## Livening Up House

FEW CAN DENY that, during the past half dozen years or even longer ago, parliamentary life in Canada has been singularly free of the sensational, the unexpected, or an incident calculated to cause public discussion, or front page scareheads. It's all been discreet, cautious and so proper.

But with an election approaching, subjects yearning for introduction and a general sense of expectation there are already signs of a change. Whatever form it takes can hardly be disappointing to the people of the provinces, and that may go, just as well, for Newfoundland. For there has been too long a feeling of too great a centralization of federal authority at one end and too much uncertainty and restlessness at the other, with the distance between widening all the time, and an objective, such as national unity and understanding becoming a matter of less not more urgency. Any developments at Ottawa that will see the asking of questions, the threshing out of vital, timely issues on the floor of the House will not be wholly unwelcome.

## RAGS AND JEWELS

A SMALL ITEM from India tells a big story. The private estate of the Nizam of Hyderabad is to be nationalized. The land totals about 7,000 square miles in area and nets the Nizam an annual income of perhaps \$10,000,000. The Indian government claims that very little of this has gone back into improvements; most of it, they say, goes to swell the Nizam's fabulous private fortune, including his far-famed jewels.

The telltale fact about this sort of anachronistic feudalism is that in recent years Hyderabad has become a stronghold of Communist agitation. Communism can always be counted on to take hold where millions of ignorant people live under the shadow of a vast injustice. The announced intention of the Indian government to bring a greater measure of social justice to Hyderabad's millions holds out hope for an attack on the causes rather than merely the effects of communism in this land of rags and jewels.

## PRESS CONFERENCE

THE PREMIERS and the press are seeing more of each other these days. More press conferences are being held and these are much less formal although there is no back-slapping or easy "asides."

Where once, the correspondent met Mackenzie King every six months and Bracken every few years, it's now coming down to get-together chats every few weeks and this goes both for the Prime Minister and the Leader of the Opposition. The system should make for an improved relationship and, in the long run, a clearer understanding of public affairs.

## MAYBE NO FLOODS

MOUNTAIN REGIONS east and north of the Bulkley country have not had exceptionally heavy snow falls, say those who, because of residence there, are able to speak with some authority.

Spring floods, involving rivers such as the Skeena and Fraser, have usually had their sources in the melting snows far back from the coast. But, according to what is said this year, there has been no great depth, and that gives rise to the hope that whatever high water there may be, it cannot be classed as flood. This, while not warranting too great a confidence, is at least reassuring.

## I.O.D.E. HELPS MANY CAUSES; MRS. MUNTHE AGAIN HEADS ORDER

Gratifying reports of the work of the Imperial Order Daughters of the Empire were read at the annual meeting Monday evening in the Common Lounge of the Civic Centre. There was an attendance of over forty members with Mrs. Jens Munthe, Regent of Municipal Chapter, in the chair.

To the strains of "Land of Hope and Glory" the officers entered the room following the four standard bearers, attired in white, carrying the flag for their respective chapter.

Following the formal opening Mrs. Munthe presented a brief review of the year's work after which reports of the different officers and conveners were presented.

With the dispersal of Hill 60 Chapter at the beginning of 1948, a new chapter of "war brides" was formed, namely, the Duchess of Edinburgh Chapter. This chapter closed its first year of activity with a splendid report. The members had enjoyed meeting and working with the young women who have come from across the sea to live here and today it was felt that the term "war brides" was a thing of the past. They were not only fellow members of an organization working together but fellow Canadians as well.

Due to the sale of the I.O.D.E. property in the city the Order was able to make substantial donations in the amounts of \$900 to the I.O.D.E. War Memorial Fund; \$900 to the Endowment Fund and \$500 to the Cancer Fund. The balance was divided among the chapters to be used to further the work of the Order in Prince Rupert and district.

It was reported that Municipal Chapter had put up a scholarship of \$100 to be given to the graduating student of Booth Memorial High School in June, 1949. This, it was hoped, would become an annual undertaking. The following grants had also been made during the year by the Primary chapters for the expansion of school libraries:

Borden Street School, \$20.  
King Edward School, \$25.  
Booth Memorial School, \$50.  
Conrad Street School, \$50.  
Port Essington School, \$10.  
Port Edward School, \$10.

Pictures of the King and Queen were placed in the last-mentioned two schools.

