Better Mail Service

PRINCE RUPERT, which has so often complained about various aspects of its mail service and asked for improvements, suddenly finds itself with the quickest and most frequent postal service it ever had. That is the result of the new "all up" service for first class mail which late every afternoon brings the letters not only from Vancouver and points south but from the East, across the line and overseas with a dispatch which reminds us of the revolution in speed of transport which use of aircraft makes possible.

Since it is so easy and natural to complain when we think things could and might be done better, it is fitting, we think, to acknowledge this great improvement in the mail service and express our appreciation.

The next improvement in mail service could well be the institution of street delivery system which would be a great help although it is conceivable that some folks would still choose to go down themselves and get the letters out of the Post Office boxes an hour or so after the plane comes in rather than wait until next morning for the delivery.

THE RACIAL PROBLEM

RACIAL DIFFICULTY was the reason why groups of delegates to the Democratic nominating convention at Philadelphia walked out of the big assembly. They were from Mississippi and Alabama.

The issue was quite clear. Mr. Truman, the presidential candidate, had left nothing obscure or uncertain. He would not countenance any distinctions or inequalities on the score of color, and this was something delegates, particularly those from the deep south, could not and would not accept.

Some are so sure of a Republican victory that they are saying the negro question would not make any difference for, even in the event of there being no such issue, the election of Governor Dewey was assured. Nevertheless, the color problem remains, polling, or no polling.

GENERAL PERSHING

GENERAL John J. (Blackjack) Pershing, who died yesterday at the Walter Reed Military Hospital in Washington where he had resided for some years, was one of the few remaining great military leaders of World War I. Like Haig, he was one of Foch's chief lieutenants in 1918. He was the "Eisenhower" of the first war although never so colorful or genial as "Ike." But he was accorded higher honor than Eisenhower has, so far at least, received. As "General of the Armies," Pershing was the nation's highest ranking military man. That title, implying gratitude of a nation, was conferred upon only four other American soldiers—Washington, Grant, Sherman and Sheridan.

Pershing started his career in the Army at the age of 26 and retired at the age of sixty-four in 1924. He died at the age of 88. The funeral will take place with national honors on Monday.

FISHING IS AN EXCUSE

BROOKS are for little boys. Others, such as strolling lovers, make occasional use of brooks, but their emotions are not always sincerely centred on the brook for itself alone. Little boys hold the brooks by the prescriptive right of coming generation after generation, on Saturdays, or Sundays after Sunday school, or weekdays after ordinary school, or on any other blissful holiday time to jump across the brook, or teeter across it on a leaning tree, or to get a foot wet, or fall in completely, or swim naked, or fish or build ambitious dams and huts, or lie in the sand by a driftwood fire eating burned weiners, or play endless games of running and hiding and fighting and yelling.

Little boys still find time to come to the brook in spite of organized sport and the movies and the general midway atmosphere of modern living. They come because brooks have proved too hard for civilization to organize, except when streams run right through a town—and even then they sometimes break loose. The brook's glen, with its soil too poor for cultivation and its trees too scraggly for cutting, remains a secret magic place, fairly safe from adults.

Only now in the summertime do the adults come in any considerable numbers. But these men who move with vast attempts at silence along the brook are merely pretending to be adults. Their reels and tapered lines and fancy tied flies are complicated excuses for sneaking back with ponderous dignity to the club they are supposed to have outgrown, the brook world of little boys. —Printed Word.

ANGLO-EIRE TRADE AGREEMENT SIGNED AT WESTMINSTER—Prime Minister Attlee and Mrs. Costello, the Eire premier, recently initialled the Anglo-Eire trade agreement in the House of Commons, Westminster. Britain will receive from Eire most of her production of fat cattle, and an unrestricted supply of eggs, butter and bacon. Here Eire's premier signs the Anglo-Eire pact, watched by Sir Stafford Cripps, Mr. Harold Wilson, and Messrs. Morrissey, McBride, Norton, Dillen, McGilligan and Dulanty of Eire.

Reminiscences and Reflections

By W.J.

It's not so very long ago that all the Prince Rupert waterfront amounted to was a cold storage plant at Seal Cove (always active), a grain elevator (always inactive) at Westview, and a string of wharves and unimportant-looking places in between not, of course, forgetting the on-again, off-again dry dock. But, as the school recitation puts it, "the scene is changing." If you have not had a harbor sail for the past year or so, it's worth while going out and looking around.

