Human Seizes Strike-Threatened Railroads

Unions May Agree To Run Trains For Gov't

STRIKE THREAT HITS PRINCE RUPERT HALIBUT MOVEMENT AS SEASON'S DELIVERIES HIT THEIR PEAK
By The Canadian Press
WASHINGTON—President Truman today seized the nation's railroads.
The President signed the seizure order in an effort to bar the strike, and he appealed to all railroad workers to stay on their jobs.
"I call upon every railroad worker to co-operate with the government by remaining on duty," his seizure statement said.
At New York, Alvaney Johnson, head of the Engineer's Union said that he believed his union would obey a government rule to run the trains.

Almost a million pounds of halibut which was landed at Prince Rupert this morning is destined for the freezers instead of the fresh fish market if the threatened strike of American railroad workers goes into effect tomorrow morning.
This morning, 38 vessels landed 851,000 pounds and fish buyers face the prospect of the bulk of it losing the fresh-sale premium because of an embargo placed at the weekend on perishable cargo by Canadian railway lines.
Only perishable foodstuffs destined for Canadian cities will be accepted.
Despite the embargo, price levels on the fish exchange this morning maintained a high level. Medium halibut reached a high of 15.4 cents a pound, large sold at 14 cents and chicken at 9 cents.
Fish buyers here concede that the extensive halibut freezing facilities here will be taxed to the limit if the threatened strike goes into effect.
"If it keeps coming in the way it is doing this morning, it will soon fill the cold storage capacity," one buyer said. "I don't know what will happen, but I guess we will get by somehow."
One buyer said that he planned to ship to Niagara Falls, Ontario, where his company had arranged to have the halibut hauled to New York and Chicago by truck.
"It is not a perfect arrangement, but it is better than not being able to buy because you can't get rid of it," he explained.
Carloads are still being accepted by Canadian National Express for halibut being shipped to Canadian destinations.
Meanwhile, practically all companies are bringing packers into use to haul their halibut to Seattle. This move, although a regular part of the procedure by the larger outfits—B. C. Packers, Atlin Fisheries and the Fishermen's Co-operative, probably will be speeded up in an effort to clear the plants here as far as possible.
Meanwhile, at Washington today, President Truman made plans to take over the strike-threatened United States railroad systems after failing to obtain an agreement between operators and employees. The White House announced that the seizure order would be issued at noon.
Three railroad brotherhoods have called the strike for 6 a.m. Tuesday, but it is the government's hope that the men will not strike against the government.
President Truman's decision to seize the lines was reached after almost continuous negotiations and conferences since last Friday failed to break the deadlock.

U.S. Given Foretaste of Rail Strike

CHICAGO—The United States was getting a foretaste today of what the threatened rail strike would mean in un-privilege, even as the government moved to take over the railroads.
Eighty-eight major railroads stopped accepting perishable freight shipments, including cattle, poultry, meat, eggs, fresh fruits, vegetables and fish.
Fruit growing and shipping agencies laid off thousands of workers.
Fresh produce prices skyrocketed in New York, and other large cities generally had the same problem.
Everyone is said to understand in a general way the meaning of the word "instinct" although even Darwin refrained from any attempt at definition.

DS GUILTY SLAUGHTER SIZE HERE

Bruce Johnson, who today pleaded guilty to a charge of manslaughter, was sentenced to a jail term and he felt the memory of this tragic case would be sufficient to prevent him from ever serving in the army. Two factors in the case was the amount of liquor at the time of the accident and that he had pleaded guilty to the charge.

MacLeod appeared for defence and Thomas W. acted for the crown.

PROBE GARDINER

The special committee voted five-to-four to summon agricultural minister J. G. Gardiner as a witness in its investigation of the case.

KNOWN MAN LIVES

A dozen men and a dog were killed and a man was injured in a fire at Youbou, B. C., 50 miles northwest of here. A mushroom fire claimed lives, injured a score of loggers and levelled one wing of a hut on the British Columbia Forest Products Co. timber tract.

Roger Geaulin, 24, of Vancouver and Joseph Wozniak, B.C. Fire Marshal has been investigated into the deaths of two men scheduled for trial.

PRAIRIE FLOOD DANGER ENDING

WINNIPEG—The flood situation in western Canada appeared on the mend today, and Manitobans, most seriously affected during the last two weeks, believed they had seen the last in the dangerous series of crises. A new survey shows the high-water damage in Saskatchewan will be far in excess of earlier estimates of \$1,000,000.

LEAF CAPTURE SENIOR HOOP CHAMPIONSHIP

MONTREAL—The Vancouver Cloverleafs captured the Dominion senior basketball championship Saturday night by handing the Montreal Young Men's Hebrew Association Blues a 58-34 trouncing to win the best of five series 3-2.
Both clubs left Sunday for Toronto where they will meet in a round-robin series for the Olympic trials.
The other two clubs which are competing are the University of British Columbia and University of Ontario.
Seven players will be picked from each of the teams that reach the finals for the Canadian Olympic team.

