TransCanada Highway Parley At Ottawa

Choice of Route May be Made at Closed Session

OTTAWA (CP) — Efforts to draft plans for a \$300,000,000 hard-surfaced TransCanada Highway will be made Thursday and Friday at a Dominion-provincial conference of technical experts. One of the major problems the conference will be asked to settle is the route the proposed highway will follow.

Settlement Expected In Power Tie-up

MEANTIME MUCH OF LONDON IS IN DARKNESS—SERVICEMEN CALLED
LONDON (CP)—It was said on good authority today that the big electric power strike is about to be settled, terms to be presented at a mass meeting of workers tomorrow.

Backing Up Applewhite

CITY COUNCIL AND OTHER ORGANIZATIONS APPEAL TO OTTAWA
City council, at the suggestion of Mayor Nora Arnold, agreed Monday night that E. T. Applewhite, M.P. should be backed to the limit in his campaign to have release of full Canadian Broadcasting Corporation network programs from station CFPR Prince Rupert, which, at long last, now seems to be not far from a successful culmination. The council will communicate with Hon. Lionel Chevrier, minister of transport, in support of Mr. Applewhite. It was moved to this effect by Ald. Forman and seconded by Ald. Daggett.

Passing Of Bob James

WELL KNOWN RAILWAY EMPLOYEE, WAR VETERAN AND LEGION MEMBER
Death took place suddenly Tuesday evening, a few hours after admission to Prince Rupert General Hospital, of Robert Edwin ("Bob") James for many years a resident of this city. Mr. James was for many years in the employ of the Canadian National Railways. A veteran of World War I, he was a prominent member of the Canadian Legion. Since his retirement from the railway service he had been employed as night clerk at the Savoy Hotel.

Ford Company Pension Offer

WINDSOR (CP)—Ford Motor Co. of Canada has offered its 11,000 auto worker employees a company-financed pension of \$55 per month at age of sixty-five after thirty years of service. However, the employees, members of the United Automobile Workers (CIO), are asking for \$100 a month, the full amount achieved by the United States union last fall from the parent Ford company in Detroit. A company representative said they would have counter-proposals.

Tightening Up On Serving of Milk

THERE IS TO BE A TIGHTENING UP in connection with the serving of milk as a beverage in Prince Rupert. City council last night accepted a recommendation from the health committee that milk shall be served in restaurants from the original bottle and shall be opened in the presence and sight of the patron or customer for whom it is intended. Use of milk pumps, dippers and faucets are prohibited as is the refilling of milk bottles on the premises. The city bylaw relating to public health will be amended accordingly.

LIQUOR DELIVERY VANCOUVER—All around the clock delivery system will be set up in Vancouver early in 1950, Ald. Archie Proctor said last night. Plans for an "owl" downtown liquor store will be shelved in favor of the delivery system, Proctor said. Delivery charge downtown would be 25c and to the suburbs, 50c. "It should cut out the bootleggers from business," said Proctor.

BACON, CHEESE CONTRACTS OTTAWA—Canada and the United Kingdom have negotiated 1950 contracts for bacon and cheese and Agriculture Minister Gardiner may announce the details shortly, it was learned today. Mr. Gardiner is expected to make an announcement before the Dominion-provincial agricultural conference ends its three-day session here today.

SENTENCED TO DEATH SOFIA, Bulgaria—Traicho Kostov, former Communist vice-premier of Bulgaria, was tonight convicted of treason and sentenced to death by hanging. The No. 2 defendant, Ivan Stefanov, former minister of finance, was sentenced to life imprisonment. They were charged with nine others on charges of plotting with Americans, Britons and Yugoslavs to make Communist Bulgaria a puppet to Marshal Tito's Yugoslavia.

Are Busy On Breakwater

PROBLEM OF NECESSARY MATERIALS RECEIVING ATTENTION
Word was received today from E. T. Applewhite, M.P. for Skeena, that the Department of Public Works is now actively investigating the availability of suitable materials for Fairview Bay breakwater and, as soon as reports are received, tenders will be called. Parliament passed \$250,000 for the work.

Seven Years In Hospital

HELENA SOPHIE BENSON, a hospital sufferer for seven years, who passed away at Miller Bay last Saturday evening, was buried in Fairview Cemetery this afternoon following a service in the Grenville Court Chapel of B.C. Undertakers at which Rev. Basil S. Procter, canon of St. Andrew's Anglican Cathedral, officiated. Many native friends of deceased and her family attended.

