Ottawa Aid For Extension Of P.G.E. Line

Federal Parliament Being Asked For Over Million Dollars, Premier States

OTTAWA (CP)—Prime Minister L. S. St. Laurent announced today that Parliament will be asked to vote a grant of \$1,200,000 to assist British Columbia in extending the Pacific Great Eastern Railway from Quesnel to Prince George. He said the government will recommend to Parliament at the forthcoming session the grant of a subsidy of \$15,000 a mile to the government of British Columbia for extension of the line.

OTTAWA OFFICES CLOSED BY HEAT

OTTAWA—With the mercury climbing to 96.4 degrees employees in various government departments have been sent home early in the afternoons. Some were relieved at two o'clock.

Session Date Sept. 15 Set

OTTAWA—Prime Minister St. Laurent announced today that the first session of the Twenty-First Parliament will open Thursday, September 15.

ANOTHER MINISTER GOES TO EUROPE

LONDON—Another British cabinet minister has gone to Europe for his health. He is Minister of State Philip Noel-Baker who has left for Norway to convalesce from a recent operation.

TO EDUCATE BORDER FOLK

"Highway Sixteen," the British Columbia Travel Bureau's colorful travelogue of the central interior country between Prince Rupert and Prince George, is to be used as an instrument of education for immigration, customs and service station people along the international border who are taking a long time to learn that there is a highway to Prince Rupert and who are still giving misinformation to motor tourists concerning the road.

BREAKING UP JAP COMBINES

TOKYO—General Douglas MacArthur's controversial program for breaking up Japan's economic giants ended yesterday. The Allied occupation commander said it was "accomplished effectively."

"This proposed extension of slightly over eighty miles was announced by the provincial government last spring," said Mr. St. Laurent.

Completion of the line will afford connection at Prince George with the Canadian National Railways.

Mr. St. Laurent recalled that mileage subsidies have been a traditional method by which the government of Canada has assisted railway construction in the past.

Premier Byron Johnson of British Columbia, now in Ottawa, expressed gratification over the announcement. He reiterated the plan for extension of the line into the Peace River country and mentioned that this was expected to develop grain handling over the Canadian National into the port of Prince Rupert.

U.S. Told Need Of North Flank

LONDON—Military commanders of Norway and Denmark told United States joint chiefs of staff today what help they need to hold the northern flank of the Atlantic countries' defence line in Europe.

The Scandinavian delegations met American officers in separate conferences at United States naval headquarters in London.

The conferences were conducted under the same (closed door) conditions as yesterday's meeting with British military leaders.

Armed guards made certain that only actual participants entered the conference room.

The United States chief of naval staff predicted that arrangements for Atlantic conference defence arrangements would be finalized by the end of the year.

Truman Wings to be Trimmed

Will Not Get Full Amount For Arms Aid Program, Conceded

WASHINGTON D. C.—Figures on Russian military strength failed today to shake the determination of members of the House of Representatives foreign affairs committee to trim President Truman's arms-aid program.

After a full day of closed-door sessions with Army and State Department experts who helped to draft the \$1,450,000,000 program to rearm friendly countries, Democrats and Republicans agreed that the President will not get what he wants.

There is a heavy sentiment to curb broad grants of Presidential authority such as is proposed and to spell out, as closely as possible, the amount of assistance to be given, the countries to receive it and the conditions under which it shall be provided.

Living Cost Is Up Again

OTTAWA—Canada's soaring cost-of-living index jumped to a new high during June as rising food prices moved it to 162.1 from 160.5 in May, the Dominion Bureau of Statistics reported today.

PRIEST GETS EIGHT YEARS

PRAGUE—The official Prague radio announced last night that a village priest of the Roman Catholic Church had been sentenced to eight years' imprisonment for treason. He was accused of refusing to administer the last sacrament to a sick old woman until she resigned from the Communist party. The priest, Rev. Akois Fajstl, denied the charge.

