B. Liberals Stronger Still

TEAM ROLLER VICTORY IN PROVINCIAL ELECTION YESTERDAY—47 SEATS TO FIVE

FREDERICTON (CP)—Premier John B. McBratney's Liberal party steam-rolled to victory in the New Brunswick election yesterday, gaining 47 of 54 seats in the Legislature. The Premier was re-elected himself together with his entire cabinet. Hugh Mackay, Progressive-Conservative leader, lost his King's County seat with a reduced majority. He will probably lose the leadership for a five-year opposition.

Other parties—C.C.F., Social Credit and Independents—lost to win a single seat.

Indications are that at least 10 Social Crediters, making up the first stand in New Brunswick, would lose their deposits.

C.C.F.'ers waited badly even in industrial centres as Saint John and Moncton and among the defeated was Joseph C. Armstrong, C.C.F. leader, in Saint John.

The Liberals went to the polls on a record of 13 years' administration and offered new social health legislation.

Opposition parties attacked government's financial poli-

London Dock Strike Ends

CARGO HANDLERS RETURNING TO THEIR JOBS

LONDON (CP)—Striking London dock workers voted at a mass meeting today to return to work tomorrow. More than 19,000 dock workers voted by a wide margin to get back on the job after a national emergency had been proclaimed last night and the cabinet had moved to arm itself to beat down the strike. A personal appeal was also made to the good sense of the strikers by Prime Minister Clement R. Attlee.

The strike started sixteen days ago when eleven dockers demanded higher pay for handling "dirty cargo" in the form of zinc oxide. The walk-out was not authorized by union leaders.

Flood Campaign Closes

MAYOR EXPRESSES HER GRATIFICATION AND APPRECIATION

Editor, Daily News:

May I avail myself of space in your paper to close officially the local Campaign for the Flood Relief Fund on June 30. Our total up to this morning is \$16,068.16. This is a very generous amount and compares more than favorably with other cities. In fact, we exceed all cities of our own size and in some cases we have collected considerably more than cities with a somewhat larger population than our own.

I would like to express the thanks of the committee in charge of the local campaign to all contributors and collectors. The response to the appeal was very encouraging, not only from the individual subscribers, but from all organizations from school and other youth groups to all the adult service clubs and associations.

While we realize that our gifts to this fund were not charity, but a duty, it is very heart-warming to know that our people have rallied so quickly and generously to the call for help from our distressed neighbours.

My personal thanks are extended to the members of the committee who were associated with me in this drive, particularly our treasurer, R. A. Morley, who had by far the longest and most onerous duties, Stan Saville who arranged the house canvass and E. T. Applewhite, our secretary, who wrote many letters and was the liaison officer between us and the general fund committee.

My thanks are also due to you, Mr. Editor, for the valuable and attractive publicity campaign carried throughout our appeal by the Daily News. The copy matter was well written and produced and the list of contributors took up a great deal of space. The Daily News kept the appeal in the forefront of our consciousness and helped greatly.

The local drive ends on June 30 but any contributions may still be made at any bank until the Provincial fund is officially ended.

Thanking you Mr. Editor,

NORA E. ARNOLD, Mayor.

CITY OF BERLIN APPEALS FOR HELP

BLOCKADE IS FURTHER EXTENDED BY TYING UP OF CANAL TRAFFIC

LAKE SUCCESS (CP)—A United States spokesman said today that the United States was considering a request from United Nations secretary-general, Trygve Lie, for action in the security council to break the Berlin deadlock. The spokesman said the request had been referred to the State Department.

Berlin's city government today drafted an appeal for the United Nations to intervene in the food crisis caused by Russia's blockade of the city's land transport lines. Louis Schroder, Berlin's Socialist lord mayor, said the city government had decided that the United Nations was the "only institution to which Berlin can appeal in its present distress."

At Hamburg General Sir Brian Robertson, British military governor for Germany, said, if the Russians persist in the blockade, it will "constitute an act of ruthless inhumanity unparalleled in the history of the world." It was "an attempt to gain political advantage by starving the population" and created a grave situation not only for Berlin, and Germany but the whole world.

Russian occupation authorities today stopped the movement of all shipping on the Elbe River including transit shipping to Czechoslovakia, the German bi-zonal transportation administration announced.

Strong diplomatic action against Russia to end the block-

Island Province Rejects Prohibition For First Time In History

CHARLOTTETOWN (CP)—Government control of liquor sales won over prohibition by a majority of more than two to one in yesterday's plebiscite.

About sixty percent of the 52,000 eligible voters cast their ballots. The returns showed that government control had 19,814 votes against 7,338 for prohibition.

This is the first time since 1878, when the province adopted the Canada Temperance Act, that the Island has voted down prohibition.

Prince Edward Island adopted the dry regime in 1901. Yesterday's was the fourth plebiscite since.

FISHING GAMBLE

Will Get No Compensation on Flood Losses

MURRAYVILLE — Fishermen must be prepared to gamble on the uncertainties of their calling. This was the stand taken by Hon. R. C. MacDonald, minister of municipal affairs. Fishermen had applied for compensation for lost income incurred by the floods. Mr. MacDonald remarked that the freshets result annually in losses. He implied it is part of the gamble fishermen take.