In City Hospital After Cliff Drop

SLIPPING OFF THE EDGE OF A cliff back of Ben's Newsstand at Third Ave. and McBride Street, William Mason, assistant manager for Dominion Catering Co. at Watson Island, was rushed to General Hospital by city ambulance at 6.30 p.m. Tuesday. Suffering lacerations and bruises, hospital authorities stated his condition is favorable.

Jews Set Up In Jerusalem

JERUSALEM (CP)—Prime Minister David Ben Gurion arrived today in Jerusalem to set up his government in the disputed Holy City in defiance of a United Nations plan for internationalization. The silver-haired 64-year-old chief of government for Israel arrived just before noon without fanfare or ceremony and drove to a hotel where the flag of Israel was hoisted. He began an informal conference with ministers and officials.

Special Edition Recalls Memories

HAVING RECEIVED A COPY OF THE recent special international edition of the Prince Rupert Daily News and Ketchikan Chronicle, John M. James, M. P. for Durham, Ontario and co-publisher of the Bowmanville Statesman was prompted to write to Mayor Arnold and remissness on days in Prince Rupert by the Midlands Regiment of which Mr. James was an officer.

"We members of the Midlands," James writes, "remember Prince Rupert as one of the most friendly places in which we were stationed during the war and many of us would like to return to see what the place looks like in peacetime. From the edition it would appear that the future of your city is looking more promising than it has for many years."

Mr. James also sent a personal letter to the editor of the Daily News, offering congratulations on the special edition.

In both letters Mr. James told of meeting E. T. Applewhite, M. P. for Skeena, whom, he said, we hold in high esteem down here.

Merit Rewarded

JUDGE W. O. FITTON and Corp. A. H. (Curly) Taylor smiled pleasantly last week when His Honor presented the second-in-command of Prince Rupert's police force with a twenty-year good service medal at a ceremony in the judge's chambers. Taylor proudly wears the medal which had been pinned upon him and the picture shows the judge clenching it with a hearty handshake.

THE MAYOR-ELECT—An "ordinary guy" to the core of his democratic heart, Mayor-Elect George Rudderham would pose for no fancy portrait, but he was induced to have a snapshot taken for the press and the above striking likeness was the result. He takes over January 1 as Prince Rupert's "First Citizen."

Two's Drippy Day In Life of CPA

AGENT ED WILLIAMS, busily at work in the C.P.A. ticket office, knew it was raining outside. In fact, he was delighted at being dry and warm at his desk, probably chuckling sadistically at the thought of a certain individual prodding wearily in the deluge.

An irritating "drip" split the silence surrounding a man at work. He paused at his labors and glanced curiously and somewhat mysteriously around the office. "Hmm," he mused, rubbing a stubbled chin. "Must be my imagination." He dismissed it from his mind.

Drip, drip . . . drip . . . gurp . . . whosh.
And that is how it came about that two galvanized buckets were resting conspicuously on the edge of the ticket counter after 3 p.m. Tuesday. It seems the dentist immediately overhead had forgotten to turn off the water tap with the result of an overflow. The escaping aqua seeped into the electrical conduit leading into the C.P.A. office and with the help of a crack in the installation, dropped uninvited in the midst of the employees.

Post Office Busy Place

THE POST OFFICE RUSH is working up to the climax. Lines before the two stamp wickets keep lengthening. The staff are busy enough, also, with mail matter, money orders and registration. While the lobby can hardly be said to be crowded people keep coming and going in increasing numbers throughout the day. There is the opening and slamming shut of the postal boxes and no time is wasted in letter reading. Most of the precious communications appear to be opened immediately and devoured on the spot.

Next Friday, it is expected will be about the busiest day of the whole holiday season although there will be more than average postal activity right up to the end of the year.

The post office staff is larger in order to cope with the situation.

Nora Going Home—Mayor Plans England Trip

WITH HER CIVIC RESPONSIBILITIES ended following her retirement as mayor and her business affairs under control, Nora Arnold is planning a trip to her native England next spring. She will also visit with friends in Ontario and make calls at other points in Canada while away.

