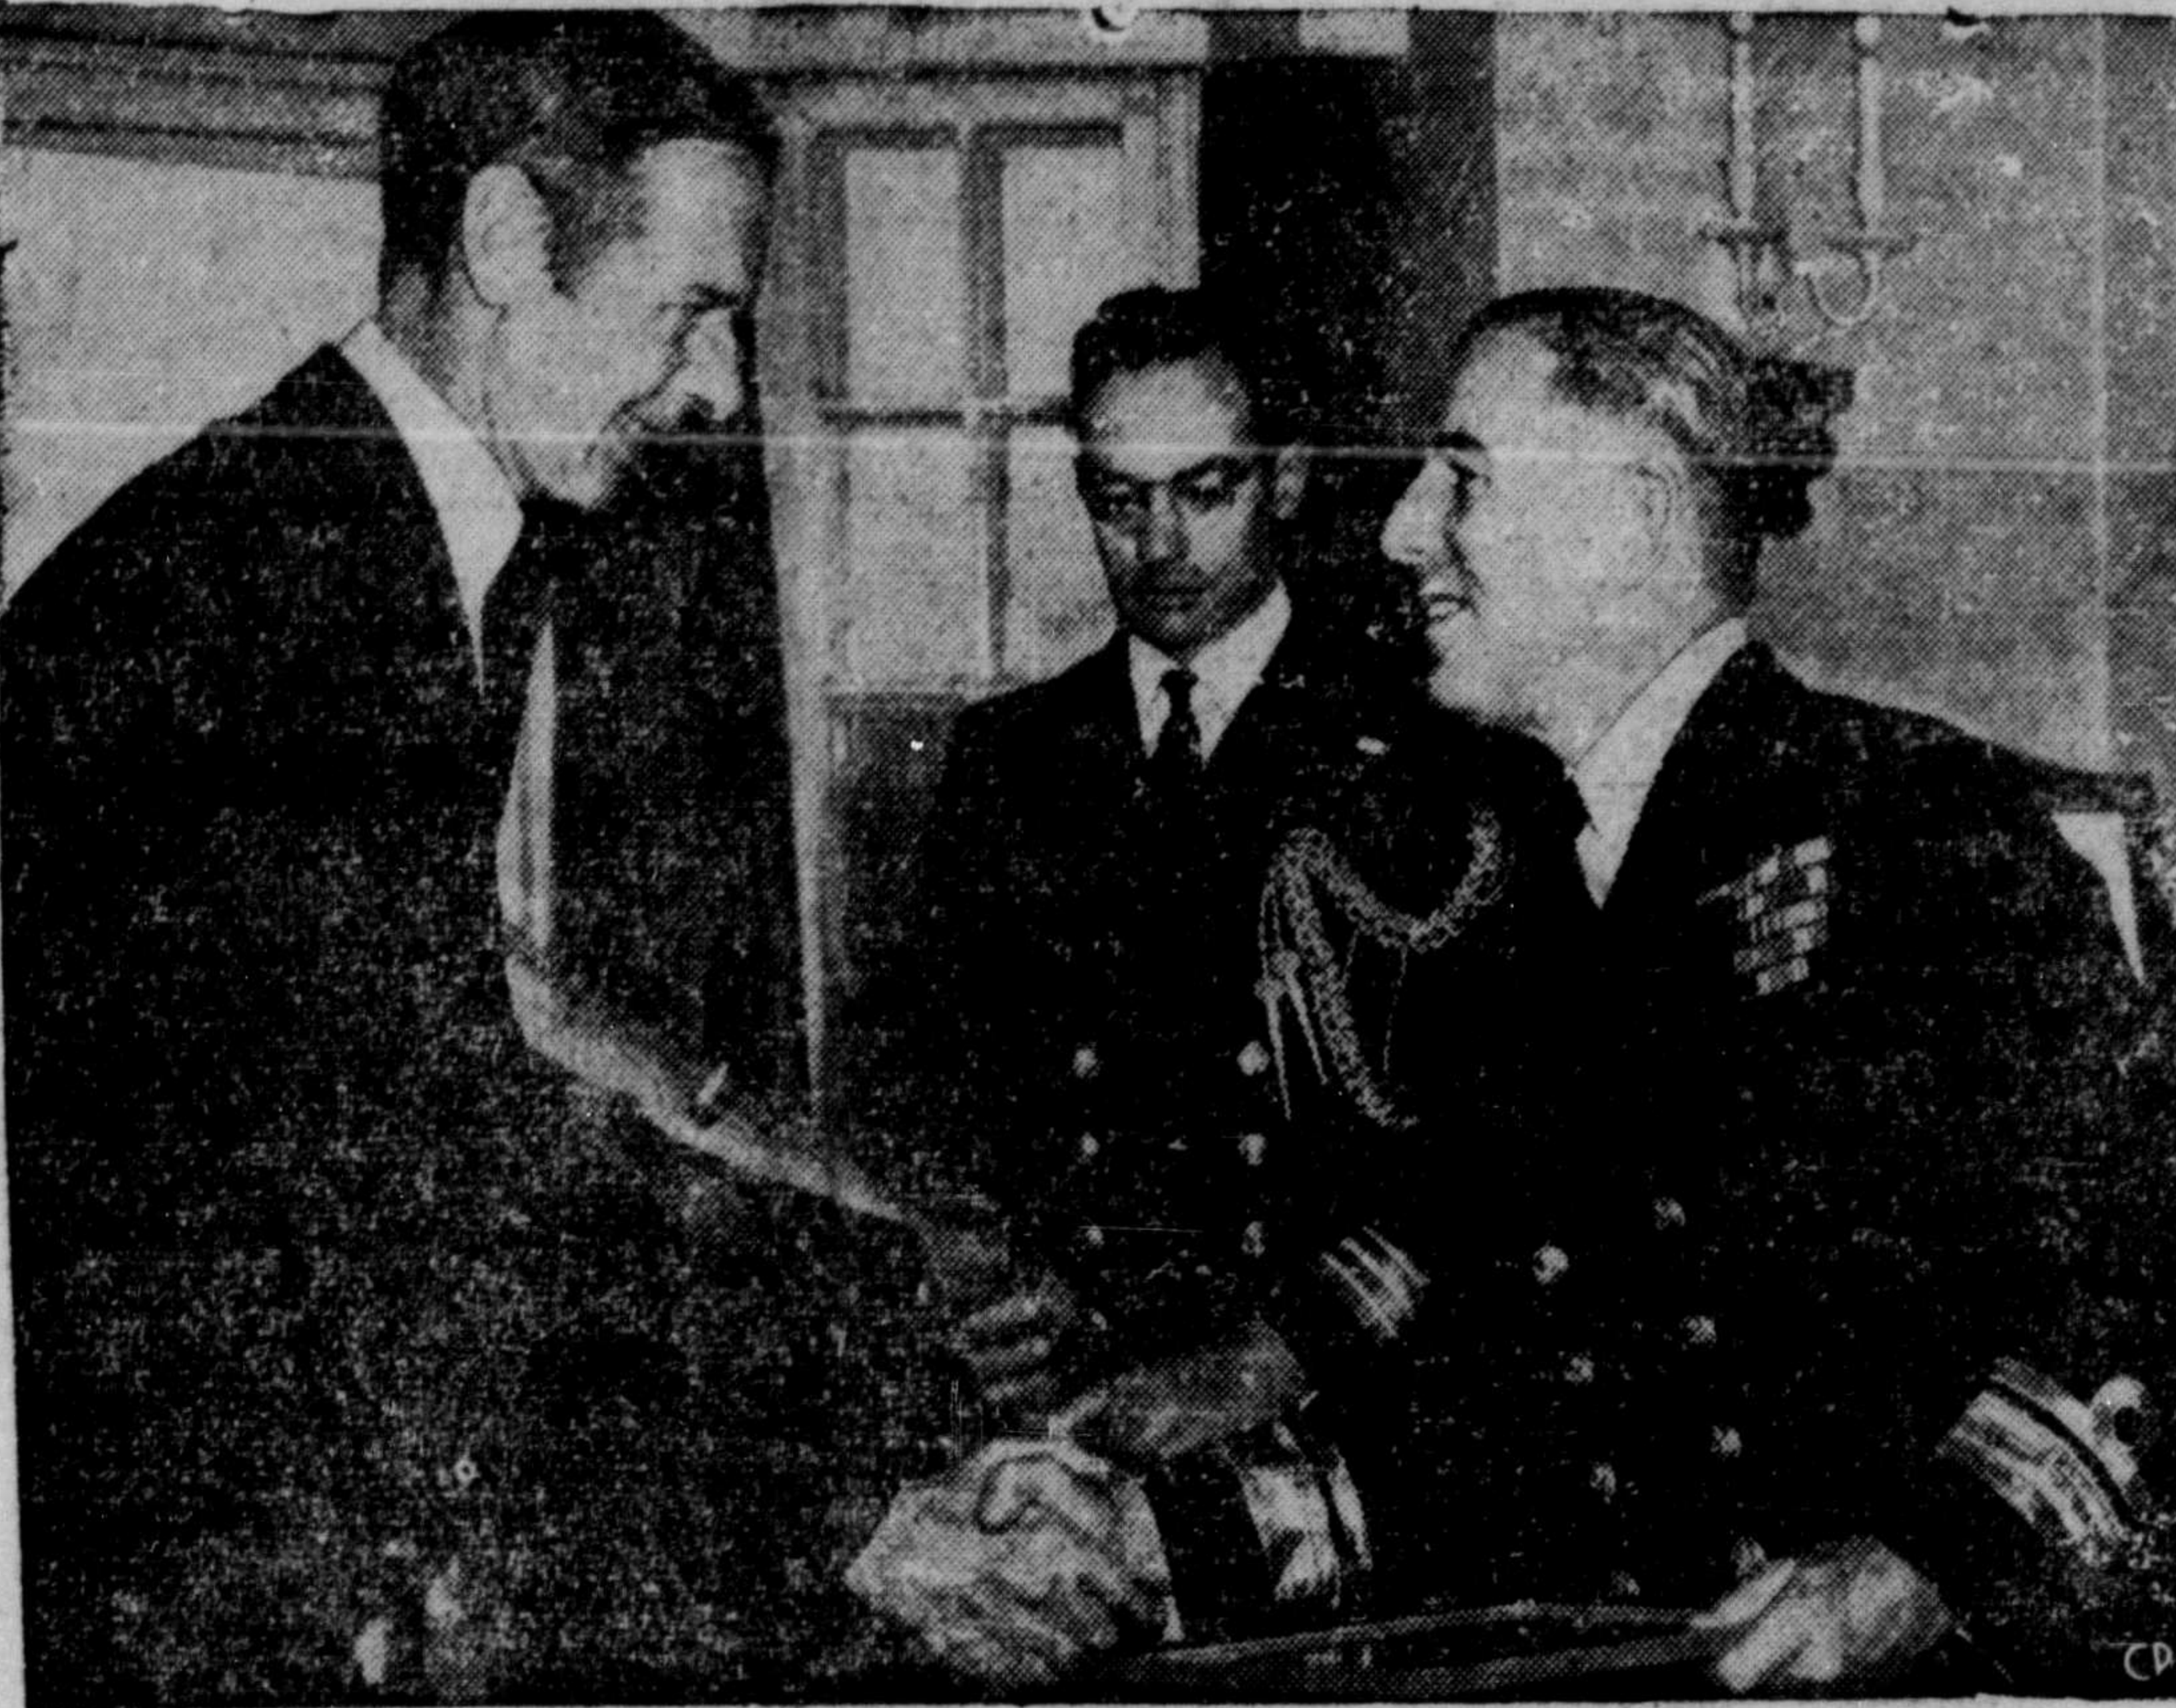

Dr. Stewart Murray, medical health officer, said the banqueters were victims of food contamination. None of the victims required hospital attention.

Walter Kirtley, retired Nebraska City, Nebraska, executive claimed Friday that he saw a man whom he identified as the King carried into Mayor Clinic a fortnight ago.

FLAG COMES HOME—Per Wikman, Swedish minister to Canada, shakes hands with Rear Admiral F. L. Houghton, acting chief of naval staff, as he turns over the ensign of the Canadian ship St. Croix. It had been given to one of 29 Swedish sailors rescued by the destroyer in 1942. The St. Croix was torpedoed during the battle of the Atlantic in 1943 and all but one of its crew was lost. In this Canadian Navy photo, the flag can be seen in the background held by Capt. C. J. Dillon, secretary to Admiral Houghton. (C. P. Photo)

C.N.R. RECEIVES NEW COAL CARS

TRENTON, Nova Scotia—The first of an order of 500 new all-steel triple hopper cars was delivered to the Canadian National Railways here from the shops of the Eastern Car Company. The remainder will be turned out at the rate of 12 per day until the order has been completed.

The new cars will be used principally for the movement of coal and have capacity of 70 tons. They were built to the specifications of the C.N.R. mechanical department based on the latest design and strength requirements.

Each of the three hoppers on the cars operates individually. They are formed of quarter-inch steel plate, attached to the car by riveting and offset to clear the centre and side sills.

