Weather, Little Damage Hallowe'en Observance

Most-full harvest moon in a cloudless sky, with an almost complete lack of vandalism on the city's small fry, gave Prince Rupert the most pleasant Hallowe'en celebrations in the north.

Club bonfires in three widely separated areas were focal points of the evening. The youngsters whose names were among the things the night brought were among the things the night brought.

Several sling-shots. The youths were later released on bail.

Display windows in the downtown area were liberally marked with soap, many of the decorations being highly impertinent comments.

Winners of the Kinsmen shell out prizes, which include a grand prize of a bicycle for the youngster who turned in the greatest number of shell-out tickets, throughout the city, were not available early this morning but A. G. Boas, in charge of shell-out tickets, said that the mass of tickets would be sorted later today and the prize winners made known.

In addition to the grand prize, there are prizes of \$10, \$5 and books of theatre tickets for those from each of the three regional bonfires who sold the highest numbers.

Kinsmen who attended the various fires were: Totem Park, Harry Swaffield, George Dibb, Jim Thompson, Jim Sheddon, Stan Saville. Gyro Park, Bill Long, Bud Timmermeister, Bill Noble, Harry Sheardown, Russell Cameron, Conrad Street, Bill Fudger, Charles Collins, R. E. Montador, Ed. Garner.

Junior Chamber of Commerce members who offered their cars for patrol work were President Harold Hampton, David Hay, Orin Odegard and Jack Mussalem. Mr. Mussalem's car was taken on patrol by Tony Crawley.

Two wooden Indians which have stood guard at the entrance to Manson's Jewellers for the last year, were removed from their guard positions and placed at the portals to the Bank of Montreal.

Ready For Poppy Day

Officials of the local Branch of the Canadian Legion are busy today delivering wreaths and other poppy decorations which will adorn the windows of stores and other premises throughout the week in advance of the annual "Poppy Day" sales which will be held on Saturday next with the Ladies Auxiliary of the local branch in charge.

Fine display of poppy wreaths will be on display in Gordon and Anderson's this week. These wreaths and poppies are the product of disabled veterans and those too old for the highly competitive labor markets. Some are assembled in the homes of veterans too greatly disabled to get out to work, while the majority are manufactured in the Vetract workshops in Victoria, B. C. and provide a year-round occupation for these men making the little red tributes to those who gave their lives in two world wars.

Included in the display is a memorial plaque bearing the names of local veterans of the Navy, Army and Air Force who gave their lives in the last World War. This plaque will bear a prominent position in the lobby of the new premises of the local branch. At the rear

(Continued on page 6)

U.S. STILL TO GET URANIUM

OTTAWA—Canada will continue shipment of atomic bomb materials to the United States regardless of whether or not a new agreement on the exchange of atomic information is made, Rt. Hon. C. D. Howe, minister of trade and commerce states.

FIFTY-THREE PERISH IN ANOTHER BIG AIR CRASH IN UNITED STATES

New Highway Opening Wednesday

With the official opening tomorrow of the new all-weather 83-mile paved Hope-Princeton Highway another link will be forged in the network of highways which stretch across British Columbia. Scenic and well constructed, it will shorten the distance from the lower mainland coast to the Okanagan by 100 miles. It will throw open the country to which Hope is the gateway in-

cluding E. C. Manning Park. The route covered on the highway winds through the mountain scenery of the Cascade range, up the valleys of the Sumallo and Skagit Rivers, through Allison Pass, and follows the headwaters of the Similkameen River until it emerges on the benches toward Princeton.

Flash

WILD HALLOWE'EN
VANCOUVER—Vancouver had its wildest Hallowe'en since the war years. Seven persons are in hospital and there were two fires. Two youths were locked in a shed which was set afire. They are in hospital with burns. Another youth was stabbed. Fifty street lights were stoned out in the Dunbar area. Water mains were tampered with. Ties were put across street car tracks. Fire crackers were dropped in mail boxes.

BIG HERRING CATCH
VANCOUVER—The Western Ranger has arrived here with the second largest herring catch ever landed in the port. Capt. Stotland and his crew of the Nelson Bros. vessel had 1165 tons in a single set.

