Filled with a spirit of adventure and excitement, a group of Dutch immigrants, led by a single group to arrive from Holland in a quarter of a century, have settled back as speakers, operated from the Canadian National Railway, skated their way to port city last night, their westward across...

May Drill More On Charlottes

A total depth of 3,512 feet had been reached when Royalite-Queen Charlotte No. 1 suspended further drilling a few weeks ago. This, however, does not mean that future work is not planned. The drilling rig, still near Skidegate, will stay there, until after a geological survey, to be undertaken this spring, is completed. It is expected there will be further developments.

Three Months On Liquor Charge

Herbert Braaten of Hazelton was fined \$300 or default of three months Tuesday on a charge of supplying liquor to an Indian on April 8. The accused pleaded guilty before Magistrate C. H. Drake. He chose the jail sentence and is being escorted to Prince Rupert this week-end en route to Oakalla prison in Vancouver.

TO VISIT HERE SOON—Donald Gordon, president and chairman of the board of directors of Canadian National Railways, will pay his first visit to Prince Rupert in that capacity next month. In the course of a western tour, he will arrive here May 11 and sail that night on the Prince Rupert for Vancouver.

Keenleyside To Visit Bolivia

OTTAWA—Dr. H. L. Keenleyside, deputy minister of resources, told about the approaching visit to Bolivia of the Canadian Commission, of which he is chairman, consists of more than a dozen experts whose services will promote the welfare of peoples who, for various reasons, do not share in the progress and happiness that otherwise might, and in all likelihood, would be theirs. They live in lands rich in natural resources yet suffer from isolation, poverty and distress of various kinds.

Presented With Award of Typos

A. O. Franks, pioneer city printer, after having spent the past few weeks in Prince Rupert General Hospital, sailed last night by the Prince Rupert, for Vancouver to receive further treatment after which he will proceed to his home at Galiano Island. He was accompanied south by his son Jack Franks of the city fire department.

Robin Red Breast Is Bonnie Scrapper

The red breasts of robins are noted very frequently in Prince Rupert just now. It seems the further north one goes, the more are seen. Don Brown, who lived in Dawson for a while, mentioned yesterday that in midsummer there, the robins as well as other song birds are indeed numerous. Incidentally, the robins are bonny fighters. They can scrap as well as sing, even taking on hawks.

Owes Much To Britain

Rotary Club Hears Discourse by Visiting Missionary
"In a few years, as the people of India look back, they will recognize and admit the wonderful contribution Great Britain has made to their country." So said Dr. O. E. Daniels, president of the Baptist Convention of British Columbia in speaking to members of the Rotary Club Thursday.

Pr. Rupert Resolution is Rejected

VANCOUVER—A resolution by Prince Rupert Teachers Association was voted down last night when it drew rebuttal of Tom Aisbury, vice-president of the Vancouver and District Trades and Labor Council and delegate to the annual British Columbia Teachers' Federation convention.

Water Power Rights are Turning Point In Great New Industry

VICTORIA—(CP)—Reports were circulated today that the Aluminum Company of Canada and the Canadian government may strike a bargain giving firm water and power rights in Northern British Columbia.

Appointment Is Extended

Robert Forgie, official with the Department of Labor at Victoria, had his appointment as conciliator in the wage dispute between the city and its Civic Employees' Union employees, extended to April 30 by city council Monday night on the recommendation of the wage committee.

Wrecks Way To Success

Getting wrecked in sundry ventures marked the career of Edmonton contractor Soren Madsen until he found wrecking things himself was his forte. In 1945 he bought ghost town of Brule, Alberta, wrecked it and with materials built 26 houses in Edmonton. Since 1946 he has wrecked 16 Alberta airports and army camps. Latest venture is the purchase of a \$9 million U.S.-built warehouse at Prince Rupert, B. C. This he is wrecking with 30 men on the job.

VICTORIA—An earthquake shock, centre of which is believed to have been eighty miles from Victoria, was recorded at 3:04 this morning. It was felt in Vancouver as well but no damage is reported. It lasted for six minutes.