MINE SIGHTED

Twenty-One Miles South Southwest of Cape St. James

Another mine has been sighted in waters off the Queen Charlotte Islands. It was reported to have been seen yesterday approximately 21 miles south southwest of Cape St. James. A warning to mariners describes it as a "horned" mine and gives the location of its sighting as 51 degrees 31 minutes north longitude and 131 degrees 26 minutes west latitude. Steps toward its disposal are being taken.

C.N.R. PROVES UP

Comeback After Floods Is Effectively Completed Now

Resiliency and effective organization of the Prince Rupert-Jasper line of the Canadian National Railways is indicated in the speedy come-back which it has made, following the recent floods which washed out the line at several points. After completion of the restoration of the line several days before the deadline, trains are now running normally and on time again. A long train of ten passenger coaches and seven express refrigerator cars which went out last evening was running on time at Smithers this morning. Tonight's train, due from the East at 11:15, was reported this morning to be on time.

"SUGAR" WINS

CHICAGO (CP)—Ray (Sugar) Robinson won a fifteen-round decision Monday night over Bernie Docusen of New Orleans to retain the world's welterweight boxing crown. Robinson tipped the scales at 146 pounds and Docusen at 145½ pounds.

RAILWAY STRIKE IN CANADA LOOMING

TO WRITE EXAMS

VICTORIA—Announcement has been made by the provincial minister of education, Hon. W. T. Heath, that all students, who, because of flood conditions, missed school, should write their examinations, if possible, and their cases will be given attention by a special adjudication committee.

BARGE SERVICE BETWEEN VANCOUVER AND PRINCE RUPERT BEING CONSIDERED

Now that coastal steamship freight rates have been suddenly and drastically upped, Prince Rupert business interests are considering the possibilities of alternate and cheaper haulage service of commodities between Vancouver and this port. With that end in view, J. Arthur Lindsay, general manager of the Vancouver Tug Boat Co. Ltd., and Roly Manrell of the Vancouver Terminals paid a flying visit to Prince Rupert overnight at local invitation to discuss the possibility of extending the present covered towed barge service to Ocean Falls northward to take in Prince Rupert.

Institution of such a service last night's meeting was told by Mr. Lindsay would depend upon two factors:

1. Availability of sufficient local freight tonnage north-bound.

THE WEATHER

Synopsis

The weather situation in British Columbia today is divided by a line through the central portion of the province. To the north it is cloudy with light rain along the coast. To the south, clear and warm. These conditions are expected to persist through tomorrow.

Forecast

Queen Charlottes and North Coast—Northern Section: Overcast with showers today. Cloudy Wednesday. Southern Section: Clear today and Wednesday. Wind light. Little change in temperature. Lows tonight and highs Wednesday—Port Hardy 46 and 63, Prince Rupert 46 and 60, Massett 48 and 58.

MALVERN, Eng., (CP)—Supply Minister Strauss, inspecting a device in which photo-conductive cells produce images on a fluorescent screen, enabling sight in the dark, said it had "great possibilities in enabling the blind to see."

LONDON, (CP)—Ostrich feathers will be a feature of British women's summer hat styles, says John Van Duren, 63, of South Africa, who left for the Transvaal with orders for 20,000 plumes.

pense, of course.

The outcome of general discussion was the appointment of a committee consisting of W. M. Watts, Robert H. Joyce, John McLeod and Bert Withers to continue negotiations on a more detailed basis.

Mr. Lindsay and Mr. Manrell arrived by last evening's plane from Vancouver and returned south today.

Walk-Out Set For July 15

MONTREAL (CP)—A total of 120,000 railway workers, represented by eighteen international brotherhoods, will strike July 15 if their wage dispute with the Canadian railroads is not settled by then, the unions announced today. The announcement was made by Frank H. Hall, chairman of the negotiating committee representing the union.

A letter, sent to the railways by the unions on Monday, outlined attempts at negotiating a 35-cent hourly wage increase which, it said, had "not brought a settlement."

The letter said the "employees voted almost unanimously to withdraw from service if no satisfactory agreement was affected. Concerted and peaceful withdrawal from service will take place Thursday, July 15, at 6 a.m. Eastern Daylight Time. Employees in train service will withdraw at the end of their runs."

Announcement of the strike was made on the eve of resumption of mediation proceedings by a board headed by Mr. Justice J. C. A. Cameron. The board which had recommended a 7c increase, was reconstituted by the federal minister of labor in the attempt to avert a nation-wide strike.

LEEDS, Eng., (CP)—Mrs. Edith Hunter, 63, now has 53 grandchildren.

BUILDING BYLAW IS THROWN OUT

A bylaw to wipe out the city's recently passed building bylaw, which incorporated most of the features of the National Building Code, was given final reading by city council last night.

The new building bylaw is to be replaced temporarily, according to its sponsors, by the ancient conglomeration of building regulations which last year's council found unsatisfactory and replaced with the organized national building code.

The reversal in building regulations was sponsored by Alderman Arthur Brooksbank more than a month ago on grounds that regulations of the National Building Code were too stringent and worked a hardship on prospective builders in the city.

The national building code, which is designed to co-ordinate building regulations across Canada, has been adopted by a number of cities as their building bylaw within the last year.

In retracting the bylaw, the aldermen agreed with Alderman Brooksbank that the National Building Code's terms are having a restrictive influence in home and business construction in the city.