EDMONTON HURRICANE
EDMONTON—Edmonton had a virtual hurricane last night. Damage includes the blowing down of 25 electric light and telephone poles.

C.I.O. Trouble—
Revolt By Red Union
United Electrical Workers Withhold Dues—To Be Ousted

CLEVELAND—The United Electrical Workers, spearhead of the C.I.O.'s rebellious left wing, announced today it was withholding further dues to the C.I.O.—a certain first step towards its being ousted.

In a defiant statement charging the C.I.O. leadership of following a program of "raiding, union-busting and red-baiting hypocrisy," the president of United Electrical Workers, President Albert J. Fitzgerald, said the next step is up to the C.I.O.

There is little doubt but that President Philip Murray of the C.I.O. would accept the challenge quickly.

Groundwork for removing the United Electrical Workers, with its 375,000 members, was laid by constitutional changes approved last night for action by the convention today or tomorrow.

THE WEATHER

Forecast
North Coast Region—Overcast with occasional light rain or drizzle today. Cloudy with a few showers Wednesday. Little change in temperature. Winds southeast (20 mph) in the exposed areas and light elsewhere. Lows tonight and highs Wednesday—a Port Hardy, Sandspit and Prince Rupert, 45 and 55.

CUTTING DOWN NAVAL SHIPS

WASHINGTON D. C.—Seventy-seven ships of the United States Navy will be taken out of service as a result of the cut in naval estimates under the budget as approved at the end of the week by President Truman. Several of the vessels which will take part in Atlantic manoeuvres this week will be decommissioned immediately after those manoeuvres.

BUG-EAT-BUG
Many California citrus growers are importing lady-bugs to exterminate aphids called mealy bugs which destroy fruit trees.

Transport and Fighter Hit In Making Landing At Washington

One Dives Into Potomac; Other Wrecks On Shore

WASHINGTON, D. C. (CP)—A big air liner, it-bound from New York, and a small military plane collided in the air near the national airport today with heavy loss of life. At least fifty-three are believed to have been killed. Fourteen bodies were removed from an air liner within the first half hour of rescue efforts. The only survivor is believed to be the pilot of the military plane—a little fighter—which was being tested after having been sold to the Bolivian government.

The fighter plunged into the Potomac River after hitting the air liner on the tail while following it in for a landing. The wrecked air liner is resting partly on the shore and partly in the water of the Potomac.

Civil Aeronautics Administration said it understood there were forty-nine persons on the air liner in addition to the crew of four. All it is believed perished.

The smaller plane was a P-38 for the Bolivian air force. The liner was a DC-4.

The two planes struck while in air.

Those who saw the collision said there was an explosion on the air liner.

P. Clifford of Washington, who witnessed the collision, estimated the planes were about 300 feet in the air. He said the smaller plane plunged into the Potomac and disappeared.

"I was driving south when I suddenly looked up," Clifford said. "I saw a ball of fire and a trail of smoke about 300 feet above the ground and one plane falling."

Eastern Air Lines, the owners, said United States Representative George J. Bates, Republican, Salem, Oregon, was a passenger aboard the plane.

Only person believed to have come through crash alive was an unidentified man who babbed deliciously in Spanish and is believed to be the Bolivian pilot, Eric Rios Bridoux, aged 22.

The DC-4 was inbound from Boston and New York when it collided with the fighter.

CONCILIATION IN RAILWAY DISPUTE

OTTAWA—The railways of Canada and 146,000 of their employees have failed to reach an agreement in the dispute over wages and hours of work and, accordingly, two federal conciliation boards are being appointed. Hon. Humphrey Mitchell, minister of labor, announced. Conciliation officers found the two sides to the dispute differed on all points. The requests of the employees would involve \$74,000,000 a year.

Following their marriage tomorrow morning, Miss Dorothy Peachy, popular local girl, and Ronald Stewart will sail on the Princess Louise for a honeymoon trip to Skagway. Miss Peachy for some time has been stewardess on the Canadian Pacific Airlines run between Prince Rupert and Sandspit on which Mr. Stewart is air engineer.