THANKSGIVING DAY ANNOUNCED

OTTAWA—Monday, October 10, was proclaimed Thanksgiving Day for this year in a special issue yesterday of the Canada Gazette.

THE WEATHER

Synopsis
The weak disturbance which crossed the southern coast during the night is continuing its slow eastward motion and is expected to move into western Alberta by this evening.

Forecast
North Coast Region—Today and Friday cloudy with a few sunny intervals, scattered rain showers. Continuing cool winds, westerly (20 mph) exposed areas, otherwise light. Lows tonight and highs Friday—at Port Hardy and Prince Rupert, 50 and 63, Masset, 48 and 60.

Northern B. C. Region—Sunny and warm today and Friday. Winds light. Lows tonight and highs Friday—at Telegraph Creek, 48 and 68, Prince George, 57 and 75.

SOAP PRICE GOING DOWN

TORONTO—Two Canadian manufacturers yesterday cut the retail price of some types of soaps. One of them reduced the price of shortening for household use and raised the price to commercial users.

LONDON—Queen Elizabeth is 49 today. She spent her birthday quietly at Buckingham Palace. No official engagements were arranged to celebrate the day which was regarded as a family occasion.

REDS HIT AT SOUTH KOREA

SEOUL, Korea—A force of Communist border guards, reported to number 6000 men struck across the border at three points today into South Korea.

ELOQUENCE A LA BRIDGES—Harry Bridges, head of the longshoremen's union on the U.S. Pacific coast, can usually be depended upon to have plenty to say. Now that the union strike in Hawaii is under investigation by a U.S. government committee, Bridges has an opportunity to show his eloquence before the committee members. If they don't agree with what he says, it won't be because Bridges does not put enough expression into his speeches.

DISPLAY BY DRILL TEAM

Preview Demonstration to Be Staged for Local Public Tomorrow Night

Tomorrow evening—on Third Avenue in front of the Post Office if weather is fine and in the drill hall of H.M.C.S. Chatham if it is unfavorable—local Job's Daughters will put on a full dress preview of the colorful drill routines with which they hope to win an international contest at Spokane two weeks hence. The 33-girl drill team will be leaving here on Friday night of next week for Vancouver where they will proceed by chartered bus to Spokane. The contest will be part of the proceedings of an international Job's Daughters session.

STRIKE END IS BEING SOUGHT

SYDNEY, Australia—Australia's general coal strike, now in its sixth week, may be called off next Monday.

Officials of the miners' lodges today passed a resolution calling on the central council of the Miners' Federation to hold mass meetings Monday to vote on ending the strike.

The communist-controlled northern miners' management board later passed a resolution, objecting to the decision of the moderates.

ONTARIO DUE FRIDAY MORN

The cruiser H.M.C.S. Ontario, southbound from Juneau after a training cruise in Alaskan waters, is due in port here tomorrow morning, according to word received at H.M.C.S. Chatham. Exact arrival time was not known at noon today.

Carrying 775 officers and men, Ontario is senior ship of the Pacific Naval command. She carries 63 naval cadets from Royal Roads and 180 newly enlisted seamen. She is commanded by Capt. H. F. Pullen.

SUICIDE IS CONFIRMED

The provincial police boat P.M.L. 15, Constable Edward Anderson, in charge of the detachment, returned to port yesterday afternoon from Kitimaat following an investigation into a reported suicide case. The dead man was Andrew Walker, 24-year-old Kitimaat native, who was found aboard a gillnet boat with a gunshot wound in his head. A .30-30 rifle had been used at close range.

Coroner George M. Graham of Butedale conducted an inquiry which resulted in a suicide finding.

BRITISH TEAM IS CONFIDENT

NEW YORK—Britain's Walker Cup team, hailed as possibly the strongest from that country in the history of the competition, arrived today for its battle with United States forces at the Winged Foot Club, August 19 and 20.