General Pershing, highest ranking United States soldier, has reached the end of a distinguished career. He had his triumphs as well as sorrows. His wife and family perished in a fire in San Francisco many years ago. That was a heavy enough blow for one lifetime.

Indications are that business will be quiet at the next assize, due in September. For quite a while, the tendency has been that way. More, possibly, are discovering that, by using common sense and a reasonable amount of righteousness, a heap of trouble and expense can be avoided without sacrificing the enjoyments of everyday life.

Being a Prime Minister is an office demanding wide and exacting responsibilities. As a blessed event in British Royal circles approaches, the public become more and more exercised over the question of the use, or otherwise, of anaesthetics. Mr. Attlee will be well advised to keep exceedingly austere and discreet.

Every time we go motoring over the Skeena Highway, behold America's grandest scenery, wave to fishermen filling their boats with lordly salmon and reflect that there wasn't any highway before the war, we cannot but conclude that Hitler was the "biggest, most gosh darned son of an Austrian public servant that one could ever meet or hear of."

Modern Etiquette

By ROBERTA LEE

Q. Is it good taste for a girl to write some words of endearment on a photograph of herself that she is giving to a young man?

A. This is not a matter of good taste so much as a matter of good sense. Unless she is very sure of herself, it is perhaps wiser to omit any endearing words she may regret later on.

Q. In what way can a house guest be of assistance to a hostess who does her own work?

A. She can be of much assistance, and show proper consideration, if she will keep her room clean and orderly.

Q. Is it all right for a girl at a dance to powder her nose without going to the dressing room?

A. Yes, when she can do so inconspicuously.

Q. When a maid announces "Dinner is served," should she address the guests?

A. No. The announcement is directed to the hostess.

HOW CAN I ???

By ANNE ASHLEY

Q. How can I retain the sparkling appearance of decanters?

A. In order to do this the decanters must be cleaned even if not used. The work can be made easy by using a solution of a little vinegar with a handful of salt. Place in the decanter and shake thoroughly, then rinse in cold water.

Q. How can I overcome the difficulty of pouring catsup from a bottle?

A. All that is necessary is to push back the thickened portion that congeals around the top. The catsup will then pour easily.

Q. How can I clean white kid gloves?

A. By rubbing gently with bread crumbs after each wearing. In this way they will keep clean for a long time.

Q. How can I remove fat from soup?

A. If unable to do so with a spoon, wet a clean cloth with cold water, wipe over the top of the soup and the hot fat will adhere to the cloth. All fat should be removed from the top of the soup, as it is indigestible.

PRINCE RUPERT YEARS AGO

(July 16, 1923)

The Dominion Grain Inquiry Commission, which was holding hearing at various parts of the prairies, was scheduled to hold sittings at Prince Rupert to investigate grain shipping possibilities out of this port. Dr. Turgeon of Nova Scotia was chairman.

Inspector T. W. S. Parsons of the Provincial Police transferred his headquarters from Prince George to Prince Rupert. Inspector and Mrs. Parsons expected to take up permanent residence at Prince Rupert in September.

Bush fires which had broken out at Digby Island has finally burned down to a few smouldering stumps, forestry officials reported. Despite the confidence that a recent rain had smouldering stumps, they were eliminated the fire hazard.

July 16, 1913

Miss Elsie Taylor, who had charge of the Kelowna public school for a year, arrived to spend the summer vacation as guest of her sister, Miss Elizabeth Taylor, and Miss Lillian Johnson, Third Avenue.

NEITHER TOO YOUNG NOR TOO OLD—The old and the young stand guard in Palestine and bear arms in the Jews' fight for their homeland. Here two guards, one old and bearded, and wearing a prayer cap, the other younger, and equipped with a steel helmet, are pictured on duty in Jerusalem.