ONE VOTER EACH HOUR AT WEEKEND

A voter-an-hour was the payoff Friday evening and Saturday afternoon for acting Registrar of voters Audrey Wrathall during the special hours which the City Hall was open for registration of voters at the weekend.

During the six-hour period—two hours Friday night and four hours Saturday afternoon, six new voters added their names to the civic list. Two or three citizens who turned out to be property owners and therefore already registered, called to check on their qualifications.

The new registrations at the weekend brought to 2,655 the number of names on the voters' list. This figure does not take into account names of voters who have lost their qualifications due to sale of property or other reasons.

Only twenty-five persons took advantage of the opportunity to qualify for voting as householders and twelve as licenseholders. This is an exceptionally light number, indicating lack of interest in getting voters registered and failure of many poll tax payers to get on the list by the formality of registering.

The voters list officially closed at 5 o'clock Monday afternoon. It will be subject to change by a court of revision which will sit prior to it being finally drafted for printing.

Steel Strike Settlement

Bethlehem Comes to Terms With Workers—U.S. Steel Next

CLEVELAND—The steel strike in the United States is ending. Last night President Philip Green of the C.I.O. signed a new agreement between the Bethlehem Steel Corporation, employing 89,000 workers, and the Union.

The new agreement provides for company payment of \$100 a month pensions to employees with 25 years service at the age of 65 or over, and a contributory health insurance program.

The settlement leaves other plants in the industry idle but it was announced last night that United States Steel had offered to resume negotiations with the United Steel Workers.

In Washington, government authorities are optimistic about an early settlement of the whole strike.

Mr. Murray said he hoped the signing of the agreement with Bethlehem would hasten the end of the month-long industry-wide shutdown.

The walk-out left 500,000 basic steel workers idle.

VALUABLE WHALE
The bones of a narwhale were highly prized in ancient times and were more precious than gold.

RADIO HEAD MISREPORTED

VANCOUVER—Kenneth Cople, regional director of the Canadian Broadcasting Corporation, said yesterday that A. D. Dunton, chairman of the Corporation, had been misreported when he was purported to have said that there had been only one application in Canada for installation of a television transmitter. What Mr. Dunton had said was that there had been only one application in British Columbia.

LORD'S WINGS BEING CLIPPED

LONDON—By a vote of 333 to 196, the House of Commons gave its approval last night to a bill which will clip the power of the House of Lords to delay legislation from two to one year. This will clear the way for enactment of a hotly controversial measure to effect the nationalization of the iron and steel industry next year instead of the year after.

The vote caused the biggest change in Britain's unwritten constitution since women were given the vote 31 years ago.

With the Lords in future able to block legislation only for one year instead of two, it means that the iron and steel industry could be nationalized by law before the Labor government's five-year mandate ends next July.

Report On "Incidents"

Some Justification Found for Dissatisfaction in Canadian Navy

OTTAWA—A three-man commission today reported "evidence of general inexperience of many officers, chiefs and petty officers" aboard Canadian warships where mutinous incidents occurred early this year.

In a 27,000-word report tabled in the House of Commons by Hon. Brooke Claxton, the commission said it found too "a prevalent opinion that there is an artificial distance between officers and men—a very real and almost universal opinion among the men that the Canadian Navy is not sufficiently Canadian."

The report found no justification for the incidents but said there was justification for some of the complaints on which part of the dissatisfaction was founded.

The incidents involved some 100 men aboard the aircraft carrier Magnificent and the destroyers Athabaskan and Crescent.

Captain Barney Johnson D. S. O. formerly in the G.P. Steamships service and well known in the coast service since the early days has been named commodore of the Royal Yacht Club.

An independent daily newspaper devoted to the upbuilding of Prince Rupert and all communities comprising northern and central British Columbia. HUNTER, Managing Editor. H. G. PERRY, Managing Director. MEMBER OF CANADIAN PRESS — AUDIT BUREAU OF CIRCULATIONS CANADIAN DAILY NEWSPAPER ASSOCIATION

New Housing Welcome

WITH THE SALE of the former United States Army administration building to Frank Kaffel, Toronto financier, satisfactory culmination, it would seem, has been reached in connection with the disposition of at least one of the important war installations in Prince Rupert.