At the time the motion was made to throw out the National Building Code, it also was suggested that the city's electrical bylaw be re-vamped. This, however, was found impossible because the electrical regulations are part of the provincial Fire Marshal's Act and, therefore, cannot be tampered with by a municipal council.

New Brunswick

NEW BRUNSWICK went as expected—only a little more so. The return of the Liberal government of Premier J. B. McNair was generally anticipated. That it should have been accorded a new mandate with the largest House majority that any government in the province has ever had was a surprise, possibly, to even its most enthusiastic supporters. Added to the strong gain the party recently made in the Saskatchewan provincial election, the New Brunswick result will further hearten the Liberals who had been somewhat cast down by their recent by-election reverses in the federal field and a none too comforting result in provincial Ontario.

Staid old New Brunswick stays by the two-party system, even though the second one is not very robust in representation. The Socialists tried in twenty seats but were unable to elect a single member. Social Credit made no impression.

MAY NEED CAPITAL

PRINCE RUPERT business people, justifiably enough, have been much concerned over the sudden and what seems almost exorbitant increase in coastal steamship freight rates. They considered the possibility of an alternative to the steamships and went so far as to bring in representatives of a Vancouver barge concern to discuss what could be arranged with a view to providing a cheaper service. The principal problem it has been found will be to provide the necessary waterfront facilities here for the handling of cargoes. That will involve quite an investment which may have to be capitalized at least partially here in Prince Rupert. If the alternative service will be instrumental in materially bringing down the rates which have an important bearing on the cost of living and doing business in Prince Rupert, local people with the capital available might be induced to help stake it. Whether or not, of course, they will be prepared to put up remains to be seen.

POLITICAL REMINDER

A FEATURE of governments usually overlooked is that they are all, in the political sense, reactionary. A government is wedded to the idea of self-perpetuation; it favors the political status quo, because it is the political status quo.

Under our democratic system people will bitterly resist commitment to any government that cannot be removed as easily as it can be installed. They will never forget that when a government dedicated to long-range social planning takes power, one of two things will happen: it will, to ensure fruition of its plans, take undemocratic steps to prevent its own removal; or, failing this, it will eventually lose power, and its costly schemes will become rubble-heaps of wasted wealth and effort along the wayside of political experimentation.

What City Council Did

Approved the sale, as authorized by finance committee, of lots 11 and 12, block 27, section 1 (Second Avenue, west of Park Avenue intersection) to D. F. G. Fitch for their assessed value of \$550.

Approved a utilities committee recommendation that Fire Chief H. T. Lock be granted a \$15 monthly allowance to cover use of his personal automobile on departmental duties.

Gave approval to a health committee recommendation that a second-hand refrigerator be purchased for the Pioneer Home at a cost of \$60.

Adopted a utilities committee report recommending that the LaFrance fire engine be given necessary repairs at a cost of \$165.

Turned over to the City Engineer for action a request by R. L. Newcomb, Seal Cove Circle, for correction of a water nuisance on his property, caused by a broken drain pipe.

Referred to the utilities committee a request by the local marine office of the Department of Transport that the former R.C.A.F. fire alarm system at Seal Cove be connected with the city system.

Granted leave of absence to Mayor Nora Arnold for holidays between July 5 and July 26 and appointed Alderman T. B. Black acting Mayor during that period.

Received a letter from Crescent Shows informing the aldermen that "because of flood conditions" the travelling show would be forced to cancel its summer circuit which included Prince Rupert. The show was originally scheduled to come here early in July.

Named Aldermen Black, Nickerson and McKay as a committee to draft resolutions for the annual convention of the

Union of B. C. Municipalities next September.

Passed the regular request of the Prince Rupert School Board for operating funds for June and moved that the request be handled by finance committee in future. The request was for \$12,000.

On recommendation of the board of works, approved purchase of 150 feet of 14-inch wood stave pipe for the Shawatians Lake intake of the city water system.

Authorized purchase of a hand drill at a cost of approximately \$75 on recommendation of the board of works.

DID FLOOD JOB

One of the fellows who did his job with a smile, says the Omicron Herald of New Hazelton, during the flood troubles along the railway was George Somerville, section foreman along at Vanarsdol. With the consent of the railway company he kept up an almost hourly service between Terrace and Usk carrying supplies and passengers. He was always cheerful and seemed to enjoy the job. Another section foreman farther west also did a fine job. He packed people on his back, through water up to his waist.

NEW CHURCH

Regular Baptist Church of Prince Rupert is to have a home of its own next fall when services, now suspended for the summer, are resumed. Two lots on Sixth Avenue East just west of Hays Cove Circle have been purchased as well as a 76-foot lockstave building which will be renovated, equipped and erected thereon. Northwest Construction Co. has been given the job which it is expected will be completed the coming month. The cost of the project will be about \$5000.