The order with Eastern Car Company marks a continuation of the railway's policy adopted in the past few years, of building hopper cars of greater capacity. Previously these cars had been built to carry 50 tons.

THE WEATHER

Synopsis

Some cloudiness persists over the interior and the southern coastal regions of British Columbia and light rain occurred at a few interior centres during the night. Gradual clearing is expected this afternoon in almost all areas and present indications point to pleasant weather over the week-end.

Forecast

Queen Charlottes and North Coast—Clear today and Sunday. Winds light. Little change in temperature. Lows tonight and highs Sunday—At Port Hardy 40 and 62, Masset 40 and 62, Prince Rupert 45 and 65.

J. E. Ormheim is leaving Sunday on the Chilcotin for Stewart on a business trip.

Honor Of Natives Is Accorded B.C. Premier

Colorful Ceremony of Gratitude Held at Kitzequkla—On to Terrace, Prince Rupert

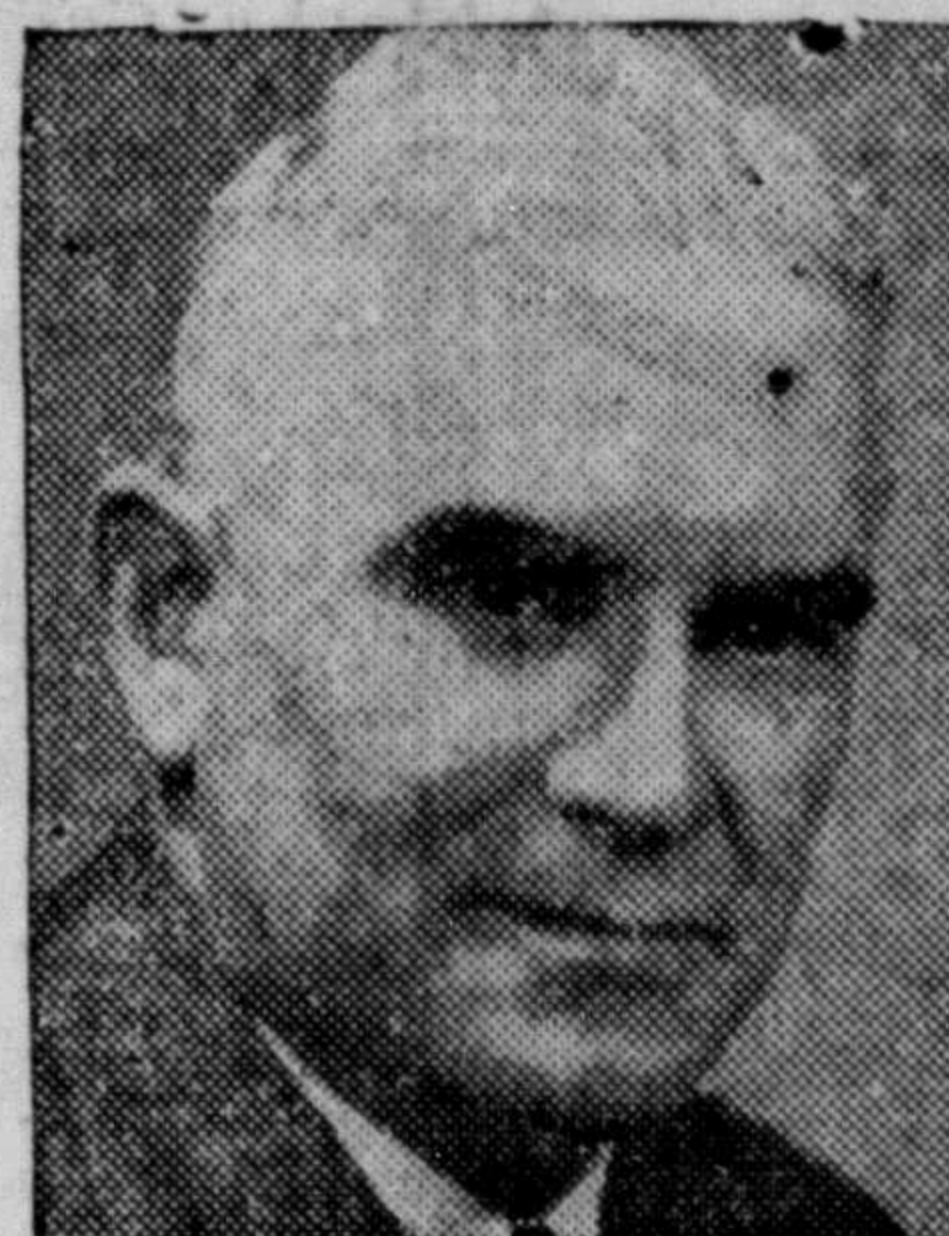

TERRACE—Another chapter and a very important one was written into the history of British Columbia at the Indian village of Kitzequkla yesterday afternoon when Indian tribes from the far flung reaches of the Skeena territory gathered to welcome "The Great Father," Premier Byron Johnson, and, in a simple but dignified and formal manner, express their gratitude to the government for making it possible for them to enjoy the full privileges of "citizenship."

The party as a result of the festivities along the road arrived late in Terrace but the citizens in this north country have a way of overcoming such details. Instead of being disgruntled they hired an orchestra to play popular and old time tunes to while away the time until the party arrived.

The Board of Trade tendered a dinner at which Mrs. Johnson was presented with corsage and handcarved dress pin and earrings to match of ducks native to the region.

The dinner was followed by a large meeting attended by approximately 300 people. The Premier had a round of events mapped out for him this morning, including inspection of the hospital after which he left for Prince Rupert where a round of events have been arranged.

Dr. R. A. Ball, assistant to the vice-president of the Celanese Corporation of America, left today by air to return to New York after a week's visit to the Columbia Cellulose Co. operation at Watson Island.

"GREAT FATHER"—Honored by natives in gratitude for franchise.

Tonight's train, due from the east at 11:30 daylight time, was reported this afternoon to be three hours and fifty minutes late which would bring it in at

TRAFFIC BYLAW KICKS BACK AT CITY FATHERS

City council's decision to enforce observance of its traffic bylaw resulted in the law pointing an accusing finger at two aldermen, including the chairman of the traffic committee, and five other motorists in city police court Friday.

All paid fines of \$5 after pleading guilty to infractions of parking regulations. Appearing before Magistrate W. D. Vance were Alderman Wilfred McLean, Alderman W. F. Stone, Sam Currie, Benny Windle, Bert Jefferies, Harry Burrow and R. E. Montador.

RAINS BRING FIRE RELIEF

WINNIPEG—Prayers for rain over northern Saskatchewan forest fire front were answered last night, heartening 100 men who went on with the task of battling great blazes.

