No Pretty Picture

IT IS A GRIM WARNING that is issued by Secretary of State Dean Acheson of the United States that the United States is the Kremlin's chief target in a drive for "Dominion over the entire world" and that, not only the United States, but the whole civilization in which we live is threatened.

Events in the cold war appear to bear out Mr. Acheson's statement and, certainly, developments of the last short while have not been very favorable for our side. In fact another offensive seems to be on. Yesterday high United States officials expressed belief that the Russians will try again next month to drive the western occupation powers out of Berlin by means of an actual invasion which it is said will be resisted to the limit.

Meantime, from the other side of the world comes news of the surrender of strategic Hainan Island by Generalissimo Chiang Kai-Shek to the Chinese Communists. Now the Nationalists have their backs to the wall in the final stronghold of Formosa.

Not a very rosy picture for the West in the cold war to be sure.

Nevertheless, Warren Johnson, chief delegate of the United States to the United Nations, on the sixth anniversary of the San Francisco Conference, says that the United States will not allow hot war to occur. It is to be hoped that we will not lose too much in the cold war in preventing the shooting war.

NOT SO BAD AT THAT

WE KNOW OF LANDS where hunger and fear and compulsion and uncertainty, or some of these, are the whole of life's background. Much of the world is troubled, much of it uncertain. Yet we, who have no special deserts, do not know what hunger is, and the only fear in our lives is the fear that hangs over all mankind.

We are pretty fortunate, in our ways, and in the system under which we live. Nobody has a dog collar on us. Nobody tells us where to work, or what to work at. Nobody says: "that's your niche in life, make the best of it." Perhaps we are a laborer and we want to be an industrialist, a big-shot. Well, what's stopping us? Nothing but ourselves, our unwillingness to work hard and long hours, to deny ourselves in the present in the hope of a future.

It doesn't matter much what we call this system. Looking at it any way, it offers the best terms of life to be found anywhere. Not perfect, but still the best. It isn't dominance by the few, not a levelling down of the many. Just a fair chance to go where we want to. We fought a couple of wars because of liked this way of life better than any other. Look around again. See if anything better is offering. If not, don't let anybody cheat us out of it now.

RUSSIA AND CHINA

THIRTY YEARS, if not longer ago, China felt the influence of Russia, but Communism was not recognized or understood as it is today. Backed by the Soviet, Chinese are moving from one victory to another in the struggle against their fellow countrymen, now culminating in the latest advances on the islands of Formosa and Hainan.

It might be asked if all this is the scoring of more triumphs for Soviet Russia and part of China together with Communism, or suggests eventually the reuniting of China. Students of the latter country agree that Chinese history has never accepted the dominion of any other nation, no matter the severity and scope of quarrels, or friendliness of neighbors.

It is clear that Soviet Russia, out for conversion to Communism of nothing less than the world, would embrace every foot of China.

More Income Tax Advice

Ald. T. B. Black, at a city council meeting last night, moved that E. T. Applewhite M. P. should be contacted so that representation can be made here by the Income Tax branch for more assistance in establishing

a temporary office here. Ald. Black said that, while the two officials of the branch were here from Vancouver for a few days, many fishermen, property owners, vessel owners, etc. were not able to approach them and he felt that a lengthier service should be given.

Ald. H. F. Glassey did not think the matter was city council's problem but added that he would like to see steps taken.

What City Council Did

Adopted a utilities committee recommendation for the purchase of copper wire for rehabilitation of the fire alarm system at an approximate cost of \$175. The telephone superintendent was allowed 25 gallons of gasoline per month for operation of his private car on city buses.

Approved a health, social assistance, police and licensing committee recommendation for the issuance of trade licenses to: G. D. Ronson, oil burner sales; H. Haudenschild, cafe; W. Demchuk, building contractor.

Adopted a finance committee recommendation that the motion of the council requiring the advertising of vacant property in Section One be rescinded and that lots 4 and 5, block 11, section 1 be sold to John Roach for \$1050.