MET GORILLAS

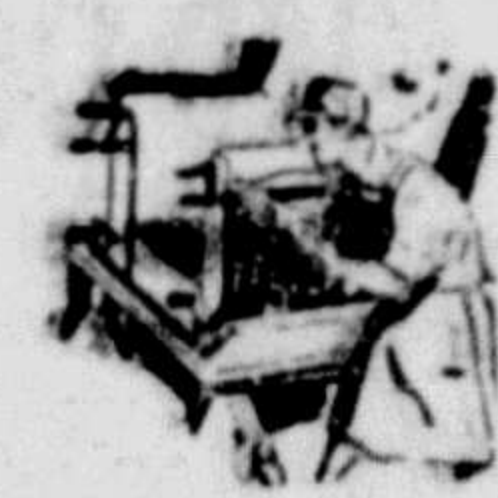

Put Up Big Bluff But Really Not so Brave

LONDON — Hubert Engert, who has driven 10,000 miles in Africa, opening up a new north-south motoring organization, tells of walking into the very midst of about 30 gorillas in the jungle. "They are amazing beasts," he declared, "weighing up to 30 stone. A gorilla will make a charge, screaming blue murder. If you stand your ground, he'll funk it at the last moment and turn back into the bush. The females shinned up and down 100-foot trees as fast as monkeys on sticks while the males shook the bushes, beat their chests and yelled rude words at me. It was absolute pandemonium."

Important Points to Remember after July 1st, when

THE SOCIAL SECURITY AND MUNICIPAL AID TAX becomes operative in British Columbia

✓ Every Seller at Retail is an Agent of the Crown. As such he is required to collect from the user or consumer of the taxable goods he sells three cents on every dollar.

✓ You, the citizen and taxpayer are entitled to know what amount you have to pay, and for what purposes this tax is collected.

✓ You are not required to pay tax on certain essentials of living, since there is no desire on the part of Government to add to the householders' burden any more than is absolutely necessary. For instance, you pay no tax on rent, on foodstuffs, on fuel for cooking or heating your home, on medical and dental prescriptions, on ice to conserve perishables, on insurance, on insecticides and antiseptics, on gasoline, on meals costing less than 51 cents.

✓ If you are a commercial fisherman, you pay no tax on equipment used to produce a food catch, or on your boat or engine.

✓ If you are a farmer you pay no tax on farm implements or machinery, livestock, poultry, feed, or fencing, seeds or fertilizer.

✓ If you are one of the lower income groups, you can expect immediate or deferred return of your contribution in the form of social services which the tax is designed to protect. Thus the tax cannot be called regressive.

✓ Luxury spenders will carry a large proportion of the cost of the tax.

✓ Industry will pay a major share.

✓ Of the \$12,000,000 annual revenue estimated to accrue from the tax, \$8,000,000 will be paid directly to the Social Security Fund. It will provide a substantial measure of insurance for social commitments; although actually it will meet only a fraction of requirements.

✓ The following table shows the immense growth of social security costs:

1926	1930	1940	1948 (Estimated)
\$2,643,000	\$4,110,000	\$5,604,000	\$21,000,000

✓ Rapid advances of population and general broadening of the social service programme in British Columbia are responsible for these increased expenditures. The following table indicates one cause, in the swelling totals of beneficiaries:

	1939	1948
Old Age Pensioners	12,810	22,401
Social Allowance	10,755	12,591

✓ After \$8,000,000 is paid to social security, the remaining anticipated \$4,000,000 to be derived from the tax, will be divided proportionately among the municipalities to be utilized in such a way that the burden on real property will be materially reduced.

Miss Inga Jensen, R.N., who has been a member of the nursing staff of the Prince Rupert General Hospital for some time, sailed last night on the Princess Adelaide for Vancouver en route to her home at Huxley, Alberta.

Reminiscences and Reflections
By W.I.

The man who invented "Juniper Junction," "Birds' Eye Centre" and other comic strips died recently. The Toronto Star and Montreal Standard will miss him. So will millions of readers, old and young. To be able to make others laugh, not because they are supposed to, but because they want to, is a precious gift. If certain dreary kill-joys had their way, probably "the funnies" would be abolished. That's one of the things wrong with the world today. Don't pull too wide a grin. Someone will become suspicious.

Back in the autumn of 1915 in Prince Rupert, all the brave men had not sailed for overseas. The Evening Empire of September 24, in "Annual Fair Notes"

says Dr. Tremayne and W. H. Vickers had consented to serve as judges of the best-looking babies.

For 58 years, the Chilliwack Progress has been publishing and in all that time nothing has been printed to approach in vividness, magnitude and reader interest, the series of Fraser Valley flood pictures. There is an average of ten scenes to the page and dozens of pages. One is staggered by the huge scope and destruction of the rising waters; the way what had been substantial homes and farm buildings were shoved around; struggles to save live stock; intimate glimpses in threatened homes where worried looking people are trying to cope with a desperate situation.

The camping season approaches, but to linger under the stars instead of a leak-proof roof is not always what it's pictured to be. It's well to have someone along who understands camps and camping. Of course, that may be unnecessary, but the "know how" can't be neglected. A spell in the great open spaces can be everything you wish it to be—or it can give you a pain.

A Skeena River pioneer is taking a holiday, this being the first time away from home in 28 years. There's nothing remarkable in that. It's a good gamble there can be found in Prince Rupert quite a few permanent fixtures; perhaps some who have not been further away than within gunshot range of the townsite since 1908. It's not probable, but there's a chance.

MEET ON WAGES

Council and Civic Workers to Get Together

City Council and the Civic Employees' Union will get together in the near future for final settlement of wages and working conditions for "outside" city employees. The settlement, agreed in principle several weeks ago, has been hanging fire until receipt of a copy of the agreement existing between Vancouver and its outside workers.