Mrs. Arnold will make the Atlantic crossing by air. The boat trip might be pleasant and comfortable, she agreed "but it's too slow for me. I want to spend my time visiting—not travelling." It will be her worship's first trip home since she arrived many years ago for six months' visit with her brother, remaining to become school teacher, bride, business woman, alderman mayor and Canada's "Woman of the Year."

Mrs. Arnold discounted any possibility of again entering public life but close friends would not be surprised if, after her trip and with health better, she may be back in the field again, particularly since she is imbued with the good citizenship of public service. "And, anyway," they say "we do not think Nora will be satisfied for long with humdrum semi-retirement."

Winnipeg Man Is Robbed of \$1500

WINNIPEG (CP)—Two men, one of them brandishing a revolver, last night held up a real estate agent within fifty feet of his home and robbed him of \$1500 cash. E. H. Koerack said he was closing his garage doors after placing his automobile inside when he was confronted by the pair who pushed him back into the garage.

Who's Responsible—Improvements For Streets

RATEPAYERS PRESENT LONG LIST in Rushbrook Heights Area
The Community Ratepayers Association of Prince Rupert is not sure who owns streets which were put in by Wartime Housing in the Rushbrook Heights area during the war. To clear any doubts raised at a meeting of the newly formed organization held in city council chambers last night, the secretary was requested to contact government authorities.

The question arose when a lady member described the dangerous condition of a section of sidewalk on Sixth Avenue East explaining that many children had received bruises as a result of falling into unprotected pits. Two years ago, she said, her grandson was one of five children, who in a two week period had sustained eye cuts and other injuries. She approached city clerk H. D. Thain requesting that medical bills be paid by the city but was told the city was not responsible for east end roads and sidewalks. Other members added every street and walk in the east end was dangerous. "They (the council) want somebody to get badly hurt before they do anything about it," one member said. "If we pay taxes, then it is the city's responsibility to pay medical bills and have these danger spots done away with," said another.

The matter of fireboxes was taken up by the group. It was agreed to press the city council for installation of red lights over every fire box.

Eight new petitions drawn up by the city council relating to streets in the Rushbrook Heights area were presented to the new organization. The petitions call for widening, extending and improving various streets in that section of the city. The streets are as follows:—

1. Parmenter Avenue from Pigott Avenue to Overlook Street.
2. Pigott Place from Parmenter Avenue to Pigott Avenue.
3. Sixth Avenue to Parmenter Avenue.
4. Pigott Avenue from Sixth Avenue to westerly extremity of Lot 21, block "F".
5. Emmanuel Street from Sixth Avenue to Fifth Avenue.
6. Fifth Avenue from Immanuel Street to Herman Street.
7. Herman Street from Sixth Avenue to a northerly boundary of Lot 3, Block "K" Map 1920.
8. Herman Place from Herman Street to the westerly extremity of Herman Place.

The mentioned improvements will include removal of existing planks to make way for rock and gravel.

Secretary Herman Thorsteinson was requested to approach the Board of Works in regards to the new diesel pumping plant to be acquired in the near future. The organization feels that a heavy duty engine would be more suitable for the job.

Due to inclement weather and sitting of seven or more other meetings, attendance was small but, nevertheless, the group found and discussed many needs by the city and will endeavor to press city council until most if not all these needs are fulfilled.

Party Killed Explosion

SWIFT CO. PLANT IS TRAGEDY
CITY, Iowa (CP)—At least 200 persons were estimated and 200 injured in the main office of the Swift & Co. packing plant in Sioux City about 10 p.m. Cause of the explosion not immediately known. The plant was a five-story structure. The south side was demolished. Several persons trapped in the building could be heard as resuscitated to reach safety.

Woman Is Killed To Death

JANE JOHNSON, seventy-two Indian woman, was killed Tuesday morning in the Indian Reserve at Hazelton, when she stepped on the home of Silas, her stepson. Early regional police head here gave no details of the tragedy. An inquest is being held Wednesday night.

Satisfactory Giving

THE time of Christmas approaches. Many of us anticipate a happy season with our friends and loved ones with little to mar the joy of the season of festivity and goodwill. In other words, it will be possible for many of us to enjoy Christmas in comfort with the ability to have for ourselves and those around us the good things that have become traditional to the occasion.