Heard a finance committee report of the following property sales:

Lot 5, block 23, section 7 to Olaf Rudsick for \$100. Lot 123, block 34, section 8 to Edith Tattersall for \$15. Lot 14, and East 1/2 of lot 15, block 19, section 8 to Leroy Younghusband for \$55. Lot 14, block 9, section 2 to R. E. Montador Ltd. on behalf of Jean Macfie Stevens for \$315. Lot 18, block 7, section 7 to Albert Dalzell for \$100. Lot 1, block 1, section 2 to Lemmie Herring for \$650. Lot 5 and the Easterly 1/2 of lot 6, block 5, section 2 to Arthur Murray for \$450; the latter two subject to ex-servicemen's rebate.

Accepted a conciliation board report regarding the dispute between the city and the local union of the International Fire-fighters' Association.

Agreed to purchase the former U.S. Army 12-inch wood stove water pipe installation from Acropolis Hill to the waterfront for \$50. The city engineer will make use of fittings from the line. The purchase will be made from Crown Assets Disposal Corporation.

Passed a Land Sale Bylaw, presented by Ald. T. B. Black.

Tabled a request of the Northern B. C. Museum board for a grant. The matter will be dealt with when estimates are brought down.

Authorized the presence of City Clerk H. D. Thain at a Municipal Officers' Convention in Victoria June 1 and 2.

Answers Made On Garbage Disposal

In answer to Ald. H. F. Glassey's request at a council meeting early this month, City Clerk H. D. Thain last night produced garbage disposal costs for certain months. From June to August last year, disposal costs were \$6,246.12 and the average was \$2,082.04. From September to December of 1949, costs were \$7,501.44 and the average 1,875.36. Costs of disposal for the latter two months, said the city clerk, was less by \$207.

"Gift" But No Title

City council last night could not understand the meaning of a letter from the School Board read to members by City Clerk H. D. Thain. The board requested a reason for the city not granting the title to the Conrac Street playground, recently acquired from the city by the board. The city clerk explained that in the initial letter to the board, it was explained that the board was being given the lots and that any alterations required would be satisfactory as far as the city is concerned.

Dr. R. G. Large, chairman of the School Board, was present at the meeting and said the School Board is faced with expenditures to the lots if they are to be used for playground purposes. He explained that the board has no assurance that councils in the future may change the policy. "We feel we are not legally

able to spend money if we ever have to give them up again." City Clerk Thain told Dr. Large that the city was not able to "give" the lots to the board because the city "paid cash" for them. He added that, if the board favored buying the lots, council would not object. He reminded Dr. Large that a private owner would not give away lots. Ald. H. F. Glassey moved that the board be notified stating the reason for council not being able to grant the title to the lots.

"... AND THAT'S HOW

we built the school"

It's the biggest contract I ever went after, so I lost no time in getting over to my bank manager.

"George," I said, "I'll need some help to handle a job this size."

We went over the whole thing, discussed how much I would need. When I landed the contract he gave me a line of credit and I was able to go right ahead. Now the school's as good as built.

It is an everyday part of your local bank manager's job to provide short-term credit—so that payrolls can be met, material bought, goods produced and marketed.

● Kindly place all surplus bottles belonging to Northland Dairy on your porch so delivery can pick up on regular service. Dairy is running short of bottles. (11)

Mr. Justice J. M. Coady, after conducting the session of Supreme Court Assizes here during the past week, sailed by the Chilcotin this afternoon on his return to Vancouver.

● Regular Moose meeting Tuesday, April 25th 8 p.m. Installation of officers, followed by social evening. W.O.T.M. invited to attend. (9)

A. W. Newman, assistant freight traffic manager, Union Steamship Ltd., disembarked here this afternoon from the steamer Chilcotin after making the round trip to Alice Arm and Stewart. He will be here until Friday night when he will proceed by the Camosun to make the trip to Masset Inlet points and thence back to Vancouver.