Mr. Kaffel has become otherwise interested in Prince Rupert through the purchase of valuable property on Second Avenue where he plans the erection of a million dollar hotel.

Conversion of the First Avenue building into apartments cannot come too soon to relieve a housing shortage in Prince Rupert which is already proving acute and which is in fact holding back the growth of the city through unwillingness of people to come here because of the inadequacy of accommodation.

The Prince Rupert Chamber of Commerce, the city itself and E. T. Applewhite M. P., are among those that can be thanked that the administration building was held up from demolition on several occasions. Now it is to be hoped some useful purpose can be found for the big waterfront warehouse building which, of course, should be held intact any way for possible use in connection with a defence program.

HOPE-PRINCETON HIGHWAY

THE HOPE-PRINCETON HIGHWAY, an integral link in the trans-provincial highway system in the southern part of British Columbia, is to be formally opened tomorrow with considerable acclaim and ceremony.

There is no question that the new road will fill a valuable function and there would be no point in disputing the fact even though it will be of no direct benefit to this particular part of the country.

We can hope, however, that, with that road now finished, the day will be considerably closer when more and quicker attention will be paid to the highways of this rapidly developing central and northern part of the country including the northern trans-provincial highway out of Prince Rupert, especially the unfinished gap east of Prince George between the Sinclair Mills and McBride.

AN IMPERIAL WAR VETERAN

George Bradbury, who died in the city yesterday, in his seventy-third year, was born in Gloucester, England. He had lived in Prince Rupert for some 30 years and in that length of time became quite well known. He had also been located in Georgetown where he was in the employ of Weldon McAfee

for some time. A brother Arthur, living in Toronto, survives.

An Imperial veteran of the first world war Mr. Bradbury suffered frail health following his army service. After working at the Big Bay Lumber Co. at Georgetown, he later took up residence in the city, doing odd jobs and janitor work until he entered the Pioneer Home. He never married.

Victoria Report

by J. K. Nesbitt

PREMIER GETS TOUGH WITH CIVIL SERVANTS—JOHN CITIZEN AND POLITICS

Premier Johnson who prefers the clubman's handshake greeting, got tough when he announced a new cost-of-living bonus for B. C.'s 7,000 civil servants.

The Premier doesn't like being tough. He much prefers that everything go so smoothly he can keep smiling and talk pleasantries. This time, however, his

patience was at an end. He told civil servants—and he was blunt about it—that there'll be no more cost-of-living bonuses. In future, he said, increases in pay will be considered on their merits. And, he said, in effect—that's that; civil servants can put it in their pipes and smoke it.

Back in 1947, before Mr. Johnson was Premier, the cabinet told civil servants they could have another bonus every time the cost-of-living index went up 12.5 points. This has happened three times and has cost the treasury \$3,000,000. In addition to saying there'll be no more bonuses on the 1947 agreement, the Premier told the civil servants that every time the cost-of-living index goes down 12.5 points a bonus will be lopped off until, the government hopes, the civil servants will be back to their basic wages.

The latest bonus, as the others, gives every civil servant receiving up to \$160 a month a straight 10 per cent increase and those getting more than \$160 get \$15 a month, which is the maximum.

There's no doubt the public is a little burned up about the latest bonus. Many people consider civil servants better off than the average person. They get three weeks' vacation a year with pay after 10 years employ-

ment, sick leave, pensions. They have security few persons in private industry have. They know they'll never lose their job. They're not overworked. They often get three day holiday weekends.

Time was when civil servants were scandalously underpaid. That has been rectified now. Most people feel Premier Johnson was

quite right in putting his foot down.

Politicians in legislative corridors were interested in what Mrs. Eugenie Anderson, the new U.S. Ambassador to Denmark, said the other day about political parties and their place in public life. She said every citizen should be a member of some political party.