Queen Mary Chapter had adopted a ward in the new wing of the Prince Rupert General Hospital and planned to furnish same. A new lamp and cabinet were purchased by Cambrai Chapter for their ward in the local hospital.

**HELP FOR OVERSEAS**  
During the year 81 food parcels were sent by the Prince Rupert chapters to Great Britain valued at \$362.17 while two were sent to needy families on the Continent. The names of these two families were submitted by one of the Belgian members. A total of 187 articles of new clothing valued at \$188.80 have been forwarded to Provincial for overseas shipment. Twenty nursery bags were sent to the Queen Elizabeth Hospital in London, England. The sum of \$140 was given to the British and European Child Relief Fund.

A relief fund for a lighthouse keeper and his family who lost everything in a winter storm was sponsored by the I.O.D.E. with the co-operation of the Daily News. Gifts of clothing, food and coal were made to needy families in the city during the year as well as hampers and toys for the children at Christmas.

At Christmas gifts were also made to each of the residents of the Pioneers' Home and to the girls from Europe who were working in the local hospital.

Thirteen military markers were placed on soldiers' graves in the local cemetery as well as one in the Smithers cemetery for a local veteran.

The Order sponsored a Tag Day in October in aid of the Canadian Institute for the Blind and the Emergency Relief Fund was assisted financially.

The I.O.D.E. had a member on the executive of the Prince Rupert Music and Drama Festival as well as a representative on the Board of Local Citizens to assist the Department of Labor in connection with girls employed in the city who were brought here from Europe.

**ELECTION OF OFFICERS**  
Following the reading of reports, election of officers resulted in Mrs. Munthe being returned for a second term as Municipal Regent with the following slate of officers:

Honorary Regent—Mrs. D. C. Stuart.  
Honorary First Vice-Regent—Mrs. S. V. Cox.  
First Vice-Regent—Mrs. C. Ham.  
Second Vice-Regent—Mrs. J. Stewart.  
Secretary—Mrs. T. Fraser.  
Assistant Secretary—Mrs. Doug. Stewart.

Treasurer—Mrs. J. A. Teng.  
Echoes Secretary—Mrs. E. Barton.

Educational Secretary—Mrs. G. R. S. Blakaby.  
Organizing Secretary—Mrs. S. A. Kellback.  
Standard Bearer—Mrs. S. V. Cox.

Due to the failure of films on the King and Queen's recent tour and the Royal Wedding to reach the city, L. A. N. Fotherton loaned two of his reels for showing. Another film on the development and manufacture of the pipe organ through the years was shown. Both were much enjoyed by the members during the meeting.

Following the meeting delicious refreshments were served and a social hour spent.

## CIVIL SERVANTS TO KEEP RIGHTS

OTTAWA — Newfoundland civil servants who join the public service of Canada on a union between the two countries will continue in employment without reduction in salary, and with no loss of pension rights.

## AIR PASSENGERS

To Vancouver—E. T. Applewhite.  
To Sandspit—J. C. Howes.  
From Vancouver—K. Smedley, T. Paulson, Mrs. T. Boulter.  
From Sandspit—E. Bernard.

50,000TH NEW CANADIAN—Eight-year-old Ausma Levalds, 50,000 displaced person to arrive in Canada, receives a doll from Mayor J. E. (Gee) Ahern of Halifax at pier-side immigration barracks. Ausma will make her home at New Hamburg, Ont. Her 1,200 fellow passengers on the liner Samaria were nearly all seasick during the rough crossing. (C. P. Photo)

## LETTERBOX

### ALD. BLACK'S POSITION

Editor, Daily News:  
May I request the privilege of using your columns to point out that the statement in your issue of Tuesday, March 1 attributed to me which reads: "Alderman Black said that he was not against the Power Commission taking over"—is entirely in error. This statement should have read "I am not against the motion now introduced regarding the Power Commission being considered at the proper time but, in view of the fact that the franchise does not expire until March, 1954, it is premature for this council to deal with the question which rightfully is the privilege of the council and taxpayers in 1953 and 1954."

Further may I state that I mentioned "Believing that the future growth of this city is now assured, and having assisted through its connection in bringing this about, the Northern B.C. Power Company has for the last year and a half explored the possibilities of future power development but threats of expropriation or uncertainty of tenure are definitely not conducive to

encouraging further capital investment by private enterprise in the locality or province."