STATUS OF TEACHERS

Both resolutions were defeated. Mr. Aisbury said: "Inaccurate are the claims by the Prince Rupert teachers that tenure regulations set them apart from organized labor, that trade union policy is often formulated from the executive level, that teachers' salaries rightly belong with those of 'professional groups,' that children of trade unionists and those of management groups go to the same schools and the British Columbia Teachers' Federation has no management affiliations."

Rangers Even With Detroit

TORONTO—Two goals by Edgar Laprade paced the New York Rangers last night to a 3 to 1 victory over Detroit Red Wings to tie the best of seven game Stanley Cup series at one game each. The Rangers had been defeated by 4 to 1 Tuesday. The next game will be played tomorrow night.

Defiant Girl and Boy Taken After Dramatic Pursuit Near Quesnel

QUESNEL—(CP)—A defiant pair of lovers—a 19-year-old youth and his 16-year-old gun moll—stood off a posse of police for more than twelve hours before their capture today on a high plateau near here.

The police smoked the couple out of a lonely trapper's cabin with tear gas bombs but the two fled to the bush. A posse finally tracked them to a stony ridge where police bullets felled the girl as she prepared to open up a fusillade upon the police with a 22-calibre rifle. The girl was only nicked in the leg.

The couple—Bert Lagace was the only one identified by police—were holed up in a cabin 18 miles west of here after fleeing their Quesnel homes Tuesday night on a wild rampage of breaking and entering.

The police have a warrant charging Lagace with abduction. They added, however, that the High School girl had fled with Lagace of her own will and accord, defying her parents' orders to stay away from the youth.

The posse waited until dawn before attempting to rush the cabin. Then they moved in with tear gas bombs. The girl shouted from the cabin to her father as he pleaded with her to come out: "I'll see you in hell first."

The boy yelled to the police: "If you want me you'd better bring a coffin."

No one was reported injured. Crowds were said by police to have reached a peak of 1500 but only a few youths are said to have been the real demonstrators.

Four tear gas bombs were name was withheld.

UNCONCERNED ABOUT CRITICISM—In spite of mention of her name by a U.S. congressman critical of Hollywood influence, actress Rita Hayworth is all smiles as she poses at Gstaad, Switzerland with daughter Yasmin. Rita is expected to return to Hollywood soon to make a film perhaps based on her life.

WHAT MAKES WAR?

HAS A SENSE OF GUILT FINALLY overtaken the world? inquires David Lawrence in the U.S. News and World Report—Is that the reason we are now weighed down by the awfulness of war itself?

Wars don't commence only when hostilities begin. They begin years and years before in the hearts and minds of men.

To many persons this may seem mawkish and soft. There is today, a threat of war. But the whole world cannot continue to live this way—in an atmosphere of fear.

CAMPAIGN AGAINST CANCER

CANCER IS AN UNPLEASANT FACT. But like all facts, there is only one sensible way to deal with it. And that way is: Face it.

It is a statement backed by some tragic figures. Last year an estimated 25,000 people in Canada developed cancer. Some 15,000 people also died last year of the disease.

It is not widely enough known that treatment for cancer can be more effective when given before the disease has had time to spread beyond its site of origin.

It is commendable that the Canadian Cancer Society which is holding its annual campaign during April, is stressing the need for knowledge, for understanding for participation on the part of the public, quite as emphatically as the Society's own needs for funds to finance its research and welfare programs.

Ray Reflects . . . and Reminisces

Oh well. Daylight saving is just another of those little oddities you kid yourself into thinking you had best not do without.

The Windsors, notifying the Calgary press to call, proceeded to give an interview with the request that nothing of a private character be mentioned.

Most of the present generation are possibly unfamiliar with the life and labors of the late Justice Matthew Baillie Begbie. If so, they have missed something.

For about sixty years it has been customary when summarizing the extent of Canada to say or write "from Halifax to Vancouver."