J. H. Smith, who was divisional clerk for the provincial police here years ago with the rank of corporal, is back in Prince Rupert after a long absence. After leaving here he spent some time in the Peace River country. Mr. Smith notices many changes in the city and is impressed with the steady growth and improvement which is so evident.

RICHARD GABLE

LOCAL BOY WINS VANCOUVER TRIP—For superior performance in his business and outstanding sales ability as a Vancouver Sun Carrier-Salesman a local lad has just enjoyed an entertaining visit in Vancouver, with all expenses paid by The Sun.

Richard Gable joined a baker's dozen of other Sun carriers, from all parts of British Columbia in a three-day stay in Hotel Georgia, with many forays and sorties to many places of interest.

There were trips through the Sun's big publishing plant, trips through all sections of Vancouver and suburbs; there were theatre parties, and dinner parties at Hotel Georgia. The White Spot and other well known Vancouver establishments, including current shows at downtown theatres.

For most of the boys the high spot of the trip was attendance at the recent Pacific Coast Hockey finals. Richard says he had a fine time and would like to do it all over again.

Cross Hecate In Open Boat

Brothers E. F. Court and I. V. Court will start tonight on the completion of delivery to Queen Charlotte Islands of a 32-foot open Atlantic fishing boat Linda which they shipped last fall from North Rustico, Prince Edward Island, to Prince Rupert and which was kept here for the winter. The boat is sail and auto engine equipped. The brothers arrived here at the week-end by plane. They plan to use the Linda in crab fishing at Masset.

When they arrived here last fall the brothers were accompanied by their father, Beecher Court, and another brother, Quinton, who have since returned East.

HAPPY NOW—FINDS ROAD TO REGULARITY

"After 30 years of terrible constipation, I found regularity in a hospital! They gave me KELLOGG'S ALL-BRAN for breakfast—and it's been my steady ever since!"

Thomas P. Horrobin, who has been acting as court reporter at the Supreme Court Assizes here during the past week, left on last evening's train for Prince George to act in a similar capacity there.

Judge W. O. Fulton and J. T. Harvey left on last evening's train for Smithers where a session of County Court is to be held. They expect to be back Thursday night.

Decree absolute was granted by Mr. Justice J. M. Coady yesterday afternoon in the divorce petition of John Strand vs Aileen Strand in which Allan Horne was cited as co-respondent. R. M. MacLeod acted for the appellant.

APPEALS ALLOWED IN SUPREME COURT

Appeals were allowed and convictions quashed by Mr. Justice Coady in two appeals involving juveniles which brought the spring session of Supreme Court here to a close yesterday afternoon. The boys had been convicted by Magistrate W. D. Vance in juvenile court of carrying firearms without a licence. It was established that the boys were not hunting but were engaged in target practice which is permitted under certain circumstances under the Game Act. T. W. Brown acted for the appellant and R. M. MacLeod for the Crown.

SECRET WAS SIMPLE

"Isn't it amazing what children notice? Last night my little girl said, 'Mommy, why is Granny's washing whiter than yours?' I swallowed my pride and found out today. The secret's a swish or two of Reckitt's Blue in the final rinse for it's Reckitt's Blue that prevents clothes turning yellow. There is no pure white without blue. Costs only a few cents a month, and means I take no chances with anything that may damage fabric. It is the safe way to keep clothes snowy white." A-1-P

Ten Pin Bowling League Has
Enjoyable Presentation
Banquet

Two cash prizes of \$25 each which were presented Saturday night at a banquet of the Ten Pin Bowling League to the Royal Hotel and A. E. Smith league championship teams will be turned over to some responsible group for use in the promotion of a worthy juvenile sports cause. This was the decision made following the presentations and some suitable group to handle the fund for which this may be a nucleus is now being sought.