All the abbreviated statements recorded in your paper on the above subject presumably supposed to have been presented by myself to the city council, are inaccurately recorded and I consider it would have been much better to have omitted any reference to them entirely rather than give such a garbled and distorted picture to the public.

I trust that you will give this letter equal publicity and thank you for the courtesy extended.

T. B. BLACK,  
General Manager,  
Northern B.C. Power Co. Ltd.

## GO-OP NAMES NEW DIRECTORS

More than 100 members of the Prince Rupert Fishermen's Co-operative elected four directors to serve for three-year terms at Tuesday's session of the organization's annual meeting and heard reports of affiliated co-operative organizations. The meetings are being held at the Oddfellows' Hall.

Anton Martindale, who last year served as chairman of the board of directors, was re-elected to the board along with Bernhof Pederson, John Davidson and Chris Berg. They were elected from a slate of 12 who were proposed for election.

The three retiring directors are Jacob Furures, Harold Heland and Carl Giske. Reports from United Fishermen's Co-operative of Vancouver were delivered by O. E. Hansen and C. McKee and from the Kyuquot Trollers' Co-operative by John Donaldson and Sig Sekkmo. D. W. Bentley gave a summary of activities of the B.C. Co-operative Wholesale Society and George Verreck outlined the year's progress of the Prince Rupert Fishermen's Credit Union.

The Vancouver firm of Weedon and Everet were re-appointed as official auditors while Henry Jackson of Prince Rupert was elected member-elect for the three-year period. He replaces Helmer Mork.

Final sessions of the annual meeting continued this morning and afternoon.

Some damage was done to a truck owned by George Dybhavn when it went over an embankment at the corner of Allyn and Graham Avenues last night. The vehicle came to rest against a growth of trees about 10 feet below the street level.

**YOU can save his life**

In a far, northern settlement, a man meets with a serious accident. Somewhere else in Canada's hinterland, a woman is about to give birth to a baby. Were it not for the Red Cross, these, and scores of other sick and injured people, would be without medical or hospital care.

But the 75 Red Cross Outpost Hospitals are ever ready to serve isolated areas. Last year over 70,000 patients received treatment through these hospitals.

This is part of the work YOUR Red Cross is carrying on. You are asked to help save lives on these lonely frontiers, to provide assistance to crippled veterans, to send relief wherever disaster strikes, to support the Red Cross Free Blood Transfusion Service, to extend help to suffering humanity everywhere.

The Red Cross work being carried on in a thousand ways is made possible by you and thousands of other Canadians. Give willingly, generously. Give now!

Red Cross services also include: Treatment for Crippled Children, Nutrition Services, Home Nursing Courses, Swimming and Water Safety, Women's Work Activities, Sick Room Loan Cupboards, etc.

**CANADIAN RED CROSS**  
Local Campaign Headquarters: R. A. MORLEY

### CITY BUILDING PERMITS LOWER

Value of city building permits issued at the City Engineer's office during February was the smallest in more than two years and the total for the first two months of 1949 is the lowest since 1945, construction records reveal.

Construction value last month was \$6,675 and the two-month total was \$15,575.

Largest permit issued in February was \$2,000 for renovation of the men's beer parlor at the Commercial Hotel. Biggest actual construction was issued to Pat Mazzei for the excavation of a foundation for a vehicle service station on Third Avenue at Seventh Street.

Here are the 12 permits issued last month:

Little's News Stand, Second Avenue, \$200, repairs.

N. Christiansen, Sixth Avenue East, \$200, addition.

A. Petersen, Ambrose Avenue, \$300, repairs.

P. Mazzei, Third Avenue, \$1,000, excavation.

R. E. Mortimer, Second Avenue, \$100, garage.

Commercial Hotel, First Avenue, \$2,000, alterations.

L. C. Eby, Cow Bay, \$800, workshop construction.

Mrs. A. Pavlikis, Second Avenue, \$125, repairs.

Smith Block, Third Avenue, \$350, repairs.

Moose Hall, Third Avenue, \$300, repairs.

A. Pongracz, Second Avenue, \$500, repairs.

C. G. Ham, Second Avenue, \$900, repairs.

### APPLEWHAITE DELEGATE TO TRAVEL BODY

Prince Rupert will have its first representation on the B.C. Tourist Council this year since early in the war. The Council a government advisory body composed of regional appointees from throughout the province, will meet in the capital city tomorrow.