More local old timers are thinking of retiring. One reason is probably as good as another. But if and when you do, try and develop a hobby.

Due to late connections at Jasper, the train from the east, due at 10:15 last night, was eight hours and forty minutes late, arriving in Prince Rupert at 6:55.

Retires From Railway

After having served with the Canadian National Railways here for nearly a quarter of a century, Harry Lincoln has been retired and, with Mrs. Lincoln, sailed last night on the Prince Rupert for Vancouver enroute to Gibson's Landing on Howe Sound where they will make their future home on a place which they have acquired. It is very close to where Mr. and Mrs. R. G. Hopkins, also of this city, will be shortly retiring.

On Wednesday afternoon Mr. Lincoln's fellow employees at the general superintendent's office gathered and, through Superintendent C. A. Berner, presented him with a well-filled purse as a token of esteem and best wishes. Sentiments appropriate to the occasion were voiced both by Mr. Berner and Mr. Lincoln.

Committed for Trial On Charges of Arson

LEYBURN, Yorkshire, Eng. —Thomas Jackson, 28-year-old painter who "longed to be a fireman" was committed for trial by Leyburn magistrate's court on charges of arson. The prosecution charged Jackson had set fire to a racing stable and a neighbor's house. In one case he had given the alarm and in both he had helped firemen fight the flames. A statement read to the court said Jackson had "longed to be a fireman." He had applied to the brigade but had been turned down on an eye test and this had been "a great disappointment."

DON'T RUN YOURSELF DOWN!

By JULIUS DINTENFASS
D.C. B.Sc. F.I.C.C.
We often unconsciously compare our own body mechanism to that of a watch. You'll hear people say: "I'm run down." Why not carry the analogy one step further? When a watch is run down and doesn't work right, we have it adjusted. We can do the same for the body—through chiropractic adjustment. The result in both cases is the same. The watch and the body are both made up of hundreds of tiny parts, all of which must be meshed together in perfect co-ordination and balance, and with nothing to impede the flow of vital energy. The mainspring of all our actions—conscious and unconscious. Our system of interlocking gears, to transmit vital impulses from the brain, is our spinal cord. Shock, fatigue, a fall—any one of a hundred causes can throw the spine off balance—interfere with proper channeling of nerve impulses from the brain to the other organs of the body. When we're "run down," it's a symptom that, like our watches, we need "adjusting." The chiropractor corrects the distortion that has altered or obstructed the proper channeling of nervous impulses, restores the body to the desired equilibrium. So the next time you feel run down, visit your chiropractor!

Metlakatla Celebration

Fashion Footwear Defeated By Decisive Score—Children's Sports

METLAKATLA — On Easter Monday, the Young Men's Benevolent Association sponsored several events especially for the children which consisted of foot races with first and second prize awards. A ten-man team tug of war was won by Metlakatla team, defeating Invercamb-Inverness Team Out-board motor boat race was won by Bill Leask. Row boat men's double was won by H. Ryan and J. Wilson team. Ladies' nail driving contest was won by Mrs. Howard Leask, thread and needle race by Miss Maisie Leighton; boys' sack race by Alec Leighton; Men's sack race by Harold Leighton; 3-legged race by Alec Leighton and Lloyd Ryan team; dry land boat race, by Bill Leask as captain and his crew of five.

In a 100 yard dash, George Pettipiece and Earl Ryan tied for first place. Trophy award went to Bill Leask for being the most valuable basketball player for the season. Selection was made by a panel of four judges and Coach Alvin Leask was donor of trophy.

A softball game of 9 innings between Metlakatla versus Invercamb-Inverness was won by Metlakatla to the tune of 11-1.

Big Event Of Day
The big event of the day was a basketball tussle between Fashion Footwear of Prince Rupert way mark of the second period the score was 52-17 for Metlakatla and although Fashion seemed to find the range of the basket, the gap was too great for them to overcome, the first half ended with a 64 to 25 score for Metlakatla.