RED LEADS IN FIRST ITALIAN ELECTION BALLOT

ROME (CP)—Enrico de Nicola, choice of the Communist-led Popular Front got more votes than Carlo Sforza, candidate for the dominant Christian Democrats on today's first ballot for president of the Italian republic, but not enough to elect him.
De Nicola, provisional president for the last two years, received 396 votes and Sforza, Foreign Minister, 353. A two-thirds margin is needed.
The proportion of votes cast is figured on the basis of the total number of senators and deputies. The election may not be completed until tomorrow.

TORONTO STAR PUBLISHER DIES

TORONTO—Joseph E. Atkinson, owner and publisher of the Toronto Daily Star, died at his home here late Saturday night.
He was in his eighty-third year.
His death was caused by a recurrence of heart trouble which he suffered in recent years.
Mr. Atkinson bought the Toronto Star before the turn of the century and built it into Canada's largest daily.

MONTREAL - WEST INDIES RUN RENEWED

MONTREAL—Direct passenger service between Montreal and the British West Indies was re-opened here today by the Canadian National Steamships when the trim, white-hulled Canadian Constructor left on her first voyage of the season from this port and her ninth since she was launched in 1946.
The Canadian-built liner, under the command of Capt. D. C. Wallace, O.B.E., D.S.C., is carrying a full complement of passengers and a cargo of automobiles and newsprint, foodstuffs and other Canadian products.

Son Acquitted of Killing Father

VANCOUVER—Nineteen-year old Edgar Brian Willsher, of Vancouver, Friday was acquitted by an Assize Court jury of a manslaughter charge in connection with the death of his father, Harold, who died following a struggle with his son on their return from a New Year's Eve party.

FEDERATION IS URGED

THE HAGUE—Delegates to the unofficial Congress of Europe today unanimously adopted a resolution looking toward a federation of states on the continent.
"The time has come when the European nations must transfer and merge some portion of their sovereign rights" to permit formation of a European federation, the resolution said.
Winston Churchill, leader of the Congress, said in an address last night at Amsterdam that a united Europe would revive the old glory of the continent.
Some 28 countries were represented in the vote of the Congress which is being held without government sponsorship.

Delightful Murals, Best Of Equipment Make Rotary Children's Ward Finest Canada

Philanthropy and art have combined to make the new Rotary Club children's ward in Prince Rupert General Hospital one of the finest in all Canada.
Due to be opened at the end of June, the 10-bed ward in the former military wing is a product of generous financing on the part of the Rotary Club, careful designing on the part of hospital and medical authorities and skillful and imaginative mural painting by Mrs. Jean Ness Findlay, one of B.C.'s leading artists.
Proud as they are of the technical excellence that is taking shape, Rotarians appear even prouder still of the inspiration to commission Mrs. Findlay to paint a gay, fantastic parade of wild animals on its walls.
"It's magnificent," exulted Rotary President Lee Gordon after a look at the nearly-finished murals. "It adds a perfect effect to the ward. I'll bet the kids will hate to leave it. They will fall in love with those paintings."

RED CROSS MAY TAKE HOLY CITY

JERUSALEM—Both Jews and Arabs have agreed in principle to accept a plan to demilitarize Jerusalem and place the city under protection of the Red Cross flag.
Today, a Red Cross representative said that the humanitarian agency now is awaiting a written request from the Arabs and Jews to take over Jerusalem as a neutral zone.
The conversion of Jerusalem into a Red Cross zone would entail disarming all Jews and Arabs in the city.
The Arab port of Jaffa may become an open city as well.

B. C. SWEEPS RING HONORS

VANCOUVER—British Columbia pugilists Saturday night punched their way to victory over 24 hopefuls from Alberta, Saskatchewan and Manitoba to win seven of the eight divisions in the Western Canada diamond belt boxing championships.
It might have been a clean sweep, but British Columbia could offer no contender for the heavyweight title against Adam Paul, Dominion titlist from Regina, who won by default.
The victors go to Montreal later this month for the Olympic trials.
The perception of an object which does not exist—comes from the Greek "alucina" meaning to wander in the mind.

KEY FIGURES IN PRINCE RUPERT SHRINE CLUB BAND

Tonight will mark another cultural advancement in the history of Prince Rupert when the former Civic Band officially adopts the name of its sponsor and becomes the Prince Rupert Shrine Club Band following a concert in the Civic Centre. Left, President H. F. Robins of the local Shrine Club was born in England, came to Canada in 1910, was educated in Saskatchewan and came to British Columbia in 1924. In 1938 he joined the firm of Nelson Bros. Fisheries Ltd., and at present holds the position of manager of the firm's Port Edward plant.
Right, F. M. Gulland, president of the band, was born in Winnipeg and has had extensive experience with military bands and orchestras in that city as well as with symphony orchestras in Winnipeg, Edmonton and Calgary. In his capacity of

president he has worked hard towards the advancement and organization of the new band.
Centre, Peter A. Lien, who has been bandmaster of the organization since it was a military band of the local machine-gun reserve unit, was born near Bodo, Norway in 1908. By the time he was 15, under the instruction of his father, he had learned to play the organ, flute and piccolo. With his young wife he arrived in Prince Rupert in 1929. In 1930 he became organist at St. Paul's Lutheran Church and helped organize the Varden Singers which have been his special charge for the last 15 years. Since 1931 he has been organist of St. Andrew's Cathedral and later he became choirmaster in the same church.