Rain fell throughout the night. As a result, the fire situation across the northern prairies generally looked brighter than it has for days.

All fires are reported under control in British Columbia.

PREGNANCY IS DENIED

LONDON—Circles close to Princess Elizabeth today poo-pooed the report published in a Sydney, Australia, newspaper that she may become a mother again by the end of the year.

Princess Elizabeth and Prince Philip became parents of their first child, Prince Charles, last November 14.

Connolly Succeeds William Stapleton

WINNIPEG—Promotion of William G. Connolly, formerly general passenger agent, Canadian National Railways here, to passenger traffic manager of the western region is announced today by A. A. Gardiner, general passenger traffic manager for the company. Mr. Connolly succeeds William Stapleton, who has retired after 46 years of railways service.

LAST TRIBUTE TO DR. HANKINSON

Large Congregation Last Evening at Service in First United Church

Citizens of Prince Rupert, in representative cross-section, congregated in assemblage which took up all the capacity of First United Church last evening when a service was held over the remains of the late Dr. C. H. Hankinson, esteemed physician and surgeon of a quarter of a century's standing. The lengthening rays of the evening sun after a bright May day lent impressiveness to the setting of the obsequies. Floral tributes of many friends and sympathizers adorned the bier.

Rev. R. A. Wilson, pastor of First United Church, officiated and delivered an address of simple and fitting tribute and comfort. Henry Plumy presided at the organ for the accompaniment of hymns which were "Unto the Hills" and "Abide With Me."

The pallbearers, honorary and active, were C. A. Berner, Dr. R. G. Large, C. C. Mills, J. R. Morin, Dr. L. W. Kergin, Dr. J. P. Cade, Dr. Jens Munthe, George C. Mitchell, Dr. J. A. Macdonald, William Cruickshank, D. C. Stevenson and D. G. Stuart. Members of the Prince Rupert General Hospital nursing staff attended in uniform in a body.

After the service, the widow accompanied the remains to Vancouver aboard the steamer Catala. Interment will take place at Forest Lawn Cemetery.

Mr. and Mrs. C. T. Sundal of Terrace, who have been spending the past few weeks in Vancouver where Mr. Sundal attended the United Church conference, arriving from the south on the Coquitlam Friday afternoon and will proceed to the interior by car as soon as the road is passable.

Welcome, Mr. Johnson

PREMIER BYRON JOHNSON is in Prince Rupert for the first time since he became the head of British Columbia's government and we extend him a friendly welcome. True he is here on this occasion in the course of a campaign tour but it is in his capacity as the provincial Premier that we are particularly interested in greeting him.

We are sure that he will have found his swing through the western section of Central British Columbia an impressive revelation. He has arrived here this afternoon from that part of the province which, it is generally agreed, is, within the next few years, is to see an era of great expansion. It is an area which inevitably must be greatly affected by the tapping of new fields of natural resources and in the decentralization of industry.

The great plans of the government in connection with the extension of the Pacific Great Eastern through Prince George into the Peace River country are a recognition of the importance of northern development. The Premier will be told while he is here that Prince Rupert expects that, in the government's development program, our Canadian National railway line, with its advantages such as easy grade, potential resources and magnificent scenery, will be used to large extent and will be receiving encouragement.

The pledge made by Premier Johnson at Vanderhoof, according to a dispatch in the Daily News yesterday, that the entire highway between Prince George and Prince Rupert will be resurfaced by the end of 1953 is an encouraging sign of the government's earnest intention to render a measure of attention to this part of the country. We hope he will be able to even better that mark.

Mr. Johnson has now personally driven over that road and has obtained a first-hand picture which will be useful to him and which, we hope, will be of helpful influence to us. He will have seen and appreciated how vital a good highway is to this great port hinterland. He has also experienced one of its vicissitudes.

C.C.F. AND REDS

AFFAIRS IN THE C.C.F. are reaching the point where either these men—the Richards, the Doneleykos, the Youngs and the Archibalds—and the large numbers of like-minded persons in the rank and file, must be dealt with or the public will be entitled to believe that the C.C.F. leadership, however it may profess regret and irritation, in reality prefers not to stand by its principles but to win seats in the Legislatures and at Ottawa with the aid of the Communists regardless of the hazards to the public interest in such a course.

The C.C.F. higher command should realize that the little act which has followed each pro-Communist victory within the C.C.F.—wherein the leaders wring their hands in public and scold the Communists for being such naughty boys—is coming to be regarded as stage play. The voter who votes for the C.C.F. should be becoming increasingly aware that he is voting for a party with a substantial and growing Communist content.

BRIDE-ELECT IS HONORED

Shower Held for Miss Josephine Izyk
A surprise shower was held last Tuesday evening for Miss Josephine Izyk in her own home, by Miss Oga Zabudney and Mrs. V. Kapchinsky, assisted by Mrs. L. Franklin.

The evening was spent playing games after which Mrs. Franklin proposed a toast to the bride-to-be and presented her with a "bride's book."

Miss Izyk was also presented with a trilliant and a cake which was cut by her, and later served with other delicious refreshments by Miss Olga Zabudney assisted by Miss Betty Oskey and Mrs. Franklin.

Those present were Miss Josephine Izyk, Mesdames J. Hipp, A. S. Izyk, L. Franklin, F. Chuprun, R. F. Gasinuas, F. Praystay, J. Zabudney, C. Wallace, V. Kapchinsky, K. Nesbitt, J. Oskey and the Misses Aussie Holkestad, Margaret Baxter, June Thornton, Evelyn Antilla, Betty Oskey, Olga Johanovitch, Jean Gibson, Olga Zabudney.

The bride-to-be, whose marriage to Mac Urbain Patrick will take place today, is in the employ of the Family Shoe Store.

BOOTH P.T.A. HAD GOOD YEAR

Annual Meeting Hears Reports—Election of Officers Deferred

Reports on a successful year's work were presented by the secretary, M. Grasdahl; the treasurer, Mrs. A. Mattson; the literature convener, Mrs. C. H. O. Olsen and for the social convener by Mrs. Vic Harrison at the annual meeting of Booth Memorial Parent-Teacher Association. These reports included recommendations to aid the new officers in planning policies for the next term.

Owing to the small number of members present, the election of officers was postponed until September. The present executive will continue in office until that time.

The meeting enjoyed a full and interesting report on the Provincial Convention from Miss Jean Urquhart, the Prince Rupert delegate.

After the showing of two films from the Cancer Society the meeting adjourned for a social half-hour and refreshments were served.

In the five meetings of the past term the Booth P.T.A. heard exceptionally interesting speakers and discussions. At the beginning of the year A. M. Hurst explained the school curriculum and timetable problems to parents. The following meeting heard various opinions regarding the new school building from Dr. R. G. Large, chairman of the school board, and four representatives of the citizens and students in the city.