Saturday night's gathering in the Prince Rupert Bowling Alleys, attended by about 150 bowlers and supporters, was marked by the presentation of the Fashion Footwear trophy for the tournament championship to Capt. W. Smith of the Royal Hotel. The presentation was made by A. J. Dominato. A. E. Smith team was runner up.

Other prizes were presented as follows:
High three game total, L. Garner.
High Single, E. Garner.
High single team prize, 99 Taxi
High three games, Royal Hotel.

NO SCORE THIS TIME—Chunky Art Rose of Montreal Canadiens had Goalie Cliff Hicks of Guelph Biltmores beaten on this shot but the puck, circled, didn't go into the net. In this game in Toronto April 18, Rose rattled in three goals to lead his team to a 4-2 victory and give the Quebec champions a lead of three wins to one at that stage in the best-of-seven series for the Eastern Canada junior hockey title. Sport Shots

One-sided results in Canadian Allan Cup playoffs make hockey writers and fans wonder if the present play-off set-up is a real test of senior hockey superiority. Ed (Sydney Post Record) Smith suggests that a "true test" would be a championship round-robin on the lines of the Canadian Curling Championship. The championship would be played in one rink and teams representing each province would compete. The team with the highest standing would capture the Allan Cup and there would be a better assurance that the weakness and strength of teams would be found. "The idea has its points," Ed explains. "It would save individual clubs the expense of travelling back and forth from series to series after their own league or provincial championship. There would be one rink, one focal point and one big climax for all senior hockey supporters across the Dominion."

What particularly made Ed start thinking was the fact that Sherbrooke Saints, Quebec champions, had knocked off the

high-priced Sydney Millionaires, over with some Maritime titleholders, in four straight. Now Toronto Marlboros, Ontario champions, appear enroute to a similar victory over Cape Breton. Most observers believe the Saints. It looks like Calgary in four straight. Stampeders are due for a one-sided victory over Fort Frances, and the westerners on the march, hockey hang-

How many people to the gallon?

Many thousands of Canadians have a part in making a gallon of Esso available for your car.

About 12,000 of them are employed by Imperial. Some search for new oil fields; some move oil from producing fields to refineries where others make it into Esso and hundreds of other useful products; still others see to it that these are on hand wherever you want them.

Then there are almost 10,000 independent business men who, as Imperial dealers, supply you with our products.

And there are the many thousands of people who derive part of their livelihood from making and transporting the things that Imperial uses in its operations. Last year we bought equipment and supplies from more than 3,000 Canadian firms.

But those are not all.

About 70,000 Canadian residents are shareholders in Imperial or owners of Imperial bonds.

And there are more thousands who have an investment in Imperial through their bank deposits or their insurance policies, because a number of Canada's banks and insurance companies have put some of their clients' money to work to help us do our job.

Finding oil and bringing it to you in the kind of products you need is a big job, a job that requires the skills and the savings of many thousands of Canadians.

**Bringing you oil is a big job
... and a costly one**

About Canada's Oil — On its 1949 manufacturing and marketing operations Imperial earned a profit equivalent to less than three-quarters of a cent a gallon for each gallon of product sold.

Imperial's investment in plant and equipment is equivalent to more than \$19,000 for each employee.

The wholesale price of gasoline has increased only a third as much as the average wholesale price of all commodities over the past 10 years.

Ray Reflects and Reminisces

Sometimes a Prince Rupert assize has diverting points. It is seldom, though. The proceedings last week occasionally gave a chance to indulge in what sounded like subdued merriment. At an assize, where everyone is presumed to be correct and circumspect, one may be safe in smiling but it's best to go no further. Yet there are occasions when even His Lordship may be thought not above amusement.

How far elimination of the means tax will cause elderly people to feel more comfortable should be known next autumn. But a reply to a question, while reassuring, in a way, might be far from telling the whole story. Social service is not without a few strings.