Active Naval Training

RESUMING her training schedule, H.M.C.S. Ontario sailed at 5 o'clock this morning, after a call at Prince Rupert that began on Friday afternoon last. The visit was one of mutual pleasure and interest.

All told, and including both coasts, the providing of annual sea experience for the 2,500 Canadian naval reservists who will train afloat, is a large and intricate operation. The training schedule shows that nine warships will make 54 cruises between now and September in which men from the twenty naval divisions from Halifax to Prince Rupert will participate.

The west coast cruises will range from San Francisco to Juneau, Alaska. Included in these are six voyages by the cruiser Ontario. The brand new tribal destroyers Cayuga and Athabaskan will also be well engaged in the Pacific phase of the training plan. Ports of call for the Ontario will be Esquimalt; Vancouver; Portland, Oregon; San Francisco; Seattle and Ocean Falls. H.M.C.S. Crescent will be in Skagway Sept. 17. On June 4th, H.M.C.S. Cayuga will be in Prince Rupert, sailing June 7th and July 23rd, H.M.C.S. Athabaskan.

This active training program emphasizes the words spoken by Capt. J. C. Hibbard, commander of the Ontario, when he inspected Capt. Cook corps of Sea Cadets here Friday night. He stressed that trained men are still the nation's first defence despite the development of modern weapons which some believe may make future war a "push button" debacle.

UNITED EUROPE

ONCE TERMED FANTASTIC, the suggestion that Europe become one country for all practical purposes, instead of remaining a set of nations burdened and embittered with ancient hatreds, rivalries and balances of power, appears to be making headway.

That much could be inferred from the conference held in Belgium last week. The idea, if received in a critical spirit, was certainly not rebuffed or discouraged. That the sharp differences of nationality be forgotten, that the people of the continent in future, be known only as Europeans, that border lines disappear and a common system of finance, customs, defence, transportation, become effective, undoubtedly did invite the most serious study. A feeling exists that unless something of this description developed, Europe's future could be one of little save chaos.

CHILLY MARCH

REGINA, (P) — A month-end weather summary shows Regina had an all-time temperature of 41 below for March. The record was set March 10. Highest temperature was 42 above, a long way from the record 76 experienced in March, 1910.

DETECTIVE RETIRES

VANCOUVER, (P) — Terry Parson, youngest detective-sergeant in the R.C.M.P., has retired after 20 years at the age of 38 "to make room for younger men." He is an expert in criminal law, counterfeiting, anthropology, sociology.

ARAB FIELD CHIEF IS ABLE FIGHTER

Fawzi Bey Al Kawkji Served As Commissioned Officer With Turks In First World War

By MOHAMED WAGDI

CAIRO (AP)—Fawzi Bey Al Kawkji, field commander of the Arab "People's Army to Save Palestine," has spent most of his adult life fighting the French and the British.

The veteran Arab warrior, son of a Turkish officer of Lebanese origin, was born in Tripoli, Syria, in 1896. He graduated from Istanbul military college in 1917 and served as a commissioned officer in the Turkish army until the armistice in 1918 ended the First World War.

Kawkji then joined the Arab army under King Feisal and served under the French mandatory power in Syria and Lebanon as a captain at Hana, but soon left the French army and joined the national organization working for the independence of Syria and the Lebanon.

With French weapon and equipment which he took with him, Kawkji joined the Syrian revolt of 1925 under the Druze leader Sultan Pasha El Atrash and fought many guerrilla battles against the French in northern Syria before the revolt ended in 1928.

With a number of companions, he was pursued by the French but escaped from Syria. He managed to reach Cairo and from there went to Saudi Arabia, where he served as military advisor and helped to organize the Saudi Arabian army. In 1933 he went to Iraq, where he accepted the post of cavalry trainer at Iraq's military school.

"TRIANGLE MAN"

When the Arab revolt flared in Palestine in 1936, Kawkji joined the Arabs at the head of 500 volunteers from Syria and Iraq and for three years fought the British in the Holy Land. This time, it is reported, he did not use guerrilla tactics, but regular army methods. The British used to call him the "triangle man" for his practice of lining up his troops in triangles when they entered a battle.

In 1939 the Arab rulers asked the Palestine rebels to stop fighting and the British white paper was issued stopping legal Jewish immigration to Palestine.