The Prince Rupert delegate will be E. T. Applewhaite, secretary of the local Chamber of Commerce, who flew south today to attend the conference. He expects to return Friday.

Under the sponsorship of the British Columbia Department of Trade and Industry, the Tourist Council holds periodic meetings with its regional members and receives suggestions from them which, in part, determine policy for publicizing British Columbia.

Before the war, Prince Rupert held a membership on the Council, but for several years there was no representation from here so the membership was transferred to Prince George. However, the Chamber of Commerce has been pressing to have membership restored and this year succeeded.

One of the difficulties encountered in making a place for Prince Rupert on the Council was the fact that the number of regional representatives is set by statute and a revision of the law was needed to establish an extra seat on the Council.

However, the Chamber of Commerce was advised recently that such a place had been made on behalf of Prince Rupert. Mr. Applewhaite was then selected by the Chamber of Commerce to be representative.

Mr. Applewhaite left today armed with a number of suggestions which he hopes to place before the council relative to the development of tourist business in central British Columbia.

Travelling expenses of the delegates are borne by the B.C. Tourist Council.

Mrs. R. Robison of Vancouver arrived in the city this morning from Vancouver on the Princess Norah to spend the summer with her son-in-law and daughter, Mr. and Mrs. R. J. Guthrie.

**VITAMIN E TREATMENT BIG CONTROVERSY**—In May 1945, three doctors in London, Ont., Evan V. Shute, Wilfrid E. Shute and Arthur Vogelsang, announced they had successfully treated heart and vascular diseases with vitamin E. Doctors have been divided about its usefulness ever since. While the controversy goes on the work of the Shute Institute in London is being continued. The two brothers, Dr. Evan and Dr. Wilfrid Shute, above, carry on their work along the pattern set by the Mayo Clinic in the U.S.

### What's New at CIVIC CENTRE

For the regular movie Thursday evening in the Civic Centre films will be loaned through the courtesy of the I.O.D.E. and will feature the Coronation of the King and Queen, also their Majesties' trip to Africa. These special interest films will be entertainment for both adult and teen-age members alike. There will be a repeat filming if necessary. A movie on golf will also be shown the same night.

With a tournament starting next week, table tennis will be featured on Thursday night in the Auditorium for the teenagers to practice. There will be one court for badminton for those who wish to play. Registration for the tournament has begun at the Civic Centre office.

Percy Jones returned today on the Princess Norah from a trip to Vancouver.

Assistant Fire Chief E. W. Becker returned this morning on the Princess Norah from Vancouver where he spent the last three weeks with the Vancouver fire department observing its fire fighting methods. He was sent south by the city council preparatory to his taking over the position of Fire Chief following the retirement of Fire Chief H. T. Lock at the end of this month.

Mrs. Robert McCarthy returned to the city on the Princess Norah today from a brief trip to Vancouver.

Archdeacon and Mrs. E. D. Hodson returned this morning on the Princess Norah from a trip to Ocean Falls.

Mrs. Robert McCarthy returned to the city today on the Princess Norah from a brief trip to Vancouver.

Canon W. F. Rushbrook returned to the city today on the Princess Norah from Vancouver after spending the last two weeks in the south.

**DUCKS STARVING ON DELTA MARSHES OF FRASER RIVER**—Wild ducks by the thousands have been waddling around half-starved on the delta marshes of the Fraser River near Vancouver. Game Warden "Slim" Cameron said the birds were more in need of gravel for their crops than grain. The frozen ground just doesn't yield gravel. Meantime farmers in the area are worried for their spring crops. They fear that with the thaw the starving birds will ruin beet and clover crops, besides other grain fields. Farmers are able to walk within feet of the birds before they take off, and only two or three shot gun blasts (in the air) will raise any number off the ground, as in the picture.

**ANNETTE'S HOLD TOP SPOT IN "A" LEAGUE**  
Annettes maintained their single point lead in the Ladies' "A" Five Pin League this week by taking three games from Taft and O'Dowes while Gordon and Anderson are still breathing down the necks of the leaders on the strength of a triple victory over De Jong's. The session saw four of the league's ten teams emerge with clean sweeps over their opponents. Savoy Swingers and Mansons each took shut-outs over Variety Store and Orange. Rose McCallum of Savoy Swingers bowled a mighty 300 to take the high score for single game, while Sheila Ramsay of Gordon and Anderson came through with the top three-game score—681, averaging 227.