Basic of the agreement was that Prince Rupert's outside workers are to receive the same pay schedules and working conditions as those of Vancouver. The settlement was held up until a copy of the agreement reached the city.

A copy of the Vancouver agreement was received by city council here last night and a committee appointed by Mayor Arnold to meet the negotiating committee of the union.

Chairman of the committee is Alderman George Rudderham and other members are Alderman W. F. Stone and J. R. Morin. They were constituted as a "grievance" committee which will sit to adjust differences with civic employees for the balance of the year.

The Vancouver agreement lists holidays granted to civic workers and schedules of pay for various types of employees.

Other branches of the civic employees concluded agreements earlier this year.

Mrs. James Donaldson and child sailed last night on the Princess Adelaide for a visit in Victoria.

Norman Nelson, who has been here for the past couple of weeks on cannery business, sailed last night on the Princess Adelaide on his return south.

Douglas Frizzell returned to the city on yesterday afternoon's plane from a brief business trip to Vancouver.

● Will the Canadian Legion member who forwarded annual dues without giving his name, kindly notify the secretary-manager so that a receipt may be mailed. (16)

Harold Fletcher, superintendent of maintenance, Canadian Pacific Air Lines, arrived in the city on yesterday afternoon's plane from Vancouver for a brief visit on official duties, returning south on today's flight.

Bruce Forward, son of Mr. and Mrs. Don Forward, and Richard Large, son of Dr. and Mrs. R. G. Large, are sailing this afternoon on the Camosun for Y.M.C.A. Camp Elphinstone in Howe Sound.

Sam Joy sailed last night by the Princess Adelaide on his return to Vancouver after a week's business visit here. Mrs. Joy and daughters are remaining for a while longer.

J. R. McClymont of the local Royal Bank of Canada staff returned to the city on yesterday afternoon's plane from a two weeks' holiday trip to Kelowna. Mrs. McClymont and child are remaining in the south for a while longer.

Miss Peggy Etzerza and Miss Molly Williams, who are identified with the housekeeping staff of Miller Bay Hospital, sailed yesterday morning on the Princess Norah to spend holidays at their homes in the north, the former going to Telegraph Creek and the latter to Whitehorse. Miss Kitty Etzerza, who has been a patient at Miller Bay, also left for Telegraph Creek.

Modern Etiquette
By ROBERTA LEE

Q. Are there any special hours for informal and formal weddings?

A. No; a wedding may be held at any hour the bride and bridegroom find most convenient. In most communities, noon or four o'clock are the most popular hours, while in other communities eight in the evening is a favorite hour. There is really no rule, except local custom plus personal preference.

Q. If one has been compelled to decline a dinner invitation, should one make a call later?

A. Yes; this is the proper and courteous thing to do.

Q. Should the fingers or the fork be used to convey olives and radishes to the mouth?

A. The fingers, by all means.

George Eales returned to the city by air at the end of the week from a business trip to Vancouver.

Miss H. M. O'Neill and Miss M. A. Haight of the nursing staff of Charles Cammell Hospital at Edmonton sailed by the Princess Adelaide last night for Vancouver en route back to the Alberta Capital after having been relieving on the staff of Miller Bay Hospital here.

CHANGE of LIFE?

Are you going through the functional "middle age" period peculiar to women (35 to 52 yrs.)? Does this make you suffer from hot flashes, feel so nervous, high-strung, tired? Then try Lydia E. Pinkham's vegetable Compound to relieve such symptoms. Pinkham's Compound also has what Doctors call a stomachic tonic effect.

BATTERY DEFEATS LEGION

Will Meet High School in Dominion Day Cup Final

In a well-contested football game last evening before an interested crowd of spectators, 120th Battery came from behind to defeat Canadian Legion 2-1 and so earn the right to play the High School eleven in the Dominion Day Cup final on Thursday afternoon.

Play was fast with Pavlikis finishing a good run with a shot that Brodie did well to stop. Following a well taken corner, Bill Murray picked up a first-class goal with a snap shot to put the Legion a goal up. Both goalies were being tested and Morgan brought off a great full-length save from Armstrong. He later cleared from Eby. A high bouncing shot from Bill Murray nearly beat Morgan who just stopped it with one hand under the crossbar. Brodie caught a header from Parkhouse and James blocked a hard drive from Bill Murray. Legion defence was not very sure. Bob Armstrong was playing nice football and Brodie did well to turn a shot from Pavlikis over the bar. He was well tested by Holkestad's centre. From a beautifully placed free kick by Darrow Gomez the Legion defence was caught flatfooted and Pavlikis steered his shot well clear of Brodie to tie the score. Pavlikis tested him again in another attack and then Ward finished very weakly.

The Battery forwards were the first to be dangerous and Brodie was lucky when he missed A. Gomez' centre but it went wide. Brodie did well to punch a corner kick away. Bill Murray missed an open goal from Christison's pass and Brodie punched Ward's shot over the bar. Both defences were being taxed severely. Bill Murray went close and then Brodie caught a fine shot from Pavlikis. Christison gave Morgan a hot hand. A good cross from Holkestad put Ward in possession in front of an open goal and the latter scored even if he was lucky in beating Brodie.