Kawkji then left Palestine with his companions and their equipment, returning to Iraq, where he joined again in fighting the British in the Iraq rebellion of 1940. This rebellion was led by Rashid Ali Kilani, a senior army officer, now in Saudi Arabia, where he was given refuge by King Ibn Saud. Rashid Ali's movement was

intended to drive the British out of Iraq. Kawkji led a band of Bedouin volunteers and suffered numerous bullet wounds. After the failure of this rebellion, he left Iraq and eventually reached Germany with Haj Amin El Hussein, the exiled mufti of Jerusalem.

When the Second World War ended, Kawkji was released by the Russian occupation authorities after mediation by the Lebanese government. For the last few months Kawkji, with the help of former officers of the Iraq and TransJordan armies, has been training volunteers in Syria and the Lebanon for the "People's Army" for which he has now established headquarters in northern Palestine.

One of the best known and reputedly one of the ablest Arab soldiers, many Arabs swear by his name, saying: "By the head of Fawzi, I will do this and so."

Five leaders of the Salvation Army here are sailing Tuesday on the Cardena for Vancouver where they will attend meetings at the week-end with General A. Orsborn, international leader and other high ranking officers who are now making a tour across Canada. They are Brigadier J. T. Gillingham, divisional commander, and Capt. and Mrs. Earle Jarrett, Citadel officers and Mrs. J. Chamber, matron of the native girls' hostel. Soldiers of the city corps will have charge of services next Sunday.

Men Remain Biggest Factor In Defence

In a world where the development of modern fighting weapons is progressing with increasing rapidity, men are still the key factors in the defence of their country and the tolerant way of life, Capt. J. C. Hibbard, commanding officer of H.M.C.S. Ontario told members of Captain Cook Corps of Sea Cadets Friday night.

Capt. Hibbard spoke to 40 trim, blue-clad boys and their officers who were assembled in the drill hall of H.M.C.S. Chatham for his inspection.

After congratulating them on the smartness of their appearance and their obvious interest in their training, the veteran of North Atlantic wartime destroyer command gave a word of commendation for the "far sighted people who have made this corps possible."

"We are all proud of this great country of ours and realizing that twice in the last 25 years we have nearly lost it, we might all well ask ourselves what we can do to avoid another such catastrophe," he declared.

"I don't suggest for a moment that we should all join the fighting forces, but I do suggest —without fear of contradiction —that we must be prepared for another test if it comes. And for this reason, such efforts as try"

Aiyansh villagers are of the enterprising spirit is enabling them to help themselves and others on the Many years ago they had mill but it burned down during that period dependent on imported or material cut by small able mills.

With a capacity of about 10,000 feet daily, the mill has already

How stainless steel makes jobs for Canadians

The early stainless steels developed prior to 1916 were used principally in making stainless cutlery. Since that time new steels containing Nickel in addition to Chromium have been developed which combine non-rusting properties with great strength and toughness.

International Nickel is working hand in hand with other industries in the development and application of stainless steel.

Today this beautiful white alloy has hundreds of applications, from a gleaming saucepan or pressure cooker or a valve handling acid in a pulp and paper plant, to a complete railway car or train.

And so a new market for Canadian Nickel has been developed which now makes use of thousands of tons of Nickel from Canadian mines each year.

This new market creates new jobs for Canadians both in the Nickel industry and other industries. Thus does research develop better products, create more employment.

MOOSE WOMEN HOSTESSES TO VISITING GROUP

Senior Regent of the Women of the Moose, Mrs. P. Bond accompanied by a welcoming committee of lodge members assembled at the wharf of the Canadian Pacific Steamships Friday afternoon to greet visiting dignitaries of the Women of the Moose who were passing through the city on return to Seattle following the completion of inaugural ceremonies instituting the Academy of Friendship in Juneau, Alaska.

Greetings were exchanged with Mrs. Sarah M. Jensen, Seattle, Washington; Mrs. Cora McCowan, Seattle, Washington; Mrs. Irene Runyan, Associate Regent of Washington, Sunny-side, Washington; Mrs. Adele Oust, P.H.D. Graduate Regent, College of Regents, Women of the Moose, Visalia, California.

It was learned with regret that Grand Associate Dean Mrs. Dorothy Eggleston contracted an illness requiring hospitalization for a short time in Juneau. However she had expressed desire to meet members of the Prince Rupert Chapter when she was sufficiently well to travel again.

The gathering toured the city and were shown all points of interest possible to cover in the short time available. Following the serving of refreshments at the Moose Temple souvenir spoons of Prince Rupert were presented to each guest who expressed appreciation of the hospitality displayed. All were enthusiastic admirers of the Moose Temple as a home and as a location affording a view of unsurpassing beauty. Several moving picture views were taken of the temple before the time for sailing.

E. D. (Al) Manson returned to the city Saturday afternoon by air from a two-week visit to Vancouver during which he attended a convention of jewelers.

THE BETTER THE WATCH

The more skillful repairing you need. A dollar watch is built after the fashion of a wheelbarrow—anybody can understand it.