Savoy Swingers 3, Variety 0.  
Annettes 3, Taft and O'Dowes 0.  
Gordon and Anderson 3, DeJongs 0.  
Mansons 3, Orange 0.

**BASKETBALL—**  
**Co-Ops Are Laid Low**  
Morgan's Still Have Chance in Intermediate League

Brownwoods toppled the mighty Senior Co-op squad for their second victory over them this season by a two point margin, 37 to 35. It was Co-op's third defeat of the year. Morgan's held on to a slim chance of making the Intermediate play-offs as they defeated cellar-dwelling Stone's 40 to 37 in an exciting game. Dom's came out of their mid-season slump to score a 19 to 3 victory over High School in the Ladies League.

North Star handed the Rupert Hotel team their tenth defeat as they won handily 35 to 13. The "Hoop Shoot Contest" continued last night with 30 contestants shooting it out against each other. The best score of the night was made by one of the referees, Fred Calderoni, as he potted 12 to defeat Sev Dominato, who made nine. Several fans shot against each other with Joe McKay beating Bill Lambie 9 to 7. The low score of the night was Bill Long's victory over Bud Timmermeister 3 to 2.

Both teams missed a first string player last night—Lindsay of Co-op and Forman of Brownwoods. The reserves came through capably for Brownwoods but it was hard to find anybody to take Lindsay's place. The first quarter was fast with both teams doing a lot of leg work and ball handling but their shooting was poor as they tied at the end of the quarter 6 all. Brownwoods edged into a small lead in the second quarter but Co-op kept right on their heels as Dominato came through with his best scoring night of the season. The half-time score was in favor of Brownwoods 14 to 13.

Shooting improved in the third quarter and Lavigne began hitting his form and dropping in his one-handers from the side. MacPhee and Dominato continued to carry the load for Co-op as Beynon was off in his shooting. In the final quarter the going got rougher as both teams played aggressive ball in their attempts to score. Bob Gill, up from the Intermediate Fashion squad, played for Brownwoods and his height was used to good advantage on defence. Beynon found his shooting eye in the final minutes of the game and pumped in 7 points to bring his team within two points of the Shoemen with 40 seconds remaining. Brownwoods tried to control and stall the ball but Murray stole the ball and stole away for (Continued on Page Five)

## PROTEEGEE LIGHTS OUT

Lou Principe of Vancouver Still Looking for His Boy, Corbett  
VANCOUVER—Billy Corbett, Lou Principe's errant professional boxer, is still missing after a skip-out by plane to New York. Principe, "who" lost money building up Corbett, gave him a home, taught him to fight and read and write," says: "Until we can get some guarantee from these boys, it's hopeless putting on shows." With his brother, Al, Principe has taken all possible steps to prevent Corbett from boxing in

**PRINCE RUPERT YEARS AGO**

**Twenty-Five Years Ago**  
 The Alaska Steamship Co cancelled its service to Prince Rupert because of lack of business. The steamer Alameda, enroute north, made the last regular call by company ships.

**Thirty-Five Years Ago**  
 H. S. Clements, M.P. for Comox-Atlin, announced that a bill would be introduced at the next session of the House for the appointment of a sanitary inspector for the salmon canneries.

Mayor S. M. Newton telegraphed an offer to the mayor of Prince George to the effect that this city would co-operate in trying to have the proposed railway line from the Peace River join the C.N.R. line at or near Prince George, rather than in Alberta.

The forestry launch Geraldine was destroyed by fire south of Swanson Bay when a blaze broke out in her big. The forestry boat Libea R. was scheduled to replace her in the Swanson Bay area.

You saw it in the News!

**BEST BASKETBALLS BETWEEN**

Bud Barrie, coach of the ancients in the coming "Past" vs. "Present" game on the coming Saturday evening, has released the line-up with which he will endeavour to carry out the many boasts flying around the cigar stores these past few weeks regarding the outcome of the show.