The second half found Metlakatla second stringers on the floor. They added 12 more points to their score to the visitors' ten. The visitors made their biggest bid at the last quarter when they made 20 points. Metlakatla came through with 30 points to end the game with the score reading 106 to 55 for Metlakatla.

Bill Leask was high scorer for Metlakatla with 38 points. For pert versus Metlakatla The home team played in the Community Hall crowded with spectators. Fashions went down to a decisive defeat to the tune of a 106 to 55 score. The game started with a terrific drive by the locals who were determined to win in retaliation for a defeat handed out to them recently at Prince Rupert by Fashion Footwear. The locals made three baskets to Fashions' one. At the half way mark of first period the score stood at 16-4 for the locals and the score of the first period was 32-14 for Metlakatla. The second stanza was a repetition of the terrific pace set at the start by both teams. At the visitors, J. Intermela, with 17 points, was high. Seven persons were meted out to Metlakatla; one to Fashion.

Individual scores:
Fashion Footwear—Hebb, 4; B. Davidson, 9; G. Haugan, 7; Owens, 13; G. Olafson; J. Intermela, 17; J. Haugan, 5. Total 55.

Sport Shots

Ontario's major golf tournaments still are six to eight weeks off but the individual "week-end golfers" have been at it for some time now.

Harness racing, due to start in Ontario in early May, gets a hoist in Quebec with a meet scheduled for Montreal's Richeleu Park April 16. Quebec trout fishermen are casting an unhappy eye on the April 19 opening date—streams are expected to be covered with ice even then.

The 1,200 members of five golf clubs at Quebec City hope to play their first rounds late this month and to get into full swing by May 15. Quebec Braves, champions of the Canadian-American Professional Baseball League, start another season May 3. Pacers and trotters go to the post in Quebec May 14 for the first of 100 scheduled spring and summer programs. More than 400 horses will compete for a total of \$175,000 in purses.

With hockey and basketball finished, New Brunswick has nothing special on the sport diary until June, when a six-team provincial baseball league and two Maine-New Brunswick circuits go into action. Tennis and boating also are late starters in New Brunswick.

Nova Scotia's baseball teams will boast several former pros as coaches. All teams of the Halifax district senior and Cape Breton senior leagues include United States college stars in their rosters.

Newfoundlanders are doing some sport fishing already but the big rush will come May 24. Avalon Yacht Club, 10 miles from St. John's, is starting to hum with activity. Golf courses and tennis courts at St. John's and Corner Brook are being prepared for a busy season.

It pays to advertise.

Boys 8 years and under—1, Edwin Ryan; 2, Stephen Ryan.
Girls 12 years and under—1, Etta Ryan; 2, Loa Ryan.

Boys 12 years and under—1, Alec Leighton; 2, Raymond Auckland.

**Ten Pin
Play-offs**

Regular League Play For the
Season Wound Up Last Night

Friday section of the Ten Pin Bowling League wound up regular league play last night with A. E. Smith team ending up on top of the league with thirty-six points. City Transfer and Mugwumps tied in the runner-up spot with thirty-three points each but the Transfermen, by having rolled a greater number of pins, were given second place honors. Paramounts nung on to fourth place and Leftovers took the last play-off spot. Cloverleafs were sixth, Thom Sheet Metal seventh and Gyro close behind.

League play-offs start tonight with W.E.A.C. first taking on 99 Taxi while Grotto and Commercials go at it in the Sunday section while later in the evening City Transfer and Paramounts will roll off in the Friday section, leaving Leftovers and Mugwumps to meet Saturday. The finals will be played Sunday afternoon.

Results of last night's games:

- Paramounts (0) 743, 825, 761—2339.

- Thom Sheet Metal (3) — 772, 836, 888—2496.

**Expert Way to Sow Seed
Easy for Amateur to Copy**

No. 1—Sow seed thinly in shallow drills. No. 2—Cover lightly with sifted, porous soil. No. 3—When leaves develop, transplant seedlings to second flat. No. 4—When plants are ready, move them into pots.