But you take an expensive timepiece and its different. No one but an experienced man can deal with it safely.

It's wise to leave all disordered timepieces with us.

None of them are beyond our ability to repair—and do it properly.

One thing more—It's wise not to allow the matter to be put off.

CITY SCHOOL ENROLMENT 1126

Enrolment in Prince Rupert's four public schools during April was 1,126 students, according to the monthly reports of school principals to the School Board. The figure was slightly higher than for the previous month.

Attending the four rural schools in the district were 76, a slight increase over March.

Within the city, Booth Memorial High School had an enrolment of 462 of which 258 were in the junior high and 204 in the senior. Average attendance was 429.

At Conrad Street elementary school, enrolment was 207 and an average attendance of 195. King Edward's enrolment was 252 and average attendance was 268 and average attendance was an attendance of 94 per cent among the student body of 189.

In the rural schools, there was an enrolment of 35 at Port Essington; 10 at Port Simpson; 18 at Digby Island and 13 at Port Edward.

You saw it in the Daily News!

PRAIRIE MAN TAKES BRIDE AT TERRACE

TERRACE—A wedding of great local and prairie interest was solemnized in the Full Gospel Tabernacle on Wednesday afternoon at three o'clock when Arnold Frederick Best, son of Mr. and Mrs. W. Best of McDowall, Sask. took as his bride Phyllis Athalee Little youngest daughter of Mr. and Mrs. William Little who were among the earliest settlers in Terrace. Rev. G. Graham officiated.

The church was beautifully decorated and was a perfect setting for the lovely bride and her charming bridesmaids.

Wearing a princess style gown of white slipper satin with scalloped front skirt and set-in panel of white net and a net yoke edged with seed pearls, the bride was given in marriage by her father. Her embroidered veil was held in place by a net coronet edged with pearls and her only ornament was a pearl brooch set with rhinestones, the gift of the groom. She carried a bouquet of rose carnations and tulips. Her attendants, her two sisters Grace and Mary Little, wore gowns of daffodil yellow taffeta with bustle backs, white lace hats and gloves to match. Their colonial bouquets were of mauve tulips and daffodils.

Groomsman was Leonard Casey and Greig Siebin was the usher. During the signing of the register, Mrs. F. Gibbs sang "The Wedding Prayer" and Mrs. Glass played the nuptial music.

A reception was held at the home of the bride's parents where Mrs. Little, wearing a gown of blue printed silk with grey accessories and a corsage of carnations received the guests. The house was decorated with spring flowers and the table was centred with carnations and white tapers. The toast to the bride was given by the Reverend G. Graham and responded to by the groom. A three-tiered wedding cake made by the bride's mother and decorated by Mrs. Pohie was duly cut by the bride. Serviteurs were: Mrs. L. Casey, Misses N. Oliver, Elsie Crego, Dorothy Cole, Anne Molitor and Elsie Molitor.

Later, the couple left for the airport, the bride wearing a sky blue ballerina suit and topper with navy accessories. Her corsage was of carnations. Pictures were taken by Edgar Hamlin at the plane which took the honeymooners to Prince Rupert on its first charter flight with Pilot R. Angus at the controls.

Timely Topics from Terrace

The executive of the local Red Cross Association met in their new quarters in the hospital on Friday evening. President Corey was in the chair. Routine business was conducted and the president announced that at the close of the campaign for funds the total amount collected in the district amounted to \$870.90.

Sam Creelman is reported to be very ill in hospital here.

Mrs. W. Robinson left on Saturday on a brief trip to Prince Rupert.

Members of the executive of the hospital association met on Friday night at the home of President G. McAdams. Accounts were passed and ordered paid. The dusty roadway near the hospital is becoming a nuisance and something must be done to eliminate the dust, and, at a request from Dr. McGilvery the association decided to take up the matter with the village commissioners. Speed limit signs within the hospital zone will need to be erected and the doctor wished the hospital grounds could be beautified. Donations of plants and flowers would be greatly appreciated to further this object. It was decided to call a general meeting for May 19th. It was generally expressed that the activity of the hospital during its first month of operating has well justified its existence.

Jack Kirkaldy returned this week from Vancouver where he is a student at the University of British Columbia and will spend the next few months with his parents here and return south in the fall.

Mr. Ronald Bray, student minister from Wycliffe College, Toronto, arrived on Thursday morning and will take up residence in the Anglican rectory being appointed student in charge of the Anglican Church here until September when he will return to college.

The United Church held their regular monthly meeting in the church basement with President Mrs. Gavan in the chair. It was

a well attended meeting and following the routine business, plans were made to hold a garden party in Mrs. McLeod's garden when the apple blossom is on the trees which will be about the 20th of this month. Refreshments were served at the close of the meeting.

St. Matthews W. A. met at the home of Mrs. Thomson on Thursday afternoon with Mrs. J. Maxted in the chair. Donations of bed linen and kitchenware were asked for the Rectory for the use of the student minister who will be here this week. The members have cleaned and painted the house from top to bottom and all is in readiness for the new tenant. Plans were made for the spring tea and sale which is to be held on Saturday. Refreshments were served by the hostess at the close of the meeting.