At centre will be seen the former C.N.R.A. great, Sonny Siles, and Freddie Calderone who played his better games for Anjous when that town vied for honors with Rupert, Premier and Ocean Falls a few years back. Forwards will be Bob Armstrong, George Vierck, Eddie Gladding and Carl Smith. Gladding also saw much action in those bygone days in strip for Premier. Guards will be Tom McMeekin, Bob Moxley, Bob Irvine, "Batting" Benny Windle, Carl Smith and Alex Mitchell. This line-up will no doubt draw out a memory for coach Barrie of the days when the Moose Hall was the "Civic Centre" and the league crowds could be counted on three hands.

In the ladies' section listed under "Old Times Girls" we had many former stars in the persons of Lil Peters, nee "Bugs" Lowe, Laura (Fritzel) Mitchell, Cath (Irvine) Fraser, Pebbles (Stone) Dickens, Elsie (Davies) Murray, Topa (Blain) Armstrong, Betty (Ellison) Lindsay, Jean (Wilson) McLeod and Evelyn (Marsh) Smith.

These two teams will meet the pick of the local leagues and are taking matters very seriously with practices being held thrice weekly for the past month or so.

Rumor has it that there was "weeping and gnashing of teeth" in the Co-op dressing room last night after the league leaders had lost their second straight to the Brownwoods crew. Unconfirmed reports state that Sonny Beynon offered his strip to the management after the game and, if he carried out his threat, he will be missed greatly. The fishermen cannot afford to lose any players at this time as the absence of Jack Lindsay proved last evening.

Referee Comadina failed to respond to overtures from the executive of the Basketball Association and was not available for the games last night. Johnny, apparently, felt that a remark in this column last Monday was uncalled for and quit the league cold. He has been well advised that this writer has no connections whatsoever with the league and calls them as he sees them. The margin of human error is present at all times and few are exempt. There is no one interested in basketball hereabouts that does not and has not appreciated Johnny's work and, if the minutes of the last executive meeting of the Association were perused by Mr. Comadina, he will find that it was upon the suggestion of this writer that funds were made available so that he could travel Alaska with the All-Star team as a recompense for the good work he has done here for years.

League games this week will be switched from Saturday to Friday to make way for the special games on Saturday night.

—ART MURRAY.

**TOUGH ONE**—These Regina public school boys are seriously considering a difficult shot in a school "jam-pail" curling tussle. Most of Regina's public schools have outdoor curling rinks and competition is keen. A bonspiel to decide the jam-pail champions is in the offing. (C. P. Photo)

**CO-OPS ARE LAID LOW**  
 (Continued from Page 4)

a lay-up shot which was unsuccessful. Co-op had several chances as the seconds ticked away but the ball just rolled around the rim and Brownwoods walked off the floor victorious.

Co-op took 102 shots and scored 6. They made 3 of 4 free throws. Brownwoods took 87 shots and scored 16. They made 5 of 15 free throws.

**INTERMEDIATE LEAGUE**  
 Morgan's kept their play-off hopes alive as they out-lasted Stones 40-37. It was a close game with only a few points separating the teams. The game started out fast with Morgan's taking the edge at quarter time 12 to 8. Stones cut the lead to 2 points in the second quarter as McChesney and Marshall teamed up to score all Stone's points as Morgan's slowed down and did not take many shots. The half-time score was for Morgan's, 18-14. Dumas, playing the pivot for Stone's, took over the scoring duties in the third quarter as he popped in 6 points but it was not enough to hold the surging Morgan's as they dropped in long shots. They led 28 to 24 at three-quarter time. In the final quarter Morgan's took a 38 to 32 lead with only several minutes left. Young and Smith put Smith right back in the ball game as they scored. Boulder led the game for Morgan's with a two-handed set shot. Stones played hard in the final two minutes but their shots just would not go in.

Stones took 62 shots and made 18. They scored 1 of 11 free throws. Morgan's took 48 shots and made 16. They took 16 free throws and made 8.

**LADIES' LEAGUE**  
 Dom's came out of their scoring slump to score 19 points and defeat High School 19-8. The win gave them a full game lead on Peoples with each team having one game to play, each against High School. High played their passing game and brought the ball right under

**SAMIS AND MRS. LOVETT FAVORED**

MONTREAL (C)—Chances of youthful Johnny Samis of Vancouver for regaining the men's singles badminton crown were boosted yesterday with the report that Toronto's "Old Man of Badminton," Dick Birch, would be unable to defend the crown at the title meet this week.

Samis lost the championship to Birch in an upset at Toronto last March.