Have you ever wondered how florists grow those stocky pot plants of petunias, marigolds, and many other lovely annual flowers which they sell in the early spring?

Professional methods enable every life seed in a packet to produce a salable plant; and one man, or boy, to start hundreds of plants each working day, without undue strain on mind or muscle.

Of course you must have a greenhouse, in order to start the plants as early as florists do, and bring them to flowering size as soon as it is safe to move them to the garden. But their method is worth knowing, even though you start seeds two or three weeks later in a hot bed, cold frame, or south window of your house.

First, seed is sown broadcast or in shallow drills (trenches) in a flat (shallow box) which has been filled with porous soil. This you can prepare by mixing one-third peat, one-third sharp builder's sand, and one-third of your best garden top soil, sifted. See No. 1 in the accompanying illustrations.

Cover the seed lightly with the same soil, sifted through an ordinary kitchen sieve as shown in No. 2. Firm the soil gently, so that it will water by standing in a tub, so the water soaks up from the bottom, and the seeds are not disturbed. Put in a dark, but well ventilated

place until the seeds sprout, then bring it into all the light you can supply.

When the seedling plants have developed their first leaves, transplant them to another flat, spacing them two inches apart each way. At this early stage transplanting shock is at a minimum, and the tiny seedlings are easily lifted with roots intact using a pointed stick, or pocket-knife blade. Pests fenced in a board the same size as the flat, enable all the holes required for the transplants to be made at once, properly spaced. Sometimes instead of pegs, holes are drilled in the board, through which a pointed stick can be passed to mark places for the transplants.

The roots are dropped into the prepared hole (No. 3), and soil pressed against them in one second. When the flat is filled, return to its place in the sun—all the sun you can give it—until the seedlings have developed several pairs of leaves and are ready to be potted.

Potting is quickly done, placing each seedling in the pot and filling in soil around it, leaving space at the top for watering. Pots may be of clay, 2 to 4-inch, depending on the size of the plant wanted; or paper pots or plant bands may be used. Avoid using a pot so small that the plant will receive a check in growth before safe to move to the garden.

**Ladies' Hoop
Team Honored**

L. M. Felsenthal, head of the Rupert People's Store organization, was host last evening at a delightful dinner party in the Civic Centre Dining Room when honored guests were members of the Ladies' League basketball team which carried the name of the Rupert People's Store to championship and play-off honors in the league season.

Each member of the team was presented with a silver cup to mark the occasion and the coach, Everett Pierce, received a beautiful figured sweater.

Ten, on behalf of the members of the team, Miss Anne Dumas, presented Mr. Pierce with a leather wallet, suitably inscribed, to show the appreciation of her successful efforts in coaching them through the season.

Mr. Felsenthal congratulated the girls on their fine teamwork and spirit. It paid off, he remarked, to have that spirit in sport.

The Manson Trophy was displayed for the first time and later this month will be presented officially for the first time by Mr. Manson.

Present at the dinner were Mr. Felsenthal, H. J. Marchant, Mr. E. Pierce, Nellie Bill, Jackie Budinich, Lorna Howe, Anne Dumas, Dusty Thain, Marisa Windle and Joyce Pottle. Indisposition prevented Miss Evelyn Bussey from being present.

Const. E. R. Briggs of the city detachment, B.C. Police, sailed aboard the Prince Rupert last night on escort duty to Vancouver.

Mrs. R. B. Fulton, after a short visit in this city, returned to Vancouver aboard the Prince Rupert last night.

Miss Eithne Mills, Miss Yolanda Lepine, Miss Peggy Caldwell and Miss Audrey Patterson, local teachers, returned to the city aboard the Prince Rupert last night after an Easter visit at Ketchikan.

Yinka took first men's honors in crib while Mrs. E. Telseth was first place lady winner. In bridge, C. P. Balagoo was first prize winner in the men's division and Mrs. H. F. Glassey was ladies' first place winner.