Said one of the Britishers: "I won't predict that we will win but I know well we are going to give your lads a real fight. This team of ours has been put together with more care than any previous British team and for the first time we trained seriously as a team."

LOCAL OFFICERS AT ARMY GAMES

A Prince Rupert officer will be among the 100 reserve army and active force officers who will take part in exercises Eagle and North III which the Canadian Army will undertake this week.

Capt. Lee M. Gordon of the 120th Heavy Antiaircraft Battery left for Edmonton this week to join the manoeuvres near Grand Prairie, Alberta and Whitehorse. The exercises will test out the newly acquired airborne techniques of the Princess Patricia's Light Infantry.

Exercise Eagle will be held near Grand Prairie and Exercise North III, north of Whitehorse. The largest army manoeuvres since the end of the war, more than 1,400 men will be involved.

STAFF GAPS BEING FILLED

Seven more teachers are needed to fill the district school teaching staff following changes at the end of the 1948-49 term, the school board learned at its monthly meeting last night.

Required are one teacher for the High School, three for city elementary schools, two for the Port Essington school and one relieving teacher for the city schools.

Latest resignations received by the Board prior to the July 31 deadline set by the Public Schools Act were those of Martin Grisdal, from the staff of Booth High School, and Miss Hilda House, from the staff of Conrad Street elementary. Mr. Grisdal has accepted a post at Mission and Miss House at Langley.

New appointments to the elementary school staff are Miss Jacqueline Trotter, Miss Yvonne Larson, Miss Annette Rogers and Mrs. T. Nickerson. The first three are now attending summer school and the latter is now at Port Edward.

Appointments to the High School staff, confirmed by the meeting, were those of Raymond Slade and Miss Ethne Mills, both of Vancouver. Miss Mills will teach home economics.

POTENTATE, WIFE ROBBED

CANNES, France—The Aga Khan's wife yesterday said four bandits robbed her and her husband of jewels and money worth \$450,000. The theft occurred at noon as Aga Khan and the Begum, with a maid and chauffeur, left their Riviera villa to visit their son the Aly and daughter-in-law Rita Hayworth at Deauville.

The Begum said that four shabbily-dressed men speaking with Spanish or Italian accents and carrying Tommy guns got away with one 25-carat diamond worth 25,000,000 francs.

Unions and Communism

YEARS OF HARD and secret work by a handful of Canadian communists seems to have paid off manyfold. It is probably no coincidence that the Red-inspired disagreement among Canadian seamen has been used to foment trouble in the ports of the world just at a time when the trade and dollar crisis has impeded the free interchange of goods and thus imperilled the democracies of the world.

The world-wide rash of strikes might well fall into a pattern—a made-in-Moscow pattern. A seemingly insignificant Canadian labor dispute ties up two ships in the Thames, brings out on strike the thousands of dockworkers in the world's largest port, and the communist-controlled World Federation of Trade Unions does its best to put the London strike on a world-wide basis. Then the Red-led Australian dockmen refuse to unload a strike-bound Canadian ship loaded with coal, and Red-led miners strike in the hope of bringing Australia to a point of industrial collapse. In the meantime, Moscow's old and faithful friend, Harry Bridges, holds Pacific island trade crippled for months with his insane demand for a wage increase in Honolulu that would give a stevedore a higher income than a skilled mechanic.

It is fortunate for Canada—and for the world—that many Canadian union leaders have had the moral courage to openly attack the Communists who have led the seamen's strike and who have secretly infiltrated into other unions. It is not impossible that the country's most effective defense against the Red Trojan horse will come from courageous union leadership.

ISLANDS RECOGNIZED

THE THOUSANDS of islands scattered along the coast of British Columbia and Alaska are given a resounding boost in a recent issue of Saturday Evening Post. Says the article, in part:

"Just across the international boundary begins an archipelago of thousands of magnificent islands most of which are still vacant and under ownership of the provincial government of British Columbia. They are available to Americans and Canadians at prices beginning at \$10 an acre. Mostly scattered through the 400 miles of the Strait of Georgia and Queen Charlotte Sound, the islands recently have been discovered by Americans in droves and the more southerly ones are going fast. The climate of the whole area is quite equable the year round and there are thousands more to the north. Southern Alaska has another couple of thousand vacant, and quite habitable which are a good bet if you want to 'crawl up and pull the ladder after you' as the islanders say.