She is, in this, of course, quite right. There is too much grumbling that political parties run the country. But every citizen can be a member of a political party, vote for delegates who chose federal and provincial leaders at conventions and set the party platforms which, to some extent later become government policy. In this way every citizen can have a part in government.

The members of political parties, the rank and file, are the ones, in the long run, who have the final say—so. True, the boys in the smoke-filled back b.d.-rooms of big hotels have a lot of say, but even they must depend on the rank and file for support. There is too much unfounded suggestion that political conventions are rigged from the top.

There may be attempts at this, but if the rank and file is intelligent and independent in thought the big boys won't get away with rigging and dictation.

Mrs. Anderson puts this whole thing in a nutshell when she says: "Only the participation of average citizens in political parties will keep democracy safe."

B. C. agriculture department officials in the Legislative Buildings have been busy in recent days making sure 50 aristocrats of the B. C. cattle world have every comfort on their long trek across the country to the Royal Winter Fair in Toronto.

Some of these animals are worth \$10,000 each. They must be pampered and petted, have their every whim catered to. There will be five carloads in all and each car will have two top herdsmen to look after the occupants. Special cars are fitted up; wooden ceilings are put into all-steel cars so that the cattle won't drown from moisture. Every animal has been vaccinated against shipping fever and guaranteed free of tuberculosis and

brucellosis. In the ring, in the great Coliseum, the pride of the B. C. cattle world will be paraded before the experts of all North America. It is a great opportunity for publicity for British Columbia and will still further prove that this province is a natural home for bluebloods of the barn and pasture.

one-room heaven:

Nothing transforms a room as quickly and at so little expense — as a smart Congoleum Rug! Bright, pretty, easy-to-care-for... it stays beautiful and new looking an amazingly long time! For Congoleum has a wear-layer of heat-toughened paint and baked enamel equal in thickness to 8 coats of the best floor paint applied by hand. And it's the only enamel surface floor covering with the famous money-back guarantee.

BRITISH

COLUMBIA

Presents

THE HOPE-PRINCETON HIGHWAY

ROAD OF ROMANCE, the story of which goes back to our very beginnings as an infant crown colony, when gold was found in the boundary country and in the then barely-known Kooenayconk.

Grandly scenic, splendidly constructed, a broad smooth ribbon laid down for the traffic not of today or tomorrow but for the vastly greater volume of years to come, it shortens the distance from the teeming cities of the coast to the Okanagan Valley by one hundred miles and the time by several hours.

HON. BYRON I. JOHNSON,
Premier of British Columbia

HON. ERNEST C. CARSON,
Minister of Public Works

HON. HERBERT ANSCOMB,
Minister of Finance

PRINCETON

HOPE

It will bring the produce of that richly fertile area to the city markets freshly picked and with all its fragrance and flavour unimpaired . . . it will throw open and make a familiar playground of all the spectacular country to which Hope is the gateway, and which until now has been as remote to the city-dweller as the wilderness of the Cassiar.

Manning Park, one of the most scenic of all our provincial parks, will reveal itself in all its impressive grandeur to the thousands upon thousands of residents and visitors who will use this new highway.

The Hope-Princeton Highway is a pledge of things to come, a promise that in a very few years British Columbia will have a highway system equal to the best on this whole Pacific coast.

SOCIAL and PERSONAL

Dr. J. D. Galbraith, medical superintendent of Miller Bay Hospital, returned to the city on Saturday afternoon's plane from a business trip to Vancouver.

Community Ratepayers Association meeting to be held at East End Community Hall, Tuesday, No. 1, 8:15 p. m. All ratepayers cordially invited to attend. (255)

Boy Scout Association Annual meeting, Civic Centre, Friday Nov. 4, Civic Centre ladies' lounge. All interested please attend this important meeting. (258)

Women of the Moose, regular meeting Wednesday Nov. 2nd 8:15 p. m. (256)

There will be no regular weekly luncheon of the Prince Rupert Gyro Club tomorrow but, instead, a stag party will be held at the home of W.M. Watts preceded by a dinner at the Civic Centre.

City Clerk and Mrs. H. D. Thain returned to the city on Saturday night's train from Winnipeg where Mr. Thain conferred with the C.N.R. tax commissioner's office regarding the assessments on local railway-owned waterfront properties.