Birch has now been side-lined because of an ankle injury.

**Reminiscences**  
By W.J. and Reflections

Winnipeg registered 25 below last Monday night. But the seasoned Winnipegger never admits to feeling chilly. He refers you to the glorious sunshine beaming on the spotless snow. How lovely it all must be!

Word from Ottawa says an investigation into building regulations is to commence at once. Any impediments that delay construction progress will be knocked out. If it takes as long as it does to floor Joe Louis we may as well purchase tents.

There seems reason to think that, at last, pirates' loot worth about five hundred million and secreted centuries ago on Cocos Island off Central America, has been found. With typical self-effacement, the Vancouver press points out that all of those identified with the prodigious find belong to Vancouver.

It does not follow, because traffic has resumed between here and Terrace that the problem of Kwintsa has been definitively solved.

The tall mountain face, hard by the river, has long been a source of more or less difficulty, yet one of these days it must and shall cease from troubling. But for the present, and chiefly in winter, it will continue to be regarded with misgivings, for its that sort of an annoyance spot—not at all uncommon on all lines that pierce the great ranges.

Seven Mounties guarded Izor Gouzenko, former Soviet cipher clerk, when he appeared as a witness at the opening of Sam Carr's trial. In Izor's case, Moscow has a memory that forgets nothing and the R.C.M.P. evidently realize it.

Natural enough for Scandinavia to look westward. Long before Christopher Columbus was heard of Norway's helmeted sea-kings were roaming the northern oceans and viewing the coasts of what are today known as Canada and the United States.

**Letters to the Editor**

**\$100,000 WOULD DO**

Editor, Daily News:  
Referring to the report in your edition of February 15 on the action of your city council on the proposed new telephone plant for your city, I feel it my duty to offer my comments and correct statements made at the council meeting which I know were made in good faith. Nevertheless, I must draw certain facts more plainly to the attention of all concerned in the large expenditure of \$550,000 on the proposed plant.

Admitting the present plant is in pretty bad shape, caused primarily by war conditions making it impossible to procure the necessary repair parts, however, conditions are such today that the necessary parts should now be available and a couple of thousand dollars expended for this purpose would put the present switchboard in first-class shape. By the addition of 2-300 line sections of switchboard, your exchange would be in a position to provide service for 100 individual subscribers and 2000 4-party lines, making a total of 2100 new subscribers.

These sections would not be connected with the present switchboard, as the present switchboard has no room for the addition of the necessary multiples for inter-connection between them. This would be overcome by adding 10 trunk jacks on each of the new sections, which provide the facilities for connecting all subscribers. The method of making this connection will not slow down the service. Each operator has a push button provided to make direct connection to the head-set of the operator on the new switchboard. This operator assigns the trunk jack number which completes the connection in the same manner as if the multiples were used. This installation would cost approximately \$21,500. This is the method used in all large offices. When the switchboard becomes too long for the operators to reach all numbers, what is known as a "B" Board is installed, the original board being known as the "A" Board. All incoming signals are received by the "A" Board, then transferred to the "B" Board by trunks, in the same manner as I explained above. The final connection to complete the call rests with the operator on "B" Board which is the outgoing board. As well, all supervision signals remain unchanged, so that the operator knows when the call has been answered and also when to disconnect. All offices in Vancouver or any other large plants operate on this principle on manual switchboards, as there is no other way of handling the traffic.

To provide for outside lines to take care of this addition, 2-200 pair cables should be added to take care of Sections 5-6 and all sections of the city located on the higher ground, also one 200 pair should be installed from the exchange to lane between Second and Third Avenue on Fulton Street, breaking at this point, 100 pair extended toward Section Two, to take care of that area, the other 100 pair to be extended to cover the area from Fulton Street to Court House, Cow Bay, etc. This would take care of all new demands for service for many years to come, and would relieve the congestion at least one year earlier than the proposed new plant could possibly start to operate. This addition would cost approximately \$56,900, making a total expenditure of \$78,400 and, by providing \$21,600 more for repairs to present office equipment, purchase of additional telephones etc., \$100,000 would be ample.

The telephone situation is in very much the same position as it was in 1919 when the equipment was declared worn out and impossible to add to and a bylaw for \$150,000 was voted to build a new plant. At that time

I disagreed with the statement and wired the manufacturer of the equipment if it was possible to add to the plant, receiving a reply advising a 200 line addition could be provided for \$6000. Since that time one more section was added. This action resulted in the saving of some \$140,000 and the equipment has operated for 30 years since that.