Mr. G. E. Brooks is constructing an addition to the building which was formerly a laundry and a men's furnishing store will shortly be opened there with Donald Hull in charge.

Judge Fulton of Prince Rupert was a business visitor to Terrace this week returning on Friday morning's early train.

Norbert Cote and Gerald Bissonette have returned to Terrace from Vancouver.

Mr. and Mrs. Nash returned to Terrace from Prince Rupert on Wednesday's train.

Some playground equipment has been installed at the primary school much to the delight of the youngsters there.

Mrs. Sherwood and Mrs. Giraud returned to Terrace from Van-

Wonderful Wonderful— Lots of Jell-O Puddings

MAKE A WISH—it can come true! Now you can eat creamy-smooth, delicious, quick and easy JELL-O Puddings whenever you like.

All four wonderful flavors—satin-smooth Vanilla, Chocolate, buttery-brown Caramel and Butterscotch. Yes, Jell-O Puddings are back in full supply. Look them up—ask for them—serve them often, to family and friends.

FOUR MARVELOUS FLAVORS BUTTERSCOTCH CARAMEL VANILLA CHOCOLATE

Jell-O Puddings
Like Grandma's—only more so!

Jell-O is a trade-mark owned by General Foods, Limited

couver on Wednesday's train out of Prince Rupert.

Fred M. Wells is expected in town soon on business connected with the Omineca Gold Quartz Mining Company. A load of supplies is going out to the mine and work is expected to start soon with G. L. Brooks in charge.

Mr. and Mrs. D. Baine and three children have arrived in town from Esquimalt. Mr. Baine is in charge of the liquor vendors store taking the place of Jim

Walsh who resigned after three years on the job.

Vandals have been at work on Park Avenue. On Sunday night the tulips which were in bloom in Mr. Nash's garden were destroyed; Spencer's storehouse was broken into and finally Mrs. Stokes' hand-made garden ornaments which were an attractive sight in her garden were broken off and cast into an empty lot, some also being "planted" in Mr. Robinson's garden.

School Inspector Lett has been in town all this week on official duties.

SOME NERVE! WINNIPEG, 9—John Peters, 27, was sentenced a month in jail here for a form of sniping. It showed that Winters is scar from a counter, gun bag from another depot then returned to the and asked for a refund merchandise.

**City Beats Ontario 14 to 1 In
Season's First Baseball Game**

A random-packed squad of Prince Rupert baseballers Sunday gave the 1948 season a promising send-off by defeating a team from H.M.C.S. Ontario 14-1 in the city's first game this year at Roosevelt Park field.

Mayor, Nora E. Arnold, Capt. J. C. Hibbard, skipper of the visiting cruiser, and Baseball Association president A. S. Nickerson formally opened the game by respectively pitching, catching and striking at the horsehide.

The game maintained ship-shape equilibrium until the 4th inning when Prince Rupert brought in four runs, from hits, to make the score 6-1. Previously in the second inning, Ted Arney and Boyo Gurvich had scored off triples. Also in the second inning Lowe, Ontario's shortstop had come home from a triple.

Thereafter, the sailors were unable to make a break to challenge the leadership.

An unusually long game, played in dull, chilly weather, it nevertheless attracted a good crowd. Play began at 2:30 and it was not until 5 o'clock that the Ontario players got their final bat.

Coach Bill Lambie put youthful Jack Sharp on the mound for the first four innings and the lad did right well allowing only one hit and four walks, and striking out four. Alex Bill came to the rubber in the fifth, allowing only a single hit, but walking eight and striking out three.

Ontario's shortstop Lowe brought in the visitors' only run by clouting a triple in the second inning. He stole home on a play that also advanced another runner who, however, was put out on a field play when he tried to steal third.

Colley made Ontario's second and final hit in the seventh when he singled. He stole second on a fielder's error, but was left on base when the side retired.

Arney and Gurvich scored Prince Rupert's first two runs off

triples in the second. The team was scoreless in the third, but brought home four in the fourth, one in the sixth and seven in the eighth.

The eighth inning saw the visitors place Doberthin, who had played centre field, on the mound, where he pitched to six batters, allowing four hits with a fifth runner getting on base on a fielder's choice play. He struck out one man. He was followed to the mound by Lowe who pitched to five batters, walking two, striking out two and allowing one hit.

Elliot, who had held the mound for seven innings, allowed 14 hits, struck out four and walked two.

**CITY HOOP TEAMS SWAMP TERRACE
IN POST-SEASON INTERIOR RAID**

MERCHANTS 58, TERRACE 12
SWEET SIXTEEN 30, TERRACE 4

As a climax to the basketball season, two Prince Rupert basketball teams journeyed to Terrace on Saturday to take on the Terrace All Stars.