"Remarked an Ohio business man, who owns an island:

"The minute I step ashore—well, a feeling of calm and contentment comes over me. It's like magic, as if being surrounded by water cuts off my usual worries. If everyone in the world had an island he could get away to once in a while, I wouldn't be surprised to find most of our problems solved."

SAFETY IN STRENGTH

PROTECTION of the growing generation against war can best be served by providing now more than a billion dollars wherewith to arm united nations in Western Europe. President Truman utters an appeal that comes close home.

Should Washington not feel disposed to aid the United Nations in such a vast way, the ultimate consequences might be very grave. Aggressives could and would grow because there would be nothing to stop them. It is too much to expect that the present trend, from the standpoint of the Soviet with all that such implies, would moderate in the slightest degree. Again would it be shown how weakness invites invasion.

SAW CHANGE IN CALGARY

Mr. and Mrs. William Rothwell of Sherbrooke Avenue, pioneer residents of Prince Rupert, are home from a visit to Alberta where the former had the pleasure of a reunion with an elder brother. They had not met for many years.

The Herald, Calgary's first daily, prints an interview, with portraits of each. It reads as follows:

"Calgary has certainly changed a lot since I was last here," William Rothwell, 54, a longshoreman from Prince Rupert in town to visit his brother, James, 62, 1108 Fourth Street East, a fire chief and maintenance mechanic with Burns & Co. Ltd., who he has not seen in 31 years, declared Friday.

"When I was a boy the only school in Calgary was on Centre Street between Fourth and Fifth Avenues and the only bridge over the Bow was a wooden structure that was nearly falling down. The C.P.R. station was just a little shack in the same place as the station is today."

"The Rothwell family first came to Calgary from Yorkshire, England in 1902. They lived in 'The Bow Cottage' in what is now Hillhurst district. At that time this area was all ranch land belonging to Alf Riley and the two boys helped Mr. Riley with his fanning and rode his horses."

"There was a Church of England and a few houses. That's about all," they said.

"The last time the brothers saw each other was in 1918 in Calgary when Bill was discharged from the army. That was the last time Jim saw his sister, too, Katie, 55, from Victoria was passing through Calgary on her way to England with her husband who was in the Canadian Army Postal Corps."

"Bill, accompanied by his wife, arrived in Calgary Thursday from Edmonton."

"We wanted to be here in time for the Stampede," they said—"But we just couldn't make it. I like what I've seen of Calgary very much," Mrs. Rothwell declared.

Jimmy Langridge's Farewell Party

Robert Brewerton was host Monday evening at a surprise party at the home of his parents, Mr. and Mrs. L. Brewerton, for Jimmy Langridge who will shortly be leaving Prince Rupert with his parents, Mr. and Mrs. J. T. Langridge. The evening was happily spent in the playing of games and refreshments were served. The farewell gift was a camera. Those present were Fred Kristianson, George Thain, Neoland Bechin, Melvin, Raymond and Harold Paulsen, Chris Erickson, Alf Hodgkinson and Jack Flewin.

MASSET TO GET PLANE LANDING

Masset, one of the Queen Charlotte Island points, which now has a daily seaplane service out of Prince Rupert, is to be provided with adequate seaplane landing facilities in the near future. With that end in view, an immediate survey of the situation has been authorized by the Department of Public Works. Seaplanes at present land at the Masset wharf but with some difficulty owing to its nature.

Ray Reflects . . . and Reminisces

An interview with Bill Hanrahan in Wednesday's News described the typical prospector. Reading it cheered one up. Sixty seven years young, Hanrahan has shared in all the booms for half a century. Hardy and adventurous, his optimism lasts as long as life. If it didn't he would not be a mining man. The west would be the poorer but for the priceless services of these roving old gentlemen and the big strike "just around the corner."