H. JOHANSEN CALLED BY DEATH

Hagbart Johansen, a former Prince Rupert fisherman of 1058 Ambrose Avenue, died in hospital Sunday afternoon after a brief illness. He had been suddenly stricken Saturday night.

Seventy-one years old and born in Norway, Mr. Johansen had lived in the city since 1928 having come from Tacoma where he was married. Before that he had been in Michigan. He is survived by his wife Martha at home and a son Ivar, now fishing in the south and due here Tuesday. Two brothers Conrad and Soren, live in Tromsø, Norway.

Deceased was a member of St. Paul's Lutheran Church.

MISS EBUTT IS TEA HONOREE

Prior to her departure for Vancouver to make her future home, Miss Dorothy Ebutt was the guest of honor Friday afternoon at a delightful informal tea at the home of Mrs. William Osborne, Alfred Street, friends of Miss Ebutt being invited to bid her farewell. The tea table was attractively decorated with fall flowers.

Feature of the afternoon's proceedings was the presentation to Miss Ebutt of a matching hand bag and gloves.

Present, besides the hostess and the guest of honor, were Mrs. J. A. Frew, Mrs. J. Siortill, Mrs. J. McLeod, Mrs. George Green, Mrs. R. McChesney sr., and Mrs. Donald Nixon.

Miss Ebutt sailed on the Camosun Sunday night for Vancouver.

STUDENT DANCE ON HALLOWE'EN

The students of Bo-Me-Hi took time out last night to celebrate October 31 with a grand Halloween Party and Dance at the Civic Centre. The affair which attracted more than 200 of the students and their guests was arranged by the School Council chairman Arnold Olsen.

The more popular games of the evening included the old favorites of apple dunking and apple on the string contests which produced many a good laugh, even for the well washed winners.

The highlight of the evening, however was the old time dance numbers which were enjoyed by everyone present. Numbers included French minuet, Virginia Reel, called by J. Evans, the Schottische, Rabbit Dance, and Home Waltz. The formal dress for the evening was blue jeans and shirts or sweaters.

Chairman of Committees were: Gerry Procter Programme; Judy Nilson, Decoration; Ray Hunter, refreshments; Edith Johnson, records, and Arnold Olson, Master of Ceremonies. About 16 teachers of the High School were invited to attend by the School Council.

Refreshments were enjoyed during an intermission in the dancing. Mrs. A. Bussanich was in charge of the serving. Servers were Mrs. N. Webb, Mrs. H. M. Harper, Mrs. R. Johnson, Mrs. I. Thompson, Mrs. L. Colussi, Mrs. S. Ballinger and Mrs. W. McLean.

the ensemble is restrained and integrated throughout. "Conception" is a Shearing riff original on the upbeat, with the Hyams-Shearing unison work outstanding.

Bop may gain some converts with this one.

Conrad P.T.A. Hallowe'en Party

Members of Conrad Street Parent-Teachers Association enjoyed cards and dancing at a Hallowe'en party held Friday evening in the school basement. About 100 attended the function.

Under direction of Principal T. G. Bateman, fourteen tables of cribbage, whist and bridge were in play during the early part of the evening. Later, dancing was enjoyed, with music by Barney Christensen on the accordion.

Card winners were:

Cribbage, Miss Jean Thompson; whist, Mrs. J. Wilkinson; bridge, Mrs. L. Murdoch.

A waltz contest was won by Mr. and Mrs. D. Bertrand. T. G. Bateman acted as judge. Mrs. Helen Marchildon, who acted as cashier, also was in charge of the program of old-time dancing.

During the supper hour, M. F. Stuart conducted a series of raffles. Three wall plaques, donated by A. Desautels, were won by C. E. Carlson. Three plastic fish decorations, also donated by Mr. Desautels, were won by P. Downing. A side of bacon was divided between Mrs. W. McLean and P. Downing.