The \$85,000 mentioned as purchase price for the manual system can also be questioned, as this amount included power plant, storage batteries, distributing frame, harmonic ringing machines and test desk which are already installed. This would reduce the above figure by some \$10,000, bearing out my statement that the automatic would cost double the amount of the manual equipment.

As the man who installed your telephone plant in 1910 and enlarged it in 1922-23, I still have a feeling for municipal ownership and am very much interested in its welfare and success and feel no large expansion is justified at this time. Every item required for new plant is obtainable only at staggering costs. For instance, all telephone cables are manufactured from copper and lead these two metals are quoted today at 17 and 24 cents respectively per pound for crude ore at the smelter. When refined and made into cables the cost would be tripled, making the cost of these cables out of all reason, whereas, if only sufficient cable were purchased at present to relieve the present shortage of lines, and provide for all demands for telephone service for a year or two, it will be reasonable to expect that these metal prices will have dropped considerably and

more cable could be purchased if required.

Another point that favors the installation of the cables as I suggested, all would be so located as to mesh in with any new plant which, no doubt, would be located around McBride Street in Sections 5 or 6.

In conclusion, the city is taking on a heavy burden under prevailing high prices but, if due caution, and a very close analysis of the situation is made, I am firmly of the opinion the situation can be met very satisfactorily along the lines I have suggested above. If the present policy is carried out, I fear your utility is not going to meet with the success we all hope for.

Latest from Portland Canal Mining Centre

The ladies of the Canadian Legion and the members of Stewart Branch staged a cribbage tournament on Friday in the Legion Club Rooms, the ladies winning by a score of 7848 to 7774. Individual winners were Mrs. Norma Lewis and Mrs. A. Lawrence for the ladies. W. J. Crawford was first in the men's section with Louis Behnzen taking the consolation prize. Miss J. Crawford won the raffle.

The regular whist drive held by the Stewart Branch of the Canadian Legion on Saturday was well attended and the competition was very keen. Mrs. W. J. Crawford won the ladies' first prize and Mrs. T. Kirkpatrick and Mrs. S. Kirkpatrick tied for the consolation prize. Mrs. Kirkpatrick winning on the cut of the cards. J. (Shorty)

**SHIPS and WATERFRONT**

Carrying 60 passengers for southeastern Alaska points, C.P.R. steamer Princess Norah, Capt. Graham Hughes, was in port this morning. She also carried 220 tons of freight, mostly for Skagway.

C.N.R. steamer Prince Rupert had a new Chief Engineer when she docked here northbound on her weekly sailing. He was Robert Baldrey, who is replacing Reg Williams, currently holidaying in California. Mr. Baldrey was formerly second engineer on the Prince George. Master of the Prince Rupert is Capt. Reg Sparkes who is replacing Capt. Ernest Caldwell who also is on holidays.

**COLORFUL PLACES**—Newfoundland has one of the finest collections of odd places names one is liable to find anywhere in the world. Joe Batts Arm, Heart's Desire, and Horse Chops are all names of places. Here is the SS. Northern Ranger unloading freight at a place called Jackson's Arm

**CLOSE PLAY IN BILLIARDS**

The opening games in the first round of the fourth handicap English billiards tournament which commenced at the Canadian Legion Hall last week were marked by extremely close play which kept the outcomes in doubt until the winning shots had been played. J. Campbell (-30) won a 10 point victory over Dave Owens (-15) after a keenly contested match in which Owens made a break of 24 and the winner 22. In the second game, Bob Moxley (-5) spotted his opponent, Les Parkes, an additional 40 points and, in a whirlwind finish after he had regained his heavy handicap points, just lost by the narrow margin of two points, the final scores being Parkes 150-Moxley 148.

Will you receive  
**\$76.11**  
this month

That's the amount of the cheque for some 2,250,000 Canadians, the 1943-44 Refundable Savings are returned this month. Some will get less. Some will get more. But, if you have a refund coming you, it will be money you have done without... money you've already saved... the kind of money to keep on saving. It feels good to have a nest-egg in reserve. It means a ready fund you can draw on in case of emergency or opportunity. Why not put your refund cheque into a savings account at the B of M?