HUMILITY IS HIS SUBJECT

Life Story of Judge Who Became Salvationist Is Told
 Life story of a judge in the Indian Civil Service who relinquished that exalted position to join the Salvation Army and "go into all the world to preach the gospel," suffering imprisonment and indignity before becoming one of the international leaders of the Army, was told by Col. Joseph Tyndall, visiting Salvationist, who has held high administrative posts in various parts of the world, in speaking Wednesday night at the local Citadel. The citation was used as a graphic example for a discourse on "Christian Humility."
 As the Master had washed the feet of his disciples so might Christians exemplify the spirit of humility that they might more effectively carry on the Christian duty of making a better world through self-forgetfulness and consideration of the other man, said Col. Tyndall.
 The career example was that of Judge Fred Tucker of India who, actuated by seeing the need for Christian ministrations, had relinquished his position in the Indian Civil Service, offering his services to General William Booth by whom he was sent back to India. Arriving with flag and drum, he was promptly thrown into jail for disturbing the peace and inciting unrest. Released, he then donned native garb and preached throughout the land for some years. Ultimately, he assumed the commission of the United States and married General William Booth's daughter.
 Brigadier J. T. Gillingham presided over the meeting and Mrs. Tyndall also spoke. Mrs. Andrew Martin, who is visiting here with her husband, Major Martin, sang. Mrs. A. Perry presided at the organ.

Saw Son Graduate From Old McGill

Mrs. R. L. Franklin has returned to the city following a two months' holiday in the east. While in Montreal Mrs. Franklin attended graduation exercises at McGill University where her son, Arthur Franklin, received his Bachelor of Science degree with second class honors in biochemistry.
 During the summer months Arthur works with the National Research Board and this fall he will commence post graduation studies, specializing in cancer research. While at McGill he worked under Dr. O. T. Densted who was at one time on the staff of the Prince Rupert Fisheries Experimental Station. Mrs. Franklin, who had the pleasure of meeting Dr. Densted during her visit, reports that he was keenly interested in hearing about the progress of the city.

DARKNESS HALTS 11-INNING MERCHANT-SAVOY CLASSIC

Seventh Inning Break By, Savoy Evens Score In City League Fixture

MERCHANTS 5, SAVOY 5

Savoy and Merchants toiled for two futile innings of overtime last night before darkness halted the season's longest league baseball game with both teams deadlocked in a 5 to 5 tie which Savoy had clinched with a four-run break in the seventh inning after trailing in the early part of the game.

From the standpoint of the fans, the 11-inning game was undoubtedly one of the best of the season despite its inconclusive result. Savoy's seventh-inning break transformed it from a routine league fixture into a battle that held the fans transfixed for the final four innings.

Merchant pitcher George Eliuk led his team through the first seven innings to build up a 5-1 lead which looked like a certain win until Bruce Simundson started off the Savoy offensive with a single in the second half of that inning.

In the two innings of overtime, Eliuk held the hotelmen down to no hits while the Savoy hurler allowed one hit in the eleventh inning.

Eliuk came through the eleventh innings with 9 hits marked against him, while Jack Sharp, who also went the course, gave up 13.

Joe Davis, Savoy first baseman, proved that his hitting talent has reached full blossom by batting 1000, five hits in five times at bat—four singles and a double.

Merchants took the first run in the second inning when Eliuk singled and came home on a hit by Forman. Savoy tied the score in the third when Bruce Simundson got a base on balls and scored off a single by Davis.

In the fourth, Merchants brought in three runs, their final mark-up of the game.

In the seventh Savoy tied the score. Bruce Simundson singled and Arney got a base on balls. Pavlikis singled, bringing in Simundson. Davis singled, scoring Arney. Morgan got on base on balls. Sharpe got a base when hit by a pitched ball.

CEEING... with CEE

Bow ties go and come. Right now it appears that the type with the made-up bow and elastic neckband are on the go and the bows you tie yourself are on the come. Southern bow scouts say young men take to this kind of neckwear like a singing cowhand to a microphone. You don't have to be a graduate of the Boy Scouts or the Sea Cadets to fashion one of these bows but it helps some when it comes to making a pretty knot.

It isn't going to rain in Prince Rupert for a long time yet but, if you happen to be planning a trip to Vancouver or some other spot where the weather is unpredictable, plastic raincoats don't take up much room and you can get them in children's sizes too.

What the difference is between grandmother's petticoat and the new-length half slip, we wouldn't know. Perhaps it is in the weight of material or just in the fashion writer's mind but, according to a reliable source, the ladies find half-slips very practical for summer wear.

Summer weather and holiday time is a period of the year when mother begins to look for something in the shirt line that can take rough going and is easy to launder. Tee shirts and sweat shirts are usually the answer. Dad and the boys can wear them with equal distinction and they can just about have their choice in colors.