In January a panel discussion on Family Problems considered the topics "Money," "Recreation," "the Community," and problems were pointed up in a humorous skit which followed. The March meeting heard

Don Ritchie's practical advice to the graduating class of the high school.

The annual meeting agreed that the foregoing meetings had been highly profitable and regretted that more parents had not taken advantage of attending them during the year.

As a result we find lip service to science, going hand in hand with the greatest cynicism in human relationship.

Morality, for example, is regarded as something that a person may or may not have, just as he chooses.

Our age is correctly described as non-moral because in our time many moral standards are regarded as relative. As a result they cease to be standards and men cease to have morals. In the political field, for example, deceit is accepted as standard practice. The dangerous thing about this is not that deceit exists. It is as old as man. But what is dangerous is that popular opinion accepts deceit as part of the game. In any game once you have agreed that you will disregard the rules, it is not long before the game becomes a fight.

In our social life there is a greater danger than communism or plutocracy and that greater danger which threatens the whole social structure is a general disregard for the rules. Now the most primitive rule is that of integrity. Without it there can be no language, no law, no society, no science, no philosophy, no religion. How great is the structure which a lie can destroy?

No wonder the Bible placed so much emphasis upon telling the truth. Let your "yes" be "yes" and your "no," "no"—lest you fall into condemnation.

A lie is a betrayal of one's neighbor at the most primitive level. It is a betrayal that undermines his personality and his life. The spirit of the lie is the direct opposite of the spirit of the man who loves his

SATURDAY SERMON
(By Rev. R. A. Wilson, First United Church)

LET YOUR "YES" BE "YES"

In our time the scientific approach to life has taught those who are trained in its method to have a passionate regard for facts. Set up the facts and let them speak for themselves. It is a curious thing that this devotion to truth has lost ground in other areas of life.

As a result we find lip service to science, going hand in hand with the greatest cynicism in human relationship.

Morality, for example, is regarded as something that a person may or may not have, just as he chooses.

Our age is correctly described as non-moral because in our time many moral standards are regarded as relative. As a result they cease to be standards and men cease to have morals. In the political field, for example, deceit is accepted as standard practice. The dangerous thing about this is not that deceit exists. It is as old as man. But what is dangerous is that popular opinion accepts deceit as part of the game. In any game once you have agreed that you will disregard the rules, it is not long before the game becomes a fight.

In our social life there is a greater danger than communism or plutocracy and that greater danger which threatens the whole social structure is a general disregard for the rules. Now the most primitive rule is that of integrity. Without it there can be no language, no law, no society, no science, no philosophy, no religion. How great is the structure which a lie can destroy?

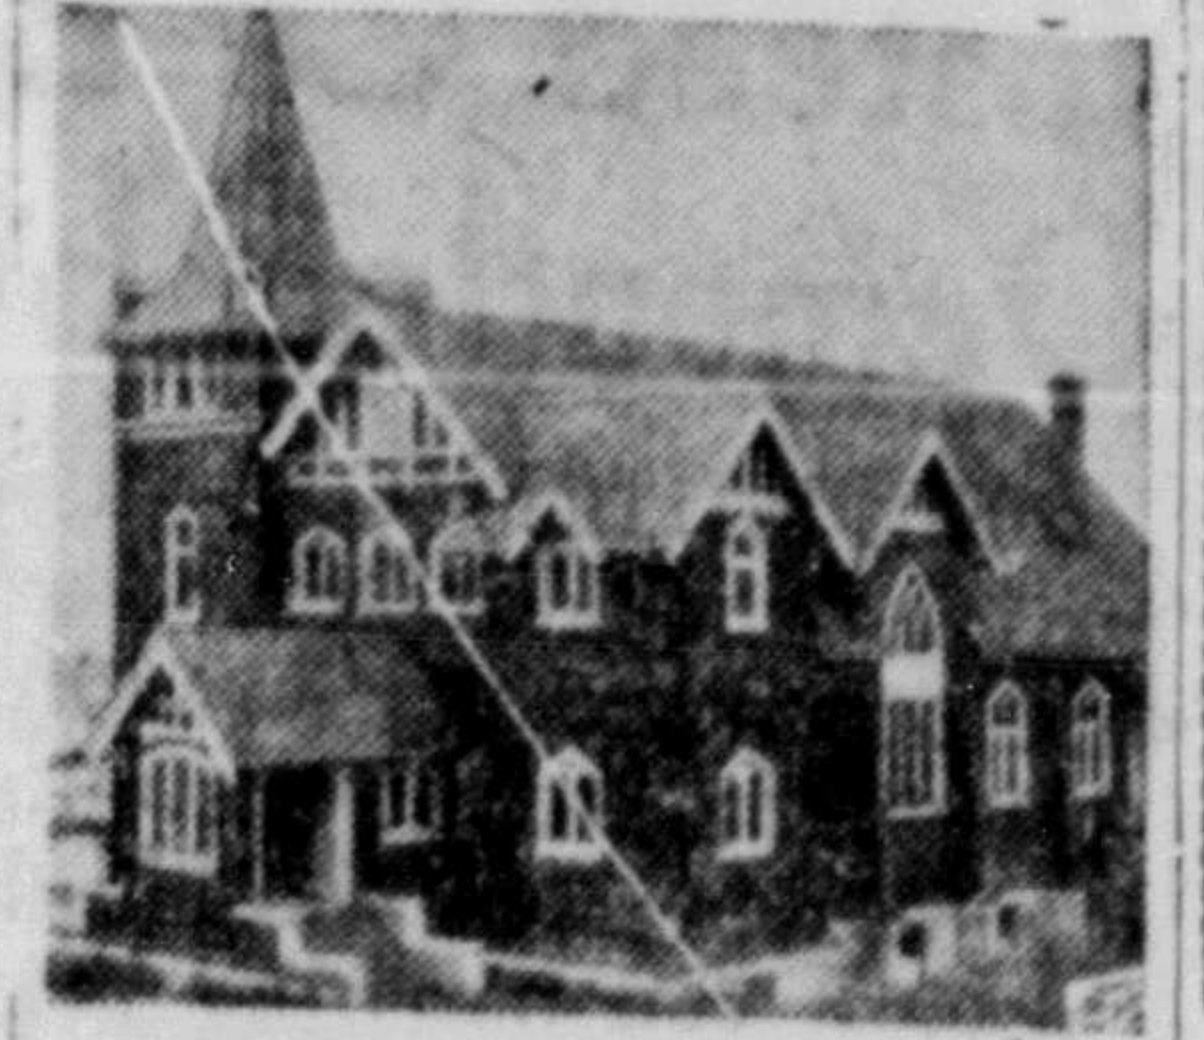

No wonder the Bible placed so much emphasis upon telling the truth. Let your "yes" be "yes" and your "no," "no"—lest you fall into condemnation.