Americans, says a periodical, are finding an attraction in the thousands of islands fringing the shores of British Columbia and Alaska. Many are buying. It is a fact that some United States islands are thickly populated. Manhattan, for example.

A mining camp has to be pretty poorly nourished before it can be said to be a ghost, utterly. The Premier mine slumbered sooty for a year and, while that did not cause Stewart to wear a smile, conditions could have been more serious. Stewart worried along, serene in the belief of a coming resurrection, and the hunch was right. Even now, with the mine on the eve of returning production, Prince Rupert can feel the welcome change that's settling in, in the Portland Canal region.

There is a place on the coast line of Vancouver Island within handy distance of Victoria where the annual rainfall is usually hundreds of inches. But

few ever hear of this, save through the yearly provincial weather report—and then quietly. Meanwhile, hosannas for Victoria, not far away, where Canada's most perfect climate beams. It can be that way in this interesting land.

Ottawa would have a museum—greatest in the whole world, no less. That's all very well, but it should be distinctly understood that superior totem poles are highly prized and becoming scarcer all the time.

Changing from the crowded streets of Montreal to Saskatoon as the prairie town looked in the spring of 1906-07 had contrast. That much was certain. There might have been 7,000 people. Instead of French-Canadians all seemed to have hailed from Ontario and Manitoba. All were married to Saskatoon. They were born boosters, which may help explain today's university, the towering Bessborough Hotel, and a hustling city of perhaps 50,000. Saskatoon, forty years ago was just another town—but with driving force and united effort. There were a few natural advantages, but nothing to shout about.

R. H. Joyce, manager of Kelly-Douglas Co. here, is returning to the city on this afternoon's train from a brief trip to Vancouver. Mr. Joyce is about to move south from here. He will be succeeded as local manager by Thomas Beattie, long identified with the firm here.

Among those making the round trip from Vancouver to Ketchikan aboard the Prince Rupert this week are Miss Doris Thorpe of White Rock and Miss Shirley Cheak, formerly of this city.

Have you seen announcement for "The Voice of the Deep?" (181)

Paying his first visit to Prince Rupert, Hugh McKenzie, manager of the elevator at Mirror, Alberta, is spending a couple of days in the city as the guest of Mr. and Mrs. V. L. Hanson. He arrived on Tuesday night's train and will sail tonight on the Prince Rupert for Vancouver.

CARD OF THANKS

We wish to extend our sincere thanks to friends and neighbors for their kind expressions of sympathy and the beautiful floral offerings received during the passing of our dear wife and mother. Especial thanks to Rev. L. G. Sieber for his comforting words. The Smith Family.

SELLS OUT BURNS LAKE DRUG STORE

Having been called here for the funeral of Mr. Smith's mother, the late Mrs. T. D. Smith, Mr. and Mrs. Thomas P. Smith left by car today on their return to Burns Lake.

Mr. Smith has sold out the drug store he has operated for years at Burns Lake to D. G. Boyd, who has been conducting a men's and ladies' wear store there, and, with Mrs. Smith, will be visiting the Okanagan and Vancouver Island shortly before deciding upon a future location. One of their sons, Tommy, is now at Prince George, and the other, Kenneth, is in Penticton.

Now that Mr. Boyd has bought the Burns Lake drug store, Charles Beck, hardware man there, has taken over the men's and ladies' wear store and is combining it with his hardware store.

Mr. and Mrs. J. T. Langridge and son, Jimmy, are sailing tonight on the Prince Rupert for Vancouver. Mr. Langridge, for some time identified with the Northern B. C. Power Co. here, is joining the service of the British Columbia Power Commission and expects to be located in the southern interior.