In the anticipation of our own personal enjoyment, it might be well that some thought be given to others among us who may not be so fortunate, the homeless, the needy and those whose station, sometimes through no fault of their own or through circumstances which they found it impossible to control, face the Yuletide season with little, if any, prospect of enjoyment.

There are these unfortunate among us this winter, such authorities as the Salvation Army say, in greater numbers than for some years. For some of them the need is dire and the prospect dismal. They should not be forgotten. There is some way in which everyone of us could help those less blessed than ourselves and, by so doing, we could make our own happiness and satisfaction the more complete.

One of these ways is to be generous with the familiar Salvation Army kettle which will be making its appearance within the next day or so. Those who wish to make substantial subscriptions can transmit them to the Army direct or through the medium of the Daily News which, in keeping with an old custom of ours, has agreed to receive such subscriptions and turn them over to the Army authorities.

It gives us pleasure to once again render this small service to the Army in its great work not only of dispensing good Christmas Cheer but of providing winter relief to those who really need it and who the Army is able to reach.

SAFER CHRISTMAS TREES

PRINCE Rupert may have never had the tragedy of a Christmas Tree fire but many other places have had. It is, therefore, not inappropriate to emphasize the desirability of the utmost caution against flash fires from this cause. A method for the fireproofing of evergreen trees is being recommended. Use of a chemical solution has proven that Christmas trees may be made fire-resistant if treated as soon as possible after being cut down. Freshly-cut trees have a water-absorbing power which permits the introduction of either calcium chloride or ammonium sulphate into the tree in solution form.

Stem of the tree should be sawed on an oblique angle, or in "V" shape, placed in a receptacle containing the solution, and left standing in a cold place until the tree is to be used. The chemical used should equal one-quarter of the weight of the tree. Dissolve the chemical in water at the rate of one pound chemical in 1 1/2 pints water.

Sheriff's Sale

IN THE SUPREME COURT OF BRITISH COLUMBIA Between HANSON LUMBER AND TIMBER COMPANY, LIMITED, Plaintiff and FRED BUGG, Defendant. Under and by virtue of a Writ of Fieri Facias issued from the above Court and to me directed against the goods and chattels of the defendant, Fred Bugg. I have seized one Pandion Unit Sawmill complete with power unit, 200 f.b.m. lumber, camp buildings and their contents, tools and accessories, 240 sawlogs at the camp known as Bugg's Camp, near Skeena crossing, 600 more or less, cedar poles in the woods near the said camp and three draft horses, now at Hanson's stables, at Nash. Goods and chattels may be viewed at the above described locations on Thursday, December 15, 1949, at the hour of 11:00 o'clock in the forenoon at the public auction, all the right, title and interest of the defendant in the above goods and chattels. Terms of sale: Cash. This sale is subject to the Social Security and Municipal Aid Tax. The highest or any bid not necessarily accepted. Dated at Prince Rupert, B.C. this 6th day of December, 1949. COUNTING VOTES

On the evening of the election when the final results were broadcast the number of votes that I had received were announced to be 589.

The following day when the paper came I noticed that the number had been reduced to 579, ten less.

This change puzzled me naturally as it is something very unusual.

I pointed this out to the Daily News and was told over the phone that Mr. Thain had given these figures.

Very well, I had lost anyhow so what's the use of arguing, but here is the angle I take: the kind voters who cast their votes for me evidently considered me a desirable person so, as a matter of principle, I would like to have the matter clarified as the suspicion might arise that other mistakes might have occurred in compiling the results of the election.

Respectfully yours,
A. WALLIN.

Alaska Native Choir Coming

The Duncan Memorial Church Choir of Metlakatla, Alaska, will be heard here Friday, January 6, under the sponsorship of the Civic Centre Association. This choir has become famous since its successful tour of the western States and Canada in 1947.

The Metlakatla Mission was founded by William Duncan, the "Apostle of Alaska." The people of this Mission originally came from the Prince Rupert area, migrating from Metlakatla, B.C. to Metlakatla, Alaska, under Father Duncan's leadership.

The overseas service of the Canadian Broadcasting Corporation has expressed a desire to record their sacred concert at the Civic Centre for broadcast throughout the world from the powerful short-wave station at Sackville on the East Coast. The local broadcasting station is endeavoring to make arrangements to broadcast the program to the area adjacent to Prince

Money Is Raised By Jr. Red Cross

As a result of a Junior Red Cross sale held last Friday, \$115.70 was raised by the organization, the majority of which will be donated to the Handicapped and Crippled Children's Fund of the Red Cross. This was announced, Tuesday at a regular weekly assembly in Borden Street school.