Commencing April 29, we're going to have daylight saving from St. John's in Newfoundland to Prince Rupert in British Columbia no matter whether farmers curse or not and notwithstanding what school children think of trying to slumber in broad daylight. Best call it spotty. Alberta sticks to standard time

Are Leaving Prince Rupert

Mr. and Mrs. W. M. Watts Sell Home and Will Make Departure This Summer

Having sold their home on Fourth Avenue West, Mr. and Mrs. W. M. Watts are making preparations to leave Prince Rupert following the close of the current school season. Their future home has not yet been decided but they plan during the summer to make a trip to Eastern Canada visiting such cities as Montreal and Toronto.

Having both been associated with the city since childhood, the departure of Mr. and Mrs. Watt will be roundly regretted. Coming here as a youth, Mr. Watts started as a warehouse boy with F. E. Hunt Ltd. business on the waterfront, later being identified with Fred Stork's hardware, the old F. G. Dawson wholesale house, and Frizzell's butcher shop and McMeekin's Grocery until he went into the grocery business for himself, forming a partnership in 1937 in the Watts and Nickerson business, acquiring the Bryant Co. business in 1940 and further developing it with a branch at Smithers. Relinquishing the positions of manager of Albert and McCaffery here, which he has held for the past two years, Mr. Watts will, however, retain his business interests here.

Mr. Watts has also been prominent in public affairs as mayor, president of the Chamber of Commerce and the Liberal Associations as well as being a hospital board member. In Masonic and Gryo Club circles he has also been prominent.

Mrs. Watts, the former Alice Nelson, has lived here practically all her life, being a graduate nurse from the Prince Rupert General Hospital training school.

BADEN, Germany. — Two lions escaped from a circus near here Monday and clawed a 20-year old German girl to death. The lions were captured a few hours later.

HOW CAN I ???

Q. How can I clean a white Panama hat?
A. Use a suds of white laundry soap, adding ammonia until the water feels soft; then add for each pint of suds one tablespoon of glycerine. Wash the hat in this, using a soft brush, lay on a board and dry in the shade. Or, clean it by rubbing with a cloth saturated with peroxide of hydrogen.

Q. How can I make a good mint salad?
A. Add some chopped mint leaves to French dressing and serve over tomatoes, lettuce, and cucumbers. It is an excellent spring salad.

Q. How can I prepare a remedy for poison ivy?
A. A little potassium permanganate and a little water is an excellent remedy for poison ivy. But have the solution prepared by a druggist.

SENTENCES ON PAIR SUSPENDED

G. A. Lowe and C. E. Latimer pleaded guilty before Judge W. O. Fulton in County Court here at the end of the week to charges of breaking and entering by day at Ocean Falls and received terms of eighteen and twelve months' suspended sentence respectively on \$1000 guarantees under personal recognizance. Two weeks ago the pair broke into a bunkhouse at the paper town.

FESTIVE—quick to fix! with Modern Fast-Acting DRY Yeast!

FAN TANS

Measure into large bowl, 1/2 c. lukewarm water, 1 tsp. granulated sugar; stir until sugar is dissolved. Sprinkle slowly with 1 envelope Fleischmann's Royal Fast Rising Dry Yeast. Let stand 10 min., THEN stir well. Scald 1 c. milk and stir in 5 tbs. granulated sugar, 2 tps. salt; cool to lukewarm. Add to yeast mixture and stir in 1/2 cup lukewarm water. Beat in 3 c. once-sifted bread flour; beat well. Beat in 4 tbs. melted shortening. Work in 3 c. more once-sifted bread flour. Knead until smooth and elastic; place in greased bowl and brush top with melted butter or shortening. Cover and set in warm place, free from draught. Let rise until doubled in bulk. Punch down dough in bowl, grease top and let rise again until nearly doubled. Punch down dough and roll out, half at a time, into a rectangle a scant 1/4" thick; lift dough, cover with cloth and let rest 5 min. Brush with melted butter or shortening; cut into strips 1 1/2" wide. Pile 7 strips together; cut into 1/2" pieces. Place cut-side up in greased muffin pans; separate slices a little at top. Cover and let rise until doubled in bulk. Bake in hot oven, 400°, 15-20 min.