Mark Gormely, district forester, is sailing tonight on the Prince Rupert for a trip to Vancouver.

and the rural areas 12.56 per cent. Actual amount of the rural area's share will be \$51,184. However, to this has been added \$316 to cover bylaw and debenture expense, bringing the total to \$52,500.

Repayment of the debentures will be on a 20-year basis, totalling \$76,500 with principal and interest during that time. Interest during the 20-year period will amount to \$24,500. Annual payment on principal and interest will be about \$3,700. This will be raised by levies authorized by the bylaw.

The bylaw which will authorize the borrowing of the city's share has not yet been prepared. However, it will be ready in time to be put to the ratepayers along with the rural bylaw late in September.

Both bylaws will require a three-fifths majority in order to be passed.

Sport Shots

Gorgeous Gussie's lace panties, liveliest publicity stunt of the hot weather sports season, still are creating a furor in tennis circles. You'll remember that Miss Gertrude Moran of Santa Monica, Calif., caused something of a fashion stir when she competed in the famed Wimbledon tennis tournament clad in what a London newspaper described as "A... A white silk jersey short skirt and tight bodice, white silk jersey panties trimmed with two inches of open lace." Miss Moran was widely photographed in the Derner cri outfit—but was knocked out of the match by sedately-skirted Gem Hoahing of Britain.

Now Andy (Montreal Standard) O'Brien finds that Gussie's scanties actually caused her downfall. Andy reports that United States tennis writers are "still irked at the English tennis audience and the English press for 'undue stress' on a seeming triviality which 'distressed a sensitive, nice-mannered girl such as our Gertrude Moran.'"

"Frankly," writes O'Brien, "it sounds like the American scribes are still straining for an alibi. I can't imagine Gorgeous Gussie, already schooled in publicity such as given her by a picture magazine and movie offers, being distraught over becoming the pin-up girl of England. Certainly, too, she can understand London being thrilled in a stern, austerity era which has left the supply of scanties even scantier than Gussie's..."

DAILY DOUBLE AT VANCOUVER

VANCOUVER @—The largest daily double of the year was paid at Exhibition Park yesterday as two long shots paid \$106.90 to four ticket holders.

Winner of the first race was Boopara, who scored an easy length and a half victory over a ten-horse field to return \$36.10 to win.

Western Comet won his first start this year in the second canter.

REP FOOTBALL TEAM CHOSEN

The Prince Rupert Football Association's selection committee has chosen the team which will represent Prince Rupert in the first game of the Hanson Cup competition against a H.M. C.S. Ontario eleven on Friday night. The committee feels that the team, captained by D. Gomez, should give a good account of itself against the Navy side.

Players chosen are as follows: Goal—Morgan (Battery); Fullbacks—Dunbar (Battery) and Eby (Legion); Halfbacks—Cornwall (Legion), Bishop (G.M.) and D. Gomez, capt. (Battery); Forwards—Baxter (Legion), Wilson, P., (G.M.), Parkin (Battery), Armstrong (Legion) and Ward (Battery). Reserves—Wilson, J. (G.M.), Yelland (Legion) and Wyatt (Legion).

The team will play in General Motors colors and will meet at the Canadian Legion rooms prior to the game. All reserves will play.

The team for Sunday's game will be selected after the match on Friday night.

CARDS WINNERS OVER BRAVES

Junior Baseballers Turn in Good Game

The Cardinals took a close game from the Braves in a seven-inning Junior Baseball League game Wednesday night. Although the Braves tied up the game in the fifth, they were nipped out when their opponents scored an unearned run in the seventh inning.

The Cards scored two runs in the first and three in the second to take an early lead. Jones, the Cards first baseman, slammed a triple in the first and another in the second to lead his team's attack.

While holding the Cards scoreless in the next four innings the Braves proceeded gradually to cut down their opponents' lead. The Braves scored singletons in the first, second and fourth innings. Wesch, the Braves' pitcher, tied up the ball game in the fifth when he drove across two runs with a clean single.