Refreshments were enjoyed during an intermission in the dancing. Mrs. A. Bussanich was in charge of the serving. Servers were Mrs. N. Webb, Mrs. H. M. Harper, Mrs. R. Johnson, Mrs. I. Thompson, Mrs. L. Colussi, Mrs. S. Ballinger and Mrs. W. McLean.

the ensemble is restrained and integrated throughout. "Conception" is a Shearing riff original on the upbeat, with the Hyams-Shearing unison work outstanding.

Bop may gain some converts with this one.

LADIES LEAGUE BOWLING SCORES

Bertha Dunbar of Lucky Strikes and B. Windle of Annettes divided individual honors in the latest session of the Ladies' Five Pin League at Prince Rupert Allys. Mrs. Dunbar bowled 245-239-229 for a total of 713 and an average of 238, while B. Windle rolled the highest score of the evening—a 328.

BOP IS NEW U.S. MUSIC

HOLLYWOOD — One of the genuine artists at work in the field of advanced bebopery is a 29-year-old blind British pianist, George Shearing.

Bop to most folks is generally too frenetic and frantic to make much musical sense. Especially in big-band scoring. Whatever future bop may have would seem to rest with the smaller groups, such as Shearing's quintet.

The young Briton, in the United States since 1947, has rapidly established himself as a 1947 technician ready to take his place with Art Tatum, Teddy Wilson and Mel Powell. For sheer finger dexterity, Shearing may yet top

TWINS' Mother Says

"NEOLITE WAS AN EASY WINNER!"

At Goodyear's request, Mrs. S. M. Marrs, 139 Boyton Rd., Toronto, made the "Twin-Test". Bill (left) had NEOLITE soles; Bob wore shoes with leather soles.

● The two active Marrs youngsters romped and played together all day long. Like other normal boys, they gave their shoes plenty of punishment—until Bob's leather-soled shoes had holes in them. But not Bill's! His NEOLITE-soled shoes still had plenty of wear left in them after the test! Yes, it's a proven fact—NEOLITE soles far outwear the toughest leather.

Start cutting family new shoe and repair bills with NEOLITE soles—right now! They're waterproof, healthful, gloriously comfy, too!

Worn Out Leather Still Good

"SALADA" ORANGE PEKOE

Peter Tessem and Harold Strand, the former a fisherman and the latter a boatbuilder, arrived in the city on Sunday from Queen Charlotte Islands and are sailing Thursday night on the Prince George for Vancouver enroute to New York where they will embark November 30 for a visit to their native Norway. Mr. Tessem goes to Trondheim and Mr. Strand to Helgeland. They expect to return to this district in March.

COMPANIES ARE BLAMED

WASHINGTON D. C.—Maurice J. Tobin, secretary of labor for the United States, blamed the steel companies for the strike which was paralyzing the industry of the country. Steel company executives, Tobin said, had no moral basis for opposition to company paid pensions. Workers had as much right to such pensions as did the executives who received them, he declared.

POPPY DAY
(Continued from Page One)

of the display is the handsome stand bearing the Legion Standard and the Union Jack. Both exhibits were designed and executed by Mr. A. J. Croxford, a veteran of World War I.

On Wednesday night from 6 to 6:15 p.m. a speech will be broadcast over the local radio station C.F.P.R. by Bob Macnicol, B. C. Representative on the Dominion Executive Council of the Canadian Legion of British Empire Service League, reminding listeners of the significance of "Poppy Day" and outlining briefly the work of the Canadian Legion's two thousand branches which stretch across the entire Dominion. Arrangements have also been made with the C.B.C. and other broadcasting companies to feature short announcements concerning Poppy Day in various programmes across Canada.

A new version of the poppy movie-trailer has been prepared and will be released through 188 first-run theatres across Canada this week and will follow the newsreel.

On Sunday next, members of the local branch of the Canadian Legion and its Ladies Auxiliary will attend the annual Remembrance Sunday service at the First United church

TERMINUS MINE
SHIPPING ORE

STEWART — Finishing a successful season's work on the Terminus Mine on American Creek, about twenty-one miles from Stewart, Owen McFadden shipped to Trail smelter, over nineteen tons of ore averaging better than \$205 dollars to the ton.