PERSONAL—WELL SHOP FOR YOU. If you know what you want, but live too far away to find it yourself, write to the Select Shopping Service, Dominion Building, Vancouver. (151)

die. Pavlikis and Christison had shots stopped and a tight Battery defence blocked several Legion shots in quick succession. Eby gave Morgan a hard shot and Herbie did well to punch away a perfectly taken corner by Dave Murray. Then Morgan missed a cross but Bill Murray, with an open goal, could not get the ball into the net and a grand chance was missed. Brodie also missed a centre but the ball went past harmlessly. Nelson did some good stopping and clearing but full time found the Battery leading by two goals to one and prepared to meet High School in the final on Dominion Day.

Teams—
Battery—Morgan, James, Ferguson, Ward, Veitch, A. Gomez, Holkestad, Parkhouse, Pavlikis, Hardy, W. Gomez, D. Gomez.
Canadian Legion—Brodie, Nelson, Dawes, Glen Smith, Eby, Bremner, Yelland, W. Murray, Christison, Armstrong, Dave Murray.

Referee—Sid Woodside; **Linesmen**—Bond and Harvey.
Goal Scorers—Battery: Pavlikis and Ward; Canadian Legion: W. Murray.

FROM THE BENCHES

Both goalies gave a good exhibition with Morgan's full length save from Armstrong the best of the match. Morgan the better goalie however. The Battery backs were better as a pair though Nelson came through in good style often. Eby in a new position at centre half played a good game and gave Morgan one of the hardest shots. He is fast and a good tackler. Glen Smith tried hard but does not fit into a defence. Bob Armstrong added punch to the Legion forward line and, with Christison and Bill Murray, showed flashes of nice combination but they lacked the ability to capitalize on chances. In the halfback line for the Battery, Veitch played his usual hard game with good assistance from Darrow Gomez who replaced Hardy early in the game. A. Gomez and Ward were fair. Pavlikis is fast and a thorn in the flesh of the opposing defence but is slow on shooting. Holkestad and Parkhouse were dangerous at times as was Billy Gomez.

The quality of the game varied. Both teams showed signs of combination but a movement often fell down because the ball came to the player's "wrong foot." In senior football a player should be able to play a ball with either his right or his left foot. Both defences should have fallen offener, and both teams have a lot to thank their goalkeepers for.

TEAM ENTRIES

For Dominion Day Sports Substantial

Prospects for a substantial number of entries in the Dominion Day track meet here next Thursday are looking continually brighter, according to committee secretary James Nicoll. Team entries are expected to number at least nine with receipt Monday of applications from three teams from the Naas River.

Arrangements for the track location have been completed and an oval-shaped course will be staked out this week for the races. Jumping pits also will be dug.

Four-man teams from the city and Ketchikan baseball leagues, the football association, Ketchikan and Prince Rupert high schools also have entered, as well as a fair number of individuals for the open individual competitions.

The track meet will precede a double header baseball game and the Dominion Day football cup finals on July 1.

A meeting to consolidate final plans has been called for tonight at the Civic Centre.

High Wins

High School 9, General Motors 3

Probably no other team has had as quick an opportunity to rise from the bottom of the heap to the top level as that which faces the High School squad in the city football league. Because of bad breaks in the weather, the students had played only one game up to last night and they lost it. Last night, however, they took their first win from General Motors, second most powerful team in the league, by a score of 9-3 and, in the next week, they have opportunity to rise to equal height to the league-leading 99 Taxi—if they win all of the three games scheduled.

Those three games, which will involve High School against C.N.R.A., Co-op and Gordon and Anderson in that order, could, result, if High School wins them all, in a net result of four wins against one loss for the students to date, tying them with 99 Taxi for an average of .800.

Each of these forthcoming games, the first against C.N.R.A., will be played on Saturday, July 3, the second, with Co-op on July 5 and the third on July 7 with G. and A. encounters which have been postponed from earlier periods in the schedule. Just why the weatherman singled out the students is one of his trade secrets.

Anyway, since the Booth boys have had a bad deal from Jupiter Pluvius, it may turn out that they will have luck on the field.

Last night's game is, incidentally, the last until Saturday. Wednesday night's regular fixture has been cancelled because of the Ketchikan-Prince Rupert baseball series which opens that night.

High School's victory was one deserving considerable praise.

Individuals for the open individual competitions.

The track meet will precede a double header baseball game and the Dominion Day football cup finals on July 1.

A meeting to consolidate final plans has been called for tonight at the Civic Centre.

Johnny Van Cuyk, Jr., has baseball down pat. "Pitch," says somebody, and without a second thought the two-year-old son of John Van Cuyk, star hurler of the Montreal Royals, goes through the rhythmic motions and complicated windup of a big league twirler.

These professional antics are old stuff to Johnny. Whenever his dad is taking his regular turn at the ball park Johnny junior is also pitching, pitching hard to get out onto the field. "It's all I can do to keep him off the fence," laments his mother.

And if Johnny's not swinging an exploratory foot over the

Little Theatre Presentation
Makes Hit Although Audience Small

The Prince Rupert Little Theatre presentation "Three Cuckoos," sponsored by the Civic Centre last evening, was one of the best evening's entertainments yet produced by the local theatrical organization. Smoothly running and without delay or pause, this show kept the audience interested from the introduction to the final curtain.

The entertainment was a benefit performance for the flood relief campaign. Unfortunately, due to many other activities at the same time, the audience was not as large as might have been hoped for.