The pitching for both teams was very good, both pitchers turning in outstanding performances. Hit hard at times, Wesch pitched himself out of some tough spots. Kristmanson worked well ahead of the hitters at all times, striking out twelve while walking only three.

The fielding was very good, considering the ages of some of the players. There were only eight errors on both teams.

BLOOD CLINIC
(Continued from Page One)

here Wednesday afternoon, during which 63 donors gave blood at the Civic Centre. In the evening, it moved to Watson Island, where 48 more pints were received.

Total contributions by city donors was 487 pints.

Tribute to organizer T. N. Youngs and all the volunteer workers who assisted in the campaign was paid by Col. M. D. Robertson, supervisor of the Red Cross blood transfusion service and his professional staff. These included members of the local Red Cross society which organized the campaign, the ladies of the Women's Co-ordinating Council which organized volunteer helpers at the clinics, the various organizations which canvassed the city for donors and the volunteer nurses who rendered valuable service in the clinic.

Women of the Moose—Mrs. Percy Welter, Mrs. Alf Ritchie, Mrs. H. Horne, Mrs. J. Hoskins, Mrs. Paul Kilborn, Mrs. K. Wilson.

Transportation to Watson Island last night was supplied voluntarily by Allan Morgan and Kaien Island Stages Ltd. Today, Mr. Morgan and Pierre Le Ross of Philpott, Evitt Co. transported the clinic staff to Terrace, Norton Youngs, chairman of the local blood donor committee, accompanied the group.

HELPERS THANKED

"The people of Prince Rupert are to be commended on their splendid response to this first appeal from the Red Cross for voluntary blood donors," Col. Robertson said. "The services of the ladies and organizations who so ably assisted at the clinic have certainly been appreciated."

He expressed thanks to Mrs. A. L. Haines and Mrs. T. J. Boulter of the Women's Co-ordinating Council which organized and supervised the voluntary helpers, to Mrs. Walter Smith who organized the volunteer nurses and to Mrs. G. E. H. Montgomery who did the secretarial work for the canvass and acted as

Volunteer assistants at Wednesday evening's clinic at Watson Island were Mrs. T. J. Boulter, Women's Co-ordinating Council; Mrs. T. N. Youngs, Women's Canadian Club; Mrs. M. Kullander, Soroptimist Club; Mrs. H. Horne, Women of the Moose; and Mrs. D. Parent, Canadian Legion Women's Auxiliary.

Volunteer nurses were Mrs. Walter Smith, Mrs. O. L. Murray and Mrs. N. A. S. Pett.

Ladies who assisted the afternoon clinic Wednesday were: Mrs. E. Pottersen, Rebekah Lodge; Mrs. M. Waksdale, Mrs. W. Yurgensen, Mrs. E. Morris, Salvation Army; Mrs. W. Barbe, Mrs. E. "Unsurpassed for Infant Feeding"

Says Mrs. T. W. Clarke, Red Deer Dietitian and Mother

"From my experience I don't think any milk can surpass Carnation Milk for babies' feeding formulas," says Mrs. Clarke, Graduate Dietitian, former Home Economics teacher, and mother of a fine Carnation baby boy. "Carnation eliminates the necessity of boiling the milk—its absolute convenience and sterility appeal to me so much."

Mothers all across Canada—Home Economists, and women who are not trained Dietitians—find their babies thriving on Carnation Evaporated Milk formulas. They find Carnation absolutely safe. Wonderfully easy to digest. Completely nourishing—with vitamin D increased to 400 Units per pint, to help build straight bones and strong, healthy teeth. Ask your doctor about a Carnation formula for your baby.

A CANADIAN PRODUCT "from Contented Cows"

A young husky at 8 months—and still going strong! "He has six teeth already," says Mrs. Clarke of Carnation baby Andrew, "and he's a wonderfully happy, contented youngster."