A lie is a betrayal of one's neighbor at the most primitive level. It is a betrayal that undermines his personality and his life. The spirit of the lie is the direct opposite of the spirit of the man who loves his neighbor as himself.

Our country is approaching an election. Let everyone's "yes" be "yes" and "no," "no." If a man lies to get into power, what will he do when he is in power? It is righteousness which builds up a nation.

AUCTION SALE

Timber Sale X47133

There will be offered for sale at Public Auction, at 11 a.m., on Thursday, June 9th, 1949, in the office of the Forest Ranger, Terrace, B.C., the Licence X47133, to cut 1,705,000 f.b.m. of Spruce, Hemlock, Cedar, Balsam and 38,000 lineal feet of Cedar poles and Piling on part of Lot 1408, Kalam River north of Lean-to-Creek, Range 5 Coast Land District.

Five years will be allowed for removal of timber.

Provided anyone unable to attend the auction in person may submit tender to be opened at the hour of auction and treated as one bid.

Particulars may be obtained from the Deputy Minister of Forests, Victoria, B.C., or the District Forester, Prince Rupert, B.C. (11)

SEALED TENDERS addressed to the undersigned and endorsed "Tender for Wharf, Balmoral, B.C." will be received until 3:00 p.m. (Eastern Daylight Saving Time), Wednesday, June 8, 1949, for the construction of a wharf at Balmoral, B.C.

Plans, form of contract and specification can be seen and forms of tender obtained at the office of the Chief Engineer, Department of Public Works, Ottawa, at the office of the District Engineer, Post Office Building, New Westminster, B.C., and at the Post Offices at Port Essington, Prince Rupert, Vancouver, and Victoria, B.C.

Note: Upon application to the undersigned, the Department will supply blue-prints and specification of the work on deposit of a sum of \$10.00 in the form of a certified bank cheque payable to the order of the Minister of Public Works. The deposit will be released on return of the blue-prints and specification within a month from the date of reception of tenders. If not returned within that period the deposit will be forfeited.

Tenders will not be considered unless made on printed forms supplied by the Department and in accordance with conditions set forth therein.

Each tender must be accompanied by a certified cheque on a chartered bank in Canada, payable to the order of the Honourable the Minister of Public Works, equal to 10 per cent of the amount of the tender, or bearer Bonds of the Canadian National Railway Company, and its constituent companies, unconditionally guaranteed as to principal and interest by the Dominion of Canada, or the aforementioned bonds and a certified cheque if required to make up an odd amount.

By order, J. M. SOMERVILLE, Secretary, Department of Public Works, Ottawa, May 14, 1949. (11)

Alaska Drops Halibut Tax—Landings Here Exceed 5,000,000 Pounds—Salmon Trolling Poor

The territory of Alaska this week withdrew a special tax on halibut landing by non-resident vessels after the first fortnight of the season had indicated that Seattle fishermen preferred to land their catches at Prince Rupert rather than pay the extraordinary tribute.

The territorial tax was set at \$50 per crew man on each non-resident vessel using Alaska ports to deliver halibut. Alaskan vessels paid \$5 per man. In withdrawing the tax, the territorial legislature ruled that money paid in that cause by fishermen would be refunded.

Particularly hit by the tax were the large Seattle boats, some of which had 10-man crews which meant that they would forfeit \$500 for the season for the privilege of landing fish at Alaskan ports.

Although American landings at Prince Rupert have not been particularly heavy so far this season, their number built up this week. Out of 28 American halibut vessels which brought cargoes here since the season opened, 22 of them arrived since last Sunday. Since the season opened, slightly better than 1,000,000 pounds of American fish have been landed here.

The Seattle boats Frisco and Pierce are the only two of the U.S. fleet to take more than one delivery so far. Each has been in twice.

Total halibut landings at Prince Rupert since May 1 have been 5,150,000 pounds, of which 1,275,000 pounds have come from Area Three, the bulk having been caught in Area Two. American landings, from both areas total 1,000,000 pounds.

Practically all the landings at this port so far, as contrasted with immediate former years, have come from the regular fleet, with only a small portion coming from the camps. Reasons given for this is that the weather has been too rough for the small types of boats which normally fish from the outlying camps and that last season proved none too profitable for the trollers and gillnetters who went after halibut a year ago.

Many of the small boats are improving the time until the salmon start running by fishing for dogfish.

Reports on salmon trolling indicate that it has been very poor so far and that catches have been, on the average, hopelessly low.

EASTERN STAR TEA ENJOYED

Attractive Affair at Home of Mrs. L. W. Kergin Thursday Afternoon

Spacious home of Mrs. L. W. Kergin, Fourth Avenue West, was the scene Thursday afternoon of a delightful tea and sale of home cooking by Belist Chapter, Imperial Order, Daughters of the Empire. Regal lilies, mauve stocks were used to centre the tea table, pink roses and spring flowers were effectively arranged in the living room. Many guests were received by

Three well known Alaska fish packers are back in regular service between Ketchikan and Prince Rupert after making only intermittent runs during the winter. They are the Sydney, Dagney and Robert Eugene, which are now regularly bringing cargoes for rail shipment to the American market.

Union steamer Coquiltam Capt. Alf Aspinall, docked here at 1 p.m. Friday from Vancouver, en route to the south islands for her bi-weekly calls. She carried a light list of passengers, but considerable freight for the islands. She made no stop at Watson Island this trip. Last evening at 9 o'clock the Catala, Capt. Ernest Sheppard, arrived, sailing at midnight on her return south.

Mrs. Kergin and Mrs. S. R. Donaldson, the worthy matron of the Chapter. Mrs. Shelford Darton, Mrs. W. A. McLean, Mrs. Frank Dobb and Mrs. W. D. Vance presided at the tea tables. Serviteurs were Mrs. H. D. Thain, Mrs. J. J. Little, Mrs. M. F. Stuart, Mrs. Alf Rivett, Mrs. A. S. Nickerson, Mrs. W. Wasyk and Mrs. C. H. Elkins. The cashier was Mrs. W. M. Watts. The committee responsible for the success of the event consisted of Miss Muriel Vance, convenor, Mrs. Alex Mitchell, Mrs. (Continued on Page 7)

Jack Bulger left this morning according to Dr. W. S. Kergin, by plane for Duncan, Island, on an emergency after receiving word daughter, Mary, seriously ill.

WHAT ABOUT Self Winding Watches?