Introduced by Don Forward of the Civic Centre, the first item was a novel skit entitled "Hiring the Maid" in which those characters who were seen were not heard and those heard were not seen. W. D. Griffiths and Mrs. Maud McWhinney, as Mr. and Mrs. Jones, the couple whose tastes in radio did not agree, gave a convincing pantomime performance. Those whose voices were heard by radio but who did not appear on the stage were Mrs. Edith Black, Mrs. Grace Brown, Mrs. Dorothy Keehn, Mrs. Cathie Kerr, whose Irish brogue was most delightful, Mrs. Helen Marchildon and Miss Alma Knutsen. Local audiences have come to expect great things of Edith Black and in this number they were not disappointed. While all gave first class performances, the heavy part was carried by Mrs. Black. Direction was by Mrs. Myra Chapple.

The thriller, "The Singapore Spider," was the second offering. Major parts were taken by George McWhinney, Thalia Moore, Robert Irvine and supporting parts by Dock Robertson and Joanne Langridge. Difficult for amateurs as thrillers always are, this playlet was performed in a finished style which had the audience interested throughout. George McWhinney, as the completely bad character, had the longest and most difficult role but handled it with ease and ability, while all other parts were well cast and convincingly played. Rev. Basil Froekter was the director.

At the end of the first curtain, W. D. Griffiths entertained with

two monologues, "An Old Soldier's Reminiscences" and "Albert and the Lion," and during the second intermission the same popular performer gave "How Albert Came Back" and "Sam's Medal."

LA FIESTA MAKES HIT

The third period, given the title "La Fiesta," was a colorful musical potpourri. A great deal of preparation was evident in the costuming and stage decoration, also in the smooth manner in which one turn followed another. Included in this period were many items. Johnny Comadina, as the fruit pedlar, and George Rorie, as proprietor of a hot tamale stand, kept the pace moving. Seniors and senioritas danced and flirted across the stage, while interested tourists sampled the stalls and photographed the natives. Several well rehearsed little byplays occurred throughout the period when the senioritas showed a little more than polite interest in some of the male tourists. Art Williams, who has a most attractive voice sang "Gaucha Serenade" accompanying himself on the guitar; Cathie Fraser and Alec Mitchell sang "You Belong to My Heart" as a duet which was bright and entertaining throughout. Eddie Ciccone's accordion solo "Cleito Lindo" was excellent while Mel Skalmerud's amusing solo was well supported by all members of the cast. Patricia Clark's interpretation of the "Sailor's Hornpipe" was rated "tops," while Bert Teng's rendition of "Amapola," assisted by Mrs. Marchildon was well received. Johnny Comadina was in fine voice when he sang "South of the Border" which was followed by Bert Cameron who played "Estrellita" with real feeling, on his violin. Cathie Fraser and Alec Mitchell were popular in the duet "In a Little Spanish Town."

George Rorie played "Saxophobia" on the marimba and received a spontaneous ovation, the audience refusing to rest content until he had given an encore. "Argentina Way" a duet by Hazel Wright and Art Williams was pretty and a "catchy" number, while the "Tango Argentino," "El Choclo," a dance number by Hazel Wright and Ronnie Houston, was executed with a professional ease and grace which captivated the audience. The popular Mel Skalmerud was called upon for a second number as was Eddie Ciccone who rendered "La Golondrina."

The grand finale, "South American Way," led by Art Williams and participated in by all, was a bright finish to a most enjoyable entertainment. Cathie Kerr, John Currie, Cliff Knutsen and Art Welch as the tourists, and Helen Marchildon and Dorothy Keehn, as senioritas, in making the whole affair a success. The directors of this period were Hazel Wright and Cathie Fraser, whose efforts were evident in the staging and in the smooth running of the period.

It is to be regretted that a larger audience did not see this excellent show, and it has been suggested that the group should keep "La Fiesta" intact and produce it again, so that many who did not see it may have that pleasure, and many who did see it would like to do so again.

It is not known yet to what extent the Flood Relief campaign will benefit. Final figures are expected to be available Wednesday evening.

WORTHING, Eng., ©— The first grading and packing station for tomatoes in England has been established by growers here.

SON FOR ISRAEL—Widow of the famous British Chindit chief who won in the Burma campaign before he was killed in an air crash, Mrs. Leona Wingate is shown with her son, Orde Jonathan, 4, whom she has promised to Israel. The Jewish Agency in Tel Aviv quotes her saying: "If I had gold and money, I would contribute them for the war which my husband foresaw. Not having them, I decided to send you my son to be educated in Israel and to be a loyal son of both Israel and Britain."

TO SCALE MOUNT
JUNEAU—Sir Hubert Wilkins, noted Arctic explorer, with Col. P. D. Baird, Canadian director of the Arctic Institute of North America, have gone to Yakutat to complete arrangements for an expedition to Seward Glacier, Mount St. Elias.

HEMSWORTH, Eng., ©— A group of schoolboys are to learn Esperanto for a year, before starting French, to test whether knowledge of Esperanto makes language-learning easier. The answer won't be known for four or five years.

HOME FOR REFUGEES
LONDON, ©— Figures published by the International Refugee Organization show that Britain has taken in more refugees and displaced persons than all the other countries of the world put together. They are entering Britain at the rate of 1,500 a week. Of least 70,000 have been admitted since the end of the war.