A former Australian firm which has become Canadianized and has its plant in Victoria turns out a wool rug that should appeal to the housewife. A process that involves compressing a large quantity of loose wool into a thin layer results in a product that prevents sand and dirt from sinking into the carpet. The rugs are literally waterproof too which is something to consider—if your roof should spring a leak.

A memo pad is always handy in the kitchen and when it is on a novel holder it makes an inexpensive gift. One of the latest novelties in this line is a cast Dutch girl with the note pad forming an apron which covers her expansive front.

REPRESENTATIVE PLAYERS TO MEET IN FASTBALL BENEFIT

Representative players from the five city fastball league teams will get together tonight at Gyro Park with a fine disregard for team loyalties to play a benefit game on behalf of Gordon and Anderson pitcher Bob Moxley who was injured on the diamond last Saturday night.

The game will be the first for that purpose this season and, fittingly enough, one of the teams will be composed largely of G. and A. players eager to put forward a fan-pleasing show in aid of their comrade.

Moxley received damage to his teeth in a game with the now-defunct High School team while pitching for Gordon and Anderson. A hard-hit line drive caught him in the face.

Although seven players of one of the teams will be drawn from G. and A. ranks, its two pitchers will be from General Motors and C.N.R. The other team will be a blend of C.N.R.A., Co-op, High School, General Motors, Gordon and Anderson with one from the dissolved High School team.

Pitching for the re-inforced G. and A. team will be Bruce Simundson of General Motors and John Wesch of C.N.R.A. The rest of the line-up will be as follows: Catcher, Vic Stephens (G. and A.); first base, Dell (G. and A.); second base, Pratt (G. and A.); third base, Everett Pierce (99 Taxi); shortstop, \$800—the cost of replacing the Guthrie (G. and A.); right field, Ralph Smith (G. and A.); left

field, Dick Speers (G. and A.); centre field, Carl Smith (G. and A.). Utilities: Ted Menzies (G. and A.) and Jack James (G. and A.).

Lloyd Lahti of C.N.R.A. and Alex Slater of Co-op will pitch for the other team. Catcher will be Wendy Schwab (C.N.R.A.); first base, Lorne Vanetta (C.N.R.A.); second base, W. Stephens (C.N.R.R.); third base, Bob Smith (General Motors); shortstop, Benny Windle (General Motors); left field, Jack Sharpe (High School); right field, Spiro Postula (Co-op); centre field, Jack Rosedale (General Motors). Utilities will be Don Jensen, Alex Cembella and Gordon Hay, all of C.N.R.A.

The Gyro Park field is in the best condition of the summer following a levelling treatment in which Bob Parker employed a light tractor to give it a grading.

Umpires for the game will be Neil Ross behind the plate and Wally Landon on bases. Bob Moore will be in charge of scoring and Bob Vukovich and Pat Forman will make collection for the Moxley benefit fund. Art Murray will handle the public address system.

COVERHAN, Yorkshire, Eng. —Church mice are expensive. Rev. A. S. Chadwick, vicar of Holy Trinity Church, has appealed to his congregation for \$800—the cost of replacing the wooden keys of the organ which mice have eaten.

SMITHERS SWAT SERIES COMING

Second of the Prince Rupert Baseball Association's classic annual out-of-town series is scheduled for late July and early August, according to plans made by the association executive.

On July 25, Prince Rupert all-stars will meet a top-talent team from Smithers in the first half of a six game series at Roosevelt Park. The second three games will be played at Smithers starting August 8.

From times traditional, the Prince Rupert versus Smithers game has ranked with the Prince Rupert versus Ketchikan encounter as top attraction of the summer baseball series.

Line-ups for the Prince Rupert team are being studied by the team managers and it is likely that the roster will include many of the names which were featured in the Kechikan series which Prince Rupert dominated on July 1 and July 4.

SHADES OF YESTERYEAR

The "Fire Wagon"

From the corner grocery store, from the Bijou Theatre, from all over the town, we came a-running. The attraction? That puffing, steam polished giant, careening through our streets to put out the fire in the quick time. Few thrills could compare with that of watching foam-hoofed horses snortingly gallop to Andy's shack... there to put a quick end to the fire.

After such a hair-raising experience, we'd gather round the kitchen, sandwiches, cheese, and, naturally, Princeton Beer was set on the table. Our guests. Much has changed since those days, but, Princeton then, as in 1901, is the prime favorite when good people gather to end the pleasantries of the day.