In the first game of the evening, Merchants of the local intermediate league proved much too strong for the lads from the interior, the Prince Rupert boys were more experienced and had a distinct advantage in height and speed.

George Haugan was high scorer for the Prince Rupert team with 14 points.

In the second game of the evening, Sweet Sixteen of the Ladies League, repeated the exhibition of the boys and outscored the lasses from the "banana belt."

The "Sweets" were much more experienced than their opponents and played a tight zone defence that the Terrace girls found very difficult to penetrate half time score being 11-0 for the local girls.

High scorer for Prince Rupert was Chrissie Currie with 9 points. There was a good turn-out of Terrace enthusiasts along with some forty odd local fans who made the trip by bus and car.

**Billiard Tourny
Hits Semi-Finals**

In the semi-finals of the English billiards tournament at the Canadian Legion yesterday, A. M. Hurst playing scratch and conceding 25 points to his opponent, D. C. Stewart, was the loser in a match which was closely contested until the century mark had been reached. The final score was 150 to 104 in Stewart's favor. During the match Stewart scored a break of 24.

The final game in this tournament will be played Tuesday night between D. C. Stewart (plus 25) and W. Strachan (plus 30) when 22 points will be played.

**GUN CLUB HEARS
GAME WARDEN**

TERRACE— Regular monthly meeting of the Terrace Rod and Gun Club was held on Friday evening last in the basement of the United Church. There was an excellent attendance of sports' enthusiasts of all ages and especially of the teen-age youths.

There was some correspondence concerning their activities at Lakelse Lake. In this connection, the Fish and Game Commission are being asked by the Rod and Gun Club to see that wardens make frequent visits to the lake to keep in touch with activities of the Biological Board there.

Mr. Vincent, Smithers game warden, gave an interesting talk his subject being "Direction of Youth and an Explanation of the Fish and Game Laws to Them." He said that "he felt that when they understood the laws they have a better respect for them." A simplified form of the Fisheries Regulations will be sent for.

The formation of a small-bore rifle association is being proceeded with and there will be a trap-shoot meeting every Wednesday night, the cars leaving Lambley's place at 7 p.m. for the rifle range where traps were built last summer. The club membership is now 40. Members under 18 are being accepted at a membership fee of 25 cents with the same standing and privileges as adult members.

The year was 1847 ...

... Malcolm McRae was beaten into unconsciousness, left in a ditch to die. He was a voter in the Third District, Prince Edward Island who had, the previous year, voted against certain members who were later unseated on charges of intimidation and violence.

Now a new election was called—but Malcolm McRae was warned not to vote. In those days he was not protected by the secret ballot—yet Malcolm McRae determined to set out for the polls, risking his life for the right to vote.

Today, because of the courage of men like Malcolm McRae, you run no risk at all in your free, unhampered exercise of the franchise.

When YOU cast your secret ballot at every election—municipal, provincial, federal—you exercise a duty and privilege planned, worked and fought for by your forefathers. Your vote protects the future of your children. To fail in this duty is to be less than a good citizen.

Reminiscences By W.I. and Reflections

Those engaged in trade report a sudden spurt in the soap trade. The demand for shaving soap, for example, is little short of re-

markable. It is also a somewhat noteworthy and interesting fact to discover for some reason or other, the sale of safety razors is showing unheard of activity. The reason appears to be hard usage, some blades being somewhat bent over, as if subjected to pressure, or applied with unusual force.

Loch Lomond is becoming the home of great power plants, the operation of which will contribute to general progress and welfare of the people of Scotland. It's a bonnie, bonnie fact, and we dinna care whether ye take the high road or not. On second thought however, leave us the low road. Mountain climbing is not what it used to be.

An officer of the Okanagan Historical Society is reported studying semi-fossilized bones to determine if they are pre-historic. He should have shown his bones to the late Mr. Craig of Prince Rupert, who flourished on 3rd Avenue near Fulton Street. Morte had a real talent in that direction. He was gifted. He could turn a dry-as-dust set of facts into pure romance. The Okanagan man says he thinks he has fragments of what was once a bison. Morte could have given him pointers on that subject as well.

During the middle of the 19th century, hacks or large government wagons drawn by teams of mules were used by the traveling public in New Mexico.

DISTRICT FORESTER HERE RETIRES

Retirement on June 30 of J. E. Mathieson, district forester for the Prince Rupert Forest district was announced at the week-end by Minister of Lands and Forests E. T. Kenney.

Mr. Mathieson, who will complete 29 years service with the department, is to be replaced by Mark Gormley, formerly assistant district forester for the Vancouver district.

District Forester here since 1945, Mr. Mathieson joined the department in 1919 at Prince George where he served until 1929. He was then transferred to Nelson, where he remained until 1938.

In 1938 he was transferred to the Prince Rupert district as Fire Inspector and was later promoted to Assistant District Forester, under District Forester R. G. St. Clair.

When Mr. St. Clair was transferred to Nelson in 1945, Mr. Mathieson was placed in charge of the huge Prince Rupert district.