STEWART WHARF CONTRACT IS LET

Howie & Latimer, Vancouver contracting firm, now carrying out the buildings of a new dock at Seal Cove here for the Department of Transport light-house service headquarters, have been awarded the contract for major repairs to the government (Premier) dock at Stewart, according to word received in the city. The job will amount to about \$50,000, it is understood.

Forty-one new merchant ships with a total tonnage of 204,000 tons were delivered by Britain's shipyards in December 1948.

TERRACE TOPICS

Mr. and Mrs. Thomas Peddle of Vancouver are spending a few days here as the guests of Mr. and Mrs. C. H. Thomas. Years ago Mr. Peddle was school principal here. He and Mrs. Peddle came from Prince Rupert where they have been visiting with their son-in-law and daughter, Mr. and Mrs. W. H. Wilson Murray.

The Misses Dorreen and Margaret Murie left this week for a holiday trip to Vancouver.

Mrs. Dan McKinnon, one of Terrace's real pioneer women, is a patient in the Red Cross Hospital.

Mr. and Mrs. Douglas Frizzell were week-end visitors in Terrace.

ENTRIES FOR BABY, BEAUTY CONTESTS

Five Entries In Former, Three In Latter

Five entries have been received for the "Perfect Child" contest and three for the bathing beauty contest which will be features of the Civic Centre Carnival which opens here on August 13.

"Perfect Child" entries so far are:

Sharon Bolam, age three, daughter of Mr. and Mrs. Lloyd Bolam, 113 Third Avenue.

Myrna Parkvold, age five, daughter of Mr. and Mrs. P.

Parkvold, 1449 Piggot Place. Lauran Hemsworth, age four, daughter of Mr. and Mrs. Fred Hemsworth, 52 Market Place. Donna Lynne Fernie, age three, daughter of Mr. and Mrs. Harry Fernie, 1319 Overlook Street.

BATHING BEAUTIES

For the bathing beauty contest, the three entries to date are:

Miss Hope Laidlaw, 20, of 314 Sixth Avenue West.

Miss Marie Lavigne, 19, of 622 Eighth Avenue West.

Miss Beth Sedgwick, 18, of 202 Sixth Avenue East.

GUIDE LEADER OFF TO BANFF

Miss Honora L. Silversides is one of five British Columbia girls leaving this week to attend the first Dominion-wide Guiders' Camp August 8 to 19 at Banff. There will be Guiders from all parts of Canada spending the ten days hiking and adventuring in the open in the mountains around Banff.

All girls taking this trip are active leaders in the Guide movement—young, energetic, and good hikers. They represent 35 of the 5,000 Canadian volunteer leaders. They work in office and school, or laboratories during the year but find time to take up Guiding as a hobby. In addition they find time to do a great deal of hiking and enjoy week-end trips with their Guides. Leaders of Girl Guide companies are not all working girls.

Most of the 14,000 'teen-age Girl Guides who camped in Canada this year, were able to do so because of work done by the volunteers from the ranks of the young married women. This is the first "Holiday" trip sponsored by the National Headquarters but there have been many trips when delegates have travelled to other countries for special international events. Mrs. D. E. S. Wishart, Chief Commissioner for Canadian Girl Guides, is most enthusiastic about this trip which has been sponsored by the Dominion Camp Committee. She believes that more Guiding can be made a real and interesting hobby for young, active women of all occupations, the more Guides will be enabled to make a happy, healthy contribution towards good citizenship in their home towns.

Southbound from a regular scheduled cruise voyage to Alaska with a capacity list of passengers on board, C.P.R. steamer Princess Kathleen, Capt. Graham Hughes, was in port from 9 a.m. until 12 noon today. Something was added to the usual thrills of the northern voyage yesterday when the Princess Kathleen ran into a spectacular thunder and lightning storm while cruising through Behm Channel between Revilla Gigedo (Ketchikan) Island and the mainland. On one side of the ship skies were clear. On the other were fast moving billowing rain clouds, giving forth brilliant flashes of lightning, reverberating thunder claps and copious showers.