On the motion of members Dick Flood and Howard Johnson, the gathering agreed to donate \$10 to the Miller Bay hospital, \$10 to the children's ward, General hospital and \$5 to the Salvation Army Christmas Cheer Fund.

A report of the sale was delivered by President Roy Sie-

Arrangements for this concert have been made by President Charles Ryan. The Choir is under the direction of Raymond D. Haldane, son of the late A. C. Haldane who was their director for many years.

ber, he congratulated the pupils for their successful work. Molly Simmons, treasurer, disclosed net proceeds from the sale of hot dogs, pyrex, aluminum ware, towels, nosiery, plaques and plants.

A vote of thanks, on motion of Lonny Patten and Margaret Johnson, was passed to Mrs. S. A. Cheeseman, Mrs. H. C. Flood, R. Clark, and principal J. S. Wilson.

The sale was conducted under the management of the joint executive of grade six students Roy Sieber, Dick Flood, Molly Simmons, Lonny Patten, Margaret Johnson and Howard Johnson and grade five students Ricky Watts, Geo. Howe, Craig Oliver and Roberta Reid

Our greatest asset

DOES NOT SHOW IN OUR BALANCE SHEET

Big family — the B of M staff . . . close to ten thousand men and women serving well over a million and a half Canadians in every walk of life from coast to coast.

These are the people who make the B of M — they are our "greatest asset" which no balance sheet can show.

"I am very proud of our staff," said Gordon R. Ball in his report as General Manager to shareholders of the B of M. "The year has been a heavy one in all sections of our business, and our staff have discharged their duties with untiring energy and efficiency . . ."

"But mere facts and figures do not, and perhaps cannot, convey to you the spirit and warmth of the services rendered day by day throughout the year, sometimes under most trying circumstances."

"I refer to the staff in many offices where alterations are

Tribute

under way, who carry on with a smile amidst the din of trip-hammers, and with carpenters, plasterers and others working at their trades.

"I refer to the men on the lonely outskirts of Labrador who have unfurled the banner of our institution in territories still undeveloped . . ."

"I could go on recounting other tales of a spirit in our institution that cannot be measured in dollars and cents, but which is, nevertheless, our greatest asset . . . I am very proud of our staff."

Jack Frost Welcomed

Frost of the past week has brought rejoicing to the lumber industry in the Prince George district and elsewhere in the central interior. The ground, which had been bogged down with mud, causing a paralysis of timber hauling, is now hardened up. Loggers, haulers and mill operators have been able to return to their jobs and it was stated at the office of the divisional superintendent of the railway this morning that "operations are in full swing again."

Community Xmas Service

The third annual Community Christmas Carol Service is being held Sunday evening in the Civic Centre Auditorium. An interesting program has been arranged and a choir of fifty voices will lead in the singing. A combined orchestra of the Shrine Club Band and the Symphony Orchestra will furnish the accompaniment. The Choir will be heard in the "Gloria" from Mozart's "Twelfth Mass." Peter Lien will conduct the Choir and Orchestra and Frank Anfield will act as master of ceremonies.

The program is arranged so as not to conflict with the evening Church services, the Carol Sing being held later in the evening.

Last year several hundred citizens joined in this Community project jointly sponsored by the Civic Centre, the Symphony Orchestra and the Shrine Club Band.

Most Rev. Anthony Jordan, O.M.I., vicar-apostolic of Prince Rupert, who has been in the south for the past few weeks on ecclesiastical business, returned to the city from Vancouver on the Prince George this morning.

BASKETBALL—
Co-ops In Winning Form Again, Down High School

Co-Op poured in 69 points last night to take another Senior Basketball League victory over Bo-Me-Hi which also gave a good account of itself with 61. It wasn't a Co-op victory all the way as the two teams fought on even terms until the end of the third period with the lead see-sawing back and forth frequently. It was in the fourth that the inexperienced team began to crack and at one time Co-op held a fifteen point lead which High School managed to whittle down to eight points before the final whistle.