Mr. Mathieson says that his post-retirement plans are still uncertain.

TERRACE P.T.A. HOLDS MEETING

The regular monthly meeting of the Terrace P.T.A. was held in the primary school on Thursday evening and was very well attended. Paintings of the U.B.C.'s first travelling art exhibition were on display and were greatly appreciated by the members.

The president announced that she had been approached by a Terrace business man who stated he had excellent office and living accommodation for a dentist and would await the outcome of a letter which the association decided to send to a dentist who, it was known, was seeking another locality to practice in.

The finances of the association are sound though not large. A great deal of controversy centred around certain recommendations brought up by the teaching staff and Mr. Noakes was appointed to head a committee to go into the matter.

Mrs. Philip gave a report of the convention in Vancouver and a vote of thanks was tendered her by the meeting.

It was decided that the annual meeting and election of officers would be held in September and not in June. Refreshments were served at the close of the meeting.

Whales, being mammals, have to breathe air, but by expanding their enormous chests are able to stay under water for long periods.

DELIGHTFUL (Continued from Page 1)

babies for whom survival is difficult due to premature birth or other cause and its ceiling is sound-deadened in contrast to the echoing walls in other parts of the building.

"When it is finished, it will be one of the finest children's wards in Canada," Mr. Gordon declared. "Every cent that is being spent there is for something permanent, something that will be a part of the institution. We are not putting anything into medicine or 'expendable' items."

DELIGHTFUL PAINTINGS

But to get back to Mrs. Findlay's murals, the delightful "frosting" that makes the ward more like a well arranged kindergarten or nursery than a hospital ward. They are the touch that will bring laughter in a place necessarily associated with pain.

It's as if a circus had come to town—a gay, fantastic parade of wild animals. A majestic lion in a gilded cage is trundled along by a dapple grey horse driven by a perky dwarf. Following sedately or stubbornly as their nature dictates come all the other circus animals that delight the hearts of youngsters.

Of course, there is a red-nosed clown and several monkeys in bright jackets and hats: As a side attraction, a trio of clowns in ballooning, checkered costumes, walk a tight wire, leap through a hoop and vault in a tumbling act.

Mrs. Findlay has captured the circus atmosphere. She has not attempted however, to make the animals photographic in effect, but permits slight exaggeration of line to convey just the right amount of absurdity.

The major section of the parade occupies the east wall of the long ward. On the end walls, the clown trio do their acts, while between the windows on the west side there are several other animals, including a trained seal. The isolation room features those fabled characters, the hare and the tortoise.

If the effect is one of gayness, it is because the artist, herself, found pleasure in their creation. Speaking of her work, Mrs. Findlay said:

"Painting this circus motif has given me a great deal of pleasure and if it provides any joy or cheer to the children who are destined to occupy the ward, I will be happy."

SELLING MACHINES KNOTTY PROBLEM

Dangerous, Says Winnipeg Alderman, When They Encroach On City Streets

WINNIPEG —The fate of chewing gum vending machines in Winnipeg is in the hands of City Solicitor G. F. D. Bond.

Mr. Bond is pondering the problem of whether or not the machines should be permitted to encroach on city streets. The matter arose when L. Levinson brought 50 machines to Winnipeg. Some he placed in halls and blocks, after taking out a licence—and that was all right with city officials.

Others he placed outside drug stores and other buildings—and these are causing all the trouble. These stores, it seems, are built flush to the street line, so the machines are encroaching slightly on city-owned property.

City Engineer W. D. Hurst informed the improvement committee that the city would be liable should a hurrying citizen crash into one of the vending gadgets and injure himself—perhaps lose a tooth.

"That's bad," said Alderman E. Hallonquist, committee chairman. The other aldermen agreed.

Mr. Levinson offered a possible solution. He could obtain blanket insurance coverage which would pay off all claims and leave the city free liability, he said.

Aldermen thought this might be all right. But they wanted to know the legal position. So they sent the whole matter to the city solicitor for a report. Aid. Joseph Stepuk objected. He said some newsboys had asked

for permission to set up a stand on which to place their papers, but had been refused the right on the grounds they were encroaching on the sidewalk.

WILLIAM WATSON, TERRACE, DIES

TERRACE — William Watson, 77, passed away at the district hospital shortly after he was taken there on Friday morning suffering from a heart attack. Well known and well liked the deceased had been a resident of Terrace for many years.

Born in the United States, he was employed as a cook on the C.N.R. cooking service out of Edmonton.

He joined the Canadian Army and went overseas during the first World War. On his return to Canada he took up the same employment and when he retired came here to live, occupying a cottage on Homer Levesque's property.

About a year ago he was sent to Shaughnessy Military Hospital and from there to "Hycroft," but finding life too simple for him there he returned to Terrace at the beginning of this year.

The funeral was held this afternoon, with services at the United Church commencing at 2 o'clock. It was a full military funeral.