Some people are afraid to buy them because they do not know how they work.

They have a weight inside the case which swings to a different position every time the wearer's arm is moved and this winds up a small wheel a tooth at a time and keeps the watch always wound.

The watch runs more evenly than one which is wound only once a day. They are satisfactory and convenient.

Two of our staff have been using them for some years.

Prices range from \$45 to \$95

No luxury tax now.

CIO's Philip Murray
Say this about
Free Enterprise

"The rights of private property and free choice of action under a system of private competitive capitalism, must continue to be the foundation of our nation's peaceful and prosperous expanding economy. Free competition and free men are the strength of our free economy."

Canada's CCL unions are affiliated with the CIO in the United States. But some Canadian leaders of the CCL are advocating Socialism. They take a position directly opposite to that of Scottish-born Philip Murray who is outspokenly opposed to Socialism, Communism or any form of collectivism.

Like William Green, president of the AFL, Philip Murray sees Competitive Free Enterprise as the foundation of the rights and security of organized labor.

PRINCE RUPERT BOWLING ALLEYS'

to Open Monday May 23

Prince Rupert Daily News
Saturday, May 21, 1949

Mussellam, who as the representative of the West Assurance Company is well known in the Rupert district, has appointed manager of the Prince Rupert Bowling

Alleys. He and his associates will be hosts to the Prince Rupert public Monday when Mayor Nora Arnold officially opens the new sport spot on Third Avenue.

SEVEN NEW HARDWOOD ALLEYS IN BEAUTIFULLY REMODELLED VENUE

The Prince Rupert Bowling Alleys, an enterprise backed by a group of local business men and under the managership of Eddie Mussellam, will be officially opened to the public at noon Monday, May 23.

Located on the upper floor of the old Moose Hall, Third Avenue, the seven hardwood alleys are set in pleasant surroundings created by natural finished panelling and interior fixtures designed and installed by the Skeena Construction and Cabinet Company under the direction of R. A. Gatzke, construction superintendent and Norman Spidel, finishing foreman for the company.

The modern, stream-lined alleys, installed by the National Manufacturing Co. of Vancouver, are constructed of eastern maple. Equipment installed in the pits is designed to assure accurate pin-setting, while another new feature, as far as Prince Rupert is concerned, will be the use of foul-line lights with switchboard controlled by the referee during league games. Although the alleys may be used

for any type of bowling, five-pins will be the game played for the present. Fluorescent lighting, installed by Grant and Newton, has been arranged to provide proper illumination on the alleys at all times.

A modern sandwich bar, creating a smart appearance with its marble-like westplac covering and 12 chrome, red plastic cushioned swivel chairs, is an important part of the new bowling centre. Also at the head of the alleys is the cashier's office and rest rooms. On the mezzanine floor, reached by a curving staircase faced with birch veneer, are the spacious spectator's galleries and lounges. Both the men's lounge and the ladies' lounge have natural wood finish and built-in chesterfield seats constructed by the Skeena Construction Company and upholstered and covered with yellow plastic by Mattson's. Built-in coat cupboards are features of each lounge. Clean, bright rest rooms are adjacent to the lounges.

At the back of the alleys, over the pits, a backdrop of beautifully stained cedar panelling has been installed. Sylva craft and straited plywood have been effectively utilized to sheath the supporting columns down the centre of the spacious room. Sylva craft has also been used as decorative panelling for the west wall while the ceiling and east has been painted

in subdued colors. "The policy of the management, will be to provide modern bowling facilities and accommodation where the public may enjoy their recreation amid clean atmosphere and pleasant surroundings," declared manager Eddie Mussellam, when he was questioned today about the new enterprise. Mr. Mussellam pointed out that installations have been made that will maintain the temperature of the room at a comfortable level the year around.

Contribution to Charity

On Monday, opening day for the Prince Rupert Bowling Alleys, there will be no set charge for use of the alleys. Instead, those wishing to play will be asked to donate whatever they wish and the total collection for the day will be contributed to a local charity fund.

CIVIC CENTRE LIVELY SPOT DURING KING EDWARD INDOOR TRACK MEET

King Edward elementary school brought the Civic Centre gymnasium into racing, screaming life Friday afternoon when 180 pupils of its senior grades competed or vocally supported competitors in the school's second annual indoor track meet.

All the razzle-dazzle of more mature scholastic athletic events was colorfully present, including cheering sections for the Black and Gold houses which competed against each other throughout the meet.

Winner on the basis of points was the Gold House, whose avid supporters ran up 120 points, against 105 for the Black House, in the 40 events which made up the competition.

Highest individual scorer, and winner of the Variety Store was nine-year-old Marilyn Farmer, of Black House, who claimed four first prizes for 12 points.

While the 180 pupils of Grades Three to Six were holding their meet at the Civic Centre, 110 Grades One and Two pupils held their own competitions at the school grounds. Under supervision of Mrs. M. O. Kullander, Miss Fetherstone and Miss Sweeny of the teaching staff, the juniors took part in dashes, relays, sack races and three-legged races. Winners were given ribbons, as were those in the older group.

Officials of the senior meet were Principal R. G. Moore, starter; Roland Miles, Joe Goscoe and John Jenkins, judges; Mrs. E. Piche, Mrs. F. M. Gulland and Miss Georgina Mitchell, recorders; and Miss M. Arnett and House Captains Roy McIntosh and Gordon Marshall, supervisors.

Winners of events at the Civic Centre meet were:

Dashes
Boys, 8 years—1st, Terry Martin; 2nd, Barry Mark; 3rd, Joe Arseneau.
Girls, 8 years—Beverley Calderoni; Louise Anderson; Shirra Halliday.

Boys, 9 years—Bobby Kelsey, Jerry Bowes; Frank Kilborn.
Girls, 9 years—Marilyn Farmer; Gall Harvey; Sylvia Clavering.

Prince Rupert Man Buys Terrace Shop

TERRACE—After 17 years of business in Terrace, Bert West sold out his Meat Market last week to George Peters of Prince Rupert who will take over on June 1. Mr. and Mrs. West will leave on June 9 for a long vacation in the south and then return to their home here. Mr. Peters, who has been for twenty years in the railway service at Prince Rupert, recently holding the position of yardmaster, will arrive here next Wednesday to take over June 1.