BOOKLET PLEASING

Public Relations Council
Happy—New York-Prince
Rupert Medal Contest

Satisfaction was expressed by the Prince Rupert Public Relations Council, at its regular monthly meeting last night, over the excellent new publicity folder which was received from the printers a few days ago and which is now being released to an admiring public. A vote of appreciation was passed to Bjorn Selvig, designer of the pamphlet; Frank Dibb, the printer, and E. T. Applewhite, who had much to do with the compilation of material. Ald. Arthur Brooksbank declared that the booklet compared more than favorably with anything he had seen in cities of comparable size on a recent trip through western states.

It was reported for the committee arranging for the presentation of the Al Manson medal to the first motorist to drive this year from New York to Prince Rupert that rules and regulations had been drawn up and dispatched to New York. To qualify for the prize, there must be a letter from the Mayor of New York and daily calls must be made at newspapers in cities which are passed.

Members of the Council were asked to co-operate with J. Harry Black, manager of the Capitol Theatre here, in securing entrants for the "Miss P.N.E." competition in connection with the Vancouver Exhibition. The local finalist will get a trip to Vancouver for public appearances from which the winner of a trip to Hollywood will be decided. Mr. Black reported that there were already two entrants.

Appreciation was voted to the Canadian National Railways for a new train folder describing points along the railway between Prince Rupert and Jasper, Prince Rupert getting a particularly good showing.

It was decided to obtain further information regarding reported severe restrictions upon motorists using the Alaska Highway with a view to possibly obtaining relaxation. It was felt that these regulations were having the tendency of curbing motor travel both on the main highway and the Haines Cut-Off. The matter will be taken up first with the British Columbia Travel Bureau.

The provincial government will be asked to do something about trimming the grass on the old Court House grounds in front of the museum and the public health unit.

The meeting was informed that a suggestion to improve conditions around the city dump alongside the highway near the city limits was being considered by a committee of council.

Present at the meeting were Miss Honora Silversides, chairman; E. T. Applewhite, secretary; Ald. Arthur Brooksbank, J. H. Black and G. A. Hunter.

PEOPLE IN GLASS HOUSES
GERALDINE, N.Z. @—Thirty-seven parents here, hearing reports that children were not learning to spell correctly under modern educational methods sat for a spelling test. The words were based on tests set for Standard V, the second highest class in the Dominion's elementary schools. Only six parents gained full marks.

1,980,785 RADIOS
STOCKHOLM @—Sweden has 1,980,785 private radio sets, a survey completed April 1 shows. All commercials are barred from Swedish broadcasts, and programs financed by a \$2 licence fee paid by each household with a receiving set.

WEDDED AT SEAL COVE

Miss Pearl Medcalfe Becomes
Bride of Donald Clark

A wedding of local interest took place on Saturday in the manse of St. Peter's Church when Pearl Clara, youngest daughter of Mrs. Margaret Medcalfe, Oak Bay, Victoria, exchanged vows with Donald Everett Clark, son of Reginald M. Clark of this city. The double ring ceremony was performed by Ven. Archdeacon Hodson.

Given in marriage by Fred Schaeffer, the bride looked lovely in a gown of white satin with a finger tip veil. Her flowers were red roses touched off with full matching ribbons. Attending the bride were Mrs. John Dohl, sister of the groom, as matron of honor, wearing a gown of blue and Miss Doriel Doll as bridesmaid who chose a gown of yellow. Their bouquets were of red roses and carnations.

John Dohl, brother-in-law of the groom, was best man.

A reception was held in the Valhalla Hall where guests, received by Reginald Clark and Mrs. John Dohl, gave congratulations to the bride and groom who stood under an arch of red roses.

The table bearing the wedding cake was covered with a lovely lace tablecloth and a bouquet of carnations.

A toast to the bride was given by the best man to which the groom responded. Tasty refreshments were provided by Mrs. Emy Rothwell and music supplied by Andy McNaughton.

On Monday the newlyweds left for a brief honeymoon to Victoria and elsewhere in the south. For going away the bride wore tan gabardine suit with brown topcoat and green accessories. Upon returning the couple will take up residence at 222 West Ninth Avenue.

The bride is associated with the staff of the Hollywood Cafe and the groom with that of Hyde Transfer.