● Always running short of yeast because it spoils so quickly? End this nuisance—switch to modern Fleischmann's Fast DRY Yeast! Keeps full strength and fast-acting right in your cupboard—no refrigeration! No new recipes—one package equals one cake perishable yeast in any recipe.

Civic Centre Is Preferred

Gets Call Over Shrine Club Carnival in Giving of Carnival Dates

The Prince Rupert Shrine Club was not granted its carnival dates of July 20 to 29 by city council last night. Council felt the Shrine Club dates were too close to the dates of the Civic Centre Carnival, August 19 to 26.

Council members felt both were worthy organizations but, as the Civic Centre was a community enterprise and worked for the city throughout the year, protection should be given it.

Representing the Civic Centre Dr. R. G. Large said the Civic Centre and the Shrine Club had discussed the matter fully. The Shrine Club, he said co-operated fully, but added that the situation was not changed as far as the Civic Centre was concerned.

"We feel we need adequate protection previous to our dates," he stated. He asked council to continue extending the protection.

If the Shring dates were granted

ed, he said, it was doubtful if the Civic Centre could stage a carnival.

Representing the Shrine Club, W. D. Smith presented a statement which was read to members by City Clerk H. D. Thain. "The Shrine Club is eminently satisfied that its carnival provides a type of entertainment for children of a high class order and believes that this entertainment will not be otherwise available in Prince Rupert," the statement said.

It stated that the Shrine Club is satisfied that the Civic Centre could safely extend its date one week, thus putting a month between the two engagements.

A straightforward telegram was received by the city clerk from Henry Meyerhoff of Crescent Shows from Vancouver April 20.

Following are excerpts from the wire:

"Seems to me that Prince Rupert should assist Crescent Shows to play Rupert instead of trying to prevent us giving citizens some good amusements. Working people who look forward to modern side shows and riding devices are unable to take their children to Vancouver to P.N.E. as the wealthier parents do."

"... these two differently operated fairs will not conflict or does the Civic Centre want to hog it all? Impossible to change Crescent Shows dates, and if you do not give Crescent permission, why we will have to pass up Rupert."

Impressive Service

TERRACE—(Special to Daily News)—In the name of the United Church I receive these keys in token of the trust you have placed in us. With these words Rev. H. Stewart Forbes received the keys of the new Knox United Church as they were delivered to him by Mrs. I. Frank.

Dedication services of the Church, built by voluntary efforts during the past year, to replace the old Church which was gutted by fire fifteen months ago, took place on Sunday evening with the Church packed to its doors.

Rev. H. Stewart Forbes B.A. DD., of Ocean Falls, chairman of the Prince Rupert Presbytery, officiated with Rev. P. Mallett of Terrace assisting.

The beautiful chancel furnishings were presented for dedication by Mrs. J. H. Smith in memory of her father, the late O. T. Sundal, and the centuries old bell given by the Dutch newcomers was presented for dedication by Mr. Brandis.

In his dedication sermon Mr. Forbes spoke of the magnificent work that had been accomplished here where beauty had arisen from ashes. Many had given sacrificially and a church had been built free of debt to the glory of God. "A debt of gratitude is owing to the people of the community who have helped and this church is for them all, members, non-members and natives alike," he declared. "Let it stand as a symbol that today is a day of good tidings."

Roger Campbell was soloist, singing "Bless This House". Two anthems were rendered by the choir with H. Philip as soloist in one Mrs. C. J. Norrington was accompanist for the service.

This service concluded the week end activities in the church to commemorate the dedication.

A banquet was held Saturday evening in the Oddfellows' Hall for the members and adherents and all who had helped with the building of the church.