PASTOR HONORED

Better English By D. C. WILLIAMS

1. What is wrong with this sentence? "Who do you mean?"
2. What is the correct pronunciation of "impetus"?
3. Which one of these words is misspelled? Traitorous, treacherous, troussseau.
4. What does the word "vernal" mean?
5. What is a word beginning with pe that means "thoughtful"?

ANSWERS

1. Say, "Whom do you mean?"
2. Pronounce im-pe-tus, i as in him, e as in me unstressed, accent first syllable.
3. Treacherous.
4. Pertaining to spring. "The vernal days had given away to summer."
5. Pensive.

Timely Recipe

Asparagus Chicken Soup

1 tin asparagus soup
1 tin chicken soup with rice
1 tin fresh milk (using soup tin as a measure)
1 tin water
Stir the chicken soup with rice into the asparagus soup. Then add 1 tin of milk and 1 tin of water (using the soup tin for a measure), and heat, but do not boil. Serves 5-7.
Nice with this: Cold sliced baked ham, mixed raw vegetable salad, crusty rolls, fruit shortcake, iced coffee.

BREAK IN MAIN

Gusher on Fourth Avenue East Last Evening

A gusher occurred on Fourth Avenue East just off McBride Street at 7:30 last evening. It was good, chlorinated city water that surged up through the street surfacing from three feet below when a six-inch wooden main suddenly burst. Waterworks Foreman Carl Gustafson and his crew were promptly on the scene and,

while the line between McBride Street and First, Presbyterian Church was cut off, made temporary patching to last night until permanent repairs could be undertaken today. After the break, the water poured in torrent down McBride Avenue, nearly covering the floor of McMeekin's Brokerage as it dammed there.

EVERYTHING HASN'T RAISED IN PRICE...

- It may surprise many but 1847 Rogers and Community Silver flatware is the same price as before the war.

And as the tax is now off it should be doubly attractive.

Bulger's always sell standard goods at Canadian advertised prices even though express charges are more than those of places nearer to the factories.

For instance a Big Ben clock or set of silver sells for the same price as in Ontario where it is made.

A large part of our stock is made up of standard advertised goods and we try to keep the balance in line with the prices of other cities. And we guarantee the satisfaction of our goods.

Something from Bulger's is always something worth having.

Bulgers

BOWLING DANCE

Substantial Prizes Awarded at Terrace

TERRACE — A bowling league dance was held in the Civic Centre on Friday evening at which Alf Yoxall presented trophies to the prize-winners of the recent league games. The Empire Meat Market won the Commercial trophy and a cheque of \$25 to be divided among the team members — Mel Peeke Vout, Joe Schultze, Norman Arseneau, Bill and Otto Lindstrom, and J. Stevenson. Runners-up were Little, Haugland and Kerr's team who were also presented with a \$25 cheque. Hector Cote won the men's highest single score, Charlie Cote the highest score in three games and Helen Somerville won the ladies' highest single score. Each of these three received \$5 awards.

FIGHTING FIRES

Ranks of Ball Players at Francois Lake Depleted

FRANCOIS LAKE — Lakes district ball league Sunday games resulted in Decker Lake beating Burns Lake at Burns Lake by a score of 15 to 5 while the Francois Lake team swamped the Ootsa Lakers by a score of 21 to 5. Many of the young players from Burns Lake and Wistaria had been absorbed by the Forestry Department to fight the fires between Babine and Takla Lakes and near the head of the Fulton River where numbers of large lakes make servicing the planes comparatively easy to the daring fliers of the north.

The Public Works Department has double shifts of men with equipment working on the highway west of Terrace and rapid

TERRACE — A farewell social was tendered Rev. and Mrs. G. Graham on Thursday evening in the Orange Hall by the members and adherents of the Pentecostal Church here. A farewell address was given by Mrs. Glass and Mrs. Pohle presented Mr. Graham with a set of suitcases for which he expressed his thanks and also his regrets at leaving Terrace and the many friends he and Mrs. Graham have made here. Games and community singing were enjoyed and the ladies served refreshments.

HOW CAN I ???

By ANNE ASHLEY

Q. How can I remove fruit stains, and also ink stain, from linen?

A. One effective method is to hold it over the fumes of a small piece of burning sulphur. This should be done immediately. Do not fail to dampen the linen before igniting the sulphur.

Q. How can I treat the white lines between the bricks in a fireplace that have become a dirty gray?

A. Use a small pointed brush and paint them with black lacquer. The fireplace will be modern and clean-looking when it is finished.

Q. How can I remove a stamp from an envelope?

A. Soak a blotter in water then place it over the stamp and hold for a minute.

progress is being made on the job.

R. Corey has announced that a Red Cross swimming instructors' school will be held here from July 5-9. So far, he has had four applications for enrolment and is hoping for more from points outside of Terrace.

The Knox United Church held a congregational picnic last Wednesday near the upper drill hall on what was known, during the army occupation days, as the Kent Hill. The weather was fine and the children and adults had a very enjoyable afternoon with games and races in which they all participated. The picnic supper was provided by the church ladies.

G. Hull and son, Donald, have been busy painting the interior of the office of Dr. Stanley Mills at Terrace.

Work was started last week on the repairing of the sidewalks on Lakelse Avenue at Terrace.