It was a free-scoring game and at one time in the third period baskets were raining in at the rate of four per minute. Don Scherk had his shooting eye for the first time since his sensational shooting of last year and he scored 21 points. Ted Arney and Ray Spring were both swishing the hoop from almost impossible angles, Ted making 17 and Ray topping him with 19. Joe Davis was also hitting the hoop regularly, garnering 16, and Sid Scherk for High School scored 13. It was a good game from the spectators' point of view although the majority of them were Bo-Me-Hi rooters and they went home disappointed. It was a case of age and experience winning over

youth and inexperience. The best team won but High School gave the fans full value.

Bo-Me-Hi—Spring, 19, Carlson 9, Scherk 13, Webster 2, Moore 2, Bill 5, Ratchford 2, Kristmanson, Sharpe 2. Total 61.

Co-op.—Arney 17, Davis 16, Holkestad 4, Scherk 21, Macphree 6, Morgan 5, Marshall, Haugan. Total 69.

Ladies' League
Basketball in this division is improving rapidly. Last night the shooting was excellent and the girls were playing a smart passing and fast breaking game. Dom's nosed out People's by a 22 to 18 score. Rusty Thain of People's topped the field with 10. Here again too many points are being missed on foul shots, People's getting only 2 of 10, and Dom's 4 of 12.

People's.—Dumas, Howe 5, Budinich 3, Windle, Bill, Pottle Thain 10. Total 18.

Dom's—Hamilton 8, Youngman 2, Kildal 5, Currie 7, Hall 2, Paul, Shier, Youngman Total 22.

Junior
Kinsmen took the Scouts by a decisive 27 to 13 score. Henry Blackaby and Ronald McKay getting 11 and 8 for the Kin team. The Junior games are crowd pleasers and more and more fans are coming early to see the fine ball being played in this division. These boys take their basketball very seriously, and for a junior to miss a scheduled practice is just about unheard of at the Civic Centre gym.

Line-ups
Scouts — Webber 4, Scherk Hodgkinson 2, Becker 4, Eriksen, Webber, Findlay, Ciccone 1, Kristmanson 2. Total 13.

Kinsmen — H. Blackaby 11, Penneff, W. Blackaby, R. McKay 3, A. Blackaby 3, Letourneau 3, MacIntosh 2, MacPee, White 1. Total 27.

United Church Young People's Party—Christmas Activities Planned

The Knox United Young People held a Christmas party in the Credit Union Hall on Monday evening with 28 members and guests present. Leading the games were Flora Melvin and Joan Atwood. Colored-film slides of the Christmas story were shown and familiar carols were sung. Anita Brue and Herbert Frandell were each given a small gift for their help in selling tickets for the Drama night. It was decided to donate \$65 to the Church Building Fund and to pay one-half of the expenses of Gerald Topp's trip to the Boys' Parliament this month.

The choir of the Knox United Church will present its annual Christmas Carol service next Sunday. The entire offering from this service will be given to the Building Fund.

A very good meeting, better than usual, of the Knox Y-ettes was held at the home of Mrs. J. H. Smith last Friday evening. Mrs. M. McDonald presided. Plans were made for a Christmas party for the Sunday school children, the Cradle Roll, and the parents of all the children to be held in the Oddfellows' Hall on December 20. On the program will be the Christmas tree, games, carol singing and a showing of colored slides of the Xmas Story. Mrs. G. Haugland, Mrs. W. Martin and Mrs. P. Mallett will be responsible

for the games. The members decided to order \$70 worth of lining material for the room in the new wing of the Church which will be used for the Primary department of the Sunday School as well as for a meeting room for the various groups. The secretary was asked to send a note of thanks to H. Smith for bringing the kindergarten chairs from Prince Rupert. Two of the members volunteered to help in the Sunday School following an appeal for more teachers. A busy and enjoyable evening was closed with refreshments.

The Civic Centre Drama Club held a party at the new home of Jim MacKay on Saturday evening. Quiz games were enjoyed and delicious refreshments were served by the refreshment committee.

Dr. and Mrs. K. MacPherson left last week for Victoria where they will spend the Christmas season with the latter's parents.

Duncan de Kergommeaux was a visitor from Prince Rupert at the week-end.