Winnings in whist were Mrs. F. Grimble, men's first; and Miss S. Johnson, ladies' first. J. Bug-

Civic Leader Leaves Gift for Birmingham

BIRMINGHAM, England — Martin Lewis Lancaster was proud of Birmingham and Birmingham was proud of him. It honored him by making him lord mayor. He was also a justice of the peace and served the city as an alderman. Last August he died at the age of 80.

His £40,000 (\$124,000) will, published recently, left three months' salary to each of his employees and domestic staff, £1,550 in bequests and the residue "for the collective benefit of the citizens of Birmingham."

The city has not yet decided what it will do with the money.

Modern Etiquette

Q. Is it proper to have only bridesmaids who are unmarried?

A. As a rule they are, especially if the maid of honor is unmarried; but if the girl's intimate friends are married, this rule can most certainly be disregarded.

Q. Are you supposed to push your chair under the table when leaving the dinner table?

A. Most authorities suggest that it is in better taste to leave one's chair where it is when arising from the table.

Q. Are candles correct on a luncheon or breakfast table?

A. No; only on the dinner table.

Plan Dutch Exhibit At 1950 Trade Fair

AMSTERDAM — Practically the whole of Netherlands industry will be represented in the Dutch exhibit at Toronto's International Trade Fair, May 29 to June 9, the ministry of economics has announced.

Improvement of export possibilities to the dollar area as a result of Netherlands currency devaluation last September has prompted country-wide interest in the Canadian market.

Letter to William H. Seward, Secretary of State, Alaska

JUNEAU—A letter, addressed to William H. Seward, Secretary of State, Juneau, Alaska, says the Empire, has been received in this northern city and is causing citizens to wonder what sort of schools they have back east.

Mr. Seward was a member of President Lincoln's cabinet more than eighty years ago. He bought Alaska from Russia.

The writer of the letter, Judy Benje, lives in Ann Arbor, Michigan, which city, by the way, is the seat of the University of Michigan. She wrote that her basic living class in Ann Arbor High School was studying the United States. Each in the class had selected one of the 48 states in order to obtain information concerning industry and recreation.

Montana Would Annex Alaska

SEATTLE—According to the Washington (DC) correspondent of the Post-Intelligencer, Senator Ecton (Montana) has suggested that, if Alaska does not become a State, the territory become a northern annex of the State of Montana. This could be regarded as a substitute.

Better English

1. What is wrong with this sentence? "Don't blame it on me."
2. What is the correct pronunciation of "chaperon"?
3. Which one of these words is misspelled? Acquisition, acqutal, acquiescence.
4. What does the word "scintillate" mean?
5. What is a word beginning with le that means "mild; merciful"?

Answers
1. Say, "Don't blame me," or, "Don't lay the blame on me." 2. Pronounce shap-er-on (not chap), o as in no, and accent first syllable, not the last. 3. Acquit-tal. 4 To sparkle or twinkle. "The beautiful fixed stars scintillate on a clear evening." 5. Lenient.

OWES MUCH TO BRITAIN

clothes and he engages in a ceremonial bath and then hopes for the best."

Petty dishonesty flourishes in India, Dr. Daniels said. This is probably due to the heat as people grow lazy and are more inclined to steal. This is coupled with the custom of bribery. "It is actually a custom," the doctor declared. The native word is "mamool" which translated means "the usual." "Mamool" applies everywhere.

For example, he said, a patient is brought into a hospital for free medical attention. If the victim has not the necessary rupees to pay the "mamool," the doctor although the patient may be dying, will leave and go to another bed. Of course the doctor is high socially, Dr. Daniels said, so he has an assistant execute the mamool sign—rubbing the two index fingers by the thumb.

"India is actually a group of nations of people whose script is not even the same," the doctor said.

The contribution of the Christian Church has been an outstanding factor in India. When the new Indian government searched for a Minister of Finance, a most responsible job, a Christian was chosen.

"This is a tribute to the work of foreign missions of Christians," Dr. Daniels concluded.