EASTERN STAR HONORS COUPLE

Past matrons and patrons and current officers of the Order of the Eastern Star honored Mr. and Mrs. Sam Massey, in appreciation of their work on behalf of the order at a farewell dinner held in the Civic Centre last night. Mr. and Mrs. Massey leave this afternoon to take up residence in the south.

A member of the order for many years, Mrs. Massey was a past matron while Mr. Massey was worthy patron for the past year.

Convenor of the dinner was Mrs. L. W. Kergin, past matron, while worthy matron Mrs. Frank Dibb was hostess.

Presentations, accompanied by appropriate speeches, marked the esteem in which Mr. and Mrs. Massey are held in the

WED QUIETLY BY BRIGADIER

A quiet wedding solemnized Thursday at the residence of Salvation Army Brigadier J. T. Gillingham united Miss Dorothy Alexander, of Greenville, to Donald Argus, of Three Rivers, Quebec. The rite was performed by Brigadier Gillingham in the presence of the bride's mother, Mrs. Marian Alexander, and Mrs. J. T. Gillingham, who acted as witnesses. The couple will reside at Port Edward.

community. On behalf of the past worthy matrons and patrons, Mrs. Massey was presented with a leather billfold by C. H. Elkins while from the same group, Mrs. Massey received an ornamental lapel pin. The presentation was made by Mrs. W. D. Lambie, grand representative. Presentation of a men's toilet kit from the 1948 officers was made by Worthy Matron Mrs. Frank Dibb.

The dinner was attended by 35 men and women.

ARE HONORED BY UNITED CHURCH

Farewell Social By First
United Congregation
Last Night

Mr. and Mrs. W. J. Holt and family, who are leaving for Kamloops to take up future residence, Mr. Holt having been transferred there in the service of the Canadian National Railways, were honored at a farewell congregational social last night at First United Church. Both Mr. and Mrs. Holt have long been active in the affairs of the church. Mr. Holt has been a member of the board of management. Mrs. Holt is president of the Women's Auxiliary.

Rev. R. A. Wilson, the pastor, made presentation of a handsome silver tray on behalf of the congregation while Mrs. H. Amos presented a beautiful embroidered cloth on behalf of the Auxiliary. Suitable sentiments were expressed in connection

with the making of presents and acknowledgments. Honored at the same time were Miss Rose Marie who has been organist of the church and who is leaving for Victoria to take up training in Royal Jubilee hospital. She was presented a case of clinical thermometers. Farewell was also given by Lloyd Franklin, one of the young men of the church who is leaving for Vancouver. The evening's program included piano solos by Mrs. wig, vocal solos by J. and community singing. Mrs. J. R. Carr at the piano. Delicious refreshments were served.

Rev. R. A. Wilson presided. HAPPY ENDING KINGSTON, Ont. @—Meeting for the time since they broke engagement after a year and a half. Mrs. H. Amos and E. R. R. Swain, 70 and twice married, up and wed.

Your Fruit will make
50% MORE Jam or Jelly
WITHOUT RISK OF FAILURES
if you use CERTO

It's simply wonderful... the difference in jam and jelly-making when you use Certo. You get jams and jellies that look better, taste better, are better... and much more of them. That's because Certo is "fruit pectin"—the natural substance in fruit that makes jams "jam" and jellies "jell"—extracted and refined ready for your use.

THE CERTO BOIL IS SO SHORT

With Certo you boil only one-to-two minutes for jams — a half-minute-to-a-minute for jellies. NO prolonged, tedious boiling to make sure your jam or jelly will set. Certo makes all fruits set "just right". This extremely Certo short boil means:

- 1 You get 50% more jam or jelly because practically none of your precious fruit juice is boiled away.
- 2 The time you spend is cut down to a fraction.
- 3 The natural colour and taste of the fresh fruit are retained. The Certo boil is too short to dull the one or spoil the other.

If you are only a beginner, don't worry. You'll have no failures if you follow exactly the recipes provided with Certo. Since different fruits need different handling, there's a separate, kitchen-tested recipe for each one.

BE ECONOMICAL — BE SMART —
MAKE JAM AND JELLY THE QUICK
EASY MODERN CERTO WAY.
ASK YOUR GROCER FOR CERTO TODAY.

A pound of jam or jelly made with Certo contains no more sugar than a pound made the old, long-boil way.