STEWART PEOPLE
ARE ENTERTAINED

STEWART — Members of the Stewart Board of Trade were guests of the Union Steamship Company on the arrival of the ship recently. Those represented were Stewart Board of Trade, W. R. Tooth, Ernest Love, Gordon Rothnie, and William J. Crawford. Union Steamships, G. A. Rushton, traffic manager; A. W. Newman, general freight agent.

The cordial relations and the excellent co-operation of the Steamship Company were stressed by the Stewart delegation.

A suggestion was made that, if possible, the company make Stewart the first call northbound instead of at Alice Arm. This would enable tourists to see Alaska in daylight instead of in the dark as at present.

The possibility of reducing the freight on ore shipments to Trail, was discussed. It was thought that group shipments might be made, and the freight agent Mr. Newman promised to look into the matter.

In thanking the company representatives Mr. Tooth said the unbroken service during the recent period of inactivity in this district, was much appreciated.

PRINCESS TO
VISIT CANADA

LONDON — Princess Margaret Rose may visit Canada and the United States next summer. She would attend an anniversary celebration at Preston, Ontario, of the Highland Light Infantry Regiment of which she is honorary colonel-in-chief.

How I Subdued
Wild Fiery Itch—

Dr. Dennis' amazingly fast relief—in P. D. Prescription—did the trick. World popular, peace and comfort from cruel itching caused by eczema, pimples, rashes, athlete's foot and other skin troubles. NORWEGIANS
HOLD BAZAAR

Affairs on Friday Afternoon And Evening Are Well Attended

Favored by a large attendance, the annual bazaar of the Sonja Ladies and the Sons of Norway Lodge on Friday afternoon in the Sons of Norway Hall was a completely successful affair. In the evening there was an enjoyable whist drive and dance to round out the proceedings.

Fall flowers attractively adorned the tea tables. Mrs. John Pedersen received and was in general charge. Serving were Mrs. Armand Lund, Mrs. Walter Ballinger, Miss Ellen Wasing. In charge of the kitchen were Mrs. Reg Webber, Mrs. Julius Johnson, Mrs. Leon Sandvar, Mrs. Carl Strand, Mrs. Frank Schroeder, Mrs. Gunnar Selvig, and Mrs. Herman Rensvold. Acting as cashier was Mrs. Reg. Webber.

Other ladies in charge were: Fancy Work—Mrs. Leon Sandvar, Mrs. James Taylor and Mrs. Jens Husvik. Home Cooking—Mrs. Harold Helland and Mrs. Knut Slatta. Gunnar Selvig was master of ceremonies for the whist drive and dance.

Prize-winners at whist were Miss Lena Lockhart, Miss Ellen Wasing, Frank Schroeder and John Fredheim. Music for dancing was by Mike Colussi.

Interest was taken in a number of raffles which were in charge of Mrs. Hendriksen and the winners of which were: Lamp, Gunnar Selvig, No 555 Chenille Spread, J. E. Overgard, No. 124. Electric Clock, J. Mowat, No. 76.

Box of Apples, donated by Al Jensen, Edith Sornes, No. 11 Crocheted dollies, donated by Mrs. A. Hendriksen, Ted Rorvik, No. 31.

Mirror, Mrs. Ray Benson. Box of chocolates, H. Patriquis. Chicken, Mrs. Carr. Ladies' Purse, Erling Grinstrand.

Pounds of Coffee, Oscar Giske and Carl Strand. Erling Wick was the winner of a cushion which was the prize in a bean guessing contest. Mr. Wick's guess was 825. The actual number was 832.

WHAT ARE WE TRYING TO DO?

We try to have what people want.

We want our goods as good as you expect them to be according to the price you pay.

We try to sell well known goods at the prices advertised all over Canada.

Community silver, Bulova and Gruen watches Parker and Waterman pens are examples.

We sell Big Ben clocks at the same price as the jeweller in Peterborough where they are made.

We try to be earliest with the latest new goods.

We are trying to build a reputation for reliability and service.

No high pressure: no marking up goods to give a discount off.

Just plain reasonable profit.