Mr. H. Noakes, Grade 6 teacher at the Elementary School, had the misfortune to badly sprain his wrist and dislocate his elbow when his bicycle skidded on the ice on Thursday morning, throwing him off. He is, at present, a patient in the local hospital and is not expected back to school until after the Christmas holidays.

Bob Parker and Bert Cox of Prince Rupert drove into town on Monday on a business trip.

Mr. Atwood arrived last night from Trail where he has spent the past few months. He and Mrs. Atwood will be leaving shortly for a family re-union in Winnipeg.

Woman's Auxiliary Meet

The December meeting of St. Matthew's Church Auxiliary was held at the home of Mrs. W. Sparkes Thursday afternoon with West in the chair. A refreshment and sale of the previous Saturday showed that it had

been a financial success. The day had been fine, though cold, and the affair had been well patronized. Attention was drawn to condition of the rectory chimney which had recently been cleaned and repairs will be effected before the new minister, who is expected in January arrives. Bishop Gibson is expected in Terrace on Saturday and will conduct Christmas Communion Services in the church on Sunday morning, December 18. Mrs. H. King will donate the altar flowers for that service. Mrs. Bert West announced the result of the recent canvass of the British and Foreign Bible Society, of which she is the local treasurer, as being \$184.36. Christmas greetings will be sent, as formerly, to past members. Mrs. Giggey offered her services as Prayer Partner. The next meeting, which will be the annual meeting and election of officers, will be held at the home of Mrs. C.L.M. Giggey on January 12. At the close of the business session, refreshments were served by the hostess.

With two practices a week, the Civic Centre Drama Club's three-act play "Never Say Dye" shows promise of being a rollicking farce which should delight the audience when it is produced in January. Mr. R. Cooper is directing it and, with one exception, the cast is made up of players who will be acting for the first time before a Terrace gathering.

TERRACE TOPICS

(Continued from Page 5)

Mr. and Mrs. Garnett Jackson of East Kwintsa drove into town on Saturday and will make their home here east of town in a converted army building. In partnership with Gordon Little, Mr. Jackson has purchased a D8 "Cat" which, for the winter months, will be used on construction work. Operations at the East Kwintsa mill have closed for the winter and a watchman, Jim Ward, is left in charge.

Mrs. A. M. Greenwood left recently to reside with her daughter, Mrs. M. Heise at Prince Rupert.

The weather remains cold and seasonal in Terrace with a cover-

ing of snow which is likely to remain. The week-end was fine though chilly. A cold wind, blowing from the north brought snow and a near blizzard on Tuesday afternoon.

A lone seagull appears to have a rendezvous at the telephone office on Sunday afternoons. Last Sunday was the second time in succession it was seen, soon after lunch, trying to cross Lakelse Avenue and being frightened away by a passing motorist.

Mrs. M. Squires is substituting at the Elementary School during the absence of Mr. H. Noakes.

Sydney Kaufman leaves on Thursday for Vernon where he will make his future home.

Because of 2 Generations of Flavor Experience—

DELICIOUSLY FRESH TASTING

Colorful, crystal-clear and tempting, Jell-O desserts have such wonderfully fresh, fruity flavor you'll rate them tops for even your most important guest occasion. Yet Jell-O is so easy to fix... so very economical... that you can enjoy its marvelous "locked-in" flavor any day in the year. "JELL-O" has been a household word for 2 generations. When you buy Jell-O Jelly Powders you enjoy the advantages of over 50 years' experience in making better jelly desserts. Seven glorious flavors. Get several packages tomorrow.

Try This Beautiful JELL-O Dessert

Pear and Cherry Mould

- 1 package Cherry Jell-O
- 2 cups hot water (or water and syrup from fruit)
- 1 cup drained canned pitted red cherries
- 1 cup balls of canned pear, or fresh cantaloupe in season

Dissolve Jell-O in hot liquid. Chill until slightly thickened, then fold in fruits. Chill in fancy mould. Unmould and garnish with pear or cantaloupe, which has been cut in balls with a ball cutter. Makes 6 to 8 servings.

Simple—But So Effective

Lime Gaiety

A really liberty way to end a meal on a high note! Prepare Lime Jell-O as directed on package—but increase water to 2½ cups, to make it set a little more softly than usual.

Chill in dessert glasses. At serving time, centre each dessert with a maraschino cherry and surround the cherry with a small amount of fresh fruit.