TERRACE BRIDE-ELECT HONORED

TERRACE—Miss Josephine Jordan, whose marriage to Albert Harrison will take place here on June 1, was honored at a surprise shower on Wednesday evening at the home of Mr. and Mrs. E. Haugland. Dolly and Irene Haugland were the young hostesses. Tiny Karen Campbell brought in the gifts on a decorated wagon and presented them to the surprised

bride-to-be. Later, delicious refreshments were served. Among those present or sending gifts were: Mesdames R. Cooper, A. Houlden, L. Johnstone, G. Jordan, H. Smith, S. Smith, N. McNabb, E. Hobenschild, T. Campbell, R. Perry, E. Harrison, C. B. Harrison, E. Haugland, J. Frank, Misses B. and J. Kirkaldy, Merle West, Doreen Murie, Yvonne Larson, Colleen Whalen, Betty Curtis, Violet Jackson, Elsie Crego, Mary Little, Lillian Mile.

Mrs. Alex Mitchell and Mrs. Ed. Saunders were in charge of several raffles, the drawings for which resulted as follows:

Cut glass bowl, donated by Mrs. Samuel Massey, won by Robert Gordon.

Pyrex set, Mrs. Robert Cameron.

Ham, Mrs. A. M. Budnich.

Luncheon set, Mrs. George Shenton.

Apron, Mrs. Samul Massey.

Vase, Mrs. J. Alexander.

Master Arnold Rivett drew the lucky tickets.

The Coalition Government states its PROGRAMME

Great Progress in Industrial Development and Social Welfare to Be Continued Under Coalition

- To complete Pacific Great Eastern Railway from Quesnel to Prince George.
- To develop port of Squamish by constructing lumber assembly plant to serve mills in Prince George and Quesnel areas.
- To construct a modern highway from West Vancouver to Squamish, giving fast freight and passenger connection with P.G.E.
- To assist the B.C. Power Commission in power development at Quesnel to serve Quesnel, Wells, Williams Lake and Prince George areas.
- To survey extension of P.G.E. to Peace River area and continue exploration to prove coal deposits in Hasler Creek area.
- To encourage the establishment of an aluminum industry in area south of Prince Rupert.
- To encourage establishment of pulp and paper, plywood and lumber mills adjacent to P.G.E. to provide employment and additional freight for railway.
- To continue highway development programme with view of completion of main arterial highways by 1953.
- To accelerate improvement of secondary highways.
- To complete Pine Pass Highway from Prince George to Dawson Creek.
- To complete Hope-Princeton Highway and open for traffic this year.
- To accelerate power development and rural electrification by making available to Power Commission \$15,000,000 borrowing power in addition to \$5,500,000 for Quesnel project.
- To continue the work of the Fraser River Basin Board for flood control.
- To carry out programme of irrigation projects for which the government has provided \$3,000,000.
- To assist agricultural industry by expanding our land clearing system, assisting farmers to obtain adequate water supply and minimize soil erosion.
- To stimulate expansion of mining industry by constructing mining roads for development of various mining properties.
- To encourage discovery of further mineral wealth by expanding free grubstaking of prospectors.
- To expand scientific research for existing industries as well as for establishing new industries.
- To develop export markets and find increased domestic markets for surplus products.
- To appoint a commission to review Workmen's Compensation Board so that the Act may be modified in keeping with the best interests of employees and employers.
- To institute an exhaustive study by a conference of employers and employees of the administration of the Industrial Conciliation and Arbitration Act so as to improve further the labour laws of the province.
- To widen the scope of the "open Borstal School" by establishing a similar school for girls and also a "closed Borstal School" where youths may be separated from chronic criminals, studied and then passed on to the "open Borstal School" for vocational training and good citizenship.
- To build soundly on the Social Security structure already well laid down in this province by constant review of such services as Hospital Insurance, Hospital Construction, Old Age Pensions, Social Allowances, Mothers' Pensions and various health services.
- To press Dominion Government for a contributory superannuation system.
- To endeavor to reach a Dominion-Provincial-Municipal agreement on low rental housing.
- To increase outdoor sports facilities by expanding the programme of stocking lakes and streams, increasing the release of game birds and generally working in close co-operation with the various fish and game associations in the interests of conservation.
- To assist school boards to complete their next four years' building programme by continuing to pay 50% of the cost.
- To provide necessary funds for future buildings at the University of B.C.
- To review continually educational costs based on relative assessed values so that equalization of the burden can be attained.
- To assist further pupils in rural areas to receive education by paying board allowance to parents and 50% of the cost of constructing dormitories.
- To construct the first \$350,000 unit of a new school for deaf and blind.
- To assist school boards by providing them with standard plans and to make available a construction engineer who will inspect schools erected from such plans.
- To guard the public's heritage in respect to natural parks by developing those already reserved and place under reservation other areas where deemed necessary.
- To render the Dominion Government the fullest co-operation in all matters affecting our security, thereby making evident our full support of Canada's partnership in the Atlantic Pact.

The foregoing programme can be carried out only on the basis of free enterprise. The fundamental issue before the electors is therefore whether they wish to continue the present administration with its progressive policies or wish to embark on an experiment in socialism.

We believe the people of British Columbia will again say emphatically that they want British Columbia to progress on sound business lines.

M. A. Manson
Minister of Finance.

Byron D. Johnson
Premier of British Columbia.

STEWART—An enthusiastic reception from an audience which numbered about eighty was accorded E. T. Applewhite, former popular Stewart man and Liberal candidate for Skeena in the forthcoming federal election, in the Canadian Legion Hall here Tuesday night. The Liberal candidate's address was punctuated by applause as he made points at several junctures. Mr. Applewhite emphasized that the issues in this campaign were clearly between free enterprise and the established Canadian way of life on the one hand and Socialism, with its inevitable bureaucratic controls, on the other. He pointed to the Socialist governments of Saskatchewan and New Zealand and the government of Great Britain to a lesser degree as examples of this type of government.

As for himself, Mr. Applewhite said he was offering his services because he sincerely wished to be of service to the constituency and its people. He would, if elected give "real representation" and not "misrepresentation."

P. H. Linzey of Prince Rupert was a supporting speaker on behalf of the candidate.

W. R. Tooth acted as chairman. Mr. Applewhite and Mr. Linzey were flown in from Alice Arm by Pilot Pat Carey of Skeena Air Transport who took them to Prince Rupert on Wednesday.

LAND REGISTRY ACT
Re: Certificate of Title No. 13021-1 to the North Westerly Five (5) acres, more or less of Lot Six Thousand Two Hundred and Fifty (6250), Range Five (5) Coast District.

WHEREAS satisfactory proof of loss of the above Certificate of Title, issued in the name of George William Hout has been filed in this office, notice is hereby given that I shall, at the expiration of one month from the date of the first publication hereof, issue a Provisional Certificate of Title in lieu of said lost Certificate, unless in the meantime valid objection be made to me in writing.

DATED at the Land Registry Office, Prince Rupert, B.C. this 29th day of April, 1949, A.D.
ANDREW THOMPSON,
Deputy Registrar of Titles.
